Recovery as a necessary precursor to effective therapy, 27162
Therapy with an infertile lesbian client, 26492
Treatment of a lesbian batterer, 26510
When sexual and romantic feelings permeate the therapeutic relationship, 26499
Working with gay women, 26571
Working with special populations III: Lesbians and gay men, 31192

Lesions [See Brain Lesions, Neural Lesions]

Lesson Plans—Serials

variety in planning & teaching hand dribbling in basketball, expert vs novice 3rd–5th grade physical education teachers, 23446

Letters (Alphabet) [See Also Consonants, Vowels]—Serials

age, name vs physical identity RT & letter matching & accession of overlearned linguistic information in long term memory, normal adults vs patients with Alzheimer's disease vs major depression, 5709
change in size of 1 vs 2 letters in 1 vs 2 words, legibility & perceptual grouping in visual word recognition & reading speed, 19–58 yr olds, 40075
color & rotation & movement manipulations of matrix of letters, ratings of letter vividness in perceptual vs drawings vs memory vs imagine modality, 15–48 yr olds, 21172
EEG topographies during simple detection & form & rhyme discrimination of letters, dysphonemic dyslexic 11.2–14.5 yr olds, 22109
exposure of 1st letter in incremental vs simultaneously presented word fragment, cue depreciation effect on recognition of unprimed words, college students, 4346
illusion of size using print passage cropped below & above print vs no cropping, similarity to Mueller-Lyer illusion, 8194
interletter distance & eye fixation & word length & shape, letter visibility & optimal viewing position effect in word recognition, college students, Germany, test of visual acuity, 12166
letter & semantic category fluency, 50–64 vs 75–91 yr olds, 37229
letter association understanding during alphabet book reading, 3.5–4.5 yr olds, Piagetian perspective on metalinguistic differentiation, 37070
letter size & orientation, perception of normal vs reflected letters, college students, 24332
position of letter in prefix vs stem of function vs content word, prominence of leading functions in function morpheme sequences in letter detection task, Hebrew speaking college students, Israel, 16944
previous practice writing 1st letter vs entire display, comparison of identity of 1st letter vs entire word vs pseudoword displays, college students, 16278
prior knowledge of repetition location, detection of letter repetition in words vs nonwords, college students, 36236
recurrent neural network for multitalker connected recognition of spoken English letter names, 7839
size overestimation of horizontal local letter components in global letter image, 43963
string length & font & new instances of same vs new letters, speeded decisions on letter vs nonletter content of strings, college students, 8321
syllable length vs silent letters, visual parsing RT, college students, 16271
syntax, letter detection in words, college students, 16267
target letter position cues, word decoding & recognition in visual search RT & oral reading tasks, intellectually disabled 10–12 yr olds, 6163
task determined strategies during lateral masking, tachistoscopic letter recognition, severely dyslexic vs nondyslexic English vs Hebrew 18–58 yr old readers, 22101
transposition of letter sequence, RT & errors in short term memory performance, college students vs elderly, 887
understanding of writing vs number notation as domains of knowledge vs referential communicative tools, 3.5–6.5 yr olds, Spain, conference presentation, 17041
visual field location of letter stimulus & response hand, speed accuracy trade off in & lateralization of physical vs nominal letter matching task, college students, test of callosal relay model, 16540
width of overlying & flanking mask contours with words vs letters, recognition of letters in words vs isolated, adults, 40170

Leucine—Serials

leucine enkephalin & its synthetic analog in neostriatum, conditioned reflex avoidance & catalepsy, male rats, 12914

Leucocytes [See Also Lymphocytes]—Serials

adrenergic stress, leukocyte adhesiveness/aggregation values & plasma norepinephrine & dopamine & epinephrine & serum glucose, dogs & adults, hypoglycemic animal stress model, 36706
biofeedback assisted relaxation, lymphocyte blastogenesis & plasma cortisol & white blood cell count, healthy adults, 4721
coping strategies in adaptation to captivity, plasma cortisol & eosinophil leucocyte level & heterophil/lymphocyte ratio, female beech martens, 36670
granulocyte colony stimulating factor, clomipramine induced agranulocytosis, female 37 yr old with obsessive compulsive disorder, letter, 26744
human leucocyte antigen distribution, members of family with high morbidity of panic disorder, letter, 45544
leucocyte T helper & T suppressor cytotoxic cell subset profile, patients with minor vs major vs melancholic depression, Belgium, 25782
leukocytosis & monocytosis & neutrophilia, males vs females with major vs minor depression, 5833
lithium carbonate therapy, leucocyte counts, manic depressive 20–64 yr olds, 1 yr study, conference presentation, 38538

lithium, patients with naturally occuring or drug induced blood leukopenic disorders, 30598
neutrophil function, inpatients with minor vs simple major vs melancholic depression, implications for susceptibility to physical illness, 9819
psychological stress, proto oncogene expression in peripheral blood leucocytes & other cellular responses, medical students, 44534
social isolation, plasma corticosterone & leucocytes & motor & other behavior, 7–10 day old Japanese quails selected for high vs low sociality, 28474
T & B cell activation & leucocyte & monocyte function, depressed inpatients, Belgium, 25783

Leucocytes [See Also Lymphocytes]—Chapters
Stress and superoxide production by human neutrophils, 20783

Leukemias—Serials
acquisition of spelling skills, 8–16 yr olds with leukemia, 14251
CNS irradiation or chemotherapy, cognitive & neuropsychological sequelae & academic achievement & social adjustment, children with leukemia, literature review, 22893
coping responses & social support & personality & quality of life, psychological well being, 16–82 yr olds with acute leukemia in remission, 34117
corticotropin analog Org 2766, Vinca alkaloid induced neuropathy, patients with non-Hodgkin's lymphoma or Hodgkin's disease, 14865
disease & disability parameters, attributional style & psychopathology, 7–16.9 yr olds with diabetes mellitus vs lymphocytic leukemia vs sickle cell syndrome, 22242
ethanol diet, immune dysfunction markers on thymus & spleen cells, female C57BL/6 mice with LP-BM5 murine leukemia virus, animal model of AIDS progression, 21035
methodological issues in research on neuropsychological effects of CNS prophylaxis, children with leukemia, research review, 46654
parental psychopathology, psychosocial functioning, 2.2–17 yr olds with acute lymphocytic leukemia, 38189
risky decision making & allocation of treatment resources to patients with AIDS vs leukemia, college students, 26191
self esteem, 6–11 yr olds with leukemia treated with chemotherapy, 34744
systemic vs prophylactic CNS chemotherapy, sequential & simultaneous cognitive processing, children with acute lymphocyte leukemia, 18876

Leukemias—Books
Drawings from a dying child: Insights into death from a Jungian perspective, 34703

Leukemias—Chapters
Effect of social order, lack of social hierarchy, and restricted feeding on murine survival and virus leukemia, 28467

Leukocytes [See Leucocytes]

Leukotomy [See Psychosurgery]

Levodopa—Serials
carbidopa/levodopa dosage in controlled release Sinemet CR 50/200 vs standard Sinemet STD 25/100, patients with Parkinson's disease with motor fluctuations, Netherlands, 18936
clozapine, severe levodopa induced psychosis, male 64 yr old with advanced Parkinson's disease, case report, letter, 6952
D1 dopamine antagonists, L-DOPA induced self mutilatory behavior, neonatal male rats with 6-OHDA lesions, 8886
L-dopa, neurochemical reactions & motor activity & emotional responses, male rats, 16546
levodopa & clonidine & growth hormone releasing hormone, growth hormone secretion, growth retarded 1–6.5 yr olds with Down's syndrome, 46505
levodopa &/vs bromocriptine, dementia, patients with early vs late onset Parkinson's disease, 3 yr followup, implications for subtypes, 30662
levodopa, neuroleptic malignant syndrome, psychotic 22–68 yr olds, 10710
levodopa, social dominance, juvenile Artic charrfish, 40704
levodopa treatment, sleep quality, 54–68 yr olds with idiopathic Parkinson's disease, 46661
long term levodopa therapy, panic disorder-like states, patients with Parkinson's disease, 30673
MK-801 with vs without levodopa, MPTP induced parkinsonism, male squirrel monkeys, animal model of Parkinson's disease & drug therapy, 753
MPTP with vs without levodopa, olfactory memory & recognition & brain catecholamines, male mice, animal model of Parkinson's disease, 40550
neuroleptic malignant syndrome & confusion following reduction of levodopa, 71 yr old female with Parkinson's disease, case report, 2776
prefrontal hypodopaminergia in schizophrenia & development of negative symptoms, treatment with levodopa, commentary reply, letter, 9843
procyclidine vs levodopa, audiospinal facilitation reflecting functional changes in reticular nuclei, 51–75 yr olds with Parkinson's disease, 26882
SCH 23390 spiperone, levodopa induced stereotypic air stepping, rat pups, 8974
treatment with weak magnetic field stimulation of brain & subjective reports, male 67 yr old with idiopathic Parkinson's disease with severe levodopa therapy related on off motor fluctuations, 14852

Lexical Access [See Also Lexical Decision]—Serials
acoustic & lexical stimulation, phonetic integration in duplex perceptual organization of speech, college students, 28217
analysis of face naming errors in serial stage models of speech production, college students, 20240
auditory lexical decision performance & automatic access to semantics, 37–64 yr olds with Broca's aphasia, 46080
automatic lexical access, 61 yr old male with nonfluent aphasia & left frontal lesion, 6397
color lexicon in Setswana language, monolingual rural 26–82 yr olds, Botswana, 21111
compound cue vs spreading activation explanation of facilitation effects of prime in lexical decision, college students, 4325
distractor cohyponyms vs target hyponyms, lexical access & retrieval of verbs in speaking during action naming tasks, adults, Netherlands, test of A. Roelofs' nondecompositional theory, 32224
dominant meaning & context, lexical access to ambiguous words, college students, Italy, 40129
lexical & notional & morphological contributions to verb number agreement processing, college students, 28835
lexical & semantic problems in survey interview, Mexican Americans, 3952
lexical & semantic processing of ambiguous words, 23–76 yr olds with Broca's vs Wernicke's aphasia, Netherlands, 46057
lexical & semantic processing, sentence plausibility & meaning, college students, 5012
lexical ambiguity, eye fixations in reading, adults, application of integration vs reordered access model, 4302
lexical categorization of meaningful rhymed vs nonrhymed vs meaningless words, auditory EPs & RT, 24–32 yr olds, 4641
lexical decomposition in visual recognition of Kanji characters, college students, Japan, 44072
lexical relations of antonymy & synonymy in adjective representation, college students, 40115
lexicality & trigram frequency, handwriting production, right handed female 8–12 yr olds vs adults, Switzerland, 40861
lexicalization & level ordering, 4994
matching vs nonmatching word vs nonword utterance in simultaneous speech reading, lexical mediation in detection of speech in noise, adults, 4283
memory load, frequency & lexicality & phonology in naming words vs pseudohomophones, college students, 20269
millisecond timing device for Macintosh PCs in cross modal lexical priming, 16303
number of semantically related vs unrelated word & picture primes, reading latencies & category specific retrieval inhibition, anomic temporal lobe epileptic 28–46 yr olds, 26269
optimization vs enforced effortful processing, cognitive triage during unconstrained recall, 2nd & 6th graders, reanalysis & new data, 37013

pharmacological awareness & word recognition & digit naming speed, text reading fluency before & after practices, 2nd graders with poor vs average reading ability, 2 yr study, 47218
phoneme relatedness & lexicality & response target interval in phonological priming, speech production, college students, UK, 9039
phonological & lexical incidental errors in language production, male 2–3 yr olds, Netherlands, 25169
picture word interference, lexical access latency in production of noun phrases, college students, Netherlands, 12244
pragmatic features of lexical ambiguity in simple riddles, 44800
primary vs unattended word target, first fixation & gaze duration measured semantic activation, college students, 8374
priming by similar sounding initial phonemes of nonwords, auditory recognition of base word, college students, 44780
pronunciation of orthographically similar vs nonsimilar pseudowords, 53–86 yr olds with Alzheimer's disease, 14305
reading ability, resolution of riddles requiring access to phonemes &/or morphemes, 2nd graders, 25141
reliability of lexical facilitation strategy in speech therapy, increased informativeness of target objects, language impaired 29–40 mo olds, 31054
remembered verbal stimuli, selective neuronal EP in thalamic & striopallidal nuclei, parkinsonian patients, conference presentation, 34180
repetition of lexicalization across languages, locus of priming effect in word recognition, Welsh-English bilingual adults, UK, 316
role of word class & grammatical gender during lexical access in language production, normal adults vs aphasic patient, Germany, 9028
script activation during reading, facilitation of lexical access, college students, 12257
semantic association vs visual word perception, cortical EPs & localization, 29–40 yr olds, 16609
semantic associative vs identity priming & stimulus onset asynchrony, lexical access & spreading activation, 41–79 yr olds with left vs right anterior vs posterior lesion, 26299
semantic relatedness of target & homophonous prime words & onset asychrony, phonological constraints on visual lexical access, college students, 44090
subjective organization, hypermnesia of pictures vs words vs riddles, college students, 8360
superordinate category labels, taxonomic development in lexical memory, 3.2–4.9 yr olds, 899
use of lexical acquisition heuristics, Serbian-English bilingual vs English monolingual 5–8 yr olds, 40837
verb lexicons, language impaired vs normal preschool age children, 38077
verb lexicons, preschool age males with language impairments, 38076
visually masked vs unmasked semantically related vs unrelated prime, N400 EP as reflection of lexical access vs integration, 18–29 yr olds, Netherlands, 24755
vocabulary size & lexical access & sentence based speech-reading, hearing impaired adult males, 2357
word frequency, lexical access in pseudohomophone naming & pronunciation & homophone decision latency, college students, Australia, 4345
word list priming, anagram problem solving vs free recall as test of implicit memory, elderly with Alzheimer's disease, 2303
1 vs 3 signal auditory presentation, lateral asymmetries of lexical illusions & verbal transformation effect, college students, 4635

Lexical Access [See Also Lexical Decision]—Books

Frames, fields, and contrasts: New essays in semantic and lexical organization, 830

Lexical Access [See Also Lexical Decision]—Chapters

Acquisition of early object labels: The roles of operating principles and input, 21219
Bilingual lexical representation: A closer look at conceptual representations, 24431
Connectionism: A new breed of bottom-up model?, 19865
Conventionality and contrast: Pragmatic principles with lexical consequences, 1004
Interactions between lexical and assembled spelling (In English, Italian and Welsh), 17084
Lexical access in Chinese: Evidence from automatic activation of phonological information, 16313
Lexical retrieval processes: Semantic field effects, 833
Memory-addressing mechanisms and lexical access, 24434
On the role of cohorts or neighbors in visual word recognition, 24441
Orthographic neighborhoods and visual word recognition, 24436
Representation and processing of morphological information, 24423
Units of representation for derived words in the lexicon, 24426

Lexical Decision—Serials

attended vs unattended & visual field separation of semantic primes, lexical decision task, college students, Spain, 4306
attention allocation deficits in phoneme monitoring & semantic judgment, aphasic 41–71 yr olds, 46103
auditory lexical decision performance & automatic access to semantics, 37–64 yr olds with Broca's aphasia, 46080
automatic semantic priming in lexical decision tasks, college students, 4339
brief nonword primes, RT to phonology &/or orthography in visual word recognition, college students, France, 16262
center embedded vs right branching relative clause structures in lexical decision vs sentence repetition, syntactic processing ability & RT, 20–29 vs 60–89 yr olds, 32856
cognate vs noncognate differential priming in lexical decision task, multilanguage semantic categorization repetition blindness, bilingual college students, Spain, 36183
concept foregrounding, predictive inference in word stem completion vs lexical decision vs naming tasks, college students, 4353
context effects in text vs word priming in lexical decision tasks, college students, England, 4338
educational level & word frequency effect, lexical decision performance, adults, 12255
expectancy & neutralization of postlexical checking, between language semantic priming effect in multilanguage lexical decision, bilingual 18–54 yr olds, 36189
grapheme frequency & lexical priming, spelling of unfamiliar words, Spanish speaking college students, Spain, application of spelling models to language with shallow orthography, 32774
hemispheric specialization vs reading habits & sentence length & number & congruence of primes, right visual field superiority in lexical decision, native Hebrew speaking male 20–30 yr olds, Israel, 32388
hemispheric vs visual information processing theory perspective on lexical vocal RTs to concrete vs abstract words, young adults vs elderly, reinterpretation, 25152
identity priming, identification & mental representation of Japanese single vs 2 kanji compound words, college students, 20272
implicit semantic processing of visual information in lexical decision task, 42–61 yr olds with left sided visual neglect vs 72 yr old with dense visual field hemianopia, 38337
implicit sublexical phonological processing in lexical decision task, male 35 yr old with acquired dyslexia due to stroke, implications for models of normal word recognition, 33941
individual differences, effects of induced depression & elation on lexical decision times for positive vs negative words, female college students, 8400
inference category & rate of word presentation & delay between last word in sentence & test word, generation of online causal antecedent & consequent inferences & lexical decision, college students, 44091
intralexical & semantic relatedness of compound members & targets, interactive meaning activation of ambiguous nouns in novel nominal compounds, adults, 36153
lexical decision performance for 3 vs 4 letter words vs nonwords, male P vs L type dyslexic 8–13 yr olds, implications for hemispheric processing mode hypothesis, 45820

lexical familiarity, individual differences in visual naming & lexical decision & semantic categorization, college students, implications for working memory, 44088
lexical influences, auditory rhyme decision performance for words & nonwords, 17–47 yr olds, 36173
lexicality & phonological similarity of verbal trace, tree models for degradation & reintegration in immediate recall, 36247
magnitude estimation scaling vs traditional RT procedure, assessment of hemispheric processing asymmetry in lexical decision, 21–24 yr old females, 44069
meaning frequency, lexical processing of ambiguous words, college students, 8324
morphological structure & lexical decision in language processing & reading ability, 4th vs 5th vs 6th graders, 5110
morphologically ambiguous vs unambiguous verbs in left vs right visual field, lexical decision & hemispheric sensitivity in syntactic processing, college students, 24657
nonword foil lexicality & semantic priming & word frequency, lexical decision & RT & priming benefit, college students, 12252
number of priming word prompts contextually congruent vs incongruent with word vs nonword target in right vs left visual field, hemisphericity in lexical decision, 20–30 yr old males, 20523
object similarity, interpretation of relations among word meanings, 2 yr olds, 987
phonology of stimulus items, RT to activation of printed content words in lexical decision task, 59 yr old deep dyslexic male, 22105
picture vs word priming with vs without imagery, performance on word fragment vs stem completion implicit memory tests, college students, 4331
preceding word, pronunciation of body of basic orthographic syllable structure of polysyllabic words & lexical processing, college students, 12968
previous practice writing 1st letter vs entire display, comparison of identity of 1st letter vs entire word vs pseudoword displays, college students, 16278
pronunciation & lexical decision semantic priming, schizophrenic 21–40 yr olds, 21839
rapid serial visual presentation, posttarget & pretarget intrusions in parallel processing of color & identity dimensions of uppercase words, college students, 16256
reading comprehension, lexical decision latencies & generation of superordinate goal inferences, college students, 44089
repetition priming in lexical decision task, ERPs & memory retrieval, 20–39 vs 40–59 vs 60–76 yr olds, 40441
right vs left reading languages, hemifield advantage in naming & lexical decision in word recognition, English vs Farsi readers, test of cerebral dominance vs scanning vs right hemisphere hypotheses, 44427
semantic context of prime & target, facilitation vs inhibition effect & RT in lexical decision task & amplitude of N400 EPs during word recognition, 21–24 yr olds, Japan, 12230
semantic context vs expectancy, lexical decision & naming, 26–61 yr olds, 8311
semantic priming, cortical EP during auditory word recognition & lexical decision tasks, 19–30 yr olds, 28574
semantic priming, lexical decision in letter detection, college students, replication, 40074
semantic priming, sensitivity in lexical decision, adults, 20284
semantic relatedness of unattended words in left vs right visual field, lexical decision, adults, 28253
semantic representation & lexical decision times for interlingual polyseme vs homograph recognition, English & Afrikaans bilingual adults, South Africa, 819
semantically vs phonologically related vs unrelated primes in lexical decision & prime target interval, conceptual & lexical representation processes in semantic memory, college students, 36165
sensitivity of EP components to repetition effects in explicit vs implicit lexical decision memory tasks, college students, Israel, 4645
speed of search for singular word in nonword list vs nonword in word list, college students, support for internal noise principle, 4317
stimulus degradation & semantic priming, N400 EPs & RT during lexical decision, college students, 24765
stimulus onset asynchrony & speed goal pressure, cross language primed lexical decision, bilingual college students, Netherlands, 36168
string length & font & new instances of same vs new letters, speeded decisions on letter vs nonletter content of strings, college students, 8321
syntactic context & shape bias in semantic generalization of lexical learning, 3–5 yr olds vs college students, 25131
target letter string above vs below fixation & cue validity & presence of irrelevant stimuli & word frequency & lexical status, spatial attention in lexical decisions, adults, 12234
threat related & neutrally ambiguous primes, semantic activation & lexical decision, high vs low trait anxiety adults, England, 16292
unrelated vs related semantic priming, lexical decision & naming of Hiragana vs Katakana written Kana scripts, college students, Japan, 28251
verbs & adjectives & word category & visual field presentation, lexical decision task RT & right hemisphere specialization, right handed 19–30 yr olds, 16551
visually masked vs unmasked semantically related vs unrelated prime, N400 EP as reflection of lexical access vs integration, 18–29 yr olds, Netherlands, 24755
word frequency & regularity of stress & neighborhood, stress assignment in reading words aloud & RT in lexical decision & naming times, adults, Italy, 12953
word frequency, lexical decision & word recognition RT, college students, 24391
word recognition & prediction & lexical decision, predictive inference in situation model development, college students, 44071

Lexical Decision—Chapters

Can theories of word recognition remain stubbornly nonphonological?, 24427
Decomposed storage in the Chinese lexicon, 16326

Liberalism—Serials

decay of liberal capitalism & shift in cultural values & loss of competitive edge, managers, 27660
liberalism & traditional values & other dimensions, perceptions of others' attitudes, male vs female college students, Canada, 41248
liberalism in social & political & economic attitudes, general public vs opinion leaders in Hollywood entertainment industry, 29281
liberalism in social & political & economic attitudes, general public vs opinion leaders in Hollywood entertainment industry, commentary, 29271
liberalism in social & political & economic attitudes, general public vs opinion leaders in Hollywood entertainment industry, commentary reply, 29280
likes & dislikes concerning university education, liberal vs conservative 19–44 yr old college students with low vs high grades, 47261

Liberalism (Political) [See Political Liberalism]

Libido—Serials

ewe restraint with vs without copulation prevention, sexual performance & libido, rams, implications for breeding, 36418

Libido—Books

The fires of desire: Erotic energies and the spiritual quest, 1508

Libido—Chapters

Decoding the Diamond Body: The structure of the deep masculine and the forms of libido, 1513
From Freud to Jung and beyond: Turning points in psychoanalytic and religious thought, 1514
Keeping faith with the future: Toward final conscious unity, 1511
The limits of desire and the desire for limits in psychoanalytic theory, 1512
Psychosis, dreams, and mysticism in the clinical domain, 1636

Libraries [See Also School Libraries]—Serials
models & services of toy libraries, children & families, Sweden & UK & Canada & Australia, 38878
perceptions & expectations of public library services assessed in open group discussion vs telephone questionnaire, 17–18 yr olds, England, marketing implications, 19785
Libraries (School) [See School Libraries]
Librium [See Chlordiazepoxide]
Licensing (Professional) [See Professional Licensing]
Licking—Serials
alcohol concentration, taste reactivity & consumption & lick rate, male rats, 16737
dopamine receptor agonists vs antagonists, apomorphine induced licking, male rats, 16888
fenfluramine or fluoxetine vs amphetamine or phenylpropanolamine, licking during sucrose ingestion, male rats, 24841
pairing of tone & electrotactile stimulation to ear while asleep vs awake, lick suppression CR while awake, male rats, 440
pontine parabrachial nuclei lesion, concentration dependent licking of sodium chloride vs sucrose, male rats, implications for taste perception motivation, 28551
quinine &/vs sucrose, licking response rate & volume of ingestion, water deprived rats, 32636
Lidocaine—Serials
epidural lidocaine injections at high vs low lumbar spaces, perception of temperature & electrical stimuli & motor processes, 21–40 yr olds, 20816
intracoronary lidocaine, pain reduction, 45–76 yr olds undergoing coronary angioplasty, 30600
lidocaine in zona incerta, water intake, male rats, 36895
lidocaine induced reversible inactivation of nucleus of solitary tract, memory formation & retention in inhibitory avoidance task, male rats, 20598
lidocaine, iontophoretic application of glycine &/or glutamate &/or strychnine mediated wide dynamic range neuron activity in lumbar dorsal horn, male rats, 32581
repeated ECS, exploratory behavior & susceptibility to lidocaine induced seizures, male rats, 40382
systemic lidocaine, contralateral vs ipsilateral spontaneous activity in dorsal horn neurons, rats with induced peripheral nerve injury, animal model of drug therapy for chronic pain, 8976
Life Change [See Life Experiences]
Life Expectancy—Serials
age & longevity, computerized EEG & mental functions, 64–84 yr olds, 9 yr study, 9346
childhood conscientiousness & cheerfulness & energy & motivation & sociability & mood stability, health & longevity, adults born between 1904–15, longitudinal study, 40908
longevity & humor, living vs dead comedians vs literary humorists, 5625
reduced longevity, left handers, research implications, 32808
scramble competition rambling & discrimination & courtship in mating, short vs longer lived species of butterflies, 4545
sinistrality & reduced longevity, baseball players, reanalysis, 35619
social norms & longevity & prevalence of handedness, current vs prior left handed 22–101 yr olds, 36518
Life Experiences—Serials
age of earliest recall & memory of childhood life events, college students, commentary, 36239
age of earliest recall & memory of childhood life events, college students, 36251
alimentary & other symptoms & fiber intake & expression of feelings & anxiety & depression & life events & diagnosis & therapeutic potential, adults with irritable bowel syndrome, Scotland, 34052
biographical accounts of significant life events & changes in integrative complexity, historical figures, 21556
biographical anamnesis techniques for social psychiatric examination of critical lifespan phases, mentally ill patients, conference presentation, 25745
causative role for triggering effect of life events in schizophrenic relapse, 17807
celebration of kanreki 60th birthday ritual, elderly 2nd generation Japanese Americans, 13265
changes since 19th century in demographics & family & household organization & timing of life course transition & caretaking of aging parents, 17314
childhood & current stressful life experiences & emotional & physical well being & cortisol production, female 19–55 yr olds with hyperprolactinemia, 30008
clarity of recall of 1st date together & shared vacation & recent argument, 22–76 yr old wives vs husbands, 17323
climacteric characteristics & psychological & physical distress & life stress, 36–65 yr old females, Netherlands, 5641
clinical course & age of 1st occurrence of alcohol related major life events, alcohol dependent males, 45752
cognitive errors & attributional style & life events & peer rated competence & self reported depression, 4th & 6th & 8th graders, 29602
cognitive mapping approach to social work research, development of grounded theory of self esteem, adult females experiencing life transition, 3 yr study, 34860
cognitive phenomenological approach to self schema & esteem experiences during major life transition, 20–56 yr old females, 25533
consumer's life themes & projects, experience of & reaction to advertising, 29 & 34 & 36 yr old brothers, Denmark, 19805
coping benefits & limitations of positive vs negative stories about others in similar stressful events, 30–66 yr old cancer patients & college students facing midterm exams, 41336
coping strategies for threat & loss & challenging life events, Catholic vs Protestant adults, 37258
daily hassles & life events & health & mental health symptoms, Chinese 17–27 yr olds, Hong Kong, 17635
daily hassles vs major life events, prediction of physical & psychological well being, 55 yr olds & older, 1161
demographic characteristics & life course stages & role exits, transition to adulthood & parenthood, adolescents, Canada, 44962
desirable life events, outpatient physician utilization, 56–91 yr olds, 2898
development & reliability & validity of Inventory of High School Students' Recent Life Experiences, assessment of hassles, 13–24 yr olds, Canada, test appended, 20002
development & utility of self report instrument, assessment of stressful life events, high school students, implications for school adjustment, 8073
dysphoria, vulnerability to negative life events, college students, 41547
early childhood experiences & life events, males with cancer vs psychosomatic illness, India, 18221
emotionally significant life events & parent child relations during childhood, basic self & world beliefs, college students, 5597
enactment of traditional birthday ritual, Korean 60 yr olds, Korea vs US, 13263
everyday hassles & stress & life events & depression, adult patients with globus sensation, Scotland, 2125
familiarity & anticipation of positive vs negative life events, prediction of health problems, 19–43 yr olds, 10 mo study, 5701
family history & reactivity to stressful life events, male vs female 26–74 yr olds with major depression, Japan, 33597
functional vs structural social support & desirable events & positive affect, 55 yr olds & older, 18 mo study, 17173
general vs specific life event stress, relapse, patients with ulcerative colitis or Crohn's disease, 22256
guided autobiographical group, reconstruction of past life experiences, 60–68 yr olds, Spain, 40974
history & conceptual models & theories & measures of stressful life events, 25569
intelligence & ego development & locus of control & positive & negative life events, social competence, inner city 9th graders, 1096
interpretation of community relocation life experiences & psychological well being, elderly females, 17245
intrinsic vs extrinsic vs quest religious orientations, religious & nonreligious coping with negative life events, Christian church members, 25350
issues in use of life story as research method, 16090

life chart approach to V. Van Gogh's life events & stresses & illnesses, 21086
life course perspective on sequential retirement & family characteristics & roles, 55 yr old or older couples, 45093
life event related stress, hospitalized alcoholic 20–50 yr old males, India, 23269
life event stressors, schizophrenic patients, research review, 45523
life events & daily stressors, positive & negative symptoms, schizophrenic 21–56 yr olds, 9868
life events & family history & diagnosis & personality & other characteristics, patients with depression spectrum vs familial pure depressive disease, 5 yr study, 29636
life events & mood & perceived stress, development of cold symptoms, college students with rhinovirus infection, 10257
life events & personal relationships & social networks, widows vs caregivers of spouses with Alzheimer's disease, 18393
life events & personality factors & active vs passive coping, patients with myocardial infarction, 2227
life events & social support & coping, hospitalized depressed inpatients, 3027
life events & subjective distress & personality, alcohol dependent 25–30 yr olds, 18031
life events, adaptation to retirement transition, male vs female 50–85 yr olds, 1172
life events approach to development of societal well being index, 19972
life events, pregnant vs nonpregnant adolescents, 37152
life events, recurrence of depression, 18–44 yr olds with borderline vs antisocial personality disorders vs bipolar type II affective disorder, Canada, 33540
life experiences & hassles & worry & anxiety & cognitive correlates, college students, England, 25579
life experiences, coping & stress & illness risk, 1435
life strain & social resources & other variables, depression subdimensions of life satisfaction & withdrawal & general depressive affect, 65–101 yr olds, 37703
life stressors & psychosocial factors, adolescents with adjustment disorder, Bahrain, 37645
life stressors & social resources during late middle age, 55–65 yr old problem vs nonproblem drinkers, erratum, 41713
major vs minor stressful life events & appraisal of stressors, persistence of headaches, 18–60 yr old chronic migraine vs tension vs mixed headache sufferers, 22188
mediating value of medication, effect of life events on relapse, 19–29 yr old schizophrenic outpatients, 18786
metaphors for & perceptions of freshman experience & socialization process, 1st yr college students, 39301
method of scoring Life Experiences Survey, assessment of stress & relationship to self esteem, 14–19 yr olds, 35861
mother role & self system & age at onset & theme of difficult times & rewriting of life story, females in early 50s, conference presentation, 5185
negative events & locus of control & social support, psychological adjustment, 6th & 8th graders, 40895
negative life event of drop in academic grades & perceived problem solving alternatives, depression, 14–18 yr olds, 45426
negative life events & social & academic & personal competence & affect & family support, vulnerability to & protection from substance abuse, 11–13 yr olds, 10051
negative life experiences & negative affect, 5th–9th graders, 17160
parents' late life divorce, perceived changes in family contact & celebrations & traditions & life cycle events, male vs female 20–43 yr olds, 17335
perceived sex differences in child's vulnerability to life stress, mothers of male vs female 6–11 yr olds, Israel, 1079
perceived stress & life changes & psychological & physical distress symptoms, 23–79 yr olds in health promotion vs cardiac rehabilitation program, 38663
perceived stress & negative life events, common cold susceptibility, healthy adults, England, 22183
perception of stressful life events during 3 mo prior to suicide, surviving spouses of suicide victims, Finland, 25906

personal & collective resources, coping with recent life events, 21 yr old & older members of religious vs nonreligious kibbutz, Israel, 29395
personal perspectives on coping strategies & positive influences & school & other experiences, learning disabled 18–40 yr olds, 10154
personality traits & stressful life events & frequency of headaches, 20–65 yr olds, 22234
photographic lens & filter model of steps between life event stress & development of acute vs chronic PTSD, 33684
positive & negative life changes after bereavement, spouses & parents 4–7 yrs after loss, 37512
predictors of inconsistent self reports of drinking & life events, alcohol abusing adults, 6082
psychological & psychiatric consequences of critical life periods, females, conference presentation, 25710
psychological distress & marital adjustment & negative life events, rating of child's behavior problems, mothers of 2–12 yr olds, pediatric implications, 5409
psychosocial developmental stages & stressful life events, healthy lifestyles & behaviors, 24–80 yr olds, 13131
ratings of stressful events, female 18–67 yr olds assessed after husband's death vs myocardial infarction vs Women's Aid refuge entrance, Scotland, 45256
recall of drinking & events surrounding natural recovery, former problem drinkers, 2 mo followup, 1900
relationship with parents & family environment & child attributes, resilient outcomes following major life stress, male vs female 10–12 yr olds, 9310
reliability & validity of Adolescent Life Change Event Questionnaire & Adolescent Life Change Event Scale, adolescents, research review, 15908
retrieval mood & incidence & interpretation of events & rehearsal, subjective well being & recall of positive vs negative life events, happy vs unhappy college students, 11 mo followup, 24468
role of life stress events in adjustment & PTSD & treatment implications, victims of child or spouse abuse or war or other trauma, 13835
role of reality & real experience in psychopathology & psychoanalysis, analysands, commentary reply, 10627
role of reality & real experience in psychopathology & psychoanalysis, analysands, commentary, 10606
role of reality & real experience in psychopathology & psychoanalysis, analysands, 10626
role specific vs aggregate measures of negative life events & role evaluations, psychological distress, college students, 45249
self defeating beliefs & attitudes & stressful life events, depression levels at beginning vs end of academic yr, college students, Australia, 1682
self esteem & locus of control & negative life experiences & social support & age, anomie, French Canadian 11–18 yr olds, Canada, 40899
self reported oral symptoms & stressful life events, 35–44 yr olds, 45915
severity of premenstrual symptoms & life stressors & medical or psychiatric problems, 12–56 yr old females, 2130
sex & positive vs negative life stress, change in metabolic control, outpatients with diabetes mellitus, Sweden, 38138
sex, exposure & emotional distress & other responses to undesirable life events, married couples, 33315
sex vs mood, attributional style vs daily life events vs depression symptoms vs hopelessness, college students, 21760
significant life events, behavior problems & social functioning, mentally handicapped 23–55 yr olds, England, 14077
significant life events, rehabilitation seeking behavior, drug abusing adults, England, 3094
specific categories of daily hassles, differential prediction of psychopathology symptom levels &/or changes, college students, 5760
specific meaning & positive nature of life events, females with clinical depression or anxiety disorders, England, longitudinal study, 41464
stress incubation & onset, depressed adults, England, application of survival analysis, 37675

stress of life change experiences & demographic & social & health variables, self concept, college students, 1450
stressful life events & affective disorders & LH pulsatility, female 15–36 yr olds with hypothalamic amenorrhea, Italy, 45893
stressful life events, dysfunctional thinking, adults with vs without vulnerability to depression, 1683
stressful life events prior to disorder onset, 16–50 yr olds with schizophrenia or mania or depressive psychosis, England, 25689
stressful life events, school adjustment, urban 5–13 yr olds, Australia, 35418
stressful life events, type & severity of symptomatology & self concept, 1st admission schizophrenic patients, conference presentation, 25817
stressful life transitions, self efficacy & alcohol consumption & employment status, adult migrants, East Germany, 8 mo followup, 37399
stressful separation from parent due to death vs divorce vs conflict events vs asthma, depressive vs conduct disorder symptomatology, 8–16 yr olds, 13634
style of coping & mental health, female 18–67 yr olds assessed after husband's death vs myocardial infarction vs Women's Aid refuge entrance, Scotland, 45268
synchronicities in histories of life experiences, adult adoptees & their birth parents reunited in adulthood, 41071
teachable coping skills & attitudes for management of life transitions, implications for counseling, 29387
time line methodology as framework for identification of life cycle events & relation to mental problems, implications for therapy & consultation & research, 13637
transition from school to adulthood following early dropout from high school, learning disabled young adults, 22106
transition to adolescence, impact of stressful life events & coping, 10–11 vs 12–13 yr old males, Israel, 1080
traumatic life circumstances, attitudes toward family & family members & self, college students from intact vs divorced families vs families with deceased parent, 37291
unified scale weighting of stressful life events & prediction of physical symptoms, college students, commentary, 8091
unified scale weightings for stressful life events & prediction of physical symptoms, college students, 173
views on & emotional reactions to paranormal experiences & long term effects on lives, 26–83 yr olds, Scotland, 8432

Life Experiences—Books

Affect and accuracy in recall: Studies of "flashbulb" memories. Emory symposia in cognition, 4, 24472
Storied lives: The cultural politics of self-understanding, 13552

Life Experiences—Chapters

The assessment of stressful life events, 31935
Autobiographical memory and emotional disorders, 13754
Bereavement as a psychosocial transition: Processes of adaptation to change, 41356
Constraints on memory, 24482
Coping resources and processes: Current concepts and measures, 33374
Counseling adults for life transitions, 2497
The crystallizing experience: Discovering an intellectual gift, 13578
Development of reserves for adaptation to old age: Personal and societal agendas, 5290
Developmental processes of young women in a caring profession: A qualitative life-event study, 11308
Do flashbulb memories differ from other types of emotional memories?, 24475
The element of spontaneity in precognition, telepathy, and channeling, 12330
Expressions of aggression in the life stories of aged women, 13512
Gladstone's decade of crisis: Biography and the life-course approach, 37352
I can do anything, 38160
Individual and interpersonal influences on the use of cognitive coping, 29475
Landmark life events and the organization of memory: Evidence from functional retrograde amnesia, 14419
Lifetime losses: Seeking a balance, 37549
The meaning of loss and adjustment to bereavement, 41366
Midlife transitions in men and women, 34643
Potential flashbulbs: Memories of ordinary news as the baseline, 24476
Preschool children's memories of personal circumstances: The fire alarm study, 27362
Reconstructing identity: The communal construction of crisis, 13566
Remembering personal circumstances: A functional analysis, 24480
Special versus ordinary memory mechanisms in the genesis of flashbulb memories, 24478
Stressful life event theory and the prevention of psychopathology, 2415
The Structured Event Probe and Narrative Rating method for measuring stressful life events, 31960
The theoretical and empirical status of the flashbulb memory hypothesis, 24474

Life Review—Serials

congruence between ideal & real ego & personal life review & health evaluation, aging, 55 & 65 yr old females, Poland, 37218
differences & similarities & commonalities in reminiscence vs life review nursing interventions, elderly & other patients, 34827
life review & ego integrity, death anxiety, 65–93 yr olds, 29111
life review reminiscence activities, depression & self esteem, 69–91 yr olds, 33041
life revision & regretfulness & reminiscence, life satisfaction in later life, rehired 54–91 yr olds, implications for intervention, 37212
mother role & self system & age at onset & theme of difficult times & rewriting of life story, females in early 50s, conference presentation, 5185
multidisciplinary rehabilitation including oral history technique, empowerment, Cambodian female torture survivors with PTSD, 27118
psychotherapy as reconstruction of life narrative, 6514
religious paradox as model for change in life review pastoral counseling groups, shame driven 77–86 yr olds, 34621
therapeutic structured life review process, life satisfaction & well being & depression & activities of daily living, homebound 61–99 yr olds, 1 yr followup, 7116

Life Review—Chapters

Balancing "caring and being cared for" in old age: The development of mutual parenting, 37234
Changing texts of male identity from early to late middle age: On the emergent prominence of fatherhood, 36994
Looking back to help see the future: A proposal for the use of guided autobiography with the dying and children, 38449
Reminiscence and life review with persons with dementia: Which way forward?, 46123
The structured life-review process: A community approach to the aging client, 46170

Life Satisfaction—Serials

affective & cognitive & instrument characteristics of self report measures, reliability of assessment of subjective well being & life satisfaction, college students, 27983
age at migration & social connections, health & functional disability & life satisfaction, Cuban- vs Mexican-American vs Puerto Rican 65 yr olds & older, 9339
age, perceived health & life satisfaction, 26–87 yr old fraternal vs identical twins reared together vs apart, Sweden, 5181
androgyny vs masculinity vs femininity, life satisfaction, noninstitutionalized 55–92 yr olds, 37211
assessment of depression with Geriatric Depression Scale vs Center for Epidemiological Studies Depression Scale & correlations with life satisfaction, college students, 4043
attachment to parents, identity development & life satisfaction, 18–22 yr olds, 5396
caregiving demands, life satisfaction & depression & subjective stress symptoms, 60–84 yr old caregivers, 2981
caregiving demands, life satisfaction & depression & subjective stress symptoms, 60–84 yr old caregivers, commentary, 2979

child characteristics & life events & parental resources & coping, adaptation & life satisfaction & distress, mothers vs fathers of severely physically disabled 6 mo to 13 yr olds, England, 22246
church & family involvement & other correlates of life satisfaction, African American 65–88 yr olds, 5259
consistency of educational attainment & occupational prestige, life satisfaction & marital happiness, Black spouses, 17306
correlates of failure to respond to question about future life satisfaction on rating scale & well being, 60–90 yr olds, Israel, 1167
demographic & personal characteristics, life satisfaction, 58–84 yr old early vs regular retirees, 13205
demographic characteristics, perceptions of well being, 18–89 yr old metropolitan vs nonmetropolitan area residents, 9625
demographic characteristics vs personal vs environmental aspects, life satisfaction & perception of quality of life, adults, Thailand, 5345
demographic variables & subjective health, subjective well being as seen in mood tone & zest for life & congruence, Black & Hispanic elderly, 37230
development & factor analysis & reliability & concurrent & discriminative validity of Retirement Satisfaction Inventory, elderly retirees & professional service providers, test appended, 15920
development of intervention oriented theoretical framework for explanation of life satisfaction in poverty, 25341
development of self report Satisfaction with Life Domains Scale for Cancer, long term adult cancer survivors with bone marrow transplants, 31949
disposition & self assessed health & life satisfaction, 70–99 yr olds, Canada, 17249
drug attitudes & academic involvement & enjoyment & life satisfaction & other characteristics, academically successful 9th & 11th graders with high risk vs conventional drug use vs abstinence, 25977
dysfunctional thought processes, subjective well being & job satisfaction, clerical employees, 39488
emotional attributions, relevance of current feeling to judgment of personal & life satisfaction, college students, 25559
factor analysis of Chinese version of Purpose-in-Life Test, assessment of life meaning & quality & correlation with psychological well being & psychiatric symptoms, college students, China, 39824
factor structure of Life Satisfaction Index, Black vs White male vs female 65 yr olds & older, 31847
factor structure of model of subjective well being & life satisfaction, Hispanic 65 yr olds & older, 1173
feminine interests & traits at age 12 yrs, social & personal adjustment & life satisfacion at ages 31 & 41 yrs, males vs females, 1033
frequency & mode of recall of positive & negative experiences, self rated happiness with life, college students, 41291
head & neck cancer & orthopedic injuries vs no health problems, life satisfaction, adults, 30047
health promoting behavior & perceived current health & life satisfaction & SES & tobacco smoking & other demographic characteristics, 60–89 yr old Blacks, commentaries & reply included, 9341
job & nonwork satisfaction & working & living conditions, prediction of life satisfaction, 15 yr olds & older from 10 countries, 1976, Western Europe, 41319
leisure & spare time habits & activities & characteristics & overall life satisfaction, Black 16–25 yr olds, South Africa, conference presentation, 3766
leisure activities connected with occupation & hobbies & social interaction, life satisfaction, urban male retired government employees, India, conference presentation, 21294
life revision & regretfulness & reminiscence, life satisfaction in later life, rehired 54–91 yr olds, implications for intervention, 37212
life satisfaction & positive affect & anxiety & depression as dimensions of well being vs distress in mental health, 18–65 yr olds, Australia, 41298
life satisfaction & sex & age, self esteem, 17–40 yr olds, 29020
life satisfaction & subjective well being, 21 yr old & older 2nd generation kibbutz members, Israel, 29168
life satisfaction & successful aging, 62–85 yr olds, 1155
life satisfaction at baseline & social network & health status, life satisfaction at followup, 85 yr olds & older, England, 2.5 yr followup, 37207
life satisfaction, college students vs foreign Iranian students, 19559
loneliness & life satisfaction, 17–69 yr olds, Japan vs Australia, 37533
marital status, life satisfaction & health, 15 yr olds & older, Canada, 1286
meaning & fulfillment in life, 63–88 yr olds, nursing implications, 21285
morale & satisfaction with environment & life, elderly healthy residents housed with residents with dementia in long term care facilities, 46870
narcissism, life & self & family & job satisfaction, college students & alumni, 1457
normative data & stability & sensitivity & factor structure & construct validity of Satisfaction With Life Scale, adults, research review, scale appended, 35863
nurses' self report psychosocial variables & activities of daily living & life satisfaction, prediction of mortality, male vs female 75 vs 84 vs 85 yr olds & older, Sweden, 9347
part time work intensity, substance & time use & problem behavior & life satisfaction & self esteem, high school seniors, 28986
participation in intergenerational child care, life satisfaction & self esteem & educational gain, female 50 yr old & older child care workers, 19075
peer counseling training program, attitudes toward aging & sense of control & life satisfaction & interpersonal capabilities & efficiency, 56–78 yr olds, 1152
perceived empowerment & other factors in subjective quality of life, chronically mentally ill in community based psychosocial rehabilitation program, 27121
perception of importance & achievement of life goals, current health & satisfaction, 65–87 yr olds, 29115
personality traits, life satisfaction, retirees, application of heuristic models, 40989
psychological well being & life satisfaction & physician vs self ratings of health, 65–87 yr olds, 5267
psychosocial factors, transition to & satisfaction before & after retirement, 52–71 yr old academic professors, 1 yr followup, 3300
public vs private life domains, social comparison judgments & global satisfaction, college students, 21503
purpose in life, psychiatric symptoms & mental health, 11–20 yr olds, Hong Kong, 1622
quality of life health education & promotion program, link between creativity & life satisfaction, 51–89 yr olds, 38762
reasons for living & responsibility to family & other beliefs, 17–25 yr olds from divorced vs intact families, implications for suicide risk assessment, 32948
relationship between measures of subjective psychological well being & income & other objective economic well being variables, household survey data, 1181
reliability & validity of Life Regard Index, measurement of life meaningfulness, 18–88 yr old distressed & normal college students & other adults, 24075
reliability & validity of Multifaceted Lifestyle Satisfaction Scale, mentally retarded 18–81 yr olds, conference presentation, 43765
reliability & validity of Satisfaction With Life Scale, 14–17 yr olds, Portugal, 35834
reliability of Life Satisfaction Index, frail multiply impaired depressed elderly nursing home residents, 8049
religious affiliation vs regionality vs demographic characteristics vs personal stress vs social support networks, life satisfaction, Black Americans, 5326
reminiscing modalities & therapeutic usefulness of life review, life satisfaction & self esteem & depression & psychological well being, 60–99 yr olds, 29112

retrieval mood & incidence & interpretation of events & rehearsal, subjective well being & recall of positive vs negative life events, happy vs unhappy college students, 11 mo followup, 24468
risk taking & perception of own & others' smoking & satisfaction with life & health, smokers vs ex-smokers vs nonsmokers, 17420
self concept & relationship with parents, life satisfaction, Chinese 11–16 yr olds, Hong Kong, 21251
self esteem & job involvement, job & career satisfaction & well being indices of life satisfaction & affective symptoms, managers, 31535
seropositive diagnosis, life value & purpose & meaning, gay male HIV infected 20–55 yr olds, 26242
sex & age & marital & financial status & other sociological variables, life satisfaction, adults, 1978 vs 1988, 9626
sex role attitudes & division of labor, life satisfaction & well being & involvement, wives of Navy submarine officers, analysis of 2 person career, 3769
sex role identity, self esteem & lifestyle satisfaction & anxiety or conflict over traditional vs nontraditional life choices, female college students, Canada, 13352
social environmental factors & functional health, well being & life satisfaction, 65–99 yr old nursing home residents, 27082
social support, life satisfaction & depressive symptoms & physical well being, 19–77 yr olds with spinal cord injury, 2308
sociocognitive skills & health, life satisfaction, community living 60 & 84 yr olds, 13201
sociodemographics & reciprocity of social support among family members, life satisfaction, 60–90 yr olds, 13211
subsidized housing &/vs case management, life satisfaction, severely mentally disabled adults, 7036
therapeutic structured life review process, life satisfaction & well being & depression & activities of daily living, homebound 61–99 yr olds, 1 yr followup, 7116
trait negative affectivity & health, subjective well being dimensions of life satisfaction & affect, middle aged & elderly, 7 yr study, integration of bottom up & top down theories, 25534
validity & reliability of Life Satisfaction Index for Parents, parents of adolescents with Duchenne muscular dystrophy, 15972
work role & attitudes, life satisfaction, 45–75 yr old & older kibbutz members, Israel, 40976

Life Satisfaction—Books

Aging, money, and life satisfaction: Aspects of financial gerontology, 5288

Life Satisfaction—Chapters

Economic status and subjective well-being: A review of the literature and an agenda for future research, 5291
Leisure participation and life satisfaction of older adults with mental retardation and Down syndrome, 38048
The structured life-review process: A community approach to the aging client, 46170

Life Span [See Life Expectancy]

Lifesaving [See Artificial Respiration]

Lifestyle—Serials

Adlerian lifestyle report in assessment & counseling, 32 yr old female, 38427
Adlerian lifestyle themes, bulimic females, 29977
antipermissive attitudes & perceived association between lifestyle & AIDS, public interviewees, 38180
attitudes toward environmental issues & willingness to change lifestyle, college students, 23851
causal attributions & health locus of control & lifestyle changes, preoperative coronary patients, England, 22901
Christian mystical experience, lifestyle & thinking & behavior, adults, 29174
cluster analysis of dietary nutrient intake & other lifestyle factors, 19 yr olds & older, Netherlands, 9617
construction & validity & reliability & factor structure of Lifestyle Approaches scale, assessment of self management in daily life, 18–65 yr olds, 7968
conventional vs delinquent activity involvement & lifestyle, risk of violent vs robbery victimization, adolescents, implications for prevention, 18066
correlation of scores on physical subscales of Lifestyle Assessment Questionnaire & objective physiological indexes, college students, 8052
criterion validity of Life-Style Personality Inventory & Personality Research Form, college students, 27987
demographic & lifestyle & motivational factors, frequency of purchasing apparel from catalogs, consumers, 3775
demographic & lifestyle characteristics, prediction of fashion opinion leadership, 50–85 yr old consumers, 43537
demographics & lifestyle, French- vs English-speaking 64 yr old & younger to 75 yr old & older seasonal migrants to Florida, Canada, 13212
development & test retest reliability of Life Activities Questionnaire for Adult Asthma, assessment of activity restriction, 18–68 yr olds with asthma, 20079
educational level & health problems & lifestyle & body mass & height & working conditions, male white collar workers, France, 9717
factorial validity of lifestyle & social maturity measures, 11–20 yr olds in drug abuse prevention program, 4135
fitness & back strength of lifestyle, prediction of back injuries, nurses, 18 mo study, 34056
health & other lifestyle risk behaviors, adults, Hawaii, 17540
health lifestyle activities, lesbian vs heterosexual adult females, 34772
illness intrusiveness & lifestyle disruption & psychosocial impact, patients with rheumatoid arthritis vs end stage renal disease vs multiple sclerosis, Canada, 41946
independent lifestyle & well being & mental & behavioral functioning, 70–99 yr olds in nonnursing unit of geriatric hospital, England, 19140
individual differences in self reported physical health & activity lifestyle, prediction of cognitive performance, 55–64 vs 65–74 vs 75–86 yr olds, 25305
lifestyle & behavior & health conditions, drug abusing 14.6–47 yr olds, Singapore, treatment implications, 13965
lifestyle & demographics, selection of clothing for professional & social situations, male adults, 47485
lifestyle & environmental factors, cognitive aging, 50–78 yr old monozygotic vs dizygotic twin pairs, Japan, conference presentation, 37216
lifestyle & leisure counseling model, recovering addicts, 2464
lifestyle & social development & need gratification, minority vs nonminority 17–30 yr old lower division college students, 19547
lifestyle & sociodemographic characteristics, use of cocktail before & wine with dinner, married females, 5488
lifestyle behaviors, urban Black elderly with vs without cardiovascular disease, 42018
lifestyle development process planning model, 7 & 8 & 34 & 53 yr olds with severe intellectual disabilities, Canada, 15072
lifestyle model of health promotion & application to cardiovascular disease prevention & worksite health promotion, 6985
lifestyle related health screening, health behavior & lifestyle, general practitioners & teachers, 6 & 24 mo followup, 26949
lifestyle shift & behavioral & psychological & psychiatric health profiles, Black vs Hispanic vs White 19–51 yr old cocaine addicted rehabilitation entrants, 29838
logotherapy, drug seeking behavior & lifestyle, drug abusers, 42965
night shift work, stress & well being & health & lifestyle & job satisfaction & complaints & sleep problems, male manufacturing plant workers, Austria, 27717
nonconventional family structure & lifestyle, academic achievement, elementary school students, 12 yr study, 11484
past experience & commitment & life style, recreation specialization, river users, 7720
population based lifestyle change approaches to prevention of physical illness & accidents through behavior therapy, 46632
prevalence of & lifestyle characteristics in volatile solvent inhalation, 12–15 yr olds, Japan, 29892

psychometrics of Wellness Inventory & Lifestyle Assessment Questionnaire & Lifestyle Coping Inventory, 18–50 yr olds, 8054
psychosocial developmental stages & stressful life events, healthy lifestyles & behaviors, 24–80 yr olds, 13131

social & coping behavior & personality at ages 8 & 14, antisocial vs socially adaptable lifestyle, male 26 yr olds, Finland, 5624
social & role & environmental & resource & lifestyle & religious & individual difference variables, retired 47–93 yr old actual vs latent vs conditioned volunteers vs nonvolunteers, 25313
time devoted to caregiving & lifestyle, prediction of nursing home admission & time use before vs after admission, caregivers of impaired elderly, 42846
unemployment & income & lifestyle deprivation & financial strain & psychological distress, households, Ireland, 23699
Lifestyle—Chapters
Case-control study of vitamin supplementation and neural tube defects: Consideration of potential confounding by lifestyle factors, 46711
The challenge of weight control: A personal view, 6839
Early identification of addictive behaviors using a computerized life-style assessment, 35929
The impact of lifestyle on cardiovascular disease in American Indians, 2235
Life-style assessment and change: Theory, what theory?, 18506
Lifestyle and environmental factors that can adversely affect maternal nutritional status and pregnancy outcomes, 45937
Lifestyles and violence: Homosexual victims of assault and murder, 25445
Personal portrait: The life-style of the woman manager, 47394
Women's employment and childbearing decisions, 37369
Light [See Illumination]
Light Adaptation—Serials
background illumination & intensity, time course of gain adjustment & light adaptation in responses of horizontal cells of retina, cats, 40444
background luminance & light intensity, lateral spread of light adaptation signals in retinal horizontal cell responses, cats, 40443
habituation to steady white light, differential sensitivity following exposure to temporally modulated light, adults, 16195
light stimulus intensity, neural visual adaptation, male young vs adult vs aged rats, 32451
light vs dark adaptation, time course changes & cone electroretinogram response to luminance, 30 & 34 yr olds, 16569
locomotor circadian rhythmicity during light adaptation, pinealectomized male hamsters, 36478
luminance, focal electroretinogram vs psychophysically measured temporal modulation thresholds & frequency tuning in outer retinal area, 20–40 yr olds, 16581
mathematical modeling of light adaptation with aperiodic vs periodic stimuli, 4671
midazolam dosage, visual receptive fields, light vs dark adapted adults, 24890
nonphotic influences, wheel running activity in presence of light dark cycle, male hamsters, implications for reorganization of circadian rhythms, 36637
partial lesions of suprachiasmatic nuclei cells or efferent pathways, circadian wheel running & light dark schedule entrainment, male hamsters, 36517
temperature & illuminance & light dark cycles of varying duration, locomotor activity & phase shift, circadian arrhythmic &/or blind Drosophila mutants, 36650
Likability—Serials
negative assertion, roommate's perception of general likability & social competency, female college students, 1413
structured peer tutoring with well liked & socially unaccepted pairs, social acceptance, 3rd–4th graders, 3495
teacher rated prosocial behavior & peer rated sociometric likability, 3–4 yr olds, 1 yr study, 29000
Liking [See Affection]
Limbic System [See Also Amygdaloid Body, Fornix, Gyrus Cinguli, Hippocampus, Medial Forebrain Bundle, Olfactory Bulb, Septal Nuclei]—Serials
abnormalities in limbic forebrain & cerebellar circuits, neuropathology of infantile autism, autistic children & adolescents & adults, 29945
acetylcholine selective suppression of excitatory intrinsic fiber synaptic transmission in neural network model of olfactory cortex, learning & associative memory, 39644
age & hippocampal electrical stimulation induced limbic seizures, spatial learning & memory & activity level, 20–80 day old male rats, 8676
antidepressants, 3H-cyanoimipramine binding in limbic & neocortical serotonin uptake sites, male rats, 32649
copulatory behavior & electrical activity of dorsal hippocampus vs amygdala vs olfactory bulb, male vs female rats, 4665
dopamine receptors in limbic system, ethanol preferring vs nonpreferring rats, animal model of alcoholism, 540
hippocampal electrostimulation induced CRs, EP change in direction & degree in amygdala & hypothalamus & septum, dogs, translated article, 28577
in vitro binding properties of dopamine agonists & antagonists cloned human dopamine D2S & D2L receptors vs D2 receptors in rat striatal & mesolimbic tissue, 36532
in vitro long term potentiation of perforant path synapses in hippocampal CA1, rats, 32381
kindling & classical conditioning of nictitating membrane, discrimination & reversal learning & granule cell responsivity to perforant path input, male rabbits, 12538
lesion of amygdaloid complex & hippocampal formation, visual recognition memory, newborn vs adult monkeys, implications for etiology of infantile amnesia, 36483
limbic kindling vs kindled seizures, place & cue learning, male rats, 12529
limbic lesions & epilepsy & other clinical features, male 22 & 32 mo olds with autistic regression assessed through 7 & 8 yrs old, 33919
lithium & pilocarpine seizure induced multifocal damage to limbic system, maternal behavior, female rats with vs without maternal experience, test of P. D. Lean's triune brain theory, 12535
long term potentiation in olfactory cortex & bulb, A1 & B1 components of piriform cortex EPs, male rats, 8720
memory functions & MRI evaluation of temporal lobe & related structures, adult schizophrenic patients, 45495
muscimol in entorhinal cortex, passive avoidance learning & memory, male rats, 36907
muscimol vs aminophosphonopentanoic acid infusion of entorhinal cortex, posttraining memory processing, rats, 8894
NMDA vs glycine vs kainate vs quisqualate agonist, memory dysfunction, male rats with temporal & lateral entorhinal cortex transection, 28752
olfactory limbic model of multiple chemical sensitivity syndrome & relationships to kindling & affective spectrum disorders, literature review, 14146
orbitofrontal or perirhinal or entorhinal or fornix lesions, odor guided continuous delayed nonmatching to sample performance, male rats, 4607
plasma testosterone & lateral septum vasopressin & innervation density, male mice with genetic short vs long attack latency, 28494
posttraining glutamate receptor antagonists in amygdala or hippocampus or entorhinal cortex, retention of & amnesia for inhibitory avoidance task, male rats, 8919
progesterone & estradiol induced lordosis, single neuron activity from septal or amygdaloid or other limbic regions, female hamsters, 752
regional cerebral glucose metabolism in neocortex vs limbic cortex vs basal ganglia vs thalamus, schizophrenic patients, 9883
relationships among limbic system & frontal & temporal lobes in expression of aggressive behavior, implications for mental health nursing, 8771
role of limbic system in emotion & laterality & unconscious, 12515
sc lithium & pilocarpine induced limbic seizures, aggressive behavior & learning & memory, rats, 40648

significance of limbic system in sensory & cognitive & behavioral function & psychopathological states, literature review, 28523
size of nucleoli from entorhinal cortex, leukotomized schizophrenic patients, letter, 25806
subjective & everyday memory, epileptic patients with left vs right temporal lobectomy vs amygdalo-hippocampectomy, England, 2693
temporal vs lateral entorhinal cortex vs hippocampal vs perforant path lesions, acquisition & retention of visual discrimination task, male rats, 8657
Limbic System [See Also Amygdaloid Body, Fornix, Gyrus Cinguli, Hippocampus, Medial Forebrain Bundle, Olfactory Bulb, Septal Nuclei]—Books
The right brain and the unconscious: Discovering the stranger within, 12564
Limbic System [See Also Amygdaloid Body, Fornix, Gyrus Cinguli, Hippocampus, Medial Forebrain Bundle, Olfactory Bulb, Septal Nuclei]—Chapters
Basic neurobiology of cocaine: Actions within the mesolimbic dopamine system, 4972
Responses of limbic and extrapyramidal neurotensin systems to stimulants of abuse: Involvement of dopaminergic mechanisms, 21067
Toward an understanding of the limbic system, 12573
Limen [See Thresholds]
Limited English Proficiency [See Language Proficiency]
Linear Perspective—Serials
divergent vs convergent perspective in perception of parallel lines, adults, Scotland, 20204
orientation disparity & conflicting perspective, stereoscopic slant perception & slant axis anisotropy, adults, 20213
ratio of physically specified to total edge length, strength of visual boundary interpolation, college students, 253
unconventional viewpoint & monocular depth cues & visual field, object identification, college students, 28193
1-dimensional pattern grating intersection of constraints, perception of 2-dimensional motion direction, college students, 32067
Linear Regression—Serials
C. L. Mallows' Cp statistic & model selection in multiple linear regression, 8137
combined information & results from replicated studies for estimation of partial regression coefficients in linear models, 16071
log linear regression analysis of risk factors for alcohol or drug abuse or dependence, 15–39 yr olds, test of unitary hypothesis, conference presentation, 10044
Linear Regression—Chapters
Elements of the general linear model, 20166
Linguistics [See Also Ethnolinguistics, Etymology, Grammar, Neurolinguistics, Orthography, Psycholinguistics, Sociolinguistics]—Serials
adaptive nature of & acoustic & phonetic transformations during informal conversational vs articulated speech vs baby talk, test of theories of variability in speech, conference presentation, 16945
argument against positivist definition of sentence as ideal string of words & linguistic datum based on isomorphic competence performance distinction, 21114
background & linguistic & situational knowledge & skills, coherent multilingual communication, 3–10 yr olds with limited vs native English proficiency, 44879
behaviorism & cognitivism in interactive nonencoding representation in studies of language & meaning, commentary, 9055
bilingualism & metalinguistic competence & development, bilingual vs unilingual Kond tribal 2nd vs 4th vs 5th graders, India, 44864
cognitive & linguistic consciousness in language & speech, 21112
cognitive complexity of antonym pairs & their linguistic negations as measure of asymmetry of language dimensions, college students, China vs Poland, 36948
cognitive pragmatic approach to negative raising constructions & application of functional & procedural grammar theories, 9063
communicative context of listener happy vs sad affective state & busy & idle activity level, linguistic form of directives, mildly to moderately mentally retarded 10–20 yr olds, 26094
comparative method of study of speech & methods of differentiating underlying forms of phonetic variants, conference presentation, 16948
comprehension of German text with vs without anaphora, college students, US, 810
computer program for analysis of effects of stiffness & damping parameter values on speech stress & syllable position & vowel quality & other linguistic factors, 36949
content analysis of conceptual & linguistic characteristics of spoken vs written narratives, language/learning impaired 9–11.6 yr olds, 18095
contextual & linguistic variables, intelligibility of words by 4–5 yr olds with developmental phonological disorder, adult listeners, 18167
convergence of Skinner's study of verbal behavior & poststructuralist linguistics, 44778
cultural values, counterfactual linguistic reasoning, native male Arabic speakers, test of A. H. Bloom's theory, 820
definitions of emotion concepts in terms of semantic primitives in metalanguage, 28850
development of epistemic modality & attribution of certainty & uncertainty of modal expressions, 4 vs 6 vs 8 yr olds, France, 891
development of vocabulary for description of ironic situations & framework for computational theory of irony for computer programing, 9057
discourse strategies & cognitive maneuvers & communicative goals, female speakers, 9076
discourse strategies, survivors of rape or incest or sexual assault, 25887
educational level, frequency of stuttering vs capacity to judge constituent linguistic boundaries, adult stutterers, 26131
evidence for acoustic basis of cross linguistic phonotactic constraints, 16232
fractal patterns in cognition & expression in natural language, 40755
implications of language as encoding of reality for interactive nonencoding representations in studies of language & meaning, commentary, 9060
indication of linguistic characteristics of American Sign Language in written documents, deaf community members, implications for document investigators, 18448
integration of pictorial/spatial & verbal information in communication, linguistic analysis of prepositions, 16935
interactive nonencoding representation in studies of language & meaning, commentary, 9030
interactive nonencoding representation in studies of language & meaning, commentary, implications for semiotics, 9031
interactive nonencoding representation in studies of language & meaning, commentary, 9041
interactive nonencoding representation in studies of language & meaning, commentary, 9032
interactive nonencoding representation in studies of language & meaning, commentary, 9050
interactive nonencoding representation in studies of language & meaning, 9029
interactive nonencoding representations in studies of language & meaning, commentary, 9021
interactive nonencoding representations in studies of language & meaning, commentary reply, 9033
interactive nonencoding representations in studies of language & meaning, commentary, 9052
interactive nonencoding representations in studies of language & meaning, commentary, 9054
interactive nonencoding representations in studies of language & meaning, commentary, support for Prague school of structural & functional linguistics, 9068
interactive nonencoding representations in studies of language & meaning, commentary, 9069
interactive nonencoding representations in studies of language & meaning, commentary, 9075
interactive nonencoding representations in studies of language & meaning, commentary, 9066

interactive nonencoding representations in studies of language & meaning, commentary, 9067
joke structure & semantic ambiguity in informativeness & surprise effect, 16934
Lacanian perspective on linguistic aspects of language distortion & empathic listening. Hebrew speaking 42 yr old psychotic female analysand, 6669
letter association understanding during alphabet book reading, 3.5–4.5 yr olds, Piagetian perspective on metalinguistic differentiation, 37070
lexical null subject vs object asymmetry in language learning. Chinese vs English speaking 2–4.6 yr olds, 28967
linguistic & cognitive nonlinguistic pragmatic competence in language, 16941
linguistic & cognitive profiles & educational attainment, 7 yr olds with specific language impairments attending language units, England, 22155
linguistic & literary resources in humor making, Cameroon, 40749
linguistic analysis of trial testimony, assessment of legal & communicative competence as witness, female 5 yr old, 25167
linguistic background & perception of cues of amplitude & duration, native speakers of English vs Estonian, US & Estonia, 25065
linguistic constraints on & nonce borrowing & language assignment & neutrality typology & community based differences in intrasentential Korean-English code switching, bilingual 40–55 yr olds, 16960
linguistic form & function of discourse markers in verbal disputes, 2.6–9.5 yr olds vs adults, 37057
linguistic measure & proficiency, linguistic tradeoffs in imitated vs spontaneous speech, 6–9 yr olds with language learning vs reading disabilities, 14051
linguistic model of grammatical comprehension & judgment, patients with focal lesions in Broca's area, 38228
linguistic properties of text, RT & dual task performance & processing of expressions during oral vs silent reading, 12th graders, Sweden, 5101
linguistic prosody & musical meter in song, vocalists, 5007
linguistic skills & personality traits, 4.7–5 yr olds with moderate phonological disorder, 28 yr followup, 14116
linguistic specific approach to "wh" question forms training & generalization, sentence production deficits, aphasic 62–72 yr olds, 31057
literacy & cognitive level, development of linguistic awareness, language disordered children assessed from 6 to 11 yrs old, Sweden, 38074
map task corpus of unscripted dialog, study of linguistic phenomena of spontaneous speech, 17–30 yr olds, Scotland, 4993
metalinguistic awareness, 6.7–7.9 yr olds, 32878
microlinguistic & macrolinguistic abilities in discourse production, 43–61 vs 67–88 yr olds, 1158
model of evolution of color category terminology in world's languages, commentaries, 9038
monological vs dialogical linguistic practices in speech, 12966
narrative style in spontaneous storytelling, bilingual 4 yr old, 909
neural network parallel distributed processor principle & eliminative connectionism & potential for return to empiricism & behaviorism in linguistic theory, 44793
non-Western linguistic politeness & sociocultural variations in notion of face, Igbo, Nigeria vs Western countries, 16947
noninflectional linguistic cues, RT in sentence interpretation, native Chinese speaking adults, 44790
perspective taking & word "then" as indicator of deictic discontinuity in discourse analysis of film description, 18–30 yr olds, 16928
positions of F. Boas & E. Sapir & B. L. Whorf on linguistics & world view, 16939
pragmalinguistic analysis of verbal irony, 12956
pragmatics of nonreferential topics in German & other languages, 821
preverbal & verbal counting & computation & foundations of numerical competence, humans & animals, 4307
processing interactions between segmental & suprasegmental information, adult native speakers of English vs Mandarin Chinese, 32150
relationship of music therapy to cognitive linguistic model of language rehabilitation, hearing impaired preschoolers, 18820
relevance & conversational implicature, 16926
role of staging & constructed dialog in establishment of speaker's topic, 828
semantic & pragmatic organization of interjections in Mayali, Gunwinjguan adults, Australia, 16933
semantics of interjection & emotive & volitive & cognitive classification, 16959
semiotic mediation of reality through linguistic & cultural tools in Vygotskyan perspective on learning about postal table, 12–13 yr olds, Sweden, 28954
significance of word "well" in discourse according to relevance theory, 44788
social control in text consumption & production & linguistics & literacy, 16946
sociocultural specificity of speech & gesture in Swahili interjections, 16929
stimulation technique vs linguistically oriented learning approach to training in use of interrogatives & prepositions, aphasic 27–66 yr olds, 42986
task difficulty, language development & metalinguistic skills of phonological & word & structural awareness & print literacy knowledge, 33–50 mo olds, 17014
theme as message onset & structure & characteristics in discourse, 826
theories of sentence processing not using empty categories, commentary, 40745
theories of sentence processing not using empty categories, commentary, 40744
theories of sentence processing not using empty categories, commentary reply, 40751
topic & emotion in discourse economy & agenda, 813
topic & topic continuity in linguistics, 824
topic & topical relations signaling in TV news, Germany vs US, 846
tutorial introduction to numerical cognition & relationship of numerical ability & linguistic competence, 4300
use of natural speech data in studies of language & issues in integration with formal linguistics, conference presentation, 16950
visuospatial & linguistic mechanisms in discrimination of mirror image letter reversals in reading & relationship to confused left/right body awareness & reading disabilities, 22107
3 yr linguistic analysis based academic language teaching project, public examination performance, 7th–9th graders, UK, 19481

Linguistics [See Also Ethnolinguistics, Etymology, Grammar, Neurolinguistics, Orthography, Psycholinguistics, Sociolinguistics]—Books

The crosslinguistic study of language acquisition, Vol. 3, 17075
Discursive psychology. Inquiries in social construction, 5015
Foundational issues in natural language processing. System Development Foundation benchmark series, 44803
Linguistics and psychoanalysis: Freud, Saussure, Hjelmslev, Lacan and others. Semiotic crossroads, Vol. 4, 9676
Mapping the language of racism: Discourse and the legitimation of exploitation, 29201
Orthography, phonology, morphology, and meaning. Advances in psychology, Vol. 94, 24417

Linguistics [See Also Ethnolinguistics, Etymology, Grammar, Neurolinguistics, Orthography, Psycholinguistics, Sociolinguistics]—Chapters

Connectionism without tears, 15810
Counterfactual reasoning, 831
Psychology and linguistics, 9079
The relevance of computational complexity theory to natural language processing, 44811
Speaking and understanding from viewpoints: Studies of perspectivity, 836
A step toward sub-symbolic language models without linguistic representations, 19859

Theoretical implications of the Principles and Parameters model for language acquisition in Chinese, 17089
Lipid Metabolism—Serials
behavioral stressor, neuroendocrine & cardiovascular responses & serum lipid activity, 31–59 yr old Type A males, 12687
chronic uncontrollable stress with vs without exogenous glucocorticoids, regional fat distribution & metabolism, male rats, 12870
devocalization by elimination of laryngeal braking & prevention of ultrasound vocalization, brown adipose tissue thermogenesis & recovery from hypothermia & isolation induced cooling rate, rat pups, 32515
single vs chronic paroxetine, 5-HT induced head twitches & phosphatidylinositol hydrolysis in cortex & spinal cord, mice with vs without neonatal 5,7-dihydroxytryptamine, 40618
Lipid Metabolism—Chapters
Different stressors and blood lipid peroxidation, 8828
Lipid Metabolism Disorders [See Also Amaurotic Familial Idiocy]—Serials
beta-galactocerebrosidase deficiency & psychomotor deterioration & other clinical features, female monozygotic triplets with Krabbe disease assessed from 0–41 mo old, 2114
classification stages of neurologic & cognitive difficulties, children with Type C Niemann-Pick disease, 26181
Lipids [See Also Fatty Acids, Phosphatides]—Serials
age & MPTP, GM1 ganglioside induced recovery of striatal dopamine, male mice, 12880
age & sex & repressive coping, blood lipids & cholesterol, healthy adults, 20762
AGF2 vs GM1 ganglioside &/vs dextroamphetamine, shock avoidance & spatial reversal & place learning task performance, male rats with neostriatal lesions, 36757
alcohol during gestation & lactation & postweaning periods & rehabilitation, gangliosides & glycosidases in brain & cerebrum & cerebellum & brain stem, rats, 44705
alcohol intake & smoking & body weight & relation to blood lipids, male 40–59 yr olds, UK, 4689
BP & baroreceptor stimulation & blood lipids, pain thresholds & antinociception, heavy vs medium vs light smokers, 45168
cardiovascular reactivity & anger expression & serum lipid concentrations, healthy 18–30 yr old males, 36699
chronic lithium, serum triglyceride & cholesterol, 19–65 yr olds with bipolar or schizoaffective disorder or schizophrenia, 10674
chronic uncontrollable stress with vs without exogenous glucocorticoids, regional fat distribution & metabolism, male rats, 12870
dietary medium &/vs long chain triglyceride with vs without devazepide, food & water intake, male rats, 12641
exogenous gangliosides, apomorphine induced stereotyped behavior, male rats pretreated with N-ethoxycarbonyl-2-ethoxy-1,2-dihydroquinoline, 36802
family cohesion & conflict, plasma lipids & lipoproteins & aggressiveness, 6–18 yr olds, implications for coronary risk, 869
frame size vs body mass index methods, assessment of blood lipid levels, male vs female 20–89 yr olds, 28604
gamma linolenic acid based evening primrose oil, effects of chronic ethanol on lipids of developing brain, rat pups, 12770
ganglioside administration following bilateral middle cerebral artery occlusion, spatial memory & kinesis & praxis behavior, rats with induced cerebral ischemia, animal model of stroke recovery, 36537
GM1 ganglioside or ACTH analog ORG2766, food hoarding & spatial delayed alternation & open field behavior & dopaminergic innervation, male rats with medial prefrontal cortex lesions, 32605
GM1 ganglioside treatment &/vs bupivacaine applied to injured nerve, thermal hyperalgesia & spontaneous pain behavior, rats with peripheral mononeuropathy, 4861
haloperidol dosage induced oxidative stress, haloperidol induced glutathione protein thiol homeostasis & lipid peroxidation, rats, 20997
high fat vs carbohydrate diet with vs without exercise, body fat & weight, female rats, 12664
ip or icv adipose satiety factor extracted from adipose tissue, food intake, male rats, 24798
lipid solubility of sedative hypnotic drugs, hypothermic & hypnotic responses, long vs short sleep mice, 20842
lithium, cyclic adenosine monophosphate & inositol phosphate & lipid production, adults, 40703
nicotine with vs without haloperidol, muscarinic receptor mediated phosphoinositide hydrolysis in brain slices, male rats, 24924
oxygen induced lipid peroxidation in frontal cortex & hippocampus & putamen & basal nucleus of Meynert & substantia nigra, postmortem brains of patients with Alzheimer's disease, 14306
paracetamol, bacterial lipopolysaccharides & recombinant human interleukin-1b effect on feeding responses & cross-tolerance & sensitization, male rats, 44660
postinjury GM1 ganglioside, thermal hyperalgesia & spontaneous pain behavior & spinal cord metabolic activity, rats with peripheral mononeuropathy, animal model of pain management, 4860
serum cholesterol & lipid & lipoprotein profiles, 8–32 yr olds with Down's syndrome, 2053
stress & individual differences & Type A behavior, lipid & lipoprotein levels, literature review, 12702
sulfatide containing liposome entrapped porcine calcitonin, antinociception, mice, implications for blood brain barrier crossing of water soluble lipids, 28683
sunflower vs coconut oil vs water mouthcoating, perception of taste intensity of sweet & salty & sour & bitter stimuli, female 30–50 yr old experienced assessors, 43948
Lipoproteins—Serials
family cohesion & conflict, plasma lipids & lipoproteins & aggressiveness, 6–18 yr olds, implications for coronary risk, 869
mirror drawing stress & blood type A vs O, plasma cortisol & very low density lipoprotein toxicity preventing activity, male 46–72 yr olds, 8780
plasma lipoproteins, schizophrenic males, 5888
serum cholesterol & lipid & lipoprotein profiles, 8–32 yr olds with Down's syndrome, 2053
Lipreading—Serials
background noise & working memory capacity, speechreading performance, 22–52 yr olds, 40044
cognitive ability & prosody discrimination skill in visual speech reading using tactiling, 54 yr old deaf male, Sweden, case study, 38341
discovery vs expository training, learning to lipread consonant vowel syllables & retention & transfer to monosyllabic words, normal hearing college students, 15377
fuzzy logic vs prelabeling integration training models, transfer & retention in learning to lipread, female college students, 44033
lipreading &/vs listening &/vs fingerspelling &/vs signed English presentations, sentence matching, severely vs profoundly deaf 10–17 yr olds, 22438
matching vs nonmatching word vs nonword utterance in simultaneous speech reading, lexical mediation in detection of speech in noise, adults, 4283
script typicality & abstraction & hierarchical or temporal order & context, sentence comprehension, hearing adults, Sweden, application of script activation model, 44108
sentence length & speechreading with vs without processed vs unprocessed vs quantized voice fundamental frequency, recognition of words, normal hearing 24–40 yr olds, implications for deaf, 14428
sources of variability in speechreading sentences, 16–37 yr olds, application of generalizability analysis, 272
viewing of videotaped sentences in isolation vs following why questions, speechreading, hearing impaired 38–79 yr olds, assessment & therapeutic implications, 42120
vocabulary size & lexical access & sentence based speechreading, hearing impaired adult males, 2357
Lipreading—Chapters
Lip-reading and the modularity of cognitive function: Neuropsychological glimpses of fractionation for speech and for faces, 16311

Lipreading and audio-visual speech perception, 21124
The neuropsychology of lipreading, 22415
Lips (Face)—Serials
consonant effects, timing of upper lip protrusion movements & anticipatory coarticulation for vowel /u/ relative to acoustic events, native English speaking college students, 5009
electrical stimulation of lip vermilion, mechanically evoked perioral reflex of lower face muscles & EMG aspects of sensorimotor integration, infants, 21163
noxious stimulation of lower lip mucosa, c-fos expression in trigeminal sensory nuclei & dorsal horns of cervical spinal cord, male rats, implications for central processing of orofacial pain relay, 32445
Listening [See Auditory Perception]
Listening Comprehension—Serials
construction & discriminant analysis of self report listening test, assessment of listening skills in conversations, adults, 19968
development of foreign language listening comprehension proficiency test, 39878
earplug occlusion, psychopathology, schizophrenic patients with binaural comprehension deficit, 14752
experience & text type & speed, memory & comprehension of texts presented with synthetic vs natural speech, visually impaired 35–55 vs 65–80 yr olds, 22437
history of listening as aspect of caring & curing in psychological healing, conference presentation, 18479
listening comprehension & working memory skills, 7–8 yr olds with reading comprehension deficits, 9195
listening to stories in literary Arabic, comprehension & literacy skills in diglossic language, 5.1–6 yr olds, Israel, 28916
prosodic cues, minimal attachment of word to developing phrase structure & resolution of ambiguities in spoken language comprehension, adults, England, 4323
rule produced synthetic speech & word recognition & comprehension, listeners, 25061
social relations expressed in speaker's choice of name of 3rd person vs object, listener's comprehension & memory of personal reference, college students, 20273
syllable vs word vs sentence context of target nonsense syllable, spoken language comprehension & syllable recognition in real time, French speaking aphasic 32–68 yr olds, France, 14329
understanding & accuracy & strategies in glossing of child's utterances & words, caregivers of speech delayed 3.2–5.9 yr olds, implications for intelligibility assessment in phonological disorders, 14126
verbal self regulation & mode of comparison rule presentation, listening skills, kindergartners vs 1st graders, 25154
videotaped native speakers vs traditional instruction, listening comprehension & vocabulary & grammar learning, foreign language college students, 27462
violations of principles of global discourse organization, comprehension of temporal order in narrative texts, college students, 20278
Literacy [See Also Computer Literacy]—Serials
academic characteristics & reading skill & difficulties, 16–60 yr olds self described as illiterate, educational implications, 3543
acculturation to moderately or exclusively oral cultures through narratives, literate missionaries, Kenya & Papua New Guinea & US, 41036
application of behavior analysis in Morningside Model of Generative Instruction, adult literacy & children's learning & attention problems, child & adult students, 15503
application of cognitive psychology to training in literacy & critical thinking & pedagogy & sense of selfhood, youth, Latin America, 28869
assessment of developmental stages for literacy & concepts of print & books, 3.5–5.5 yr olds, application of Bader Reading & Language Inventory, 890
cognitive behavior modification, literacy training & skills, deaf students & adults, 38468
collaborative problem solving promotion of scientific literacy, middle school students, 43262
color keyed picture schedule, overcoming medication noncompliance & literacy & physiological aging based learning barriers, elderly male with medical problems, 22916
comparative analysis of use of path analysis in testing causal models of literacy or reading-writing acquisition, children, 13041
conceptual framework for adult literacy development, 3358
contributions to study of children's literacy & development of reading recovery program, M. M. Clay, 27415
deaf culture & literacy, 38340
demographics & education & parental education & social environment & current activities, practical literacy, 21–25 yr olds, 32174
design of learning environment, encouraging ownership & risk taking & responsibility in literacy learning, deaf 4th–5th graders & their teachers, 23642
development & reliability of international education association reading literacy tests, assessment of narrative & expository & document domains, 9 & 14 yr olds, 31969
developmental processes in symbolic play & literacy, children, 32889
early literacy knowledge & experience, contextual vs language based speech act comprehension strategy, 3–4 yr olds, Canada, 3 yr study, implications for developmental linguistic pragmatics, 28951
early vs middle childhood & early adolescent predictors of functional illiteracy in adulthood, Black children of adolescent mothers, 20 yr study, 40796
factors of success in volunteer adult literacy program, former students, 7460
home literacy experiences, physically disabled preschoolers who use augmentative & alternative communication systems vs nondisabled peers, 34044
initial literacy & reading development, review of theories & approaches, 40818
integration in home decision making & operational thinking ability, urban vs rural nonliterate female 20–40 yr old unmarried heads of household vs married homemakers, Zambia, 5447
integration of literacy & reasoning instruction, deaf learners, 39347
issues in literacy & reading & sign language instruction, deaf students, 3542
Language to Literacy program involving being read to & opportunities to respond to literature, learning, 2nd graders & their teachers, 3347
listening to stories in literary Arabic, comprehension & literacy skills in diglossic language, 5.1–6 yr olds, Israel, 28916
literacy & instructional patterns, urban low SES kindergartners inexperienced with print, 1.4 yr study, 3364
literacy, cultural identity, 5340
literacy development in context of literate family & school & teacher education communities, students with or without hearing losses, 23643
literacy learning & reading & writing knowledge construction in whole language curriculum classrooms, low SES kindergartners, 3336
literacy learning, moderately & profoundly hearing impaired preschool students, 23637
literacy requirements in high demand & high attrition history course, college students & faculty, implications for academic preparation, 15432
literacy rich program Early Start, 4 yr old prekindergartners at risk for academic failure, 3362
literacy, syllable boundary judgments in oral pause-break task, English- vs Arabic- vs Blackfoot- vs Korean- vs Swiss German-speaking adults, 16225
literacy, visually impaired, 14430
mixed level relationships & mismatch between reading & writing of narrative compositions as index of transition from emergent to conventional literacy, kindergartners, 2 yr study, 21178
motivations toward literacy & learning & participation in literacy programs, adults with low literacy skills, 15486
narrative vs nonnarrative comprehension & use in literacy development ability, kindergartners, 39267

physical design of play centers & teacher's emphasis on literacy & literacy behaviors during play, kindergartners, 8 wk study, 3369
prevailing ethnocentrism & importance of cultural & linguistic diversity in literacy instruction, 19489
prevalence of functionally illiterate high school graduates, participants in Job Training Partnership Act program, 35520
prevalence of government employee illiteracy & impact on services, government human resource managers, 31546
problems & concerns in implementation of whole language learning practices, adult literacy teachers, 3312
qualitative approach to adult literacy assisting behaviors & roles & role taking during spontaneous literacy based play, day care teachers & caregivers of 3–4 yr olds, 43293
regular vs restructured Chapter 1 federal program instruction, literacy, 1st graders, 11396
reliability & concurrent validity of Cultural Literacy Test, college students, 24219
revealing & telling teaching strategies in socialization of attention in literacy instruction, conference presentation, 27410
role in child's literacy development & reading strategies, parents, 28933
school & personal socially constructed practices of literacy, 8th graders, 15445
sex & ethnicity, national vs international reading literacy test scores, 9 vs 14 yr olds, New Zealand, International Association for Evaluation of Educational Achievement study, 27519
social class & ethnicity & cultural capital, reading attainments, families with 5–15 yr olds, New Zealand, 27505
special education perspectives on whole language vs direct approach to reading & literacy instruction, commentary with illustrative cases, 47288
special education perspectives on whole language vs direct approach to reading & literacy instruction, 47272

nonlithium & alternative pharmacotherapy, patients with manic depression, literature review, 42472
nosological issues concerning & DSM-IV diagnostic criteria for paranoid personality disorder, literature review, 37823
nutritional care & medical school curricula & attitudes toward practices focusing on coronary heart disease prevention & cholesterol control, physicians, literature review, 23358
olfactory limbic model of multiple chemical sensitivity syndrome & relationships to kindling & affective spectrum disorders, literature review, 14146
operant conditioning & cognitive & behavioral & psychodynamic psychotherapy principles & practices, chronic pain patients, literature review, 26853
optimal performance, literature review, 39594
organizational & interpersonal & intrapersonal factors in & coping strategies for burnout, school psychologists, review of literature on helping professions, 27291
organizational behavior & context, 1990–92, literature review, 43493
outcomes & processes in reading from paper vs screen displays & medium usability, literature review, 3823
overtraining or staleness, neuromuscular & cardiovascular & metabolic & immunological & kinanthropometric changes, athletes, literature review, 15708
oxygen & drug delivery & hospital vs home based care programs & health education, cost effectiveness, children vs adults with asthma or chronic obstructive pulmonary disease, literature review, 7068
parent-adolescent communication about premarital sex & pregnancy, literature review, 41123
parent expectations & attributions & involvement & home affective environment & discipline & structure for learning, academic achievement, students, literature review, 19520
parent training effectiveness, 1975–90, literature review, 2569
participatory evaluation in education, review of literature on organizational learning, 27369
patient held medical minirecord use, preventive care, adults, literature review, 30707
patterns of & intimacy & identity & sense of connectedness to others in psychosocial development, females, literature review, 37101
perception of orientation & self motion under conditions of sensory conflict, prediction & prevention of motion sickness & receiver responses to nauseogenic & unusual environments, literature review, 22262
perceptual dysfunction & activities of daily living difficulties, patients with dementia of Alzheimer's type, literature review, 34239
peripheral & CNS & psychological processes, amputees with phantom limb experiences, literature review, 14181
peripheral & CNS & psychological processes, amputees with schizophrenia & phantom limb experiences, commentary on literature review, letter, 41983
peripheral & CNS & psychological processes, amputees with schizophrenia & phantom limb experiences, reply to commentary on literature review, letter, 41958
personal & social development, children of gay & lesbian parents, literature review, 9286
personality characteristics, personalized vs socialized charismatic leaders, literature review, 5510
personality correlates of pedophilia, literature review, 6015
personalized news bias & attributions & issue salience, literature review, 5025
persuasiveness of communication on HIV/AIDS risk & prevention, Hispanics, literature review, 10913
pharmacokinetics of & treatment response to bupropion, literature review, 6731
pharmacokinetics of & treatment response to fluoxetine, literature review, 6732
pharmacokinetics of lithium therapy, literature review, 6733
pharmacokinetics of psychotropics & relationship of plasma & serum levels to treatment response, children & adolescents, literature review, 6729
pharmacokinetics of treatment responses to psychotropics, Asians, literature review, 6754
pharmacologic treatment, rate of calcium activated cholinergic neuronal death, patients with Alzheimer's disease, literature review, 2778
pharmacological treatment, Hispanics & Native Americans, literature review, 6769
pharmacology & brain monoaminergic neurotransmission, lordosis behavior, female rats, literature review, conference presentation, 32369
pharmacotherapies for cocaine abuse, literature review, 39033
pharmacotherapy & diagnosis, aggressive behavior, children & adolescents, literature review, reprint, 2674
pharmacotherapy, behavior control & learning, mentally retarded & autistic children, literature review, 46451

physical complications of anorexia nervosa, literature review, 41898
plasma dexamethasone, cortisol responses on DST, depressed patients, literature review, 5819
platelet alpha-2 adrenoceptors, depressed patients, literature review, 33589
polygenetic multiple threshold vs constitutional variability models of sex differences in neurodevelopmental childhood disorders, females, literature review, 22067
portrayal in TV & print media, elderly, literature review, implications for educational gerontology, 28858
positive vs negative mood, problem solving, literature review, 36144
possible cortical etiology of neuropsychiatric comorbidity & neurobiological body image disturbance & neurochemical impairment, anorexic patients, literature review, 29979
practice & age, neuropsychological testing, literature review, 8044
practice & research in career counseling & development, literature review, 19659
pragmatic perspective on social cognition & perception, 1989–91, literature review, 41251
Pre-Adult Health Decision-Making Model & other models of health related attitudes & behaviors, adolescents, literature review, 17159
prediction of controlled drinking, alcoholic & problem drinking clients, literature review, 18021
prejudiced attitudes & situational factors, racial discriminatory behavior, literature review, comparison of psychological vs sociological research, 21346
premorbid characteristics & psychological reaction during hospitalization & long term adjustment & personality effects, patients with severe burn injuries, literature review, 22235
prenatal cocaine, neurophysiological developmental abnormality, neonates, literature review, 24886
presence of anorexia nervosa & bulimia, pregnant females, literature review, 26116
presentation of mental illness & psychiatry in ancient Indian medical & religious texts, literature review, 1584
prevalence & prevention of & risk behavior for AIDS & HIV infection, iv drug users in methadone maintenance treatment programs, literature review, 35003
prevalence & treatment of behavior & conduct & other mental disorders, juvenile delinquents, literature review, 10118
prevalence & treatment of sexual harassment, health care personnel, 1980–90, literature review, 3226
prevalence of substance use & alcoholism & drug addiction, medical students vs residents vs physicians, literature review, 41724
prevention & treatment of juvenile delinquency, literature review, 27190
private utilization management, utilization & costs & outcomes of mental health care, patients & providers & society, literature review, 7047
probability norms vs causal connection vs logical deduction in cognitive error, adults, literature review, 4305
processes & preferences in & outcome of coercion in civil commitment, mentally ill patients, literature review, 15816
profiles on Child Behavior Checklist & Teacher's Report Form & Youth Self Report, emotionally disturbed & learning disabled children & adolescents, literature review, 43775
projective drawing techniques, children, literature review, implications for art therapy, 35905
proposed changes to DSM-IV based on etiological relationship between secondary disorders & organic mental disorders, literature review, 17655
psychiatric disorders, elderly nursing home residents, literature review, 27090
psychodynamic & treatment issues, patients with borderline personality disorder, literature review, 2384
psychological & distress factors in somatic presentation of hysterical conversion & other psychiatric syndromes, children, commentary on literature review, letter, 41399
psychological & distress factors in somatic presentation of psychiatric syndromes, children, literature review, 29494
psychological & sociological & anthropological aspects of cultural variations in emotions, literature review, 5618
psychological aspects of sympathetically related pain syndromes, adults & children, literature review, 6240
psychological basis of problem based learning strategy & curricula, literature review, 15395
psychological factors in & behavioral treatment of diabetes, literature review, 2124
psychological factors in & treatment of rheumatoid arthritis, literature review, 2181
psychological factors in etiology of recurrent urinary tract infection, females, literature review, 38099
psychological mechanisms in personality disorders, literature review, 33716
psychological test use in applied settings, professional psychologists, 1982–92, literature review, implications for graduate training, 24038
psychological treatment of headache, literature review, 2744
psychoneuroimmunological framework for neuropsychological impairment, patients with AIDS dementia complex or AIDS or HIV, literature review, implications for nursing, 34109
psychopharmacological treatment of pediatric migraine, children & adolescents, literature review, 14849
psychophysiological nature of sports related burnout, literature review, 15704
psychophysiology of multiple personality disorder, literature review, 5768
psychosis, elderly, literature review, 25825
psychosocial & behavioral characteristics & emotional & health problems, children in foster care, 1974–89, literature review, 34869
psychosocial factors, immune responses, nonhuman primates, literature review, 40489
psychosocial impact of breast cancer & treatment, females, literature review, 6319
psychosocial interventions, adults with myocardial infarction or coronary bypass surgery or cancer, literature review, 26843
psychosocial issues for hemophilia before vs after HIV crisis, literature review, 18184
psychotropic drug use & prescribing & monitoring problems, nursing home & long term care facility clients, literature review, 19124
psychotropic drugs, pain & emotional states & other quality of life parameters, elderly, literature review, conference presentation, 38591
PTSD & other psychological reactions & factors affecting recovery, adult female rape victims, literature review, 37993
PTSD, survivors of childhood sexual abuse, literature review, 33795
PTSD, Vietnam & other war veterans & victims of natural & civilian disasters, literature review, 9898
quality of health care, Black adult psychiatric & nonpsychiatric patients, literature review, 6463
rating accuracy in performance appraisal processes in organizations, 1980s, literature review, 35553
rational emotive therapy, adjustment, adults, literature review, 18615
reactions to inpatient or outpatient suicide & role of psychological autopsy, therapists & staff, literature review, 3024
relatedness of schizophrenia & affective disorders & effect of season of birth on risk for bipolar disorder, commentary on literature review, letter, 25700
relaxation techniques, chemotherapy induced nausea, cancer patients, literature review, 26851
releaser induced recognition learning model, molluscs, literature review, 459
REM & NREM sleep features & abnormalities, schizophrenic patients, literature review, 37750
research on attitudes toward & health care experiences with lesbian females, health care providers, 1970–90, literature review, 35220
research on course of personality disorders, literature review, 33717

retention & attrition in special education & career decision influences, teachers, literature review, 47124
retrograde amnesia & Korsakoff's psychosis, literature review, 10032
risk & protective factors for psychopathology & importance of biopsychosocial perspective, children, literature review, 21699
risk factors & reduction for suicide, schizophrenic patients, literature review, 17786
role & measurement of testosterone in social interaction & sexual activity & antisocial & other behavior, adults, literature review, 24819
role & relevance of primary prevention in mental health services & community psychology, commentary on literature review, 2929
role & relevance of primary prevention in mental health services & community psychology, literature review, 2907
role & relevance of primary prevention in mental health services & community psychology, reply to commentary on literature review, 2906
role & relevance of primary prevention in mental health services & community psychology, commentary on literature review, 2915
role & relevance of primary prevention in mental health services & community psychology, commentary on literature review, 2926
role enactment & perspective taking in interpersonal communication & shared reality & creation of meaning of messages, literature review, 17449
role of context in history & current status of feminist counseling & psychotherapy, 1970s to 1990s, commentary on literature review, 26436
role of emotion & emotionality in asthma, literature review, 30050
role of nitric oxide in glutamate excitoxicity & neurotoxicity in chronic alcohol exposure, animals, literature review, 4847
role of organizational structure & activities & quality of adult child interaction in learning environment of day nurseries, literature review, 19569
role of serotonin in attention deficit hyperactivity & conduct & other disruptive behavior disorders, children, literature review, 33809
role of Women of Color in history & current status of feminist counseling & psychotherapy, 1970s to 1990s, commentary on literature review, 26433
Rorschach test, personality assessment, African Americans, literature review, 4007
school programs & teaching & intervention strategies, at risk students, literature review, 31268
science education instructional strategies & curriculum evaluation & comparison, students with disabilities, literature review, 23629
seasonal patterns, incidence of psychiatric illness & mortality, literature review, 13656
selective attention in verbal fluency & neural network modeling of Wisconsin Card Sorting Test, frontal lobe damaged patients, literature review, 30230
selective attention strategy & prose learning, readers, literature review, 16368
self contained vs resource room class placement, academic & social achievement, mildly mentally handicapped students, literature review, 7531
self monitoring for behavior management in classroom settings, special education students, 1980–91, literature review, 31415
self psychology perspective on selfobject function of weapons, literature review, 25611
semantic & pragmatic language changes, patients with dementia of Alzheimer's type, literature review, 18387
sensory & affective components of pain, literature review, 6219
serotonin agonists & antagonists & receptors & other drugs, sexual receptivity, female rats, literature review, 4869
SES & health, adults, literature review, 41275
SES & health insurance & acculturation & provider sensitivity, utilization of mental health services, Hispanic Americans, literature review, 23030
sex & race & ethnicity & sexual orientation & other factors, counseling & career psychology, clients, literature review, 42197
sex, counseling process & outcome, counselors & clients, literature review, 26458
sex differences in pharmacokinetics & pharmacodynamics of psychotropic treatment, commentary on literature review, letter, 38541
sex differences in pharmacokinetics & pharmacodynamics of psychotropic treatment, reply to commentary on literature review, letter, 38603
sex, pharmacokinetics & pharmacodynamics of psychoactive drugs, literature review, 4778
sex, prevalence & severity & symptoms, patients with tardive dyskinesia, literature review, 13690
sex role targeting of prescription or nonprescription drug & alcohol & tobacco advertising, literature review, 3792
sexual abuse & etiology of eating disorders, literature review, 26111
sexual behavior, sexually abused children, literature review, 33753
sexual dimorphism in vomeronasal pathway & sex differences in reproductive behaviors, rats, literature review, 32446
significance of limbic system in sensory & cognitive & behavioral function & psychopathological states, literature review, 28523
social psychophysiological perspective on role of hardiness in stress related arousal & appraisal & coping & physical health effects, literature review, 24835
social support & self determination in leisure participation, coping with life stress & health, literature review, 39543
social support, health, patients with HIV, literature review, 30111
sociocultural factors, HIV & AIDS education & prevention programs, African Americans, literature review, 10880
source monitoring in memory, literature review, 40167
staff management & intervention, client outcomes for developmentally disabled, literature review, 38923
statistical & methodological flaws in studies of gender differences in computer attitudes & aptitude & use, literature review, 8155
stigmatizing labels, peer relations & expectations, children, literature review, implications for school psychology, 9278
stress & burnout & coping strategies, hospice volunteers & staff, literature review, volunteer training implications, 15285
stress & individual differences & Type A behavior, lipid & lipoprotein levels, literature review, 12702
structural models of academic self concept & effects of social context, literature review, implications for school psychology, 47260
subjective health & discriminative & reinforcing stimulus functions & dependent potential of caffeine, humans, literature review, 5487
sympathomimetic drugs, children with attentional problems & hyperactivity, literature review, reprint, 2643
symptomatology & outcomes, sexually abused children, literature review, 17922
symptoms & diagnosis & treatment of neuroleptic malignant syndrome, child & adolescent patients, literature review, 13683
symptoms & neuropsychological changes & brain imaging studies & treatment of postconcussion syndrome, literature review, 34237
theoretical & philosophical perspective on death anxiety in adulthood & old age, literature review, 17532
theory & measurement of hardiness & role in illness & psychological distress & neuroticism, literature review, 9706
threshold theory for acquired brain injury incorporating concept of brain reserve capacity as explanation of differences in symptom onset or neuropsychological test performance, literature review, 42096
thyroid dysfunction in & animal models of refractory depression, literature review, 33590

transcultural aspects of anorexia & bulimia nervosa, Native vs African American vs Hispanic vs Asian vs Middle Eastern patients, literature review, 6176
transfer of stimulus control in delayed prompting & relationship to concurrent schedule of reinforcement, literature review, 12282
transpersonal psychology approach to psychoreligious/religious/spiritual dimensions of healing & proposal of diagnostic category for DSM-IV, literature review, implications for clinical practice, 9719
trazodone vs fluoxetine, pharmacological & preclinical & clinical antidepressant & serotonergic & other action, literature review, 24933
treatment integrity of child based experimental studies in "Journal of Applied Behavior Analysis", 1980–90, literature review, 39942
treatment modalities & long term outcome, patients with borderline personality disorder, literature review, 34292
trends in epidemiological research, patients with Alzheimer's disease, literature review, 26290
trends in place preference conditioning, 1957–91, literature review, bibliography, 32306
unemployment & mental health, literature review, 47338
use of DSM-III-R criteria for generalized anxiety disorder for studies of anxiolytic efficacy, literature review, 34562
use of humor in counseling & psychotherapy, 1970–90, literature review & bibliography, 2472
use of self regulated learning strategies, gifted students, literature review, 27604
vagal afferent input to CNS, nociception, animals, literature review, 16574
validity of Millon Clinical Multiaxial Inventory, alcoholic adults, literature review, 7995
vision care research, literature review, 18920
vision stimulation & training, children with visual impairments, 38997
visual laterality & asymmetry in spatial frequency processing, reply to commentary on literature review, 36492
Wisconsin Card Sorting Test as measure of frontal lobe dysfunction, literature review, 42079

Literature Review—Books

Head injury in children and adolescents: A resource and review for school and allied professionals (2nd ed.), 18428
Lesbianism: An annotated bibliography and guide to the literature, 1976–1991, 21446
Psychological aspects of depression: Toward a cognitive-interpersonal integration. The Wiley series in clinical psychology, 13751

Literature Review—Chapters

Adolescence and family interaction, 13188
Childhood-onset schizophrenia, 21843
The development of prosocial behavior, 13193
Human memory, 5142
A literary overview of multiple personality disorder, 29585
Marriage, 13309
MCMI: Review of the literature, 16001
Sibling interaction, 13190
The uncertain motor system: Perspectives on the variability of movement, 36143

Lithium [See Also Lithium Carbonate]—Serials

abrupt vs gradual lithium discontinuation, spontaneous vs antidepressant induced rapid cycling course, bipolar 25–76 yr olds, 10730
acute confusional state secondary to fluoxetine & lithium, 60 yr old bipolar female in depressed state, case report, 10721
acute lithium chloride, FR responding, male rats, 12795
acute swim stress, lithium chloride induced conditioned taste aversion, male rats, 647
arginine-8 vasopressin vs lithium chloride, appetitively motivated discrimination, male rats, implications for aversive & memory enhancing qualities of vasopressin, 28697
augmentation of desipramine or imipramine with liothyronine vs lithium, patients with unipolar refractory depression, Canada, 38555
awareness of lithium toxicity risks, psychiatric patients, letter, 26780
biochemistry & psychopharmacology of lithium, quarterly bibliography, 4730
blood brain barrier transport & protein binding of L-tryptophan & alpha-methyl-L-tryptophan, lithium chloride treated rats, implications for treatment of manic depressive psychosis, 21012
brain vs serum & erythrocyte lithium concentrations, 19–44 yr olds with affective disorders receiving lithium treatment, Japan, 34552
breeding & development & UCS characterization of taste aversion proneness & resistance with lithium chloride & emetine hydrochloride & ethanol, rats, 20851
characteristics of hematocrit & starting lithium ion concentration, rate of lithium ion influx into human red blood cells, 16833
chronic dietary lithium, forced swim test induced immobility & cholinergic induced locomotor activity, male Flinders Sensitive vs Resistant Line rats, animal model of depression, 8973
chronic lithium, clenbuterol induced hypoactivity, rats, 12783
chronic lithium, guanylyl-5-imidodiphosphate with vs without isoprenaline stimulated adenylate cyclase activity in cerebral cortex, male rats, 4876
chronic lithium, muscarinic receptor binding sites & phosphorylation of protein kinase C in hippocampus, rats, conference presentation, 8931
chronic lithium, serum triglyceride & cholesterol, 19–65 yr olds with bipolar or schizoaffective disorder or schizophrenia, 10674
chronic lithium treatment, thyroid abnormalities, Chinese 17–57 yr olds, Hong Kong, implications for ethnic differences in lithium side effects, 18751
clinical profile, Chinese 16–57 yr old lithium clinic outpatients, Hong Kong, 23041
clomipramine with lithium supplementation, prolactin & cortisol responses to fenfluramine, patients with endogenous major depressive disorder, 6791
clomipramine with vs without lithium, platelet adenylate cyclase activity & serotonergic functioning, depressed patients, 26762
clozapine & lithium induced agranulocytosis, female 59 yr old with schizoaffective disorder, case report, 42497
combined valproate & lithium, 29–71 yr olds with rapid cycling bipolar disorder, Canada, 42485
compliance with lithium treatment for mood disorders, suicide victims, Finland, 22733
contextual vs odor CS paired with lithium chloride, lying on belly & grooming & freezing & other motor CRs, male rats, animal model of anticipatory nausea in chemotherapy, 20378
continuous venovenous hemodialfiltration, excretion of lithium, 26 yr old male schizophrenic with severe lithium intoxication, case report, 18799
delay of intragastric infusion vs ip injection of lithium chloride following saccharin solution ingestion, drinking suppression in taste aversion conditioning, rats, 40695
dietary potassium supplementation, renal & other adverse effects of long term lithium, animals & patients, 16792
discontinuation of lithium & nortriptyline, 63 yr old male with drug induced Creutzfeldt-Jakob-like syndrome, case report, 14817
divalproex sodium &/vs carbamazepine &/vs lithium, patients with bipolar disorder, 30535
enalapril, serum lithium, healthy males, 20841
etoperidine, serum lithium, healthy 22–36 yr old males, treatment implications, 6742
evaluation of accuracy of new steady state lithium prediction method for drug dosage, psychiatric hospital patients, 6738
evolution of lithium therapy, 6745
factors predictive of response to lithium or carbamazepine or valproate, patients with pure or dysphoric mania, 42421
family psychopathology, lithium responsiveness, schizophrenic patients, 10718
folate deficiency & supplementation with or without prophylactic lithium, patients with schizophrenia or affective or other psychiatric disorders, 10728
group therapy, social functioning & symptom relief, 24–71 yr olds with bipolar affective disorder treated with lithium &/vs other neuroleptic drugs, 14459

haloperidol with vs without lithium vs propranolol, cyclic adenosine monophosphate, chronic schizophrenic patients, 10655
health locus of control & other patient characteristics, drop-out from lithium clinic, patients, 18734
hyperparathyroid adenoma, 58 yr old female in lithium therapy for manic depressive psychosis, case report, 6699
icv myo-inositol, lithium chloride potentiation of pilocarpine seizures, male rats, 36810
intentional acute & chronic lithium toxicity, female 43 & male 54 yr old with bipolar disorder, 6698
international studies on lithium, 1990, bibliography, 10645
ion selective electrode vs flame emission spectrometry on venous vs capillary whole blood, determination of lithium levels, lithium treated psychiatric patients, Germany, 26740
isotonic lithium chloride, C-fos expression in brain, male rats, 44750
knowledge of & compliance with lithium therapy, Chinese 16–57 yr old outpatients, Hong Kong, 22738
L-tetraiodothyronine & lithium, 42 yr old male with rapid cycling bipolar disorder, letter, 18703
lasix induced sodium depletion or lithium chloride toxicosis, saline solution vs water intake, C57BL/6J vs 129/J male mice, 44362
lithium & antidepressant drugs, 62 yr old with depressive Cotard's syndrome, case report, 18783
lithium & carbamazepine, fluoxetine induced mania, male 33 yr old with manic depression, 30460
lithium & fluoxetine vs lofepramine, female 76 & 79 & 80 yr olds with treatment resistant depression, case reports, 2671
lithium & pilocarpine seizure induced multifocal damage to limbic system, maternal behavior, female rats with vs without maternal experience, test of P. D. Lean's triune brain theory, 12535
lithium & rubidium, FI responding, rats, 4819
lithium & rubidium, short duration FI responding, male rats, 4818
lithium & sex, disease induction & survival & effects on immune system, male BxSB mice, animal model of diabetes & systemic lupus erythematosus, 40588
lithium & sodium diet, circadian rhythm of lithium clearance & toxicity, male mice, 16864
lithium & tryptophan maintenance therapy, 44–53 yr olds with bipolar disorder, 6751
lithium &/vs neuroleptics, plasma insulin & erythrocyte zinc & glycated protein, schizophrenic or manic depressive patients, Turkey, 38594
lithium, alcohol consumption, alcoholic Ss, literature review, implications for relationship between alcoholism & affective disorders, 19206
lithium augmentation, antidepressant resistant patients, commentary, letter, 2634
lithium, behavioral chronobiology in comparative psychopathology, mice, animal model for comparative psychiatry & neuroscience, 4898
lithium biochemistry & pharmacology, serotonergic signaling & synaptic & behavioral effects, animals, literature review, 4886
lithium, brain content of choline containing compounds, patients with bipolar disorder, 22767
lithium, calcium & magnesium in whole blood & plasma & erythrocytes, psychiatric patients, 42452
lithium carbonate vs lithium chloride vs lithonit, alcohol dependence, male rats, animal model of alcoholism treatment, 4845
lithium, causation or aggravation of liver disease, literature review, 6809
lithium chloride, activity levels, water snails, implications for therapeutic utility of lithium, 8863
lithium chloride aversive conditioning to odor vs taste of female urine vs female vs novel odor, precopulatory ultrasonic vocalizations & olfactory preference, male mice, 4457
lithium chloride, consumption & preferences for novel diet & body weight gain, male rats with area postrema lesions, 36760
lithium citrate, acute agitation, 22–54 yr old psychiatric inpatients, letter, 14705
lithium, course & symptoms of disorder, patients with manic type schizoaffective disorder, 10 yr study, 14715
lithium, cyclic adenosine monophosphate & inositol phosphate & lipid production, adults, 40703
lithium, development of myxedema coma & flaccid paralysis & prolonged respiratory failure, 60 yr old female, 6815
lithium, development of thyroid disease & immunological responses, patients with manic depression, 10737
lithium, development of thyroid dysfunction, 72 & 77 yr old females with depression, case reports, 30510
lithium, diabetes progression, female NOD vs male obese mice, animal model of type I & type II diabetes, 4971
lithium discontinuation, relapse followed by refractoriness after lithium reinstitution, patients with bipolar disorder, 18765
lithium dosage, neuronal morphology & functional expression of C-coupled m3-muscarinic acetylcholine receptors in cerebellar granule cells, rats, implications for treatment of manic depression, 36771
lithium dosing strategies, serum lithium & renal function, 2632
lithium, EEG, 32 & 45 yr old females with bipolar affective disorder, implications for theoretical concept of dynamic restriction, 30525
lithium, endogenous levels & red blood cell membrane differential concentrations of vanadium & rubidium & cesium & lithium, patients with bipolar disorder or depression, 10686
lithium, female 51 yr old with concurrent bipolar mood disorder & kleptomania, case report, 26770
lithium, hunger & food intake & body weight, male 32–59 yr olds, 688
lithium, immunological & host responses to B16 melanoma or Corynebacterium parvum, C57BL/6 vs C3H/HeJ female mice, 4810
lithium induced neurotoxicity at normal therapeutic levels, female 33 & 49 & 68 yr olds with bipolar disorder & depressed mood, 42407
lithium, inhibition of inositol monophosphate activity, male rats, implications for therapeutic mechanisms in treatment of manic depression, 16845
lithium, inositol phophatase accumulation in neostriatum, 3 vs 10 vs 24–26 mo old male rats, 8887
lithium intoxication, male 62 yr old with mixed misidentification syndrome with features of Capgras syndrome, case report, 1619
lithium ion selective electrode monitoring of plasma lithium, patients attending lithium clinics, 6704
lithium levels in bodily fluids, 30 yr old female with manic psychosis & her newborn child, 6 mo study, 14745
lithium, light activation of rod photoreceptor G-protein mediated cyclic guanosine monophosphate hydrolysis & guanosine triphosphate binding, bovine eye membranes, 4928
lithium maintenance, mortality rate, patients with manic depression or schizoaffective disorder, Austria & Canada & Denmark & Germany, 14717
lithium, maintenance of T-cell functions, male 39 & 42 yr olds with HIV, 22921
lithium, memory & perceptual field changes during incidental learning, patients, 6744
lithium, muscarinic sensitivity & oxotremorine induced hypothermia, Flinder Sensitive Line rats, animal model of depression, 12890
lithium, ornithine decarboxylase & spermidine/spermine N1-acetyltransferase activity, implications for effects in manic depression, 16819
lithium, patients with naturally occuring or drug induced blood leukopenic disorders, 30598
lithium pharmacology & treatment, 1989–90, bibliography, 6696
lithium phophylaxis & minimization of teratogenesis & other hazards during pregnancy, 24–42 yr old females with bipolar disorder, 1982–89, 6804
lithium, plasma norepinephrine turnover, healthy adults, commentary with reply included, letter, 24963

lithium, platelet free intercellular calcium ions during in vitro incubation, patients with euthymic vs untreated bipolar depression, 6720
lithium prophylaxis, frequency of labial herpes recurrences, patients treated for affective disorders, Poland & US, 6788
lithium, reinduction of neuroleptic malignant syndrome, 65 yr old male psychiatric patient, 6812
lithium research & therapy, Venezuela, 6702
lithium research, quarterly bibliography, 4731
lithium, seasonal modulation of platelet serotonin uptake, 26–65 yr olds with affective disorders, 1 yr study, 6759
lithium, serotonergic response to acoustic stimuli, male rats, 4944
lithium, smooth pursuit eye movements, healthy males, implications for smooth pursuit eye movement dysfunctions in affective disorder patients, 20854
lithium, synthesis & secretion of catecholamines & tyrosine hydroxylase & protein kinase C activity in bovine adrenal medullary cells, 4936
lithium toxicity induced Capgras syndrome, depressed female 74 yr old, case report, 14673
lithium treatment & manic vs euthymic state, magnetic resonance spectroscopy analysis of brain phosphorus metabolism & intracellular pH, bipolar patients, 30478
lithium, treatment resistant depressions, literature review, 6789
lithium use, elderly psychiatric patients, literature review, 6726
lithium vs caffeine &/vs adenosine A/1 receptor agonist, restraint stress induced gastric lesions vs hypermotility & defecation vs hypomotility, rats, 4945
lithium vs carbamazepine, erythrocyte sodium-potassium adenosine triphosphatase, depressed 18–68 yr olds, 42482
lithium vs radiation vs amphetamine UCS, taste aversion conditioning & vomiting, ferrets, 16451
lithium with vs without other prophylaxis, affinity for calmodulin for calcium adenosine triphosphase & plasma lithium, patients with bipolar depression, 6767
long term lithium & EEG abnormalities, 27–84 yr old psychiatric patients, Sweden, 22710
long term lithium & light, lithium uptake in retina vs other ocular tissues, male rats, 8872
long term lithium, eating behavior, 34–69 yr old psychiatric patients with vs without weight gain, 42444
long term lithium induced uremia, 70 yr old female with cycloid psychosis, 10733
long term lithium, thyroid microsomal & thyroglobulin & other autoantibodies, 22–71 yr olds with manic depression, Denmark, 22 yr study, 6783
long term lithium treatment, clinical & personality & therapeutic & biological characteristics, 22–83 yr olds with recurrent mood disorders, 6697
long vs short term lithium vs imipramine vs amitriptyline, suicide & mortality rates vs toxicity, manic depressive patients, Scotland, 6730
low vs high dose lithium augmentation, patients with tricyclic antidepressant resistant depression, 42491
medical & psychiatric risk factors, therapeutic lithium toxicity, 25–71 yr old psychiatric patients, 42479
methodological problems with & empirical consensus regarding lithium treatment & memory assessment, 38547
model of lithium induced hypothyroidism, implications for lithium treatment side effects, 6813
mood states, serum lithium & creatinine & lithium clearances, patients with manic depression, Italy, 10694
myo-inositol, effects of lithium on motor behavior & activity, rats, conference presentation, 8928
nausea producing nondrug cue & lithium, antisickness conditioning, male rats, 24850
neuroleptics with vs without lithium, clinical & pharmacokinetic & neurobiological outcomes, 20–70 yr old males with bipolar disorder in acute manic phase, Sweden, 30440
nifedipine vs verapamil vs lithium, neuroleptic resistant patients with schizoaffective disorder or acute mania, commentary, letter, 14677
onset of lithium induced hypothyroidism, 22–87 yr olds, France, 42500
oral verapamil therapy, blood plasma & erythrocyte lithium concentrations, 20–41 yr old healthy males, 4877
perphenazine with vs without lithium, plasma HVA & MHPG, patients with schizophrenia or schizoaffective or schizophreniform or affective or other mental disorders, 30450
perspectives on lithium treatment of bipolar disorder, 30480
pharmacokinetic interaction of lithium & carbamazepine, 20–56 yr olds with affective disorders, 6787
pharmacokinetics of lithium citrate syrup vs solid dosage forms, 29–66 yr olds with manic depression, 6714
pharmacokinetics of lithium therapy, literature review, 6733
phase transfer catalyst, determination of lithium ion concentration in urine, clinical practice implications, 6814
preexposure of various sex steroids & lithium chloride or apomorphine, estradiol induced conditioned taste aversion, female mice, 44604
pretreatment screening & maintenance monitoring of lithium & attitudes toward lithium use for elderly, psychiatrists, 18707
prophylactic efficacy & side effects of lithium treatment every 2nd day, 29–65 yr olds with manic depression, 6743
prophylactic lithium & alternatives & adjuncts, patients with manic depression, Scandinavia, 34588
prophylactic lithium during vs after pregnancy, puerperal relapse, 20–32 yr old females with bipolar illness or history of puerperal affective psychosis, commentary, letter, 42460
prophylactic lithium during vs after pregnancy, puerperal relapse, 20–32 yr old female with bipolar illness or history of puerperal affective psychosis, commentary, letter, 42498
prophylactic lithium during vs after pregnancy, puerperal relapse, 20–32 yr olds females with bipolar illness or history of puerperal affective psychosis, 18700
prophylactic lithium, recurrences of depression, 12 & 14 & 15 yr old depressed females, case reports, 18695
prophylactic lithium, suicides & parasuicides, patients with affective disorders, Germany, 8 yr study, 10706
prophylactic lithium uptake rate of platelet 5-HT transport & relation to reductions in morbidity, depressed patients, 18696
propranolol vs LY 53857 5-HT blockade, lithium chloride mediated plasma epinephrine & norepinephrine & glucose, male rats, 12749
rapid vs gradual lithium discontinuation, risk for & timing of new episodes, patients with bipolar type I vs type II disorder, Italy, followup, 46440
rate of & factors in maintenance lithium treatment acceptance vs dropout, bipolar patients, 33 mo study, 10705
response to prophylactic lithium, slope of amplitude/stimulus intensity function of N1/P2 component of auditory EP, patients with affective disorder, Germany, replication, 30471
safety & accuracy of lithium dose equation, prediction of blood lithium concentration, 18–67 yr old psychiatric patients, 34539
safety & effectiveness of lithium & tetracyclic combination therapy, 52–68 yr olds with presenile depression, letter, 2685
safety & efficacy of ECT & lithium maintenance, female 40 yr old with bipolar disorder, case report, 34288
serotonin induced platelet protein kinase C activity & translocation during manic episode & lithium treatment, patients with bipolar affective disorder, 45440
sodium ions, ionophore induced lithium ion transport across human erythrocyte membranes, 8860
sucrose paired with lithium chloride, taste reactivity to sucrose, male rats, 4748
symptoms & differential diagnosis of & risk factors for acute & chronic reversible & irreversible lithium neurotoxicity, 10692
thrombin vs chlorpromazine vs haloperidol &/vs lithium, blood platelet calcium concentrations, healthy 19–37 yr olds vs schizophrenic 25–53 yr olds taking neuroleptics, 18719
treatment, patients with lithium induced polyuria or nephrogenic diabetes insipidus, 38662

tricyclic antidepressant with vs without lithium augmentation, L-tryptophan induced serum prolactin increase, 20–68 yr olds with refractory depression, 2651
verapamil vs lithium, patients with acute mania, commentary reply, letter, 26733
verapamil vs lithium, patients with acute mania, commentary reply, letter, 14686
verapamil vs lithium, patients with acute mania, commentary, letter, 26791
Lithium [See Also Lithium Carbonate]—Chapters
Behavioral side effects associated with antidepressants and lithium, 22776
Cardiovascular effects of monoamine oxidase inhibitor antidepressants and lithium, 22791
Interethnic variation in response to lithium therapy among African-American and Asian-American populations, 42513
Manic-depressive illness: What role does psychotherapy have in management?, 42263
Neuromuscular effects of antidepressants and lithium, 22789
Lithium Carbonate—Serials
alcohol & lithium, healthy medical students, 12904
haloperidol & lithium carbonate, mania induced by watching Toronto Blue Jays game, 43 yr old male with bipolar affective disorder, letter, 46421
high dose lithium carbonate, 28–72 yr olds with acute mania, Israel, 30490
lithium carbonate, female 29 yr old with premenstrual mania & 41 yr old with premenstrual bipolar disorder, case reports, 38543
lithium carbonate, intracellular lithium & sodium & potassium & lithium ratio, 17–69 yr old psychiatric patients, 6716
lithium carbonate, smooth pursuit eye tracking, 16–54 yr olds with psychotic bipolar disorder or major depression, Canada, 26739
lithium carbonate therapy, leucocyte counts, manic depressive 20–64 yr olds, 1 yr study, conference presentation, 38538
lithium carbonate, 17 yr old female with periodic unipolar depression, 6771
nortriptyline with vs without lithium carbonate, depressed 65–89 yr olds, 18741
valproate & lithium carbonate, 72 yr old female with rapid cycling affective disorder, case report, 22756
Litter Size—Serials
behavior & success in agonistic interactions, pituitary adrenal function & litter size & characteristics & humoral immunocompetency, primiparous pigs, 24825
costs & benefits of continued care vs abandonment of reduced clutch, ringed turtledoves, application of mathematical model, 12448
frequency & duration of feeding chases, chinstrap penguin families with 1 vs 2 chicks, 20410
litter size & parity, grooming & other aspects of maternal behavior, ewes with single vs twin lambs, 4524
litter size, bleating behavior & maternal contact with offspring, lambs & their mothers, 2 & 5 wk followups, 8568
predator abundance & brood size, parental vigilance, barnacle goslings & geese, 40285
preweaning nutrition & litter size, postweaning food intake & body mass & fat & feeding efficiency, rat pups, 12421
Liver—Serials
D-galactosamine induced hepatic failure, feeding & ambulatory activity & striatal monoamines, rats, 8972
duodenal vs hepatic portal vein infusion of plant glycoside phloridzin, food intake, intact vs vagotomized female rabbits, 20984
estradiol & ad lib feeding, brain & liver insulin binding & food intake, female ovariectomized rats, 44580
ip benzyl alcohol vs benzaldehyde, ethanol intake & liver aldehyde dehydrogenase & alcohol, male rats, 20929
medical regimen compliance & psychological well being & alcohol drinking patterns, 20–65 yr old alcohol dependent vs nondependent liver transplant recipients, 3 yr followup, 22887
sensitivity & specificity of screening serum chemistries, detection of disulfiram induced liver test dysfunction, alcoholic inpatients, 42969
Liver—Chapters
Alcohol abuse and liver transplantation, 29901
Liver transplantation, 30697
Liver Disorders [See Also Cirrhosis (Liver), Hepatitis, Jaundice]—Serials
biochemical measures of hepatic function & neuropsychological assessment, adults with chronic liver disease & subclinical hepatic encephalopathy, 2155
lithium, causation or aggravation of liver disease, literature review, 6809
liver disease & mental health & encephalopathies & associated disorders, literature review, 2123
organ transplantation, cognitive development & learning, children with end stage renal or liver disease, 22914
plasma beta carotene & zinc & selenium & antioxidant status, alcoholic 35–65 yr olds with liver damage or skeletal myopathy, 22016
pretransplant delirium & cognitive & EEG & adaptive functioning & family & social relations, survival, 16–67 yr olds with liver transplants, conference presentation, 18930
quality of life, 5–8 yr olds with liver transplants, 3–6 yr followups, 34764
verbal & performance IQ & cognitive function, 6–16 yr olds with end stage liver disease vs cystic fibrosis, 10256
Liver Disorders [See Also Cirrhosis (Liver), Hepatitis, Jaundice]—Chapters
Gastrointestinal and hepatic effects of psychotropic drugs, 22786
Hepatic encephalopathy, 10861
Living Alone [See Living Arrangements]
Living Arrangements [See Also Cohabitation]—Serials
age & diagnosis & living arrangements, psychoactive drug use, mentally retarded 20–55 yr olds & older, 46495
alcohol drinking patterns, community vs resident college students, 19555
availability of family members & type of disability, ability to live alone, elderly, 21618
child's sleeping at home vs communal sleeping arrangement, work & leisure attitudes & behavior, mothers vs fathers & preschool & school age children in kibbutz, Israel, 29226
cognitive impairment & social disability & mental symptoms, patients with alcohol amnestic disorder in sheltered accommodation vs nursing home, Netherlands, 13924
coresidence vs kinship tie, patterns of caregiving, frail elderly & their caregivers, 34919
demographic characteristics & health habits & social contacts, nutrient intake, female 65 yr olds & older living alone vs with spouse, 9350
differences in family processes & individual adjustment, 10–18 yr old siblings from divorced families living together vs apart, 25237
early developmental disruptions or losses, stability of living arrangements, seriously mentally ill sheltered care residents, 10 yr study, 11077
economic status & residential stability & functioning, homeless families placed in permanent housing through shelter program, 5 yr study, application of computer technology in policy analysis, 46835
educational & employment & independent living & financial status & social integration, 15–26 yr olds with visual vs other impairment in transition from special education programs, longitudinal study, 14435
family considerations in migration patterns & caregiving behavior & personal autonomy negotiations, aging within specific environmental setting, elderly, 1169
gender role attitudes, expectations of vs actual leaving home for marriage or unmarried independence, young adults, 1980s, 4 yr study, 25423
habitual physical activities, 20–70 yr old & older workers in farm households vs general population in fruit cultivation area, Japan, 19751
health & physical symptoms & alcohol intake, married vs unmarried 18–94 yr old males vs females living alone vs with another person, England, 41052
joint activity & friendship & cycle regularity, menstrual synchrony, mother daughter dyads residing together vs females sharing room in private residence vs dormitory, 40481

knowledge of psychosocial needs & support for elderly female caregivers & elderly females living alone, allied health professionals, 43108
limitations & valuative use of risk in assessment of ability to choose place of residence, elderly, 1168
living arrangements & aging, African American & other minority elderly, 1171
living arrangements & knowledge of health risks & self reported stress, health risk behaviors, college students, 15473
living arrangements & minority group status, change in functional capacity, elderly Latinos vs Whites vs Blacks, 4 yr study, 17225
living arrangements, elderly married couples in long term care institutions, Canada, 2988
living with parents vs away from home & sex, perceived relationships with parents, college students, 37319
number & sex of children & resources & needs & health & attitudes, changes in living arrangements, 70 yr olds & older, 17248
number of dosages of psychotropic prescriptions, mentally ill adults in nursing vs group homes vs residential care facilities vs independent apartments, 22717
opinions on advantages & disadvantages of multigenerational family households, 13–88 yr olds, 17315
parental divorce, adjustment & family relations, 10.5–18 yr olds living with mother &/vs father, 5392
parental marital status & living arrangements & family structure, high school graduation, 14–21 yr olds, 13301
patterns & consequences of parent child coresidence, research review, implications for future research, 17327
perceived social support, former psychiatric patients living with family vs in group homes vs independently, 23066
positive & negative & affective symptoms & neuroleptic side effects, chronic schizophrenic 40–65 yr olds in hospital vs community, 23159
psychological aspects & benefits of living at home, elderly, 1157
ratings of physical & social aspects of housing choices, suburb preference & hostel vs home choice, 60–97 yr olds, 45028
relative contributions in living together arrangements, parents & adult children, 33100
residential mobility & geographic proximity of kin, access to kin assistance, young single mothers, 25383
SES & demographic characteristics, living arrangements, elderly, developing countries, 9342
sheltered care residence, personal outcomes, mentally ill adults, 10 yr study, 23069
social network & social background characteristics, prediction of living vs eating alone vs with others, 58–100 yr olds, 9349
sociodemographic characteristics & attitudes toward housing, elderly vs nonelderly single room occupancy residents, 17232
Southern vs Central vs Eastern vs Northwestern European ancestry, living with relatives, elderly, 17231
stability of communal living arrangements, Roman Catholic religious orders of females, 1964 vs 1990, 33074
substance abuse & prior offenses & psychiatric symptoms, homeless vs domiciled mentally ill offenders, 14024
values in long term care decision for elders, 70–94 yr olds & adult family members & friends & medical & social service professionals, 46768

Living Arrangements [See Also Cohabitation]—Books

Elders living alone: Frailty and the perception of choice. Modern applications of social work, 1177
Housing America's elderly: Many possibilities/few choices, 13250
Life in the community: Case studies of organizations supporting people with disabilities. The community participation series, Vol. 1, 42795

Living Arrangements [See Also Cohabitation]—Chapters

Adolescents living in "nonfamily" and alternative settings, 29074
Community living in three Wisconsin counties, 42811
The demographic context of U.S. adolescence, 29143
In search of pumpkin shells: Residential programming for the homeless mentally ill, 2944
Leaving home: Housing and income: Social policy on leaving home, 1221
Living it up! An analysis of research on community living, 42803
Small-scale community living options serving three or fewer older adults with developmental disabilities, 38901
Spatial organization and habitat use, 17526
Striving for independence, 45939
Support systems, well-being, and placement decision-making among older parents and their adult children with developmental disabilities, 38844

Lobotomy [See Psychosurgery]

Local Anesthetics [See Also Cocaine, Lidocaine, Quinine]—Serials

GM1 ganglioside treatment &/vs bupivacaine applied to injured nerve, thermal hyperalgesia & spontaneous pain behavior, rats with peripheral mononeuropathy, 4861
intraoral regional nerve block vs epidural anesthesia, cutaneous somatosensory perception thresholds outside area of primarily blocked nerve, presurgery vs pain free 24–78 yr olds, 10817

Localization (Perceptual) [See Perceptual Localization]

Localization (Sound) [See Auditory Localization]

Locus Ceruleus—Serials

antidepressants, density of alpha 2-adrenoceptors in locus ceruleus & noradrenergic projection fields, male rats, 20900
chronic imipramine, cold stress induced tyrosine hydroxylase immunoreactivity in locus ceruleus, male rats, 731
detomidine vs xylocaine in hippocampus vs median raphe nucleus vs locus ceruleus, hippocampal movement or immobility theta activity, male rats, 32696
intracerulear excitatory amino acid neurotransmission, nucleus paragigantocellularis or noxious sensory stimulation induced activation of locus ceruleus, male rats, 28503
lesions of nucleus basalis magnocellularis &/vs dorsal noradrenergic bundle, spatial discrimination learning & memory, male rats, 36528
locus ceruleus corticotropin releasing factor &/vs chlordiazepoxide vs yohimbine &/vs hippocampal 6-OHDA, noradrenergic mediation of memory enhancement, male rats, 12750
locus ceruleus degeneration, postmortem brains of alcoholic 38–78 yr olds with Wernicke Korsakoff syndrome vs Wernicke's encephalopathy without amnesia, Australia, 29861
locus ceruleus lesion, yohimbine vs restraint stress induced c-fos immunoreactive response in cerebral cortex, male rats, 32448
locus ceruleus lesion 1 vs 2 wks prior vs simultaneous to right sensorimotor cortex injury, cerebellar norepinephrine induced facilitation of motor recovery, rats, 36488
locus ceruleus neuronal loss, postmortem brains of 57–82 yr olds with Parkinson's vs Alzheimer's disease &/vs Down's syndrome, 17646
locus ceruleus neuronal loss, 57–93 yr olds with Parkinson's disease with vs without Alzheimer's disease, 46110
morphine, adenylate cyclase & cyclic adenosine monophosphate dependent protein kinase & G-proteins in nucleus accumbens & locus ceruleus & electrophysiology & withdrawal, male Fischer vs Lewis rats, 40365
morphological & morphometric properties of locus ceruleus, trisomy 19 mice pups, animal model of Down's syndrome, 4596
PCP or MK-801, baseline activity & sensory evoked responses of noradrenergic neurons in locus ceruleus, male rats, 20940
pimozide, conditioned place preference induced by rewarding electrical self stimulation of locus ceruleus, male rats, 12773
prenatal &/vs postnatal diazepam, neural development in dorsal & ventral locus ceruleus, male vs female rat pups, 40665
role of locus ceruleus in anxiety disorders, patients with Parkinson's disease with vs without dementia, commentary, letter, 46066
role of locus ceruleus in opiate addiction & pharmacotherapy options for opiate withdrawal symptoms, 42929

serotonin vs methysergide in locus ceruleus & brachium conjunctivum, duration of hypnosis & flexor muscle contraction, male rabbits, 4820
unilateral locus ceruleus lesion, sensorimotor cortex injury recovery, male rats, 20508
5-HT agonists, schedule induced polydipsia, tegmental vs locus ceruleus lesioned male rats, implications for CNS integration in stress coping reactions, conference presentation, 16810
Locus of Control [See Internal External Locus of Control]
Logic (Philosophy)—Serials
conditional logic representation of nonmonotonic patterns of inference, 20279
construal of antecedent conditions in Hempelian motivational explanations, 44763
formal logic in rational emotive therapy, 30347
intuition vs logic in Eastern vs Western cultural approaches to creativity, 25370
main themes of writing by J. Dewey on logic & science, 43677
properties of Lebesgue logic of probabilities & applications to perception, 35997
Logical Thinking—Serials
age, formal logical thought, 11–18 yr olds, Italy, application of F. Longlot's Scale of Logical Thought, 44886
cognitive processing of contradictory proverbs & reasoning, schizophrenic adults, 1717
computer simulated experiment & problem solving approach, attitudes toward & achievement in chemistry & logical thinking, 9th graders, Turkey, 19472
content domain & logic training & IQ, rule acquisition & transfer during deductive reasoning task, college students, 32148
critical thinking & logicism & imagining, 8331
critical thinking in science education & fallacy in reasoning discourse, students, 7474
information about consensus vs distinctiveness vs consistency of behavioral event, attribution, adults, 311
interdependence in Piaget's later work of logic of operations as logic of meanings, commentary, 40806
interdependence in Piaget's later work of logic of operations as logic of meanings, 40846
logic programing in modeling of truth & justification preserving entailments of defeasible reasoning in artificial intelligence, 31711
logical & prelogical thinking & counterfactual reasoning with counteridenticals in theory of analogical reasoning, 8328
parameters & concrete manifestations of creativity, mass scale professional laborers, translated article, 39458
phenomenological perspective on meaningful & scientific though not logical or causal analysis of psychological phenomena, 31788
rational belief system in extensive games, 8284
rationality & random response to external constraint, 40088
rationality of perceived consequences of & alternatives to suicidal acts, psychiatric patients with vs without suicide attempts, conference presentation, 25717
rationality vs tenets of folk psychology, functions of basic emotion, 395
role of rationality & logic & objectivity in masculinity & gender beliefs & male social control of females, 17386
scores on Social Knowledge Scale, schizophrenic patients, 25832
strategies in evaluation of hypotheses drawn from quantified 1st order predicate logic, 12–29 yr olds, Australia, 25132
theory of analogical thinking & use of analogies in instruction, 3396
transitional vs concrete vs formal operational reasoning, responses to logic tasks, college students, test of multiple hypothesis theory of testing of formal reasoning, educational implications, 24408
Logical Thinking—Books
Irrationality: The enemy within, 20294
Logical Thinking—Chapters
Money symbolism and economic rationality, 5313
Rationality of self and others in an economic system, 5311
Religion and rationality, 21340
Science, values, and rationality: Philosophy of science from a critical co-constructivist perspective, 12947
Logistic Models [See Item Response Theory]
Logotherapy—Serials
brief logotherapy, males with sexual impotence or dysfunction, 38672
logotherapeutic value in 12-step treatment & perceived meaning in life, adults in drug rehabilitation facility, 39018
logotherapy, coping with postmodernism & information revolution & other social change in 21st century, adults, US, 42217
logotherapy, drug seeking behavior & lifestyle, drug abusers, 42965
logotherapy in Franklian child guidance, awareness of meaning opportunities in family life, children & parents, 38505
logotherapy programs in nursing homes, 38933
resistance in family logotherapy, clients, 14589
spirituality & unconscious religiousness in V. Frankl's logotherapy, 38400
use of stories & tales for metaphorical communication in family logotherapy, urban Appalachian family, 26601
Logotherapy—Books
Man's search for meaning: An introduction to logotherapy (4th ed.), 14524
Loneliness—Serials
demographics & metric equivalence of UCLA Loneliness Scale, college students, South Africa, comparison with data from US & Puerto Rico & Iran, 31852
development & reliability & validity of Social & Emotional Loneliness Scale for adults, college students, Canada, 15917
emotional closeness of relationships with children vs friends vs spouse, loneliness, 44–99 yr olds, 17172
factor structure of UCLA Loneliness Scale vs Loneliness Deprivation Scale vs Emotional/Social Loneliness Inventory, male vs female college students, 4022
loneliness & church & affiliative & solitary activities, leisure experiences, female Black 64–75 yr olds & older, application of symbolic interaction theory, 17230
loneliness & communication skills & social acceptance, cumulative GPA, male vs female college students, reevaluation of data of J. B. Nezlek et al, 7454
loneliness & life satisfaction, 17–69 yr olds, Japan vs Australia, 37533
loneliness & love attitudes, college students vs middle aged single adults, 29412
loneliness & optimism & pessimism, self esteem, college students, 1448
loneliness, intimacy of disclosure in conversation with male vs female peer, male vs female 6th–7th graders, 9295
loneliness, physical fitness & activity level, 1st–6th graders, 5047
loneliness, physical symptoms & perceived health status, 12–21 yr olds, 29502
negative vs positive portrayal of old age on TV, emotional responses, lonely vs nonlonely elderly, 5277
peer acceptance & friendship quality & satisfaction & loneliness & social dissatisfaction, 3rd–5th graders, 44976
perceived responsibility for control over loneliness, psychological well being, 65–74 yr olds, Sweden, 13194
personal & social support predictors of loneliness, 22–94 yr olds with low vision, 14425
psychometric properties & construct & external validity of Portuguese version of Revised UCLA Loneliness Scale, 14–17 yr olds, Portugal, 48
reciprocity within ego centered personal networks, loneliness & well being, female pregnant workers vs recent movers vs male nearing retirement, Netherlands, 5532
reliability of Greek translation of Revised UCLA Loneliness Scale, assessment of emotional & social loneliness, Greek speaking or bilingual college students, Greece, 11971
self reported loneliness & teacher rated aggressive & hyperactive behavior & peer rated social acceptance & competence, mildly mentally retarded 10.6–13 vs 15.2–17 yr olds, Israel, 29967
sex differences & related personality traits, loneliness, 16–18 yr olds, 17186

social provisions, social network & personality traits effects on loneliness, college students, 37509
social support & visual acuity & perceived health & other factors, prediction of loneliness, female 75–94 yr olds with low vision, 14423
sociometric status, attributions for social outcomes & loneliness & social anxiety & avoidance, male vs female 3rd vs 5th graders, 28998
statistical item selection, direction of wording effects in development of balanced Likert type measure of loneliness, college students, 31849

Loneliness—Chapters
Loneliness: Depression, grief and alienation, 34651
Loneliness: Effects and implications, 41808

Long Term Memory—Serials
antichick Thy-1 glycoprotein, intermediate & long term memory in avoidance conditioning paradigm, 1–2 day old chicks, 28704
association of contextual cues with interpolated conditional discrimination learning task, retroactive interference, male rats, 44253
change in structure & number of synapses & dendritic spines in forebrain during long term memory formation in passive avoidance task, chicks, research review, 28554
CS duration, facilitation of avoidance conditioning & long term retention by platform method, male rats, 28391
cysteamine induced somatostatin depletion &/vs scopolamine, working & reference memory, male rats, 44698
development of memory task, assessment of neuronal activity in auditory working & reference memory in single situation of stimuli, male rats, 12540
divided attention in retrieval of overlearned information in long term memory, 50–59 vs 70–79 yr olds, 40843
familiar vs novel nonsense syllables, left vs right frontal vs temporal vs parietal lobe auditory EP correlates of short & long term recognition memory, 14 mo olds, 17051
information importance & long term recall, 18–48 yr olds with closed head injury, Israel, 6407
intrahippocampal NMDA receptor antagonists vs scopolamine, working & reference memory, male rats, animal model of Alzheimer's disease, 24952
ip vs intrahippocampal mecamylamine, working vs reference memory, male rats, 40644
learning level achieved & method, long term retention of foreign language vs mathematics vs cognitive psychology vs literature course information, former students, 16333
level of original learning & overlearning, long term retention of recall vs multiple choice items, college students, 4 & 11 mo followups, 35372
long term memory in auditory discrimination of consonants & vowels, adults, application of dual process vs trace context theories, 12195
long term memory retraining, 23 & 30 yr olds with traumatic brain injury, 23175
long term memory retrieval, slow wave cortical EPs, college students, Germany, 28594
medial septal area muscimol, long vs short term memory in inhibitory avoidance & water maze place learning & rewarded alternation, male rats, 12847
memory for recent vs childhood odor name associations, 17–22 yr olds, 20310
monocular vs binocular views of novel 3-dimensional shapes, recognition & representation in long term memory, college students, Canada, 12156
network size & interconnectivity of word association in long term memory, cued word recall, college students, 44159
novelty & exposure duration of multiple stimuli, response rate & long term retention, pigeons, 4458
optimization vs enforced effortful processing, cognitive triage during unconstrained recall, 2nd & 6th graders, reanalysis & new data, 37013
oxiracetam vs aniracetam, scopolamine induced reference vs working memory impairment in rewarded alternation task, male rats, 20803
PCP, acquisition & long vs short term retention of spatial tasks, rats, 40602
phonological & categorical similarity of words in list, long term memory for word order in incidental learning tasks, college students, 20319
policy on course completion & credit earning & acceptance within time frame, graduate students, application of long term memory research results, 27460
pragmatic & morphosyntactic factors, accessibility of discourse entities in short & long term memory, college students, 28316
putative reduced pitch patterns of melodic segment in long term memory with vs without additional tune information, identification of folk tunes & paired association, female college music students, 8251
role of inferior temporal cortex in associative long term memory & integration of visual perception & memory capacity, research review, 32419
scopolamine with vs without training to higher criterion of learning, working vs reference memory in radial maze, male rats, 20916
short term memory as focus of attention on activated portion of long term memory, 36226
short vs long spatial memory, male vs female adults, 32203
social prototypicality vs target description vs memory term, recognition, 16–18 yr olds, Poland, 8353
synapse development accompanying long term memory storage & learning, vertebrates & invertebrates, research review, 36484
verbal recoding of visual stimuli in short term memory, long term memory encoding & mental image rotation, college students, 4292
xylocaine in olfactory bulb, consolidation processes associated with long term memory, male rats, 44430

Long Term Memory—Chapters
Analysis of short- and long-term enhancement produced by one-trial conditioning in Hermissenda: Implications for mechanisms of short- and long-term memory, 12371
Cognitive assessment of long-term memory disorders, 141
Emotion and MEM, 12313
A hypothesis on primal long-term memory: Neurophysiological evidence in the primate temporal cortex, 12582
Long-term memory and mental retardation, 38051
The long-term retention of skills, 376
Memory's view of space, 40196
Molecular interrelationships between short- and long-term memory, 12574

Long Term Potentiation [See Postactivation Potentials]
Longevity [See Life Expectancy]

Longitudinal Studies—Serials
application of growth curve analysis to accelerated longitudinal design study of development of attitudes toward deviance, 11 & 14 yr olds, 5 yr study, 20139
base free measurement of change in structural equation modeling approach in longitudinal 2 or more wave panel design, 36017
design & implementation of longitudinal studies in psychiatric & clinical research, 43917
execution & implementation of large scale longitudinal studies, 212
method of discrete time survival analysis, study of duration & timing of events & discrete time hazard model of career paths, special educators, 13 yr study, 39171
methodological design in longitudinal study of recent onset schizophrenia, 9849
model of incomplete repeated measurements design with subsample cohort overlap for avoiding problem of missing data in longitudinal studies, 20180
univariate & multivariate structural models for analysis of change, alternatives to ANOVA based analysis of longitudinal data, 16078
uses of longitudinal studies in personality research, 4211

Longitudinal Studies—Books
Dividing the child: Social and legal dilemmas of custody, 17337

Longitudinal Studies—Chapters
Long-term outcome studies of psychological treatments, 18597
Longitudinal research methods and family theories, 41095

The need for longitudinal–experimental research on offending and antisocial behavior, 9982
Lorazepam—Serials
abuse liability of diphenhydramine vs lorazepam vs methocarbamol, male 20–38 yr olds with history of recreational drug abuse, 13969
alpidem vs lorazepam, 20–59 yr olds with generalized anxiety disorder, 6718
behavioral & subjective effects & choice of buspirone vs lorazepam, adult males with sedative drug abuse history, analysis of abuse liability, 45762
buspirone vs lorazepam, vigilance & attention & memory & cognitive performance, healthy 55–80 yr olds, 12824
chlorpromazine vs lorazepam, explicit & implicit memory & priming & cognitive skill learning, adults, 12761
combined clozapine & lorazepam, male 31 yr old with chronic paranoid schizophrenia refractory to neuroleptics, letter, erratum, 38558
combined clozapine & lorazepam, male 31 yr old with chronic paranoid schizophrenia refractory to neuroleptics, letter, 22735
diazepam vs lorazepam, explicit memory & lexical & perceptual priming, adults, 12884
dimensionality analysis & informational aspects of sleep EEG, schizophrenic 22–34 yr olds vs male 20–32 yr olds unmedicated vs under influence of lorazepam, 9875
divided attention vs lorazepam, cognitive performance, 18–24 yr olds, England, 706
efficacy & withdrawal effects of alpidem vs lorazepam, patients with anxiety disorders, 22745
haloperidol with vs without lorazepam, schizophrenic 19–62 yr olds, Germany, 30519
independent groups vs repeated measures experimental designs, sensitivity to psychomotor effects of lorazepam, 20–22 yr olds, England, 4789
lorazepam & haloperidol in conjunction with talk down, 18–26 yr old males with adverse psychedelic reactions to LSD, case reports, 19223
lorazepam & iv flumazenil, psychomotor & behavioral performance & precipitation of lorazepam withdrawal symptoms, male 18–50 yr olds, 44633
lorazepam, catatonia & psychosis, male 30 yr old with AIDS, letter, 22940
lorazepam, cyclosporine induced catatonia & negativism, 54 yr old female with bone marrow transplant, letter, 26873
lorazepam, memory, alcoholic males, Australia, implications for alcohol related amnesia & memory pathology, 37948
lorazepam, neuroleptic induced catatonia, 16 yr old male, case report, implications for theory of stages in neuroleptic malignant syndrome, 22770
lorazepam, neuroleptic induced dystonia, patients with mania or schizophrenia, commentary, letter, 26772
lorazepam, patients with acute mania, 6764
lorazepam, recollection in word recognition memory, healthy male 21–31 yr olds, 44601
lorazepam vs clonazepam vs alprazolam molecular structure & half life, duration of cognitive & neuromotor impairment & drug plasma levels, healthy males, 32614
lorazepam vs oxazepam, priming & explicit memory, healthy 18–36 yr olds, 40541
lorazepam with vs without peripheral benzodiazepine antagonist PK11195, seizure thresholds & benzodiazepine binding effects of lorazepam discontinuation, male CD1 mice, animal model of discontinuation, 44587
lorazepam withdrawal, development of psychosis, 63 yr old female, case report, 42486
pentobarbital vs lorazepam vs ethanol vs chlorpromazine substitution, FR schedule controlled behavior, pentobarbital dependent male baboons, 44659
prenatal lorazepam, pentylenetetrazol induced convulsions in response to acute lorazepam vs inverse agonist, female mice, 32590
triazolam vs lorazepam, learning & psychomotor performance & perceived drug effects, male 21–26 yr olds, 36865
Lordosis (Animal) [See Animal Sexual Receptivity]
Loudness [See Also Noise Levels (Work Areas)]—Serials
coarticulation & prosody in speech sound changes, 16924
compact disk demonstrations of auditory masking & loudness & pitch, college physics students, 39213
delayed auditory feedback, vocal intensity & duration, English speaking college students learning Japanese or Spanish, 5002
individual body mass & temporal pattern & frequency & sound pressure, species specific call characteristics during agonistic behavior, male Trichopsis vittatus vs schalleri vs pumilus gouramis, 24602
level of & sensitivity to noise, prediction of noise annoyance & psychiatric disorder & psychophysiological correlates, normal & depressed 18–65 yr olds, England, followups, 21730
loudness & lateralization, monaural detection with contralateral cue, adults, 24341
loudness & sound pressure & sensation level, just noticeable differences in sound intensity, 21–67 yr olds with or without hearing loss, 38343
loudness of tonal stimuli, just noticeable differences for intensity, graduate students, 36115
low frequency conditioning & reduction of noise threshold shifts, protection of auditory system from hearing loss due to high frequency exposure, chinchillas, 36313
monaural tone frequency & exposure level, temporary loudness shift patterns, adults, 36107
opposite adaptation of ears during simulated movement, changing loudness & movement aftereffect, adults, implications for channel hypotheses of sound level change & movement, 4282
pitch & duration & loudness, contour discrimination in fractal noises, adult listeners, 40046
playback volume & duration of piglet distress calls, maternal responsiveness, sows, 44298
primacy of dimensions & interaction, multidimensional stimuli processing & pitch & loudness in vibrotactile perception, adults, 227
severity of hearing loss, slope of loudness function for pure tones, 56–72 yr olds with normal vs high frequency impaired hearing, comparison with data on 16–24 yr olds, 38334
slope of loudness function, discrimination of pure tone intensity, normal hearing adults, 44031
sound pressure as depth cue, auditory distance discrimination, 24–30 wk vs 18–37 yr olds, 13054
sound pressure level & test frequency, recognition of noise masked telegraphy, 24–54 yr olds, 24344
sound pressure levels at & velocity of external surface of tympanic membrane during vocalization & playback, male frogs, 8658
spectral content & changes in stimulus loudness & comparison to similar sounds, perception of changes in distances of sounds, college students, 12191
speech rate & loudness, cardiovascular reactivity during reading task or semistructured interview, college students, 12708
speech rate & loudness, fear & anxiety & sadness & depression & cardiovascular arousal, male college students, Israel, 44552
speech rate, vocal intensity & fundamental frequency, 19–27 yr olds, 28844
Loudness Discrimination—Serials
loudness & duration & pitch discrimination, 4–6 yr olds vs adults, 12–18 mo followup, 37041
stimulus context, judgments of equal loudness & individual tones, adults, 8247
transfer of serial relations in loudness pattern discrimination, European starlings, 4442
Loudness Perception [See Also Loudness Discrimination]—Serials
age, loudness adaptation, 9–14 vs 20–45 yr olds, 32855
cognitive processes, measured magnitude of perception of continuous loudness changes over time, adult listeners, 12242
estimation & cross modality matching of remembered brightness vs loudness, college students, 43943
factor analysis of Simultaneous Dichotic Loudness Balance technique & induced loudness adaptation, assessment of factor overlap between procedures, 15–43 yr olds, 25168

instructional set, reliability of loudness discomfort levels, normal hearing adults, 40036
multidimensional & unidimensional auditory stimulus context, magnitude estimation of loudness & pitch, listeners, implications for perceptual adaptation & response dependent assimilation, 28216
perception of music dynamics & loudness levels of pipe organ steady sounds, musicians & music students, 40039
perceptual invariance in pitch & spectral & intensity & temporal structure, humans & animals, research review, 20363
preference for rock music, magnitude estimation scaling of music loudness judgments, college students, 44030
rhythmic grouping & melodic accent in musical sequences, detection of intensity & duration changes, college students, implications for performance variations, 40037
scaling of loudness bisection & masking, rats, 12097
tapping task & duration & loudness perception, assessment of timing & motor control, clumsy vs normal 6–7 vs 9–10 yr olds, 989
tone loudness & auditory EP, magnetoencephalographic determination of echoic memory decay, adults, 20669

Love—Serials

application of Freud's narcissism of minor differences concept to hate in love relationships, 33421
attachment style, dissolution of romantic relationships, unmarried college students, 9533
attitudes toward love & courtship & marriage, college students, England vs South Africa, 17470
attitudes toward love & sexuality & eating disorder characteristics, female college students, 22147
correlates & predictors of satisfying love relationship, 14–18 yr olds, 37133
correlates of conflict in pursuit of romantic intimacy, college sorority members, 5497
demographic characteristics, romantic involvement & preferences & structural correlates of marriage, African American 55–101 yr olds, 40993
development of assessment technique for interaction of work & love in adult life, 20–62 yr olds, implications for intervention & life review, 37144
development of Romantic Communication Scale, assessment of attitudes toward romance by behavioral context vs interaction mode, college students, 19991
ego & superego & self psychological aspects of passionate & transference love & creativity, female client, conference presentation, 10478
emotional & intellectual & volitional & relational & transcendental dimensions of love, 13543
emotional addiction to falling in love, male patient, 21685
erotica exposure, loving vs liking for partner, male vs female college students, 25462
facilitator & intensification of romantic attraction, lovestyle, male vs female college students, 17450
factor structure of Love Attitudes & Self Conciousness & Self Monitoring Scales & relationship between love styles & self concept, college students, Portugal, 39781
heart break & anger & guilt & humiliation & self esteem & other factors in unrequited love, would-be lovers vs rejectors, 25463
inductive & deductive research lines on love, 21487
K. Abraham's & S. Ferenczi's early theoretical influences on M. Klein's concept of primitive object loss, 33430
Lacanian metaphysical perspective on Platonic epistemology & unconscious in Socrates' logos on love & sex in "Phaedrus", 28800
loneliness & love attitudes, college students vs middle aged single adults, 29412
love & life relationships, Arab vs Jewish couples with vs without physically handicapped child, Israel, 6221
Love Scale components & lovestyles, assessment of nature of romantic love, 16–17 yr old females, Great Britain, 27968
model for dealing with romantic love & sexual attraction issues in marriage therapy, 14596
perceived cognitive & expressive factors in righteous vs sinful anger & love, Christian college students & Protestant church members, analysis of arousal cognition expression model of emotion, 45059
ranking of acts of romance, female vs male college students, replication, 13497
role of love in countertransference resistance & psychoanalytic cure, analysts & their patients, 10596
sex differences in love role definitions, male dominance in intimate relationships, college students, 5507
sexual aggression & love styles, male college students with consensual vs verbally coercive vs no sexual experience, 37388
transference & countertransference & separation individuation & ability to love, 45 yr old impotent male analysand, 2594
transitions to marriage vs parenthood vs empty nest, passionate love & marital satisfaction, married couples, longitudinal study, 45099
validity of Virtue Attraction Scale, assessment of self reported & perceived love of & from parents, 17–46 yr olds, 27919

Love—Books

Breaking hearts: The two sides of unrequited love. Emotions and social behavior, 29359
The Inner Lover, 21607
Love, sex, and intimacy: Their psychology, biology, and history, 37454
Romantic love. Sage series on close relationships, 5541
Theories of love development, maintenance, and dissolution: Octagonal cycle and differential perspectives, 9316

Love—Chapters

Behavioral reinforcement paradigm of love, 9569
Cognitive/comparative judgment paradigm of love, 9570
Empirical psychometric paradigm of love, 7927
Family systems theory perspective on love: Development, maintenance, and intervention, 9428
Hooray for love, 21329
Interviewing college students about their constructions of love, 9663
Introspective paradigm of love, 9568
Love and sexuality in narcissistic personalities: A clinical report, 45611
Overview of love theorizations from a scientific common methodological framework, 9573
Personality attribution paradigm of love: Personality and childhood experiences, 9337
Physiological paradigm of love, 8386
A psychoanalytic essay on romantic, erotic love, 21497
Psychosemantic process paradigm for love formation, development, and evaluation, 9336
Roles of attraction and love, 9567
Romantic love: At the intersection of the psyche and the cultural unconscious, 21496
Scale of Feelings and Behavior of Love: Revised, 24101
Structural components paradigm of love, 9571
Theological view of love and marriage, 9572
Theories of love dissolution and divorce, 9432

Low Birth Weight [See Birth Weight]

Lowenfeld Mosaic Test—Serials

applications of Lowenfeld Mosaic Test for school psychologists, 35969

Lower Class—Serials

child care experience & responsibility, disadvantaged rural vs urban pregnant 14–18 yr olds, 21237
Education Reform Act & national curriculum, academic achievement, children of working class, England, 19518
ethnographic study of youth theatre workshops, working vs middle class youth, Australia, 25193
lifestyle & social support & sociodemographic & other characteristics, health behavior, low SES 20–45 yr old mothers, UK, comparison to Welsh data, 41276
utility of Skinner's principles & applied behavior analysis in Juniper Gardens Children's Project, assessment of social behavior & situational factors, low SES children & their families, 13114
values & concerns regarding children's academic achievement & maturation, Black lower class mothers with 5 yr olds in Head Start, challenge to culture of poverty deficit model, 41136

Lower Class Attitudes—Chapters
White male working-class youth: An exploration of relative privilege and loss, 25337
Lower Income Level—Serials
age, comorbidity, low income psychiatric outpatients, 25701
attitudes toward menopause, 18–55 yr old low income females, comparison with middle income females, 37364
child care preferences, low income Mexican- vs Chinese-American vs White mothers of 3 yr olds & younger, 13312
confirmatory factor analysis of 4 factor model of day to day concerns, urban low SES 7th–10th graders, replication & extension, 37091
consortium approach to drug prevention & rehabilitation, pregnant females of low SES, 3103
crisis counseling for low SES clients, 18569
early grade retention, teacher ratings of adjustment & perceived competence & reading & mathematical achievement, low income Black & Hispanic elementary school students, longitudinal study, 3451
early vs recent maternal employment, family functioning & child's behavior problems & mathematics & reading achievement, low income 2nd graders, conference presentation, 1130
exposure to violence & incidence of depression, low income African American 7–18 yr olds, 37686
parenting skills program, 19–35 yr old low SES 1st time fathers, conference presentation, 2567
performance on PPVT-R, low income African American 4.4–6.3 yr olds, 28968
perspectives on activist mothering, Black & Latina female community workers from low income activist neighborhoods, 5405
provisions & application of Consolidated Omnibus Budget Reconciliation Act, prevention of patient dumping & transfer from private medical to public psychiatric hospital, indigent patients, 30931
receipt of mental health services in HMOs, Medicaid beneficiaries, commentary, 19001
sex & age & low vs middle SES, verbal & nonverbal communication & private speech, 4–5 yr olds, 960
sociodemographic & health related & situational factors, clinic utilization & appointment keeping following hospital discharge, 18–74 yr old disadvantaged clients, 30936
strategy choices in addition & subtraction & word identification, lower vs middle income 1st graders, 40827
trimester of entry into prenatal care & infant birth weight, low income adolescent & adult mothers, 6996
utilization of physical vs mental health & public vs private sector services for psychiatric symptoms or dysfunction, low SES 18–64 yr olds, Puerto Rico, 14914
validity of Alcohol Clinical Index, assessment of alcoholism, low income alcohol dependent males, 20015
Lower Income Level—Chapters
Families of lower-income employed mothers, 37301
A family case study: An examination of the underclass debate, 9379
Self-perceptions of control over the causality of school performance among low-income Brazilian students: Can counseling reverse the picture of powerlessness?, 15462
The shortage of low-income housing: The role of the federal government, 2965
Substance abuse and mental health status of homeless and domiciled low-income users of a medical clinic, 46802
Loxapine—Serials
loxapine, induction of manic symptoms, male 35 yr old with schizoaffective psychosis, 22724
Loyalty—Serials
A. O. Hirschman's exit & voice & loyalty framework & organizational attachment vs commitment, airline management personnel, 7600
A. O. Hirschman's exit & voice & loyalty model & development of loyalty construct, commentary, 7618
family loyalty & other assessment issues, family therapists & families in child custody disputes, 30383
loyalty as behavior or attitude in A. O. Hirschman's organizational exit & voice & loyalty framework, continuing education students, 7648
loyalty concept in A. O. Hirschman's exit & voice & loyalty framework & other models of job dissatisfaction, employees, 7663
loyalty vs intent to stay, organizational vs career & work commitment, full & part time employees, 3708
organizational dissatisfaction & A. O. Hirschman's exit & voice & loyalty framework, employees, 7637
overall job satisfaction & quality of job alternatives & investment, exit & voice & loyalty & neglect responses to dissatisfaction, employees, 7636
self & brand user image & loyalty, 18–60 yr olds, 23817
LSD (Drug) [See Lysergic Acid Diethylamide]
Luck [See Chance (Fortune)]
Lumbar Spinal Cord—Serials
lidocaine, iontophoretic application of glycine &/or glutamate &/or strychnine mediated wide dynamic range neuron activity in lumbar dorsal horn, male rats, 32581
morphine &/vs naloxone, pain evoked vs basal Fos like immunoreactivity in lumbar spinal cord neurons, arthritic rats, animal model of chronic pain treatment, 28659
3-dimensional tomography of lumbar spine, diagnosis of physical abnormalities, 27 & 52 & 54 yr old males misdiagnosed with psychogenic pain, case reports, 26180
Lumbrosacral Plexus [See Spinal Nerves]
Luminance—Serials
adaptation to 2nd achromatic color stimulus, stimuli luminance influenced achromatic color lightness, Os, application of ratio principle for color channels, 36067
adapting amplitude & temporal repetition rate & retinal eccentricity & dark adaptation, properties of visual channels underlying adaptation to luminance change in ramp aftereffect, adults, 24645
apparent depth, visual search for direction of luminance gradient, college students, Canada, 233
change in adapting illuminance, perceived lightness of chromatic object colors, adults, 39999
chromaticity & luminance of target &/vs distractors, target coding & visual search times, adults, implications for visual display design, 16186
color & luminance contrast, preattentive detection & pop out of line orientation vs motion, adults, 24309
color & luminance, visual detection & sensitivity, Os, 28180
color change & luminance contrast, motion perception, female college students, 43969
color vs luminance of stimuli, pupillary responses & projection of phasic & tonic &/or color & luminance visual pathways to pretectal pupillomotor neurons, 23–34 yr olds, 36586
contour lightness & separation effects, Ebbinghaus illusion, adults, 32085
dark vs equiluminant background illumination & luminance mean & contrast & cues, directional sensitivity to color & orientation carried motion, adults, 28189
diameter of incremental vs decremental foveal disks, brightness vs apparent contrast matching & symmetrical vs asymmetrical perception of luminance, adult male, erratum, 28183
diameter of incremental vs decremental foveal disks, brightness vs apparent contrast matching & symmetrical vs asymmetrical perception of luminance, adult male, 20206
frequency mediated luminance & chromatic modulation, psychophysical & retinal ganglion cell sensitivity, 18–33 yr olds vs macaques, 8644
Gestalt laws of grouping by similarity of achromatic color as similarity of luminance at retinal level vs lightness at distal level, college students, 32096
illuminants, asymmetric color matching, adults, 8187
intensity of monochromatic lights, Bezold-Brucke effect of intensity dependent color shifts in color vision system, honeybees, 544
interval duration of sine wave luminance gratings, apparent motion ambiguity, adults, 16188
light intensity during light phase, diurnal sleep wake distribution, 6–8 vs 30–32 mo old male rats, implications for light therapy in elderly, 28632
light vs dark adaptation, time course changes & cone electroretinogram response to luminance, 30 & 34 yr olds, 16569

liquid crystal display surface incident ambient illumination forward field of view adaptation luminance, detection of gap in Landolt-C type acuity target, male 25–37 yr olds, 16179
luminance & contrast & spatial frequency, age related changes in visual EPs, 19–84 yr olds, 32503
luminance & exposure duration, perception of transparency, 26–32 yr olds, 8229
luminance &/vs color gratings, visual spatial contrast sensitivity, adults, 4256
luminance contrast of red vs green stimuli against red background, time till breakdown for long range apparent motion, adults, 36088
luminance, focal electroretinogram vs psychophysically measured temporal modulation thresholds & frequency tuning in outer retinal area, 20–40 yr olds, 16581
luminance increment vs decrement against background, large field asymmetry in perception of brightness vs apparent contrast of foveal disk, adult male, 28184
luminance, lightness & brightness & colorfulness & hue appearance of nonluminous vs luminous colors with vs without white border, adults, 39996
luminance of gray strip between black & white sides of sharp edge, perceived location of contour & vernier alignment of edge, adults, 43988
luminance, preferential looking vs visual EP in grating acuity, 16 wk olds, 17002
magnetic field vs color preference vs celestial light intensity & polarization, visual vs olfactory response, seed chalcids, 12340
mean illuminance & low temporal frequency, visual contrast sensitivity for mirror image sawtooth & sine waveforms, color normal or deuteranopic adults, 4249
morphine &/vs naloxone, wavelength & luminance discrimination, male pigeons, 40531
noise & signal modulation & sine wave grating embedded in spatial temporal broadband noise, contrast detection in luminance & chromatic noise, adults, 16170
nonoriented luminance vs oriented chromatic stimulus, movement aftereffects, adults, 16203
outline & hue difference, Crispening Effect in adjustment of luminance of circles against background to equal interval brightness series, adults, 263
perceived contrast of illusory luminance defined contour strength, Os, 24293
procedure for production of luminance distribution of perceived image of scene & mathematical modeling of visual inhomogeneity & decreased acuity with eccentricity, Os, 240
pupil entry & retinal illuminance & photopigment optical density, color matching, adult Os, 28490
reversal of color vs luminance contrast in portion of stereogram, role of magnocellular vs parvocelluar interblob vs blob visual pathways in stereopsis, adults, 32098
spatial frequency & retinal illuminance & exposure time in wave display, contrast sensitivity to spatial noise, 25–27 yr olds, 43996
stimulus color & luminance & motion & looming, visual processing responses of cells in subdivisions of nucleus rotundus, pigeons, 28562
stimulus luminance vs brightness, achromatic form perception, adults, 16197
strength of temporal edge in amplitude of sudden increase in field luminance & masking duration, detection thresholds for changes in brightness, adults, 8191
target visibility & contrast & retinal illuminance & quantal limitations, line detection & vernier thresholds, adults, 36098
technique for production of large scale tritanopic displays, vision with equiluminant color contrast, adults, 8190
temporal frequency & interstimulus intervals & luminance of waveform, apparent & transparent motion perception, adults, 43973
tritanopic color pairs, color fusion & CFF & contribution of short wavelength sensitive cones to luminance channel, 28–57 yr olds, 583
varying area &/vs luminance of visual stimulus, simple RT, adults, 8186

Luminance—Chapters
The visual environment, 8235

Luminance Threshold [See Brightness Perception, Visual Thresholds]

Lunar Synodic Cycle—Serials
moonlight, temporal & spatial distribution of above ground nocturnal & crepuscular activity in predation risk reduction, Marriam's kangaroo rats, 4492
synodic lunar cycle & attempted or threatened or completed suicide, 25920
synodic lunar cycle & crisis calls to police stations & poison & crisis intervention services, 26989
tidal rhythms & photoaccumulation, spontaneous locomotor activity, Cyclograpsus lavauxi crabs, application of circalunidian clock hypothesis, 36414

Lung—Serials
smoking cessation, pulmonary maximum midexpiratory flow & forced expiratory volume & vital capacity, 24–55 yr olds, 3 & 6 mo followups, 638

Lung—Chapters
Lung transplantation, 30690

Lung Disorders [See Also Cystic Fibrosis, Pneumonia, Pulmonary Emphysema]—Serials
causal attributions & depressed mood & self esteem & pulmonary function & exercise capacity & functional status, 40–84 yr olds with chronic obstructive pulmonary disease, 18253
development & reliability of Pulmonary Disease Prevention Survey, assessment of attitudes toward pulmonary disease prevention, medical students, 35787
education in effects of disease on sexuality, 37–71 yr olds with chronic obstructive lung disease, implications for role of nurses, 2846
facilitation vs interference, RT in focused vs divided attention tasks, 44–67 yr olds with chronic obstructive pulmonary disease, Italy, 18186
grating acuity & visual field development, 4–24 mo olds with bronchopulmonary dysplasia vs hyaline membrane disease, 14188
interest in & perception of appropriate provider of education programs for patients with chronic obstructive pulmonary disease, physicians, West Germany, 6993
internal consistency of Satisfaction with Illness Scale, assessment of positive consequences of illness, patients with chronic obstructive pulmonary disease, 24190
oxygen & drug delivery & hospital vs home based care programs & health education, cost effectiveness, children vs adults with asthma or chronic obstructive pulmonary disease, literature review, 7068
pain communication & control behaviors, patients with lung cancer, 22307
perception of illness & psychosocial aspects of hospice care, male 57–80 yr olds with end stage lung disease, 30875
perceptions of & coping with uncertainty, 53–81 yr old hospitalized patients with chronic obstructive pulmonary disease, nursing implications, 46889
psychosocial issues & treatment, patients with chronic obstructive pulmonary disease, 6887
viruses & nitrite & combustion products & fumes & work stress as possible etiological factors for lung cancer, butchers & slaughterhouse workers, Denmark, 46017

Lupus—Serials
analysis & cultural adaptation of content & process & logistics of Systemic Lupus Erythematosus Self Help course, Latino patients, 42567
autoantibody screening for systemic lupus erythematosus, 15–92 yr olds admitted to acute psychiatric & psychogeriatric wards, England, 1537
carbamazepine maintenance, development of systemic lupus erythematosus, female 21 yr old with bipolar affective disorder, 14727
clinical manifestations & diagnosis & treatment of CNS involvement & neuropsychiatric disease, patients with systemic lupus erythematosus, 6207
CNS diseases, patients with systemic lupus erythematosus, 14168

counselor training, skill development & psychosocial status, 23–53 yr olds with systemic lupus erythematosus working for telephone peer support line, 30061
dementia & depression & confusional states & other clinical presentations, 75–93 yr olds with neuropsychiatric systemic lupus erythematosus, 22190
fluctuating cognitive abnormalities & cerebral glucose metabolism, female 13–31 yr olds with systemic lupus erythematosus, 22181
medical & psychosocial variables, sexual adjustment, female 20–51 yr olds with systemic lupus erythematosus, 30023
neuropsychiatric signs & symptoms & brain lesions detected by MRI, 17–63 yr olds with systemic lupus erythematosus, 34004
production & characterization of monoclonal brain reactive auto antibodies, female mice, animal model for neuropsychiatric manifestations of systemic lupus erythematosus, 40380
psychiatric symptoms, patients with systemic lupus erythematosus, research review, 38143
self help course, psychosocial concerns & self help behavior, 19–83 yr olds with systemic lupus erythematosus, 34771
spatial learning & open field & nocturnal & other behaviors, lupus prone MRL-lpr vs MRL-+/+ mice, animal model of neurobehavioral dysfunction, 8788

Lupus—Chapters

Behavioral responses to cyclophosphamide in animals with autoimmune disease, 12917
Connective tissue disease, 2197

Luria Nebraska Neuropsych Battery—Serials

concurrent validity of Halstead-Reitan Neuropsychological Battery & Luria Nebraska Neuropsychological Battery, patients with schizophrenia vs affective disorder, 31937
development of revised norms & decision rules for Luria-Nebraska Neuropsychological Battery Form III, 12–80 yr olds, erratum, 24181
diagnostic validity of Luria-Nebraska Neurospsychological Battery Form II, assessment of brain dysfunction, 18–73 yr olds, 24175
empirically derived vs predicted scores for Form II of Luria-Nebraska Neuropsychological Battery, 28042
false positive rates for Luria-Nebraska Neuropsychological Battery, 18–30 vs 65–85 yr olds, 20074
Luria-Nebraska Neuropsychological Battery & WAIS-R, assessment of learning disabilities, adults, 35935
Luria-Nebraska Neuropsychological Battery, prediction of WAIS-R IQ scores, neuropsychiatric patients, 31948
trait & factor analysis of Luria-Nebraska Neuropsychological Test Battery Intellectual Processes & Motor Functions & Memory Scales, neuropsychiatric patients, 16022

Luteinizing Hormone—Serials

alcohol, estradiol benzoate stimulated LH & FSH, ovariectomized female rhesus monkeys, 32666
amitriptyline &/vs LH releasing hormone, antidepressant response & LH releasing hormone neuron number in septal preoptic area, male rats, animal model of antidepressant activity, 44648
antiphonal duetting & LH & testosterone & estradiol, tropical bush shrikes, 12707
baclofen, naloxone induced plasma LH & cortisol, male 24–35 yr olds, 28687
chronic intermittent immobilization stress & associated anorexia, changes in serum LH, male rats, 28642
cocaine, plasma ACTH & LH & prolactin, male cocaine dependent 26–39 yr olds, 33864
discrimination of ip & iv LH releasing hormone, male rats, 28693
early follicular vs mid vs late luteal phase menstrual cycle, pulsatile LH secretion frequency & amplitude, female 26–39 yr olds with PMS, 14194
glutamate receptor antagonists, progesterone vs LH releasing hormone induced sexual receptivity, estradiol primed ovariectomized female rats, 12780
LH releasing hormone & conditioning interval variation, place preference, gonadectomized male rats with testosterone implants, 4779
LH releasing hormone analog, appetitive discrimination learning & retention & reversal, 4 vs 12 mo old female rats, 20944
long acting LH releasing hormone agonist leuprolide acetate, 28 yr old male with multiple treatment resistant paraphilias, case report, 22706
mating, in vitro release of LH releasing hormone from mediobasal hypothalamus, gonadectomized vs intact male vs female Fitch ferrets, 12655
naloxone, morphine induced inhibition of LH secretion, adult vs prepubescent male rats, 28684
naltrexone & single vs repeated exposure to restraint stress, endogenous opioid peptide mediated LH release, male rats, 12744
ovine LH & ACTH & restraint & laparotomy stress, plasma 3alpha androstanediol secreted by ovary &/vs adrenal gland, female proestrous rats, 20740
parachlorophenylalanine vs mianserin vs methysergide vs methiothepin vs metergoline, immobilization vs restraint stress induced LH release, male rats, 36707
prenatal stress, sexually receptive female induced LH release, male rats, 20753
quantity & duration of estradiol benzoate, LH surge & estrous behavior & receptivity, ovariectomized ewes, 32512
sexual arousal, blood & pulsatile secretion of LH & testosterone, 18–27 yr old males, 36693
stressful life events & affective disorders & LH pulsatility, female 15–36 yr olds with hypothalamic amenorrhea, Italy, 45893
vomeronasal organ removal & icv LH releasing hormone, mating behavior deficits, male hamsters, 8654

Luteinizing Hormone—Chapters

Effects of various tachykinins on pituitary LH secretion, feeding, and sexual behavior in the rat, 24738
Neuroendocrine responses to footshock stress in anestrus ewes, 8841

Lying [See Deception]

Lymphatic Disorders [See Blood and Lymphatic Disorders]

Lymphocytes—Serials

acute mental stress, lymphocyte population & phytohemagglutinin stimulated T cell mitogenesis, healthy male college students, 20730
acute psychological stress, lymphocyte proliferation & BP reactivity & immune function, healthy males, 4729
alcohol drinking & cessation, lymphocyte counts & immunoglobulins, male Vietnam veterans, 12659
controllable vs uncontrollable noise stress, natural killer cell activity & proportions of circulating T & natural killer cell lymphocyte subsets, male 18–26 yr olds, 666
coping strategies in adaptation to captivity, plasma cortisol & eosinophil leucocyte level & heterophil/lymphocyte ratio, female beech martens, 36670
duration of immobilization stress vs short term handling, in vitro functions of peripheral blood lymphocytes & serum catecholamines & ACTH & prolactin & corticosterone, rats, 664
flight training stress, lymphocyte subset distribution & prolactin & cortisol in blood plasma, male 19–27 yr old student & instructor Air Force pilots, Italy, 20733
frequency of aneuploidy & chromosomes with premature centromere division in lymphocytes, 69–77 yr old females with Alzheimer's disease, 38258
guanosine, mitotic index of lymphocytes, 4–25 yr olds with fragile X syndrome, 45919
herpes simplex virus type 1 DNA sequences in brain vs lymphocytes, healthy 62–71 yr olds vs 57–69 yr olds with Alzheimer's disease, conference presentation, 10370
high vs low morphine dose, phenotypic expression of cell surface antigens specific to T-lymphocytes, mice, 8926
immune & lymphocyte responses to phytohaemagglutinin, 21–65 yr olds with major depression vs anticipating bereavement due to spouse's lung cancer, England, 25792
impairment of serotonin binding to lymphocytes & monocytes, 21–45 yr olds with tension type headache, 22200
indomethacin with vs without handling stress, conditioned natural killer cell & fever responses triggered by camphor odor, female mice, 32691

inescapable shock, immunomodulation of lymphocyte subpopulations, male rats, 20743
low vs high intensity exercise training, cardiopulmonary & CD4 cell count & perceived sense of well being, adults with HIV seropositivity, 42563
lymphocyte cytoskeletal proteins in blood, 60–94 yr olds with Alzheimer's disease vs 12–48 yr olds with Down's syndrome, 5704
morphology of P lymphocytes, schizophrenic patients, 33635
naltrexone vs N-methylnaltrexone, response of splenic lymphocytes & natural killer cell activity to conditioned aversive stimulus, male rats, 728
naltrexone vs quaternary naltrexone, recall of allogeneic cytotoxic lymphocyte CR, female mice following C57BL/6 spleen cell immunization, 36787
percentages of CD3 & CD4 & CD8 lymphocytes in peripheral blood & relation to acute herpetic pain, patients with herpes zoster, Japan, 22207
plasma cortisol, mitogen induced lymphocyte proliferation, patients with endogenous depression, Germany, translated article, 37711
po vs iv dexamethasone, plasma cortisol suppression & lymphocyte decrease, healthy 18–36 yr olds, 12751
pyridoxine magnesium, lymphocyte subsets, autistic 3–7 yr olds, France, 46486
removal from natal social group to peer housing, plasma cortisol secretion & peripheral blood T lymphocyte subsets, juvenile rhesus monkeys, 654
return to natal group following separation, cortisol & lymphocyte response, male juvenile rhesus monkeys & their mothers, psychophysiological implications of stress, 36667
stress & psychosocial & biologic factors, lymphocyte proliferation before vs after immunization, 18–24 yr old females, 36689
total peripheral lymphocytes & dementia severity, 43–84 yr olds with Alzheimer's disease, 10353
upregulation of lymphocyte B2 adrenergic receptor, 8–14 yr olds with Down's syndrome, Italy, 6166

Lymphocytes—Chapters

Growth hormone response to clonidine and cortisol secretion pattern predict changes in peripheral blood lymphocyte subsets in major depressive patients, 21782

Lysergic Acid Diethylamide—Serials

allopurinol or fluoxetine, sensitivity to psilocybin or LSD induced hallucinations, hallucinogen abusing male 38 & 40 yr olds, 18029
ibogaine, stimulus control, male rats trained to discriminate yohimbine or 2,5-dimethyoxy-4-methylamphetamine or LSD, 20954
lorazepam & haloperidol in conjunction with talk down, 18–26 yr old males with adverse psychedelic reactions to LSD, case reports, 19223

Machiavellianism—Serials

business majors in marketing vs human resources management vs finance vs accounting vs nonbusiness major, Machiavellianism, college students, 7494
imagined interaction & Machiavellianism, college students, 21525
organizational structure & Machiavellianism, performance, sales personnel, 39455
perceived managerial structured work environment & Machiavellianism & job performance, male retail store managers, 7607
1 shot vs repeated play ultimatum bargaining & norms, self interest seeking with vs without guile, college students with high vs low Machiavellianism, 5519

Machiavellianism—Chapters

The construct of Machiavellianism: Twenty years later, 15939

Magazines—Serials

article context & reader involvement, recall & recognition of magazine advertisements, college students, England, 11754
complexity of advertising copy & type token ratio & sex, advertising readership, consumers of "Reader's Digest" vs "Time" magazine, 43548
compliance with Comprehension Smoking Education Act through rotation of surgeon general's warnings in magazine advertisements, tobacco companies, 47497
content analysis of roles in "Ladies Home Journal" & "Good Housekeeping", females, 1954–82, 9467
descriptions of psychological concepts in magazine articles & newspaper clippings, knowledge & application of psychology course material to outside world, college students, 15402
design & findings from comparability study of magazine audience size, respondents, 31651
frequency & portrayal in fashion magazine advertisements, Black females, 7746
frequency & value orientation of image portrayal in magazine advertisements, middle aged & older females, 39573
perceptions of information carrier characteristics & utility based on demographics & direct experience & salience & beliefs, breast cancer related information seeking from magazines, adult females, 30715
portrayal of male female traditional vs reverse sex vs equality poses in women's vs men's vs general interest magazine advertisements, 1972–89, 39579
portrayal of meanings & understandings about heart disease & cancer & AIDS in magazines, 1961–66 vs 1980–85, 2120
primacy order, claimed receipt & readership of trade publications, contracting firm employees, 11745
screen in rates & magazine readership levels & measurement, respondents, 31658
semiotic & content analysis of magazine ads & phenomenological interviews, prevalence & impact & experience of advertising resonance, adults, 7750
sexual exploitation in health & fitness products advertisements, females, 19806
title confusion & similarity, measured magazine audience levels, respondents, 31660
trends in tans & skin protection in fashion magazines, 1982–91, Australia, implications for incidence of skin cancer, 21127
viewing of magazine photographs of slim female bodies & abnormal eating attitudes, body size estimation, females with vs without anorexia or bulimia, 10188

Magnesium—Serials

cocaine &/vs magnesium chloride, FI schedule controlled responding, male squirrel monkeys, 4835
evening primrose oil with fish oil vs magnesium oxide vs placebo, prevention of pre-eclampsia, pregnant 14–40 yr old females, 1986–87, Angola, 30612
lithium, calcium & magnesium in whole blood & plasma & erythrocytes, psychiatric patients, 42452
magnesium sulphate, autotomic behavior, peripherally deafferentiated male rats, implications for neuropathic pain control, 44615
pyridoxine & magnesium, autistic 6–18 yr olds, 26787
pyridoxine magnesium, lymphocyte subsets, autistic 3–7 yr olds, France, 46486
severity of disorder, serum magnesium & hypothalamic pituitary thyroid activity, patients with major depressive disorder, 29609
sex & clinical improvement & severity of depression or anxiety, blood magnesium & sodium & potassium, patients with unipolar vs bipolar depression, 37719

Magnet Schools [See Nontraditional Education]

Magnetism—Serials

chronic magnetic field exposure, intermale social & maternal aggression & defensive behaviors, male vs female mice, 16461
external artificial magnetic stimulation of brain, seizure activity & behavioral disturbances, epileptic female 20 yr old, case report, conference presentation, 14853
external picoTesla magnetic fields, EEG & physiologic & clinical improvements, male 68 yr old with Parkinson's disease, 46689
extracranial picoTesla magnetic fields, visuospatial impairment, male 47–82 yr olds with Parkinson's disease, 18922
focal transcranial magnetic stimulation of motor vs prefrontal areas, response bias in forced choice task, 26–45 yr olds, 16523
geomagnetism, pineal gland functions & psi ability, implications for dowsing & UFOs, 32522

global geomagnetic activity, telepathic vs precognitive vs postmortem phenomena relating to death or crisis, 36294
issues in treatment with external weak magnetic field stimulation of brain & relation to cognitive processes, patients with Parkinson's disease, 14851
magnetic coil stimulation of sensorimotor cortex, cortically generated somatosensory EPs during suppressed sensory perception, adults, 32498
magnetic compass orientation after simulated migratory crossing of magnetic equator, garden warblers, 4547
magnetic cues, migratory orientation, yellow faced honeyeater, 32339
magnetic field treatment, drive behavior & similarity to effect of REM sleep deprivation, 27 yr old female with multiple sclerosis & 62 yr old male with Parkinson's disease, Greece, 14854
magnetic field vs color preference vs celestial light intensity & polarization, visual vs olfactory response, seed chalcids, 12340
magnetic fields & circadian rhythm & memory impairment, elderly, treatment implications, 24810
magnetic orientation, Savannah sparrow, 44265
pitch change, auditory cortex evoked magnetic response, 18–44 yr olds, 20665
pulsed vs continuous weak magnetic fields, amygdaloid neuron sensitization & irritability, 18–22 yr olds, 32486
responses to simulated migratory crossing of magnetic equator, bobolinks, 4481
role of pineal gland melatonin secretion & picotesla magnetic field treatment, 42 yr old female with migraine or cluster headache, 34060
safety of rapid rate transcranial magnetic stimulation, adults, 40449
sensorimotor cortex magnetic pulse stimulation, electrical cutaneous stimulation perception & EMG, adults, 24775
sex, apprehension during intermittent bursts of weak magnetic fields over right vs left temporal region, 19–25 yr olds, 8785
short term low frequency magnetic field, EEG spectral analysis & auditory EPs & RT & target deletion task performance, adult males, 44486
spectrum light of varying wavelength, magnetic compass orientation, male red spotted newts, 16657
transcranial magnetic stimulation during muscle relaxation vs contraction, motor EPs from hand vs foot muscles, 16–35 vs 51–86 yr olds, 12616
treatment with weak magnetic field stimulation of brain & subjective reports, male 67 yr old with idiopathic Parkinson's disease with severe levodopa therapy related on off motor fluctuations, 14852

Magnetoencephalography—Serials

magnetoencephalographic evaluation of P3 visual EP source location during visual oddball task, 20–40 yr olds, 36685
visual stimuli omissions, late magnetic fields & positive EPs, adults, 4659

Magnitude Estimation—Serials

cognitive processes, measured magnitude of perception of continuous loudness changes over time, adult listeners, 12242
intelligence, effect of rating behavior on size magnitude estimation, adults, Sweden, 24277
magnitude estimation scaling vs traditional RT procedure, assessment of hemispheric processing asymmetry in lexical decision, 21–24 yr old females, 44069
magnitude estimation technique vs Thurston Case III pair comparison treatment of complete ranks, replication of equal interval scale values with smaller number of scaled stimuli, college students, 24041
magnitude estimations vs fuzzy ratings of length & area & volume concepts, college students, 40140
multidimensional & unidimensional auditory stimulus context, magnitude estimation of loudness & pitch, listeners, implications for perceptual adaptation & response dependent assimilation, 28216
odor additivity vs compromise vs level dependency vs symmetry, intensity summation perception of mixtures vs single substances, 17–40 yr olds, 28167
passive presentation to finger pads of stimuli with spherically curved surfaces, magnitude estimation of contact force, 21–44 yr olds, 20195
preference for rock music, magnitude estimation scaling of music loudness judgments, college students, 44030
previous stimulus intensity & length of intertrial interval, perceptual vs memory effects in magnitude estimation & cross modality matching, adults, 12129
psychophysical correlates & magnitude estimation of perceived visual contrast & contrast constancy, 43981
quantitative method, analysis of illusion magnitude predicted by averaging theories of Mueller Lyer illusion, college students, 43967
ratio of physically specified to total edge length, strength of visual boundary interpolation, college students, 253
reliability & validity of magnitude estimation vs category scaling vs paired comparisons, hearing aid evaluation of speech intelligibility, hearing impaired 60–87 yr olds, 15894
table for conversion of M. G. Kendall's Tau to Spearman's Rho & other indices for estimation of magnitude of effects in meta analysis, 32008
tactile threshold shifts during magnitude estimation scaling of vibratory stimuli on dorsal surface of tongue, 5–9 yr olds with vs without articulation problems, 10193

Magnitude Estimation—Chapters

Sensory, cognitive and response factors in the judgment of sensory magnitude, 16144

Magnitude of Effect (Statistical) [See Effect Size (Statistical)]

Mainstreaming [See Also Mainstreaming (Educational)]—Serials

alternative assessment techniques & subsequent intervention in mainstream settings, disabled preschoolers, 41414
community adjustment, 19–33 yr olds with mild vs moderate vs severe or profound mental retardation, 45839
current relevance of normalization principle, handicapped clients, commentary, 23213
current trends in normalization of & attitudes toward & opportunities for mentally retarded, Asia, 18121
integration into day care, severely disabled 43–55 mo olds, 34884
testing practices in mainstream classrooms with mildly handicapped students, 7th & 10th grade teachers, 7525

Mainstreaming [See Also Mainstreaming (Educational)]—Chapters

Ecological perspectives on the implementation of integrated early childhood programs, 19093
Integrated programs: Effects on young children and their parents, 19092
Social interaction skills interventions for young children with disabilities in integrated settings, 18680

Mainstreaming (Educational)—Serials

academic & psychosocial adaptation, mainstreamed 5th–6th graders with learning disabilities, Greece, 31391
analysis of instructional recommendations in elementary science textbooks, mainstreamed students with disabilities, 47289
applied behavior analysis, mainstream education, 7509
attitudes toward & integration of deaf & hearing college students, normal hearing resident assistants, 3538
attitudes toward integration of disabled students into regular classrooms, teachers, Zimbabwe, 19578
attitudes toward integration of disabled students into regular schools & impact on policy implementation, primary & secondary school teachers, Australia, 31398
attitudes toward regular classroom placement of severely disabled students, parents of nondisabled K–8th graders, 11544
community support service, mainstreamed primary & secondary school students with emotional & behavioral difficulties, England, 31379
concepts of peers' disabilities, nonhandicapped 47–58 mo olds in mainstream preschool class, 39332
constant time delay procedure, teaching socially appropriate responses to nonhandicapped peers, 12 & 12.7 & 13.3 yr olds with autism or pervasive developmental delay in integrated school setting, 19605

cooperative learning activities with peers, integration into regular education classrooms, students with disabilities, 27574
cooperative learning strategies in integrated recreational activities, children with & without severe disabilities, 23638
cultural & historical context & administrative & research implications of mainstreaming, exceptional students, US vs Canada, 7511
curriculum approaches to science education, mainstreamed students with disabilities, 19608
curriculum based measurement, assessment of satisfactory achievement standards & potential for reintegration into general education reading classroom, 3rd–5th graders in special education, 43837
curriculum model of mainstream & special educational provision, students with emotional & behavioral difficulties, Great Britain, 27583
degree of hearing loss & age & ethnic & racial background & additional handicap, type of school & integration & number of students in educational placement, deaf & hard of hearing 6–21 yr olds, 23598
demographics & social & behavioral variables of peer relations & coping skills & work habits, success in mainstreamed general education, special or regular education 3rd–6th graders, 1 yr followup, 19588
development & construct validity & internal consistency of scale, assessment of attitudes toward inclusive education, regular school teachers & elementary education students, 12067
development of program for transition from specialist provision to mainstream schooling, learning disabled elementary school student with management problems, 23630
eclectic counseling, educational mainstreaming, female special education student, 35454
educational curricula & teacher modeling & coaching, peer interaction, kindergartners & mainstreamed autistic 6–7 yr old students, 47277
educational integration, social & behavioral & developmental outcomes, preschool children with disabilities, literature review, 23606
evaluation of outcomes of mainstreaming, 2 & 8 yr olds with severe learning difficulties, England, 31407
expected allocation of time to & types of fine motor tasks, 2nd & 4th & 6th graders, implications for fine motor deficits & mainstreaming, 15509
factor structure of attitudes toward mainstreaming of disabled children, teachers vs teachers in training vs nonteachers, 1984 vs 1990, Australia, 7375
factors in successful mainstreaming, male 14 yr old with behavioral & learning difficulties & female 3 yr old with hearing impairment, England, 31412
factors predictive of integrated educational placement, students with severe disabilities, 39342
history & contributing factors & decision making processes involved in full inclusion in general education classrooms, autistic children & youth, 15523
improvised musical play in mainstreamed settings, social play skills, preschool students with vs without developmental delays, 19593
Integrated Preschool Curriculum, social integration, mainstreamed 5–6 yr old kindergartners with moderate disabilities, Canada, 3563
integration of social interaction & social skills training in mainstream classrooms, 5th–12th graders with learning disabilities, 11560
issues in allocation of financial resources for integration of children with special education needs, Local Education Authorities, Great Britain, 31389
issues in behavioral support teaching in mainstream education, students with emotional & behavioral disturbances, 31404
issues in special education & mainstreaming & need for coordinated health care & early diagnosis, disabled students, Nigeria, 7508
least restrictive environment mandate of PL 99-457, play & education in mainstreamed classrooms, disabled children, 15492
locus of control, learning process, mainstreamed intellectually disabled students, 23624
mainstreaming in context of G. Allport's contact theory & other sociological models, hearing impaired & normally hearing students, 23627
mainstreaming, student on task behavior & teacher approving vs disapproving comments, regular & moderately or mildly intellectually handicapped primary school students & their teacher, Australia, 31392
mainstreaming support program & educational leadership teams for advocacy of special needs students, regular & special education high school teachers, 31410
mainstreaming vs special education, language & mathematics ability, 13 yr olds in mixed ability vs special classes, 7520
medical & educational resources support models for special & primary & secondary school & mainstream environments & integration process, physically disabled 3–16 yr olds, UK, 39343
methodological basis for inconsistent research findings on social integration in mainstreaming programs, disabled children, research review, 7513
model of & practical procedures in content area special education science classroom, 6th graders in Chapter 1 or special or general education, 19606
model of service delivery for regular education classrooms, consultative collaborative teachers of visually handicapped students, 39335
modifications & classroom & attitudinal & social support & coordinated team commitment in Autism Mainstreaming Collaboration Model of integration, autistic students, 35461
multidisciplinary approach to educational day care integration, special needs preschool students, 47282
music & social strategies, integration with nonexceptional students, preschoolers with severe mental & physical handicaps or hearing impairments, 19596
outcomes of mainstreaming in secondary schools, 10–13 yr olds with Down's syndrome & their parents & educational psychologist, 31396
outcomes of segregated vs integrated special education services, students with learning needs, 43328
perceived effectiveness with difficult students, elementary school teachers, implications for inclusion of students with learning or behavior disorders, commentary, 35447
perceived effectiveness with difficult students, elementary school teachers, implications for inclusion of students with learning or behavior disorders, 35446
perception of outcomes for typically developing children in programs integrating disabled preschoolers & kindergartners, parents & teachers, 3562
perceptions of & planning for mainstreaming special education students, elementary & middle & high school teachers, commentary, 39356
perceptions of & planning for mainstreaming special education students, elementary & middle & high school teachers, 39357
perceptions of placement of students with severe disabilities into general education classroom & effect on own child, parents of nondisabled K–8th graders, 43318
perspectives on integration of children with special educational needs, implications for special educators, 15501
perspectives on Regular Education Initiative & reading comprehension improvement approach to integration in regular classrooms, mildly handicapped students, implications for special education, 15505
physiotherapy & occupational therapy needs, physically handicapped children in mainstreamed schools, England, 7191
postsecondary education program accreditation & coursework & field experience requirements for preparation for integrated or mainstreamed classrooms, program chairpersons, 3307
presence of other children with vs without autism, autistic behavior, autistic 2.5–5.5 yr old students, support for integrated classrooms, 31397
prevalence & characteristics of preschool mainstreaming programs, early childhood educators, 47299

prevalence & school achievement & social background & self evaluation of school experiences & upper secondary school education, mildly mentally retarded 6th graders in regular schools, Sweden, 39359
scores on Griffiths scales of mental development & educational outcomes, mainstreamed 4–4.9 yr old students with special needs, 3–9 yr followup, 43313
Small Wonders preschool program, social integration & educational promotion & mainstreaming, normally developing & autistic preschoolers & special education teachers & clinical consultant, 11564
social adjustment, 3rd graders with vs without learning disabilities in integrated classrooms, 3552
social participation in specialized vs integrated educational environments, 3–4 vs 4.1–5.6 yr olds with visual impairments, 39334
social systems & attitudes toward physical activity, physical activity participation, emotionally disturbed 14–21 yr olds in mainstreamed vs adapted physical education classes, 35455
spontaneous peer interactions, 3.8–5 yr old preschoolers with vs without profound disabilities, 39340
strategies for inclusion in regular classroom activities, severely disabled students in high school drama class & teachers, 27573
student skills necessary for success in mainstreamed regular education classrooms & perceptions of intervention strategies, teachers of learning disabled high school students, 23612
suggestions for successful integration of physically & medically challenged students, preschool & elementary & middle grade teachers, 35444
teacher attitude & other factors in social status in integrated classroom, 8–13 yr olds with vs without mild academic disabilities, Australia, 15515
transformational experiences in teaching severely disabled students in general education classrooms, K–9th grade teachers, 23616
understanding of severe learning difficulties following educational integration & link sessions, 6–7 & 11 yr old primary school students, England, 47285
upgrading academic & job skills, visually impaired or blind adults mainstreamed in public secondary school, Canada, 15508
verbal social behavior in self contained vs mainstreamed classroom, 12–15 yr old students with behavior disorders vs their normal peers, 11541
writing workshop approach & praise & teacher expectations, self esteem & writing skills, mainstreamed junior high school students with learning disabilities, 11555

Mainstreaming (Educational)—Books

Integrating young children with disabilities into community programs: Ecological perspectives on research and implementation, 19618

Mainstreaming (Educational)—Chapters

Comprehensive educational, social, and policy forces that affect preschool integration, 19627
Consultation and collaboration: Essentials of integration efforts for young children, 19621
The effects of attitude on preschool integration, 19626
Facilitating integrated preschool service delivery transitions for children, families, and professionals, 19620
Implementing individualized curricula in integrated settings, 19628
Innovations in early childhood education: Models that support the integration of children of varied developmental levels, 19625
Integrated early childhood programs: Research on the implementation of change in organizational contexts, 19624
Language intervention: Research and implications for service delivery, 19623
Staff development in support of integration, 19462
Supporting the education of students with severe disabilities in regular education environments, 43342

Major Depression [See Also Anaclitic Depression, Dysthymic Disorder, Endogenous Depression, Neurotic Depressive Reaction, Postpartum Depression, Reactive Depression] —Serials

abnormalities in adrenal androgen & cortisol metabolism, depressed males, conference presentation, 45461
acetyl-L-carnitine, circadian cortisol rhythm & depressive symptoms, depressed 66–79 yr old males, 34538
acoustic analysis of speech rate & pitch in diagnostic differentiation, 60 yr olds & older with Parkinson's disease vs major depression, 13615
ACTH & DST response, endogenous ACTH & beta endorphin & beta lipotropin & cortisol & androstenedione, patients with minor vs major depression with vs without melancholia, 45456
activating & sedating effects of fixed dose fluoxetine, outpatients with major depressive disorders, 14663
acute depression relapse, 47 yr old female with recurrent paramedian thalamic infarctions, case report, 10311
acute phase & other plasma proteins, males with alcoholism vs major depression, 29500
acute tryptophan depletion, exacerbation of depression & body dysmorphic disorder, female 42 yr old receiving 5-HT reuptake inhibitors, letter, 10652
acute vs continuation nortriptyline & interpersonal psychotherapy, 61–80 yr olds with recurrent major depression, 18487
acute vs continuing drug treatment, refractory depression & suicide rate & mortality, patients with affective illness, 6734
adaptive behavior, adults with Down's syndrome with vs without history of depression, England, 2044
additive effect of 2 disorders, sleep EEGs, male patients with primary major depression vs primary alcoholism & secondary major depression, 29506
adinazolam, symptom severity & short term treatment outcome, 19–65 yr olds with panic disorder with agoraphobia with vs without previous major depression episode, 42456
adrenaline induced platelet aggregation, drug free depressed 18–80 yr olds, Switzerland, 45450
adverse childhood & adolescent experiences, prevalence & comorbidity of anxiety & depressive disorders, inner city working class adult females & single mothers, England, 45370
adverse childhood & adolescent experiences, prevalence of anxiety & depressive disorders, inner city working class adult females & single mothers, England, 45369
adverse effects of switch from fluoxetine to desipramine, female 27 & 54 yr olds with major depression, letter, 2678
aerobic vs nonaerobic exercise, aerobic fitness & depression level, patients with schizophrenia or major affective disorders in psychiatric rehabilitation program, 46906
age & sex, prevalence of seasonal affective disorder vs general depression, 21 yr olds & older, Alaska, 9802
age & sex, psychomotor activity & sleep, adults with unipolar vs bipolar depression, 1678
age cohort effect in lifetime prevalence of major depression & other mental disorders, 14–18 yr olds & older, 25722
age, name vs physical identity RT & letter matching & accession of overlearned linguistic information in long term memory, normal adults vs patients with Alzheimer's disease vs major depression, 5709
age, overnight urinary melatonin concentration, depressed vs abstinent alcoholic 29–73 yr olds, Sweden, 6 mo study, 29520
age, recovery of memory functions after ECT, depressed patients, 34608
age, responses to ECT & cognitive function improvements, 18–88 yr olds with major depression with melancholia or psychosis, 42525
aging & cerebrovascular pathology & brain change & other neuroanatomic substrates, depressed elderly, research review, 25779
akinesia syndrome components in parkinsonism vs retarded depression vs negative symptoms of schizophrenia, 5694
alcohol consumption & depression severity & family dysfunction, psychiatrically disturbed female 13.9–18.4 yr old inpatients, 21636
alcohol use & drinking reasons & cultural & clinical & demographic factors, risk for secondary depression, Mexican American vs non-Hispanic White adults with lifetime alcohol abuse or dependence, 29857

alexithymia & hedonic capacity & depression & negative affect, college students vs married 24–65 yr olds, 29626
alienation & modernity & birth cohort effects in rates of depression, college students, 37706
alpha 2-adrenergic receptor platelet membrane binding sites & affinity for alpha 2-adrenergic receptor agonist, depressed patients, 21761
alpha 2 adrenoceptor inhibition of platelet membrane adenylate cyclase & plasma electrolytes, depressed 26–84 yr olds, Switzerland, 37693
alpha2 adrenergic receptor genes as genetic markers, depressive families, 5848
altered serotonergic activity, females with dysphoric PMS, literature review, 41541
amitriptyline & fluoxetine, akathisia-like motor restlessness, female 51 yr old with major depression, letter, 2630
amitriptyline, depression, female 69 yr old with tinnitus, case report, 6935
amitriptyline vs clovoxamine, cognitive performance, depressed outpatients, 14732
amoxapine vs amitriptyline & perphenazine, patients with mood congruent vs incongruent psychotic depression, 46414
analgesic & antidepressant efficacy of 5-HT2 antagonist ritanserin vs amitriptyline, depressed patients with chronic migraine &/or tension headaches, Italy, 22746
analytic relationship & psychic change, adult male with severe anxiety & depression, conference presentation, 2589
anosognosia for memory loss & depression & dementia & regional cerebral blood flow, patients with Alzheimer's disease, 34221
antecedents vs concomitants vs consequences of problem solving appraisal & depression, college students, 9 wk followup, 41538
anticortisolemic drugs, patients with hypercortisolemic major depression or Cushing's syndrome, conference presentation, 18792
antidepressant action through alteration of endogenous endocoids, depressed patients, 34559
antidepressant effect of moclobemide vs clomipramine, patients with major depression, Denmark, 46433
antidepressant-like effects of bromocriptine & quinpirole, chronic mild stress induced decreased sucrose consumption, male rats, animal model of depression, 741
antidepressant medication, suicidal behavior & ideation, depressed patients, consensus statement of American College of Neuropsychopharmacology, 30485
antidepressants, depressed 27 yr old female with exacerbation of Gilles de la Tourette syndrome during pregnancy, case report, 18761
antidepressants or corticotropin hormone or ebiratide, sleep EEG & nocturnal hormones, depressed 21–66 yr olds, 22765
antidepressants, suicidality, depressed patients, research review, 30489
antidepressants, visual pattern integration, depressed patients entering treatment vs midtreatment, 42463
antiphospholipid antibody titers, patients with minor vs simple major vs melancholic depression, 33595
anxiety & anger & depression, prediction of self reported pain, adults with chronic pain, 18196
anxiety & depression & chronic pain, 20–76 yr olds with generalized musculoskeletal pain, 45909
anxiety & depression comorbidity, elderly with Parkinson's disease, 10366
anxiety & depression, incarcerated 17–48 yr old mothers vs nonmothers, 6 mo followup, commentaries & reply included, 15200
anxiety & depressive symptoms, inpatients with psychosomatic heart or ulcer problems vs neoplastic diseases vs recovering from surgery, translated article, 38104
anxiety vs major depression, sleep pattern disturbances, stress clinic patients, 37672
Apathy Evaluation Scale & Hamilton Rating Scale for Depression scores, 55–85 yr olds with left vs right hemisphere stroke vs Alzheimer's disease vs major depression, 39814
apomorphine, growth hormone, 18–49 yr olds with panic disorder vs minor vs major depression, Belgium, 29564
application of Rasch item response statistical model to Children's Depression Inventory, behaviorally disordered elementary & junior high school students, 35882
arginine vasopressin, plasma cortisol & ACTH & beta endorphin, depressed patients, Netherlands, implications for pituitary adrenal sensitivity, 38551
articulatory loop & visuospatial & other components of working memory, depressed patients, 45434
assessment of depression with Diagnostic Interview Schedule vs Beck Depression Inventory vs Addiction Severity Index, African American vs Hispanic vs White methadone maintenance patients, 39797
assessment of depression with Geriatric Depression Scale vs Center for Epidemiological Studies Depression Scale & correlations with life satisfaction, college students, 4043
assessment of saccadic eye movement parameters in differential diagnostic screening, patients with depressive &/or organic symptoms, 29508
assignment of DSM-III major affective disorder vs other diagnoses, patients with cycloid psychosis, Sweden, 17704
association between & comorbidity of alcoholism & depression, 41721
attachment problems, depressed patients, Canada, 41555
attitudes toward interpersonal violence & aggression against women & depression, male sexual offenders vs batterers vs violent vs normal males, 18060
attitudes toward psychosocial aspects of medical care & psychiatric knowledge & recognition of depression, family practice residents treating adult patients, 23012
attitudes toward suicide & personality & family environment & locus of control & self esteem & hopelessness & life events, adolescents with suicide attempts vs depression, Netherlands, 21624
attributional style & self esteem, depressive reactions to failing midterm examination scores, college students, test of hopelessness vs self esteem theories of depression, 25786
attributional style, prediction of depression & hopelessness & suicidal ideation, college students, 13673
attributions about own attributions for positive vs negative events, patients with persecutory delusions vs depression, 21706
augmentation of desipramine or imipramine with liothyronine vs lithium, patients with unipolar refractory depression, Canada, 38555
autobiographical memory & dysfunctional attitudes, depressed adults, 7 mo study, 25756
automatic & effortful processing, depressed children through elderly, literature review, 21756
automaticity & pessimism in prediction of future events, depressed college students, 9798
autonomic nervous system & CNS cholinergic & adrenergic activity & depression, patients with allergic disorders, neurochemical model of allergy & depression, 18284
aversive stimulation, skin resistance & acquisition vs extinction sensitivity in operant conditioning, female currently vs remitted depressed patients, 17766
Axis II personality disorders vs Axis I depression, application of 5-factor personality model, 1628
basal & postdexamethasone TSH & triiodothyronine & thyroxine & free T/3 & T/4 index & serum & urinary cortisol, depressed adu¹ts, Sweden, 37695
baseline & followup characteristics, 6–12 yr old placebo washout responders vs nonresponders in trial of nortriptyline for major depressive disorder, 2–3 yr followup, 2631
behavioral slowing due to cognitive vs motor slowing, elderly patients with Alzheimer's disease vs depression, 5715
beliefs about causes of depression, depressed patients vs clinical psychologists vs lay people, England, 21767
beliefs about drug therapy for depression, conference presentation, 46434
benzodiazepine therapy, ECT effectiveness, anxious & depressed 67 yr old female, case report, commentary, letter, 18801
benzodiazepines & tricyclic antidepressants & other drugs, patients with generalized anxiety disorder with concomitant depressive symptomatology, conference presentation, 34572

bereavement due to death of spouse vs child vs parent, intensity of depression, middle aged widows vs mothers vs daughters, 29617
bereavement group, depression & adjustment to death of caregivers, inner city 6–12 yr olds, 2551
best estimate procedure, diagnosis of major & minor depressive disorder & antisocial personality & alcoholism & drug abuse, opiate addicted 18 yr olds & older, 10021
biological & psychological & cultural perspectives on depression, females, 25793
biological markers of depression & schizophrenia & relation to borderline personality disorder, 33530
biological vs sociocultural factors, incidence of depression & anxiety & schizophrenia, Afro Caribbean general practice patients, UK, 33532
biperiden, nap REM sleep after sleep deprivation, depressed adults, 6719
birth cohort & other sociodemographic risk factors, age of 1st onset, adults with major depression & their spouses & relatives, application of multivariate proportional hazards model, 41548
bitemporal vs right unilateral vs bifrontal electrode placement in ECT, number & duration & failure of treatments & depression, patients with major depressive episode, 42519
blood lipotropin vs endorphin vs cortisol before vs after dexamethasone, patients with major depressive disorder, 37721
BP changes during ECT, anterograde memory, 19–79 yr olds with major depression with vs without cardiovascular illness, 34609
brain electrical activity, depressed 17–63 yr olds, Germany, 45438
brain phosphorus metabolism, patients with bipolar disorder vs major depression, 21763
brain stem auditory EPs during menstrual vs late follicular vs late luteal phase of menstrual cycle, female patients with moderate vs severe late luteal phase dysphoric disorder or PMS, 21634
brief prescriptive psychotherapy based on M. Barkham's 2 plus 1 model, depressed 20 yr old male inmate, 35074
brofaromine vs imipramine, efficacy & tolerability, patients with major depression, 1 yr followup, 18756
bupropion induced mania & mixed affective state, depressed male 50 yr old with HIV infection, commentary, letter, 14816
bupropion vs fluoxetine vs imipramine vs trazodone, patients with major depression, 1980–90, meta analysis, 30534
buproprion, 26 yr old female with premenstrual unipolar psychotic depression with suicide attempt, case report, 10719
buspirone, depressive symptomatology, 18–55 yr olds with generalized anxiety disorder, 14659
buspirone, patients with generalized anxiety disorder with vs without coexisting depressive symptoms, 22718
caffeine, anxiety & depression, long stay schizophrenic 20–74 yr olds, 41590
carbamazepine adjunctive to clomipramine, female 71 yr old with tricyclic antidepressant resistant unipolar depression, case report, 18715
carbamazepine, depressed male patients with seizure-like symptoms & resistance to tricyclic antidepressants, 46527
carbamazepine, depressive symptoms, 56 yr old female with callosal agenesis, Poland, 6955
carbamazepine, 40 yr old female with catatonia associated with depression secondary to complex partial epilepsy, case report, letter, 34589
cardiovascular complications during ECT, 54–84 yr olds with major depression & pre-existing cardiac disease, 46575
cardiovascular effects of repeated dosing of paroxetine vs amitriptyline, depressed patients & healthy males, 14741
case study strategy, assessment of outcome of new psychotherapeutic intervention, clients with comorbid generalized anxiety disorder & major depression, 38411
cathartic effect of attempted suicide, females with major depression, Germany, replication, 13708
cell mediated immunity, patients with melancholic vs nonmelancholic depression, Australia, 41543
cellular immune function & hypothalamic-pituitary-adrenal axis activity, male 19–65 yr olds with unipolar major depression vs schizophrenia, Croatia, 25713
cerebral blood flow before & during somatosensory stimulation, depressed patients with schizophrenia vs major depression, 45439
cerebral glucose metabolism, 44–56 yr olds with Huntington's disease with vs without depression, 14323
changes in scores on MMPI Clinical Subscales 4 & 9 during incarceration & incidence of depression, adult male felons, 28012
chaos & multivariate theories, methodologies & other issues in assessment of depression, 5823
characteristics & prognosis, patients with major depression from functional vs dysfunctional families, 13736
characteristics, hospitalized 11–17 yr olds with depression with vs without conduct disorder, 1559
childhood developmental & psychoanalytic treatment aspects of previewing process, depressed patients, 26699
childhood sexual abuse & family environment, development of depression or anxiety, female college students, 21967
childhood war trauma during Pol Pot regime, PTSD & depression & other psychiatric diagnoses & symptoms, Cambodian refugee young adults, followup, 33545
Chinese character translation of geriatric depression scale, 31897
choice of antidepressant medication for somatic therapy, patients with major depressive episode, 10713
cholinergic & serotonergic sensitivity in depression & alcoholism, Fawn Hooded vs Flinders Sensitive Line rats, genetic animal models of depression & ethanol preference, 539
cholinergic stimulation with RS 86, slow wave sleep & REM latency, 22–60 yr olds with major depression vs anxiety disorder, 17692
chronic dietary lithium, forced swim test induced immobility & cholinergic induced locomotor activity, male Flinders Sensitive vs Resistant Line rats, animal model of depression, 8973
chronic fatigue, 55 yr old female with fibromyositis & depression & zinc deficiency, case report, 18231
chronic vs acute antidepressants, calcitonin induced anorexia, female rats, animal model of depression, 696
chronicity & psychopathology, probability of & time to recovery, patients with major depressive disorder, 5 yr followup, 5829
cigarette consumption & major depression, twins, 25778
circadian rhythm of body temperature, 25–63 yr olds with major depression, 17733
citalopram, depressed elderly with or without vascular or Alzheimer's type dementia, 18732
citalopram dosage, depressed 19–72 yr olds, 18758
citalopram dosage, relapse after change to placebo, depressed patients, 18759
citalopram, intended & unintended effects, depressed patients, meta analysis, 18702
citalopram vs placebo, depressed 65 yr olds & older with vs without somatic disorders &/or senile dementia, Denmark & Norway & Sweden, 10708
citalopram vs traditional tricyclic antidepressants, patients with major depressive disorder, 42455
classification & drug treatment of reversed vegetative subtypes of atypical depression, outpatients with recurrent major depression, 6801
clinical & biological & pharmacological predictors of antidepressant response, patients with depressive disorders, 42431
clinical & biological validity of DSM-III melancholia category & cluster analytically derived classification, depressed adult males, 9818
clinical & demographic & other risk factors, memory impairment, depressed 60–89 yr olds, conference presentation, 1680
clinical & demographic features & thyroid hormone levels & desipramine response, patients with major depression with vs without subclinical hypothyroidism, Canada, 13722

clinical & psychodiagnostic characteristics, male 29–65 yr olds with low vs medium vs high degree of major depression following acute myocardial infarction, 18326
clinical & symptomatic features associated with suicide attempts, depressed patients, 29628
clinical aspects of diagnosis & management, patients with treatment resistant depression, commentary on literature review, 2379
clinical aspects of diagnosis & management, patients with treatment resistant depression, commentary on literature review, 2371
clinical aspects of diagnosis & management, patients with treatment resistant depression, literature review, 2386
clinical aspects of diagnosis & management, patients with treatment resistant depression, commentary on literature review, 2370
clinical aspects of diagnosis & management, patients with treatment resistant depression, commentary on literature review, 2378
clinical aspects of diagnosis & management, patients with treatment resistant depression, commentary on literature review, 2397
clinical aspects of diagnosis & management, patients with treatment resistant depression, reply to commentary on literature review, 2387
clinical aspects of diagnosis & management, patients with treatment resistant depression, commentary on literature review, 2401
clinical aspects of diagnosis & management, patients with treatment resistant depression, commentary on literature review, 2395
clinical correlates of elevation of MMPI-2 vs Wiggins Content Scale of Depression, psychiatric patients, 31922
clinical course & prognostic significance of symptoms, patients with major depression &/vs dysthymia, 5850
clinical depression & alterations in immune function, meta analysis, 29610
clinical evaluation vs self reported experience sampling method, assessment of sadness & irritability & anhedonia, depressed adolescents, 42280
clinical factors predictive of symptom persistance, 18–65 yr olds with major depression, England, 17764
clinical features & course & drug therapy & family & genetic diathesis for depression, alcoholic patients, research review, 6067
clinical features of acute confusion vs dementia vs depression, elderly, diagnostic implications, 21628
clinical implications of & traditional vs comorbid vs mixed perspectives on relationship between generalized anxiety disorder & major depression, conference presentation, 33552
clinical management, 25–77 yr olds with treatment resistant affective disorder, reply to commentary on literature review, letter, 34290
clinical outcome & side effects & plasma levels of fluoxetine & norfluoxetine, 24–61 yr olds with major depressive disorder, 42464
clinical practice guidelines for diagnosis & treatment of depression, primary care providers, 46774
clinical practice guidelines for treatment planning & implementation by psychiatrists & physicians, 18 yr olds & older with major depressive disorder, 34279
clinical profiles, patients with major vs bipolar affective vs dysthymic disorder with vs without personality disorders, 5746
clinical remission due to drug or cognitive therapy, EEG sleep parameters, patients with major depression, 41539
clinical service settings for feminist therapy, depressed adult females, 46226
clinical symptoms, outpatients with major depression, Benin, comparison with Western data, 5805
clinical type & response to ECT, urinary excretion of neopterins & biopterins, severely depressed 24–76 yr olds, extension of amine hypotheses, 25751
clinical utility of MMPI-2, diagnosis of unipolar depression, alcoholic male 24–74 yr olds, 39802
clinician vs self ratings of antidepressant outcome, depressed patients, meta analysis, 6735
clomipramine induced myoclonus & serotonin syndrome, depressed male 30 yr old, letter, 10695
clomipramine, thrombin induced platelet inositol phosphates formation, 20–65 yr old symptom free depressed patients, 30500
clomipramine with vs without lithium, platelet adenylate cyclase activity & serotonergic functioning, depressed patients, 26762
clonidine challenge, growth hormone & BP & pulse & sedative responses, patients with endogenous vs nonendogenous depression, England, 45451
clonidine challenge, plasma noradrenaline & adrenaline & 3,4,dihydroxyphenylethylene glycol, depressed patients, 9811
clovoxamine fumarate, depression vs anxiety, 18–70 yr olds with major depression, implications for drug classification, 22709
clozapine, development of chronic leukocytosis & neutrophilia during stressful rehabilitation, depressed male 55 yr old, 46514
CNS serotonergic neurotransmission, depression & antidepressant drug treatment, conference presentation, 17760
cocaine use during pregnancy, maternal depressive symptoms & child neurobehavioral development, neonates & their mothers, 1 mo followup, 29896
coexisting depression, prediction of response to amantadine vs desipramine, cocaine abusers on methadone maintenance, conference presentation, 11139
cognitive assessment & vulnerability & models of depression & theoretical integration, commentary, 1670
cognitive assessment & vulnerability & models of depression & theoretical integration, commentary reply, 1662
cognitive assessment & vulnerability & models of depression & theoretical integration, commentary, 1659
cognitive assessment & vulnerability & models of depression & theoretical integration, commentary, 1672
cognitive assessment & vulnerability & models of depression & theoretical integration, commentary, 1660
cognitive assessment & vulnerability & models of depression & theoretical integration, commentary, 1671
cognitive assessment & vulnerability & models of depression & theoretical integration, commentary, 1648
cognitive assessment & vulnerability & models of depression & theoretical integration, commentary, 1656
cognitive assessment & vulnerability & models of depression & theoretical integration, commentary, 1704
cognitive assessment & vulnerability & models of depression & theoretical integration, commentary, 1703
cognitive assessment & vulnerability & models of depression & theoretical integration, 1694
cognitive assessment & vulnerability & models of depression & theoretical integration, commentary, 1689
cognitive assessment & vulnerability & models of depression & theoretical integration, commentary, 1687
cognitive assessment & vulnerability & models of depression & theoretical integration, commentary, 1679
cognitive assessment & vulnerability & models of depression & theoretical integration, commentary, 1695
cognitive assessment & vulnerability & models of depression & theoretical integration, commentary, 1700
cognitive assessment & vulnerability & models of depression & theoretical integration, commentary, 1688
cognitive assessment & vulnerability & models of depression & theoretical integration, commentary, 1697
cognitive assessment & vulnerability & models of depression & theoretical integration, commentary, 1674
cognitive assessment & vulnerability & models of depression from developmental perspective & theoretical integration, commentary, 1667
cognitive behavior & interpersonal therapy vs imipramine & clinical management, outpatients with major depressive disorder, followup, 6460
cognitive behavior modification vs traditional education intervention, well being & depression & pain, patients with osteoarthritis, 2 & 6 mo & 1 yr followup, 22847
cognitive behavior therapy, male 28 yr old & female 20 yr old with mild intellectual disability & depression, 46212

cognitive behavior therapy, risk of relapse, outpatients with major depression, 1 yr study, comparison with findings following pharmacotherapy, 2506
cognitive behavioral functional restoration, depression & cognitive distortion & pain & range of motion, patients with chronic low back pain, 18857
cognitive behavioral psychoeducational group treatment, depressed adolescents, 6571
cognitive behavioral treatment & strategies for maintenance & relapse prevention, female 79 yr old with chronic major depression, followup study, 34416
cognitive behavioral vs focused visual imagery group therapy vs education & discussion groups, cognition & depression & hopelessness & dissatisfaction, depressed 71–97 yr old nursing home residents, 42311
cognitive correlates of depressive symptoms & development, 7th–12th graders, 25769
cognitive deficits & changes, patients with depression vs dementia, 25629
cognitive developmental stage, depressive symptomatology & hopelessness, nonreferred 14–25 yr olds, 45459
cognitive diathesis vulnerability factors & depressive & anxious symptoms & hopelessness, college students, test of diathesis-stress & causal mediation components of hopelessness theory of depression, 5835
cognitive distortions & irrational beliefs, Vietnam veterans with PTSD vs 18–75 yr olds with anxiety or depression, 33537
cognitive errors & attributional style & life events & peer rated competence & self reported depression, 4th & 6th & 8th graders, 29602
cognitive functioning & prevalence of depressive symptoms & affective disorders, elderly, Greece, 21768
cognitive functioning, 65 yr olds & older with Parkinson's disease &/vs depression, Israel, 21663
cognitive performance, elderly with depression vs dementia, implications for term pseudodementia, 29511
cognitive theories of vulnerability to depression, 1686
cognitive therapy & urinary MHPG, depressed patients, 38455
cognitive therapy &/vs imipramine, depressed outpatients, 6449
cognitive therapy, depressive symptoms & self schemata, mildly to moderately depressed college students, 42281
collagen & 5-HT, aggregatory responses of platelet rich plasma, depressed vs schizophrenic vs manic patients, 25726
combined nortriptyline & 5-HT reuptake inhibitor with vs without concurrent lithium, 36–84 yr olds with resistant recurrent depression, 14728
combined nortriptyline & 5-HT reuptake inhibitor with vs without concurrent lithium, 36–84 yr olds with resistant recurrent depression, commentary reply, letter, 46515
combined nortriptyline & 5-HT reuptake inhibitor with vs without concurrent lithium, 36–84 yr olds with resistant recurrent depression, commentary, letter, 46430
combined nortriptyline & 5-HT reuptake inhibitor with vs without concurrent lithium, 36–84 yr olds with resistant recurrent depression, commentary, letter, 46524
communication & problem solving ability & capacity for intimacy & marital satisfaction, depressed patients & their spouses, 13704
communication attitude & anxiety & depression, stuttering vs nonstuttering 16–68 yr olds, 2099
community care & case management, increased social networks for depressed elderly patients & initiation of antidepressants, community psychiatric nurses, 19085
comorbid occurrence of substance abuse & conduct disorder or depression or anxiety, incarcerated delinquent 12.6–18.6 yr olds, 1925
comorbid social phobia, patients with primary major depression, 25762
comorbid syndromal & symptomatic depression & school refusal behavior, research review, implications for classification & treatment, 41486
comorbidity & differential diagnosis of depression, patients with borderline personality disorder, implications for treatment, 5972
comorbidity of anxiety & depression & substance abuse, American Indians & Alaska Natives, 41416
comorbidity of anxiety & depressive disorders, children & adolescents, implications for treatment, 13663
comorbidity of depression & alcohol abuse & suicidality, American Indians, 41422
comorbidity of depression & conduct disorder, First Nations 2nd & 4th graders, US & Canada, 41429
comorbidity of major depression & substance abuse & personality disorders, adolescent & young adult suicide victims, 9959
comorbidity of personality disorders & depression, response to treatment, patients, 14471
completion of depression inventory prior to testing, recall of mood congruent autobiographical memories & affectively toned words, dysphoric vs nondysphoric college students, 17762
components of assertiveness & beliefs in assertive rights & depressive symptoms & mood, Chinese college students, Hong Kong, 41534
components of cognitive therapy, depressed clients, 34427
concentrations of 3rd & 4th components of complement system & total complement hemolytic activity, patients with chronic schizophrenia vs bipolar disorder vs major depression, 41510
concept mapping methodological approach for understanding experience of depression, 18–57 yr old college students, 41537
concept of vital depressive syndrome & vital feelings & role in discrimination of depressive disorders, 41546
conceptual issues in & clinical efficacy of cognitive therapy, depressed patients, 34419
conceptualization & outcome & assessment perspective of social skills, dysphoria, college students, 29631
concordance between self report & clinical rating scales of depression during recovery, outpatients with major depression, Spain, 28018
concordance for major depression & subclinical depressive episodes, spouses, 29622
concordance of parent's vs self perception of temperament, female adolescents with anorexia nervosa vs bulimia vs major depression, 41415
concurrent anxiety disorders, responses to light therapy or antidepressant medication, patients with seasonal affective disorder vs nonseasonal depression, Canada, 42146
concurrent validity & utility & factor structure of Geriatric Depression Scale, 60–95 yr olds, 20047
concurrent validity of geriatric depression scale & Self-Rating Depression Scale, 64–90 yr old primary care patients, 35923
conjoint monitoring of symptoms, marital satisfaction, females with late luteal phase dysphoric disorder, 13714
conjugated lateral eye movements & EEGs following thought provoking questions, schizophrenic vs depressed patients, 5776
construction & reliability & validity of self report Internal State Scale, assessment of manic & depressive symptoms, patients with bipolar vs recurrent major depression, commentary, letter, 24118
construction & reliability & validity of self report Internal State Scale, assessment of manic & depressive symptoms, patients with bipolar vs recurrent major depression, commentary reply, letter, 24106
continua of depression & cognitive impairments & degenerative dementia, commentary on literature review, letter, 21650
continua of depression & cognitive impairments & degenerative dementia, commentary on literature review, letter, 21647
continua of depression & cognitive impairments & degenerative dementia, reply to commentary on literature review, letter, 21649
continuation of adjunctive imipramine to fluphenazine & benztropine, postpsychotic depression, patients with schizophrenia or schizoaffective disorder, conference presentation, 18777

continuity & other research issues in use of Beck Depression Inventory, identification of dysphoria vs major depression, adults, implications for work of P. C. Kendall et al, 43762
continuous prophylactic dothiepin after recovery, relapse risk, depressed elderly, 2 yr study, 46494
control related beliefs of perceived competence & contingency & depressive symptoms, 8–12 yr olds, 45476
convergence of Apathy Evaluation Scale & Hamilton Rating Scale for Depression, 53–85 yr olds with stroke or probable Alzheimer's disease or major depression, 43773
convergent validity of Children's Depression Inventory & Bellevue Index of Depression & Reynolds Child Depression scale, mentally retarded vs nonretarded 12–17 yr olds, 43744
conversation with friend vs stranger, perceived rejection & partner's mood & rejection & interpersonal responses, dysphoric vs nondysphoric college students, 29630
coping activities, 21–64 yr olds with chronic back pain with vs without depression, 45931
coping response preferences, depression & social maladjustment & suicidality, adolescent psychiatric patients, 5744
coping responses & depressive symptoms, 50–98 yr olds with chronic physical diseases, Norway, 45900
coping strategies & stress & anxiety & physical symptoms & depression, 2nd yr medical students assessed 1 yr before vs 9 days after Gainesville serial murders, 45784
coping strategies, clients with major depression &/vs agoraphobia, 1 yr followup, 45384
coping style & depression, psychiatric outpatients, Canada, 13750
correlates of parenting stress, depressed vs nondepressed 16–42 yr old mothers of 3–13 mo olds, 13716
correlation of collected item pool from anxiety scales with self rated Zung Anxiety Index vs Rand Depression Screener, anxiety disorders vs medical patients, 28000
cortisol & prolactin responses to d-fenfluramine, male 18–52 yr olds with obsessive compulsive disorder vs major depression, Ireland, 13666
cortisol infusion, anterior pituitary hormone secretion & subjective mood, patients with major depression or dysthymic or depressive adjustment disorder, 21754
cortisol levels & life & social variables, depression, institutionalized elderly, 41531
cortisol plasma & stability of circadian rhythms, depressed 19–62 yr olds, 25781
cortisol reactivity & psychosocial factors, anxiety & depression during pregnancy & early postpartum period, 14–19 yr old females, 37651
cortisol secretion, remitted depressed elderly, 45475
course & morbidity & costs of depression & its treatment, 5830
course of change in intensity of personal problems during psychotherapy, 27–62 yr old clients with depression or anxiety symptoms, longitudinal study, 46187
course of depression, outpatients with history of hypertension or myocardial infarction or current insulin dependent diabetes, 1 or 2 yr study, 38144
criminal behavior & responsibility, offenders with bipolar disorder or major depression or affective psychosis, 10101
crisis intervention & drug therapy & psychotherapy, depressed inpatients of special treatment wards, past 10 yrs, West Germany, 23137
criterion contamination in self report depression scale items, patients with rheumatoid arthritis, 39819
cross cultural variations in prevalence & expression of depressive symptoms, White vs Black American vs Japanese vs Taiwanese 60 yr olds & older vs other nationalities, Japan vs Taiwan vs US, 29614
CSF aspartic acid & 5-HIAA 6 glutamic acid & HVA & MHPG levels, 21–74 yr olds with unipolar or bipolar depression or Alzheimer's disease or obsessive compulsive or phobic disorders, 45324
CSF monoamine metabolites, patients with poststroke depression, 18315
CSF transthyretin & central hypothyroidism, adults with refractory major depression, 45443
CSF 5-HIAA & HVA & MHPG, medication free vs fluoxetine treated 23–65 yr olds with major depression, 45436
CSF 5-HIAA & prolactin response to fenfluramine vs platelet 5-HT-2 receptor binding, depressed inpatients with vs without history of suicidal behavior, 1681
cultural affinity with psychotherapist, reframing illness in supernatural context during group therapy, 67 yr old Hispanic female with severe depression, case report, 10565
current & retrospective perceptions of parenting & relationship with parents & parental depression, depression & cognitive vulnerability, college students, 13740
cyclic antidepressant therapy vs ECT, cognitive & affective outcome, 55 yr olds & older with major depression, 15 mo & 4 yr followups, 46151
cyproheptadine, phenelzine induced anorgasmia & recurrence of depression, depressed 37 yr old male, letter, 10743
daily self ratings in confirmation of PMS & late luteal phase dysphoric disorder, females, commentary, 22208
daily self ratings in confirmation of PMS & late luteal phase dysphoric disorder, females, commentary reply, 22199
death rate from self poisoning with physician prescribed antidepressants & relation of serotonin levels to suicide attempts, depressed patients, 17935
deaths of lovers & close friends from AIDS, frequency of depressive symptoms & disorder, HIV positive vs negative homosexual males, 10297
defense style & psychosocial adaptation, adolescent females with eating disorders or depression, 21657
defensive styles, depressed 18–45 yr old inpatients, 33596
definition & symptomatology & treatment & prevention & role of depression, patients with rebound headache, 26185
definitions of secondary depression, comorbidity & treatment outcome findings, patients with anxiety disorders, conference presentation, 5944
dementia & depression & confusional states & other clinical presentations, 75–93 yr olds with neuropsychiatric systemic lupus erythematosus, 22190
demographic & clinical variables, relationship of medication compliance to long term prophylaxis, patients with recurrent depression, conference presentation, 18724
demographics & depressed symptoms & medical illness, overall functional status, 21–89 yr old inpatients with major depression, 45453
demographics & health & health problems & time in hospital & preferences for invasive life saving interventions, elderly hospitalized depressed patients, implications for treatment refusal, 26900
demographics & health & time in hospital & preferences for invasive life saving interventions, elderly hospitalized depressed patients, treatment refusal implications, commentary, 26903
demographics & psychosocial factors & family relationships & depressive symptoms, females having induced abortion, 46651
depression & anxiety & adjustment & separation individuation, college students, 17759
depression & anxiety & global psychopathology, treatment outcome, male vs female alcoholic clients, 6 mo followup, 23225
depression & anxiety & memory impairment, adults with Lyme encephalopathy vs fibromyalgia vs nonpsychotic depression, 1539
depression & anxiety & other psychopathology after serological testing for HIV, adults at risk for HIV infection, 12 mo study, 45997
depression & anxiety & response to pain & style of interpreting everyday experiences, 17–57 yr old females with chronic pain from whiplash injury, 34042
depression & anxiety & sexual dysfunction & sex hormone levels & liver function, 30–60 yr old methadone maintenance patients, 15129
depression & burnout & perceived job control, hospital nurses, 25771
depression & cerebral glucose metabolism, 15–42 yr olds with complex partial seizures with left vs right temporal vs bilateral vs indeterminate foci, erratum, 10338
depression & cognitive impairment, patients with mild multiple sclerosis, Canada, 14171
depression & dementia, elderly, implications for professional & family caregivers, 37615

depression & hopelessness & reasons for living & negative life events, prediction of suicide intent, newly hospitalized parasuicidal 14–46 yr olds, 17955
depression & neuropsychological performance, asymptomatic HIV seropositive males, 45976
depression & other psychiatric disorders, patients with obstructive sleep apnea, Hong Kong, commentary, letter, 38114
depression & pain extent & test administration method, description of pain, females with fibromyalgia syndrome vs rheumatoid arthritis, replication, 22179
depression & psychosocial distress, single females vs married males vs females with Parkinson's disease in stable vs impaired relationships, 10407
depression & self esteem & causal attributions & control beliefs concerning painful symptoms, patients with early stage chronic synovitis, England, 38137
depression & self esteem & efficacy & work limitation & pain, 15–66 yr old injured workers, 30071
depression & self esteem & suicidal ideation & GPA, at risk 9th–12th graders, 27485
depression & self esteem & suicide ideation & death anxiety & GPA, 14–19 yr olds of divorced vs nondivorced parents, 25199
depression & stress mediating potentials of social embeddedness & family & other social support, 55 yr old & older flood victims, longitudinal study, 25776
depression & suicidal ideation, Hispanic vs African American high school students, 13624
depression, African American females, literature review, 9800
depression as cerebral manifestation of scleroderma, 63 yr old male with Raynaud's syndrome, case report, 10315
depression as disorder of neurotransmitter or receptor superfamily, 29600
depression as neurologic disease, 29597
depression, categorization in criterial attribute vs family resemblance tasks, college students & psychiatric inpatients, 45469
depression, epileptic patients, 38220
depression, male vs female college students vs nonstudents, Australia, 45445
depression, patients with multiple sclerosis, meta analysis, 34230
depression, prediction of physical & psychosocial illness related behavioral dysfunction, patients with rheumatoid arthritis, 22172
depression, report of child conduct disorder & attention deficit behaviors, mothers of 12–13 yr olds, New Zealand, 37685
depression subtype, mortality from suicide & other causes, patients with major depression, Denmark, 3–10 yr study, 37678
depression, 13–18 yr olds with chronic daily headache, 22211
depression, 18–58 yr olds with compulsive disorder, translated article, 37783
depressive & distress symptoms, low back & neck shoulder pain & other musculoskeletal morbidity, metal industry employees, Finland, 10 yr followup, 47448
depressive & manic symptoms, patients with agitated depression vs acute mania with vs without dysphoric symptoms, 45473
depressive symptom expression identified on Reynolds Adolescent Depression Scale & Beck Depression Inventory, male vs female 13–15 yr olds, Canada, 41533
depressive symptomatology & attributional style & dysfunctional attitudes & social competency, successful vs unsuccessful high school students with vs without learning disabilities, 11540
depressive symptomatology & self esteem & self blame, 19–50 yr old battered females, 13863
depressive symptomatology, facial expression of emotion, adults with schizophrenia vs unipolar major depression, 25691
depressive symptoms & cognitive impairment & physical ill health, length of stay & mortality & activities of daily living, 64–102 yr olds with emergency hip surgery, 1 yr followup, 2820
depressive symptoms & illicit drug use & suicidality, 11–19 yr olds, US vs Mexico, 1562
depressive symptoms & reassurance & negative feedback seeking & roommate's evaluation, adults, integration of J. Coyne's interpersonal theory of depression & self enhancement & self consistency theory, 45448
depressive symptoms & self reported alcohol & carbohydrate & caffeine use, outpatients with seasonal affective disorder vs major depression &/vs alcohol dependence, 21640
depressive symptoms as relative vs attributable risk factors for 1st onset major depression, 18–96 yr olds, 5826
depressive symptoms, ratings of child portrayal of prosocial vs internalizing vs externalizing behaviors, 18–39 yr old females vs 29–49 yr old mothers of children with externalizing disorders, 45447
depressive symptoms, 32–86 yr olds with chronic musculoskeletal pain, 8 yr followup, 45914
depressive themes in negative automatic thoughts, patients with major depression vs panic disorder vs social phobia, France, 29546
design of & recruitment for randomized clinical trials, transferability of pharmacologic or psychotherapeutic care from psychiatric to primary care settings, patients with major depression, 42708
desipramine, alcoholic 18–65 yr olds with vs without secondary depression, 7236
desipramine, development of stuttering & jaw myoclonus, depressed 28 yr old male, letter, 18754
desipramine induced changes in skin & iris color, female depressed 61 yr old, letter, 30517
desipramine vs adinazolam, 24 hr urinary 6-sulphatoxy melatonin, depressed female 18–55 yr olds, 14700
desipramine vs fluoxetine, thyroid hormone levels, patients with major depression, 30513
desipramine, 15–20 yr olds with major depressive disorder, Canada, 6706
development & pharmacological & biochemical mechanisms of antidepressants, depressed patients, 22704
development & reliability & validity of protypical anxiety & depression scales, psychiatric patients, Netherlands, 12012
development & reliability & validity of Cognitive Triad Inventory for Children, depressed &/vs anxious 4th–7th graders, 20034
development & reliability & validity of Youth Depression Adjective Checklist, emotionally disturbed vs nonreferred 11–17 yr olds, 20021
development & social support & depression & family functioning & stress & other factors, diabetic control, 14–18 yr olds with diabetes mellitus, conference presentation, 2147
development & validity of brief depression scale, medically ill hospitalized male under 40 & over 70 yr olds, 4138
development of clinical practice guidelines for diagnosis & treatment of depression by primary care practitioners, Agency for Health Care Policy & Research, 7067
development of cognitive therapy for depression & application to diverse clinical populations, 34425
development of interview based Geriatric Depression Rating Scale, 58 yr olds & older, 12010
development of positive & negative event scales, assessment of association with depressive symptomatology, 36–85 yr old caregivers, scales appended, 24138
development of screeners from subset of questions from Diagnostic Interview Schedule, screening for depression or drug or alcohol problems, community residents & medical & mental health patients, 31915
development of selective serotonin reuptake inhibitors & reversible MAO inhibitors for treatment of depression, 18776
development of subscales of Dysfunctional Attitude Scale, assessment of cognitive vulnerability to depression & anxiety, college students, Australia, 7996
developmental & precipitating factors & comorbid panic disorder, depressed &/vs agoraphobic patients, Norway, 45385

developmental concerns in & psychotherapeutic implications of cognitions & competencies & coping behavior, depressed children & adolescents, 26482
dexamethasone, angiotensin I converting enzyme activity, patients with minor vs simple major depression vs melancholia, 21769
dexamethasone, sleep EEG & plasma cortisol & TSH response to TRH, depressed 19–60 yr olds, 44703
dexamethasone suppression status & arginine vasopressin, ACTH response, patients with major depression, 37679
dexamethasone, unilateral vs bilateral ECT induced cortisol release, male melancholic 47–75 yr olds, 10758
diagnosis & antidepressant treatment of depressive illness, 34536
diagnosis & current pharmacotherapy & other treatments, difficult to treat depressed patients, conference presentation, 34286
diagnosis & pharmacotherapy, children & adolescents with depression or anxiety disorders, 46528
diagnosis & treatment & epidemiology, elderly patients with major depression, 9824
diagnosis & treatment, major depression, patients with chronic lower back pain, literature review, 6461
diagnostic efficacy of Beck Depression Inventory vs Symptom Check List-90 vs Brief Psychiatric Rating Scale, 19–45 yr old psychiatric patients, 8009
diagnostic utility of Symptom Checklist-90-R, depressed or conduct disordered adolescent inpatients, 21644
diagnostic validity of tyramine test, elderly with major depression vs dementia, 17630
diastole vs systole cardiovascular phase, EPs, depressed or schizophrenic patients, 21722
differential diagnosis & pharmacological treatment, depressed elderly, conference presentation, 34577
differential diagnosis & pharmacotherapy, depressed patients with comorbid anxiety, conference presentation, 33531
differential diagnostic utility of Rorschach Test, unipolar vs bipolar depressed vs manic 22–64 yr olds, 31918
differentiation of negative emotion structure in self & other perception, severity of symptomatology, patients with unipolar major depression, 13717
difficulties & rewards, spouse & adult caregivers of depressed 60 yr olds & older, 7117
dimenhydrinate abuse & presentation as depression, adolescents, 41727
dimensionality of short form of Beck Depression Inventory, screening for depression, 18–84 yr old family practice outpatients, 35924
diminished nocturnal penile tumescence & EEG & other psychobiological correlates, depressed males, replication, 9832
direct & indirect costs associated with treatment, depressed patients, England & Wales, conference presentation, 30276
discontinuation of metoclopramide, haloperidol induced dystonia & parkinsonism, 23 yr old female with melancholic major depression, letter, 18749
discrepancies in self report vs interpersonal perception of mood & life events & stress, relapse, remitted depressed patients, 1693
discriminant validity of Inventory to Diagnose Depression & Beck Depression Inventory, assessment of anxiety symptoms, 17–54 yr olds, 31883
discussion in self help group, illness & treatment ambiguity & comprehension, adults with manic or major depression, 26827
disease activity & helplessness & immunologic activation, depression & pain, male patients with definite vs class rheumatoid arthritis, 22233
disease course & outcome, depressed patients with vs without suicide attempts, Germany, 4–6 yr followups, 17731
disease stage & change in mood & anxiety & depression, HIV seropositive symptomatic vs asymptomatic vs seronegative homosexual or bisexual males, 41994
distorted perceptions of own children's problems, depressed mothers, research review, 13744
do-not-resuscitate orders, depressed elderly psychiatric inpatients, 6446
domestic violence, behavior problems & depression, 8–12 yr old victims of child abuse &/vs witnesses of spouse abuse, Israel, 17953
dopamine autoreceptor agonist roxindole, 36–64 yr olds with major depressive episode, 42434
dosages of corticotropin 4-9 analog ebiratide, female 60–82 yr olds with major depression with psychomotor retardation vs 60–68 yr olds with probable Alzheimer's disease, 46453
drawing of fish pictures following recovery from depression, 34–66 yr olds with major or bipolar depression, 45432
dream content, suicidal vs depressed patients, 33486
dream screen transference in psychoanalysis, adult female with chronic depression & self doubt, 6646
drug therapy for mixed anxiety & depression, conference presentation, 46522
DST & antidepressant treatment responses, mentally retarded 18–56 yr olds with major depression, England, 14730
DST & brain MRI, depressed hospitalized patients, 41535
DST & depressive attributional style, patients with endogenous depression &/vs melancholia, replication, 25787
DST & imipramine platelet binding & sleep EEG & other biological markers of depression, 13725
DST & TSH response & sleep EEG & clinical variables, patients with recurrent brief vs major depression, 21775
DST, prediction of response to nomifensine vs zimeldine, 19–66 yr olds with major depression, Belgium, 18698
DST response & psychopathological & psychiatric correlates, depressed patients, 17741
DST responses, 12–17 yr olds with major depressive disorder, errata, 29604
DST responses, 12–17 yr olds with major depressive disorder, 17732
DST results & prediction of major depression, adults with high stress levels, 21744
duration of & seasonal changes in depressive episodes & light therapy, patients with seasonal affective disorder with vs without recurrent brief depression characteristics, Germany, 17747
duration of depressive episode, response to placebo vs antidepressant clinical trials, conference presentation, 10693
duration of drug therapy &/vs psychotherapy, functional capacity to work & symptom outcomes & prognosis, depressed patients, research review, 6455
duration of drug therapy &/vs psychotherapy, functional capacity to work & symptom outcomes & prognosis, depressed patients, research review, erratum, 26398
dynamically rigid vs labile vs physiomorphic EEG & psychopathology, inpatients with endogenous vs nonendogenous depression, 37716
dysfunctional cognitions & related depressive symptomatology, learning disabled vs seriously emotionally disturbed 14–17 yr olds in public school vs juvenile correctional setting, 33485
dysphoria & affective vs cognitive vs perceptual body image evaluation, female college students, 17687
dysphoria, vulnerability to negative life events, college students, 41547
dysthymic vs major depressive vs panic vs generalized anxiety disorders, psychiatric patients, 5777
EAP based brief therapy, suicidal ideation & ability to work & decision making ability, employees or their spouses or dependents with exogenous depression, 35543
early vs late sleep deprivation with antidepressants, plasma TSH & triiodothyronine & prolactin & cortisol, depressed adults, 42518
ECT & ECS studies concerning role of dopamine activity in subtypes of depression & mania, commentary, 17738
ECT alteration of seizure threshold, depressed patients, 34601
ECT, cerebral metabolism of lactate & nucleotide triphosphates, female patients with major depression, 46558
ECT, delayed transient amnesia & disorientation, 39 yr old female with recurrent major depressive disorder, case report, 30538
ECT, depressed male 53 & 70 yr olds with aortic aneurysms, 46553

ECT, depressed 54 & 65 yr old males with implantable cardioverter defibrillator, case reports, 38615
ECT, depressive symptoms, female 73 yr old with Creutzfeldt-Jakob disease, case report, 34725
ECT, development of Cheyne-Stokes respiration, depressed 65 yr old male, case report, 18802
ECT, hospitalized female 78 yr old with major depression & multiple concurrent medical diagnoses, 30543
ECT induced EEG seizure duration, 18–78 yr olds with major depression vs schizophrenia, 22801
ECT induced hypomania, patients with major depression, letter, 22799
ECT induced interictal delirium, patients with Parkinson's disease & depression, commentary, letter, 18883
ECT, major depression & parkinsonism & dysarthria, 69 yr old male, case report, 10751
ECT, major depression following timolol & acetazolamide, male 65 yr old with glaucoma, letter, 26899
ECT, medication resistant major depression, male 67 yr old heart transplant patient, case report, 22889
ECT, memory & depression & affective aprosody, patients with unipolar or bipolar depression, 22806
ECT, memory assessed with Randt Memory Test, depressed 19–79 yr olds, 34610
ECT, parkinsonism & depression & motor functions, 52–80 yr olds with Parkinson's disease, 10822
ECT, plasma insulin & glucose, inpatients with major depression, 2701
ECT, P300 amplitude & latencies, patients with major depression with melancholia, 42516
ECT, spontaneous seizures, male 65 yr old with Parkinson's disease & agitated major depression, commentary on case report, letter, 22818
ECT, spontaneous seizures, male 65 yr old with Parkinson's disease & agitated major depression, reply to commentaries on case report, letter, 22797
ECT, spontaneous seizures, male 65 yr old with Parkinson's disease & agitated major depression, commentary on case report, letter, 22811
ECT vs antidepressant drugs, switch from depression to hypomania, patients with unipolar or bipolar depression, 10439
ECT vs fluoxetine vs amitriptyline, d-fenfluramine challenge on cortisol & prolactin release in serotonergic function, patients with major depression, 18482
ECT vs tricyclic antidepressants, nonpsychotic major depression, literature review, 42153
ECT with propofol & thiopental anesthesia, cardiovascular response & anesthetic recovery, female 22–67 yr olds with unipolar depression, Spain, 46574
ECT 1 vs 3 times per wk, cognitive assessment & antidepressant response, depressed 53–87 yr olds, 22805
EEG sleep parameters, 18–50 yr olds with panic disorder vs major depression, 25720
EEG sleep, patients with ACTH dependent vs independent Cushing's syndrome vs major depressive disorder, 17659
effectiveness in management of depression, patient outcomes, general practitioners vs practice nurses, 19030
efficacy & effects of moclobemide vs doxepin on sexual function, patients with major depression, conference presentation, 30496
efficacy & safety & tolerability of paroxetine vs clomipramine, depressive patients, conference presentation, 10697
efficacy & safety of maintenance ECT, depressed 75–84 yr olds, 6822
efficacy & side effects of fluoxetine vs amitriptyline, 21–63 yr olds with major depressive disorder, Australia, 38556
efficacy & side effects of methylphenidate, depression, elderly stroke patients, 30638
efficacy & specificity & combination of cognitive therapy & pharmacotherapy, depressed patients, 10463
efficacy & tolerability of fluoxetine vs mianserin, cognitive & behavioral performance, 60–80 yr olds with depressive disorder, 38562
efficacy & tolerability of im flupenthixol decanoate, 15–94 yr olds with depression vs anxiety vs pain vs psychosomatic disorders, 6708
efficacy & tolerability of paroxetine, depressed outpatients, 30453
efficiency increment in differential diagnosis, 30–80 yr olds with dementia vs major depression, Brazil, 5698
effortful vs automatic memory performance, depressed 16–75 yr olds, 33601
ego deficits involving interoceptive awareness & effectiveness & interpersonal distrust, female adolescents with anorexia nervosa &/vs major depression, 9737
emotional content of dichotic listening stimuli, focused attention & RT, symptomatic vs asymptomatic depressed college students, 3 mo followup, 45458
emotionality & activity & sociability temperament traits, children with anxiety & depression vs hyperactivity vs delinquent behavioral syndromes assessed at 1–4 vs 7 yrs old, 33490
environmental & behavioral skill correlates of depressive symptoms, battered females, 6022
EP topography, depressed vs schizophrenic 16–67 yr olds, 25738
epidemiology & clinical features of & DSM-III diagnostic criteria for depression, 18–65 yr olds & older, 13746
epidemiology & treatment of depression, patients with coexisting somatoform disorders or somatization or pain, research review, 5722
epidemiology of comorbid mixed anxiety & depressive disorders, psychiatric patients & adults, conference presentation, 33562
epidemiology of major depression, primary care patients, research review, 1975–90, 6231
epilepsy associated depression & other moods & affective disorders, 18399
episodes & course, patients with bipolar vs unipolar affective disorders, 5 yr followup, 45477
estimation of concurrent & lingering effects of depression on social functioning, adult depressed patients, 41560
etiology & maintenance treatment of recurrent depression, 14465
evaluation of depression by psychiatric interview vs self report, 47–72 yr old stroke patients, 6332
evaluations of self vs partner social behavior in dyadic interactions, depressed vs nondepressed female college students vs objective coders, 5811
evening RU486, plasma ACTH, depressed 29–68 yr olds, 14703
event frequency & pleasantness, depression subtypes, 17–40 yr olds, Australia, replication & test of Staats-Heiby theory, 21780
everyday events & social support & personality factors in 2 domain model of well being, affect & depression & somatic complaints, college students, 9707
everyday hassles & stress & life events & depression, adult patients with globus sensation, Scotland, 2125
excitatory & other side effects of moclobemide, 26–78 yr olds with treatment refractory depression, case reports, 34542
exercise therapy for depression, conference presentation, 46564
expectations of vs willingness to pursue pleasant activities vs perceived insight to own problems as basis for self perpetuated ruminative responses to depressed mood, dysphoric college students, 45454
exposure to self referential stimuli, change in natural killer cell activity, anxious vs dysphoric adults, test of self discrepancy theory, 37668
exposure to violence & incidence of depression, low income African American 7–18 yr olds, 37686
exposure to violence, distress symptoms & depression, 6–10 yr olds in moderately violent inner city community, 37891
extent & correlates of burden, family members of 15–45 yr olds with bipolar disorder vs major depression, India, 13711
eye movements during REM sleep, male veterans with schizophrenia vs major depressive disorder, 45366
facial & auditory affect recognition & ability to comprehend & follow instructions, institutionalized depressed vs nondepressed 6.1–10.8 yr olds, 45470
facial emotion discrimination, depressed 24–71 yr olds, 5818

facial expressions & emotional face recognition, patients with acute schizophrenia vs major depression, 17691
factor analysis of constructs underlying psychomotor disturbance, depressed patients, Australia, 37708
factor analysis of Death Anxiety Scale vs Death Depression Scale, adults, 24103
factor structure of Beck Depression Inventory, patients with major depressive episode, 20052
factor structure of Center for Epidemiologic Studies-Depression Scale, 20–74 yr old Mexican American vs Puerto Rican mothers from single vs couple headed households, 4087
factor structure of Rorschach Inkblot Test, 13–17 yr old inpatients with conduct or depressive or other disorders, 31863
factors attenuating validity of Geriatric Depression Scale, patients with probable Alzheimer's disease, 7997
factors in depression severity & high risk sexual behavior & drug use, 19–59 yr olds with HIV infection, 34090
factors in length of hospital stay, depressed adolescents, 30940
familial factors, clinical features & symptoms, female monozygotic vs dizygotic twin pairs concordant for major depression, 25777
familial load for bipolar I disorder & unipolar recurrent depression vs bipolar II disorder, patients & their 1st degree relatives, Germany, DSM-IV implications, 37691
familial social support & expressed emotion & perceived criticism & life events, depressive symptomatology, 40 yr olds & older, 9809
family & marital therapy, depressed patients & their families, 38489
family environment & role of surviving parent after childhood parental death, depression, 20–50 yr olds, 9830
family expressiveness & depression proneness, 18–47 yr old females, 9804
family functioning & peer isolation & major depression & other symptoms, adolescent psychiatric referrals with physically ill parent, Canada, 9724
family history & reactivity to stressful life events, male vs female 26–74 yr olds with major depression, Japan, 33597
family or personal history of affective or anxiety disorders & neuroticism & life events, risk for poststroke depression, stroke patients, Australia, 2228
family pedigree, depressed 61 yr old female with family history of suicidal & homicidal behaviors, Greece, 9941
family psychiatric history & low self confidence, adults with major depression, 1 yr followup, 5827
family size & religiosity & contextually assessed stress, depressive symptoms, orthodox Jewish adult females, 41550
family support networks, depressive symptomatology, depressed 18–60 yr old discharged psychiatric patients, Germany, 7 mo followup, 45474
features & forms & neuroleptic & antidepressant & other treatments, patients with psychotic depression, 22707
feeling of shame & depression, Vietnam veterans with PTSD vs depression vs substance abuse, 17666
feminist perspective on lack of methodological rigor in research on & criteria for diagnosis of PMS & late luteal phase dysphoric disorder, commentary, 17650
feminist perspective on lack of methodological rigor in research on & criteria for diagnosis of PMS & late luteal phase dysphoric disorder, 17634
fiber content of diet, malabsorption of & serum tricyclic antidepressants, depressed male 43 yr old & female 42 & 52 yr olds, 18779
flash & pattern reversal stimuli, serial visual EPs, 65 yr olds & older with senile dementia of Alzheimer's type or multi-infarct dementia or major depression, Scotland, 10408
fluoxetine & chloral hydrate, development of prolonged drowsiness, 42 yr old female with recurrent depressive disorder, letter, 22705
fluoxetine, aggressive behavior, adults with major depression, 6710
fluoxetine, anger attacks, 18–65 yr olds with major depression, conference presentation, 10677
fluoxetine, coexisting polyarthritis, female 55 yr old with major depression, case report, 6784
fluoxetine, CSF corticotropin releasing hormone & arginine vasopressin & mood, patients with major depression, 38542
fluoxetine, depression, hospitalized physically ill 69–93 yr olds, 30621
fluoxetine, depression, 46 yr old female with CNS Sjogren's syndrome dependent on pulse corticosteroids, case report, 34763
fluoxetine, depressive & sexual symptoms, males with nonparaphilic sexual addiction vs paraphilias, 18742
fluoxetine, development of galactorrhea & hyperprolactinemia, female 17 yr old with bulimia & depression & suicidal behavior, Israel, letter, 2641
fluoxetine, development of hyponatremia secondary to syndrome of inappropriate antidiuretic hormone secretion, 83 yr old female with major depression, case report, 30479
fluoxetine, emergence of suicidal ideation, depressed patients, research review, 30499
fluoxetine induced adverse cutaneous reactions, 21–45 yr olds with major depression or obsessive compulsive disorder, 14707
fluoxetine induced hypomania, female depressed 29 & 44 yr olds, letter, 14721
fluoxetine induced painful prolonged erection & loss of ejaculation, male 41 yr old with major depressive disorder, letter, 18763
fluoxetine induced vaginal anesthesia, depressed female 37 yr old, letter, 46468
fluoxetine or tricyclic antidepressants, development of prominent eye movements during NREM sleep or REM sleep behavior disorder, patients with depression or obsessive compulsive disorder, 2667
fluoxetine retreatment, relationship of akathisia to previous suicide attempts, depressed 25–47 yr olds, commentary, 2660
fluoxetine retreatment, relationship of akathisia to previous suicide attempts, depressed 25–47 yr olds, commentary reply, 2663
fluoxetine, severe emotional disturbances & suicidal ideation, female 32 yr old with depression & bulimia nervosa, case report, 18735
fluoxetine vs desipramine, 18–65 yr olds with major depression, 38586
fluoxetine vs imipramine, 20–80 yr old outpatients with major depression, 38573
fluoxetine vs protryptyline, weight loss, overweight depressed 16–61 yr olds, 2654
fluoxetine vs tricyclic antidepressant &/vs placebo, emergence of suicidal thoughts & acts, patients with major depressive disorder, meta analysis, 18701
fluoxetine vs tricyclic antidepressants, development of weight loss & nausea & anorexia, 60–71 yr olds vs 75 yr olds & older with vs without depression, 10660
fluoxetine with or without mechanical restraint, chronic depression & self injurious behavior, severely or profoundly mentally retarded patients, 46518
fluvoxamine & tryptophan depletion, serotonin dysfunction, male 55 yr old with Parkinson's disease & major depression, case report, 14714
fluvoxamine induced polydipsia, female 30–39 yr olds with dysthymic disorder & 40 yr old with panic attack disorder with agoraphobia, letter, 42408
fluvoxamine, inhibition of antidepressant drug demethylation & hydroxylation, depressed patients, 46452
fluvoxamine or maprotiline, plasma T3 & T4 & TSH & body temperature, depressed 28–71 yr olds, 6739
fluvoxamine, platelet & plasma serotonin, 25–62 yr olds with major depression, 10664
fluvoxamine vs amitriptyline, depressed 26–68 yr olds, Italy, 38550
focal abnormalities & cerebral blood flow, depressed patients with vs without cognitive impairment, 13705
follicular vs ovulation vs late luteal phase, serum progesterone & testosterone & other androgens & sex hormone binding globulin, female 31–44 yr olds with PMS & dysphoria, 14166
food intake & appetite, patients with severe depression & melancholia, 41544

forced swimming in fresh vs same vs other rat strain soiled water, immobility, male Maudsley reactive vs nonreactive vs Sprague Dawley rats, animal model of anxiety &/or depression, 24814
frequency & entity of depressive disorders, 7.6–12 yr olds with migraine or tension headache, Italy, 14187
frequency of personality disorders & relationship to antidepressant therapy outcome, 21–70 yr old outpatients with nonbipolar major depression, Japan, 45465
fresh start &/vs anchoring events, recovery or clinical improvement, female adults with anxiety vs depressive disorders, England, 1587
full vs half dose maintenance antidepressant, patients with recurrent unipolar depression, 38549
GABA-B binding site in frontal cortex, postmortem brains of 22–74 yr old violent vs nonviolent suicide victims with vs without depressive symptoms, Sweden, 25890
ganglioside antibodies, schizophrenic vs depressed patients, 21732
Ganser syndrome followed by depressive episode, male 31 yr old, case report, 45382
gatekeeping techniques for inclusion of delusional dominating & self defeating personality & late luteal phase dysphoric disorders, DSM-IV Revisions Task Force members, 21712
General Health Questionnaire scores, coresident vs nonresident caregivers of elderly with depression vs dementia, Australia, 38919
genetic & environmental factors, prevalence of comorbid bulimia & major depression, 17–55 yr old female twin pairs, 13644
genetic & environmental factors, symptoms of anxiety & depression, families, 1984–86, Norway, 37670
genetic & nonfamilial environmental contributors, comorbidity between major depression & agoraphobia or social or animal or situational phobias, female twins, 41487
genetic control of muscarinic cholinergic sensitivity, crossbred rats of Flinders sensitive & resistant lines, animal model of depression, 16513
genetic vs environmental contributions to individual differences in self reported depressive symptoms, 29–87 yr old twins reared together vs apart, Sweden, 13715
genetic vs environmental factors, comorbidity of generalized anxiety & major depression, female twins, 5762
genetically based approach to unipolar bipolar classification & role in linkage analysis, relatives with unipolar disorder in family pedigree of patients with bipolar disorder, 37676
geriatric clinical psychopharmacology research, elderly with Alzheimer's disease or dementia or major depression, 26922
geriatric psychiatry approach to investigation & diagnosis & treatment, elderly with late life depression, US, 34280
geriatric psychiatry curriculum in psychiatric residency program, knowledge of geriatric depression, residents vs attending psychiatrists, letter, 43031
grief & rage & depression in response to daughter's upcoming marriage, female 47 yr old, application of feminist interpretation of myth of Demeter & Persephone, 9817
group job club intervention, job placement success & depression, unemployed 50 yr olds & older, 35528
guidelines for ECT as continuation treatment, depressed female 67 yr old, 14754
Hamilton Rating Scale for Depression vs DSM-III-R based assessments, depression, 65–84 yr olds with dementia of Alzheimer's type, Italy, 39832
hard neurological signs, patients with schizophrenia or schizoaffective disorder vs bipolar disorder or major depression, 29549
health & housing conditions & lack of social contacts, 1st admittance depressed 18–49 yr olds, Denmark, 23162
heart rate circadian rhythm & central temperature, REM latency, 28–60 yr olds with major depression, implications for biological markers, 29634
help seeking patterns, community residents with depressive symptoms, 19005
heuristic conditional probability procedure, determination of symptom criteria for differential diagnosis of anxiety vs depression, 4th–7th graders, 25721
high dose fluoxetine, 18–65 yr olds with major depression nonresponsive to standard dose, conference presentation, 10676
high dose immunoglobulin, immunity & depressive symptoms, 15–63 yr olds with chronic fatigue syndrome, 2798
historic perspective on antidepressant augmentation & supplementation & other pharmacologic strategies, patients with treatment resistant depression, 6777
historical review of depression & psychological suffering due to stigma of epilepsy in writer M. de Assis, Brazil, 26295
history of depression & attribution style, vulnerability to hopelessness depression, nondepressed college students, 1649
history of major depression, progression to nicotine dependence, smokers, 14 mo followup, 25969
history of psychomotor change as clinical descriptor of melancholia, 1685
history of seizures & anticonvulsant drug therapy, epileptic patients with vs without depressive disorder, 46070
HMPAO-SPECT measured regional cerebral blood flow, patients with schizophrenia or schizoaffective disorder or major depression, 41505
homogeneity of DSM-III-R mood category for personality features, patients with mood incongruent psychotic affective illness vs typical affective disorder vs schizophrenia, Germany, 17724
hopelessness as predictor of depression persistence, inpatients with major depression, 6 mo followup, 23146
hopelessness, stress related depressive symptoms, college students, 21751
hormone replacement, adult females with menopausal depression, conference presentation, 26784
Hospital Anxiety & Depression Scale as screening test, cancer patients, 35943
hospitalization, depression & anxiety, 15–56 yr olds with borderline personality organization, Finland, 23122
hydrocortisone, fast feedback inhibition of beta endorphin & lipotropin secretion, depressed patients, commentary, letter, 37705
hydrocortisone, fast feedback inhibition of beta endorphin & lipotropin secretion, depressed patients, commentary reply, letter, 37722
hypomanic episodes & hyperthymic temperament, subtyping for bipolar II disorder, 18–82 yr olds with unipolar or bipolar depression, 21745
hypothalamic-pituitary-adrenal axis function & MAO activity, depressed vs schizophrenic DST suppressors vs nonsuppressors, 25733
hypothalamic pituitary adrenal axis function correlates & suicidal behavior, depressed patients, 21774
hypotheses on biological basis of & pathophysiological processes in depression, depressed patients & animals, research review, commentaries & reply included, 13729
illness phase, depressive & positive symptoms, schizophrenic patients, 41573
im desipramine challenge, cortisol response, 18–64 yr olds with major depressive disorder, replication, 29594
imaginary scrapbook using neurolinguistic programing principles & recall therapy & guided reminiscence & lifebook method, symptoms during aftermath of clinical depression, elderly male, case report, 34599
imipramine, alcoholic adults with major depression, 46493
imipramine, depressed 18–65 yr old outpatients after unsuccessful cognitive therapy, conference presentation, 38599
imipramine, heart rate variability & BP & depression anxiety, 23–45 yr olds with panic disorder or major depression, 26794
imipramine induced motor & vocal tics, 8 & 16 yr olds with major depression & genetic vulnerability for tics, case reports, 14720
imipramine vs alprazolam, panic, 19–65 yr old panic disordered patients with major depression vs dysthymia vs unspecified depressive disorder, 42445
imipramine vs phenelzine, 18–65 yr olds with treatment refractory depression, 18755

imipramine, weight change during maintenance treatment, patients with recurrent unipolar disorder, 3 yr study, 18723
imipramine with behavior therapy & supportive psychotherapy, highly vs mildly depressed patients with obsessive compulsive disorder, 10448
imipramine with vs without mianserin, depressed 44–84 yr olds, 6752
immigration status & acculturation, association between alcohol use & depressive symptoms, Mexican American adults, 33587
immune & lymphocyte responses to phytohaemagglutinin, 21–65 yr olds with major depression vs anticipating bereavement due to spouse's lung cancer, England, 25792
implications of cigarette smoking cessation for major depression & other psychiatric disorders, 37655
improvement patterns & prediction of course & outcome, patients with melancholic vs nonmelancholic primary depressive disorder, 1 yr study, 13742
in vivo or in vitro desipramine, binding parameters for alpha2-adrenergic receptors & plasma catecholamines, depressed patients, Canada, 5851
incidence & duration of major depression, patients with traumatic brain injury assessed at hospital admission, 3 vs 6 vs 12 mo followups, 38254
incidence of current or lifetime affective disorder & borderline personality, psychiatric & eating disorder symptoms, bulimic patients, 33986
incidence of ECT induced interictal delirium, depressed 55–81 yr olds with history of cerebrovascular accident, 2694
incidence of suicide, adults with major depressive disorder vs mixed anxiety states originally assessed at ages 6–17, 21720
inclusion of mixed anxiety & depression as DSM-IV diagnosis, conference presentation, 45393
incremental efficacy of group behavioral therapy &/vs psychiatric hospital treatment, depressed 60 yr old & older geriatric patients, 6580
individual cognitive behavioral &/vs behavioral couple therapy & relationship quality, relapse, depressed wives & their husbands, 6 & 12 mo followups, 38501
individual differences in cognitive behavioral therapy homework compliance, recovery, depressed patients, 10527
induced happy vs sad mood, report of lifetime symptoms of major depression & dysthymia, female college students, implications for diagnostic interviewing, 37690
induced internal vs external attentional focus, self serving bias in causal attribution for verbal test performance, depressed college students, 5817
inescapable footshock stress, shock avoidance escape learning & forced swimming & saccharin consumption & open field behavior with vs without noise, male rats, animal model of depression, 20381
information processing & social cognitive problem solving, schizophrenic vs depressed patients, 21826
inhibition of noradrenaline uptake, therapeutic efficacy of oxaprotiline vs levoprotiline vs amitriptyline, 18–70 yr olds with major depressive episode, 34553
insight oriented psychotherapy sessions, spontaneously occurring autonomic psychophysiological processes, female 42 yr old with PTSD & major depressive disorder, 10508
insulin induced hypoglycemia, ACTH vs cortisol vs glucose response, hospitalized patients with major depression vs schizophrenia, 5761
integration of cognitive & behavioral marital therapy, spouses with depressed partner, 10545
integration of stress & coping theory into evaluation research, long term outcome, unipolar depressed & alcoholic patients, 10454
intellectual & behavioral & affective functioning, 6–12 yr olds with major depression with vs without learning disabilities, 17739
intensity of depressive mood & patterns of depressotypic cognition, conjugal bereavement depression, adults, 17761
interaction of fluoxetine & tricyclic antidepressants, plasma levels of tricyclic antidepressants, 23–70 yr olds with major depression, 22769
interactions between pursuit & saccadic components of eye movements, classification of disorders, paranoid vs nonparanoid schizophrenic vs unipolar depressed patients, 9772
intercenter differences in application of diagnostic criteria for endogenous vs melancholia subtypes, inpatients with nonpsychotic major depressive disorder, 21781
intercorrelations & convergent & discriminant validity of cognitive & symptomatic measures, depressed 18–69 yr olds, 4074
interhemispheric EEG during sleep, symptomatic vs asymptomatic depressed patients, 41530
internal consistency & factor structure of Center for Epidemiologic Studies Depression Scale, American Indian adults, 39827
internal consistency & interrater reliability & validity & factor structure of informant version of Children's Depression Inventory, mildly to profoundly mentally retarded 20–85 yr olds, Germany, 43777
interpersonal & cognitive characteristics, depressed adults, 21755
interpersonal sensitivity, outcome, depressed 18–80 yr olds, Australia, 1 yr followup, 1655
interpersonal sensitivity, remitted melancholic vs nonmelancholic depressed patients, Australia, 33581
interpersonal therapy, depression, HIV positive 17–61 yr olds, 6877
interpersonal vs self critical dysphoria, internalizing vs externalizing behavior disorders, 9th–12th graders, 37855
interrater reliability of modified CORE index, assessment of melancholia, patients, 35891
interrelation of stress & anxiety & depression in affective & anxiety disorders, literature review, 21695
interview schedules & questionnaires for & problems with screening & measurement of depression, elderly, conference presentation, 35896
intolerance of ambiguity & hopelessness as cognitive vulnerability factors for depression, college students, 13703
intrainformant agreement on perceptions of family functioning & marital satisfaction & parent child bonding, families with vs without depressed parent & 6–23 yr old offspring, 17746
irrational beliefs & depression & compensatory buffers, 9807
issues in construct & predictive validities for genetic animal model of depression, Flinders sensitive line rats, literature review, 32366
issues in DSM-III & DSM-III-R classification & clinical course & association, patients with panic disorder &/vs depression, translated article, 37646
issues in neurobiological correlates & clinical overlap with major depression & psychopharmacology, patients with panic disorder, 41630
iv clomipramine, blunted prolactin & ACTH & cortisol & growth hormone responses, 18–61 yr old depressed patients, 10683
iv clonidine hydrochloride, REM sleep response, depressed patients, 2668
iv clonidine, plasma MHPG & norepinephrine & mean arterial pressure & heart rate, acute vs remitted depressed male patients, 21777
iv levotryptophan & seasonal influences, mean peak delta prolactin response, melancholic patients, commentary, letter, 10658
iv levotryptophan, prolactin response, depressed patients, commentary reply, letter, 10714
joint occurrence of depression & aggression, mentally retarded 4–60 yr olds & older, 45846
juvenile desipramine, sensitivity to imipramine in forced swim & open field test, female rats, animal model of depression, 40552
ketoconazole, serum cortisol & depression ratings, hypercortisolemic depressed 21–67 yr olds, conference presentation, 45479
knowledge about dementia & depression in elderly patients, 30–68 yr old general practitioners, 3215
knowledge of premenstrual theme of study, self reported anxiety & depression & cognitive style, 25–45 yr old females with vs without premenstrual dysphoria, 25758

L-thyroxine, female 25 yr old with major depression & occult central hypothyroidism, case report, implications for treatment resistance, 22722
L-tryptophan, induction of sexual disinhibition, male 72 yr old with unipolar depression, case report, 22751
labetalol & nifedipine, BP & heart rate during ECT, depressed 53–82 yr olds, 26802
learned helplessness & explanatory style, depressive vs nondepressive psychiatric patients vs normal college students, Turkey, 1582
left lateral placement during ECT, 21–75 yr olds with major depressive episode, 10755
left vs right hemisphere preferences in visuospatial perception, depressed vs manic patients with vs without psychotropic medication, 17737
leucocyte T helper & T suppressor cytotoxic cell subset profile, patients with minor vs major vs melancholic depression, Belgium, 25782
leukocytosis & monocytosis & neutrophilia, males vs females with major vs minor depression, 5833
leukoencephalopathic changes in brain, under vs over 45 yr olds with major depression, 29608
level of & sensitivity to noise, prediction of noise annoyance & psychiatric disorder & psychophysiological correlates, normal & depressed 18–65 yr olds, England, followups, 21730
levo-5-HTP challenge, serotonergic system stimulation & cortisol & prolactin & human growth hormone levels, children with major depressive disorder, 13747
life events & family history & diagnosis & personality & other characteristics, patients with depression spectrum vs familial pure depressive disease, 5 yr study, 29636
life events & social support & coping, hospitalized depressed inpatients, 3027
life events, recurrence of depression, 18–44 yr olds with borderline vs antisocial personality disorders vs bipolar type II affective disorder, Canada, 33540
life strain & social resources & other variables, depression subdimensions of life satisfaction & withdrawal & general depressive affect, 65–101 yr olds, 37703
life stress & coping resources, depressive symptoms, Black vs Hispanic frail elderly, 41970
life stress, course & outcome of psychotherapy with antidepressants, adults with recurrent depression, 6456
lifetime history of major depression, females with subclinical hypothyroidism, 26177
lifetime history of maternal migraine or depression, 3–11 yr olds with headache or migraine or recurrent abdominal pain or abdominal migraine, 22228
light, disturbed circadian rhythms & seasonal affective disorder & nonseasonal depression, literature review, 5825
limited information use in decision making due to reduced attentional resources, dysphoric 18–26 yr olds, Canada, 25761
links between reality therapy & exercise therapy from control theory perspective & guidelines for combined implementation, patients with anxiety & depression, 22532
lithium & antidepressant drugs, 62 yr old with depressive Cotard's syndrome, case report, 18783
lithium & fluoxetine vs lofepramine, female 76 & 79 & 80 yr olds with treatment resistant depression, case reports, 2671
lithium carbonate, smooth pursuit eye tracking, 16–54 yr olds with psychotic bipolar disorder or major depression, Canada, 26739
lithium carbonate, 17 yr old female with periodic unipolar depression, 6771
lithium, development of thyroid dysfunction, 72 & 77 yr old females with depression, case reports, 30510
lithium, endogenous levels & red blood cell membrane differential concentrations of vanadium & rubidium & cesium & lithium, patients with bipolar disorder or depression, 10686
lithium toxicity induced Capgras syndrome, depressed female 74 yr old, case report, 14673
lithium, treatment resistant depressions, literature review, 6789
lithium vs carbamazepine, erythrocyte sodium-potassium adenosine triphosphatase, depressed 18–68 yr olds, 42482
long term antidepressant maintenance therapy, recurrent depression, conference presentation, 34556
long term clinical outcome, hospitalized patients with major depression & neurosis vs psychosis, England, 18 yr followup, 7156
long term pharmacological prophylaxis of bipolar & unipolar depression, conference presentation, 46474
long vs short term paroxetine vs imipramine, depressed 18–70 yr olds, conference presentation, 10665
low specificity & mild severity as explanation for depression underdiagnosis, patients with coronary artery disease with vs without major depression, 22313
low vs high blood lead & maternal depressive symptomatology, behavior problems & internalizing & externalizing behavior, African American 2–5 yr olds, 30006
low vs high dose lithium augmentation, patients with tricyclic antidepressant resistant depression, 42491
Macintosh prototype of computerized speech recognition psychological assessment program, screening depressive symptoms, conference presentation, 41540
magnitude of depressive morbidity & sociodemographic & disease related correlates, diabetic adults, Republic of Croatia, 22232
maintenance & continuation pharmacotherapy, patients with recurrent depressive disorders, 10729
maintenance ECT, 32 yr old chronically relapsing depressed male with mild mental handicap, case report, England, 18806
maintenance treatment with imipramine & interpersonal psychotherapy, patients with recurrent depression, 3 & 5 yr followups, 6451
major depression & coronary artery disease comorbidity, under 70 yr olds with vs without history of depression, 1529
major or dysthymic depression 2 wks poststroke, mortality, stroke patients, 10 yr followup, 18327
manifest anxiety & self esteem & locus of control & depression, 8–12 yr olds with behavior problems, 21261
manifestations of depressive symptomatology, African vs Mexican vs other Hispanic American vs Anglo 12–17 yr olds, 9825
maprotiline induced coma during suicide attempt, severe mania, depressed 39 yr old female, letter, 5804
maprotiline, video rating of affective & cognitive & global impression, 48–96 yr olds with dementia & mild depression, Austria, 42593
marital distress & spousal attribution, prediction of depression, husbands vs wives, commentary reply, 1696
marital distress & spousal attribution, prediction of depression, husbands vs wives, commentary, 1664
marital therapy vs individual cognitive therapy, depression, wives in couples with marital discord, 18512
masked depression, emotionally disturbed Black adolescents with conduct or attention deficit or other behavior disorders, 9926
masochistic dreaming & sex role attitudes, improvement & need for emotional support, patients with major depression, followup, 37680
matching of patient indicators to group cognitive vs supportive self directed therapy vs focused expressive psychotherapy, maintenance of treatment gains, depressed patients, 1 yr followup, 34315
maternal & paternal depression & anxiety & marital discord, prediction of depression & anxiety & self esteem, 8–13 yr olds with congenital or acquired limb deficiencies & their parents, 22253
maternal &/vs paternal anomalous parenting style, melancholic vs nonmelancholic depressed patients, 13741
maternal depression, interactional style & development, infants, literature review, 41551
maternal emotional availability, empathetic response to maternal sadness, 3 yr olds & their depressed vs nondepressed mothers, 1666
maternal loss in childhood due to death or separation, development of depression & anxiety disorders, adult females, England, 17680
maternal unipolar major depression, self concept & control & peer relations & social competence, 5–10 yr olds, 33588

maturity & physiological decline & employment & marital & economic status & survival & education, age & depression, 18–90 yr olds, 13737
measures & clinical features of depressive vs hyperthymic temperament in familial genetic analysis, college students with major depressive episodes, US & Italy, 25757
medical & psychosocial & subjective state variables, death depression & anxiety, HIV positive 18–59 yr old gay males, 45989
melancholic symptoms, response to antidepressants vs placebo, patients with endogenous depression &/or major depressive episode, 10712
memory dysfunction, depressed elderly caregivers of spouses with dementia, 34911
mental health service utilization, adults with depressive symptoms, 10945
mental status screening scales, assessment of cognitive impairment & primary & depressive dementia, patients, literature review, 75
metachlorophenylpiperazine & desmethylimipramine, cortisol responses & relationship between serotonin & norepinephrine functioning, patients with major depression vs panic disorder, 9757
methadone vs residential vs outpatient treatment, depression & suicidal ideation, drug abusing clients, 12 mo followup, 3088
methimazole, outpatients with treatment resistant major depression, 10688
methodologic problems in drug therapy research, clients with treatment resistant depression, 6776
methodological issues in empirical research on assessment & treatment, depressed children & adolescents, 9816
methylphenidate &/vs desipramine, cognitive function, psychiatrically hospitalized 7.8–12.8 yr olds with attention deficit hyperactivity disorder & major depression, 34571
methyltetrahydrofolate, depressed elderly, conference presentation, 46449
metoclopramide induced parkinsonism & depression, 46 yr old female medical patient, Japan, case report, 2801
metyrapone & dexamethasone, plasma beta endorphin response, males with major depression, 38569
metyrapone & dexamethasone, pro-gamma-MSH & ACTH levels, male patients with major depression, 41559
MHPG & anxiety, depressed patients, commentary reply, letter, 5814
MHPG & anxiety, depressed patients, commentary, letter, 5834
mianserin, patients with chronic pain & masked depression vs organic pain & major depression, 26788
mianserin vs amitriptyline vs placebo, 18 yr olds & older with major depression, 6709
mild stress, reward responsiveness decrease, rats, animal model of anhedonic depression, 20776
minaprine vs amitriptyline, patients with major depression, 2681
mixed self valence, mildly vs severely depressed patients, test of N. A. Kuiper & L. J. Olinger's self worth contingency model of depression, 29620
moclobemide, depressed patients, conference presentation, 30439
moclobemide efficacy & effects on DST & plasma & urinary MHPG, depressed 27–61 yr olds, Greece, 38536
moclobemide, patients with endogenous vs nonendogenous depression, meta analysis, conference presentation, 30533
moclobemide, plasma tryptophan & tyrosine & other large neutral amino acids & clinical response, patients with endogenous vs nonendogenous major depression, Denmark, 38568
moclobemide, reversed vegetative symptoms, depressed patients, 34583
moclobemide vs amitriptyline, adults with major depression, Australia, 22712
moclobemide vs fluoxetine, 20–86 yr olds with major depression, conference presentation, 30532
moclobemide vs imipramine vs clomipramine, side effects & tolerability & onset of clinical effects, patients with endogenous vs nonendogenous depression, 10717
moclobemide vs imipramine, 21–65 yr olds with major depressive episode, Finland, conference presentation, 30503
moclobemide vs placebo vs tricyclic antidepressants, depressed patients, conference presentation, 30514
monodisciplinary vs multidisciplinary approach, diagnostic sensitivity & outcome, patients with dementia vs Alzheimer's disease vs depression, Netherlands, 33496
mood content & temporal pacing of speech & voice quality & fundamental frequency, depressed mothers, 25755
moral should vs is statements as part of negative bias of information processing, patients with depressive disorders, 21778
morning bright vs dim light therapy, 24 hr rhythms of blood serotonin & serum melatonin, patients with major depressive disorder, Germany, 10756
MRI assessment of caudate nuclei volume, patients with affective disorder during major depressive episode, 9812
MRI research in late life depression, evidence of white matter & other structural brain changes, literature review, 29595
multiple diagnostic & treatment approach, 26 yr old depressed male with paranoid schizophrenic episodes & suicidal threats, case report, 30323
multiple regression analysis & validity of Geriatric Depression Scale, statistical impact of truncated sampling or alteration of administration, commentary with reply, letter, 35877
multivariate risk profile model, prediction of clinical depression onset, 20 yr olds & older admitted to medical long term care facility, 1 yr study, 38950
naloxone challenge, dysphoria & opioid dependence & withdrawal, heroin addicted male 26–50 yr olds, 1903
narcissistic pathology, depressed widows, 1668
nature & course & risk factors & treatment, depressed adolescents, 21772
nature & prevalence of comorbid depressive disorder, 6–11 yr olds with oppositional defiant disorder, 33805
need for & selection of alternative treatment formats & validation of coping therapy, depressed patients, conference presentation, 26483
need for consensus definitions of remission & recovery, depressed patients, letter, 37709
need for ophthalmological screening for retinopathy prior to light therapy, depressed patients, commentary on case report, letter, 18807
negative life event of drop in academic grades & perceived problem solving alternatives, depression, 14–18 yr olds, 45426
neonatal clomipramine, immobility in forced swim test, male rat pups, validation of new animal model of depression, 4951
neuroanatomical substrates of depression, 17748
neuroanatomy & neural circuits & pathophysiology of familial pure depressive disease, treatment implications, conference presentation, 17735
neuroanatomy & neurochemistry of dopamine system & role in depression & antidepressant action, 13723
neurobiological & chronobiological hypotheses in depression research, conference presentation, 45466
neurobiological basis of mixed depression & anxiety states, conference presentation, 33523
neuroendocrine markers of serotonin responsivity, patients with major depressive disorder & rats, 5843
neuroendocrinological characteristics, biological predictors of response to amitriptyline vs maprotiline, patients with major depression, Bosnia-Herzegovina, 26752
neuroleptic & anticholinergic medication & hospitalization duration, development of tardive dyskinesia, 70–85 yr olds with major depression vs dementia vs delusional psychosis, 10741
neuropathology of locus ceruleus & substantia nigra & basal nucleus of Meynert & cortex, depression, elderly with Alzheimer's disease, 26291
neuropsychiatric characteristics, patients with chronic fatigue syndrome vs multiple sclerosis vs major depression, 37602
neuropsychological & neuroimaging findings & classification scheme based on cognitive function, normal elderly vs elderly with depression vs progressive dementia, 25652

neuropsychological assessment & onset of depression, 63 yr old male with white matter lesions, case report, 42069
neuroticism vs extraversion vs psychoticism, cognitive functioning, female elderly with anxiety & depression, 17720
neutrophil function, inpatients with minor vs simple major vs melancholic depression, implications for susceptibility to physical illness, 9819
new frontiers in & classification of depression, conference presentation, 17771
nicotine cessation, mania & depression, female 37 & male 48 yr olds, letter, erratum, 9813
nocturnal penile tumescence & sleep EEG & testosterone secretion, males with major depression, 37714
nonpharmacological somatic treatment of depression & sleep disorders, conference presentation, 46559
noradrenaline function & growth hormone response to clonidine & MMPI scores, 23–60 yr olds with major depression, Belgium, 5821
nortriptyline, memory self assessment & performance, 61–84 yr olds recovered from major depression, conference presentation, 10703
nortriptyline, rate of bipolar phenomena onset & switching to mania, depressed 6–12 yr olds, 2–3 yr followup, 22720
nortriptyline treatment & plasma levels, verbal memory & attention & mood, elderly with major depression, conference presentation, 10742
nortriptyline, weight, recurrent depressed geriatric patients, 2659
nortriptyline with vs without lithium carbonate, depressed 65–89 yr olds, 18741
notification of HIV infection, depressive symptoms & coping styles, 18–55 yr old & older blood donors, 45980
number & duration of seizures in ECT, interictal cognitive & attention & memory changes, 63–80 yr olds with depression, 2698
nurse assessed noisy behavior & depression & response to doxepin, 55–94 yr old chronic care hospital patients, Canada, 19152
object relations & social cognition assessed by stories in Picture Arrangement subtest of WAIS-R, patients with borderline personality disorder &/vs major depression, 33547
observational measurement of antidepressant responsive symptoms, 8–17 yr olds with major depressive disorder, 10689
observational tools for avoidance of errors in geriatric psychosocial assessment & care, health care providers for depressed elderly, 46769
obsessionality & depression & anxiety, adults with Tourette's syndrome vs depression, UK, 25662
obsessive compulsive disorder & major depression, male 50 yr old with acute intermittent porphyria, case report, 6226
occupational direction & control & planning & SES & personality, depression & distress, psychiatric patients, application of social causation model, 37698
optimum duration of antidepressant treatment, depressed elderly, 10679
oral S-adenosyl-L-methionine, 27–80 yr olds with major depression, 14679
organic mood syndrome, heroin addicted male 27–59 yr olds undergoing therapeutic detoxification from methadone maintenance, 27142
outcome & treatment of depressive & other affective disorders, children & adolescents, research review, 13720
outcome evaluation & process of 6 session family therapy, 22 yr old male with depression & suicidal ideation & his parents, 38514
outcome of inpatient psychiatric treatment on psychosomatic medicine unit, 15–68 yr olds with persistent somatization with vs without depression, 7163
outcomes, depressed children & their 1st degree relatives, England, 18 yr followup, 41542
overlap of symptoms & criteria in mixed anxiety & depression diagnostic category, patients with major depression vs generalized anxiety disorder, conference presentation, 33541
pain experience, anxiety & depression, males with prostate cancer, Australia, 46016
panic induced by sodium lactate infusion, female 25–39 yr olds with late luteal phase dysphoric disorder, 37713
panic symptom profiles, adults with panic disorder & agoraphobia with vs without prior history of vs current major depression, 45551
paradigmatic behavior therapy, modification of maladaptive nutritional habits, depressed 41 yr old female, 5 mo followup, 2511
parallel secular increase in child & adolescent onset affective disorders, siblings of prepubertal probands with major depressive disorder, 1692
parent child relationships & psychosocial resources & stress & other factors, levels of depressive symptoms, male vs female 15–20 yr olds, 1652
parental absence during childhood, depression, Black vs White vs Hispanic adult males vs females, 1987–88, 5803
parental affectionless control assessed by care & protection, risk for adult depression, 18–65 yr old twins, Australia, 45455
parental death in childhood, perceived vulnerability & depression & anxiety, 17–25 yr olds, 9820
parental depression, behavior problems, children & adolescents, longitudinal studies, implications for behavioral family intervention, 17743
parental representations of care & overprotection in childhood & cognitive distortions & vulnerability factors of depressotypic attitudes & attributions, mild depression, college students, 9834
paroxetine, anxiety & agitation, depressed patients, 14682
paroxetine, anxiety & agitation, depressed 17–94 yr olds, 2672
paroxetine, endogenous & reactive & other subgroups of depression, 14716
paroxetine, patients with melancholia or severe depression, meta analysis, 26786
paroxetine vs amitriptyline, depressed inpatients, Germany, 46489
paroxetine vs amitriptyline, depressed 18–77 yr old outpatients, 14667
paroxetine vs amitriptyline, depressed 65 yr olds & older, 14694
paroxetine vs imipramine, hospitalized depressed patients, conference presentation, 10648
paroxetine vs imipramine, outpatients with major depressive disorder, 14684
paroxetine vs imipramine, plasma amino acid & drug levels, depressed 18–70 yr olds, conference presentation, 10723
paroxetine vs imipramine, 18–65 yr olds with major depression, 46441
paroxetine vs mianserin, sleep, depressed 65 yr olds & older, 14680
paroxetine vs placebo, depressed 18–65 yr olds, 38545
paroxetine vs placebo, 18–65 yr old outpatients with moderate to moderately severe depression, 14675
partial sleep deprivation intervention, thyroxine & triiodothyronine levels, depressed 20–77 yr olds, letter, 10759
partner's expressed emotion during 9th mo of pregnancy & recurrence of mental illness after delivery, pregnant females with history of psychosis or depression, 13667
pathophysiology of organic brain syndromes & depressive disorders, elderly, translated article, 37597
patient therapist interactions & empathy during time limited dynamic psychotherapy, 35 yr old female with dysthymic & mixed personality disorders & depression, commentary, 6519
patient therapist interactions & empathy during time limited dynamic psychotherapy, 35 yr old female with dysthymic & mixed personality disorders & depression, commentary reply, 6521
patient therapist interactions & empathy during time limited dynamic psychotherapy, 35 yr old female with dysthymic & mixed personality disorders & depression, commentary, 6522
patients' age & sex & depressive symptoms, beliefs & attitudes toward patient & condition & treatment intentions & information recall, advanced medical students, 3209

patients' depression & physical mobility & mental health, caregivers' reactions & mental health, cancer patients & their family caregivers, 46014
patterns of diagnostic comorbidity of attention deficit & conduct oppositional & depressive & anxiety disorder, 9–16 yr olds, Puerto Rico, 33468
patterns of irrational beliefs in major depression, depressed 18–62 yr olds, 17758
patterns of social affiliation, prediction of impact of chronic economic strain on depressive symptoms, urban Black adults, 13709
pedigree of overlapping bowel symptoms & depressive illness & neuropeptide abnormality, father & son with visceral neuropathy & idiopathic intestinal pseudo-obstruction & major affective disorder, 21646
pemoline, depressive disorders, 42–64 yr olds with advanced cancer, case reports, 6908
perceived lack of social support vs personality characteristics & severity of psychiatric history, prediction of depression, 21–74 yr old male alcoholic veterans in treatment, 3062
perceived parental childrearing practices, development of irrational beliefs & depression, college students, 29607
perceived problem solving ability, vulnerability to stress & depression & hopelessness & suicidal ideation, college students, 13632
perceived similarity of psychiatrists' vs significant others' vs own attitudes toward illness severity, therapeutic outcomes, depressed 21–72 yr old inpatients, 30947
perception of experienced vs represented events, depressed 30–55 yr olds, France, 1650
perception of loomingness of spiders & other dangers vs fear vs anxiety vs depression vs threat cognitions, 17–36 yr olds with high vs low fear of spiders, 21884
perceptions of own & infant's behavior during interaction, depressed low SES Black mothers, 29605
perceptions of sociotropic vs autonomous life events, adults with vs without dysphoria, Canada, 21746
perceptions of therapeutic helpfulness, females in marital therapy vs cognitive therapy for co-occurring depression & marital discord, 46219
perfectionism & daily stress & depression, patients with depression vs other psychiatric disorders, test of specific vulnerability hypothesis, 25709
peripheral immunologic cell imbalance, 18–68 yr olds with panic disorder vs major depression with somatic illness, Italy, 25724
persistence of major & minor depression, nursing home & congregate apartment residents, 1 yr followup, 19129
personal & demographic characteristics, depression, narcoleptic adults, 2151
personal & family history & job & overall creativity, adults with mild vs extreme bipolar disorder vs unipolar depression, 5839
personality disorders, patients with agoraphobia &/vs depression, 1601
personality traits, elderly euthymic adults with vs without past history of major depression, 25789
personality traits, 14–22 yr old offspring of parents with unipolar affective disorder vs chronic medical condition, 5836
pharmacological & other treatments, patients with nonpsychiatric unipolar depression & resistance to tricyclic antidepressants, 22758
pharmacological prescribing practices for depressed patients, primary care physicians vs psychiatrists, 22748
pharmacology of serotonin reuptake inhibitors vs tricyclic antidepressants, depressed patients, conference presentation, 26792
pharmacotherapy with vs without psychotherapy, elderly with concurrent neurologic disorders & depression or postbereavement depression or in institutions, 10456
phenelzine & carbidopa, treatment resistant agitated depression, male 72 yr old with Parkinson's disease, 18891
phenelzine maintenance, depressed 19 yr olds & older, 6786
phenelzine or brofaromine, plasma 5-HT & 5-HIAA & relation to clinical improvement, 20–60 yr olds with major depressive disorder, 14674
phenelzine, 31–58 yr olds with refractory daily headache with associated depression & generalized anxiety, 22945
phenomenological & diagnostic characterization, patients with primary depression & secondary alcoholism vs depression vs alcoholism alone, 29501
physical & cognitive impairment & lesion characteristics & social support & functioning, prevalence & duration of acute vs delayed onset depression, adults with traumatic brain injury, 34189
physical & psychological symptomatology, anxiety & depression, patients with asymptomatic HIV infection vs AIDS vs ARC, 30126
physical anhedonia & pleasure capacity & depressive symptomatology, inpatients with primary depressive disorder, letter, 37699
physical disability & cognitive impairment & brain abnormality depression, patients with multiple sclerosis, 22384
physical health & social support, depressive symptoms, 24–59 vs 60–87 yr olds with major depression, 6 mo followup, 45446
physical illness & functional disability & pain & depressive symptomatology, 55 yr olds & older residing in community, 18255
physical illness & social factors, prevalence of depression, elderly, US & England, 1702
physical symptoms & disability & sociodemographics & social support & cognitive impairment, depressive symptoms & suicidal thoughts, 18 yr olds & older with HIV, 14224
physiological causes of depression, elderly, 33583
piecemeal vs categorical processing in impression formation, depressed vs nondepressed college students, replication, 25763
pilocarpine, REM sleep parameters, depressed patients, 29616
pindolol, ECT induced prolactin & thyrotropin responses, depressed female 18–34 yr olds, 46568
placebo response to imipramine vs phenelzine, depressed patients, 38583
plasma & urine neopterin & creatinine, cell mediated immunity, depressed vs schizophrenic 18–75 yr olds, New Zealand, 25703
plasma beta endorphin & natural killer cell activity, depressed 22–64 yr olds, 13712
plasma beta endorphin concentration, dysphoria & phobic anxiety & phobia & other affective disorder symptoms, depressed 29–71 yr olds, 9806
plasma dexamethasone, cortisol responses on DST, depressed patients, literature review, 5819
plasma factor, platelet aggregation & serotonin uptake, patients with unipolar depression, 13732
plasma fluvoxamine or maprotiline, clinical improvements & side effects, depressed patients, 46464
plasma GABA, males with primary unipolar major depression, 17755
plasma homocysteine & cognitive functioning, depressed elderly with vs without vascular disease vs depressed young adults, implications for pathophysiology of dementia, 25752
plasma tryptophan & ratio to neutral amino acids, 17–66 yr olds with major depression vs obsessive compulsive disorder, 33533
platelet & whole blood serotonin, suicidal behavior & symptom severity & comorbid borderline personality disorder & aggression, depressed patients, 13731
platelet alpha-2 adrenoceptors, depressed patients, literature review, 33589
platelet imipramine binding & aggression, female 20–58 yr old suicide attempters vs 27–63 yr olds with major depression, implications for 5-HT dysfunction, 41493
platelet imipramine binding during recovery, patients with major depression, 9808
platelet serotonin & basal cortisol & DST, male 18–64 yr olds with schizophrenia vs psychotic vs nonpsychotic major depression vs schizoaffective disorder, 25714
platelet serotonin & lymphocyte stimulation, immune function, male 19–65 yr olds with schizophrenia vs major depression, Croatia, 25715

PMS during vs after remission of major depression, females, 9747
po cortisol vs dexamethasone, plasma beta endorphin & ACTH & cortisol, depressed patients, Belgium, 37689
point & lifetime prevalence & comorbidity of depression with other DSM-III disorders, high school students, 1 yr followup, 25780
polysomnographic features, manic vs depressed 18–36 yr olds, erratum, 25774
polysomnographic measures, patients with insomnia or depression or narcolepsy, meta analysis, 29498
positive vs negative adjectives used in self perceptions, depressed patients, 1657
positive vs negative mood & suppression of positive vs negative self referent thoughts, intrusion of mood congruent vs incongruent thoughts, normal & dysphoric college students, 8302
positive vs negative self schema & recognition & incidental recall of positive vs negative words & RT, depressed vs nondepressed clinic referred 8–12 yr olds, 9823
postanesthesia shaking after ECT, female 84 yr old with major depression, letter, 22804
postrecovery withdrawal of maintenance lithium &/vs clomipramine, plasma prolactin response to fenfluramine or placebo challenge, remitted depressed patients, Israel, 46516
precision & extension & timing of intensive short term psychotherapy, depressed 56 yr old male, 10497
predictions of depression, street & homeless under 24 yr olds, Canada, 25791
predictors of response to MAO inhibitors, depressed outpatients, erratum, 34540
pregnancy attitudes & reproductive & sociodemographic characteristics, depressive symptoms, female 18–35 yr olds & older assessed during pregnancy vs within 4 wks of miscarriage, 30057
premenstrual vs postmenstrual po 5-HTP, blood cortisol & beta endorphin & 5-HIAA & 5-HTP & platelet 5-HT uptake, 18–45 yr old females with late luteal phase dysphoric disorder, 1625
premigratory expectations for life in US, postmigratory anxiety & depression, Vietnamese Amerasian 15–28 yr old immigrants, 33534
prescriptive cognitive behavioral vs exploratory psychodynamic interpersonal therapy, interpersonal & intrapersonal functioning, professional & managerial workers with depression &/or anxiety, England, 26444
presence of dysphoria, identification of depressive syndromes, 18–88 yr olds with spinal cord injury or rheumatoid arthritis, 22197
presence of generalized anxiety disorder or dysthymic or major depression, stroke patients, 22311
presence of personality disorders, adults with generalized anxiety vs panic vs recurrent depressive disorders, 5767
pretreatment caffeine, efficacy & cognitive side effects of ECT, depressed 18–75 yr old inpatients, 46551
pretreatment illness severity, choice & outcome of psychotherapy vs relaxation training vs behavior therapy vs pharmacotherapy, depressed adults, 2390
pretreatment systolic orthostatic BP, prediction of nortriptyline response, 59–79 yr olds with geriatric major depression, 46437
prevalence & characteristics of chronic pain & illness behavior & dysphoria, patients with panic disorder, 2508
prevalence & characteristics of violent experiences & morbid thoughts of death or injury, depressive symptomatology, urban 6–12 yr olds, 33586
prevalence & comorbidity & clinical correlates of personality disorders, outpatients with anxiety disorder or depression, 33522
prevalence & correlates of depression, chemically dependent 15–19 yr olds, 10007
prevalence & covergence of negative & depressive symptoms, schizophrenic 18–48 yr old outpatients, 1730
prevalence & diagnostic validity of dysthymia, 19–20 yr olds with dysthymia &/vs major or recurrent brief depression, 1978, Switzerland, 10 yr study, 41529
prevalence & incidence & outcome of Alzheimer's disease & pseudodementia & other dementias & depression, 65 yr olds & older, England, 3 yr followup, 13613
prevalence & incidence & outcomes of Alzheimer's disease & pseudodementia & other dementias & depression, 65 yr olds & older, England, 3 yr followup, commentary with reply included, letter, 25655
prevalence & measurement of depression & its influence on cognitive ability, medically ill elderly, conference presentation, 25753
prevalence & severity of cognitive vs somatic depression symptoms, diabetic vs psychiatric patients, 9720
prevalence of & demographics associated with symptoms of depression, adults, 5824
prevalence of & risk factors for depression, adult Korean immigrants, Canada, comparison with US data, 9821
prevalence of alexithymia & depression & family relations, adult family members of alcoholic patients, Japan, 29855
prevalence of antidepressant drug treatment, 65 yr old & older nursing home residents with major depression, 1976–83, 14693
prevalence of childhood sexual abuse, females with depressive vs anxiety disorders, 33538
prevalence of depression, high school students, Canada, 25760
prevalence of depression, spouses of stroke patients, 2318
prevalence of depressive symptoms, Anglo vs African vs Hispanic American 12–17 yr olds, 21773
prevalence of depressive symptoms, schizophrenic 16–54 yr olds, Italy, 17812
prevalence of major depression & work absenteeism & mental health service utilization, 18–64 yr old female secretaries & other full time employees, 17740
prevalence of major depression, mainline vs conservative Protestant vs Pentacostal vs Catholic vs other adults, 21770
prevalence of neuropsychiatric illness & depression & relation to reproductive cycle or hormone treatment, females, 37589
prevalence of organic brain disease & depression & anxiety & other psychiatric illness, elderly medical inpatients, 30926
prevalence of partition delusions, elderly with late paraphrenia vs depression vs early onset schizophrenia vs young adults with early onset schizophrenia, 17702
prevalence of personality disorder, relatives of patients with unipolar major depression, 17751
prevalence of recurrent pain & depression, college students, 13608
preventive job search intervention, prevalence & incidence of depressive symptoms, high vs low risk unemployed adults, 1 vs 4 vs 28 mo followups, 2398
primary & secondary depression factors from O ratings of questionnaire items, patients, analysis of 7 factor theory of depression, reanalysis, 7993
primary & secondary prevention, osteoporosis & falls & cognitive impairment & depression, 65 yr olds & older, nursing implications, 22959
probable akathisia induced by sertraline, female 18 yr old inpatient with major depression, letter, 46469
problem & emotion focused illness coping behavior & appraisal, dysphoric males vs females, 29623
problem solving appraisal, association between life stress & depression, college students, South Africa, 25788
problems with diagnosis of primary unipolar affective disorders, psychiatric outpatients, 21747
processing of threatening emotional stimuli, adults with panic disorder vs major depression, 1588
professional background & personal attitudes, pathogenetic & diagnostic & treatment conclusions for depressed pseudopatient, physician, 29615
prognosis & course of depression, offspring of depressed parents, 2 yr followup, 5849
prognosis of depression, adults with Down's syndrome, England, 29963

prognostic power of brief measure of parent & family expressed emotion, prediction of 1 yr posthospitalization outcome, 7–14 yr old inpatients with depressive disorders & their parents, 20016
prolonged ECT seizure duration related to trazodone, female 70 yr old with major depression, letter, 26754
prompt recognition & treatment of scurvy with ascorbic acid, 55 yr old male with scurvy & delusions & depression, case report, 34721
prophylactic lithium, recurrences of depression, 12 & 14 & 15 yr old depressed females, case reports, 18695
prophylactic lithium uptake rate of platelet 5-HT transport & relation to reductions in morbidity, depressed patients, 18696
pseudocyesis, female 27–68 yr olds with major mood disorder caused by cerebral dysfunction, case reports, 5842
pseudodementia as manifestation of depression & differentiation from Alzheimer's disease, 65 yr old & older geriatric patients, Finland, 3 & 9 & 15 mo followups, 21765
psychiatric & psychosocial morbidity, 13–16 yr olds with major depressive syndrome &/vs conduct disorder, Canada, 4 yr followup, 21627
psychiatric symptoms & diurnal variations of blood cortisol & prolactin, patients with chronic low back pain vs major depressive disorder, 13625
psychodynamics & interpersonal aspects of depression, patients with narcissistic personalities, implications for psychoanalysis, 45599
psychoeducation intervention, depressive symptoms, mothers of 2–6 yr olds with autism or related severe communication impairments, 6 & 18 mo followups, 38521
psychohistorical perspective on glass delusion & melancholy of body & soul, 1440–1680, Europe, 17725
psychological & psychosocial treatment & prevention, depressed elderly, 2380
psychological adjustment & anxiety & depression, patients with early rheumatoid arthritis, 2 yr study, 41947
psychological health & social contacts & personality traits, depressed 18–49 yr old 1st admittance psychiatric patients, 12 mo followup, Denmark, 45471
psychological vs spiritual concepts & labeling of experiences of incongruity as depression vs melancholy, commentary, 5822
psychological vs spiritual concepts & labeling of experiences of incongruity as depression vs melancholy, commentary, 5810
psychological vs spiritual concepts & labeling of experiences of incongruity as depression vs melancholy, 5813
psychological vs spiritual concepts in Judaism & labeling of experiences of incongruity as depression vs melancholy, commentary, 5831
psychometric properties & diagnostic correspondence of youth vs mother vs father report versions of Child Behavior Checklist Depression Scale, normal vs depressed adolescents, 24114
psychometric properties of Center for Epidemiological Studies-Depression Scale, physically disabled 18–55 yr olds, 20024
psychopathological correlates of sympathoadrenal system hyperactivity, depressed patients, 37700
psychopathology & depression, urban African American female 12–18 yr olds who attempted suicide by ingestion, 1855
psychosexual & personality development, depressed Black female in art therapy, 2714
psychosocial factors, single vs multiple suicide attempts, depressed or schizophrenic 20–41 yr olds, India, 21700
psychosocial functioning & family environment, depressed adolescents, 33600
psychosocial profiles, 25–45 yr olds with premenstrual dysphoria, Australia, 9803
psychosocial stress & depression & anxiety, patients with migraine vs tension headaches, Italy, 2158
psychotherapeutic strategies for depression, conference presentation, 46235
psychotherapeutic techniques for treatment of suicidal depressed patients, 46223
psychotherapy with vs without imipramine & EEG sleep characteristics, 21–65 yr olds with endogenous with vs without melancholic vs nonendogenous subtype recurrent unipolar depression, 5812
psychotherapy with vs without placebo, treatment outcome & sleep characteristics & treatment specificity ratings, recurrent depressed 21–65 yr olds, 2441
psychotic-like symptoms from thalamic pain syndrome, male 64 yr old with poststroke depression, case report, 6330
psychotic symptoms during premenstruum & association with late luteal phase dysphoric disorder, females, 41557
psychotic vs depressive vs anxiety syndromes, 85 yr olds with vs without dementia, Sweden, 46096
PTSD & depression & anxiety & dissociation, 21–65 yr old Cambodian refugees assessed 10 yrs after leaving Cambodia, 33514
PTSD & depression & anxiety & other psychiatric disorders, adults claiming compensation for psychological damage after Lockerbie aircraft disaster, Scotland, 17682
PTSD & major depression & other psychopathologic reactions to Lockerbie air disaster, 65 yr old & older vs younger survivors, Scotland, 17712
PTSD, anxiety & anger & depression, 60–65 yr old WWII Resistance veterans, conference presentation, 13827
P300 component of EPs & transcranial Doppler sonography of blood flow velocities, adults with major depression, 21749
quality of depressive experience, patients with borderline personality disorder &/vs major depression, 33560
quantity & frequency of alcohol consumption, dysthymic symptoms, 12.9–13.4 yr olds with major depression, 33592
radioimmunoassay vs fluorescent polarization immunoassay, cortisol levels during DST, hospitalized depressed 6–12 yr olds, 9833
rapid cycling characteristics, male 21 & 36 & 42 yr olds with unipolar depression, 5846
rapid tryptophan depletion, antidepressant action & neurobiological correlates of mood, depressed patients, replication, conference presentation, 10670
rates & correlates of suicidal ideation & suicide attempts, 8–13 yr olds with depressive vs other psychiatric disorders, longitudinal study, 21709
rates of unipolar & bipolar depression & alcoholism, 1st degree relatives of patients with endogenous vs nonendogenous subtype of unipolar major depression, Germany, 41552
rationale for development & applications of Michigan Adequacy of Treatment Scale, patients with major depressive disorder undergoing ECT, letter, 43761
reanalysis of Depressive Experiences Questionnaire principal components & relationship to Beck Depression Inventory & EPPS, female college students, 24117
reanalysis of drug therapy vs psychotherapy in National Institute of Mental Health Treatment of Depression Collaborative Research Program General Effectiveness Report, 46144
recall & perceptions of autobiographical memories, depressed vs nondepressed 66–93 yr olds, 25795
recent data on treatment of difficult depressed patients, 34277
reclassification & pharmacotherapy of nonpsychotic depressive & dysthymic states, 38577
recognition of & response to emotional facial expressions, depressed vs nondepressed female college students vs psychiatric patients, 45463
recognition of affects in facial & verbal expressions, depressed outpatients, 1691
recovery & antidepressant treatment, 80 yr old male with protracted depression, letter, 14676
recovery & relapse rates, 60 yr olds & older with major depressive disorder, 1 yr followup, 13721
recovery following ECT, depressed inpatients, 46550
recovery vs maintenance of depressive disorder vs death, depressed elderly, Singapore, 5 yr followup, 41545
red cell folate & vitamin B12 & thyroid hormone levels, depressed patients, Canada, 29619
rediagnosis as severe depressive illness with depressive delusions, Freud's patient Anna O., 13734

reduced cerebral norepinephrine metabolism & delusional depression, female 72 yr old with Parkinson's disease, 46092
regional cerebral blood flow, depressed patients with cognitive impairment, UK, 13713
regional cerebral blood flow during cognitive activation, depressed vs schizophrenic 29–73 yr olds, 45367
regional cerebral volume & cortical atrophy & lateral ventricular enlargement & subcortical hyperintensity, patients with major or bipolar depression, 25759
regional prevalence of symptoms & clinical episodes of depression, adults, 1978 vs 1984, Greece, 13730
relapse following cognitive therapy &/vs pharmacotherapy, depressed outpatients, 2 yr followup, 6443
relationship between obstructive sleep apnea & depression & other psychiatric disorders, implications for treatment, 30046
relative with agoraphobia &/vs major depression, mental health locus of control, 1st degree relatives of inpatients, 13661
reliability & concurrent validity of long & short forms of Beck Depression Inventory, rapid screening of depression & self esteem, low literate hospitalized Blacks with tuberculosis, South Africa, 15988
reliability & construct validity of Children's Depression Scale, 14–16 yr olds, Australia, 35910
reliability & diagnostic efficiency of DSM-III Criteria B symptoms for major depressive disorder, psychiatric patients, 29598
reliability & factorial validity of 2 shorter forms of Center for Epidemiological Studies Depression Symptoms Index, 65 yr olds & older, 31893
reliability & predictive validity of Self Rating Depression Scale vs Brief Symptom Inventory, measurement of depression, patients with spinal cord injuries, 35920
reliability & validity & factor structure of scale for evaluation of delusional & affective guilt, depressed adults & elderly, UK & Spain, 4040
reliability & validity of Korean version of Youth Depression Adjective Check List, 8th–12th graders, Korea, 4088
reliability & validity of state & trait forms of Depression Adjective Check Lists, university counseling center clients, 35899
reliability of Catastrophic Reaction Scale & frequency & correlates of reaction, assessment of severity of depressive reactions, patients with acute stroke lesion, 35918
reliability of quantitative tonic REM EEG, differential diagnosis of dementia, patients with Alzheimer's disease vs major depression, 45333
reliability of short form Symptom Checklist-25, screening for anxiety & depression & general mental health, 40–67 yr olds, Norway, 35919
religious coping & depressive symptoms, male 65 yr old & older medical patients, 6 mo followup, 18209
REM sleep deprivation, elderly with mixed vs pure depression & dementia symptoms, 9701
reminiscing modalities & therapeutic usefulness of life review, life satisfaction & self esteem & depression & psychological well being, 60–99 yr olds, 29112
representations of parents' rearing style, 17–66 yr olds with dysthymic vs unipolar depression, Netherlands, 6–12 mo study, 37688
resolution vs persistence of depressive symptoms after medical treatment, 41–80 yr old medical patients, 1 mo followup, 22936
response to antidepressants & other treatment, patients with endogenous vs nonendogenous diagnostic subtypes of depression, 6725
response to antidepressants & other treatment, patients with endogenous vs nonendogenous diagnostic subtypes of depression, commentary, 6736
response to antidepressants, scores on Tridimensional Personality Questionnaire, patients with major depression, Canada, 46462
response to fluoxetine following washout after initial nonresponse, 26–40 yr olds with major depression, 10662
response to therapeutic sleep deprivation, prediction of subsequent fluvoxamine vs maprotiline response, patients with major depression, 42443
response vs nonresponse to phenelzine or imipramine, symptomatology, depressed patients, 42403
restless sleep & relation to illness intrusiveness & depressive symptoms, outpatients with rheumatoid arthritis & renal disease & multiple sclerosis, 34017
retrospective data, differential diagnosis of neuropathology & psychopathology, depressed male 59 yr old, case report, 25666
risk & protective variables, change in depressive symptoms & disorder, urban 13–18 yr olds, 17768
risk factors for cerebrovascular disease, MRI study of white matter lesions, depressed 68–90 yr olds vs nondepressed 68–97 yr olds, 29611
risk factors for depression, 65 yr olds & older, England, 3 yr followup, 13719
risk factors for suicide, alcoholic vs depressed adults, reanalysis of 3 studies, 1923
risk factors for suicide, inpatients with primary severe depression & melancholia, Sweden, 37677
risk factors prior to migration, prediction of anxiety & depression, Vietnamese Amerasian immigrants awaiting US placement, Vietnam & Philippines, followup study, 25727
risk of & participation in predictive testing for Huntington's disease, depression & distress & psychological well being, adults, Canada, 18426
risperidone, 29–65 yr olds with psychotic major depressive episode or schizoaffective disorder depressive type, 18738
ritanserin, patients with schizophrenic psychosis vs neurotic vs endogenous depression, 42492
ritanserin, slow wave sleep, 24–62 yr olds with major depression, 10725
role of book "Final Exit" in suicide attempts, depressed patients, commentary, letter, 45452
role of education in Social Health Outreach Program, social therapy & perspective transformation, clinically depressed older females, Canada, 10977
role of 5-HT-1A receptors in pathophysiology of depression & action mechanism of antidepressants, animals & humans, 20948
rolipram dosage, depressed 18–74 yr olds, 26732
rolipram vs nortriptyline, 64–89 yr olds with major depression, 22688
Rorschach test, prediction of suicide, suicidal &/vs depressed 12–18 yr olds, 4083
S-adenosyl-L-methionine, depressed postmenopausal female 45–59 yr olds, Italy, conference presentation, 34575
S-adenosyl-L-methionine, onset of imipramine action, depressed 18–65 yr olds, 30447
safety & effectiveness of lithium & tetracyclic combination therapy, 52–68 yr olds with presenile depression, letter, 2685
safety & efficacy of sertraline in general practice & primary care, patients with major depression & general practitioners, UK, conference presentation, 26785
safety & efficacy of tianeptine, depressed 18 yr olds & older, France, 10685
salivary testosterone levels at time of DST, adult males with major depression with melancholia, 17734
school based primary prevention educational & behavioral skills training intervention, depression, 9th–10th graders, 35484
scope & severity & persistence of psychosocial impairment, patients with bipolar or unipolar affective disorder, 5 yr study, 45435
score on Self Control Schedule, prediction of response to drug vs cognitive therapy vs relaxation training, depressed adults, replication, 2409
scores on rater vs self administered Geriatric Depression Scale, elderly medical patients, 95
screening efficacy of Geriatric Depression Scale, elderly African Americans & Mexican Americans, letter, 43740
screening for depression, elderly hospitalized patients, commentary with reply, letter, 35901
seasonal patterns of mania & depression recurrence, patients with mood disorders, Italy, 25764

seasonality & demographic & clinical features, patients with mood reactive atypical depression, 1684
secondary koro, male 21 yr old with major depressive disorder, Ireland, case report, 33602
secondary pathological gambling, female 40 yr old with major depression, case report, 33599
selective attention, auditory EPs, depressed 18–44 yr olds, 32482
selective serotonin reuptake inhibitors, patients with depressive disorders, conference presentation, 10678
selective serotonin reuptake inhibitors & MAO inhibitors & other drug therapy for depression, conference presentation, 46512
self & other perception, depressed patients, 25768
self concept & attributions & anxiety & depression & suicide, learning disabled adolescents, 26070
self critical vs dependent personality dimensions, patients with major depression vs panic disorder with agoraphobia, Canada, test of diagnostic specificity of self criticism & depression, 17678
self criticism & interpersonal dependency, vulnerability to depression, clinically depressed vs remitted vs normal 18–65 yr olds, 1665
self defeating beliefs & attitudes & stressful life events, depression levels at beginning vs end of academic yr, college students, Australia, 1682
self discrepancy, anxious &/vs depressed college students, 29570
self esteem & depression & body image & rating of own attractiveness, females with eating disorders, 45860
self esteem & depression & life stress & social support, suicide ideation, 11–18 vs 19–71 yr olds, Canada, 17902
self esteem & depression & psychosocial adjustment, 16–35 yr olds with severe closed head injury, 6363
self esteem & dysfunctional attitudes & control beliefs & perceived social support & dysphoria & Beck Depression Inventory scores with vs without negative cognition items, college students, 31902
self esteem & locus of control orientation, depression, 12–18 yr old females 1st neglected or physically &/or sexually abused during childhood vs adolescence, 9947
self focused attention as self understanding attempt vs awareness of thoughts & feelings, dysphoric 16–50 yr olds, Canada, 41536
self handicapping function of depressive affect & cognition in evaluative situation, depressed vs nondepressed female college students, 29627
self perception as child of lesser god & processes of analytical psychotherapy, depressed 35 yr old male paralyzed by polio at 18 mo, case report, 30419
self perceptions of interpersonal & sexual functioning, adult females with major depression or bipolar disorder, 37710
self rated inhibited anger, somatization & depression, adult family practice patients, 2143
self rating of mood state vs clinician rating of affective state vs O rating of behavioral manifestations, assessment of depression, schizophrenic 19–56 yr olds, 5879
self regulation of slow cortical EPs, adult male depressed patients, 6591
self report of depression, children with cancer or diabetes, 22260
self report of eating & weight concerns & depressed mood, scores on structured clinical interviews for anorexia & bulimia nervosa & mood disorders, female 12–19 yr olds, 2084
self reported early parenting, prediction of & risk for depression, 19–99 yr olds, Netherlands, 1 yr study, 21764
self serving attributional bias in contingency judgment task, patients with persecutory delusions vs major affective disorder, 17705
self vs physician reported physical illness & disability & pain & social support & other psychosocial factors, depressive symptoms, elderly, 1568
self vs teacher rated social competence, depressed vs conduct disordered 6th–8th graders, 1553
semantic & logical & statistical properties of German version of Clinical Global Impressions Scale, depressed or schizophrenic or anxious patients, 4039
sensitivity & specificity & stability & predictive values of screening questionnaires, detection of depression or dementia, 65–99 yr old continuing care geriatric inpatients, England, 101
sensitivity to zimeldine & crossover to fluoxetine, depressed female 31 & 50 yr olds, 18757
sensory vs affective vs neutral word, selective recall & recognition, patients with chronic pain &/vs depression, 1524
sequential pattern of marital interaction during drinking vs nondrinking sessions, alcoholic vs depressed vs nondistressed males & their wives & adolescent children, 13618
sertaline & desipramine, 40 yr old male with recurrent depression, letter, 46481
sertraline & other selective serotonin reuptake inhibitors in acute & long term treatment of major depression, conference presentation, 26760
sertraline following fluoxetine intolerance, 19–78 yr olds with major depression, conference presentation, 18709
serum antibodies against organ specific CNS antigen vs serotonin vs gangliosides, 20–70 yr olds with schizophrenia vs schizoaffective vs major depressive disorder, 25737
serum mianserin, clinical outcome, psychiatric inpatients over 65 yrs old with moderate or severe depression, 6753
SES & family & social structure & parental health & life stress, depressive symptoms, male vs female 9th–11th graders, 1669
severity & awareness of cognitive deficits, self vs clinician ratings of depression, elderly outpatients with dementia, 26320
severity of anxiety symptoms & thyroid function, outpatients with major depression, 45457
severity of depressive symptoms & functional disability, patients with chronic tinnitus, 38105
severity of depressive syndrome, plasma ACTH & beta lipotropin & beta endorphin, 23–66 yr olds with pituitary ACTH dependent Cushing's disease, 30073
severity of disorder, observed behavior during interaction with psychiatrist, hospitalized patients with major depression or bipolar disorder, 33580
severity of disorder, serum magnesium & hypothalamic pituitary thyroid activity, patients with major depressive disorder, 29609
sex & clinical improvement & severity of depression or anxiety, blood magnesium & sodium & potassium, patients with unipolar vs bipolar depression, 37719
sex & creativity & depression & attributional style, high achieving 8th–9th graders, 45437
sex & employment & marital status, incidence of depression, Korean immigrants, Canada, 9822
sex & marital status & age & education & duration & severity of illness, prediction of placebo response rate, depressed 18 yr olds & older, 2682
sex & self esteem & instrumentality, depressive symptomatology, 17–22 yr olds, 45464
sex & social class, depressed 15 yr olds, Guatemala, 17729
sex & stage of family cycle, parental investment & vulnerability & anxiety & depression & psychosomatic syndromes, 17–55 yr old couples, Israel, 1543
sex, age at onset of major affective disorder vs dysthymia vs schizophrenia & 1st admission, public psychiatric hospital inpatients, 41468
sex, prevalence & determinants of depressive symptoms, patients with ankylosing spondylitis, 30011
sex, self rated depression, high school students, Iran, comparison with study of British adolescents, 25784
sex, temporal trends in major depressive disorder, 17–66 yr old males vs females, 37697
sex vs mood, attributional style vs daily life events vs depression symptoms vs hopelessness, college students, 21760
sexual abuse & depression & demographics, female 6–12 yr olds, 45643
short term inpatient or outpatient psychiatric treatment, patterns of ego defense change with symptomatic recovery, adults with major depressive disorder, 10918
short term residential treatment, depression, 8–12 yr olds with severe behavior problems & learning disabilities, 30917

side effects of etoperidone in double blind clinical trial, discrimination of outpatients with major depression receiving active drug vs placebo, "blind" evaluators, 18789
size & shape & metabolic rate of corpus callosum, patients with unipolar depressive disorder, 41562
sleep & growth hormone & cortisol, adolescents with major depressive disorder, 1661
sleep deprivation, male 81 yr old with depression & Parkinson's disease, letter, 22810
sleep EEG variables, depressed vs anorexic 15–21 yr old females, Belgium, 5700
sleep quality & morning activity, depressed moclobemide treated elderly vs patients with multi-infarct vs Alzheimer's type dementia, 25653
slow wave vs REM sleep in & length of morning vs afternoon nap following total sleep deprivation treatment, mood, depressed inpatients, Germany, 42524
smooth pursuit eye movements, schizophrenic vs depressed vs bipolar 15–72 yr olds, Scotland, 13670
social & health factors, depression, 60 yr olds & older, Finland, 37707
social & psychological & medical factors affecting self esteem & depression, 65 yr olds & older, 10 yr followup, UK, 37681
social anxiety & avoidance & distress & fear of negative evaluation & depression & cognitive distortions, college students, 1764
social circadian rhythms & depression severity, depressed inpatients, 5844
social class, clinical symptoms & subtypes, patients with unipolar or bipolar depression or dysthymic disorder, 1975–82, Italy, 41549
social cognitive processes in dysfunctional communication, depressed adults, 29621
social comparison following positive vs negative personal outcomes, mildly depressed vs nondepressed college students, Canada, 1699
social distress & avoidance & performance expectancies & self vs partner vs O ratings of social competency, nondepressed vs dysphoric college students vs clients, 21752
social factors & depression, elderly, 33593
social information processing & schema theories on development of conduct disorder & depression, children, research review, 41396
social interaction with unfamiliar peer, peer rated social acceptability, depressed 14–19 yr olds, 21748
social network & neighborhood & other environmental variables, depressive symptomatology, 55 yr olds & older, 9814
social reinforcement contingencies & role of distress in interpersonal interaction, patients with depression or chronic pain, 13605
social skills & anxiety & communication motivation & social expressivity & behavioral involvement, depressed vs nondepressed college students, 5841
social skills & depression, substance abusing 11.4–18.8 yr olds, 29889
social support system attitudes & depression & suicidal ideation, 21–49 yr old male Army personnel with HIV, 6303
sociocultural factors & treatment seeking behavior, 26–65 yr old depressed Asian Indian females, India, 37692
sociocultural factors, defensiveness & Type A behavior pattern & hostility & depression, college students, US vs Japan, 33323
sociodemographic & clinical treatment characteristics, patients with idiopathic catatonia vs schizophrenia vs depression with catatonic symptoms, diagnostic implications, 45365
sociodemographic factors & professional status, job related depression, health education specialists, Taiwan, 5808
sociodemographic risk factors for depression, Black vs White 18–69 yr olds, 29612
sociodemographic variables & acculturation level & fatalism & religiosity, depression, Anglo vs African- vs Mexican-American adults, 29624
sociotropy vs autonomy, responsivity to individual vs group cognitive therapy, depressed patients, 18620
sodium valproate augmentation of fluoxetine or fluvoxamine, depressed female 67 & 80 yr olds with panic attacks or hypochondriasis, letter, 10666
solar irradiation & onset of depression, 70 yr old male, England, 29633
somatization in clinical presentation, primary care physicians' recognition of depression & anxiety, 18–75 yr olds at family medicine clinic, conference presentation, 46766
somatostatin neurochemistry in Alzheimer's disease & major depression & senile dementia of Alzheimer's type & Huntington's & Parkinson's disease & multiple sclerosis & schizophrenia, 13606
specific meaning & positive nature of life events, females with clinical depression or anxiety disorders, England, longitudinal study, 41464
specificity in social information processing & emotional responses, aggressive &/vs depressed 9–12 yr olds, 13633
specificity of psychodynamic hypotheses on onset of psychosis, psychotic vs depressed 15–19 yr olds, Canada, 1609
specificity of psychodynamic hypotheses on onset of psychosis, psychotic vs depressed 15–19 yr olds, Canada, commentary, 1599
specificity of vegetative & psychological symptoms of depression, adults with acute traumatic brain injury, 1 yr study, 22371
SPECT assessed Tc-exametazime uptake, patients with major depression, Scotland, 17728
SPECT assessed 5-HT2 receptors ligand uptake in brain, 18–68 yr olds with major depression, 37683
splitting & depression & self esteem, 17–45 yr olds, 9805
spontaneous post-ECT myoclonic jerks, female 26 yr old with psychotic depression & bulimia, case report, 22800
spousal physical violence & depression, female 35 & 48 & 61 yr old Southeast Asian refugees, US, 13631
spouses' depression & anger, self vs partner attributions for negative marital events & satisfaction, newlywed couples, 45467
stage of infection, prevalence of anxiety & depression & other psychiatric disorders, male Air Force personnel with HIV, 10275
staging in psychiatric classification of schizophrenia & unipolar depression & bipolar & panic disorder, 37652
standard general practitioner vs practice nurse care, adherence to antidepressants, patients with depressive disorders, England, 46531
state dependent changes in sexual function, depressed males in cognitive behavior therapy, 26538
state depression & trait shyness & vulnerability to allergies & physical irritants, conference presentation, 1653
stimulus energy, ECT induced prolactin release, 26–75 yr olds with major depressive episode, Canada, 34611
stimulus intensity & right unilateral vs bilateral electrode placement, efficacy & cognitive effects of ECT, depressed patients, 34604
stress & anxiety & depression & perception of health & mental health problems, adult females, Canada, 29519
stress & attributional style, self reported depression, 9–12 yr olds, 21750
stress & family history of depression, hedonic capacity, 18–24 yr olds, 45430
stress & social support & exercise & depressive symptoms, 60 yr olds & older, Japan, 40983
stress exposure & interpersonal conflict & disorder incidence, children of mothers with unipolar vs bipolar depression vs medical disorders, 33466
stress incubation & onset, depressed adults, England, application of survival analysis, 37675
stressful life events & comorbidity of depression & suicidality & substance abuse, American Indian & Alaska Native 14–18 yr olds, 41395
stressful life events & identification with Vietnamese vs US society, depressive symptoms, Vietnamese-American college students, 33598
stressful life events, dysfunctional thinking, adults with vs without vulnerability to depression, 1683
stressful separation from parent due to death vs divorce vs conflict events vs asthma, depressive vs conduct disorder symptomatology, 8–16 yr olds, 13634

structure & cluster of word lists, recall & recognition memory, depressed adults, 29601
subgroup classification according to Brief Psychiatric Rating Scale, EP topography, depressed 16–67 yr olds, 25790
subjective cognitive dysfunction, patients with schizophrenia or major depression, 29577
subjective time experience abnormality as aspect of psychomotor retardation vs illness severity, depressed 16–64 yr olds, France, 13707
subliminal processing of emotional information, anxious or depressed adults, 29560
successful total sleep deprivation followed by consecutive sleep phase advance, relapse prevention, patients with major depression, 30542
suicidal behavior, patients with bipolar or unipolar affective disorders, meta analysis, 33594
suicidal ideation & depressive symptomatology, 11–14 yr olds, Spain, 3 yr followup, 5983
symptom profiles, patients with seasonal affective disorder vs unipolar vs bipolar depression, 25750
symptom remission vs clinical state, EEG sleep & REM latency & delta sleep ratio, elderly with recurrent major depression, 29618
symptom severity, natural killer cell activity, depressed male 29–67 yr olds, longitudinal study, 25775
symptomatology & cognitive vulnerability to depression, depressive information processing & self referent recall & personal hypothesis testing, college students, 41554
symptoms & psychiatric history & course & psychosocial functioning, females with postpartum vs nonpostpartum depression, 6 mo followup, 37718
symptoms & treatment response of obsessive compulsive disorder vs depression vs other serotonin systems related disorders, conference presentation, 17856
symptoms on Schedule for Affective Disorders & Schizophrenia for School Age Children Present Episode, estimation of Hamilton Rating Scale for Depression score, 11.8–17.8 yr olds with major depression, 12028
synchrony of change in illness severity & social disability, 16–65 yr old primary care patients with anxiety &/or depression, Netherlands, 45399
systems approach to psychotherapy, depressed male 35 yr old, 30303
T & B cell activation & leucocyte & monocyte function, depressed inpatients, Belgium, 25783
T lymphocyte number & function & panic disorder comorbidity, patients with major depressive disorder, Switzerland, 1651
target similarity & specificity, social comparison, dysphoric adults, 33605
temporal & seasonal variation in perceived intensity of psychological problems, psychotherapy clients with depression or anxiety symptoms, UK, 3 yr study, 45412
temporary cognitive & neurological impairment, patients during acute episodes of major depression or mania, 45433
terminology of health care vs research value orientations, therapeutic misconception & interpretation of process as cure, male 21 yr old depressed patient/research S & medical personnel/researcher, 14456
test construction & validity & reliability of Ways of Responding, assessment of compensatory skills taught in cognitive therapy, college students & patients with major depression, 66
therapeutic efficacy & side effects of fluoxetine vs mianserin, 60–80 yr olds with depressive disorder, Italy, 22737
therapist feedback in cognitive vs cognitive behavior modification vs short term psychodynamic therapy, 40 yr old male with major depression, 6498
therapist interventions & patient progress in brief psychodynamic therapy, anxious & depressed adult females, 6660
thiopental &/vs etomidate anesthesia, ECT seizure duration, 19–85 yr old depressed inpatients, 38600
thought content specificity, college students with social anxiety &/vs depression, 21688
threshold vs suprathreshold unilateral vs bilateral ECT, hemispatial neglect, depressed patients, 2700
thrombin induced platelet calcium mobilization, patients with bipolar disorder vs major depression with vs without melancholia vs obsessive compulsive disorder vs schizophrenia, 21711
thyroid dysfunction in & animal models of refractory depression, literature review, 33590
thyroid hormone augmentation of fluoxetine, female 30 yr old with major depression, case report, 14690
tianeptine, therapeutic efficacy & side effects, 21–82 yr olds with major depression, 1 yr study, 6757
time dependent administration & dosage, clomipramine effectiveness, patients with major depression, Japan, 14719
time limited cognitive analytic therapy, suicidal 34 yr old male & depressed 45 yr old male, 2604
time series analysis of fluoxetine intervention, female 22 yr old with major depression & personality disorder, 22732
time to recovery & risk of manic switching & psychosocial impairment, 13–17 yr olds with major depressive disorder with vs without psychosis, 24 mo study, 21776
timing & precursors of social class decline, 16–50 yr olds with schizophrenia or depression or schizophreniform or bipolar disorders, England, 25716
tolerability & efficacy of moclobemide vs dothiepin, depressed patients in general practice, conference presentation, 30444
tolerability & safety of optimal therapeutic dosage of paroxetine, depressed patients, 14697
tolerability & safety of paroxetine, patients with unipolar or bipolar depression, conference presentation, 10672
tolerability & side effects of moclobemide, patients with major depression, 10647
tolerability of moclobemide vs amitriptyline, 18–65 yr olds with major depression, 10649
topographic & quantitative EEG, depressed 31–80 yr olds, 5840
total sleep deprivation & nortriptyline, depressed 28–57 yr olds, conference presentation, 22757
total sleep deprivation, cerebral blood flow, 27–65 yr olds with major depression, 25794
total sleep deprivation, human growth hormone levels, males with major depression, 17736
total sleep deprivation, prolactin response to sulpiride, male patients with major depression, 46554
total 1 night sleep deprivation, serum beta endorphin & ACTH, 22–74 yr olds with melancholia, 21762
trait anger & anger expression modes & stress, health & depression, 35–55 yr old females, US vs Turkey, 37610
transpersonal treatment approach, 31 yr old male with symptoms of depression in suicidal crisis, 6507
tranylcypromine or phenelzine induced vascular crisis, depressed male 42 & 43 & 49 yr olds, case reports, 2676
treatment outcome profiles for behavior therapy vs amitriptyline vs psychodynamic psychotherapy vs relaxation training, adults with unipolar depression, 3 mo followup, 30287
TRH & basal serum TSH, TSH responses, depressed females, Belgium, 5832
TRH, behavior, adult females with major depression, 46418
tricyclic antidepressant induced mania, male 38 yr old with major depressive disorder triggered by closed head injury, letter, 18773
tricyclic antidepressant with vs without lithium augmentation, L-tryptophan induced serum prolactin increase, 20–68 yr olds with refractory depression, 2651
tricyclic antidepressants, depression, patients with cardiovascular disease, 10844
tricyclic antidepressants, tyramine-O-sulfate excretion, 29–63 yr olds with endogenous vs nonendogenous unipolar or bipolar major depressive episode, 30518
tryptophan depletion paradigm, study of role of 5-HT in antidepressant action, depressed patients, conference presentation, 17753
TSH response to TRH & suicidality & agitation & panic, female 18–54 yr olds with euthyroid primary unipolar depression, conference presentation, 5809
TSH responses to TRH, male vs female 65–81 yr olds with major depressive disorder, 5845
Type A behavior pattern, depression prone personality, 37–73 yr old coronary heart disease patients, Japan, 30151

typical vs atypical depressive symptoms & diurnal variation of mood & reliability of measurement, patients with major depression, 17750
uncontrollable shock induced learned helplessness, in vitro release of norepinephrine or dopamine or acetylcholine or 5-HT in hippocampus, male rats, animal model of depression, 4578
unexpected death following fluoxetine for depression & pathophysiology of serotonergic vasoconstriction, hospitalized female 55–75 yr old medical patients, commentary reply, letter, 34582
unexpected death following fluoxetine for depression & pathophysiology of serotonergic vasoconstriction, hospitalized female 55–75 yr old medical patients, commentary, letter, 34543
unilateral nondominant vs bilateral ECT, memory & clinical outcome, depressed patients, conference presentation, 10752
unilateral visual stimulation, false localization in left vs right hemifield, patients with schizophrenia or depression, translated article, 33563
unilateral vs bilateral ECT, depressed patients, letter, 22798
urinary dopamine & HVA & DOPAC & attempted suicide, depressed patients, 1690
urinary MHPG & DST response to clomipramine & maprotiline, depressed 20–65 yr olds, Turkey, test of hypothesis of noradrenergic & serotonergic depressive subtypes, conference presentation, 33606
use of CORE sign based melancholia index scores, prediction of response to antidepressants, depressed patients, Australia, 38579
use of introductory videotape in cognitive behavioral therapy, depressed inpatients, 38458
use of stones or other transitional objects as mediators in psychotherapeutic dialog, inhibited or silent or depressive 15 & 19 & 45 yr old females, conference presentation, 30321
utility of circumplex model based on family cohesion & adaptability, prediction of depression, rural adolescents, 29629
utility of DSM-III-R criteria for adjustment disorder assessed by intradaily mood variability, patients with adjustment disorder & depressed mood vs major depressive episodes, 41480
utility of global measures of observed arousal & nonverbal indices of arousal intensity, detection of arousal changes during psychotherapy sessions & relationship to outcome, depressed patients, 22494
utility of pattern analysis for differentiation of placebo vs true drug responses in clinical antidepressant trials, depressed 18–65 yr olds, 22752
utility of self report depression measures, diagnosis & assessment of early vs late onset subtypes, depressed 20–40 vs 60 yr olds & older, 24133
valence of cognitions, anxious vs depressed 4th–7th graders, test of A. T. Beck's content specificity hypothesis, 29550
validity & reliability of Beck Depression Inventory vs Zung's Self Rating Scale for Depression, female with PMS during follicular vs late luteal phase of menstrual cycle, 11984
validity & utility of Geriatric Depression Scale & Brief Carroll Depression Rating Scale, male elderly hospitalized medical patients, 24131
validity coefficients & reliability & construct validity of self anchored scales, assessment of depression, 17–59 yr old psychotherapy outpatients, 93
validity of & issues in diagnostic category of mixed anxiety & depression, conference presentation, 33511
validity of & methodological issues in research on depressed college students as analog of clinical depression, research review, 21779
validity of Agoraphobic Cognitions Scale, assessment of fear of fear, inpatients with unipolar depressive &/vs anxiety disorder vs panic disorder & agoraphobia, Norway, 12007
validity of Child Behavior Checklist vs Youth Self Report depression scales, clinically referred 12–16 yr olds, Australia, 15973
validity of Dysfunctional Attitude Scale, measurement of depressive thinking, 18–65 yr old depressed inpatients, 15968
validity of General Attitude & Belief Scale & other dysfunctional cognition measures, assessment of depressive & bulimic tendencies, female college students, 28026
validity of Geriatric Depression Scale, cognitively impaired vs intact elderly, 20020
validity of major depression with atypical features as diagnostic subtype, adults with atypical vs nonatypical depression, 21758
validity of Neurobehavioral Cognitive Screening Examination vs Mini Mental State Examination, elderly psychiatric inpatients with depressive vs organic mental disorders, 39858
validity of neurotic depression as psychodiagnostic concept, patients with unipolar depression, commentary reply, 45478
validity of neurotic depression as psychodiagnostic concept, patients with unipolar depression, commentary, 45429
validity of neurotic depression as psychodiagnostic concept, patients with unipolar depression, 1701
venlafaxine, depressed outpatients, 6748
verapamil & phenelzine, exacerbation of symptoms, 49 yr old female with recurrent depression, letter, 46435
verbal learning & memory abilities, patients with major or manic depression vs Huntington's disease vs Alzheimer's disease, 13629
visual half field & dichotic listening measures of perceptual asymmetry & brain EPs, assessment of cerebral laterality, patients with unipolar vs bipolar depression, 13710
visual stimulus, response latency of motor CRs & interhemispheric interaction, female 20–35 yr olds with depression, translated article, 37702
weight based high initial dosages of nortriptyline, depressed 20–49 yr old inpatients, 34590
wife's part time vs full time at home employment, depression & marital satisfaction, married couples with children 5 yrs old & younger, 37289
withdrawal of phenelzine or imipramine, paradoxical mood shift to euthymia or hypomania, depressed outpatients, letter, 46485
word repetition, word recall, elderly with Alzheimer's disease vs alcohol amnestic disorder vs major depression, 41436
working alliance & development of insight at termination of outpatient crisis intervention, treatment compliance & outcome, depressed psychiatric patients, 19137
yohimbine adjunctive to buproprion, female 50 yr old with treatment refractory dysthmia & recurrent major depression, case report, 34569
1st onset of suicide attempts & DSM-III psychiatric disorders, 6–23 yr old offspring of depressed vs nondepressed parents, 2 yr study, 1567
2 vs 3 ECT sessions per wk, patients with major depressive disorder of melancholic subtype, 38613
3H-imipramine & 3H-paroxetine binding, assessment of platelet 5-HT uptake sites, depressed patients, 37696
5-HT activity in psychotic major depression, conference presentation, 17763
5-HT disturbance hypothesis of mood lowering in major depression, 37717
5-HT function in causation & treatment of depressive illness, 13718
5-HT reuptake inhibitor, contingent negative variation, depressed 20–65 yr olds with anxious agitation & impulsivity vs retardation & blunted affect, letter, 10711
5-HT uptake inhibitors vs tricyclic antidepressants, plasma tryptophan availability, adult patients with depression, 42462
5-HT1A receptor agonists in animal models & clinical & preclinical studies of anxiety & depression & impulsivity, 20994
Major Depression [See Also Anaclitic Depression, Dysthymic Disorder, Endogenous Depression, Neurotic Depressive Reaction, Postpartum Depression, Reactive Depression]—Books
Counselling for depression. Counselling in practice, 18621

Depression: Theories and treatments: Psychological, biological, and social perspectives, 45480
Depression in neurologic disease. The Johns Hopkins series in psychiatry and neuroscience, 38298
Developmental perspectives on depression. Rochester symposium on developmental psychopathology, Vol. 4, 29637
Hypnosis and the treatment of depressions: Strategies for change, 14764
New applications of interpersonal psychotherapy, 46239
Personality and depression: A current view. Mental health and psychopathology, 33607
Practice guideline for major depressive disorder in adults, 42164
Psychological aspects of depression: Toward a cognitive-interpersonal integration. The Wiley series in clinical psychology, 13751
Symptoms of depression. Wiley series on personality processes, 29638

Major Tranquilizers [See Neuroleptic Drugs]
Maladjustment (Emotional) [See Emotional Adjustment]
Maladjustment (Social) [See Social Adjustment]
Malaria—Serials
cost effectiveness of new antimalarial drug &/vs health educational message, malaria chemoprophylaxis compliance, pregnant females, Malawi, 30570
ethnomedical perspectives on attitudes toward causation & biomedical vs self care vs folk medicinal treatment, female 10–19 yr olds with malaria, Ghana, implications for disease control, 7031
treatment for intestinal parasites or malaria, cognitive ability & health status & quality of home environment, school age children, Zaire, 34714
Malawi—Serials
Chilopa ritual sacrifice ceremony performed by traditional healer, mentally ill patients, Malawi, 22807
critical incidents, psychology students working in camp for Mozambican war child refugees, Malawi, implications for counseling curriculum, 42771
optimal theory & Afrocentric cultural frame of reference for Vimbuza healing & traditional African medicine, Tumbaka & Tonga people, Malawi, 26808
reproduction motives & marriage & parenthood values, urban & rural spouses, Malawi, 5406
Malaysia—Serials
government program, drug abuse profile & recidivism rate & rehabilitation & preventive drug education, Malaysia, 7249
health & social support & family caregiving, rural low income functionally impaired elderly, Malaysia, 30075
historic & ethnographic perspective on amok, 19th century, British Malaya, 21710
history of drug use & misuse & rehabilitation, West Malaysia, 15085
incidence of sociocultural factors in etiology, patients with anorexia or bulimia nervosa, West Malaysia, letter, 45859
need for uniqueness, college students, US vs Malaysia, 9394
prevalence & diagnostic specificity of K. Schneider's 1st rank symptoms, schizophrenic adults, Malaysia, comparison with UK vs Saudi Arabia vs Pakistan, 25838
prevalence of mental disorders, rural 1–15 yr olds, Malaysia, 37592
unhealthy reading & photocopying cultures & time mismanagement, achievement, college students, Malaysia, 39262
Male Animals—Serials
acoustic analysis of "pyow" vocalizations for individual identification, adult male blue monkeys, 10 yr study, 12391
acoustic signaling ability, mating success, male sagebrush crickets, 20454
affiliative interactions within vs without natal group, young male Japanese macaques, 32337
age & body size & dominance patterns & reproductive behavior, male 2–9 yr old kudus, 36413
age & dominance rank, social staring in play & homosexual contact & feeding competition & conflict, male mountain gorillas, 20474
age & testosterone & plumage & aggressive experience, social dominance & aggression, juvenile male satin bowerbirds, 12397
aggressive & sexual behavior & female group abandonment, physical recuperation vs seeking out new receptive cow groups with fewer rivals, male wood bison, 12419
alprenolol vs practolol vs n-trifluoro-methylphenyl piperazine vs 8-hydroxy-2-di-n-propylamino tetralin, sexual behavior, male rats, 4788
alternative methodology in overcoming lack of mounting motivation, young male Holstein bull, implications for artificial breeding, 44208
apterous mutations locus, sexual behavior map & courtship defects & retention of immature sexual appeal & juvenile hormone production, male Drosophila melanogaster, 4558
attractiveness & mating success & dominance, spacing behavior, male pheasants, 28431
behavior & physical morphology, male horseshoe crabs attached vs unattached to females, 20408
behavior ecology & male biased sex ratios in overwintering, monarch butterflies, 40286
behavioral determinants of mating success, male adders, 36401
bilateral lesions of bed nucleus of accessory olfactory tract, maternal behavior, male rats, 12513
body size, agonistic encounters, male jumping spiders, 36367
body size morphotype, spongocoel competitive interactions & reproductive behaviors at breeding sites, male Paracerceis sculpta, 28452
clutch hatching success & body size, mating rate, 2 species of male midwife toads, 44314
competition & dominance & mating success, male boat tailed grackles, 24608
confidence of paternity & paternal care of offspring, male tree swallows kept from mate during fertile period, 44352
conspecific male competition, courtship & mating tactics, male small mouthed salamanders, 12427
courtship & mating behavior in presence of predator, male pipefish, 44272
diazepam, anxiolytic modification of sexual behavior, subordinate vs dominant male mice, 16755
distribution of virgin females, mate searching behavior, male wasps, 8567
dominance rank, mating success, male primates, commentary, 24560
dominance rank, mating success, male primates, commentary reply, 24576
dominance rank, mating success, male primates, commentary reply, 24582
dominance rank, mating success, male primates, commentary reply, 24581
dominance rank, mating success, male primates, commentary reply, 24614
dominance rank, mating success, male primates, commentary reply, 24559
dominance rank, mating success, male primates, commentary, 24557
environmental & social & physiological cues, sexual activity, male lesser mouse lemurs, 8 yr study, 20439
evolutionary rationale for protandry & mate assessment & mating behaviors, male wartbiters, 20467
exposure to female with vs without copulation, sexual approach conditioning, male Japanese quails, 16441
fadrozole with vs without estradiol, plasma testosterone & ejaculatory performance & sexual motivation, male castrated monkeys, 44754
female odors & social facilitation, attraction & learning in mate finding, male solitary bees, 16498
food intake & physical deterioration costs of parental care during nest guarding & filial egg cannibalism, male river bullhead, 44313
forewing fluctuating asymmetry, mating competition & success, male Japanese scorpionflies, 24616
group composition, female volitional transfer & choice influence behavior during intergroup interaction, male gorillas, 36427
group takeover & infanticide, male Hanuman langurs, implications for adaptive male reproductive strategy, 36422
infanticide of own vs foreign offspring, male captive blue monkeys vs white collared mangabeys vs drill baboons, implications for sexual selection, 20406
intermale aggression against unfamiliar conspecific & submandibular vs preputial gland size, goldthioglucose induced obese mice, animal model, 4728

internest distance & sneaking as mating strategy, male sticklebacks, 20421
learning & characteristics of song, captive male European starlings, 24528
life history & mating & intertroop transfer, male Japanese macaques, 4536
light dark conditions & time since ejaculation, regulation of infanticide vs parenting behavior, male mice, conference presentation, 20440
male competition & female choice during sexual selection, mating success, male lekking Hawaiian Drosophila, 24579
male competition & female mate choice, mating success, male Barbary macaques, 8555
male courtship trembling, water mites, test of sensory exploitation hypothesis, 20446
male parent removal, fry survival & adoption, convict cichlids, 20473
male plumage color, male-male aggressive & territory related interactions, pied flycatchers, 36386
manipulation of sexual motivation by testosterone vs photoperiod length, sexual approach conditioning, male Japanese quails, 16440
mate locating behavior & host plant based territoriality, male white peacock butterflies, 16479
mating success & life history & intergroup mobility, male ringtailed lemurs, conference presentation, 4540
medial vs basolateral vs cortical amygdala lesion, copulatory mounting & intromission & ejaculation, sexually inexperienced male rats, 8643
medroxyprogesterone acetate, sexual activity & motivation, castrated testosterone implanted male cynomolgus monkeys, 44680
natural chemosignals vs their synthetic terpenic analogs, urine marking, dominant vs subordinate male mice, 12416
neonatal castration & testosterone propionate, sexual & aggressive behaviors, adult male marmosets, 44611
nest guarding against predators, male red winged blackbirds, test of sentinel hypothesis, 524
neuroanatomy & head touch & tap vibratory stimulation, plasticity of reversal behavior & nonassociative learning, hermaphrodite vs male Caenorhabditis elegans, 20560
neuroendocrine & physiological factors & photoperiodic & other environmental cues, reproductive diapause, male insects, conference presentation, 16656
number of sperm transferred in extra pair copulations after vs during own copulation period, male zebra finches, 476
perineal gland odor cues from dominant vs subordinate male conspecifics & aggressive responses, male domestic guinea pigs, 16469
possible causes of transition from strong to weak mate guarding, male libellulid dragonflies, 8516
posterior medial hypothalamus lesion, courtship behavior, male ring doves, implications for role of adult social environment in recovery, 40348
prenatal REM sleep deprivation vs footshock vs cold water immersion vs immobilization stress, feminine vs masculine sexual behavior, male rats, 36697
prenatal stress & attenuation of plasma testosterone, volume & masculinization of sexually dimorphic nucleus of medial preoptic area & ejaculatory behavior, male rats, 8774
prior familiarity with 2nd female, resumption of copulation in Coolidge effect, satiated male prairie voles, 4526
progesterone & dihydrotestosterone, androgen dependent sex behavior & morphology & in vitro binding of cystolic androgen receptors, male whiptail lizards, 44666
rate of food gift incorporation by female, mating frequency, male wartbiters, implications for paternal investment, 44351
recovery from depletion of internal reproductive organ & remating & spermatophore production & mating potential, male protohermes, 36379
risk of intrusions & copulations by other males, size of breeding territory, male birds, commentary reply, 501
risk of intrusions & copulations by other males, size of breeding territory, male birds, commentary, 483
role of comb displays in aggressive actions & mating success, male rock ptarmigans, 36384
serum prolactin vs testosterone vs estradiol, sexual performance & libido, 10.4–11.8 vs 21–30.9 yr old male rhesus macaques, 4700
sexual behavior onset & reproductive diapause, early vs late allatectomized vs corpora allata implanted male grasshoppers 20 days postfledging, 12406
sexually conditioned contextual cues & increased copulatory experience, responsiveness to female stimuli, male quails, 4449
sexually receptive female vs sexually active male, sexual motivation & choice behavior, intact sexually experienced male rats, 44316
size & residency, success & characteristics of contests with males during mating season, male sand lizards, analysis of sequential assessment game model, 12431
social status & familiarity of urine donor, priming effects of urine substrate marks on interactions, male house mice, 28434
song motif parameters, species discrimination & aggressive territorial responses, male blackbirds, 28424
structural & functional characteristics of neuropeptides from anterior lobe of right cerebral ganglion, mating behavior, male freshwater snails, 12525
testosterone &/or corticosterone, agonistic & courtship behaviors, male lizards, 44607
testosterone, dominance & competitive ability, male house mice, 40482
trade off between foraging & courting, male guppies, 40268
vibrissae removal, social dominance, male mice, 16663
yohimbine, reproductive behavior, male Nile crocodiles, 20939
5-HT agonists, ejaculation latency & other copulatory behavior, male rhesus monkeys, 40650
5-HT synthesis inhibitor p-chlorophenylalanine, lordosis behavior, castrated male vs ovariectomized female rats with vs without dorsal raphe nucleus lesion, 36799

Male Animals—Chapters

Social conflict in adult male relationships in a free-ranging group of Japanese monkeys, 36450

Male Castration—Serials

castration & testosterone replacement, habituation of chemosensory investigation of vaginal discharge from estrous females, male golden hamsters, 28616
castration & testosterone replacement, odor preferences & attractiveness to females, male meadow voles, 28613
castration prior to prolonged isolation, brain biogenic amines & metabolites, muricidal vs nonmuricidal male rats, 586
hypothalamic paraventricular nucleus knife cuts, photoperiodic modulation of prolactin or postcastration gonadotropins, castrated vs intact male hamsters, 4565
postnatal castration, intermale aggression, male mice, 40473
reasons for sex offenses & imprisonment & castration & brain surgery & other treatment methods, male 25 & 30 & 36 yr old sex offenders, case reports, 19289
sc vs medial preoptic area quinelorane &/vs subphysiological testosterone, sexual behavior, castrated or noncopulating gonadally intact male rats, 20829

Male Criminals—Serials

Adlerian perspective on early recollections, male offenders, 29909
behavioral & familial & biochemical factors & diagnosis, recidivism, 16–68 yr old males convicted of manslaughter or attempted manslaughter or arson, Finland, 1 mo to 9.5 yr followup, 10087
characteristics of recidivism, male aboriginal offenders, Canada, 18055
childhood abuse & neglect, adult violence & criminal behavior, male federal inmates, Canada, 1970
cluster analysis of MMPI personality profiles, 19–60 yr old male felons in correctional halfway house, 37982
clustering & contagion of suicides, male prisoners & police cell detainees, 1971–91, New Zealand, 35073
CSF 5-HIAA, early onset alcoholism with impulsive violent behavior & hypoglycemia, male criminal offenders, conference presentation, 18069
dextrofenfluramine, prolactin release, 21–38 yr old male convicted murderers with antisocial personality disorder, Ireland, commentary, letter, 18056

electrical stimulation detection thresholds & pain tolerance, male 15–42 yr old psychopathic vs nonpsychopathic inmates, 37981
explanations of own crimes & historically documented aspects of psychopathy, incarcerated adult males, 10097
explanations of own crimes, incarcerated adult males, 10098
exposure to sexually explicit material, male sex offenders vs child molesters, 33905
personality profiles, male sex offenders, Canada, 26037
prevalence of psychiatric morbidity, male inmates, Kuwait, 45779
social skills training as part of treatment, male 12–19 yr old sex offenders, 3135
startle elicited blinks in emotional response to affective slides, male psychopathic vs nonpsychopathic incarcerated sexual offenders, 26032

Male Delinquents—Serials

age of 1st sexual experience & of 1st partner, sexual experience history & sexual abuse, 9–19 yr old male delinquents, 18079
concurrent validity of Kaufman Brief Intelligence Test & WISC-R, male 12.5–16.8 yr old juvenile delinquents, 24146
frequency & intensity of own sexual or physical abuse, 12–18 yr old male sex offenders, 18053
gang membership & criminal activity & family & peer relations, Hispanic American vs Caucasian incarcerated male 13–18 yr olds, 14014
group treatment program, institutional conduct & recidivism rates & social skills, male 15–18 yr old incarcerated juvenile offenders, 46972
IQ & social class & motivation & impulsivity & academic achievement, 13 yr old Black vs White delinquent males, 29924
MMPI excitatory vs special scales, assessment of personality & recidivism & crime severity & property & assault offenses, male 13–17 yr old offenders, 4091
multisensory remedial reading instruction, reading disabled delinquent male 13–18 yr olds, 15524
mythical & bizarre beliefs & thinking errors & faulty attitudes & values concerning sex & sexuality & health & other issues, 11–17 yr old male sex offenders, 10102
peer relationships, involvement with & commitment to delinquent peers, Puerto Rican male 11–19 yr olds, 18074
residential peer group rehabilitation program, self perceived attitudinal change, delinquent male 13–17 yr olds, 7281
self esteem & career salience, male institutionalized adolescent offenders vs nonoffenders, 29926
social skills training as part of treatment, male 12–19 yr old sex offenders, 3135

Male Female Relations—Serials

account making & confiding in friends after & coping with & recovery from break up of close heterosexual relationship, 20–33 yr olds, 37448
adolescent masturbation & masturbation fixation, adaptation to later heterosexual partnerships, 21952
aggression against females as control of sexuality for reproductive advantage & evolutionary perspective on cross cultural variation in aggression frequency, males, 41164
antecedents & correlates of gender boundary violations & maintenance, 10–11 yr olds, 32998
attachment styles & relationship satisfaction, unmarried couples, New Zealand, 4 mo study, 41213
attitudes toward opportunities to achieve by competition with persons of opposite sex & consequences of achievement choices, 18–22 yr olds, 33162
attribution of sexual interest in social interaction scenario, male vs female college students, 45190
behavioral pattern of Cleopatra syndrome & avoidance of intimate relationships with men, female psychotherapy client, translated article, 34353
childhood & family background & prior violence against partners & male female dynamics & other demographic & situational factors, incarcerated adult males who killed female intimate partners, 41782
cognitive processes in close relationships & role in relationship counseling, distressed vs nondistressed couples, literature review, 18655
construction of Emotional Dependence Questionnaire, assessment of emotional dependence on males, females, test of P. Russianoff's hypothesis, 39774
coping & controllability & commitment related variables, prediction of distress following & recovery from heterosexual relationship dissolution, college students, 29337
development & validation of Relationship Belief Scale, college students, New Zealand, scale appended, 15919
dyadic adjustment & attachment & social support & other interpersonal factors, couples with vs without male violence against female partner, Israel, 33746
dyadic adjustment, couples with vs without hypoactive sexual desire, Canada, 33203
dynamics of extramarital relationships, married males & single females, counseling implications, 1275
economic opportunity & gender relations & family planning programs & fertility rates & sexual behavior, adults, West Indies, 17407
experience of & attitudes toward & sex roles in cross sex polite behaviors, 17–57 yr old males vs females, 13433
family background & personal characteristics & independence resources & opposite sex relationships, marriage attitudes, Asian vs Hispanic vs African vs White college students, Canada, 13293
frequency of sexual activity & excitability of orgasms & communication & erotophilia & relationship closeness, sexual satisfaction, married female 25–31 yr olds, 41176
gender relations & similarities & dissimilarities in development, college students, 31347
induced abortion, social & psychological consequences in relationship with male partner, female adults, Germany, 1 yr followup, 10806
instrumental & expressive & gender stereotyped personality traits of male & female stimulus persons, social cognition & perceptions of relationship, college students, 37465
interviewee sex, politeness & discourse management in telephone survey interviews, female interviewers, 21475
issues in masculine regime at Catholic boys' school & male female relations & gender in organizational culture, students & teachers, Australia, 43154
knowledge of & attitudes toward hysterectomy & perceived effects on male female relationships, male 18–60 yr olds, 34712
length of relationship, patterns of touch in public, engaged or dating vs married or cohabitating couples, 1384
male female & mother daughter relationships in A. Ostriker's poetry, 795
masculine feminine attitudes & authoritarian & democratic intergender communicational stereotypes, 1357
mixed sex date rape prevention workshop, date rape attitudes, college students, 31436
mixed sex workshop on date rape prevention, college students, 31435
mood, likability & ability & relationship evaluation of couples well matched vs mismatched on physical attractiveness, White vs Asian college students, 25501
paradigmatic assumptions of sex related violence & harmdoing & impact on workplace sexual harassment research, 27739
patterns of homicide against opposite sex partner, married & unmarried couples, 1976–87, 29907
portrayal of male female traditional vs reverse sex vs equality poses in women's vs men's vs general interest magazine advertisements, 1972–89, 39579
power & sex, anger response to male vs female initiated conflict involving sexual jealousy between intimates, 17–38 yr olds, 21442
predictors of relationship quality, 18 yr old & older females hospitalized for high risk pregnancy & their husbands or partners assessed through 8 mo after birth, 29231
prior marital &/or cohabiting relationships, quality & stability of & agreement & involvement in current intimate relationships, married vs cohabiting adults, 41070
psychoanalytic perspective on cross cultural patterns of hypermasculine defense, Sambians vs Pitjentarans vs Athenians, New Guinea vs Australia vs ancient Greece, 29187

reconciliation strategies, relational development & growth, married & unmarried 17–33 yr old couples, 37440
rejection strategies & unwanted interpersonal advances from males, female college students & bar patrons & employees, 9478
relationship for interaction & friendship, separated couples, conference presentation, 17336
relationship satisfaction & conflict management styles, 22–77 yr old couples with vs without male member with sexual dysfunction or sex offenses, 41420
reliability of Dyadic Adjustment Scale, assessment of marital or relationship adjustment & satisfaction, middle aged, 35780
religiosity & sexual involvement, premarital dating relationship adjustment, heterosexual college students, 41172
sex differences in love role definitions, male dominance in intimate relationships, college students, 5507
social relationships with female mates, 25–38 yr old current vs recovered heroin addicted males, 45733
social skills, preschoolers in romantic vs same vs cross sex friendship dyads, 32995
strength of stereotypic views of American females, masculine vs androgynous vs undifferentiated male adults, application of S. L. Bem's gender schema theory, 41158
structure & levels of involvement & gender relations in coed sports, male & female softball players, 39537
TAT, assessment of defenses & motivations impacting functioning within family & heterosexual relationships, adolescent mothers vs nonmothers, 1109
views of & relationships with males, unmarried adolescent mothers, 37157

Male Female Relations—Chapters

Adolescent heterosocial interactions and dating, 13173
Dangerous liaisons? A review of current issues concerning male and female romantic relationships in the workplace, 47445
Friendly? Flirting? Wrong?, 29367
Hers or his? Sex differences in the experience and communication of jealousy in close relationships, 29365
The male perspective, 45108
Metaphors in accounts of romantic relationship terminations, 29370
Theological view of love and marriage, 9572
A variant of the "whore-madonna" complex in contemporary women, 13598
Violence against women in Australia's capital city, 9987
Violence towards women, 37911
Ways of doing conflict: A folk taxonomy of conflict events in personal relationships, 29361
Who pays the bill? The language of social representation, 5574
Women in intimate relationships, 21494
Women in the maze of power and rage, 42394

Male Genital Disorders [See Also Klinefelters Syndrome]—Serials

physostigmine, ejaculation & sperm count & mobility & side effects & insemination success, male 19–61 yr olds with spinal cord injury & ejaculatory dysfunction, Canada, 14830

Male Genital Disorders [See Also Klinefelters Syndrome]—Chapters

Male reproduction: Fertility, 38148

Male Genitalia [See Also Penis, Prostate, Testes]—Serials

fluvoxamine, male patients with idiopathic genital pain with vs without affective disorders, letter, 6967

Male Homosexuality—Serials

abuse of nitrites & other drugs & number of sex partners, perceived risk of AIDS exposure, 14–16 yr old homosexual males, Alaska, 10280
AIDS related bereavement, psychological distress, homosexual 19–75 yr old males with vs without AIDS/HIV seropositivity, 1985–91, 26234
AIDS related grief, gay males, 18290
AIDS related stressors & personal & sociodemographic & other characteristics, satisfaction with social support, gay males, 34112
alcohol consumption & risky sexual behavior for HIV transmission, 17–78 yr old gay males, Belgium, 6282
analytic process & transference characteristics, homosexual 15 yr old male, conference presentation, 2576
artistic creativity, homosexual males, 17404
attitudes & influences & intention regarding safer sex, HIV related sexual risk reduction, gay male 18–69 yr olds, test of Theory of Reasoned Action, 18272
attitudinal & normative factors, intentions to perform AIDS related sexual behaviors, gay or bisexual males, application of theory of reasoned action, 2201
behavioral & health & psychosocial factors, HIV seroconversion risk, homosexual males engaged in high risk sexual behaviors, longitudinal study, conference presentation, 18287
career counseling issues, 23 yr old gay male MBA student, commentary, 31456
career counseling issues, 23 yr old gay male MBA student, 31472
change from homosexual to heterosexual behavior after phenelzine treatment, male 23 yr old with social phobia, letter, 30469
changes in HIV rates & sexual risk behavior, homosexual & bisexual males, 1984–88/92, 46001
changes in sexual behavior patterns for prevention of HIV infection, under 25 yr old gay male college students, 3491
childhood gender nonconformity, genitoerotic role & AIDS exposure, homosexual males, implications for taxonomy development, 17414
coming out & mid life transitions & psychological impact of AIDS, gay males, 14232
communication of sexual orientation to child's school, lesbian or gay parents, 19444
computerized vs conventional neuropsychological assessment, HIV-1 seropositive vs asymptomatic vs symptomatic seropositive homosexual or bisexual males, commentary, 22274
condom related beliefs & subjective norms & normative behavior, prediction of intended vs actual use of condoms, homosexual 18–71 yr old males, Australia, application of reasoned action theory, 9491
contact seeking & sadomasochism content of male homosexual written graffiti, 13369
cultural & economic & social factors, AIDS rate, Black male homosexuals & homosexual vs heterosexual iv drug users, implications for social & other health & human service workers, 10290
cultural minority status & other issues & trends in career development & counseling, lesbian & gay clients, 31461
deaths of lovers & close friends from AIDS, frequency of depressive symptoms & disorder, HIV positive vs negative homosexual males, 10297
developmental gay affirmative approach to counseling, gay males, 2445
developmental issues & delivery of mental health counseling, lesbian & homosexual adolescents, 11005
disclosure of HIV antibody status to main sex partner & impact on relationship, homosexual male 28–41 yr olds, 22292
Erikson's stages of sexual & psychosocial development, adult gay males with HIV seropositivity, 42000
ethnography of self perception & sexual liaisons & sexual culture, 28 yr old male homosexual, China, 21434
factors affecting intentions & decisions regarding HIV testing, 18–70 yr old bisexual or gay males, Canada, 38776
gay & lesbian panel discussion in human sexuality class, attitudes toward gays & lesbians & persons with AIDS, college students, 35295
genetic contribution to & behavioral nature of sexual orientation & psychopathology, male 19–65 yr old monozygotic vs dizygotic twins vs adoptive brothers vs schizophrenic twins, commentary, 24635
genetic contribution to & behavioral nature of sexual orientation, male 19–65 yr old monozygotic vs dizygotic twins vs adoptive brothers, commentary reply, 24631
group identity & self esteem, lesbian & gay male 18–46 yr olds, implications for counseling, 13378
group identity & self esteem, lesbian & gay male 18–46 yr olds, implications for counseling, erratum, 41185

health care & sexuality education model, reduction of unsafe sex & safer sex maintenance, homosexually active males, 34803
high HIV risk sexual behavior, gay & bisexual male adults in substance abuse treatment vs Ss in San Francisco Men's Health Study, 34103
HIV related sexual language, Black vs White gay males, 5477
HIV seropositivity vs seronegativity, cognitive & neuropsychological functioning & immunosuppression, homosexual males, replication, 10304
HIV status preferences for potential sexual partner vs friend, seropositive vs seronegative vs untested gay males, 10288
homophobia & death anxiety, discomfort with gay or HIV infected clients, male counselors, 15287
homosexual behavior & HIV infection, male homosexual & bisexual Vietnamese Americans, 22269
homosexual desire & identity confirmation in "The Picture of Dorian Gray", 4985
homosexual desire & relationships & responses to HIV epidemic, working class male homosexuals, 37381
homosexual identity & coming out requirement, gay & lesbian teachers, 41169
issues in residential treatment centers, gay & lesbian adolescents with psychological problems, 34931
knowledge of seropositivity, social network support & illness related stressful life events & sexual contact pattern, HIV positive homosexual or bisexual males, Sweden, 26238
lesbian & gay identity development & career counseling issues, 23 yr old gay male MBA student, commentary, 31460
lifetime sexual behaviors, runaway vs gay or bisexual African American or Hispanic or other 12–18 yr old males, 5210
masculinity & sexuality & identity & homosexual experience & sex dynamics, gay male adults, Australia, 21431
memories of childhood gender conforming vs nonconforming behaviors, heterosexual vs bisexual vs homosexual adult males, 17411
milieu & issues in psychiatric residency training programs, gay & lesbian residents, US, 43074
mood disorders & psychiatric distress & future outlook & physical functioning & quality of life, male homosexual 25–58 yr old long term survivors of AIDS, 30129
neuroticism & psychoticism & extraversion & immune system functioning & HIV knowledge, failure to practice safer sex, gay or bisexual males with HIV, 42001
no anal sex vs anal receptive &/vs insertive sexual role, spread of HIV, homosexual males, Netherlands, 22295
optimism & psychological distress & coping & high risk AIDS related sexual behavior, gay male 22–60 yr olds, 2216
parenting style & orientation toward father role, gay vs nongay fathers, 13313
patterns of substance abuse & treatment issues, gay & lesbian youth, 33879
perceived control & self reported health status & psychological adjustment, gay male 24–49 yr olds with AIDS, 8 mo followup, 46000
perceived sexual self control & high risk sexual behavior, 18–60 yr old gay males with vs without HIV, 6286
perceptions of discrimination by doctors vs dentists, male homosexuals & bisexuals with AIDS, 14825
personal & social development, children of gay & lesbian parents, literature review, 9286
personal definition & everyday practice of spirituality, gay male members of Alcoholics Anonymous, 35026
personal standards for responding to gay males & self vs other directed affective reactions to discrepancies, high vs low prejudice college students, 21439
positive vs negative vs self stereotyping, straight vs gay males, Germany, 9493
prevalence & risk factors for alcohol abuse & treatment of alcoholism, homosexual & bisexual males & females, 27148
prevalence of personality disorder & coping & social support & mood, asymptomatic HIV positive vs negative homosexual males, 22288
pro gay slogan on male target's shirt, response to target's request for change, 17–50 yr olds, 17412
psychoanalytic psychotherapy, homosexual 37 yr old male dying of AIDS, England, 22860
psychodynamics of unprotected intercourse, gay male HIV positive adults, Germany & Sweden, 26221
psychological well being assessed by General Health Questionnaire, gay males, UK, 45150
psychosexual behavior & sexual dysfunction, gay male HIV positive 23–62 yr olds, Canada, conference presentation, 38170
psychosocial problems & psychological morbidity, HIV seropositive vs seronegative homosexual males, England, 30108
racial & ethnic identity & traditional family values, coming out process, gay 17–20 yr olds, 25239
reasons for inconsistent AIDS prevention behavior, 25–45 yr old gay males, 34798
reconstructive therapy, promiscuous homosexual male HIV infected 38 yr old, 22884
relationship & dispute mediation, lesbian & gay couples & families, 3918
relationship between researcher & participant in research on gay & lesbian Ss, 1974–88, 17413
rules in sexually open vs closed relationships & relation to HIV protection, homosexual 18–33 yr old males, 22279
seduction by male, switch from heterosexual to homosexual relationships, male 31 & 33 & 36 yr olds, 41181
self reported childhood & adolescent sexual abuse, homosexual or bisexual male 18–73 yr olds, 21914
semantic tracking task, voluntary control of penile response during phallometric testing, homosexual pedophilic males, Canada, 45668
seropositive diagnosis, life value & purpose & meaning, gay male HIV infected 20–55 yr olds, 26242
sex role attitudes & parent education & religiosity & AIDS worries, prediction of attitudes toward homosexuality & gay males as friends, 15–19 yr old males, 1988, 32972
sexual behavior & knowledge of HIV & AIDS & safe sex practices, 15–20 yr old gay or bisexual males, England & Wales, 10277
sexual preference, interpretation of literary texts, homosexual males, 33186
sexual risk behavior & perceptions of behavior change & psychosocial factors, maintenance of behavior change, homosexually active males, longitudinal study, implications for HIV & AIDS prevention, 5478
siblings' sexual orientation, homosexual vs heterosexual adult females, implications for familial homosexuality, 21430
single vs serial session AIDS risk reduction program, knowledge of & attitudes toward AIDS risk & sexual practices, gay or bisexual males, Canada, 30730
situational factors & thought processes & other variables, safe vs unprotected intercourse, 15–21 yr old homosexual males, Australia, comparison with data from older males, 9244
situational factors of AIDS risk behavior & lapse avoidance coping strategies, gay males, 14234
social processes & HIV or AIDS prevention, working class gay or bisexual males, Australia, 38757
social support & coping strategies, depression & global psychological distress, gay males at risk for AIDS, 2 yr study, 22282
social support networks & psychological distress, 23–78 yr old bisexual or homosexual males at risk for HIV, 30104
social support networks, homosexual males, 33180
status & quality of primary relationships, psychological health, male homosexuals, implications for HIV/AIDS epidemic, 5479
support from social networks & extent of others' knowledge of homosexuality, gay males, 13364
systemic prevention interventions, suicide & depression & other mental health problems, lesbian & gay & bisexual college students, 42142
tracking methods & strategies in AIDS prevention program effectiveness assessment, gay or runaway male 11–18 yr olds, 4 yr study, 4212
type of sexual activity & partner, attitudes toward & intention to perform & subjective norms & perceived AIDS related risk of sexual behaviors, gay or bisexual male 19–69 yr olds, 37383
use of family concepts & genograms in treatment, alcohol or drug addicted gay males & lesbian females, 35046

Male Homosexuality—Chapters
The adjustment of the male overt homosexual, 25442
Contextual and clinical issues in providing services to gay men, 19049
A developmental, clinical perspective on lesbian, gay male, and bisexual youths, 17219
Homosexual identity: Commitment, adjustment, and significant others, 25441
Homosexual relationships in a unique setting: The male prison, 43005
Homosexuality in homosexual and heterosexual men: Some distinctions and implications for treatment, 46405
Pastoral counseling of the gay male, 34632
Personal reflections on coming out, prejudice, and homophobia in the academic workplace, 43174
Special problems of older gay employees, 43375
Working with gay men, 26562
Working with special populations III: Lesbians and gay men, 31192
Male Orgasm—Serials
clinical features & etiological hypotheses & sex therapy, adult males with psychogenic postejaculatory pain, 41956
clonidine treatment & termination with vs without yohimbine vs naloxone vs DG-5128, penile erection & ejaculation, male dogs, 25015
coital alignment technique, mutual & female coital orgasms, adults, replication, implications for sex therapy, 29298
D1 agonists vs D2 antagonists in medial preoptic area with vs without apomorphine, genital reflexes & seminal emissions, male rats, implications for role of dopamine receptors, 12798
erection & orgasm & sexual desire & overall performance, poststroke male 31–64 yr olds, 6–12 mo followup, 46024
fluoxetine induced spontaneous prolonged erections & impaired ejaculation, 41 yr old male with major depression, letter, 46523
level of preparedness & sources of information for & emotional reaction to & peer discussion following 1st ejaculation, 12–18 yr old males, Nigeria, 36964
light dark conditions & time since ejaculation, regulation of infanticide vs parenting behavior, male mice, conference presentation, 20440
physostigmine, ejaculation & sperm count & mobility & side effects & insemination success, male 19–61 yr olds with spinal cord injury & ejaculatory dysfunction, Canada, 14830
retarded ejaculation or ejaculatory incompetence during fluoxetine therapy, males with major depression or obsessive compulsive or panic disorder, letter, 34568
subsequent & immediate vs 15 min delayed mating without ejaculation, sperm number present 1 hr postejaculation during initial mating, male prairie vs montane voles, 12636
5-HT agonists, ejaculation latency & other copulatory behavior, male rhesus monkeys, 40650
Male Orgasm—Chapters
Electroejaculation and its techniques in males with neurologic impairments, 38744
Males (Human) [See Human Males]
Mali—Serials
health education with vs without safe water supply & social cohesion, dracunculiasis, villagers, Mali, 30009
morbidity episodes & health seeking behavior & health care utilization, Dogon families, Mali, 7037
Malignant Neoplasms [See Neoplasms]
Malingering—Serials
cross validity of Rule-In & Rule-Out scales of M Test, screening for malingering, male prisoners, 31920
Digit Memory Test, detection of malingering, patients with unequivocal cerebral dysfunction vs postconcussional syndrome vs suspected malingering, 46082
discriminant validity of Wechsler Memory Scale-Revised, identification of malingered symptoms, 17–70 yr olds with vs without head injuries, 24180
effectiveness of MMPI-2 validity vs Millon Clinical Multiaxial Inventory modifier scales, detection of spurious PTSD claims, personal injury claimants, 4068
effectiveness of Structured Interview of Reported Symptoms, detection of feigned schizophrenia vs mood disorders vs PTSD, male correctional facility residents, Canada, 4078
financial compensation for PTSD vs physical or other mental problems, exaggeration of symptoms, Vietnam veterans with PTSD, 17852
forced choice task in symptom validity testing, patterns of nonrandomness in malingering responses, clinical psychologists & psychiatrists feigning blindness, 1590
indicators of malingering in clinical neuropsychological memory assessment, college students, 20064
memory task performance, coached naive vs sophisticated malingerers vs brain injured patients, implications for defense attorneys, 10387
methods to ascertain malingering & mental capacity to exercise responsible behavior & use of insanity plea, mentally ill offenders, 3910
Portland Digit Recognition Test, assessment of malingering, compensation seeking vs nonseeking patients with brain dysfunction vs mild head trauma, 31936
random responding or malingering, validity scales of MMPI-2, nondisordered Ss, 4030
Recognition Memory Test, detection of exaggerated or malingered memory impairment, patients with mild head trauma seeking financial compensation vs patients with moderate & severe brain injury, 22385
strength measures as screening method for diagnosis of lower back pain, 19–63 yr olds, implications for malingering, 10261
utility of Negative Impression scale of Personality Assessment Inventory, detection of feigning schizophrenia or depression or anxiety disorders, naive vs sophisticated psychology students, 39786
utility of symptom validity testing, assessment of malingering, adult patients with mild head injury, 43801
validity of forced choice procedure, assessment of feigned memory impairment, 18–81 olds with brain damage & psychiatric inpatients & college students faking impairment vs performing honestly, 39852
validity of M Test, assessment of malingering, incompetent to proceed defendants in residential forensic facility, 31884
Malingering—Chapters
Deception and malingering, 12043
Detecting amnesia's impostors, 14381
Susceptibility of the Rorschach to malingering: A schizophrenia analogue, 16012
Understanding malingering: Motivation, method, and detection, 37633
Malnutrition [See Nutritional Deficiencies]
Malpractice [See Professional Liability]
Mammary Neoplasms [See Breast Neoplasms]
Mammillary Bodies (Hypothalamic) [See Hypothalamus]
Man Machine Systems—Serials
ACT theory of skill acquisition & transfer & combination of old & new skills in human computer interaction training, new task learning rate, adults, 43571
analytic hierarchy process, rank ordering of judgment of usability & learnability of 5 computer interfaces, adults, 39598
application of human factors methodology to operational testing & evaluation of space control systems, satellite control operators, 7774
approaches to error identification in reliability assessment of human machine systems, 15756
ARIEL facility for browsing entity relationship databases, novice users, 39585
characteristics & utility of knowledge based automated window management system, 47558
closed loop model of & metaphors for human computer interaction & interface needs for empowering environments & problem solving, users, 11775
cognitive modeling in human computer interaction, 39589
cognitive models & dialog concepts & development of user interfaces, epistemological implications, 23824
cognitive orientation & deep knowledge & intention sharing & control plasticity & adaptivity & memory, man machine collaboration, novice vs expert Navy personnel, 11777

cognitive simulation model of man machine system interactions & decision making in accident management, nuclear power plant operators, 19809
cognitive simulations in cognitive task analysis in dynamic fault management, application to nuclear power plant accidents, 3857
computer aided creativity method to expand human computer interaction, 3836
computer attitudes & preferred level of power of expert systems, impression of experience & choice of future interaction with computer, college students, training implications, 11764
computer dialogs as mediated discourse, commentary reply, 3802
computing industry exacerbation of problem of software bugs, implications for human computer interaction, commentary, 3804
computing industry exacerbation of problem of software bugs, implications for human computer interaction, 3816
construct validity of action oriented taxonomy of errors in human computer interaction, clerical workers, Germany, 23836
contemporary user interface software design, human computer interaction, implications for future research, 43569
convergence, natural language understanding in human computer dialog, office workers & computer operators & engineers, 27792
design & implementation & evaluation of ALLY computer based associate for cooperative supervisory control systems, 43600
desktop graphical vs character based user interface with menu selection, benchmark task solving time, novices vs experts, 15768
development of distance learning postgraduate course in human computer interaction, software developers & engineers & technical managers, UK, 3374
difficulties in interaction with & suggested improvements for electronic mail, users of BITNET, 27797
dynamic reliability technique for error assessment in man machine systems, error & reliability analysis, operators in industrial plants, safety implications, 47446
ease & speed of use & accuracy of basic entry vs autocompletion with touchscreens vs keyboards, adults, 3826
enhancement of multiparty conversations through computer mediated interaction systems, 3833
enhancement of multiparty conversations through computer mediated interaction systems, commentary, 3821
EVADIS II evaluation method for user interfaces, 47518
Explanatory Discourse Generator with content & dialog planning of explanations in interaction with users, 27785
familiarity with computers & spatial reasoning proficiency, speech &/vs gestures in manipulation of graphic on computer screen, adults, 27788
Fitts' model in human computer interaction research & design, 15777
flight management system comprehension & operations, adult pilots & flight crews, 31672
flow of human technology interaction, evaluation & work impact of electronic & voice mail, employees, 11525
focused dialog support technique in human computer interaction, decision processes in course design, educational organizations, 23876
formal mathematical model of menu design for interactive computer systems, 3817
framework for evaluation of human computer interaction, 39588
hermeneutic & cognitive psychological & artifactual approaches to human computer interaction, 7763
historical analysis vs current evaluation procedures in hard systems, assessment of user centered approaches to requirements capture, employees, 3824
human computer interaction research in conventional vs nonconventional office automation environment, 27800
human factors issues in maintenance aspects of work environment, operators responsible for inspection & repair of aging aircraft, 7782
human operator support aspects of ARCHON system for industrial process supervision & control, 47510
human system interaction measures of functional performance in flight simulator task, experienced vs novice pilots, 15764
human–human interaction & natural language as model for human computer interaction, 11761
human–human interaction & natural language as model for human computer interaction, commentary, 11760
Information Center Expert vs consultant, perception of effectiveness of knowledge based system in software selection, beginner vs advanced users, 7817
information processing complexity & pace requirements of task & age, stress reactions to computer interactive tasks, 25–70 yr old females, 43555
information theory vs percentage accuracy, measurement of effectiveness of interactive augmentative & alternative communication display, 23303
integrated knowledge based design environments, indirect communication of collaborative design & coordination, team members, 9018
interactive modeling in computer based decision support systems, 7760
knowledge based system with audiovisual aids for human machine communication, 27832
Macintosh based analysis & classification of direct manipulation interaction tasks, 3834
model of system with automated process of interactive probabilistic inductive learning, 27820
motivations & practices & guidelines for undo interactive recovery facility for reversal of previously issued commands, computer users, 3818
multiple correlation clustering algorithm, implications for man machine systems, 27787
Natural Language driven Image Generator for understanding descriptions of object spatial configurations & drawing corresponding scenes, 3861
parameters of vertical display with rotary control, direction of turn & other stimulus response stereotypes, Chinese 19–34 yr olds, Hong Kong, comparison with US vs Japanese vs Australian data, 11765
performance on & attitudes toward task support system pilot vehicle interface, pilots, 31668
potential contributions to & benefits from human computer interaction partnerships & infrastructure among universities & government & businesses & professional societies, psychologists, 43562
predictability of command entry from immediate predecessor, computer spreadsheet users, implications for accelerator key interfaces, 3810
preference for direct manipulation vs command based interface mental model in transfer situations, college students, 47515
psychological design rationale for integration of theory development with design evaluation in human computer interaction, 27822
quantitative performance model of search strategies & response accuracy in computer menu search task, 15758
quantitative performance model of search strategies & response accuracy in computer menu search task, erratum, 47517
recognition & learnability of & speed of interaction with & reactions to voice & touch driven natural language editor VIPX, expert & college student speakers, 3820
reliability of natural language interface system, integration of multiple computer integrated manufacturing databases, organizations, 31670
research & development of software functionality & human computer interface, 7758
robust testing & evaluation measurement process, assessment of human integration into systems, 7773
semantic similarity & omission probability & alternatives, search strategies & response accuracy in selection of sequential vs simultaneous computer menus, college students, 15757
sensitivity & operator acceptance & resource requirements & special procedures of 4 subjective work load scales, Army systems operators, 4161
similarity of humanistic Rogerian psychology & psychotherapy to human computer interface design, 3829

social & cognitive science issues in human computer interaction & systems design, 47521
sophisticated linguistic communication, usability of natural language interface of information system, managers & other senior staff, 43554
strategy & content of computerized expert critic, modeling & mitigation of confirmation bias in reasoning, adults, 19846
symbols & parallel mental processes & affordance in situated action theory, issues related to transfer of training & human machine relations & planning & action, commentary reply, 40135
system analysis of human component system behavior, 39587
task & systems analysis in integration of human computer interaction & software engineering methods, 11772
task complexity, utility of external memory aid in identification of unknown structure in computer simulated dynamic task, college students, application of theory of finite state automata, 31667
taxonomy of relevant models in field of human computer interaction, 3832
technical & social & user related breakdowns & repairs in communication in computer mediated telecommunication system, college students & tutors, England, 43561
techniques & applications for binaural sound manipulation in aircraft cockpit auditory displays & other human machine interfaces, 7771
technological advances in input & output devices for human computer interaction, implications for future research, 43566
textual &/vs symbolic visual feedback from simulated automatic speech recognition device, performance on verbal decision task, college students, implications for control room systems, 27784
time & motion concepts & usability assessment of cognitive demands in user interface of large computer system, telephone operators, Australia, 19822
time line & Q analysis methodology for studying information seeking during interaction with database, novice users, 44777
transient & chronic systems faults & changes in & development of trust in human machine systems, operator's use of & trust in automatic vs manual control, college students, 3830
user & computer models of & definitions of interface structures in human computer interaction, 15759
user interface development in human computer interaction, research implications, 43564
user interface management system for development of natural language interfaces, 47560
validity of ergonomic criteria for evaluation of human computer interaction, human factors specialists vs nonspecialists, 47522
value of menu driven graphical vs natural language interfaces of databases & software support systems, 11773
variations in reliability of automated monitoring system, detection of automation failures in flight simulation, 19–43 yr old operators, 35651
what vs where information processing pathways, application to human computer interface design based on cognitive neuroscience, 7765
work & internal physiological rhythm asynchrony, heart rate & breathing response & mood & stress in repetitive computer work, female 18–40 yr old typists, 16691
working conditions & preference for menu selection & direct manipulation vs command keys in human computer interaction, mental work load, college students, 47514

Man Machine Systems—Books

The computer user as toolsmith: The use, reuse, and organization of computer-based tools. Cambridge series on human–computer interaction, 6, 35660
A guide to task analysis, 15692
Telerobotics, automation, and human supervisory control, 15778

Man Machine Systems—Chapters

Evolutionary design of systems to support decision making, 39630

Man Machine Systems Design—Serials

adaptive predictive text generation with reactive keyboard, disabled users, 1521
advantages & limitations of analytical models for human computer interface design, 39595
anthropological technique of participant observation in knowledge acquisition for design of expert systems, knowledge engineers, 19844
application of Extended Task Action Grammar to represent knowledge of user computer interface, 39586
application of high level managerial planning to design of system supporting complex decision making, small enterprise managers, 3864
applications of embedded user models to user interface design & human computer interaction & intelligent systems engineering, 11770
applications of psychological theory & research to design of intelligent & simulation computer based tutoring systems, 43568
architecture & software toolkit supporting construction of end user knowledge manipulation systems, 27824
automated customization for development of structure editors & ease of user interface, 7778
basic shape & physical separation between dels in flat panel display & ergonomic considerations, subjective preferences, college students, Netherlands, 7781
block clustering, menu organization & derivation of semantic relationships among entities in 4th generation programing languages, implications for system design, 27801
characterization of structures of & axiomatic system for comparative beliefs, implications for intelligent systems design, 3858
choice of user interface in design of language based editors for software development, 7785
cognitive processes underlying conceptual data modeling in database design, experts vs novices, 3801
computer supported cooperative work technologies & user support techniques in design of collaborative user interfaces in work environments, 3811
computerized performance monitoring design features, cognitive stages in performance appraisal process, management implications, 47364
concept approximation based on Bayesian decision theoretic framework & unification of fuzzy & rough set approaches, implications for intelligent systems design, 24257
consequences of narrow problem solving for user interface design, 47520
contemporary user interface software design, human computer interaction, implications for future research, 43569
design & evaluation of synchronous shared window information conferencing system, 20–55 yr old users in 2 vs 4 person groups, 43565
design of collaborative computer systems for support of peer learning, 31274
design of ROSE user interface & text editor for software development, 7772
dialog with & mental representation of computer system vs human E, male 18–33 yr olds, implications for design of speech system interfaces, 39583
direction of motion preferences for display control relationship, 20–60 yr olds, China, comparison with Western data, implications for equipment design, 284
divided & focused attention & problem solving issues in graphical display design, 19818
expert system development in industrial & commercial environments, human factors specialists in computer programing, 3822
expert systems approaches to database design & processes, 19843
failure analysis for human computer interface design, 3828
Fitts' model in human computer interaction research & design, 15777
fuzzy control algorithm for rider-motorcycle system, implications for motorcycle design, 43557
group idea management behavior & user requirements & interface design & usability of shared drawing tool, user groups, 43567

human factors & use of temporal logic in commercial interface design of interactive control systems for industrial safety control, 7775
human factors psychological perspective on & need for user centered design of intelligent vehicle highway systems, 31694
icon vs text & direct manipulation vs menus in interface design of electronic mail system, task time & errors, college students, 47511
integration of learning materials into interactive multimedia design using computers, Europe, 43230
interaction metaphor & interactive multimedia, computer user interface design, 3813
issues in stereopsis, literature review, implications for design of stereoscopic display systems, 24315
issues in structure of & human interaction with text editors, 7779
labels with vs without text descriptors vs icons, errors & RTs in videotex menu retrieval, college students, Canada, 27793
matching of interface characteristics with user computer knowledge, interface learning & task performance, experienced vs novice college & graduate students, 39600
mental models in human computer interaction & development of interactive learning systems based on individual differences in learning style, 19811
metaphor & analogy & conceptual models in computer systems design, 27802
methodology for design of computerized content analysis procedures of qualitative data analysis, ethnographic researchers, 3806
model of decision making & design of human machine information processor & application to categorization problem, 3812
natural language & direct manipulation in conceptual development of human computer interactive system, 31664
natural vs formal language dialog style of tutor in word processing, shaping of user input, college students, implications for design of online help interface, 27798
navigational & organizational & cognitive distance in aviation multifunction display, access of target screen from starting screen, student pilots & flight instructors, 19824
overview of integration of human factors with Jackson System Development method, recreation booking system, 3831
Pan language based editing & browsing system for software development, 7783
predictability of command entry from immediate predecessor, computer spreadsheet users, implications for accelerator key interfaces, 3810
printed journal usage & development of electronic text, human factors researchers, 3808
problem solving & coordinating activities & collaboration in small group software design meetings, personnel, 35599
process analysis of expert-like & novice-like characteristics in interaction with word processor, discretionary computer users, implications for software design, 27799
psychological design rationale for integration of theory development with design evaluation in human computer interaction, 27822
rapid prototyping computer system & task analysis in human machine interface development, industrial personnel, 15762
role of ethics & moral judgments & social implications in design of human computer interaction systems, 11769
role of rapid prototyping in human computer interface development, 3827
role of systems vs task analysis & software engineering in design of interactive computer systems, 3803
role of systems vs task analysis in software development & design of interactive computer systems, commentary, 3807
role of systems vs task analysis in software development & design of interactive computer systems, commentary reply, 7755
social & cognitive science issues in human computer interaction & systems design, 47521
software mechanisms central to development of cooperative computer, 27786
software psychology & design science of human computer interaction, 43563
sorting & clustering & naming, elicitation of semantic relations & enrichment of network knowledge representation of Pathfinder scaling technique, adults, implications for expert system development, 27823
specification of question answering help facility in context of UNIX mail based on analysis of facilitative dialog, expert & novice users, 31669
Speech Knowledge Interface in capture of phonetics expertise for design of knowledge based system, experts, 27821
standard vs split design computer keyboard, trapezius & arm extensor muscle tension & loading during typing, female 18–26 yr olds, 23830
subject area expertise, cognitive processes in & strategies of browsing in HyperCard, college students, implications for hypertext system design, 19810
system characteristics & design features, user perceptions & acceptance of electronic information system, professional & managerial corporate employees, 47512
Task Action Grammar method of learnability of interface languages, 39584
task specific feedback, overconfidence bias & decision of systems analyst for design of management information system, college students, 15767
technological advances in input & output devices for human computer interaction, implications for future research, 43566
text planner based framework & user interface model for generation & control of intelligent computer tutorial explanatory dialogs, 11763
textual vs iconic interface & cognitive ability, computer program task performance, 13 yr olds, 35649
theoretical foundations & psychological relevance of & levels of cognitive control in ecological interface design of complex human machine systems, 11774
usability problems & number of experimental Ss in testing for design of user interfaces, 18–65 yr olds, 7784
user interface development in human computer interaction, research implications, 43564
user interface management system for development of natural language interfaces, 47560
user modeling of operators' information & knowledge acquisition for design of graphical support systems, 39599
user participation in computer based systems development, bank managers & staff, UK, 27789
user skills & task match methodology of requirements specification in production of software, 3814
utility & classification of icons in user interface design, 11771
validity of fuzzy command grammars for design of intelligent human computer interface, college students, 19815

Man Machine Systems Design—Books

Cognitive approaches to automated instruction, 19817
Participatory design: Principles and practices, 43572

Man Machine Systems Design—Chapters

Achieving cooperative system design: Shifting from a product to a process focus, 43578
Changing towards human-centred technology, 11780
Contextual inquiry: A participatory technique for system design, 43580
Cooperative design: Techniques and experiences from the Scandinavian scene, 43574
A design of one's own: Towards participatory design in the United States, 43576
Ethnographic field methods and their relation to design, 39962
Human factors in the workplace, 31674
Obstacles to participatory design in large product development organizations, 43579
The participation of users in systems design: An account of the origin, evolution, and use of the ETHICS method, 43582
PICTIVE: Democratizing the dynamics of the design session, 43581
Principles in practice: Two cases of situated participatory design, 43583

Reciprocal evolution as a strategy for integrating basic research, design, and studies of work practice, 43573
Scandinavian design: On participation and skill, 43575
Small changes: Starting a participatory design process by giving participants a voice, 43577
When mediation is the message: How suppliers envisage new markets, 23825
Managed Care [See Case Management]
Management Decision Making—Serials
adverse selection condition, evaluation decisions about self initiated projects, MBA students as hypothetical managers, application of agency theory, 39463
affect & performance on decisional & interpersonal tasks, 1st yr MBA students, 43433
application of high level managerial planning to design of system supporting complex decision making, small enterprise managers, 3864
centralization of decision making in factories, managers, Japan, 3680
centralized vs decentralized decisions about computer acquisition & use, outcomes in computer based education, teachers & principals & computer coordinators, 39153
CEO, structure & strategy making processes, large corporations, 39468
consistency in ethical decision making, marketing managers, 3674
decision outcome dispersion & organizational size, risk or confidence in individual vs group organizational decision making, male vs female college students, 3724
deontological vs teleological influences on ethical judgments & reward vs discipline of supervisees, sales & marketing managers, 27655
ecological dissonance & discrepancy in preferred vs actual decision making participation, job satisfaction & involvement & alienation & formalization, college faculty & staff, 43163
environment uncertainty perceptions during decision making & organizational effectiveness assessments, airline & container industry managers, 47383
executive compensation & board of directors' supervision & conditions in simulated labor market, unauthorized leave taking as opportunistic behavior, business students as mock executives, 3679
game theory concepts of strategic decision making & evaluation of types of decision makers, business & economics college students & business managers, Denmark & Germany, 7611
hierarchical model of participatory decision making & perceived job autonomy & control, 20 yr old & older teachers & computer company employees, Canada, 11653
idea vs issue vs objective directed vs reframing formulation processes used during organizational decision making, managers, 47384
information technology management, internal politics & resource & career competition, managers & employees of insurance firm, England, 3677
internally consistent design of managerial decision making characteristics & international strategy, organizational performance, senior managers, 19694
magnitude of decrement of employee performance & documented warning & waiver & tenure & past performance & manner, disciplinary decisions, 1st level supervisors, 23738
naturally occurring vs manipulated emotional states, multiattribute choice vs managerial decision making, college & MBA students, 28257
organizational age vs board diversification vs insider representation vs financial performance, board of director involvement in strategic decision process, board members, 15671
policy capturing approach & employee characteristics, pay allocation decisions, managers, 35559
power in strategic decision making, top managers, 3671
procedural justice & organizational commitment & trust in head office management & outcome satisfaction, compliance with multinationals' strategic decisions, subsidiary top managers, 39464
self efficacy in tactical & strategic organizational decision making, middle vs upper level managers, Canada, 31519
sociopolitical barriers, values in administrative compensation decision making, 27634
Management Decision Making—Chapters
Managing victim and survivor layoff reactions: A procedural justice perspective, 39441
A midrange theory of strategic choice processes, 27620
A stakeholder management perspective on strategic leadership, 27666
Strategic decision making, 31543
Strategic decision making in organizations: A research model and some initial findings, 11646
Towards a model of strike organization: Meanings and their management, 11698
Utility analysis for decisions in human resource management, 31542
Management Development [See Career Development]

action research project based on self design learning model & high involvement management for large scale organizational change, multibillion dollar food firm, 27701
application of quality principles to systematic training design, organizations, 47346
background characteristics & managerial styles & job practices, types of personality trait patterns, industrial middle managers, 11635
balance of rewards & time in office, acceptance of rotation of management positions, kibbutz general secretaries & industrial managers, Israel, 29154
chaos vs equilibrium models of strategic management processes, 39479
Chinese enterprise reforms, management styles & behavioral characteristics, managers, China, replication, comparison with US data, 3668
coaching skills program for unsuccessful sales management, account representatives, implications for on-the-job training, 31517
contributions of behavior analysis to total quality management & other quality programs, 15603
corporate culture & leadership as social integrative action, managers & employees of consulting firm, Sweden, 3667
cultural values of management teams & organizations, innovations dominated by control vs flexibility concerns, hospital management teams, Great Britain, 23746
environmental scanning activities & competitive organizational strategic management strategies, CEOs, 19686
executive compensation & board of directors' supervision & conditions in simulated labor market, unauthorized leave taking as opportunistic behavior, business students as mock executives, 3679
extrinsic rewards vs behavioral management vs participative technique, job performance, textile factory workers, Russia, 27641
framework of factors & modifications for successful adoption of Japanese manufacturing practices, manufacturing firms, US, 15689
frameworks for identification & consideration & development of teams & teamworking, organizations, 27653
gaming simulation perspective on post Communist management standards & culture, executives, Poland, 15626
guidelines for corrective feedback, supervisors & employees, 11637
integration of total quality management & operant based organizational behavior management, 15598
issues in management of organizational change due to new information systems, application of R. Unger's theory of social reconstruction, 11676
Kaizen approach to continuous improvement & quality management, managers, 47370
leadership styles, managerial effectiveness, 23–38 yr old executives vs supervisors, India, 19696
level of managerial shareholdings, risk taking behavior & financial distress & failure, management teams of thrift institutions, 1987–91, 31532
management & leadership style preferences, 24–65 yr old technical labor vs management personnel in defense industry computer software company, 31523

management control combinations, job satisfaction & performance & person role conflict & ambiguity, marketing executives, 47377
management culture & organizational behavior, France vs England, 35565
managerial framework & practical theories for problem solving & change, 7602
manager's acceptance vs rejection of subordinate input, work performance & perceptions of manager, college students, 39469
managers' transformational leader behavior, employees' trust in leader & satisfaction & organizational citizenship, employees of petrochemical company, 3684
model of Pygmalion leadership style & self fulfilling prophecy of enhanced subordinate performance due to raised manager expectations, trainees in Defense Forces, Israel, 39551
organization & management issues in mental health systems development, 14925
organizational & managerial systems & endurance & effectiveness, 7606
organizational culture & strategic management of change, 43463
organizational management style & health promotion programs, managers, 31536
perceived appropriateness of supervisory task allocation decisions, job performance & satisfaction, research & development scientists, 11598
perceived workplace justice & managers' monitoring behaviors, organizational citizenship behavior, theater employees, 39506
performance monitoring vs antecedents, manager subordinate interactions, college students, 3678
personality & background & situational characteristics & learning factors, Persean ethic of consistency of belief & action in management, managers, 47385
perspectives on total quality management & employee needs, 39475
political reform, management culture in heavy industry, managers, 1990, Poland, 15635
political reform, management training & development, Poland, 15636
procedure for design of performance management systems, productivity measurement & enhancement, ward nurses, 23726
quality improvement strategy based on Total Quality Management concept, drug treatment program management & staff, 23245
quality management principles & 10 step process for management of performance improvement, organizations, 47373
role of consultant & top management sponsorship & data collection in learning diagnosis process of organizational revitalization, 43481
self reported successful use of influence techniques with subordinates, middle vs technical vs support managers, 35562
social & economic factors of job complexity, supervision, male vs female employees, 11628
staff management & intervention, client outcomes for developmentally disabled, literature review, 38923
staff management procedures, time spent on target categories, stimulative custodial care & training for severely & profoundly retarded clients, residential staff, 39103
supervisor's leader interventions & self serving attribution biases for personally distressed but efficient group member, hospital nursing staff, 19681
top management commitment, success of management by objectives program & job satisfaction, employees, meta analysis, 23745
total quality management & leadership strategies, successful managers, 7605
total quality management process & organizational development, 39509
Type A scores, conflict strategies in decision making with subordinate, managers, 15631
voluntarily formed vs assigned work teams, morale & performance, 19–48 yr old industrial employees, China, 27635
5-P model of strategic human resources management, linking of personnel & changing business needs, organizations, 3651

Management Methods [See Also Participative Management]—Books

Critical management studies, 19700
Putting total quality management to work: What TQM means, how to use it & how to sustain it over the long run, 31541

Management Methods [See Also Participative Management]—Chapters

Consultation with a human service agency: Improving management practices, 15638
Dilemmas in developing diversity programs, 3733
Feminist practice in organizations: Implications for management, 47392
The management of strategies for internal labour market flexibility, 11624
Management styles: Making a good match fit, 23748
Managing diversity: A conceptual framework, 3659
Myths of managing change, 11693
The notion of managerial and clerical careers as they emerge from descriptions of self and coworkers, 11647

Management Personnel [See Also Middle Level Managers, Top Level Managers]—Serials

A. O. Hirschman's exit & voice & loyalty framework & organizational attachment vs commitment, airline management personnel, 7600
adjustment & work satisfaction & relocation motives & satisfaction concerning overseas assignment, repatriated managerial & technical personnel, US, conference presentation, 3697
adverse selection condition, evaluation decisions about self initiated projects, MBA students as hypothetical managers, application of agency theory, 39463
age & sex & educational level & supervisory experience, interpersonal communication skills, managers, India, comparison with US data, 31534
age & sex & mobility & organizational size, managerial level & salary & subjective timetable, 23–45 yr old & older managers, UK, 43424
alliance structure & performance & partner nationality, strategic alliance between firms, 47435
antecedent & outcome variables in burnout, supervisors & managers in public welfare agency, 8 mo followup, test of models of M. P. Leiter & C. Maslach vs R. T. Golembiewski et al, 35563
antecedents & consequences of job satisfaction & organizational commitment & intention to quit, US expatriate managers in multinational oganizations, 6 countries, 39471
application of rational emotive therapy, response to subordinate survey feedback program, Federal Aviation Administration supervisors & managers, 19691
assessment center process validity & history, Antarctic Station leader selection, literature review, 31484
attitudes toward & experience of research leadership, chairs of academic family medicine younger vs older than 50 yrs, 15258
attractive vs unattractive communication style of superiors, choice of influence strategies to gain compliance, physician executives, 3224
balance of rewards & time in office, acceptance of rotation of management positions, kibbutz general secretaries & industrial managers, Israel, 29154
beliefs about medical & moral nature of alcoholism, federal agency supervisors, 1921
buying competency attitudes, retail buyers vs managers vs merchandising students, 31640
career development vs organizational vs personal motivations, willingness to relocate, managers & professional employees of large corporation, 19689
career indecision subtype, work attitudes & life stress & future career exploration, bank managers & professionals, commentary reply, 15586
career indecision subtype, work attitudes & life stress & future career exploration, bank managers & professionals, 15581

career stage, coping with job stress & demands & psychosomatic symptoms, male managers, US vs Finland, conference presentation, 7616
career stage, job demands & control & psychosomatic complaints, male managers, US vs Finland, conference presentation, 7612
career stage, perceptions of family & work or organization related external barriers to career success, female managers, Singapore, 19683
change from entrepreneurial to professional management emphasis in rapid growth times, new venture managers in entrepreneurial firms, 31529
change in work organization & stress, bank directors & supervisors, Finland, conference presentation, 7613
Chinese enterprise reforms, management styles & behavioral characteristics, managers, China, replication, comparison with US data, 3668
Chinese Value Survey dimensions of Integration & Confucian Work Dynamism & Human Heartedness & Moral Discipline, managers, US vs Hong Kong vs China, 7620
coaching skills program for unsuccessful sales management, account representatives, implications for on-the-job training, 31517
competences checklist approach to review of management training & development, employment service managers & supervisors, Great Britain, 43429
competencies & activities & effective practices & attributes, good managers, implications for training & development programs, 31521
conceptual framework of skills vs competencies & resourcefulness, managers, selection & training implications, 19688
consistency in ethical decision making, marketing managers, 3674
construct validity of cognitive skills tests vs assessment centers vs biographical data questionnaires, management selection, 7621
construct validity of Miner Sentence Completion Scale, prediction of managerial effectiveness, meta analysis, 39888
construction of behavioral job description for managers, 3672
content analysis of descriptive terms in obituaries, deceased male vs female managers, 1974 vs 1980 vs 1986, 3676
content validity of revised Supervisory Analyst Exam Series 16, assessment of qualification for supervisory position, securities personnel for New York Stock Exchange, 28109
cooperative goals, open discussion of issues & motivation & acceptance of rating system & actual job performance ratings & outcomes, managers, Canada, 19697
corporate culture & leadership as social integrative action, managers & employees of consulting firm, Sweden, 3667
creative problem solving training, divergent thinking attitudes, managers, Japan, 19664
cultural values of management teams & organizations, innovations dominated by control vs flexibility concerns, hospital management teams, Great Britain, 23746
culture & economic development, managerial attitudes, bank managers from different states, India, 11632
decay of liberal capitalism & shift in cultural values & loss of competitive edge, managers, 27660
demographic & organizational factors & individualism, commitment to Islamic work ethics, managers, Saudi Arabia, 27646
demographics & personality traits & job characteristics, 31 yr old & older male vs female small business owners in industries traditionally dominated by males, 3685
deontological vs teleological influences on ethical judgments & reward vs discipline of supervisees, sales & marketing managers, 27655
dependence & control & channel conflict & satisfaction, willingness & cooperation to assist in combating auto part counterfeiting, auto parts store managers, 43430
development & validity of Index of Managerial Potential, assessment of personality characteristics related to job performance, trucking managers & supervisors & drivers, 28105
direct care vs therapeutic vs managerial staff position, behavioral knowledge, residential staff serving intellectually disabled, 38922
direct vs 2 step leverage in construction of cooperative relations, alleviation of constraint of interdependence in organizational politics, decision makers in cooperative agribusiness, Uruguay, 35560
disengagement coping & optimism & neuroticism, effect of power & work support on stress related psychosomatic symptoms & job satisfaction, male 26–62 yr old managers, Canada, 1 & 2 mo followups, 31522
distance learning packages for management & organizational development, 39477
education & Type A behavior & salary & hrs worked & career at plateau & time in job, job satisfaction, female vs male financial institution officers, 15641
effectiveness of test user orientation program, familiarity with employment testing issues, service station managers, 15629
entrepreneurial status & firm performance, psychological traits, rural vs urban entrepreneurs in New England vs Florida, replication, 27647
ethical & public policy issues, mental health administrators, 7351
factors in cooperative vs adversarial posture, labor unions & management, 23712
failure of affirmative action programs on model of development, Black & female managers, South Africa, 43425
formal self appraisal, perceptions of behaviors & outcomes in appraisal discussion, subordinates & managers, 31509
framework for evaluation of outdoor development programs, managers, 7604
group membership & perceived individual & group efficacy & anticipated oucomes, performance, individualist vs collectivist managers, US vs China vs Israel, 31515
Hatha Yoga, stress management, management personnel, 7609
history & benefits of personal growth training, managers, implications for leadership development, 47371
imitation vs innovation as corporate strategy, US vs Japan, implications for managers, 23731
industry research & development intensity & firm diversification & size & group structure & managerial incentives, firm research & development investment, 47428
inequality in distribution of income & wealth & power & privileges & prestige & class social boundaries in employee owned & managed vs conventional company, employees & employers, 11642
integrated model of burnout, human service supervisors & managers, 23741
internal vs external task orientation & adaptive vs innovative cognitive style, managers, Australia, 3673
job & employee characteristics, behavioral intention to leave organization, male vs female executives or managers or professionals, 11640

haloperidol & lithium carbonate, mania induced by watching Toronto Blue Jays game, 43 yr old male with bipolar affective disorder, letter, 46421
haloperidol vs diverse neuroleptics, development of neuroleptic malignant syndrome, patients with schizophrenia or bipolar affective disorder, Israel, 14692
hard neurological signs, patients with schizophrenia or schizoaffective disorder vs bipolar disorder or major depression, 29549
hypomanic episodes & hyperthymic temperament, subtyping for bipolar II disorder, 18–82 yr olds with unipolar or bipolar depression, 21745
hypothyroidism, patients with rapid cycling bipolar illness, Canada, 21766
incidence of bipolar II & other affective disorders, inpatients with eating disorders, 14104
individual intensive psychoanalytic psychotherapy in psychodynamic psychiatric ward milieu, adult female with manic depressive psychosis, 42354
intentional acute & chronic lithium toxicity, female 43 & male 54 yr old with bipolar disorder, 6698
interdisciplinary rehabilitation model, patients with bipolar disorder, 10446
L-tetraiodothyronine & lithium, 42 yr old male with rapid cycling bipolar disorder, letter, 18703
life events, recurrence of depression, 18–44 yr olds with borderline vs antisocial personality disorders vs bipolar type II affective disorder, Canada, 33540
linkage assessment of unilineality & bilineality of phenotypes, families with proband with bipolar I disorder, 17767
linkage relationships, family members with bipolar spectrum disorder & fragile X syndrome, 33483
lithium & tryptophan maintenance therapy, 44–53 yr olds with bipolar disorder, 6751
lithium, brain content of choline containing compounds, patients with bipolar disorder, 22767
lithium carbonate, female 29 yr old with premenstrual mania & 41 yr old with premenstrual bipolar disorder, case reports, 38543
lithium carbonate, smooth pursuit eye tracking, 16–54 yr olds with psychotic bipolar disorder or major depression, Canada, 26739
lithium carbonate therapy, leucocyte counts, manic depressive 20–64 yr olds, 1 yr study, conference presentation, 38538
lithium, development of thyroid disease & immunological responses, patients with manic depression, 10737
lithium discontinuation, relapse followed by refractoriness after lithium reinstitution, patients with bipolar disorder, 18765
lithium, EEG, 32 & 45 yr old females with bipolar affective disorder, implications for theoretical concept of dynamic restriction, 30525
lithium, endogenous levels & red blood cell membrane differential concentrations of vanadium & rubidium & cesium & lithium, patients with bipolar disorder or depression, 10686
lithium, female 51 yr old with concurrent bipolar mood disorder & kleptomania, case report, 26770
lithium induced neurotoxicity at normal therapeutic levels, female 33 & 49 & 68 yr olds with bipolar disorder & depressed mood, 42407
lithium, inhibition of inositol monophosphate activity, male rats, implications for therapeutic mechanisms in treatment of manic depression, 16845
lithium levels in bodily fluids, 30 yr old female with manic psychosis & her newborn child, 6 mo study, 14745
lithium maintenance, mortality rate, patients with manic depression or schizoaffective disorder, Austria & Canada & Denmark & Germany, 14717
lithium phophylaxis & minimization of teratogenesis & other hazards during pregnancy, 24–42 yr old females with bipolar disorder, 1982–89, 6804
lithium, platelet free intercellular calcium ions during in vitro incubation, patients with euthymic vs untreated bipolar depression, 6720
lithium treatment & manic vs euthymic state, magnetic resonance spectroscopy analysis of brain phosphorus metabolism & intracellular pH, bipolar patients, 30478

lithium with vs without other prophylaxis, affinity for calmodulin for calcium adenosine triphosphase & plasma lithium, patients with bipolar depression, 6767
long term drug management, patients with bipolar affective disorders, 30498
long term lithium, thyroid microsomal & thyroglobulin & other autoantibodies, 22–71 yr olds with manic depression, Denmark, 22 yr study, 6783
long term pharmacological prophylaxis of bipolar & unipolar depression, conference presentation, 46474
long vs short term lithium vs imipramine vs amitriptyline, suicide & mortality rates vs toxicity, manic depressive patients, Scotland, 6730
major syndromal variants & differential diagnosis of bipolar disorder, 29596
manic vs depressed vs mixed cycling episode subtype, course & recovery & relapse, patients with bipolar I disorder, 5 yr study, 29613
maternal pregnancy & birth complications, male vs female 19–47 yr olds with schizophrenia vs bipolar disorder, 33558
molecular genetic studies of schizophrenia & bipolar affective disorder & Alzheimer's disease, 1554
mood congruence vs incongruence of psychotic features, prediction of illness outcome, 17 yr olds & older with bipolar disorder assessed after recovery from manic episode, 6–48 mo followups, 13749
mood states, serum lithium & creatinine & lithium clearances, patients with manic depression, Italy, 10694
MRI subcortical signal hyperintensities, 18–65 yr olds with 1st episode bipolar disorder with vs without substance abuse, 33604
neuroanatomic pathology & cognitive impairment, patients with bipolar disorder, 45428
neuroleptics with vs without lithium, clinical & pharmacokinetic & neurobiological outcomes, 20–70 yr old males with bipolar disorder in acute manic phase, Sweden, 30440
nonlithium & alternative pharmacotherapy, patients with manic depression, literature review, 42472
nortriptyline, rate of bipolar phenomena onset & switching to mania, depressed 6–12 yr olds, 2–3 yr followup, 22720
parents' negative vs positive affective style, patients' stress indicative nonverbal behavior pattern, parents & their schizophrenic or bipolar manic offspring, 17677
partially deleted mitochondrial DNA in postmortem brains, patients with bipolar disorder vs suicide victims, 29632
pattern of affective psychopathology, 1st degree relatives of bipolar I vs bipolar II probands, implications for bipolar phenotype, conference presentation, 45468
perception of controllability of illness & demoralization, depression, schizophrenic vs manic depressive patients, 41462
periodicity of episode occurrences, 28–70 yr olds with rapid cycling affective disorders, Japan, 21771
personal & family history & job & overall creativity, adults with mild vs extreme bipolar disorder vs unipolar depression, 5839
perspectives on lithium treatment of bipolar disorder, 30480
pharmacokinetics of lithium citrate syrup vs solid dosage forms, 29–66 yr olds with manic depression, 6714
phenomenology of mixed states & bipolar rapid cycling & treatment with divalproex sodium, 29599
physiological causes of depression, elderly, 33583
preparatory interval & RT to tone, schizophrenic vs bipolar patients, erratum, 29558
preparatory interval & RT to tone, schizophrenic vs bipolar patients, 25729
prior response perseverence & intrusion, 48 yr olds with bipolar disorder or undifferentiated or paranoid schizophrenia & toxic dementia, application of cholinergic deficiency hypothesis, 41475
processing load & negative vs positive thought disorder, visual selective attention performance, patients with schizophrenia vs manic type bipolar disorder, 33549
prodromal symptoms, patients with manic depressive psychosis, Australia, 13748
prophylactic efficacy & side effects of lithium treatment every 2nd day, 29–65 yr olds with manic depression, 6743
prophylactic lithium & alternatives & adjuncts, patients with manic depression, Scandinavia, 34588
proton magnetic resonance spectroscopy of basal ganglia structures, patients with schizophrenia vs bipolar affective disorder, 21726
psychiatric diagnoses & symptoms, 16–60 yr olds with Cushing's disease vs major depression, 5712
psychoanalytic theory & etiology & treatment of manic depressive disorders, conference presentation, 22655
psychoeducational support groups vs lectures vs literature, illness & lithium knowledge & attitudes, 18–76 yr olds with bipolar disorder, 42520
psychological & biological indices of bipolar mood disorder, implications for psychiatric nursing, conference presentation, erratum, 42694
rapid vs gradual lithium discontinuation, risk for & timing of new episodes, patients with bipolar type I vs type II disorder, Italy, followup, 46440
rapidly cycling bipolar II disorder following liver transplantation, 43 yr old male, case report, 38741
rate of & factors in maintenance lithium treatment acceptance vs dropout, bipolar patients, 33 mo study, 10705
rates of unipolar & bipolar depression & alcoholism, 1st degree relatives of patients with endogenous vs nonendogenous subtype of unipolar major depression, Germany, 41552
regional cerebral volume & cortical atrophy & lateral ventricular enlargement & subcortical hyperintensity, patients with major or bipolar depression, 25759
relatedness of schizophrenia & affective disorders & effect of season of birth on risk for bipolar disorder, commentary on literature review, letter, 25700
relationship of antidepressant treatment to rapid cycling, patients with bipolar affective disorder, commentary reply, letter, 46429
relationship of antidepressant treatment to rapid cycling, patients with bipolar affective disorder, commentary, letter, 46529
reliability of best estimate diagnosis in genetic linkage analysis of 18–89 yr olds from pedigrees with schizophrenia or bipolar disorder, field diagnosticians & research psychiatrists, 17716
risk of schizophrenia or major mood disorder, 1st degree relatives of patients with schizophrenia or schizoaffective or bipolar disorder, 37664
role of pineal melatonin secretion abnormalities in comorbidity of multiple sclerosis & bipolar affective disorder, 25664
safety & efficacy of ECT & lithium maintenance, female 40 yr old with bipolar disorder, case report, 34288
sampling strategy for linkage analysis of stuttering & manic depression, 45444
scope & severity & persistence of psychosocial impairment, patients with bipolar or unipolar affective disorder, 5 yr study, 45435
self & other differentiation as measured by human figure drawing, 11.8–17.5 yr olds with bipolar disorder & psychotic features vs schizophrenic vs schizoaffective vs conduct disordered patients, 37600
self perceptions of interpersonal & sexual functioning, adult females with major depression or bipolar disorder, 37710
self reinforcement levels, 22–60 yr old paranoid schizophrenic vs substance abuse patients vs bipolar patients in manic phase, 29510
serotonin induced platelet protein kinase C activity & translocation during manic episode & lithium treatment, patients with bipolar affective disorder, 45440
SES, coping strategies, high vs low functioning 21–53 yr olds with manic depression, Philippines, 21753
severity of disorder, observed behavior during interaction with psychiatrist, hospitalized patients with major depression or bipolar disorder, 33580
sex & clinical improvement & severity of depression or anxiety, blood magnesium & sodium & potassium, patients with unipolar vs bipolar depression, 37719
simultaneous transmission of autosomal dominant polycystic kidney disease & manic depression psychosis, female 51 yr old & her adult son, case report, letter, 45345

sleep deprivation treatment, male 45 yr old with rapid cycling bipolar affective disorder, case report, 38611
sleep EEG & neuroendocrine & neurochemical correlates, male 64 yr old with 48 hr rapid cycling bipolar disorder, case report, 45441
smooth pursuit eye movements, schizophrenic vs depressed vs bipolar 15–72 yr olds, Scotland, 13670
social class, clinical symptoms & subtypes, patients with unipolar or bipolar depression or dysthymic disorder, 1975–82, Italy, 41549
social interaction & networks, bipolar 18–64 yr olds, New Zealand, 9826
spatial working memory deficits in oculomotor or haptic delayed response tasks, schizophrenic vs bipolar patients, 17718
staging in psychiatric classification of schizophrenia & unipolar depression & bipolar & panic disorder, 37652
stress exposure & interpersonal conflict & disorder incidence, children of mothers with unipolar vs bipolar depression vs medical disorders, 33466
stressors & sociotropy vs autonomy & cognitive vulnerability, onset & severity of symptoms, patients with bipolar disorder, longitudinal study, 1673
subcortical grey matter heterotopia & other congenital CNS abnormalities & treatment with lithium carbonate & carbamazepine, 34 yr old male with bipolar disorder, case report, 17730
suicidal behavior, patients with bipolar or unipolar affective disorders, meta analysis, 33594
symptom profiles, patients with seasonal affective disorder vs unipolar vs bipolar depression, 25750
themes & phases & other issues in group psychotherapy, bipolar patients, 9 yr study, 22604
thrombin induced platelet calcium mobilization, patients with bipolar disorder vs major depression with vs without melancholia vs obsessive compulsive disorder vs schizophrenia, 21711
tolerability & antidepressant effects of brofaromine, 35–68 yr olds with neurotic depression or manic depressive psychosis depressed type, 42420
tolerability & safety of paroxetine, patients with unipolar or bipolar depression, conference presentation, 10672
treatment guidelines for valproate, patients with bipolar or schizoaffective disorder, 42459
tricyclic antidepressants, tyramine-O-sulfate excretion, 29–63 yr olds with endogenous vs nonendogenous unipolar or bipolar major depressive episode, 30518
valproate & lithium carbonate, 72 yr old female with rapid cycling affective disorder, case report, 22756
valproate & other anticonvulsants, patients with bipolar disorder, 42440
valproate, patients with rapid cycling bipolar disorder, 42415
valproic acid, 24–70 yr olds with refractory bipolar disorder, letter, 22726
veralipride & neuroleptic induced tardive dystonia, manic depressive 47 yr old female with menopausal vasomotor flushes, case report, 30463
verapamil, male 23 yr old with bipolar disorder & myoclonic tardive dystonia, case report, 42401
visual half field & dichotic listening measures of perceptual asymmetry & brain EPs, assessment of cerebral laterality, patients with unipolar vs bipolar depression, 13710

Manic Depression [See Also Cyclothymic Personality]—Books
The flight of the mind: Virginia Woolf's art and manic-depressive illness, 800
Touched with fire: Manic-depressive illness and the artistic temperament, 29639

Manic Depression [See Also Cyclothymic Personality]—Chapters
Bipolar disorder, 1708
Depressive disorders, 45483
Individual psychology and bipolar mood disorder, 29660
Manic-depressive illness: What role does psychotherapy have in management?, 42263
Mood disorders: Unipolar and bipolar, 33612
The treatment of bipolar disorder in adolescence: A dual-track treatment approach, 6472

Manic Depressive Psychosis [See Manic Depression]

Mann Whitney U Test—Serials
point estimate & confidence interval procedures for combined 2-sample Mann-Whitney U Test & matched pair Wilcoxon Sign Ranks Test, implications for special education research, 8098

Mannerisms [See Habits]

Manpower [See Personnel Supply]

Manual Communication [See Also Fingerspelling, Sign Language]—Serials
development & exacerbation & maintenance of upper extremity cumulative trauma disorders, interpreters for deaf, 2126
early exposure to symbolic gestures, onset of symbolic use of signs vs words, infants, 40813
lipreading &/vs listening &/vs fingerspelling &/vs signed English presentations, sentence matching, severely vs profoundly deaf 10–17 yr olds, 22438

Manual Communication [See Also Fingerspelling, Sign Language]—Chapters
When does gesture become language? A study of gesture used as a primary communication system by deaf children of hearing parents, 34275

Manufacturing [See Business]

Maprotiline—Serials
fluoxetine & maprotiline, stress induced anhedonia & conditioned place preference, male rats, 24946
lofepramine vs maprotiline vs placebo, information processing, healthy males, 8913
maprotiline induced coma during suicide attempt, severe mania, depressed 39 yr old female, letter, 5804
maprotiline, video rating of affective & cognitive & global impression, 48–96 yr olds with dementia & mild depression, Austria, 42593
neuroendocrinological characteristics, biological predictors of response to amitriptyline vs maprotiline, patients with major depression, Bosnia-Herzegovina, 26752
plasma fluvoxamine or maprotiline, clinical improvements & side effects, depressed patients, 46464

Marathon Group Therapy—Serials
marathon group interaction, behavioral patterns, drug abusing male inmates, 35069

Marihuana—Serials
chronic marihuana, memory & learning & other cognitive abilities, 18–42 yr olds, 37922
cocaine with vs without ethanol or marihuana, performance on tasks & memory & mood, healthy 21–45 yr old males, 40569
incidence of Fregoli syndrome & chlorpromazine response, 19 yr old male with cannabis delusional disorder, England, case report, 41723
marihuana & ethanol, plasma ethanol, 21–35 yr old males, 4855
marihuana, cooperative behavior, male 21–38 yr olds, 12812
marihuana induced temporal disintegration, psychological & physiological correlates, healthy adults, 24936
marihuana smoking & breath holding, associative processes & semantic memory & psychomotor performance, male 18–42 yr olds, 20808
marihuana smoking, aggressive & escape & point maintained operant responding, 19–39 yr old males, 44597
potency of marihuana cigarette, change in cerebral blood flow & plasma tetrahydrocannabinol & mood & behavior & physiological correlates, adult males, 28740
prenatal marihuana &/vs cigarette smoking &/vs alcohol, attentional behavior & impulsivity, 6 yr olds, followup study, 17024
smoked marihuana, heart rate & drug effect ratings & task performance, male 24–29 yr olds, 36804
strategies for treatment of marihuana dependence, 3115

Marihuana—Chapters
Adult marijuana dependence, 39047

Marihuana Laws [See Marihuana Legalization]

Marihuana Legalization—Serials
peer & parental alcohol use & family alcohol abuse & legalization attitudes, alcohol & marihuana use, college students, 13935

Marihuana Legalization—Books
Marihuana, the forbidden medicine, 34765

Marihuana Usage—Serials
alcohol &/vs marihuana use, self reported problems, 15–45 yr olds, New Zealand, 10003
attitudes toward & knowledge of & reasons for trying & experience with hashish & marihuana, 14–18 yr old high students, Israel, 41714
cigarette & alcohol & marihuana use & delinquency & other problem behaviors, urban 7th vs 9th grade males vs females, 5987
deceptive & double blind administration of placebo vs actual marihuana, self administration & subjective responses, 18–27 yr old regular marihuana smokers, implications for drug reinforcement study, 29839
etiological role of passive marihuana usage & child neglect & abuse, water intoxicated male 3 mo old with hyponatremic seizure & hypothermia, case report, conference presentation, 38278
gas chromatography/mass spectrometry confirmation in detection of tetrahydrocannibinol & metabolite in serum, marihuana smokers, 12109
marihuana cigarette smoking, depersonalization & behavioral & physiological indices, adult males, 41744
marihuana smoking, cerebral artery blood velocity & peripheral circulation during upright posture, males, 8940
peer & parental alcohol use & family alcohol abuse & legalization attitudes, alcohol & marihuana use, college students, 13935
peer attribution of socialization & health promoting behaviors vs use of alcohol or marihuana or cigarettes, 4th–5th graders, 10004
physical abuse & sexual victimization experiences & marihuana/hashish use, self reported delinquent behavior, juvenile detainees, longitudinal study, 1969
psi & spiritual experiences during marihuana intoxication & belief in ESP, experienced marihuana users, 41754
reasons for & situational constraints & intensity of alcohol vs marihuana use, adolescents followed from 12–21 yrs old, 10022
reliability of self reports of frequency of use & age of 1st use of alcohol & marihuana, secondary school students, 11995
risk of obsessive compulsive disorder, adults using cocaine with vs without marihuana, 37928
social influences model, prevention of alcohol & tobacco & marihuana use, adolescents, conference presentation, 7243
triangulation in cross cultural ethnographic research on perinatal marihuana use, neonatal health & symptoms, pregnant poor rural females, Jamaica, commentary, 33836
utility of explanatory model of processes in marihuana & cigarette & alcohol use & involvement, 7th graders, 12 vs 15 mo followups, 29007
velocity of blood flow in middle cerebral artery, male adults with history of marihuana use, 18009
1st & current use of alcohol & marihuana & hard drugs, rural 11th graders, 29846

Marihuana Usage—Books
Marihuana, the forbidden medicine, 34765

Marihuana Usage—Chapters
The influence of environmental context on the behavioral effects of smoked marijuana, 22027

Marijuana [See Marihuana]

Marine Personnel—Serials
battle intensity, disease & nonbattle injury vs casualty rates, Marine infantry personnel involved in Okinawa assault vs Korean War, technical report, 9699
d-methamphetamine, effects of simulated sustained flight operations on subjective fatigue & cognitive performance, male 22–28 yr old Marines, 23810
disease & nonbattle injuries during Operation Desert Shield, Navy & Marine personnel, Saudi Arabia, 5720
fatigue, change in cognitive performance during simulated sustained flight operations, male 23–28 yr old Marines, 7727
neuroticism & extraversion & conscientiousness & agreeableness & openness to experience & other personality measures, health behavior, 17–40 yr old male Navy vs Marine personnel, 5594

Marital Adjustment [See Marital Relations]

Marital Conflict—Serials
analogy between M. Ali's rope-a-dope boxing technique & behavior patterns in conflicts, couples, counseling implications, 22601
attributions for self vs partner initiated violent vs negative nonviolent behaviors, husbands vs wives in violent marriages, 1826
behavioral contingencies in videotaped reenactments of conflicted marital interactions, physically vs verbally aggressive vs withdrawing vs nondistressed couples, 25371
behavioral family therapy, marital variables & child behavior problems, families, 18626
cognitive & affective & coping responses to marital conflict, 11–12 yr olds, 25217
cognitive behavioral treatment, marital conflict, spouses, 22603
conflictual discussion & interaction patterns, physically vs verbally aggressive vs withdrawing vs nondistressed married couples, 1807
differences in emotional communication during marital conflict as differences in functional deficit vs culture vs social power, males vs females, 33099
discrepancies in marital power & communication skills & patterns, domestically violent vs maritally distressed vs happy nonviolent married couples, 25891
emotionally focused couples therapy, in-session conflict interaction & intimate self disclosure, couples, 26591
exposure & response prevention therapy, marital distress & obsessive compulsive symptoms, spouses with obsessive compulsive disorder, 18636
family change & parental discord, risk of offending, 12–13 yr olds studied since birth, New Zealand, 6110
family systems approach, marital conflict & symptom reduction, male 31 yr old with chronic pain & his 27 yr old wife, 30589
gender & conflict structure, demand & withdraw interactions during conflict, married couples, replication & extension, 25377
marital conflict & quality, review of longitudinal research, 21355
marital conflict, parent son interaction, 3.4–6.8 yr old males & their parents, 5400
marital discord, child maladjustment, families, 21357
marital discord, cognitive & social emotional development & parental relationship & behavior problems, 1st born children of 2 parent homes assessed at 3 vs 24 mo old, Germany, 29068
marital distress & spousal attribution, prediction of depression, husbands vs wives, commentary, 1664
marital distress & spousal attribution, prediction of depression, husbands vs wives, commentary reply, 1696
marital distress prevention program involving communication & conflict management training, couples, 4 vs 5 yr followups, 26603
Marital Interaction Diary & self monitoring of behavioral ecology of stressful interactions, 21–65 yr old maritally distressed vs nondistressed couples, Australia, 17312
marital schemata, attachment relations & communication during conflict resolution & memories of early family life, couples & married adults, 33097
marital threat & conflict over expression of dependency needs, alcohol consumption, middle aged, 9506
maternal & paternal depression & anxiety & marital discord, prediction of depression & anxiety & self esteem, 8–13 yr olds with congenital or acquired limb deficiencies & their parents, 22253
parental conflict & behavioral & emotional & social adjustment, 18 yr olds & younger, meta analysis, 1057
parental conflict & child delinquency, male 13–17 yr olds & their mothers from clinical vs nonclinical families, 1972
perceived quality of & attributions for difficulties in marriage & problem solving behavior, spouses, 5373
perceived similarity & understanding of conflict style, marital well being, newlywed couples assessed during 1st vs 3rd yr of marriage, 29211
perceptions of therapeutic helpfulness, females in marital therapy vs cognitive therapy for co-occurring depression & marital discord, 46219

premarital counseling, prediction & prevention of marital distress, engaged couples, US & Germany, conference presentation, 22624
psychohistorical perspective on parallels between Arab-Israeli & marital conflict, implications for psychotherapy, 21322
sequential phases of marital conflict, distressed & nondistressed couples, implications for assessment & treatment, 21356
SES & parenthood status & marital history & personality & social support & stress & mental health, marital disagreements, couples, 3 yr followup, 17320
social skills & responses to marital conflict, maritally violent vs nonviolent male 20–46 yr olds, 1825
telephone crisis counseling & analytic hypnotherapy, resolution of dilemmas, 42 yr old male with marriage problems & depressed male AIDS patients, case reports, 38361
therapeutic strategies, reestablishment of trust in troubled marriages due to discipline transgressions or pervasive selfishness, spouses, 6607
typology based on conflict engagement & escalation & avoidance in marital interaction, stable vs unstable couples, 4 yr study, 25375

Marital Conflict—Chapters

A cognitive-behavioral model of marital dysfunction and marital therapy, 14612
Conflict in marriage: A cognitive/behavioral formulation, 41080
Empirical assessment of marital distress: The Marital Distress Scale for the MMPI-2, 15941
Marital conflict and marital spirituality, 34642
Marital distress, 42309
Physical and psychological illness as correlates of marital disruption, 9752
The relationship between locus of control and level of violence in married couples, 9995
Scale of Marriage Problems: Revised, 24100
Translating theory into practice: A conceptual framework for clinical assessment, differential diagnosis, and multi-modal treatment of maritally violent individuals, couples, and families, 10581

Marital Relations [See Also Marital Conflict, Marital Satisfaction]—Serials

Adlerian marriage enrichment program, couples, 38506
anxiety & approach avoidance coping style & marital distress, 20–55 yr old parents of 1 mo to 17 yr olds with cancer, 46013
application of A. Maslow's hierarchy of needs to management of & satisfaction with financial affairs, married couples, 5383
assessment & therapeutic modification of drinking control behaviors, spouses of alcoholic partners, 23278
attachment theory, distress & coping & reunion reactions to wartime or short vs long term job related marital separation, spouses, 41074
behavior during oral history interview & interaction task, prediction of divorce or marital stability, spouses, 3 yr followup, 1265
child characteristics & marital happiness, Black husbands vs wives, 29213
childhood family structure & perceptions of parental marital happiness, marital & parenting aspirations, college students, 33102
cluster analysis of work & leisure, development of typology of marital structure, married couples, 1274
coercive vs positive influence strategies, power in marital decision making, wives in violent vs nonviolent marriages, 17910
conjugal roles & social network, Indian immigrant couples with children, US, 1268
content & integration of conversational themes, relationship definition, married couples, 5385
convergence of self esteem at different marital life stages, married couples, 1281
covariates & duration of transition from negative affect following positive vs negative marital interaction, husbands vs wives, 29221
demands of & adaptation to chronic illness, 28–62 yr old females with nonmetastatic breast disease or diabetes or fibrocystic breast changes & their spouses & families, commentaries & reply included, 30082
depression & psychosocial distress, single females vs married males vs females with Parkinson's disease in stable vs impaired relationships, 10407
dimensions of involvement in family vacations, married couples, erratum, 45096
dimensions of involvement in family vacations, married couples, 25384
earner status & role orientation & perceived stress & other variables, marital adjustment, Presbyterian clergy, test of multivariate model, 41015
economic strain & spousal support, quality of parenting, mothers vs fathers in 2-parent families with 7th grader, 9450
emotional & marital & sexual functioning, infertile couples, 3 yr followup, 22245
emotional closeness of relationships with children vs friends vs spouse, loneliness, 44–99 yr olds, 17172
employment & marital role & family characteristics, perceptions of marital quality, 19 yr old & older husbands vs wives, 41051
event history analysis of marital & family interactions, 29220
exposure & cognitive restructuring & relaxation training & contingency management, family & marital relations, 12–15 yr old females with simple phobias & their parents, 3 mo followup, Australia, 14562
factor structure of Dyadic Adjustment Scale, distressed vs nondistressed couples, replications, conference presentation, 43694
family & marital communication & relations & treatment, Indian Sikh family with HIV & hemophilia, UK, 30037
family environment & marital adjustment & expressed emotion, children with behavior or obsessive compulsive disorders & their parents, 21633
family financial problems & quality of marital & parent child relationships, psychological distress, 7th graders, 17150
follicular vs luteal menstrual phase, marital distress, 23–44 yr old couples with female with PMS, 6256
functioning & emotional maturity, complementary vs symmetrical couples, 21363
gender role preferences & marriage type, decision making strategies & outcomes, White married couples, 13291
grandparent vs maternal vs mother's mate's drug abuse & mother's dyadic adjustment, behavioral problems, 2–8 yr olds, 18028
grief reactions & perceived marital intimacy following child's death, 20–45 yr old bereaved couples, 41061
home vs hospital birth, sexual & other aspects of marital intimacy, mothers & fathers, 4 & 12 mo followups, 5380
husband's habitual drinking, disorganization of marital relations, spouses, translated article, 33098
husband's health & marital characteristics & other factors, mental health, 65–75 yr old wives, 45034
individual cognitive behavioral &/vs behavioral couple therapy & relationship quality, relapse, depressed wives & their husbands, 6 & 12 mo followups, 38501
interpersonal & economic resources, marital quality, couples, 37280
interpersonal behavior & cognitions & intimacy & marital instability, 21–42 yr old married vs divorced males from divorced vs intact families of origin, 25394
interpersonal perception & relationship control in communication, married couples, 41075
invariant prescription technique & assessment of rules & games in couple therapy, couples with psychiatric disorders, 14603
issues & dynamics in househusband relationship, professional female 41–50 yr olds & older, conference presentation, 37293
issues in marital & family psychology, 1279
job quality & prestige & partnership roles & psychological distress, male 25–40 yr olds in dual earner relationships, 21400
level of equity in marriage, use & perceptions of relational maintenance strategies, 19–74 yr old couples, 13286

longevity & health & psychosomatic & medical & surgical conditions & medication side effects & nutrition, marital functioning, 5725
love & life relationships, Arab vs Jewish couples with vs without physically handicapped child, Israel, 6221
marital adjustment & joint parental support in problem solving task & child behavior problems, 5–12 yr olds & their parents, 40961

cognitive processes in close relationships & role in relationship counseling, distressed vs nondistressed couples, literature review, 18655
conceptual & empirical development of & issues in behavioral marital therapy research & programs, 30378
conceptualization of & marriage counseling & other treatments for wife abuse vs marital violence, 22607
constructivist therapeutic framework, infertile couples, 14579
correlation between & concurrent validity of Millon Clinical Multiaxial Inventory-II & 16PF, couples in outpatient marital therapy, 24074
couple therapy, psychological distress & marital satisfaction & health locus of control & pain & disability, patients with chronic low back pain, 5 yr followup, 10798
couples therapy within multidisciplinary medical clinic, diabetic males with sexual dysfunction, 2768
descriptive vs group oriented information on marital therapy, acceptability ratings of individual vs conjoint vs group formats, distressed vs nondistressed spouses, 10553
efficacy of couples therapy with vs without individual therapy, couples, 2539
emotionally focused couples therapy, in-session conflict interaction & intimate self disclosure, couples, 26591
family & marital therapy, depressed patients & their families, 38489
frequency of specialty journal articles on Christian marriage & marriage counseling & need for increased scholarship & research, 30404
gender linked perspective on psychodynamic couples group therapy, married couples, 42317
generalization of traditional vs enhanced behavioral marital therapy across clinic & home settings, communication & cognitions, couples, Australia, 26592
group behavioral & cognitive behavioral marital treatment, 22–55 yr old dysfunctional couples, 30397
group therapy with cognitive behavioral approach, simultaneous treatment of marital & sexual dysfunctions, couples, 10564
hypnotherapy in marriage or relationship counseling, couples, 18647
in-law problems in marital therapy, couples, 14601
individual alcoholism counseling with vs without behavioral marital therapy vs interactional couples therapy, marital & drinking adjustment, alcoholic males & their wives, 2 yr followup, 19225
individual cognitive behavioral &/vs behavioral couple therapy & relationship quality, relapse, depressed wives & their husbands, 6 & 12 mo followups, 38501
information intervention, nonattendance at marital & sexual difficulties clinic, clients, 30390
integrated systemic vs emotionally focused approaches in marital therapy, couples, 4 mo followup, 14587

integration of acceptance work in behavioral couple therapy, 18650
integration of cognitive & behavioral marital therapy, spouses with depressed partner, 10545
intervention type in structural or strategic marital or family therapy, client resistance, couples or families, 22597
invariant prescription technique & assessment of rules & games in couple therapy, couples with psychiatric disorders, 14603
irreverence vs strategizing vs nonintervention in systemic marriage & family therapy, 34446
issues in couples treatment, male pathological gamblers & their partners, 38513
marital therapy, spouses with mental illness, 2532
marital therapy vs individual cognitive therapy, depression, wives in couples with marital discord, 18512
model for dealing with romantic love & sexual attraction issues in marriage therapy, 14596
multiculturalism & ethnic & cultural sensitization in marriage & family therapy training programs, majority culture graduate students, 31121
outcome & process research on couple therapy, 26597
participation in marriage & family therapy academic programs, program directors & African American graduate students, recruitment & retention implications, 31135
perceptions of therapeutic helpfulness, females in marital therapy vs cognitive therapy for co-occurring depression & marital discord, 46219
predictors of response to behavioral vs insight oriented marital therapy, couples assessed at termination vs 4 yrs posttreatment, 26612
prevalence of alcohol abuse & covariance with spouse abuse, individuals & couples seeking marital therapy, Australia, 30389
psychiatric nosology & family systems assessment & structure of graduate course in family psychopathology, marital & family therapy students, 31128
psychotherapeutic parameters & analyst's attitude in psychoanalytic couples therapy, spouses, 14597
reasons for use & misuse of money & counseling strategies, couples, 6612
self help manual, marital counseling, couples, 14581
sexual enhancement in marital therapy, spouses, 2524
social constructionist model of integrated sex & marital therapy, 10547
spirituality & spiritual myths & metaphors & beliefs in family & marital therapy, clients, 34460
strategies & goals of couples therapy, law enforcement couples, 46331
systems & object relations & feminist & psychoanalytic theories on therapeutic resistance, couples, 10548
tailored approach to marital therapy, dual career couple, 42328
temptations of power & certainty in psychotherapy, verbally abusive husband & his wife, 34443
theories of & clinical strategies for Black White interracial marriage, 10552
therapeutic strategies, reestablishment of trust in troubled marriages due to discipline transgressions or pervasive selfishness, spouses, 6607
therapist sex & psychoanalytic couple psychotherapy, spouses, 2542
use of cartoons in therapy, externalization of problems, married couple, 38484
use of language & concepts of Alcoholics Anonymous in strategic marital therapy, couple with alcoholic husband, 30377
variables involved in & techniques for breakup of impasse in couples therapy, 10555

Marriage Counseling [See Also Conjoint Therapy]—Books
Couples therapy: A nontraditional approach, 38518
The moral dimensions of marriage and family therapy, 42334
Repairing intimacy: An object relations approach to couples therapy. The library of object relations, 26622
Self-delight in a harsh world: The main stories of individual, marital, and family psychotherapy, 6528

Marriage Counseling [See Also Conjoint Therapy]—Chapters
Marital and family therapy skills for pastoral therapists, 34628
Marital distress, 14622
Marital therapy, 26626
Mixing oil and water religiously: Counseling interfaith families, 6623
The mysterious disappearance of battered women in family therapists' offices: Male privilege colluding with male violence, 26630

Marriage Rites—Chapters
Dowry and women's status: A study of court cases in Dhaka and Delhi, 9481

Marriage Therapy [See Marriage Counseling]

Married Couples [See Spouses]

Martial Arts—Serials
age, RT & movement time, male Shotokan karate practitioners, 47453
blocking & countering in traditional Shotokan karate kata, 39531
competitive trait anxiety, performance in open & closed skills in Taekwondo, 7–44 yr old competitors, 11714
left to right handedness ratio, Shotokan karate master, England, 47452
length of Taekwondo training, anxiety & independence & leadership, adult Taekwondo students, 39530
meaningful split for comparisons & inclusion of correlations in studies of duration & psychological benefits of martial arts, 39532
precompetitive affect, 15–49 yr old 1st degree vs higher ranking black belt competitors, 11720
RT & movement time & sidedness during Shotokan Karate techniques, male adults, 47454
sidedness in Shotokan karate kata, 35622
systematic desensitization with hypnosis, karate performance anxiety, male 42 yr old, case report, 30360

Marxism [See Communism]

Masculinity—Serials
androgynous vs feminine vs masculine trait profile desirability & likableness, impression formation of sex typed occupation incumbents, college students, 23752
androgyny vs masculinity vs femininity, life satisfaction, noninstitutionalized 55–92 yr olds, 37211
attitudinal & behavioral & career related components of masculinity & gender role, male counselors, 19403
betrayal vs acknowledgment & integration of feminine into patriarchal society & religion & masculinity & psychotherapy, adult males, 34329
change & stability of masculinity & femininity, 15 yr old females, 10 yr study, Sweden, 9252
conceptualization of manhood, adult Black males, 5454
crisis & reconstruction of masculinity & male role, 1325
development & reliability of Behavioral Self-Report of Masculinity, male vs female college students, 43725
development of masculine & feminine sex role scales on MMPI-2, adults, 20007
early influences & gender identity & attitudes toward females & self esteem & protest masculinity, 16–18 yr old males raised in kibbutz vs nuclear families, Israel, 13135
femininity & masculinity & type of depressive experience, wish to be held, female vs male college students, 45265
feminist critique of male bodybuilding & hypermasculine body as source of male psychocultural anxieties, 15706
feminist implications of masculinity construct in heterosexuality, 21435
feminist psychology perspectives on males & masculinity, male psychologists & sociologists & feminist social scientists, 17391
impressions of & discrimination against gender labeled stimulus persons with same sex & cross sex individuation, college students, 9474
issues in masculine regime at Catholic boys' school & male female relations & gender in organizational culture, students & teachers, Australia, 43154
level of masculinity vs femininity, prediction of contextual variations in self disclosure to same sex stranger, male vs female college students, 9551

masculine vs feminine sex typing patterns, college students, US vs Germany vs India, 9627
masculinity & femininity & locus of control & self esteem & acceptance, male scientists vs other professionals vs college students vs mental health clients vs perpetrators of domestic violence, 45250
masculinity & femininity orientation, peer vs self rated leadership ratings, college students in mixed vs same sex groups, 21472
masculinity & same sex friendships, Black males, 17382
masculinity & sexist beliefs toward females, perceived attractiveness of female target with masculine vs feminine traits, male 17–25 yr olds, 33161
masculinity & sexuality & identity & homosexual experience & sex dynamics, gay male adults, Australia, 21431
mental health counseling perspective on emotional expression & acceptance of mature masculinity, males, 2447
number of sexual partners & love style & masculinity & femininity & perceived physical attractiveness, male vs female 18–51 yr olds, implications for evolutionary theory, 33204
personal vs cultural god concept & androcentric views of God in western civilization, college students, 9381
political & practical implications of feminist psychology approach to study of males & masculinity, British & North American & Australian social scientists, 25424
psychoanalytic perspective on cross cultural patterns of hypermasculine defense, Sambians vs Pitjentarans vs Athenians, New Guinea vs Australia vs ancient Greece, 29187
psychoanalytic theory of masculine striving & psychic & adult development, male Arctic explorers S. A. Andree & F. Nansen, 5671
recall of & attribution to males vs females of masculine vs feminine trait adjectives, sex typed vs androgynous vs undifferentiated vs cross sex typed adolescents, Italy, 25252
role of rationality & logic & objectivity in masculinity & gender beliefs & male social control of females, 17386
scales for masculinity ideology & masculinity related constructs, 15883
sex & masculinity & femininity, sex role attitudes, college students, test of unifactorial gender schema vs multifactorial gender identity theory, 25426
sex & masculinity & femininity, sex role attitudes, college students, test of unifactorial gender schema vs multifactorial gender identity theory, erratum, 37363
sex & masculinity vs femininity, effectiveness of jogging vs relaxation response vs group interaction stress reduction techniques, college students, 10889
sex & pubertal timing, masculinity & femininity & sex role attitudes, 6th graders, 2 yr study, reprint, 1071
sex bias & masculine role & relationship styles & other issues in mental health counseling, males, 2483
sex, factor analysis of femininity & masculinity, 2nd–7th graders, 32933
sex role masculinity, angry retaliation & reactivity to provocation & labeling of anger, female college students, 1324
sex role orientation & masculine sex role stress & dissimulation, self reported fears, male vs female 18–57 yr olds, England, 41278
sexual vs nonsexual priming stories, emotional response to & judgments of date rape scenarios, hypermasculine college students, 5977
social constructionist perspective on male therapeutic movements & self identity & essentialist masculinity, 26644

Masculinity—Books

The makings of maleness: Men, women, and the flight of Daedalus, 13361

Masculinity—Chapters

Disruptions: Improper masculinities and schooling, 25276

Masking [See Also Auditory Masking, Visual Masking]—Serials

bilateral contralateral routing of signal hearing aid, speech perception in noise, asymmetrically hearing impaired 16.5–85.1 yr olds, 26881
cross correlational time zone transition analysis of temperature & urinary data & dissociation of internal clock vs masking components of circadian rhythm, 16654
experimental instructions, electrodermal response to masked vs unmasked conditioned fear relevant vs neutral stimuli during extinction, 18–47 yr olds, 20769
forced choice forward masking procedure in rocketship video game, auditory signal detection thresholds, adults vs 5–8 yr olds, 44903
skin conductance responses during extinction of backward masked vs nonmasked conditioned fear relevant stimuli, 17–47 yr olds, Sweden, 24828
skin stimulus sensation followed by stimulus to somatosensory cerebral cortex, delay of conscious sensory experience, patients with dyskinesias, 34199
stability of backward masking performance, patients with schizophrenia vs affective disorders, 2 yr study, 29569
subthreshold masked semantic primes followed by related vs unrelated word targets, forced choice target recognition, college students, 44078

Maslow (Abraham Harold)—Serials

basic needs deficiency & self actualization, street vs mission homeless males, implications for concept of known groups & Maslow's hierarchy of needs, 13249
economic analysis & consumer expenditure patterns, application of Maslow's theory of motivation based on needs hierarchy, 27768
personal experience of altered consciousness induced by psilocybin mushrooms & reactions of Skinner & A. Maslow, psychologist, 45162

Masochism [See Also Sexual Masochism]—Serials

femininity & masochism & gender identity in current psychoanalytic thought, 37362
masochism as attempt to repair past traumatic loss, working through masochistic defenses with analyst, 38529
masochistic dreaming & sex role attitudes, improvement & need for emotional support, patients with major depression, followup, 37680
psychoanalytic correlation of narcissism & shame & masochism & object relations & social desirability, 18–66 yr olds, 21594
psychotherapy, family & self betrayal due to possible murder of brother, 23 yr old male with obsessive acting out of masochistic fantasies, case report, 34366
unified theory of masochism, 41 yr old female patient, implications for psychiatric nursing & psychotherapy, 5763
video aversive satiation procedure, cross dressing & interest in dominance submission sexuality, 38 yr old male patient, 30374

Masochism [See Also Sexual Masochism]—Books

Principles of self-damage, 6032

Masochism [See Also Sexual Masochism]—Chapters

Psychotherapeutic approaches to masochism, 38440

Mass Hysteria—Serials

features of apparent toxic gas exposure as mass hysteria or toxic poisoning, junior & senior high school students & 25–48 yr old teachers, 10200

Mass Media [See Also Books, Educational Television, Magazines, Motion Pictures, Newspapers, Printed Communications Media, Radio, Television, Television Advertising]—Serials

assessment of news media initiated stressors, 32806
attitudes toward ethics in mass media, male vs female 25–35 yr old media personnel vs consumers, India, 12974
degree of direct vs indirect mass media exposure, democratic vs nondemocratic political values, 14–15 yr olds, Sweden, 32962
educational level, effectiveness of mass media led antismoking campaign, adults, Australia, 15111
effect of community violence on development & influence of mass media on prosocial vs violent behavior, children, 37878
evaluation of media based mammography program, knowledge of & intentions for mammography screening, adult female community residents, 18967
frequency & accuracy & impact of mass media portrayals of mental illness, 12975
Great American Smokeout mass media campaign, tobacco smoking, hospital personnel, 35536

high vs low need for cognition, political interest & involvement & media usage, adults assessed 4 wks prior to presidential election, 1988, 29269
history of radio research & commercial vs theoretical influences on mass communications field, 25080
issue involvement & group membership, attitudes toward credibility of mass media coverage of social groups, 18 yr olds & older, 840
J. Baudrillard's vs J. Fiske's perspectives on effect of popular culture & media, 839
knowledge of country & media coverage, population estimation, college students, 4293
mass media as new source of primary group affiliations in social interaction, 5021
mass media, perceptions & beliefs & behavior, adolescents, 32804
mass vs interpersonal communication channels, fulfillment of communication needs, 12–85 yr olds, 40766
mathematical model of diffusion of innovations incorporating mass media & interpersonal influence, implications for policy decision making, 28832
mathematical model of public issue priority formation integrating media agenda setting & social interaction, 28860
media coverage of suicide & economic conditions, suicide rate, 1968–80, US, test of additive vs nonadditive models, 33800
media portrayal & historical precedents of toad licking drug experience, 37947
peer vs parent vs media informative vs normative influence, apparel shopping on ordinary vs special occasions, adolescents, 29034
personalized news bias & attributions & issue salience, literature review, 5025
pictorial depiction of war in American & world history high school textbooks & similarities to modern entertainment-fiction violence, 27457
presidential debate & its media coverage & political knowledge, pre-election vs postelection candidate preferences, voters, 1980, 1313
priming with aggressive concepts, attraction & selective exposure to media violence, male college students, 5023
role of flawed executions & antideath penalty movement & media in capital punishment politics, 7865
role of popular media in publicizing Chelmsford Private Hospital scandal concerning inappropriate & oppressive treatment, psychiatric patients, 1988–91, Australia, 38961
role of self & preexisting cognitive frameworks in processing of mass media communication of environmental advocacy issues, 43586
school programs with vs without mass media intervention, smoking prevention, 4th–6th graders, 4 yr study, 19212
sports & mass media, 28854

Mass Media [See Also Books, Educational Television, Magazines, Motion Pictures, Newspapers, Printed Communications Media, Radio, Television, Television Advertising] —Books

Communication and culture in war and peace. Communication and human values, 36957
Designing health communication campaigns: What works?, 2848
Media performance: Mass communication and the public interest, 5028

Mass Media [See Also Books, Educational Television, Magazines, Motion Pictures, Newspapers, Printed Communications Media, Radio, Television, Television Advertising] —Chapters

AIDS and the media agenda, 2218
AIDS in the media: Entertainment or infotainment, 26248
AIDS, medicalization, and the news media, 2220
Creating meaning from media messages: Participatory research and adolescent health, 30734
Dealing with reality: The news media and the promotion of peace, 36958
Freedom of the press to cover HIV/AIDS: A clear and present danger?, 26978
Information and culture in war and peace: Overview, 36960
Minority adolescents, alcohol consumption, and media effects: A review of issues and research, 29905
Negotiation audiences: The role of mass media, 850
Not yet the postimperialist era, 36961
Using mass media for prevention of HIV infection among adolescents, 7025

Massed Practice—Serials

monolingual vs bilingual spaced vs massed reading repetitions & main idea vs detail questions, text comprehension & recall, college students, 47223
passive viewing of Necker cube during massed vs distributed practice, reversals, high school students, 32896

Massed Practice—Chapters

Massed trials revisited: Appropriate applications in functional skill training, 43334

Mastectomy—Serials

body image as component of self concept, 29–79 yr olds treated for breast cancer with mastectomy & delayed vs immediate reconstruction vs conservative surgery, 46682
mastectomy vs breast conservation surgery, mental health & perceived social support, female breast cancer patients, 3 vs 15 mo followups, 30639
psychosocial functioning, 30–70 yr old female mastectomy vs cholecystectomy vs biopsy patients, reanalysis of longitudinal data, 22890
topical capsaicin, postmastectomy pain syndrome, 36–78 yr olds, 26934

Mastery Learning—Serials

classroom structures & environment, mastery orientation toward achievement goals & motivation, students, 3487
constructivist vs mastery learning approach, mathematics achievement, students, New Zealand, 39236
cooperative mastery learning method, questioning behavior & creativity & achievement, 3rd–4th graders, Israel, 43217
mastery vs nonmastery learning methods, performance of basketball skills in isolation vs competitive game situation, male 7th graders, 7399

Mastery Tests [See Criterion Referenced Tests]

Masturbation—Serials

adolescent masturbation & masturbation fixation, adaptation to later heterosexual partnerships, 21952
autoerotic fatality due to masochistic sexual stimulation with power hydraulic farm machinery, 42 & 62 yr old males, 33785
behavioral management, masturbatory guilt, male college students, 38467
death scene characteristics, 10–80 yr old autoerotic asphyxial vs suicidal asphyxial victims, Canada, 21923
developmental & other aspects of masturbation, children, implications for counseling parents, 32821
directed masturbation & satiation, deviant sexual preferences, inmates convicted of nonfamilial child molestation, New Zealand, 3136
early adolescent masturbation experience & current sexual adjustment & arousability & behavior, male vs female college students, 33192
masturbation frequency & maximum sexual arousal response instructions, sexual arousal during fantasy vs erotic film, female 18–26 yr olds, Netherlands, 21437
masturbation, marital & sexual satisfaction & activity & arousal & self esteem, female 18–30 yr olds, 33191

Masturbation—Chapters

The disease of masturbation: Values and the concept of disease, 9749
Use of covert conditioning to treat excessive masturbation, 46325

Mate Selection [See Animal Mate Selection, Human Mate Selection]

Mate Swapping [See Extramarital Intercourse]

Materialism—Serials

changing political & economic conditions, materialistic values & attitudes toward possession & acquisition, female vs male 20–22 yr old consumers, Poland, 47480
construction & reliability & validity of values oriented scale, assessment of materialism, consumers, 16069
folk psychology perspective on ontology of contentful psychological states & critique of eliminative materialism, 28814
postmaterialism & libertarian sociopolitical value orientation, 18–29 yr olds, 1974 vs 1985, Netherlands, 13547

Materialism—Chapters
Eliminative materialism and propositional attitudes, 28819
Intertheoretic relations and the future of psychology, 28823
Maternal Behavior (Animal) [See Animal Maternal Behavior]
Maternal Behavior (Human) [See Mother Child Relations]
Mates (Humans) [See Spouses]
Mathematical Ability—Serials
academic acceleration, academic & psychosocial outcomes, mathematically gifted adolescent students, longitudinal studies, research review, 39376
addition vs subtraction fact retrieval in arithmetic performance, right handed 78 yr old male following left hemisphere cerebrovascular accident, 18318
arithmetic word problems & translation into internal representation, frontal vs left posterior parietal lobe injured patients, 18367
assessment of discrete quantity estimation strategy & skills, 3rd vs 5th vs 7th graders, 3430
cognitive discrimination & numerical equivalence determination, 4 vs 5 mo olds, erratum, 28973
cognitive discrimination & numerical equivalence determination, 4 vs 5 mo olds, erratum, 25172
cognitive discrimination & numerical equivalence determination, 4 vs 5 mo olds, 13074
cognitive discriminative & numerical equivalence determination, 4 vs 5 mo olds, commentary, 32867
cognitive neuropsychological mechanisms in numerical processing, brain damaged clients with acquired dyscalculia, implications for normal processing, 6390
computational practice, estimation strategies & errors in overt strategies prohibited task in mental addition, kindergartners, 9125
Computer Algebra Systems learning environment, learning basic mathematical function, college students with poor mathematics skills, 11397
computer simulation model of & theory of cognitive complexities in learning & solving place value arithmetics, implications for mathematics education, 19530
computer simulation model of & theory of cognitive complexities in learning & solving place value arithmetics, implications for mathematics education, commentary, 19533
computer simulation model of & theory of cognitive complexities in learning & solving place value arithmetics, implications for mathematics education, commentary reply, 19529
computerized adaptive vs self adapted testing, examinee ability estimation for algebra skills & posttest anxiety, college students, 20102
conceptual framework for development & scoring of QUASAR Cognitive Assessment Instrument, assessment of mathematical problem solving & reasoning & communication ability, students, 43828
conceptual knowledge, prediction of computational skill & procedural learning in mathematics, 7th graders & college students, 901
correlation between mathematics aptitude vs achievement measures, high school students, 148
counting knowledge & performance on addition problems, mathematically delayed vs normal 1st graders, 14040
developmental interactions of disabilities in reading & spelling & mechanical arithmetic, learning disabled 7–8 vs 9–14 yr olds with different patterns of neuropsychological assets & deficits, 29959
early street vending experience, oral vs written mathematical skills, 5–12 yr olds, India & Tunisia, 25123
factor structure of Armed Services Vocational Aptitude Battery as measure of differences in arithmetic reasoning ability, male vs female Navy applicants, 39892
formal vs naive knowledge in solving graphic programing problem, college students, 11486
free response vs multiple choice test item format, syntactic translation & cognitive models underlying formulation of simple linear algebraic equations, 8th–10th graders, 39264
group vs individual nonroutine mathematical problem solving, Year 9 students, Australia, 23571
individual differences & mathematical ability, thought rebound following thought suppression, college students, 44106
intuitive & numerical proportional reasoning & instructions in temperature mixing task, 5th vs 8th graders vs college students, 886
job analysis based construction & unitarian validation of Mathematical Skills Exercise, personnel selection, sales & merchandising representatives, 39889
learning vs performance goal orientation & perceived ability, intrinsic & extrinsic valuing & persistence & self regulatory activities, college statistics students, replication, 23564
low to moderate cycling exercise, mental arithmetic performance, male college students with high vs low arithmetic skill, 28652
low vs high achievement in abacus learning, simple vs complex auditory vigilance performance, male vs female 5th–6th graders, Japan, 37036
mathematical ability & preparedness for statistics, psychology students, 1976 vs 1991, 39266
mathematical performance, 7.3–21.4 yr olds with unilateral left or right hemisphere lesions, 6336
mathematical thinking & language acquisition, young children, implications for mathematics teaching, 27409
mathematics education using individually constructed initial vs tacitly vs explicitly nested number sequences, construction of composite unit coordinating & segmenting schemes, 8 yr olds, 11431
measurement of grasp of simple mathematical concepts, college juniors vs seniors in business administration course, comparison with data on freshmen, 3450
mental addition, prelingually deaf 11.8–13.3 yr olds, Scotland, evaluation of G. J. Hitch et al counting models, 30262
mental multiplication RT, 18–28 vs 61–76 yr olds, 17003
metacognitive teaching approach, mathematics achievement & attitudes, 6th graders with low mathematics performance, 3333
need for medical assessment for neurological conditions, 3rd graders with developmental dyscalculia in special education classes without academic progress, 22110
preverbal & verbal counting & computation & foundations of numerical competence, humans & animals, 4307
sex, mathematical & other cognitive abilities & preferences, mathematically gifted adolescents, 1988–91, vocational & theoretical & social implications, 25137
simple number games teaching method, counting ability, moderately mentally handicapped 11.6–18 yr olds, 3 mo followup, 27585
sources of mathematics self efficacy, high school students, implications for career plans, 3504
specific vs generalized deficit in verbal vs visuospatial working memory as result of process vs storage functions, reading vs math disabled children, Canada, conference presentation, 45818
structure & development of & individual differences in quantitative relational abilities, 9–17 yr olds, Greece, 28909
tabular vs graphic quantitative information presentation, mathematics performance, male vs female college students, 4349
time of posttest & exercise duration & cardiorespiratory fitness, speed & accuracy of addition & subtraction, 27–49 yr old females, 24822
tutorial introduction to numerical cognition & relationship of numerical ability & linguistic competence, 4300
types of manifestations & role of right vs left cerebral hemisphere, children with developmental dyscalculia, 2020
validity of models of & individual differences in mental addition skill development, 2nd vs 4th vs 6th graders vs college students, 9203
verbalization, individual vs group solution of computer based mathematics problems & transfer learning, 10–11 yr olds, England, 27438
veridicality & reactivity of retrospective vs concurrent vs no verbal report of strategies underlying mental arithmetic, 3rd graders, 9132

Mathematical Ability—Books
The development of numerical competence: Animal and human models. Comparative cognition and neuroscience, 20384
The nature and origins of mathematical skills. Advances in psychology, 91, 21204
Pathways to number: Children's developing numerical abilities, 993
Mathematical Ability—Chapters
Animal number abilities: Implications for a hierarchical approach to instrumental learning, 20387
The appropriation of the concept of number: A lengthy process, 1028
Being mathematical, 5151
Chunking, familiarity, and serial order in counting, 20304
A conceptual framework for the study of numerical estimation and arithmetic reasoning in animals, 20389
Counting by chimpanzees and ordinality judgments by macaques in video-formatted tasks, 20393
Counting in chimpanzees: Nonhuman principles and emergent properties of number, 20385
The development of preschoolers' counting skills and principles, 996
The development of skill in mental arithmetic: An individual differences perspective, 21225
Developmental dyscalculia, 22099
Early principles aid initial but not later conceptions of number, 1013
Finding and helping young people with exceptional mathematical reasoning ability, 3590
The functional architecture of numerical processing mechanisms: Defending the modular model, 21218
Inhibitory mechanisms in normal and dysfunctional number processing, 20300
Invisible counting animals: A history of contributions from comparative psychology, ethology, and learning theory, 20392
Learning about numbers: Lessons for mathematics education from preschool number development, 1024
Number transcribing by children: Writing Arabic numbers under dictation, 1023
Numerical competence in animals: A conservative view, 20394
Numerical competence in animals: Life beyond Clever Hans, 20388
Numerosity as a dimension of stimulus control, 20390
Quantitative relationships between timing and counting, 20386
Ratio and proportion: Children's cognitive and metacognitive processes, 28979
Reflections on number and counting, 20395
Relationships between counting and cardinality from age 2 to age 8, 1011
Relationships children construct among English number words, multiunit base-ten blocks, and written multidigit addition, 21214
Remedying common counting difficulties, 997
Representation and retrieval of arithmetic facts: A network-interference model and simulation, 23896
The role of expertise in solving arithmetic and algebra word problems by analogy, 21221
A theory of enumeration that grows out of a general theory of vision: Subitizing, counting, and FINSTs, 20192
A tool for number construction: Finger symbol sets, 1003
Understanding the microgenesis of number: Sequence analyses, 1021
What a number is: Mathematical foundations and developing number concepts, 21220
Working memory, automaticity, and problem difficulty, 20295
Mathematical Modeling—Serials
activity dependent mathematical model of self orientation of receptive field columns in visual cortex, 36539
adaptive semantic language modeling based on error correcting grammatical inference algorithm, speech recognition, 8121
age & sex & other factors, initial & continued attendance at outpatient child guidance center, 1–16 yr olds with behavior problems & their parents, application of linear logistic models, 46811
algebraic representation of closed object shape by location implicit coding of visual shape constancies, 43863
algorithm for fitting metric version of Extended INDSCAL model to 3 way proximity data, application to marketing research, 39910
application of F. W. Lanchester's theory & modeling of combat strategies, ants, 28429
application of mathematical model of circadian system to jet lag, 16648
applications of synthesized voice source model for continuous control of pitch period, adults, 39627
axiomatic analysis of Nash equilibrium concept, 8320
axiomatic approach to ambiguity in decision making, 36156
base free measurement of change in structural equation modeling approach in longitudinal 2 or more wave panel design, 36017
Bicultural Generalized High Threshold model, cultural conformity & distinction of similar free answer responses to social survey, 20 yr olds & older, Japan, 24258
blockmodels for multiway & multimode matrices to incorporate social structure & regular equivalence, erratum, 17441
C. L. Mallows' Cp statistic & model selection in multiple linear regression, 8137
calculation of probability mass functions of similarity & activation & echo intensity distribution in recognition memory, application of multiple trace model, 20141
causality based mathematical model of manipulator in contact with rigid environment & control in robotic contact tasks, 19852
characterization of structures of & axiomatic system for comparative beliefs, implications for intelligent systems design, 3858
clinical psychological vs mathematical model & actuarial prediction of decision making, 8309
computational simulation model of density dependent reproductive success & optimal rate of infestation of honeybee drone vs worker brood cells, Varroa jacobsoni Oud parasitic mites, 40287
computer program MPSX/370 V2, implementation of branch & bound method for solution of Maximin Model of test construction, 19964
confluence model of birth order effects on intellectual differences, commentary reply, 32854
construction of quantitative decision making model from qualitative model, option ranking & sensitivity to small differences between options in decision making, conference presentation, 12083
contextual information & judgmental combinations of statistics & intuition relative to formal combination rule, human vs model prediction, adults, 28274
contraception intentions, college students, Germany, application of theory of reasoned action & model structures, 33183
costs & benefits of continued care vs abandonment of reduced clutch, ringed turtledoves, application of mathematical model, 12448
decision field theory as mathematical foundation for & dynamic stochastic theory of decision behavior in uncertain environment, 40080
decision theory perspective on utility functions for personnel selection, judges & psychologists, Netherlands, 11619
determinants of voting behavior in union representation elections, college faculty, test of multivariate model, 39160
development & testing of contextual effect model, female speakers of Japanese, implications for speech recognition systems, 39625
development of vocabulary for description of ironic situations & framework for computational theory of irony for computer programing, 9057
difference equation in confluence model of birth order effects on intellectual differences, commentary reply, 32905
dynamic nonstationary factor model for analysis of multivariate time series in time domain, 8119

educational applications of hierarchical linear modeling, estimation of linear equations for math achievement & other group outcomes, 7th graders, 169
expectations & behavioral intentions in process model of consumer service quality, hotel & educational institution clients, 27763
formal mathematical model of menu design for interactive computer systems, 3817
formulas with personological vs situational vs zeitgeist factors, prediction of greatness, presidents, US, commentary, 4196
framework for quantitative measurement of information content of consistent pairwise judgment matrix using analytic hierarchy process, decision makers, 36176
G. R. Grice's mathematical modeling scheme of RT distribution, 36006
general Gaussian recognition model as extension of signal detection theory & qualitative construction of underlying perceptual space, 8111
generalized numerical representations extending utility theory results with imperfectly ordered preferences, 8089
geometric structures of nondistance models of asymmetric multidimensional scaling, 43859
gravity, spatial orientation, monkeys, development of sensory conflict mathematical model, 40470
Guttman scaling, hierarchical assessment of continuous latent traits, 1–5 yr olds, 24242
hierarchical model of visual motion analysis at cortical & retinal levels, 8651
integral equation model of neural impulse firing & synthesis, 40408
interpretation & evaluation of social structure blockmodels, management applications, erratum, 17445
invariant standardized estimate parameter change for model modification in covariance structure analysis, 43860
issues in & validity of mathematical theoretical modeling vs behavioral marketing research paradigms, 35647
issues in testing hypotheses on direction of causation of correlated traits using cross sectional family data, 39943
kinetic vs static invariance & perceived size & distance, model of invariance hypothesis, 4228
L. Thurstone's & R. Shephard's probabilistic multivariate similarity models as special cases of moment generating functions, 36008
latent class approach to fitting weighted Euclidean distance model CLASCAL, adults, 36023
latent growth structural models, modeling incomplete longitudinal & cross sectional data & identification of changes over age, 12996
lexicality & phonological similarity of verbal trace, tree models for degradation & reintegration in immediate recall, 36247
life stress & social support & depression in structural equation modeling of factors in drug & alcohol use & abuse, 12–19 yr old Native American boarding school students, 29868
limb rhythm coordination, goal directed motor process production, college students, application of dynamical models, 28228
line orientation, line bisection, right brain damaged 47–69 yr olds with left visuospatial neglect, test of Newtonian model of length perception distortion, 34152
linear system analysis & differential equation description of free operant behavior regulation by reinforcement, 40176
log linear vs log log plot of data on physical or psychological impairment & age, 15–84 yr olds, Canada, implications for multistage mathematical model, 25643
logic programing in modeling of truth & justification preserving entailments of defeasible reasoning in artificial intelligence, 31711
m channel vs single channel performance in ROC curves in mathematical models of probability summation, implications for binocular summation, 187
MANOVA vs structural equation modeling in detection of multivariate mean differences in between groups designs, 39909
marginal maximum likelihood estimation algorithm for item response theory based ordered partition model, 28142
mathematic models for Brown-Peterson methodology for study of retention of individual verbal items over short time periods, 4385
mathematical & statistical models & measurement of factor invariance in aging research, WAIS-R standardization sample, 12992
mathematical analysis of amoeboid & stereokinetic percepts induced by rotating ellipse, 44006
mathematical approach to matching theory & relation to classroom behavior & teaching, commentary, 3337
mathematical approach to matching theory & relation to classroom behavior & teaching, 3361
mathematical equations & spectral sensitivity functions in computer program for data computation of color vision modeling, 11807
mathematical formulas, evaluation of chromatic & color threshold differences, Os, 8209
mathematical law of periods of growth in aging process based on geometrical progression, 32818
mathematical law of periods of growth in aging process based on geometrical progression, commentary, 32814
mathematical media selection model maximizing effective reach of TV advertisement exposure, households, 31654
mathematical model for & Freudian psychosexual development of object discrimination, 9122
mathematical model of & psychophysical aspects in interdependence of signal dependent vs independent RT components during visual spatial position detection, Os, 175
mathematical model of changes in drug use frequency & habituation & addiction, 29841
mathematical model of correct recall & intrusions in cued recall of word lists, 19–29 vs 65–80 yr old mnemonists, 32211
mathematical model of diffusion of innovations incorporating mass media & interpersonal influence, implications for policy decision making, 28832
mathematical model of innovation diffusion in organizational bandwagons, 47418
mathematical model of intercultural interactions based on sociolinguistic inference & harmony in communication, 29133
mathematical model of optimal interval between health checkups vs human judgment of risk interval, college students, 9715
mathematical model of public issue priority formation integrating media agenda setting & social interaction, 28860
mathematical model of safety measure effects & risk compensation & behavioral adaptation, road users, 39620
mathematical model of self, 29439
mathematical model of simultaneous segmentation & estimation & individual differences in paired comparison analysis of food purchasing judgments, female consumers, 27766
mathematical model of visual motion analysis based on decomposition of image transformations into 2-dimensional affine Lie subgroups, 20210
mathematical modeling & representation & explanation of visual perception & McCullough effect, 28182
mathematical modeling & theory of motivated cheating by test takers, college students, conference presentation, 11515
mathematical modeling in analysis of dynamic communication in psychotherapy sessions, commentary, 6499
mathematical modeling of & theoretical results for light intensity dependent spread functions in human vision, 16190
mathematical modeling of glossopharyngeal nerve afferent impulse response to 4 taste stimuli, frogs, translated article, 32442
mathematical modeling of light adaptation with aperiodic vs periodic stimuli, 4671
mathematical modeling of thermodynamic concepts of client & therapist communication, female analysands & their psychoanalysts, 6639
mathematical models for determination of optimal time for efficacy evaluation of clozapine, psychiatric patients, implications for health care rationing, 6766
mathematical Poisson pacemaker/accumulator system for perceiving & remembering time, 179
mathematical population genetics model of cultural evolution & transmission & gene culture coevolution, 44369

mathematical urn models for evolutionary learning games & potential bridge between game & learning theories, 191
maximum likelihood estimates for & applications of 1 & 2 factor latent variable models for binary & polytomous variables, 12094
maximum likelihood estimation of multivariate Gaussian rating model with excluded data, 193
measure of toughness in integrative bargaining based on mathematical model of path & speed of concessions & feasible outcome sets, 29356
method & mathematical model for comparison of experiments in decision making problems with fuzzy utilities using Bayesian framework, 8106
method of sweeping presumptions for modeling of nonmonotonic reasoning, implications for artificial intelligence, 31716
model for construction of covariance matrix with specified minimizer & minimum discrepancy function valve, 8097
model of decision making & memory comparison process & accuracy response latency in recognition memory, commentary reply, 8345
model of spatial & temporal response characteristics of external ear as beamformer, cats, 12495
modeling incompleteness of judgments within Bayesian context, decision makers, 4313
models of turnover, employees, meta analysis & application of structural equations modeling, 15646
modification of product discrimination testing model, maximum likelihood measure of misinformation in repeat trial pick 1 or 2 test, adults, 24243
N. Weiner's contributions to measurement theory, 178
nonparametric approach to bootstrap applications to survival analysis, 43889
normative modeling of formulation of rules for selection of remedies for diseases & malfunctions & conflicts, 4192
numerical simulations & theory of neuronal networks with spontaneous & correlated bursting activity, 15794
omnibus test for analysis of 2 factor interactions in fixed effects linear models, 28121
panel & hypothesized set size, mathematical simulation of consensus diagnosis from contributed opinions, experts, implications for multiknowledge based systems, 19845
PARELLA probabilistic parallelogram model with single peaked item characteristic curves, assessment of differential item functioning in measurement of latent attitudes, 8108
Payne's vs Van Raaij's indexes vs single Markov model to test 2 phased decision strategy, decision making with variously complex tasks, college students, conference presentation, 12251
piecewise linear equation, analysis of mathematical model of neural networks, 23903
problems with multiplicatively interactive regression models in marketing research, 39578
procedure for production of luminance distribution of perceived image of scene & mathematical modeling of visual inhomogeneity & decreased acuity with eccentricity, Os, 240
prospective mathematical model of voting behavior & party identification research, 5431
pseudo mathematical confluence model of birth order effects on intellectual differences, commentary, 32853
quantification & mathematical identification of countertransference difficulties in psychotherapy & psychoanalysis, 6503
quantitative models of baseball's rising fastball & breaking curveball as perceptual illusions due to batter's misestimation of speed of pitch, adults & male 9–13 yr olds, 20200
random variable transformations & power function relations & ranking probability distributions in random utility modeling, 8129
receiver operating characteristic curves analysis of Help Seeking Decision Making model, prediction of use of mental health services, poor 18–64 yr olds, Puerto Rico, 18954
recognition polynomials vs solution to problem of recognition of configuration, implications for computerized object recognition, 32062
relative mood, magnitude of mood change over time & level, college students, application of mathematical modeling of psychological well being, 4197
reward system approach to paired comparison scaling, 170
role of strong vs weak personal ties & network composition in job search & minimum acceptable wage, job seekers, application of mathematical modeling, 15600
Saltus model as linear logistic test model, analysis of dichotomously scored responses in cognitive development research, commentary, 20124
seat belt laws, driver involved injury rates in single & multiple vehicle accidents, state accident data, 1982–86, analysis of econometric models, 31688
security & potential levels & expected utility in axiomatic decision model, 8289
sensitivity of probabilistic same-different & identification judgment models to perceptual dependence, 36007
serial model version of behavioral theory of timing & analysis & prediction of response transitions, pigeons, 32299
sex & sound intensity & power function parameters, scales of subjective time duration, 21–57 yr olds, 28213
size of square or rectangle, mathematical model of perception of area, 21–52 yr olds, 247
stability of individual differences & correlations between 1 factor & simplex structural equation models in multiwave studies, high school & college students, 4–8 yr study, 39919
stage theory of alternative conception development in science, 2nd–12th graders, Israel, application of mathematical model, 28912
statistical model based fundamental frequency synthesizer, creation of natural Mandarin Chinese speech, 812
statistical models for analysis of prey preferences based on dichotomous preference method, guillemots, 24621
stimulus uncertainty, acoustic discrimination during contextual interference, 20–28 yr olds, mathematical model of signal detection, 8246
structural equation modeling, age based construct validation, adults in WAIS-R standardization sample, 12997
structural models for multitrait multimethod data in aging research, 13006
time series model vs direct estimate of brand equity, quantification of longer term advertising effects, consumers, 23818
TODAM2 model of storage & retrieval of item & associative & serial order information, 28317
variable costs & taxes & discounting, model for estimation of utility of human resource productivity improvement programs, commentary, 8090
variable delay & conditioned reinforcers, choice of delayed alternative vs probabilistic reinforcement, male pigeons, application of J. Mazur's equivalence rule, 8483
vectorial angular representation of generalized high threshold model, comparative studies on national character & opinions on European unification, Japan vs US vs European countries, 4199
violation of assumption of independence, distribution of correlation coefficient & Fisher's z in Monte Carlo simulation of meta analysis, 24254
visual abstraction, backpropagation neural network vs regression & correlation modeling vs college students, conference presentation, 43610

Mathematical Modeling—Books

Human cognitive abilities: A survey of factor-analytic studies, 36197
LISREL 8: Structural equation modeling with the SIMPLIS command language, 43896
Multidimensional models of perception and cognition. Scientific psychology series, 195
A primer for soft modeling, 16082
The structure of personal characteristics, 21566
Testing structural equation models. Sage focus editions, Vol. 154, 36026

Mathematical Modeling—Chapters

Algebraic models of juror decision processes, 43655
Application of a HYBRID model to a test of cognitive skill representation, 19984
The application of structural modeling to metabolic mapping of functional neural systems, 32476

Compositional data analysis, 43900
Developing and characterizing multidimensional Thurstone and Luce models for identification and preference, 204
Exemplars, prototypes, and similarity rules, 343
A general probabilistic model for triad discrimination, preferential choice, and two-alternative identification, 202
A generative approach to psychological and educational measurement, 19974
The intensive examination of social interactions, 4209
Mathematical description of operant behavior: An introduction, 28146
Mathematical models in psychology, 20151
Mathematical models of team performance: A distributed decision-making approach, 15576
A mathematician comments on models of juror decision making, 43633
Modeling similarity and identification when there are momentary fluctuations in psychological magnitudes, 201
Multidimensional models of categorization, 336
Multivariate models of preference and choice, 199
On the similarity of categorization models, 222
Probabilistic multidimensional models of pairwise choice data, 200
A probabilistic multidimensional scaling approach: Properties and procedures, 205
Psychosocial aspects of childhood diabetes: A multivariate framework, 14218
Structural equations modeling: A new friend?, 12106
Structures in stimulus identification data, 231

Mathematical Psychology—Books

Essays in honor of William K. Estes, Vol. 1: From learning theory to connectionist theory; Vol. 2: From learning processes to cognitive processes, 335

Mathematical Psychology—Chapters

A path taken: Aspects of modern measurement theory, 203

Mathematicians—Serials

control in advisory client interactions in insect sampling plan design for orchard development, statisticians & entomologists, implications for expert system design, 27829
training in music vs mathematics vs dance, ear asymmetry for dichotic chords vs melodies vs speech tasks, 14–24 yr olds, 37052

Mathematics [See Also Statistics]—Serials

arithmetic word problems with unknown reference vs compare set, problem solving difficulty, K–1st graders, Germany, 21196
Boolean algebraic algorithm for diagnosis & assessment of universal set of knowledge states, students, 35970
didactic intervention, development of decentration & anticipation processes in sociomotor & mathematics activity, 8–9 yr olds, 40798
direct instruction, critical thinking skills in learning time & mathematics, students, 27443
epistemological belief in simple knowledge & mathematical text comprehension, college students, 15452
goal free vs conventional geometry problems, problem solving, 7th graders, Australia, test of stage effect hypothesis, 47214
inducements & information flow & resources, enrollment in mathematics courses & subsequent learning, high school students, 31313
intervention program, math attitudes & career options, rural gifted female 4th–7th graders, 47309
learning to add numbers, recurrent networks, test of model of symbolic processing by parallel distributed processing network, 47569
mathematical constraints & variability & Tulving-Wiseman law of apparent regularity in graphs of data in recognition memory vs cued recall, commentary, 16342
mathematical constraints & variability & Tulving-Wiseman law of apparent regularity in graphs of data in recognition memory vs cued recall, commentary reply, 16336
mathematical problem solving & achievement, learning disabled vs average vs gifted 6th–8th graders, 47286
mathematical procedure for evidence combining rules in simulated cognitive hypothesis testing, 31715
mental arithmetic problem solving RT, monolingual vs weak vs strong bilingual college students, 40094
mental representation & processes in cognitive arithmetic, 4290
practice, RT in component processes of complex mental addition problem solving, college students, 20258
redundancy & split attention methods of instruction, cognitive load in geometry task, 4th graders, Australia, 47160
research agenda for individual differences in mathematical problem solving, learning disabled students, 35453
role of fractal geometry & deterministic chaos & other features of scientific revolution in psychoanalysis, 26697
Roman code numeral structure, arithmetic task RT, 20–31 yr olds, Belgium, commentary, 16283
similarity in problem equation vs structure, algebra word problem classification & solution, college students, 12259
solution processes & interpretation in division with remainders mathematics problem, 6th–8th graders, implications for semantic processing models, 31324
strategies & speed of processing in solution of simple vs complex mental subtraction problems, 18–38 vs 61–80 yr olds, 40811
strategy choices in addition & subtraction & word identification, lower vs middle income 1st graders, 40827
tabular vs graphic quantitative information presentation, mathematics performance, male vs female college students, 4349
think aloud protocols in solution of 1 vs 2 vs 3 step mathematical word problem, learning disabled vs average achieving vs gifted 6th–8th graders, 35456
time spent in special education, global & mathematics self concepts, special needs 3rd–12th graders, 3558

Mathematics [See Also Statistics]—Chapters

Addressing process variables in test analysis, 19978
Computational logic of network processes, 47592
From number to numbers in use: Solving arithmetic problems, 1008
Learning addition and subtraction: Effects of number words and other cultural tools, 1012
Psychology and mathematics, 8138
Understanding elementary mathematics, 21209

Mathematics (Concepts) [See Also Algorithms, Number Systems, Numbers (Numerals)]—Serials

age & conventional vs nonconventional tool use, reasoning in measurement problem solving, 6–10 yr olds, England, 44891
animal/human similarities & innate nature of knowledge of numerosity & simple arithmetic operations, accumulator vs counting models of mathematical knowledge & empiricist accounts, infants & animals, 37069
cognitive invariants & cultural variation & symbolic systems of signs, psychological functions in mathematics concepts, children, test of hypotheses of cognitive development, 17054
cognitive representations & processes in arithmetic performance & single case study issues, brain damaged adults, commentary, 34225
cognitive representations & processes in arithmetic performance & single case study issues, brain damaged adults, commentary, 34206
concept of volume measurement & intellectual development, 2nd–6th graders vs high school students, Australia, application of SOLO taxonomy, 27487
conceptual & semiotic achievements in elementary mathematical cognition development, children, 40797
conceptual shortcut vs familiar computing strategy in solution of mathematical inversion vs standard problems, 2nd–4th graders, Germany, 974
development & comprehension of commutative law of addition, 5–8 yr olds, Spain, 44860
epistemological approach to construction of early school arithmetic, kindergartners, Canada & France & US, application of 3 stage model, 39261
epistemology of mathematics & innateness of mathematical knowledge & empirical results, commentary, 37030
evolutionary nature of unlearned mathematical knowledge, accumulator mechanism in innate knowledge of numerosity & visualization & combinatorial nature of object representations, 36196

formal representation of color mixtures as rational numbers, ratio problem solving ability & concept learning, 7th–9th graders, Israel, 28941
free response vs multiple choice test item format, syntactic translation & cognitive models underlying formulation of simple linear algebraic equations, 8th–10th graders, 39264
innate knowledge of numerosity & mathematical truths, infants & animals, commentary, 37044
knowledge of division related to connectedness & knowledge of units, prospective elementary school teachers, 39170
mental addition & subtraction processing strategies for numbers to 100, problem solving, 2nd graders, Netherlands, implications for teaching models, 47216
problem characteristics & capabilities, performance on semantic types of ratio & proportion problems, 6th graders, 27502
procedures for construction of knowledge spaces by intellectual questioning of expert, application to computerized instruction system, 39631
role of visualization in geometrical discovery, commentary, 36169
role of visualization in geometrical discovery, proof & putative evidence of theorem, 36159
sex, mathematical reasoning & subskills, academically talented 2nd–6th graders, 35475
sex, solution & classification of algebraic word problems with missing or sufficient or irrelevant information, 10th–11th graders, 35361
stimulus-stimulus relations & behavioral vs mathematical equivalence analogy, 4194
subliminal psychoanalytic merging vs neutral message, mathematics learning, incoming college students, commentary, 32204
subliminal psychodynamics activation, mathematics learning, adults, commentary reply, 44149
teaching methods for development of fluency with number facts, learning disabled students, 15497
test development & relations among subtest scores, assessment of statistical knowledge, graduate students, implications for statistics education, 43823
theory & model of growth of mathematical understanding, 8 yr old male, commentary, 21167
theory & model of growth of mathematical understanding, 8 yr old male, 21189
unconscious mathematic & geometric strategies used to catch ball, skilled male fielder, 35623

Mathematics (Concepts) [See Also Algorithms, Number Systems, Numbers (Numerals)]—Chapters

From protoquantities to operators: Building mathematical competence on a foundation of everyday knowledge, 3478
MATHNET: Preliminary results from a distributed model of arithmetic fact retrieval, 23909
Proportional reasoning in and out of school, 17120
Rational and fractional numbers as mathematical and personal knowledge: Implications for curriculum and instruction, 3414
Research on learning and teaching addition and subtraction of whole numbers, 3409
Solving multiplication word problems, 3474
Teaching and learning long division for understanding in school, 3416

Mathematics Achievement—Serials

achievement related expectancies & academic self concept & math performance, academically underprepared male vs female African American vs White college students, 35401
aptitude & social psychological & instructional environments, mathematics achievement & attitude, 7th graders, 3453
attributions for success & failure in math performance, male vs female gifted vs nongifted 3rd vs 6th vs 9th graders, 19629
causal beliefs in mathematics achievement, Japanese high school students, Japan vs US, 43258
children's literature, mathematics achievement & interest & vocabulary, 5 yr old kindergartners, 7417
cognitive cover & copy & compare intervention with subvocalization, mastery responding to division problems, male elementary school students with behavior disorders, 8 mo followup, 19611
cognitive representation of number & understanding of place value & mathematics performance, 1st graders, US vs Japan vs France vs Sweden vs Korea, replication, 23565
computer assisted instruction, automatization of basic addition & subtraction skills, nonhandicapped vs mildly mentally retarded 2nd–4th graders, 11558
consistency of item bias detection methods across different administrations of curriculum based mathematics test, 8th graders, 8069
constructivist vs mastery learning approach, mathematics achievement, students, New Zealand, 39236
contingent access to music, mathematics performance, middle school students with mathematics disabilities, 39351
correlation between mathematics aptitude vs achievement measures, high school students, 148
counting knowledge & performance on addition problems, mathematically delayed vs normal 1st graders, 14040
educational applications of hierarchical linear modeling, estimation of linear equations for math achievement & other group outcomes, 7th graders, 169
extraneous information & extra steps, misconceptions in solution of arithmetic word problems, 8th graders, 3447
factors which impede vs enhance mathematical problem solving performance, 7th graders, 31311
individualized vs group vs nonpersonalized instructions, mathematics achievement & attitudes, female vs male Mexican American 7th graders, 27448
initial attitudes toward mathematics, effects of game vs drill & practice computer assisted instruction on arithmetic facts proficiency & motivation, learning disabled 4th–6th graders, commentary, 39354
initial attitudes toward mathematics, effects of game vs drill & practice computer assisted instruction on arithmetic facts proficiency & motivation, learning disabled 4th–6th graders, 39355
interactional analysis of video recordings of instruction, assessment of teaching vs learning mathematics with understanding, elementary school students, 11389
intrinsic vs extrinsic motivational orientation, reading comprehension & mathematics achievement, elementary & junior high school students with vs without behavior disorders, 35460
item structural properties identified by Logical Test Design, prediction of item difficulty & association in reading Roman numerals, 11–13 yr old 6th graders, Mexico, 31982
low to moderate cycling exercise, mental arithmetic performance, male college students with high vs low arithmetic skill, 28652
mainstreaming vs special education, language & mathematics ability, 13 yr olds in mixed ability vs special classes, 7520
maternal support & cognitive preschool competencies & prior scholastic achievement, 3rd grade spelling & reading & arithmetic performance, 5.5–7.3 yr olds, Germany, 3 yr study, 11483
math & verbal achievement & self concepts, 6th graders, Norway, application of internal external frame of reference model, 43267
mathematical problem solving & achievement, learning disabled vs average vs gifted 6th–8th graders, 47286
mathematics achievement, 1st & 5th graders, Japan vs China vs US, 10 yr followup, 27514
mathematics attitudes & self efficacy & achievement, male vs female high school seniors, Canada, 23567
meaning based vs algorithmic practice vs conventional mathematics teaching, achievement, 8th graders, 3389
metacognitive knowledge & mathematics aptitude, arithmetic problem solving, 5th graders, Japan, 27507
metacognitive teaching approach, mathematics achievement & attitudes, 6th graders with low mathematics performance, 3333
method for correction of systematic errors in computation of mathematics grade averages, 13–14 yr old students, Argentina, 5 yr study, 31308
middle school ability grouping, science & mathematics achievement, 7th–9th graders, 15439
model of mathematical anxiety & attitudes & ability, prediction of statistical learning performance, college psychology students, 47230

motivational vs standardized test instructions, mathematics achievement test performance, 3rd–4th & 6th–8th graders, 47219
open ended vs multiple choice item response format, diagnostic assessment of achievement on algebra test, 8th–9th graders, Israel, 35957
participation in vs observation of self instructional training with taped cues, mathematics performance, learning disabled 8–11 yr olds, 31418
perceived attainment & optimism, mathematics achievement & academic motivation, 9th graders, Japan, 11473
perceived attainment & optimism, mathematics achievement & academic motivation, 9th graders, Japan, erratum, 27500
placement & involvement & expectations for grade attainment, achievement, academically average 8th graders in advanced vs regular mathematics classes, 3443
possible explanations for mathematics superiority, elementary school & other students, Asia vs Western countries, erratum, 19521
possible explanations for mathematics superiority, elementary school & other students, Asia vs Western countries, 11465
predictive validity of Cognitive Ability Scales, measurement of reading & math achievement & intelligence, 1st–5th graders originally assessed as 2–3 yr olds, 16044
prior achievement & self efficacy & outcome expectations & interests, prediction of choice of & performance in mathematics courses, college students, replication, test of social cognitive model, 31317
prior courses & class rank & full vs part time status & sex & interrole conflict, performance in statistics, urban college students, 19556
prior math achievement & learned helplessness vs mastery oriented attributional style, cooperative math learning outcome & attributions & self concept, 7th graders, Canada, 3421
problem characteristics & capabilities, performance on semantic types of ratio & proportion problems, 6th graders, 27502
reading & mathematics achievement & balance skills, 7–11 yr olds, 44826
reinforcer rate & delay & quality, impulsivity & performance on concurrently available math problem sets, female 13 & 19 yr olds with serious emotional disturbances, 30368
relative age, academic achievement in math & reading, 6th–8th graders, 27495
reliability & validity of mathematics performance assessments from hands-on vs traditional curriculum, Anglo vs Latino 6th graders, 35955
repeated testing & teachers' effects, achievement in remedial mathematics course, college students, 19602
self instructional training in checking procedures, accuracy & calculation rate of multiplication & division problems, 13–14 yr olds with learning disabilities, 39345
self management skills, math achievement, behavior disordered 11–13 yr old middle school students, 27582
sex & mathematics attitudinal & affective & performance variables, choice of major varying in mathematical content, college students, Canada, 15474
sex, mathematics performance, 5th–8th graders, test of socialization explanation, 9139
sex, performance on mathematics section of SAT, college students in 1st yr math courses, 4148
sex stratification of advanced educational & occupational opportunity, mathematics performance, male vs female 8th graders, 1964 vs 1982, 19 countries, 35347
structural model of mathematics achievement & attitudes & outcomes, 10th graders, erratum, 7467
structured & reciprocal peer tutoring &/vs reward, mathematics achievement & school adjustment, 4th–5th graders at high risk for academic failure, 3342
team accelerated math instruction, achievement, high math achieving 3rd–5th graders, 35298
test anxiety & sex, seriousness of errors on algebra tests, junior high school students, 35349
traditional vs computer assisted instruction, mathematics achievement, freshmen college students, 47155

Mathematics Achievement—Chapters
Competitive drive, coping and math achievement: What's so detrimental about avoidance behavior?, 19539
Item formats for assessment in mathematics, 28089
Parent influences on children's mathematics, 23534
What mathematical cognitive skills do parents offer children?, 23541

Mathematics Anxiety—Serials
competitive vs solo mental arithmetic task, spectral components of heart rate variability, Type A vs Type B males, 4716
mathematics anxiety & interest in scientific careers, female college students, 11498
mathematics anxiety reduction clinic, college students, 47313
reliability & validity of Statistics Anxiety Scale, college students, South Africa, 24220
sex & mathematics attitudinal & affective & performance variables, choice of major varying in mathematical content, college students, Canada, 15474

Mathematics Education—Serials
application of sociohistorical concepts to use of educational mathematics software, 7–13 yr olds, 31256
aptitude & social psychological & instructional environments, mathematics achievement & attitude, 7th graders, 3453
artificial intelligence type cued heuristics &/vs state space analysis, solution of trigonometric identities & transfer to group theory identities, college students, Scotland, 39218
assessment of discrete quantity estimation strategy & skills, 3rd vs 5th vs 7th graders, 3430
attitude toward mathematics & self efficacy & causal attribution & personality traits, 12–15.2 yr olds, Japan, 9297
attitudes toward concept mapping vs Vee diagramming metalearning tools, biology & chemistry & physics & math teachers, Nigeria, 27382
children's literature, mathematics achievement & interest & vocabulary, 5 yr old kindergartners, 7417
classification & number conservation training vs conventional letter & word & number & arithmetic skills, verbal & arithmetic performance, kindergartners & 1st graders, 43237
cognitive cover & copy & compare intervention with subvocalization, mastery responding to division problems, male elementary school students with behavior disorders, 8 mo followup, 19611
cognitive strategy instruction, solution of algebraic word problems, learning disabled 8th–10th graders, Canada, 35442
college math course work, performance in introductory economics course, college students, 7453
Computer Algebra Systems learning environment, learning basic mathematical function, college students with poor mathematics skills, 11397
constructivist perspective on computer assisted teaching of linear functions, junior high school students, conference presentation, 31266
cultural & cognitive background, mathematics teaching & geometry curriculum, Navajo students, 31277
dilemmas of constructivist perspective in mathematics tutoring interactions, teacher & 8th grade prealgebra student, conference presentation, 31237
explicit instruction in translation vs diagram training group, mathematics word problem solving, learning disabled 17–65 yr old community college students, 35466
group instruction on higher order rules, mathematics problem solving, 4th graders, 27416
group interdependence & computer based autonomy, effectiveness in mathematics task organization & articulation & synthesis, 9–12 yr olds, implications for pupil managed groups, 27435
implicit vs explicit relationships between algebraic variables, errors, high school students, 11478
impromptu writing prompts in high school algebra class, benefits & changes in instructional practices, teachers, 3367
individually paced precalculus course, preparation for advanced level work, academically talented 8th–12th graders, 19633

interaction videodisc instructional modules & goal orientations & self perceptions, learning outcomes, high school precalculus & trigonometry students, 39214
interactional analysis of video recordings of instruction, assessment of teaching vs learning mathematics with understanding, elementary school students, 11389
interactive computer environments, mathematics learning, middle & high school students, 3339
intraindividual Curriculum Based Measurement norms of academic growth rates in reading vs spelling vs math, 1st–6th graders, 2 yr study, 27493
journal writing in mathematics education, 2nd graders, 15405
knowledge & beliefs about mathematics instruction & state educational reform, 5th grade mathematics teachers, 23459
knowledge & beliefs about mathematics instruction & state educational reform, 5th grade mathematics teachers, 23448
knowledge & beliefs about mathematics instruction & state educational reform, 5th grade mathematics teachers, 23463
knowledge & beliefs about mathematics instruction & state educational reform, 5th grade mathematics teachers, 23461
knowledge & beliefs about mathematics instruction & state educational reform, 5th grade mathematics teachers, 23460
knowledge & beliefs about mathematics instruction, 5th grade mathematics teachers, implications for educational reform, 23462
language arts vs mathematics instructional intervention, reinforcement of academic skills & qualifications for gifted & talented programs, educationally disadvantaged 5th graders, 35476
language arts vs mathematics instructional intervention, reinforcement of academic skills & qualification for gifted & talented programs, disadvantaged 5th graders, commentary, 35474
mathematical problem solving, youth with learning disabilities or attention deficit disorder with or without hyperactivity, educational implications, 35467
mathematical thinking & language acquisition, young children, implications for mathematics teaching, 27409
mathematics education research, 1991, annotated bibliography, 3393
mathematics education using individually constructed initial vs tacitly vs explicitly nested number sequences, construction of composite unit coordinating & segmenting schemes, 8 yr olds, 11431
meaning based vs algorithmic practice vs conventional mathematics teaching, achievement, 8th graders, 3389
mental addition & subtraction processing strategies for numbers to 100, problem solving, 2nd graders, Netherlands, implications for teaching models, 47216
method for relating learning theory to instructional design based on computer simulation model, application to mathematics education, 35313
model of tutoring interaction processes for mathematics & complex subject matter, students & teachers, conference presentation, 31283
negatively vs positively framed strategies, decision making, 17 yr old preuniversity students with vs without mathematical training, Singapore, 8306
operational processes of sorting & ordering in unified approach to learning & teaching mathematics, students, UK, 27421
parental educational level, involvement in child's junior high school math track placement, mothers, 15455
passive behavior during cooperative small group learning tasks in mathematics, 5th–6th grade low vs high achievers, 7496
personality characteristics, calculus students, 27545
phenomenographic approach to educational software & nonverbal presentation of number concepts & arithmetic operations, children, 35684
philosophies of teaching & mathematics curriculum, 27417
placement & involvement & expectations for grade attainment, achievement, academically average 8th graders in advanced vs regular mathematics classes, 3443
prior achievement & self efficacy & outcome expectations & interests, prediction of choice of & performance in mathematics courses, college students, replication, test of social cognitive model, 31317
prior math achievement & learned helplessness vs mastery oriented attributional style, cooperative math learning outcome & attributions & self concept, 7th graders, Canada, 3421
reading vs mathematics routine & specialized instructional adaptation for learning disabled & low achieving students, elementary school teachers, 35438
repeated testing & teachers' effects, achievement in remedial mathematics course, college students, 19602
role of math education & LOGO programing in learning & teaching problem solving skills, elementary school students, Belgium, 15369
role of unit structures in understanding meaning of fractions & implications for teaching, 3rd graders, Australia, 43185
self reported test anxiety in English vs mathematics vs physical vs social science subjects, 17–38 yr old college students, 43284
sex & ethnicity, affect vs worth vs sex typing vs perception of attributive factors toward success in mathematics vs foreign language education, Arab vs Jewish 9th graders, Israel, 19549
socioconstructivist perspective on symbolism in mathematics education, 1st graders, 39190
standard word vs contextualized problems in videodisc instruction, problem solving skills, 9th graders in remedial mathematics classes, 47264
strategy using make believe signifiers, developmental transition between concrete & abstract conceptualization of number, students, 27418
structural model of mathematics achievement & attitudes & outcomes, 10th graders, erratum, 7467
student coping strategies & Vygotskian theory & situated cognition in teaching mathematics, students with learning difficulties, England, 39331
teaching methods for development of fluency with number facts, learning disabled students, 15497
teaching procedural & conceptual knowledge in learning to teach mathematics for understanding, female student teacher, 27370
team accelerated math instruction, achievement, high math achieving 3rd–5th graders, 35298
traditional vs computer assisted instruction, mathematics achievement, freshmen college students, 47155
types of questions asked in addition & subtraction lessons, 1st grade teachers, Japan vs Taiwan vs US, 23584

Mathematics Education—Books

Analysis of arithmetic for mathematics teaching, 3404
The geometric supposer: What is it a case of? Technology in education series, 39240
Problem posing: Reflections and applications, 39239

Mathematics Education—Chapters

Anchored instruction in science and mathematics: Theoretical basis, developmental projects, and initial research findings, 11457
Benefits and costs of research that links teaching and learning mathematics, 31328
Building mathematic skills, 15537
A critical analysis of teaching rational number, 31303
Discovery courses are great in theory, but . . , 39242
Estes' statistical learning theory: Past, present, and future, 386
Generalization in geometry, 39248
Halves, pieces, and twoths: Constructing and using representational contexts in teaching fractions, 31301
Instructional implications of students' understandings of the differences between empirical verification and mathematical proof, 39241
Making sense of numbers in school mathematics, 3420
Mathematical, cognitive, and instructional analyses of decimal fractions, 3412
Mathematical misunderstandings: Qualitative reasoning about quantitative problems, 23574
Overcoming visual obstacles with the aid of the supposer, 39249

Posing problems: One aspect of bringing inquiry into classrooms, 39250
Rational and fractional numbers as mathematical and personal knowledge: Implications for curriculum and instruction, 3414
Research on learning and teaching addition and subtraction of whole numbers, 3409
Semantically constrained exploration and heuristic guidance, 11449
Speaking mathematics, 7443
Teachers' thinking about students' thinking about geometry: The effects of new teaching tools, 39243
Teaching and learning long division for understanding in school, 3416
Using principles from cognitive psychology to guide rational number instruction for prospective teachers, 31306
Word problems: A microcosm of theories of learning, 19438
Mating Behavior (Animal) [See Animal Mating Behavior]
Matriarchy—Books
Oedipus in the Trobriands, 21612
Matriarchy—Chapters
The economic well-being of Asian/Pacific Islander female-headed households: Implications for social welfare policy, 1258
Female-headed African American households: Some neglected dimensions, 45114
Matriculation [See School Enrollment]
Maturation [See Human Development]
Maturity (Emotional) [See Emotional Maturity]
Maturity (Physical) [See Physical Maturity]
Maturity (Vocational) [See Vocational Maturity]
Maxilla [See Jaw]
Maximum Likelihood—Serials
accuracy of likelihood based validity generalization procedure for population correlation & size & proportion estimation in meta analysis, 12092
algorithms for maximum likelihood estimates of parameters in loglinear & loglinear item response theory models, 8112
approximation for bias function of maximum likelihood estimate of latent trait for discrete item responses, 32021
approximation for bias function of maximum likelihood estimate of latent trait for dichotomous item responses, school age children & adolescents, US & Japan, 36019
asymptotic distributions of estimators of communalities for maximum likelihood method in factor analysis, 8109
full information bi-factor analysis item response model, estimation of marginal maximum likelihood, application to psychological & educational test binary response data, 8105
marginal maximum likelihood estimation algorithm for item response theory based ordered partition model, 28142
maximum likelihood estimates for & applications of 1 & 2 factor latent variable models for binary & polytomous variables, 12094
maximum likelihood methods for estimation of multivariate polychoric & polyserial correlations in presence of incomplete data, 12093
maximum likelihood vs marginal estimation methods & simulation vs estimation based model, 20135
modification of product discrimination testing model, maximum likelihood measure of misinformation in repeat trial pick 1 or 2 test, adults, 24243
multiple regression methodology vs maximum likelihood estimation of genetic vs environmental parameters, analysis of twin data, monozygotic vs dizygotic twins, 4554
saturation & factor loadings & sample size & variable to component ratio, effect of overextraction on maximum likelihood factor vs principal component analysis, 20123
scoring algorithm & maximum likelihood estimation in 2 level factor analysis of clustered mathematics achievement data, 8th graders, 24248
Maximum Security Facilities—Serials
maximum security therapeutic community program, recidivism, psychopathic vs nonpsychopathic mentally disordered offenders, 3140
Maximum Security Facilities—Chapters
Maximum security hospitals: Can we do without them?, 42897
Maze Learning—Serials
age & nucleus basalis magnocellularis lesions, maze learning & cortical neurochemistry & morphometry, male rats, 4571
amphetamine vs diazepam vs caffeine vs atropine vs immobilization vs footshock vs forced running stress, maze learning & memory & performance, male rats, 36800
angiotensin II antagonist Dup 753 vs diazepam, antianxiety effects during elevated plus maze task, male rats, 36798
aniracetam, memory enhancement in radial maze performance, female rats, 36827
antiaggressives fluprazine & eltoprazine vs various 5-HT receptor agonists, anxiety & fear related behaviors in elevated maze test, male mice, 28774
application of computer aided proximity index, measurement of spatial learning impairment severity, young vs old rats, 40243
basal forebrain & frontal cortex fiber deafferentation vs nucleus basalis magnocellularis lesion, spatial learning in radial maze task & cortical cholinergic release, male rats, 44377
blocked learned route, spatial goal expectancies & maze path orientation, female rats, commentary on reprint, 12363
blocked learned route, spatial goal expectancies & maze path orientation, female rats, reprint, 12366
caffeine, barpress & maze learning, rats, conference presentation, 44595
cerebral ischemia & CA1 cell loss, spatial learning in Morris water maze, female gerbils, 36499
chronic nicotine, mecamyline & scopolamine challenge to postwithdrawal maze learning & memory facilitation, male rats, 16809
chronic sodium azide, acquisition & retention of Morris water maze task & mitochondrial cytochrome oxidase in platelets, male rats, animal model of Alzheimer's disease, 8868
circadian rhythms, maze performance & activity level, male C57Bl6 mice, 8478
dextrocycloserine or galanthamine, scopolamine induced learning & memory deficits in maze tests, male rats, 40567
diazepam vs ipsapirone vs putative anxiolytic, extracellular 5-HT & 5-HIAA in ventral hippocampus during elevated X-maze behavior, male rats, 21048
domoic acid, hippocampal seizures & convulsions & memory deficits in learning of maze task, rats, 28756
environmental enrichment, frontal vs parietal vs occipital cortical depth & maze performance, prenatally ethanol exposed B6D2F2 male mice, 28789
flumazenil & CGS 8216 & methyl beta carboline-3-carboxylate & diazepam, spatial learning & thigmotaxia in open field, male rats, implications for anxiogenic dissociation, 40624
frontal vs retrorolandic brain lesion, maze learning as measure of mental planning ability, brain damaged adults, 22372
horizontal vs vertical spatial irregularity, radial maze performance, rats, implications for animal exploratory & foraging behaviors, 24536
ibotenic acid lesion of nucleus basalis magnocellularis & noradrenergic depletion, maze task acquisition & memory in spatial navigation, male rats, animal model of Alzheimer's disease, 20567
instrumental responses, memory retrieval of nonreward in T maze trials, male rats, 434
Lashley maze learning deficits & performance improvement, RF vs BXSB vs NZB mice with cortical ectopias & autoimmune disease, animal model of developmental learning disorders, 24640
maze arm incline vs brightness, choice accuracy in radial arm maze performance, male rats, application of signal detection theory, 32291
maze arm length, choice in arm revisitation, male rats, 36324
maze learning & memory deficits, male spontaneously hypertensive 3 vs 12 mo old rats with vs without captopril treatment, 25013
medial septal lesion, T maze acquisition & hippocampal acetylcholinesterase, male rats, animal model of age related cholinergic & memory dysfunction, 28520

memory & conditional avoidance performance in T maze, 4 vs 10–12 mo old Senescence Accelerated vs resistant mice, animal model of spontaneous cerebrocortical atrophy, 40410
methylazoxymethanol induced micrencephaly, premature decline in Morris water maze performance, 6 vs 15 vs 24 mo old rats, animal model of developmental brain damage, 24922
MK-801, NMDA receptor density vs maze performance impairment sensitivity, 3–4 vs 24–25 mo old rats, animal model of aging, 8915
neonatal 5,7-dihydroxytryptamine, maze learning & memory & number of 5-HT neurons of hippocampus vs medial & dorsal raphe nuclei, male rats, 12906
nicotine vs amphetamine vs ZK93426 vs ibotenic vs quisqualic acid lesions of forebrain cholinergic projection system, radial maze performance, male rats, 8985
odor trail cue use vs working memory, water maze learning, female vs male rats, 16448
olfactory & spatial cue dissociation in radial strategies during 4 learning procedures, isogenic BALB/C vs C57BL/6 vs CB6F1 mice, 40255
oxiracetam, spatial memory & maze performance & scopolamine induced amnesia, male rats, 20960
piracetam vs oxiracetam, anxiety during X-maze test, female mice, 16760
postoperative environmental enrichment, adoption of alternatives to visual cues in nonvisual maze learning task, male rats with bilateral occipital lesions, 36343
posttraining 4-OH amphetamine vs d-amphetamine, win-shift radial maze retention enhancement, male rats, 24954
prenatal oxazepam with or without scopolamine vs amphetamine, maze performance & open field activity habituation & nociception & neophobia & muscarinic receptor binding, male mice, 12823
pretest scopolamine, retrieval & memory storage decay in staircase maze procedure, male rats, 32670
radial maze learning & memory in win-shift vs win-stay vs conditioned cue preference paradigms, male rats with electrolytic vs neurotoxic lesions to amygdala vs hippocampus vs dorsal striatum, 24696
reciprocal overshadowing of intramaze &/vs extramaze cues, maze discrimination & food location, male rats, 447
regression for analysis of response paths in maze solving & other tasks, rhesus monkeys, conference presentation, 8133
retention interval & stay vs shift response strategies, spatial memory in radial maze task, nutcrackers, 24542
scopolamine with vs without training to higher criterion of learning, working vs reference memory in radial maze, male rats, 20916
selective breeding for taste aversion conditionability, food reinforced foraging in radial arm maze, taste aversion prone vs resistant rats, 40333
sodium arsanilate induced labyrinthectomy, spatial learning in radial arm maze, male rats, conference presentation, 40397
spatial learning in 3 dimensional maze, rats, 438
spatial mapping memory in maze learning task, alcohol dependent adult males, Australia, test of equiavailability principle, 41711
spatial memory & stereotypy in radial arm maze performance, gerbils, implications for hippocampus lesion masking, 36529
spatial navigation learning & BP, male spontaneously vs renal hypertensive rats, 44527
spatial short term memory performance in 17-arm radial maze analog paradigm, college students, implications for comparative psychology with rats, 28319
stress induced exploratory hesitancy, spatial cue acquisition & maze learning, rats, 24546
unilateral parietal lesions with vs without callostomy, place vs landmark navigation in water maze, rats, 4573
unilateral tetrodotoxin lesion of dorsal hippocampus, lateralization of place navigation in water maze task, male rats, 40361
unnatural amino acids L-threo-DOPS & L-erythro-DOPS, maze learning & brain noradrenaline & metabolite concentration, male rats, 16782
variable interval probe test for repeated measurement of spatial memory, male rats, 39949
vitamin E deficiency vs supplementation, memory & maze learning, male rats, 24905

Maze Learning—Chapters

Aggressive female mice and learning-sensitive open-field parameters, 12350

Maze Pathways—Serials

availability of erroneously chosen 1st choice arm during 2nd choice, spatial delayed matching-to-sample task performance & memory in starburst maze, rats, 24518
blocked learned route, spatial goal expectancies & maze path orientation, female rats, commentary on reprint, 12363
blocked learned route, spatial goal expectancies & maze path orientation, female rats, reprint, 12366
spatial location & extramaze visual cues, choice behavior in radial arm maze, male rats, 44233
sustained nonrandom empty arm visiting in radial maze, nondeprived nonrewarded male rats, extension, 4472

Mazes [See Also Maze Pathways, T Mazes]—Serials

age, Morris water maze assessed spatial abilities, albino Sprague-Dawley vs pigmented Long-Evans rats, 24548
exposure to reinforcer on arms vs center of maze vs no reinforcer during adaptation, win-shift behavior, rats with caudate nucleus lesions, 451
maze running, thigmotactic behavior in circular open field, male vs female mice, 28402
neuropharmacological & neurochemical basis of place learning & memory in Morris water maze, rats, literature review, 32417
novelty vs height cues vs open spaces, avoidance of open arms of elevated plus maze, male rats, 36348
reduced platform interval lighting & pseudorandom platform position, place navigation in water maze, male rats, 436
sensitivity & test reliability & validity of short forms of Morris water maze, reference & working memory measurement of cognitive deficit, 2 vs 16 vs 24 mo old rats, 15873
social interaction & elevated plus maze induced anxiety, GABA & 5-HT uptake, male rats, animal model of anxiety, 44399

Mazes [See Also Maze Pathways, T Mazes]—Chapters

Stimulus control of central place foraging on the radial maze, 469

MDMA [See Methylenedioxymethamphetamine]

Mealtimes [See Feeding Practices]

Mean—Serials

artifactual regression to group means for extreme or other selection attributes in pretest-posttest designs, applications to assessment of educational intervention impact, 20140
comparison of statistical tests for monotonic hypotheses of predicted order of group population means, Monte Carlo simulation data, 20118
comparison of trimmed means in analysis of repeated measures & randomized block designs, 39926
evaluation of alternative methods for computation & estimation of standardized mean difference effect size for meta analysis data, 39923
techniques combining mean & covariation based study of variety of individuals, conference presentation, 36020
validity & interpretation of mean value in psychological experiments, 43880
whole group estimates preceding subgroup or vice versa & grouping of high/low scores in subgroups, Will Rogers Illusion in judgments of group means & social stereotypes, adults, 28134

Meaning [See Also Nonverbal Meaning, Verbal Meaning]—Serials

analysis of J. Conrad's fictional character Lord Jim in terms of meaning of life, 28802
assessment of textbook graphic representation interpretation ability, 10th grade biology students, Israel, 3432
awareness meaning of concept of consciousness, 405
environmental transitions, meaning of objects in person object relationship, 23–28 yr old Chinese postgraduate students, US, 3488
experience frequency & stability & impact, perceived experience significance, formulation of theory of knowledge based affect, 41288

familiarity & aptness & topic vs vehicle priming words, comprehension & figurative activation of metaphors, college students, 20252
frequency & context of text explicit vs implicit idea units & recall of & development of meaning in literacy text, 4th graders in imagery vs traditional reading instruction group, 3351
historical overview of cognitive psychology & absence of self concept & meaning & need for alternative view, implications for humanistic psychology, 20136
Interacting Cognitive Subsystems approach to cognitive therapy, change in emotion through specific & holistic levels of meaning, 34429
interpretation of meaning & responses to teases, adults, application of inferential/strategic theory of social organization of teases, 17486
issues in meaning of biographical research for exploration of professional self, adult female teacher, 19439
literary & phenomenological approach to meaningfulness of dreams & fiction, 16391
manifestation of salience in definitions, 44782
meaning & connectedness of cancer to other life events, 26254
meaning, learning & retention, conference presentation, reprint, 12288
meaning of caregiving, middle aged females caring for older parent with senile dementia of Alzheimer's type, 23090
meaning of relationship narratives in psychotherapy, outpatients, 26450
meaningful life goals, chronically ill, 38117
meanings given to artificial spurs attached to birds during formal vs informal cockfighting as measure of social world, adults, 7715
means & ends in psychology of & search for significance through religion, commentary, 29175
means & ends in psychology of & search for significance through religion, commentary, 29173
means & ends in psychology of & search for significance through religion, 29172
perceived meanings of idioms vs literal paraphrases, college students, 4998
perceived purpose & meaning & leadership style, executives, 39465
personality factors & meaning of money assessed by Money Ethics Scale, college students, Taiwan, comparison with US data, 21557
positive negative asymmetry in category breadth & estimated meaning similarity of trait adjectives, college students, 33261
psychosemantic approach to analysis of individual system of meanings & consciousness, translated article, 37524
relational concepts in imposition of structure & meaning in random analogies, college students, 24403
role of & psychological perspectives on meanings of pay & relationship to work behavior, employees, 7597
role of unit structures in understanding meaning of fractions & implications for teaching, 3rd graders, Australia, 43185
sense based process oriented nested intensional model of belief, 23996
social interactional perspective on meanings of fun vs funny vs fun-of humor & laughter, 13410
soundness of prototype paradigm assumptions within cognitive science of core meanings referring to basic level, 24008
specific meaning & positive nature of life events, females with clinical depression or anxiety disorders, England, longitudinal study, 41464
storage & retrieval & meaning of adjectives across languages, bilingual vs monolingual 16 yr olds, Hungary & Czechoslovakia, 888
teleology based on bisexuality, meaning for suffering, paranoid patients, 29675
theory of tone semantics & perceptual meaning in musical context, application to neural networks based pattern recognition, 24342
thermodynamic energy model of psychophysical processes in affective meaning, conference presentation, 40501
transgenerational development of meanings attributed to chronic illness, parents & family members of 3 yr old with cystic fibrosis, 30070
word frequency & visual similarity & pattern masking, role of phonology in access to meaning & RTs & errors in semantic categorization of Kanji homophones, Japanese speaking 19–35 yr olds, UK, 32178

Meaning [See Also Nonverbal Meaning, Verbal Meaning]—Chapters

Aging, morale, and meaning: The nexus of narrative, 21314
Alternative knowledge sources in explanations of racist events, 1254
Contexts of meaning and conceptual integration: How children understand and learn, 9207
On the social construction of distinctions: Risk, rape, public goods, and altruism, 37257
Religiosity, meaning in life, and psychological well-being, 21570
Representing meaning using microfeatures, 19871
The structure and function of gift giving in the patient–nurse relationship, 11232

Meaningfulness—Serials

assimilation theory & epistemological processes in meaningful learning & concept mapping & Vee heuristic in knowledge construction, 44099
concrete vs abstract word pair of similar meaning, perceived concreteness vs emotionality vs meaningfulness vs length & imagery, college students, Spain, 9034
generation of intertextual links & meaning making during reading of 5 passage tableau, high school students, 926
imagery & concreteness & emotionality & meaningfulness of concrete & abstract words with similar meanings, college students, Spain, 301
imagery & concreteness & meaningfulness, perceived emotionality of words, college students, Spain, 9035
meaning & fulfillment in life, 63–88 yr olds, nursing implications, 21285
meaninglessness in industrial society & logotherapy applications, 37244
personal relevance & self monitoring, emotional reactions & behavioral intentions, consumers, 3773
phenomenological analysis of patterns of lived experience & shared meaning, female 26–48 yr old survivors of childhood incest, 33769
prior beliefs, covariance judgments of meaningful data, college students, 13476
reliability & validity of Life Regard Index, measurement of life meaningfulness, 18–88 yr old distressed & normal college students & other adults, 24075
role of mind in meaningful human activity, 20190
seropositive diagnosis, life value & purpose & meaning, gay male HIV infected 20–55 yr olds, 26242
stimuli meaningfulness & repeated exposure, mere exposure effect with emotional responses for stimuli with durations below threshold of recognition, college students, replication, 36267

Measurement Error [See Error of Measurement]

Measurement [See Also Related Terms]—Serials

adaptation & validity of Bar Ilan Picture Test for Children, assessment of affective reactions & coping during threat of missile attack in Persian Gulf War, 4th–5th graders, Israel, 39758
Adult Attachment Interview vs Krohn Object Representation Scale, assessment of mental representations of mother infant attachment, pregnant adolescent females, 15 mo postnatal followup, 27978
advantages & disadvantages in use of Barthel Index vs Functional Independence Measure, assessment of activities of daily living, implications for occupational therapy, 39823
advantages of biopsychosocial model in psychiatric consultation & multidimensional indices in assessment of health related quality of life, patients with inflammatory bowel disease, 23010
affective & cognitive & instrument characteristics of self report measures, reliability of assessment of subjective well being & life satisfaction, college students, 27983
agreement with parent ratings on Child Behavior Checklist, referred female vs male 12–16 yr olds, 12023

AIDS patient care intentions, appropriateness of AIDS knowledge scale & univariate ANOVA, nursing students, commentary reply, letter, 39098
alternative assessment techniques & subsequent intervention in mainstream settings, disabled preschoolers, 41414
ambulatory BP monitoring in behavioral medicine, 42537
applicability of American instruments, assessment of evaluation of teaching effectiveness, college students, Philippines, 8072
applicability of Charing Cross Health Indicator, assessment of distress & disability & quality of life, adults with mental disorders, England, 12027
application of ethnographic research methods to occupational therapy assessment & clinical practice, 35059
application of Rasch scaling model to early childhood assessment, implications for early intervention with disabled children, 189
application of receiver operating characteristic methods, assessment of instruments' validity in prediction of relapse, stabilized schizophrenic patients, 4070
approaches to utility measures of health related quality of life, patients with rheumatic diseases, 39866
assessment & nature of insight, 18–65 yr olds with mixed psychoses, England, application to patients in Singapore, commentary, letter, 41609
assessment & nature of insight, 18–65 yr olds with mixed psychoses, England, 17793
assessment methods for personality disorders, conference presentation, 33713
assessment of advertising effectiveness for contribution based compensation, advertising agencies, 7753
assessment of affective processes & attributional style & expectations, prediction of smoking motivation & role of stress, 17–52 yr old smokers vs nonsmokers, 5490
assessment of comparator function in phonological awareness, 12960
assessment of phonological working memory, 3 yr olds, England, 43704
assessment of play & leisure, occupational therapy clients, 31030
assessment of psychomotor skills, hearing impaired children & youth, literature review, implications for physical education, 6429
assessment of self injurious behavior, patients with developmental disabilities, 33925
assessment program for college competency based communication core curriculum, faculty, 7396
assessments of simple vs instrumental activities of daily living in occupational therapy, 31034
behavioral & psychophysiological measures, assessment of workplace health & prevention of occupational diseases, employees, 1531
beliefs about admission & construction & reliability & validity of instrument, assessment of attitudes & social norms & expectations & prior experience, parents of neonates in intensive care unit, 16037
biologic & family study validators of personality disorder assessment, 33719
chaos & multivariate theories, methodologies & other issues in assessment of depression, 5823
choice of criteria in development of accurate selection composite using hands on job performance & knowledge & vocational aptitude measures, 1st term Marines, 12070
classical measurement vs item response vs generalizability theory based analysis of responses on Generalized Contentment Scale, college students & psychotherapy patients, social work implications, 38885
clinical & public health policy perspectives on & shortcomings of instruments in functional assessment of communication, aphasic patients, Australia, commentary, 28028
clinical & public policy perspectives on & shortcomings & reasons for limited development of instruments in functional assessment of communication, aphasic patients, commentary, 28002
clinical & public policy perspectives on & shortcomings of instruments in functional assessment of communication, aphasic patients, 28003
clinical & public policy perspectives on & shortcomings of instruments in functional assessment of communication, aphasic patients, commentary reply, 28004
clinical & public policy perspectives on & shortcomings of instruments in functional assessment of communication & implications for therapy, aphasic patients, commentary, 28017
cluster analysis of Child Behavior Checklist & development of classification system, male 6–11 yr olds with behavior disorders, 17909
cognitive processes in responding to functional status questions & possible errors in health surveys, under 65 to over 85 yr olds, 43812
cognitive vs affective based job satisfaction measure, organizational citizenship behavior, business employees & managers, 47411
color matching vs imaging retinal densitometry, measurement of cone photopigment distribution, male 21–55 yr olds, 24669
competency based training, assessment of interviewing skills in child sexual abuse cases via simulated interview vs Stevenson Skill Evaluation Tool, social workers, 11260
component structure of responses on Conflict Tactics Scale, assessment of dating aggression, college students, 15915
computer administered CAGE vs JELLINEK vs Alcohol Use Disorders Identification Test vs Short Michigan Alcoholism Screening Test, response time, 19–75 yr olds in DWI program, conference presentation, 39806
computerized sentence verification technique, assessment of language comprehension, 21121
concept & measurement of quality of life in oncology treatment & palliative care, 22896
concepts in & measurement of trends in racial & sexual occupational inequality, 1950–89, 7678
conceptual & methodological developments in criteria measurement in industrial organizational psychology, 1917–92, 15567
conceptual framework of objective & subjective attributes & income & other quantitative indicators in measurement of financial well being, 5308
concurrent & discriminant validity of Gordon Diagnostic System, male 6–13 yr olds with vs without attention deficit hyperactivity disorder, 24162
concurrent validity of geriatric depression scale & Self-Rating Depression Scale, 64–90 yr old primary care patients, 35923
concurrent validity of Screening Test of Adolescent Language, recent Asian immigrants with limited English & other medical students, 3987
concurrent validity of staff reported Child Behavior Checklist, severely emotionally disturbed adolescents in residential treatment centers, 31930
concurrent validity of Star Counting Test, assessment of attentional regulation of working memory, college students, Netherlands, 39739
confirmatory factor analysis & construct validity coefficients for parenting & family interaction scales of 4 measures, Hispanic vs Anglo American 8–14 yr olds vs their mothers, 11939
confirmatory factor analysis by LISREL for computation of reliability coefficients under different measurement model assumptions, 24250
confirmatory factor analysis of measurement equivalence in caregiver reaction assessment, caregivers of elderly with cancer or Alzheimer's disease or physical impairments, 7924
construct score approach to social competence assessment, handicapped & nonhandicapped children, 9744
construct validity & interrater reliability of human energy field assessment form, patients with chronic pain, 8029
construct validity & other psychometric characteristics of Job Descriptive Index & other inventories, assessment of job satisfaction, employees, 8076
construct validity & wording of multidimensional measures of career decidedness, college students, 12076
construct validity of brief current form of Parental Bonding Instrument, assessment of perceived parental styles & correlation with self concept, adolescents, 15902

construct validity of common instruments, assessment of individual differences in holistic analytic dimension of cognitive processing, college students, 7940
construct validity of Gregorc Style Delineator measure of learning style & relation to Myers Briggs Type Indicator personality score, college students, 7942
construct validity of self report sexual aggression measurement methods, male college students, research review, 15971
construct validity of states of mind categories, association between assertive behavior & cognitions, female college students, 19992
construct validity of strength & endurance physical ability test events, physical performance in job, police officers, 12068
construct validity of telephone administered version of Mini-Mental State Examination, assessment of cognitive impairment, 65 yr olds & older referred to geriatric assessment center, 4126
construct validity of two versions of Simulation of Interactive Decision Making group test, assessment of teacher competency, teachers & students & adults, 43836
construct validity of Ways of Coping Checklist vs Cybernetic Coping Scale, measurement of coping with stress, MBA students, implications for job stress research, 39890
construction & psychometric aspects of Functional Behavior Profile, caregivers of 53.8–85.4 yr olds with Alzheimer's disease, 43794
construction & reliability & validity of Parental Stressor Scale: Neonatal Intensive Care Unit, assessment of stress of physical & psychosocial environment of intensive care unit, 13–41 yr old parents, 43778
construction & validity of Oscar Test, assessment of retrograde amnesia, 55–82 yr olds with organic amnesia, 31867
construction of Assessment of Strategies in Families-Effectiveness scale, adults, implications for family care nurses, commentaries & reply included, 7917
content & construct validity & interrater reliability & internal consistency of Kitchen Task Assessment, measurement of cognitive ability, 53.8–85.4 yr olds with senile dementia of Alzheimer's type, 31864
content & construct validity & reliability of affective quality of life instrument, college & graduate students, Canada, 8066
content validity of Clark-Madison Test of Oral Language, assessment of nonwritten expressive language, severely hearing impaired vs normal 4–11.8 yr olds, 31899
continuous response digital interface & measurement of perception of musical tension, advanced musicians vs nonmusicians, replication, 36270
convergent & discriminant validity of measures of health & physical & cognitive functioning, elderly, 24044
convergent & divergent validity of heart rate based response discrepancy scores vs self report stress induced negative affect measures, assessment of denial, male college students, 20000
convergent & divergent validity of inferences from reader vs text based structure vs coherence vs quality measures for written composition, 6th graders, 43838
correlation of collected item pool from anxiety scales with self rated Zung Anxiety Index vs Rand Depression Screener, anxiety disorders vs medical patients, 28000
correlation of standardized patient checklist & written question scores in clinical encounter performance based exam, medical students, 28075
cross cultural perspective on measurement of life stress events & etiology of PTSD, 17859
cross validation of M. Lewis & L. Michalson's measurement system for assessment of emotions, 24–39 yr olds, replication, 43703
cultural & measurement issues in Personal Resources Questionnaire Part 2, assessment of social support, 15–69 yr old Navajo females, 7953
cultural factors in & practical efficacy of psychological diagnostics & tests, translated article, 35784
definition of & assessment recommendations for quantitative sensory testing of cutaneous perception, 43950
Depression Adjective Checklist & Multiple Affect Adjective Checklist-Revised, assessment of affect in organizational settings, employees, 19709
design of Youth Evaluation Services assessment & case management program, adolescents with alcohol or other drug related problems, 23221
desirability & usefulness of subjective vs objective measures of speech language pathology clinical performance, female graduate student clinicians vs supervisors, 3180
determinants & measures of quality of life & role in palliative care interventions, terminally ill patients, 20078
development & application of quality of life measures to chemotherapy delivery, 18–78 yr olds with breast or other cancer, 22898
development & construct validity of parenting locus of control measure, mothers, 7958
development & evaluation of case finding instrument, detection of eating disorders, female 16–35 yr olds, England, 27997
development & evaluation of social competence, 1–6 yr olds, literature review, 35838
development & factor & item response theory analysis of hierarchical Tufts Assessment of Motor Performance, 5–79 yr olds with neurological or musculoskeletal disorder in rehabilitation, 27965
development & factor analysis of Caregiver Reaction Assessment, spouse vs nonspouse caregivers of patients with Alzheimer's disease vs cancer vs physical impairments, 4136
development & factor analysis of Keeping Your Options Open Scale & correlation with sensation seeking, 18–56 yr olds, 15921
development & factor structure of brief current form of Parental Bonding Instrument, assessment of perceived parental characteristics, adolescents, 15901
development & factor structure of multidimensional measurement model, assessment of organizational & subjective religiosity & religious beliefs & life satisfaction, 55 yr olds & older, 35829
development & interrater reliability & internal consistency of Recovery Attitude & Treatment Evaluator-Clinical Evaluation, adult inpatients at chemical dependency treatment unit, 31921
development & psychometric assessment of Automated Performance Test System, college students, 11948
development & reliability & validity of cardiac diet vs exercise self efficacy instruments, 22–79 yr old cardiac rehabilitation participants vs marathon runners, 16035
development & reliability & validity of Assessment Schedule for Altered States of Consciousness, adults, 3967
development & reliability & validity of Nursing Stress Index, nurses, Nigeria, 16068
development & reliability & validity of Patient Satisfaction Interview, patients in partial hospitalization program, 35879
development & reliability & validity of Role-Efficacy Belief Instrument, assessment of beliefs toward leadership role in sexuality curriculum development, curriculum coordinators, 150
development & reliability & validity of Youth Depression Adjective Checklist, emotionally disturbed vs nonreferred 11–17 yr olds, 20021
development & reliability of Health Norms Sorting Task, assessment of beliefs about good health, patients with hypochondriasis, 43803
development & reliability of Retrospective Assessment of Traumatic Events rating instrument, evaluation of childhood trauma & abuse, 19–40 yr old females with severe personality disorder, 4057
development & reliability of Suicide & Aggression Survey, assessment of suicidality & violence & aggression risk, adolescent & adult patients, 15962
development & standardization & psychometrics of Transition Competence Battery for Deaf Adolescents & Young Adults, assessment of vocational & independent living skills, deaf 18–19 yr olds, 70
development & validation of Bayesian classified EP based memory assessment, college students, 12033

development & validity & interrater reliability of client behavior system, assessment of client behavior during counseling & therapy, psychologists, 4062
development & validity & reliability of instrument measuring cognitive domain of quality of student life in faculties of education, education students, Canada, 35276
development & validity & reliability of Alcoholism Intervention Performance Evaluation, assessment of alcohol abuse inteviewing & intervention skills, clinicians & simulated patients, 100
development & validity of Nursing Severity Index, assessment of admission severity of illness based on nursing diagnoses, hospital patients, 1985–1988, 15977
development & validity of Occupational Self-Efficacy Index, middle aged & elderly, 16067
development & validity of Physical Disability Index, assessment of physical performance, frail 60–98 yr olds, 31954
development of assessment technique for interaction of work & love in adult life, 20–62 yr olds, implications for intervention & life review, 37144
development of Asthma Symptom Profile, assessment of phasic changes before & after bronchodilator with ipratropium bromide, adults with asthma, 43813
development of Bernese Coping Modes instrument, assessment of variability & stability of coping over time & situation, female breast cancer patients, Switzerland, 3–5 yr study, 43811
development of certification examination in addictive disorders medicine, physicians, 27236
development of foreign language listening comprehension proficiency test, 39878
development of general work commitment index, MBA students & nurses, 39887
development of hand skill measurement, school age children & college students, England, 21162
development of instrument & internal consistency & stability & validity of subscales, assessment of pain intrusion & accommodation, veterans with chronic pain, 39808
development of instrument, assessment of injury prevention health beliefs & social influence perceptions, 17–36 yr old mothers of 1–3 yr olds, 12054
development of measurement & interpretation procedures, assessment of behavior state patterns, 2.4–19.7 yr old students with severe & profound multihandicaps, 35963
development of Moreno Social Atom Test-Revised, assessment of interpersonal networks, patients & other adults, 15985
development of Visual Assessment Procedure-Capacity Attention & Processing Test, assessment of visual functioning, visually impaired 3 mo to 4.5 yr olds, Australia, 27964
development of Visual Neglect Recovery Index, patients with right vs left hemisphere acute stroke & visual neglect, 0–6 mo followups, 135
development of Warwick Symbolic Play Test, normal 14–72 mo olds, implications for use with delayed childhood language &/or play development, 11966
developments in assessment & diagnosis of autism, 1989
diagnostic feedback testing model for assessment of foreign language learning, 24042
diagnostic measures of language impairment, 17–25 yr olds, implications for pedigree construction, 2104
diagnostic specificity of brief measure of family expressed emotion, 6–11 yr olds with psychiatric disorders & their parents, 20055
diagnostic utility of clinic based Matching Familiar Figures Test vs Continuous Performance Test, 6–11.9 yr olds with attention deficit hyperactivity disorder, 20026
differentiation of mental representations using S. Blatt's system with Rorschach vs role playing test, normal vs paranoid vs nonparanoid schizophrenic adults, 41579
difficulties in & validity of interviewing, institutionalized elderly, 28027
dimensionality & construct validity of Maslach Burnout Inventory & relation to occupational stress & social support & job satisfaction, FAA employees, technical report, 8083
direct vs indirect measures of written language abilities, male vs female college students with learning disability in writing vs other area, 8013
discriminant ability of human figures drawing vs Louisville Behavior Checklist, sexually abused vs clinic referred vs normal 6–12 yr olds, Australia, 31869
discriminant validity of anxiety measures, male 5–17 yr olds with anxiety vs attention deficit hyperactivity disorder, 15969
discriminant validity of measures, assessment of job satisfaction vs positive vs negative affectivity, VA medical center employees, erratum, 39883
discriminant validity of measures, assessment of job satisfaction vs positive vs negative affectivity, VA medical center employees, 4158
distinctions between diagnostic classification & description & measurement, schizophrenic patients, 29715
divergent thinking tests & assessment of creative ideation, children, literature review, 34
dynamic assessment of word recognition & comprehension & other reading abilities, 15876
dynamics & assessment of partisanship, US & other electoral systems, 5434
efficacy & utility of Defense Mechanism Test in clinical & personality research, 8000
efficiency of instruments in prediction of initial child abuse & primary prevention, 13896
equivalency of forms of Set 1 of Depression Adjective Check Lists, adolescents vs adults vs elderly, 43735
everyday reading & writing practice, normal 45–75 yr olds & older, UK, implications for aphasia assessment, 28264
eyewitness suggestibility effect in verbal vs visual recognition memory test, college students, legal implications, 39679
factor analyses of Klein Sexual Orientation Grid, heterosexual vs homosexual & bisexual males, 31856
factor analysis of Chinese version of Purpose-in-Life Test, assessment of life meaning & quality & correlation with psychological well being & psychiatric symptoms, college students, China, 39824
factor analysis of mood items, 13–18 yr olds, 3989
factor analysis of principle assessment components of pain experience & emotional functioning in self report measures, chronic pain patients, 24143
factor structure & internal consistency of Social Interaction Self-statement Test, assessment of social anxiety & psychological distress, college students, 24089
factor structure & reliability & validity of Physical Self Perception Profile, college & postgraduate students, England, comparison to US data, 39782
factor structure & reliability & validity of Revised Memory & Behavior Problems Checklist, geriatric patients with dementia & their caregivers, test appended, 15983
factor structure & stability of Revised Fear Schedule for Children, Black vs White 6–12 yr olds, 35833
factor structure for Maslach Burnout Inventory, business firm employees, replication of work of R. T. Golembiewski et al, 4163
factor structure of brief positive & negative affect measures, young adults vs middle aged vs elderly, 28
factor structure of Charles F. Kettering School Climate Profile, 10th–12th graders & administrators & teachers, 24214
factor structure of cognitive RT & perceptual speed & card sorting measures, 58–73 vs 18–33 yr olds, implications for speed hypothesis, 43699
factor structure of Inventory of Personal Investment, assessment of work motivation & self concept, 18–79 yr old workers, Japan vs US, 163
factor structure of Life Satisfaction Index, Black vs White male vs female 65 yr olds & older, 31847
factor structure of measures of competency to stand trial, forensic defendants, 7989
factor structure of Modified Mini-Mental State Examination, cognitive screening, 71–97 yr old nursing home residents, 28031
factor validity & structure & norms of Aberrant Behavior Checklist & effect of S characteristics on subscale scores, mentally retarded 6–21 yr olds, 4071
factorial validity & reliability of Dutch version of Resistance Toward Hypnosis Scale & Phenomenology of Consciousness Inventory, 15–61 yr old psychiatric patients, Netherlands, 43783

factorial validity of lifestyle & social maturity measures, 11–20 yr olds in drug abuse prevention program, 4135
factorial validity of Test of Attentional & Interpersonal Style subscales, college students, implications for sport psychology, conference presentation, 7944
Fear of Cancer Index, distress over possible cancer symptoms, 18–83 yr olds living near hazardous landfill, 20018
feasibility of development of short version of Task Oriented Assessment portion of Bay Area Functional Performance Evaluation, 14–70 yr old psychiatric patients, 24140
feasibility of Egna Minnen Betraffande Uppfostran, assessment of recollections of parents' childrearing behavior & styles, 7–12 yr olds, Spain, 31823
forensic psychiatric evaluation of psychophysiological measures, claimants with PTSD, 35740
formula for determination of power attainable in 2-sample tests with sample of limited size, application of J. Cohen's tables, 28128
framework for validity evaluation of & approaches to assessment of professional competence, health professionals, 31181
free elicitation vs response scale measures of feelings & judgments evoked by TV advertisements, college students, 3784
G. Hofstede's Value Survey Module, measure of cross cultural differences in organizational commitment, employees, non-US countries, research review, 27690
generalizability & convergent & discriminant validity of Simulated Social Interaction Test, 18–56 yr olds with social phobia, Netherlands, 15965
goal attainment scaling, evaluation of clinical change, occupational therapy clients, 31809
goals & process & role of health care providers in multidimensional clinical assessment & measurement of pain, patients, 2809
guidelines for conceptualization & measurement & testing & development of theory of international norms & their effects on state behavior & military conflict, 13220
guidelines for selection of clinical measurement methods, assessment of diagnosis & severity of mental disorders, 43743
health status measurement in asthma research, conference presentation, 34058
high response threshold, total scores on Lovibond-Rapaport Object Sorting Test, parents of schizophrenic patients, 5866
historical analysis vs current evaluation procedures in hard systems, assessment of user centered approaches to requirements capture, employees, 3824
historical influences of vocational guidance & psychometric & mental hygiene & Rogerian traditions, counseling psychology assessment methods, 8
history & educational psychology's conceptualization of educational & psychological test validation, conference presentation, 8062
Home Observation for Measurement of Environment, prediction of intelligence over & above SES, Black vs White 3 yr olds, 31824
humanistic approach to principles & practices of & graduate training in individualized psychological assessment, 27237
identification & selection & utilization of outcome measures in psychiatric clinical trials, 10451
implicit perceptual vs conceptual vs explicit memory test dissociation, measurement of priming, college students, Japan, 36224
importance of sensitivity to change in outcome measures used in nursing intervention evaluation studies, 30775
indifference of indicator & vehicles of general factor in mental ability tests, 7914
individual consistency & overall trends in community based ethnographic drug use reports, male vs female 19–57 yr old drug users, 2 mo study, 12004
individual differences in response to hypoxic testings, assessment of nonspecific resistance, 20–48 yr old healthy males & mountain climbers, 12632
inflight vs postflight probing time, Subjective Workload Assessment Technique, 44–58 yr old commercial airline pilots, 8078
instrument for delineation of personal support networks, 20–72 yr olds, Netherlands, 31814
instruments & methodologies & strategies in assessment of interpersonal functioning in counseling & psychotherapy, clients, 110
intensive vs naturalistic measurement of stress & coping & mood, 21555
interactive computer animation method vs McGill Pain Questionnaire, pain assessment, 26–86 yr old pain patients, Scotland, 43785
intercorrelations & convergent & discriminant validity of cognitive & symptomatic measures, depressed 18–69 yr olds, 4074
internal consistency & construct validity of 3 measures, assessment of organizational power & use of influence tactics by supervisor, college students, 28108
International Diagnostic Checklists, enhancement of ICD-10 psychiatric diagnoses, 43767
interrater & test retest reliability & validity of behavior checklists, assessment of behavior problems as stable traits, low birth weight premature 2 yr olds, 1 yr followup, 11946
interrater consistency & coding accuracy on Family & Disabilty Assessment System, assessment of family characteristics & adjustment, patients with epilepsy & multiple sclerosis & brain injury, 34179
interrater reliability & validity of self administered joint counts, assessment of pain & disease severity, patients with rheumatoid arthritis, 39793
interrater reliability among special education vs regular teachers vs mental health professionals on Revised Behavior Problem Checklist, assessment of deviance, conduct disordered 12–18 yr olds, 31967
interrater reliability of & training on & experience with Functional Independence Measure, assessment of inpatient burden of care & activities of daily living, occupational therapists, 31878
interrater reliability of modified CORE index, assessment of melancholia, patients, 35891
interrater reliability of Role Relationship Model Configurations, assessment of recurrent maladaptive interpersonal behavior, 20–35 yr old females with pathological grief, 39807
interview vs Conflict Tactics Scale vs written self report, assessment of physical aggression toward wives, couples in marriage counseling, 94
Inventory of Interpersonal Problems, assessment of dysfunctional patterns in interpersonal interactions & attachment styles, patients in brief dynamic psychotherapy, 43769
issues in & importance of selection of measures for human factors research, 7777
issues in & techniques for measurement of opioid analgesic induced side effects, children with postoperative pain, 2822
issues in clinical cognitive assessment & self statement methods, 36 yr old female & 23 yr old male clients, 31903
issues in clinical cognitive assessment & self statement methods, 36 yr old female & 23 yr old male clients, commentary, 31881
issues in development of general ability test, Army personnel, application of 3 factor model of intelligence, technical report, 31992
issues in developmental career assessment & counseling, 3633
issues in psychological testing, 31800
issues in quality of life assessment in palliative care, cancer patients, 20077
issues in standardization of psychometric tests, blind children, 35893
item & factor analysis & validation of 12 item derivative of Mini-Mental State Examination, assessment of cognitive impairment, 54–99 yr olds, Norway, test appended, 11929
item construction & psychometric models for constructed responses format in measurement of complex & dynamic response processes, 31947
item response frequency & factor structure & reliability of university counseling center intake problem checklist, clients, 31907

Kiddie Infant Descriptive Instrument for Emotional States, assessment of affective expression, 2–4.6 yr olds with pervasive developmental disorder, 108
latent construct structure of self report measures of psychological functioning & distress, young adults, 35866
leisure interests & stress, high school vs college students, implications for development of short version of Leisure Interests Checklist, 25203
limitations of & alternative to unidimensional scale of merit in assessment of cognitive functions & intelligence, 3956
linguistic measure & proficiency, linguistic tradeoffs in imitated vs spontaneous speech, 6–9 yr olds with language learning vs reading disabilities, 14051
Love Scale components & lovestyles, assessment of nature of romantic love, 16–17 yr old females, Great Britain, 27968
measurement & challenge type & sample characteristics, detection of Type A BP response, 40–64 yr old asymptomatic males, 20746
measurement & dynamics of party identification, test of revisionist model, 5437
measurement & management of brand value, consumers, 7734
measurement & usage of term behavioral phenotypes & relation to autism & other genetic disorders, 2004
measurement model of religiosity incorporating antecedents of organizational & nonorganizational & subjective religiosity, Black American 55 yr olds & older, 17274
measurement of change following family therapy & issues in model choice & self report vs observation & scoring mean divergence, family practice clients with 12–19 yr olds, 83
measurement of coping responses, females with breast cancer, 6320
measurement of heart rate & respiration in effort & mental efficiency in applied settings, 16697
measurement of level of abstraction in science textbooks, 19483
measurement of social adjustment & support as components of social well being, 31805
measures & dimensions & effects of changes in parental situation during early childhood, 0–17 yr olds, 1104
Medical Compliance Incomplete Stories Test, prediction of medical compliance & moderating variables, hemophiliac male 8–18 yr olds, 4050
Mental Information Processing & Neuropsychological Diagnostic System computerized test battery, diagnosis of psychological & neuropsychological health, conference presentation, 7992
meta interpretative reliability of computer based test interpretation on Karson Clinical Report, psychologists, 20027
method for assessment of duration of posttraumatic amnesia, 2–15 yr olds with brain damage from closed head injury, Netherlands, 18401
method for calculation of probability of population density index, assessment of physical crowding, 8118
methodological & psychometric inadequacy in assessment of coping reactions & relation to health & personality, 24090
methodology for measurement of emotional & heart rate reactivity to stress in daily life, male 18–30 yr olds, 20739
methods for maximization of discriminant validity of phallometric testing, male community volunteers vs non-sex offending psychiatric patients vs rapists vs child molesters, 11936
methods for rating severity of trichotillomania, 33561
microcomputer based videodisc assessment of social skills, special education elementary school students, 11551
misuse & misinterpretation of psychological tests in forensic settings, alleged perpetrators & victims of sexual abuse & other offenses, conference presentation, 27852
multidimensional view of medical disorders vs global view of treatment outcomes in quality of life assessment, patients with chronic disorders, 31950
Multiple Vigilance vs Multiple Sleep Latency Test vs Stanford Sleepiness Scale ratings, assessment of daytime sleepiness & other sleep disorders, patients with sleep apnea, conference presentation, 41954
N. Weiner's contributions to measurement theory, 178
neurologic & neuropsychological & psychosocial & road test aspects of driving ability assessment, 70–74 yr olds with dementia or probable Alzheimer's disease, 18386
neuropsychological & psychometric tests, assessment of cognitive impairment & diagnosis, patients with Alzheimer's disease, 20067
noncontinuum vs continuum measures, assessment of eating patterns & disorders, female college students, 2 yr study, 31885
normative data for & validity of Visual Spatial Learning Test, assessment of memory, 56–97 yr olds with vs without dementia, 12014
norms on Children's Motivation Analysis Test, male vs female 10–13 yr olds, Zimbabwe, 35819
Nowicki Strickland Locus of Control Scale for Children vs Nowicki Duke Preschool Primary Internal External Control Scale, 7–17 yr olds, commentary & reply included, 7931
nurse administered mental status assessment, elderly patients, 23001
Nursing Dilemma Test, measurement of level of moral reasoning, nurses in critical care units, 11931
objective measures vs subjective ratings of daytime sleepiness & CNS performance, healthy 19–25 yr olds, 32263
Offender Profile Index, court determination of treatment assignment vs urine monitoring & needs assessment, under 17 to over 40 yr old drug involved offenders, 46975
operational definition of fear, prediction & measurement of fear of crime, 15 yr olds & older, 7925
optimal digital filter application to brain ERP long latency components, 35933
pain assessment & interpretation, elderly, 22204
perceived ratings of quality of life items & development of preliminary assessment tool, 7–12 yr olds vs their parents, implications for chronically ill children, conference presentation, 29
perceptions of illness severity, Ngawbere households, Panama, implications for cross cultural analysis & operationalization, 37579
perspectives on perceptual influences of colored paper during pen & paper tasks, 31802
perspectives on usage & interpretation of max r statistic in psychometric reanalysis of psychological scales, 32022
phonologically sensitive vs nonsense word decoding tests, diagnosis, dysphonetic vs nondysphonetic 9–12 yr olds with dyslexia/special reading disability, 11993
physical & psychological & social variables in psychosocial evaluation in occupational therapy, 31029
play arousal & sex typed play & activity level, prediction & measurement of later rough & tumble play, 9 mo olds assessed through 1st grade, 37143
practice guidelines for use of Multiple Sleep Latency Test in diagnosis of sleepiness disorders, 107
pragmatic assessment instrument, adults with aphasia, 28013
predictive validity & test retest reliability of Anxiety Sensitivity Index, assessment of panic attacks & disorders & anxiety sensitivity & disorders, college students, 3 yr followup, 91
predictive validity of neonatal medical index, assessment of mental & motor development, preterm low birth weight infants to 3 yr olds, 35827
prevalence of psychiatric disorder as assessed with Geriatric Mental State & automated Geriatric Examination for Computer Assisted Taxonomy vs recognition by home care staff, 65 yr olds & older, 27996
principal components analysis of Counselor Reaction Form, scale development, psychologists vs psychotherapy practicum students & university counseling center clients, 27924
probability scheme for assessment of test based discriminations & base rates & relation to discriminant validity of clinical tests, 43756
probe flash vs contrast cancellation technique, measurement of achromatic & chromatic afterimages, Os, 24306
problems in mental status & neuropsychological testing, Hispanic 65 yr olds & older, 31900
problems in prediction & assessment of competence, medical students & practitioners, 31111
problems with consent to use & application of portable sleep monitors, nursing home residents, 46863

procedural validity of Standardized Polyvalent Psychiatric Interview, multiaxial assessment of psychopathology & somatic disturbance & social problems & supports & premorbid personality, outpatients, 39812
process dissociation procedure, assessment of conscious recollection vs unconscious influences of memory, college students, 36166
prognostic power of brief measure of parent & family expressed emotion, prediction of 1 yr posthospitalization outcome, 7–14 yr old inpatients with depressive disorders & their parents, 20016
properties of functional ability & health status instruments, patients with chronic arthritis, 39869
psychological assessment & intervention in schizophrenia, annotated bibliography, 29679
psychological assessment & planning of individualized treatment, alcoholic patients, 21973
psychometric & laboratory treatment & identification measures, alcoholic patients, research review, 31862
psychometric & other aspects of assessment with sexually anatomically detailed dolls, sexually abused children, research review, 33747
psychometric evaluation of Auditory Imagery Scale, assessment of auditory imagery & correlation with visual imagery, 16–82 yr olds, Scotland, 19967
psychometric properties of cognitive section of Cambridge Examination for Mental Disorders of the Elderly, 58–89 yr olds with vs without mild to severe dementia, 43771
psychometric properties of sociometric peer nominations & utility for social competence assessment, preschoolers, 37106
psychometrics of Disability Rating Form, therapists rating severely mentally ill 20–74 yr olds, erratum, 31888
psychometrics of Disability Rating Form, therapists rating severely mentally ill 20–74 yr olds, 85
psychometrics of Positive & Negative Affect Schedule, assessment of subjective well being, over 72 yr olds, 27975
psychophysiological approaches to & instruments for assessment of cancer pain, terminally ill patients, implications for pain control, 22305
qualitative & quantitative psychometric standards for organizational consultation assessment & evaluation instruments, 39738
qualitative vs quantitative approach, assessment of satisfaction with outpatient psychiatric services, clients, 42732
quality & reliability of Matrix Analogies Test-Short Form, assessment of nonverbal reasoning ability & relationship to school achievement, 6–12 yr olds, Japan, comparison to US vs Canada, 35840
quantitative assessment of unconscious communication in psychotherapy, female clients, 34344
questionnaire form, measurement of attitudes &/vs behavior toward preventive medicine, general practitioners, 11928
questionnaires & interviews in multiple measurement issues in research on sexual behavior & HIV & AIDS risk, young adults, 26225
Rasch analysis approach to solution of measurement related problems in functional assessment, occupational therapy implications, 31804
Rasch model, analysis of oral examinations &/or measurement techniques, medical specialty candidates, implications for occupational therapy, 31806
rater characteristics, rating on Checklist of Psychotherapy Transactions-Revised, 32–78 yr olds in brief psychotherapy & college students, conference presentation, 39813
reading ability & other contaminants & factor structure & construct validity of Externalizing & Internalizing scales of Youth Self Report, 11–18 yr old psychiatric inpatients, 13641
real ischemic vs feigned pain with vs without tracking, P300 ERP amplitude & latency during auditory oddball task work load, male college students, 36613
receiver operating characteristic analysis of 24 hr vs smaller time segment measurement of serum & urine cortisol concentration, 22–71 yr olds with endogenous major depression, 29635
reevaluation of psychometrics of Hachinski Ischaemic Score, 4051
refinement & factor structure of instrument for assessment of susceptibility & seriousness & health motivation & confidence & barriers in breast cancer & self examination context, female 35–88 yr olds, 43806
relation of anxiety sensitivity construct & Anxiety Sensitivity Index to trait anxiety, implications for anxiety disorder, 41636
relationship between global & specific health measures, 75 yr olds & older, Sweden, 28070
relationship between measures of subjective psychological well being & income & other objective economic well being variables, household survey data, 1181
reliability & factor structure of ATT39 measure of psychological adjustment, diabetic patients, New Zealand, 4092
reliability & internal validity of cognitive age measures in marketing & consumer research, 56–87 yr olds, 39903
reliability & predictive validity of Self Rating Depression Scale vs Brief Symptom Inventory, measurement of depression, patients with spinal cord injuries, 35920
reliability & stability & validity of computer aided Self-Regulation Test for Children, 5–12 yr olds, Germany, longitudinal study, 31825
reliability & temporal stability of measures of individual differences & tolerance to shift work, 19–61 yr old male oil refinery workers, Croatia, 24233
reliability & validity & comparability of thought listing vs Public Speaking Thought Test, adults with public speaking anxiety, 4036
reliability & validity of & other issues in quality of life & health status measurements, patients with HIV or AIDS, 35954
reliability & validity of Behavior Assessment Scales, assessment of functional abilities, 52–100 yr olds in adult day care, 35900
reliability & validity of Bereavement Risk Index, assessment of distress & coping outcomes & participation in grief research, widowed spouses, 11986
reliability & validity of Career Decision-Making Self-Efficacy Scale, college students, 43851
reliability & validity of Clergy Children & Couples Scale, members of ministerial families, 27921
reliability & validity of Dutch version of Nottingham Health Profile, 20–80 yr old cardiac & medical patients, Netherlands, 43809
reliability & validity of Hindi Aphasia test, adults with aphasia due to cerebrovascular accidents, 24127
reliability & validity of Infant Parent Social Interaction Code, mothers & their 0–36 mo olds with risk for developmental delay vs Down's syndrome, replication, 15951
reliability & validity of Korean version of Youth Depression Adjective Check List, 8th–12th graders, Korea, 4088
reliability & validity of Life Regard Index, measurement of life meaningfulness, 18–88 yr old distressed & normal college students & other adults, 24075
reliability & validity of Locus of Control scale of Occupational Stress Indicator, 18–62 yr old mental hospital employees, 12074
reliability & validity of measures of complexity of mental representations of people based on TAT vs interview data, college students, 20003
reliability & validity of Papcsy-DePaepe Dynamic Balance Test vs Bruininks-Oseretsky Test of Motor Proficiency, assessment of dynamic balance, severe & profoundly mentally retarded, 35881
reliability & validity of self report measures of treatment outcome, homeless mentally ill adults, 39799
reliability & validity of state & trait forms of Depression Adjective Check Lists, university counseling center clients, 35899
reliability & validity of treadmill vs cycle ergometer vs shuttle run vs step physical exercise tests, assessment of cardiovascular fitness, mentally handicapped 20–35 yr olds, 26093
reliability & validity of visual analog scale for fatigue, commentary reply, letter, 35948
reliability & validity of visual analog scale for fatigue, commentary, letter, 35944

reliability & validity of Young Adult Alcohol Problems Screening Test, assessment of alcohol use & abuse or dependence, college students, 12009
reliability of Basic Attributes Test, assessment of psychomotor coordination & information processing & personality & risk attitudes, Air Force pilot training candidates in flight screening program, 20110
reliability of Behavior Checklist, prevalence & perception of child problem behavior, parents of 3 yr olds, England, 28022
reliability of Comprehensive Assessment of Symptoms & History, assessment of diagnostic criteria & psychopathology, psychiatric patients, 65
reliability of Greek translation of Revised UCLA Loneliness Scale, assessment of emotional & social loneliness, Greek speaking or bilingual college students, Greece, 11971
reliability of instruments, assessment of nutrition & feeding & weight & body size attitudes & children's obesity, Mexican American vs White mothers of preschoolers, commentaries & reply included, 7923
reliability of intermittent vs continuous methods of assessment of BP change, female young adults, 43687
reliability of Life Satisfaction Index, frail multiply impaired depressed elderly nursing home residents, 8049
reliability of modified Regressive Coping Checklist, measurement of coping with stress through denial or avoidance, teachers, Australia, 50
reliability of premorbid personality data & assessment of personality disorder, psychiatric patients vs psychiatrists vs other informants, England, 21893
reliability of Preschool Vigilance Task & Continuous Performance Task, assessment of attentional differences, hyperactive 4–6 yr olds, 12005
reliability of Social Health Battery, assessment of social support, 61–93 yr olds, 43698
reliability of Stages of Change Ladders, assessment of smoking abstinence or relapse, chemically dependent patients, test appended, 43815
reliability of thermal pain threshold measurement, healthy 23–32 yr olds, 39760
repertory grids, assessment of feelings & relationships, children & adolescents with behavioral or emotional disturbances, 12030
research & assessment methods for music therapy, 46589
research on & Defining Issues Test assessment of moral reasoning, nursing students, 19382
research on & measurement of prevalence & frequency & onset & other criminal career parameters, offenders, UK, 22036
responsibilities in provision of psychological test feedback to clients, clinicians, 4076
responsiveness of self reported health status measures to change, 65 yr olds & older with vs without intervening illness or hospitalization or increase in drug regimen, 1 yr study, 35953
restructuring of membership examination of Royal College of General Practitioners, learning approaches, postgraduate physician trainees, UK, 23389
robust testing & evaluation measurement process, assessment of human integration into systems, 7773
scope & levels & instruments of developmental assessment, children, 43708
self reported evasion & tax officers' classification & evasion in experiment, measurement of tax evasion, Netherlands, replication, 20173
sensitivity & operator acceptance & resource requirements & special procedures of 4 subjective work load scales, Army systems operators, 4161
sensitivity of short vs longer health status instruments, assessment of physical & psychological & global factors, hip replacement patients, 8004
sensitivity to change measures of treatment effect vs psychopathology, adult & elderly males with coronary heart disease in cardiac rehabilitation vs standard medical care, Belgium, 43753
sensitivity to change of self report measures, assessment of difficulty & dissatisfaction & pain in performance of activities of daily living, patients with rheumatoid arthritis, 8050
spot vs band electrodes in impedance cardiography, measurement of cardiac output & systolic time interval, 19–30 yr olds, 20179
standard performance scores for Wayne Saccadic Fixator, assessment of laterality skills & eye hand coordination, left vs right handed 6–13 yr olds vs 7–8 yr old special education students, 23644
statistical & item scaling issues in sensitivity of assessment of sexual behavior stages preceding intercourse & protection of naive Ss from sensitive questions, heterosexual 18–24 yr olds, 4137
stress & coping & school based assessments & interventions, 1st–12th graders, 39303
study design & measurement development in research on dynamism & holism in family systems, families with chronically ill mothers, 14207
subscales of Career Decision Profile, multidimensional assessment of effectiveness of college level career planning course, college students, 31994
Swedish version of Interview Schedule for Social Integration, measurement of parental psychopathology & social support & child behavior problems, parents & their children with diabetes mellitus, Sweden, 28024
system dynamics model, measurement of information accuracy & timeliness & relevance & reliability in business firm, 7679
systematic diary method, assessment of early lexical development, male followed from 10 mo to 2 yrs of age, 35832
techniques for & applications of eye movement spontaneous eyeblink rate measurement & stimulation, assessment of sensory irritation following occupational solvent or neurotoxin or drug exposure, 694
Test of Motor Proficiency vs Test of Motor Impairment vs teacher judgment, assessment of clumsiness or subtle motor coordination problems, 10 yr olds, 7929
test retest & internal consistency reliability & stability of Mortimer-Filkins Test, assessment of problem drinking moderate vs heavy drinkers, Australia, 13982
test retest reliability & task comparability of Complex Figures vs Rey-Auditory Verbal Learning Test, normal 22–67 yr olds, 15878
test retest reliability & validity of isokinetic & gravity or inertia modes of Lido Lift & Progressive Lifting Capacity II tests, assessment of maximum lifting capacity, healthy male 20–59 yr olds, 15892
test retest reliability of audiotaped phallometric stimuli, 14–17 yr old male sex offenders, 6105
test usage preferences & practices in court ordered delinquent & abuse & neglect assessment, juvenile & family court psychologists, US & Canada, 35739
theoretical & methodological & psychometric issues in measurement of teamwork skills, 4160
theoretical approaches & issues in assessment of phonology, 2nd language learners, implications for speech language pathology training, 25062
theoretical constructs & development & reliability & validity of self report measures of parent adolescent attachment &/vs separation individuation, 31826
theoretical problems & methodological errors in assessment of androgyny as unipolar trait, commentary, 29290
theory & measurement of & research in urban related place identification, 27791
theory & vocabulary for assessment approaches & methods & instruments in speech communication, 3958
therapist's use of computerized rapid assessment instruments, outcome & satisfaction, group therapy clients, 30386
timing accuracy of mouse response registration on IBM microcomputers, 8145
traditional psychometric vs computerized assessment, evaluation of memory change, patients with seizures who underwent temporal lobectomy, 22918
transitional vs concrete vs formal operational reasoning, responses to logic tasks, college students, test of multiple hypothesis theory of testing of formal reasoning, educational implications, 24408
trends in social casework assessment, commentary reply, 38877

trends in social casework assessment, commentary, 38875
typical vs atypical depressive symptoms & diurnal variation of mood & reliability of measurement, patients with major depression, 17750
unintentional & intentional misuse of psychological & neuropsychological tests in complex forensic trials, 27849
use of CORE sign based melancholia index scores, prediction of response to antidepressants, depressed patients, Australia, 38579
use of memory & processing speed tests with reduced reading requirements, estimation of reading ability, Air Force recruits, 3966
use of psychometric measures in differential diagnosis, female 10.5 & 15 & 17 yr olds with malnourishment & weight loss due to anorexia or other psychiatric &/or medical illness, 29990
utility & reliability & validity & other psychometric properties of Mini-Mental State Examination, assessment of cognitive functioning, research review, 8048
utility & validity of data based instruments, assessment of unconscious perceptions of parent, children undergoing custody evaluations, 15875
utility of Alcohol Use Disorders Identification Test, long term unemployed 17–63 yr olds, Norway, 2 yr followup, 31871
utility of Child Behavior Checklist, prediction of risk for hospitalization, severely emotionally disturbed 6–17 yr olds, 20028
utility of global measures of observed arousal & nonverbal indices of arousal intensity, detection of arousal changes during psychotherapy sessions & relationship to outcome, depressed patients, 22494
utility of Impact on Family Scale, assessment of effects of child's behavior difficulties on family, parents of behaviorally difficult child outpatients & nonclinic children, 4081
utility of objective vs subjective measurement in human factors research, 7780
utility of self report depression measures, diagnosis & assessment of early vs late onset subtypes, depressed 20–40 vs 60 yr olds & older, 24133
utility of Sexual History Form of Multiaxial Diagnostic System for Sexual Dysfunctions, assessment of hypoactive sexual desire, adults, 41986
validation & reliability of electronic accelerometer based physical activity device vs self report or measurements of heart rate & oxygen uptake, assessment of daily activities, male 22–38 yr olds, 35816
validity & bias of Defining Issues Test, measurement of moral development in conservative religious populations, adult Mormons, 24062
validity & factor analysis of Maternal Fetal Attachment Scale subscales, pregnant 18–45 yr olds, 43697
validity & item difficulty of Contextual & Affective Sensitivity Test, assessment of nonverbal sensitivity to affective communication, adults, Australia, 31813
validity & psychometric properties of Indonesian version of Vineland Adaptive Behavior Scales, mentally retarded vs normal 6–18 yr olds, Indonesia & US, 8024
validity & reliability of Schedule for the Evaluation of Individual Quality of Life, 67–81 yr olds with mild dementia, Ireland, 43748
validity & reliability of Verona Expectations for Care & Service Satisfaction Scales, assessment of expectations & satisfaction with community psychiatric services, clients & families & professionals, 39752
validity of abbreviated version of Duke Social Support Index, chronically ill elderly, 24132
validity of Augmented Structured Interview, assessment of Type A behavior pattern subcomponents, married male 40–55 yr olds with vs without coronary heart disease, 20060
validity of Cleveland Admission Discharge & Transfer Criteria, assignment of appropriate levels of care, alcoholic & cocaine dependent male patients, followups, 11128
validity of Dartmouth COOP functional health assessment charts WONCA, nonclinical 20–72 yr olds, Norway, implications for epidemiology, 43804
validity of Kiswahili version of Schroder et al Adult Psychiatric Sensory Integration Evaluation vs other occupational therapy assessments, schizophrenic 20–63 yr olds, Tanzania, 76
validity of M Test, assessment of malingering, incompetent to proceed defendants in residential forensic facility, 31884
validity of mean length of utterance in morphemes vs syntactic complexity vs language assessment & remediation & screening procedures, assessment of grammatical complexity, 1.5–4.8 yr olds, Canada, 27967
validity of National Institute of Health Activity Record, 18 yr olds & older with rheumatoid arthritis, 81
validity of personality vs aptitude measures vs training ratings method, prediction of job satisfactoriness, severely handicapped employees, 31865
validity of PTSD measures, elderly with PTSD vs other psychiatric disorders vs prisoners of war vs younger Vietnam War veterans, 4065
validity of Questionnaire upon Mental Imagery vs Test of Visual Imagery Control, prediction of performance on Kanji grapheme integration task, 3rd & 4th & 6th graders vs college students, 15880
validity of Retrospective Self Report of Inhibition, assessment of childhood inhibition & mental health problems, college students & 20–72 yr olds with panic disorder or depression, 98
validity of self report measures with vs without bogus pipeline procedure, assessment of cigarette smoking, meta analysis, 31796
validity of self vs ideal body size discrepancy as measure of body dissatisfaction, obese vs bulimic vs noneating disordered adult females, 45877
validity of short version of Camberwell Family Interview, assessment of expressed emotion, family members of schizophrenic patients, 12019
"vanilla" color detection task vs resting baseline condition, assessment of cardiovascular baseline, male 18–30 yr olds, 20750
Verbal Interaction Analysis System, assessment of global conversational participation, male adults with developmental disabilities, 10126
WISC-R scores adjusted by System of Multicultural Pluralistic Assessment, identification of giftedness, Black 2nd–5th graders, 4145
2 stage pencil & paper & O ratings of empathy during interview, measurement of empathy before vs after communication skills training, medical students, Australia, 47015
5-factor model of interpersonal problems, assessment of interpersonal functioning in counseling & psychotherapy, male 32 yr old, commentary reply, 109
5-factor model of interpersonal problems, assessment of interpersonal functioning in counseling & psychotherapy, male 32 yr old, commentary with case example, 96

Toward intelligent assessment: An integration of constructed-response testing, artificial intelligence, and model-based measurement, 19975
The use of structural equation modeling in combining data from different types of assessment, 15997
Use of the NEECHAM Confusion Scale to assess acute confusional states of hospitalized older patients, 4102
Using subject and collateral reports to measure alcohol consumption, 15889
The validity of learning potential tests, 35810
Visual impairments in children with developmental disabilities, 41814
What is and isn't measurement, 19961
Which comes first, cause or effect?, 20184
Woman battering, 1875
Work samples as measures of performance, 4175

Mecamylamine—Serials
beta carboline ZK 93426, scopolamine &/vs mecamylamine vs nucleus basalis lesioning induced neocortical EEG slowing, male rats, 44712
chronic nicotine &/vs mecamylamine, working memory, female rats, 36819
ip vs intrahippocampal mecamylamine, working vs reference memory, male rats, 40644
mecamylamine, discriminative stimulus effects of nicotine & other drugs in operant conditioning, male rats, 32622
mecamylamine dosage, cognitive functioning, 19–36 yr old male nonsmokers, 12848
methysergide &/vs mecamylamine vs scopolamine, spatial learning & navigation, male rats, 8964
nicotine vs tetramethylammonium vs mecamylamine vs hexamethonium, ethanol induced locomotor activity, male mice, 4745

Mechanical Aptitude—Serials
development & reliability & validity of Iowa Inventiveness Inventory, assessment of characteristics of mechanical inventiveness, adult vs 13–15 yr old inventors vs noninventors vs college students, 31836
validity of Bennett Mechanical Comprehension & Flanagan Aptitude Classification Tests & Thurstone Test of Mental Alertness, prediction of job performance ratings, manufacturing employees, 39896

Mechanoreceptors—Serials
cyclic guanosine & adenosine monophosphate increase, abdominal sensory organ sensitivity to mechanical stimulation, scallops, translated article, 32528
role of mechanoreception in body sway measured postural control, 21–55 yr olds with microvascular free flap reconstruction of sole of foot, Finland, 14173
velocity & direction of cutaneous stimuli across fields, responses of guard vs down hair vs field afferents vs type I mechanoreceptors in hairy skin, cats, 16618

Mechanoreceptors—Chapters
Somatic versus vestibular gravity reception in man, 16152

Media (Communications) [See Communications Media]

Medial Forebrain Bundle—Serials
cortical neuron discriminative response to auditory CS of medial forebrain bundle & acetylcholine & atropine, spontaneous neural firing in frontal cortex, male rats, 8956
dorsomedial hypothalamic lesions, reward effectiveness of caudal medial forebrain bundle electrical self stimulation, male rats, 12557
medial forebrain bundle 6-OHDA vs neostriatal kainate lesions, amphetamine vs GBR-12909 vs SKF-38393 & quinpirole induced neostriatal ascorbate release, male rats, 16572
naltrindol, cocaine induced facilitation of responding for rewarding medial forebrain bundle electrical stimulation, male rats, 28772
odors paired with medial forebrain bundle/lateral hypothalamus stimulation reward, mitral/tufted cell single unit responses, rat pups, 20686
symmetrical tone CS & lateralized medial forebrain bundle stimulation UCS, head orienting responses & bilateral cingulate cortex responses, cats, 32428

Median—Serials
RT median vs standard deviation, reflection of RT variance correlating with psychometric "g", 4th–6th graders & adults, 4189

Median Nerve [See Spinal Nerves]

Mediated Responses—Serials
chlorpromazine, instrumental response suppression motivated by social vs alimentary reward, dogs, 8898
classical conditioning of posttreatment anticipatory physical symptoms including nausea, cancer patients receiving chemotherapy, Germany, therapeutic implications, conference presentation, 42622
response independent outcome, response & outcome associations, male rats, 4469
shock preceding aversive conditioning, mediation of startle reflex magnitude & electrodermal response, college students, Germany, conference presentation, 40464

Mediation—Serials
adolescent development & coping styles & family dynamics, family conflict mediation process, parents & their adolescent children, 2556
antecedents of long term success of community mediation, participants, 4–8 mo followup, 39693
application of child custody mediation protocol to spouse & child abuse, families, 19916
appropriate use of family therapy strategies in mediation & family systems vs mediation practice, commentary, 15838
campus based formal & informal mediation, cultural diversification conflicts, college students, 3607
community based mediation procedure vs Korean American harmony restoration process, 18–35 yr old Korean Americans, US, 3922
conflict resolution through peer mediation, elementary & middle school students, 15556
cooperative learning & conflict resolution training & constructive controversy & mediation based education programs, constructive relations & peaceful world, conference presentation, 39203
criteria for use of mediation, attorneys, 19914
cultural context of & conversation & mediator's role in negotiation of division of rice harvest, sharecropper & rice field owner & local official, Thailand, 21110
disputant & mediator problem solving & other behaviors, short term success in mediation of community dispute resolution hearings, case participants & Os, 7889
dispute systems design with resolution clause, 3rd party assistance in selection of dispute resolution process, organizations, 23718
ethical issues in & criticism of family systems approach to mediation, 15840
evaluation of mediation process & type & private mediation, divorcing couples, 15839
evolution of & dangers for females in mandatory divorce & child custody mediation, commentary, 11881
evolution of & dangers for females in mandatory divorce & child custody mediation, commentary, 11880
factors affecting practice of conciliation with children during parental divorce, UK, 33110
family functioning & conflict characteristics, mediation outcome, 11–18 yr olds & their parents, 15841
historical overview of & techniques & types of disputes in community mediation, China vs Korea, 43659
homophobia & heterosexism & other issues in mediation process, gay & lesbian clients, 3926
ideal form & eventfulness & agency of mediation in child development & childhood crisis & projective planning for adult mediation, 44954
issues in mediation, literature review, past 10 yrs, 27884
Jewish & Christian & other religious & cultural dynamics, divorce mediation process, couples, 3924
mediation program based on offenders confronting their victims, 10–19 yr old juvenile offenders & their victims, 19917

mediation provided by Community Relations Service of Department of Justice, race relations & cross cultural disputes, ethnic communities, western US, 3921
mediation vs litigation in divorce process, predivorce & postdivorce families, 19915
mediator role & party motivation, grievance mediation vs arbitration, union & management members & mediator, 3919
metadisputes & paradoxical mediation, 33234
motivations for filing unjust dismissal complaints & perceptions of 3rd party dispute resolution process in justice framework, workers, 23767
national standards for court connected mediation programs, 35750
peer mediation training, classroom conflict & use of resolution procedures, 1st–6th graders, 15552
relationship & dispute mediation, lesbian & gay couples & families, 3918
role in victim offender mediation process, social workers & home burglary victims & offender, 31772
S. Touval & I. W. Zartman's taxonomy of communication & formulation & manipulation in international mediation strategies, 1179
school based peer mediation program, transfer of conflict management information & skills to home setting, 4th–6th graders, 27423
school based peer mediation training, sibling conflict & use of resolution skills in home setting, 4th–6th graders, 15548
sex, conflict & resolution & negotiation & 3rd party mediation, parties in dispute, 3925
sex, distributive vs integrative bargaining style & effectiveness at reaching initial & binding settlements, mediators, 3923
similarities & differences & interdependence between divorce mediation & psychotherapy, 3920
single vs multiple issue disputes, success vs failure of mediation, 15842
strategic choice model of mediation based on perceived common ground & interdependence, conflicting parties, commentary reply, 21470
strategic choice model of mediation based on perceived common ground & interdependence, conflicting parties, commentary, 21490
T. Grillo's views on evolution of & dangers for females in mandatory divorce & child custody mediation, commentary, 11879
techniques & strategies in formal & informal community & industrial mediation, mediators, South Korea, 39691
theoretical framework for mediator mechanisms & motivations of impartiality & outcome efficiency, 13436
third party consultation vs mediation during intergroup conflict simulation, negotiation & attitudes toward other group & intergroup relationship, college students, 29341
time & structure of court sponsored child custody mediation sessions in California, divorced or never married parents & grandparents & significant others, commentary, 11878
transition plan for postdivorce relationships, parents & children, 47612
3rd party agent & mediator intervention, negotiated relationship & behavior & outcome, graduate students, 13424

Mediation—Books

Conflict mediation across cultures: Pathways and patterns, 17474
Mediation in international relations: Multiple approaches to conflict management, 13226

Mediation—Chapters

Determinants of short-term and long-term success in mediation, 41014
Developing and implementing post-divorce parenting plans: Does the forum make a difference?, 35752
Formal individual mediation and the negotiators' dilemma: Tommy Koh at the Law of the Sea Conference, 13231
Informal mediation by private individuals, 13235
Informal mediation by the scholar/practitioner, 13237
Mediation by regional organizations: The Organization of African Unity (OAU) in Chad, 13230
Overcoming the obstacles to effective mediation of international disputes, 13241
Small-state mediation in international relations: The Algerian mediation of the Iranian hostage crisis, 13240
The structure and diversity of mediation in international relations, 13233
The superpowers as mediators, 13242
The United Nations and international conflict: The military talks at Kilometre Marker-101, 13236

Mediation (Cognitive) [See Cognitive Mediation]

Medical Diagnosis [See Also Biopsy, Cardiography, Dexamethasone Suppression Test, Electro Oculography, Electrocardiography, Electroencephalography, Electromyography, Electroretinography, Galvanic Skin Response, Ophthalmologic Examination, Prenatal Diagnosis, Roentgenography, Tomography, Urinalysis]—Serials

ageism in delayed diagnosis, HIV infected female 88 yr old, 22291
AIDS education vs HIV antibody testing, high risk behaviors, iv drug users in treatment program, 19205
amylase level monitoring, diagnosis & assessment of treatment response, females with bulimia nervosa, 18140
application & reliability of microprocessor assisted static vs light evoked dynamic pupillometry in clinical psychophysiological diagnosis, psychiatric patients, 5756
assessment of & factors in pain detection, communicative & noncommunicative 65 yr old & older nursing home residents & their physicians, 42853
attitudes toward genetic testing, Amish-Mennonite vs Hutterite members of families with cystic fibrosis, 18226
clinical features & molecular pathology of prion disease, humans, diagnostic implications for neurodegenerative syndromes & Alzheimer's disease, 26280
clinical history & radiologically ambiguous films, diagnosis of bronchiolitis, novice vs experienced radiologists, Canada, 7335
clomipramine challenge test, clinical manifestations of obsessive compulsive disorder, drug free patients, conference presentation, 17863
computer program PlanAlyzer for teaching clinical problem solving in diagnosis of anemia & coronary artery disease, medical students, 23368
contributions of philosophy to hierarchical knowledge organization & development of medical expert diagnostic system, 3859
criteria for diagnosis of ischemic vascular dementia, commentary reply, letter, 22340
criteria for diagnosis of ischemic vascular dementia, commentary, letter, 22411
determinants of delayed pregnancy testing, 14–19 yr old pregnant females, 14882
development & validity of Nursing Severity Index, assessment of admission severity of illness based on nursing diagnoses, hospital patients, 1985–1988, 15977
development of & problems with Bayesian & statistical & neural network & expert rule & decision tree methods of computer assisted medical diagnosis, 26206
diagnoses of alcoholism by physician vs questionnaire, 15–96 yr old coronary care patients, 38204
diagnosis of attention deficit hyperactivity disorder & criteria for prescribing & dosage of methylphenidate, practitioners treating 5–14 yr olds & adults, Canada, 22753
diagnosis of Klinefelter syndrome by social worker, mentally retarded adult male pedophile, 41871
diagnosis of pseudoseizures vs epileptic seizures, 34148
diagnostic methods & prevalence of subclinical AIDS dementia complex, asymptomatic HIV-1 infected 20–53 yr olds, 22290
diagnostic utility of serum & CSF B2 microglobulin, patients with HIV with vs without dementia, 14240
diagnostic validity of tyramine test, elderly with major depression vs dementia, 17630
diagnostic value of greater occipital vs supraorbital nerve blockages, pain reduction & pathogenic factors, patients with cervicogenic vs tension headaches vs migraine without aura, 22892
frequency & distribution of computerized tomography scanning of head & EEGs & brain MRI, general hospital patients with mental disorders, 19167

frequency & thoroughness of sexually transmitted disease & HIV risk assessment, primary care physicians in high risk area, 14226
initial adjustment to cancer diagnosis, 22–87 yr old females with gynecological vs breast cancer vs males vs females with other cancer sites, 34120
mammography use, 50–75 yr old female Hispanic vs Anglo community health center clients, 46830
medical & psychiatric analyses, diagnosis of conversion disorder & spinal cord tumor, 4 yr old male with leg pain & short term inability to walk, case report, 22259
medical diagnosis of vs risk for gum disease, coping responses & self reported gum bleeding, college students, 10234
MMPI cluster profiles & diagnostic category, headache patients, replication, 22238
multiple regression vs neural network methods, prediction of medical diagnosis, 26203
need for medical assessment for neurological conditions, 3rd graders with developmental dyscalculia in special education classes without academic progress, 22110
prolactin responses to haloperidol, Kraepelinian vs non-Kraepelinian schizophrenic patients, implications for diagnostic criteria & systems, 17810
propositional vs structural semantic analysis of medical diagnostic thinking, 6236
psychological costs of cancer screening, UK, 10909
pyrexial reactions to psychotropic medication, elevation of creatin kinase as feature in diagnosis of neuroleptic malignant syndrome, drug therapy patients, 42467
radioimmunoassay vs fluorescent polarization immunoassay, cortisol levels during DST, hospitalized depressed 6–12 yr olds, 9833
reliability & validity of thresholds & prevalence & criteria for cytogenetic diagnosis of fragile X syndrome, 1st degree relatives of families multiplex for autism & related phenotypes, 17633
research on & clinical utility of SPECT vs positron emission tomography, individual diagnosis, patients with Alzheimer's disease, 46106
risk taking attitudes & uncertainty & self reproach in missing diagnosis, use of laboratory tests, general practitioners, Netherlands, 10965
role for placental examination & relation to pathogenesis of cerebral palsy & mental retardation & other neurodevelopmental disorders, fetuses & neonates, 34138
role of primary care practitioners in evaluation of etiology & diagnosis & consequences, patients with traumatic head or brain injuries, 6409
scheme for coding verbal protocols in medical reasoning & diagnosis of congenital heart disease, pediatric cardiologist, implications for development of artificial intelligence systems, 15780
self report HIV antibody testing & posttest counseling, adults, 18266
semiotic analysis framework for knowledge based clinical reasoning & competence & medical cognition, commentary, 40117
semiotics & structures of diagnostic reasoning, commentary reply, 40109
stress of lumbar puncture procedure, plasma osmolality & salivary cortisol & arginine vasopressin, nuclear disc prolapse patients, 14802
subjective vs objective account of problem solving performance in medical diagnosis, 28–61 yr old 1st contact physicians vs specialists, 43105
symptoms & diagnosis of frontal lobe epilepsy, 14340
test of visual EPs &/vs contrast sensitivity &/vs flight of colors vs color vision vs pupillary light reflex, diagnosis of visual system lesions, 28–60 yr olds with multiple sclerosis, 18251
use of biomedical knowledge in clinical reasoning, medical students vs physicians, 7326
use of patient history vs physical examination vs diagnostic studies in diagnostic reasoning, medical students, 43048
use of spirograph, differential diagnosis of clinical forms of respiratory dyskinesia, schizophrenic males undergoing neuroleptic drug treatment, 5886
utility of Leiden Impotence Questionnaire vs urological & psychiatric evaluation, differentiation between psychogenic vs organic erectile dysfunction, male adults, 31811
utility of routine laboratory screening in clinical practice, psychiatric patients, research review, 7032
validity of Medical Outcomes Survey 36-Item Short Form, measurement of physical & mental health construct, adult patients, 31807

Medical Diagnosis [See Also Biopsy, Cardiography, Dexamethasone Suppression Test, Electro Oculography, Electrocardiography, Electroencephalography, Electromyography, Electroretinography, Galvanic Skin Response, Ophthalmologic Examination, Prenatal Diagnosis, Roentgenography, Tomography, Urinalysis]—Chapters

academic performance, Asian American vs White medical students, 1981–92, implications for prediction & monitoring criteria, 27270
acute test anxiety, National Board of Medical Examiners Examination performance, 2nd yr medical students, 7306
attitudes toward & experience of clinical teaching of medical students, 62–97 yr old medical patients, UK, 5273
attitudes toward cardiovascular disease prevention & preventive cardiology, 1st yr medical students, 4 yr followup, 19338
attitudes toward elderly patients, medical students, New Zealand, 3204
attitudes toward geriatric patients, medical vs physician's assistant students vs family practice residents, conference presentation, 27284
attitudes toward state psychiatric hospital & psychiatry career, 3rd yr medical students in psychiatry clerkship, 43064
brief course on pain, attitudes toward pain, medical students, 15274
career development level, male vs female entering medical students, 7309
changes in attitudes toward HIV infected patients, 1st & 2nd yr medical students, 2 yr followup, 43080
characteristics of clinical teaching behaviors in ambulatory setting, family physicians & students, 43052
college of medicine compliance with published guidelines for students' preventive health program, medical students, 1990, 3186
communications skills during simulated patient interview, 1st vs final year medical students, England, 23353
computer program PlanAlyzer for teaching clinical problem solving in diagnosis of anemia & coronary artery disease, medical students, 23368
conceptual & methodological issues in medical school vs postgraduate professional performance assessments, medical students, 31098
correlation of standardized patient checklist & written question scores in clinical encounter performance based exam, medical students, 28075
demographic & personal risk factors, AIDS related stigma & attitudes & behaviors & career objectives, medical students, Uganda, 3214
evaluation of sex education programs, health professionals & medical students, 27269
expectations & fulfillment of general practice's contribution to medical education, medical students vs their general practice tutors, England, 23367
experience with racial & ethnic groups, expectations about interactions with minority colleges & patients, White vs Black vs Asian vs Hispanic vs other medical students, 3249
experiences with death & dying & attitudes toward care of dying patients, 1st yr medical vs nursing students, 31152
false negative & false positive rates due to measurement error in & pass fail decision reliability of standardized patient mastery examinations, senior medical students, 23351
gerontological & geriatric curriculum, knowledge & attitudes toward elderly & interview skill behavior, 3rd yr medical students, 47023
group affective responses & attitudes toward homosexuality, freshman medical students, letter, 43078
high risk behaviors of hypothetical AIDS patients, treatment decisions, 2nd yr medical students, 3217
knowledge about & attitudes toward computer use, medical residents in urban teaching hospital, 47051
lifetime & recent drug involvement & sequential order of 1st use of substances, male vs female senior medical students vs resident physicians, 25971
linear vs computer assisted interactive video teaching method, transfer of cognitive learning of aseptic technique to clinical performance, students in medical surgical course, 31136
medical expertise & study time & priming of pathophysiological knowledge, free recall of clinical case, health sciences vs medical students vs internists, 43106
methods for teaching psychology, medical personnel & students, 15261
needs assessment & support & accommodations, learning disabled medical students, 43079
needs assessment & support & accommodations, learning disabled medical students, commentary, 43038
participation in preventive medicine pilot study, patient health status & doctor patient relations, 1st yr medical students & patients in health protection clinic, 38821
patients' age & sex & depressive symptoms, beliefs & attitudes toward patient & condition & treatment intentions & information recall, advanced medical students, 3209
personal & behavioral variables, perceived academic & personal & professional stress, 2nd yr medical students, 43069
perspectives on psychological processes in clinical reasoning & use of multiple choice questionnaires in assessment of clinical competence, medical students, 43044
preclinical medical school course examinations & critical thinking skills, medical students, 43062
predictive validity of internal external locus of control, National Board of Medical Examiners-I scores, at risk medical students, 154
premedical background in humanities & social sciences, patient centered attitudes, medical students, Canada, conference presentation, 15254
prevalence of substance use & alcoholism & drug addiction, medical students vs residents vs physicians, literature review, 41724
preventive cardiology course, cardiovascular risk factors & health & fitness status, freshmen medical students, 19339
prior experience & feedback, self assessment of clinical performance, medical students, 1 yr followup, 43082
prior experience, knowledge about Alzheimer's disease & aging, nursing vs medical students, implications for curriculum planning, conference presentation, 11234
problem based learning in clinical prevention medicine, perceived vs actual achievement of goals, medical students & faculty, 43071
problems in prediction & assessment of competence, medical students & practitioners, 31111
provision & perceptions of student mental health services, medical students vs student affairs deans vs mental health providers, US & Canada, 43065
quality of professional & interpersonal interaction during clinical clerkships, medical students & tutors, Australia, 3182
readiness for self directed learning, 21–44 yr old general practice trainees, UK, 23348
reliability of S. Budner's intolerance of ambiguity scale, medical students, 4029

reliability of Wiggins Interpersonal Behavior Circle-Abbreviated, assessment of psychological androgyny & prediction of decision making, college & medical students & physicians, 39757
role in cooperative training service program with social services agency & discovery & treatment of elder abuse & neglect, medical students & physicians & their elderly clients, 23047
smoking prevalence & attitudes, physicians vs medical students, Netherlands, 35184
social support & social relational deficits, prediction of alcohol abuse, male vs female medical students assessed from medical school entrance through clinical training, 10039
standardized patient sex, history taking & physical examination scores & communication skills, male vs female medical students, 43046
stressor type, preferred coping strategies, male vs female 1st vs 4th yr medical students, analysis of cognitive transactional model of stress, 31127
study organization & approach & attitudes toward course, prediction of failure vs success on 1st yr examinations, medical vs dental students, England, 7322
test form, retention & recall of clinical information previously learned for exam, medical students, 23382
tolerance for ambiguity & choice of practice location, 2nd yr medical students, 3234
use of biomedical knowledge in clinical reasoning, medical students vs physicians, 7326
use of patient history vs physical examination vs diagnostic studies in diagnostic reasoning, medical students, 43048
validity & reliability of modification of L. Nedelsky's procedure, standard setting for multiple choice items in assessment of clinical reasoning, medical students, Canada, 31110
2 stage pencil & paper & O ratings of empathy during interview, measurement of empathy before vs after communication skills training, medical students, Australia, 47015

Medical Therapeutic Devices [See Also Contact Lenses, Hearing Aids, Optical Aids, Prostheses]—Serials

aided message length & partner reauditorization, perception of communicative competence of augmentive communication system user, 22–65 yr old naive Os vs speech language pathologists, Canada, 15185
Castillo-Morales palatal plate therapy, orofacial disorder, 1–17 mo olds with Down's syndrome, 3049
clinical examination techniques & prescription of optical & nonoptical rehabilitative devices, low vision, head trauma patients, 7205
cochlear implants vs tactile vs hearing aids, speech intelligibility, children with early vs late onset deafness, 26913
consonant recognition, native speakers of English vs German vs French with cochlear implants, US & Europe, 27186
development of augmentation & alternative communication box, disabled or disadvantaged, 3130
development of state funded augmentative & alternative communication services, clients with severe communication disorders, 15188
earplug occlusion, psychopathology, schizophrenic patients with binaural comprehension deficit, 14752
ECT, depressed 54 & 65 yr old males with implantable cardioverter defibrillator, case reports, 38615
home environment & family & caregiver characteristics, developmental outcome, 2–30 mo olds on home apnea monitors, conference presentation, 2827
Ineraid cochlear implant, vowel production, deaf adults, longitudinal study, 7277
language representation for augmentative & alternative communication systems, adults with traumatic brain injury, 7275
monaural listening therapy using earplug, auditory recall, learning disabled 8.4 yr old with auditory disorder, 23305
need for technical aids for daily activities, disabled 9 mo to 16.8 yr olds & their parents, Finland, 22925
need for validation of facilitated communication technique, autistic children & adults, 46966
organization & procedures of Communications Aids Center, 2–19 yr olds & older with physical & communication disorders, UK, 1 yr followup, 7276
recall & understanding of instructions for use of Kleinert splint following surgery, 16–61 yr olds with zone 2 flexor tendon injuries, Australia, 23195
response recode form in augmentative & alternative communication systems, conversational balance, mentally retarded adults, 15190
roles & responsibilities on augmentative & alternative communication services teams, special education teachers, 15347
vacuum tumescence constriction therapy, neurogenically disabled males with erectile dysfunction, 10438

Medical Therapeutic Devices [See Also Contact Lenses, Hearing Aids, Optical Aids, Prostheses]—Chapters

Medical Treatment (General)—Serials

acuity of medical or psychiatric illness, categorization of medical/psychiatry hospital units, 15043
administrative & logistical & funding aspects in establishment of level III/IV medical/psychiatry hospital unit, 15039
alcoholism screening in family practice, 16 yr olds & older with routine medical problems, Canada, 26905
antecedents of adherence to medical recommendations, patients with chronic hypertension or diabetes or coronary heart disease, 14856
anticipatory attribution of perceived control source, predicted distress, 4–18 yr olds undergoing invasive medical procedures, 18877
barriers to caring for HIV & AIDS patients & drug users, general practitioners, 38796
belief in efficacy of 5 medical & surgical treatments, power of nonspecific effects on treatment outcomes, doctors & patients, 46687
clinical features & medical & pharmacologic treatments, patients with cluster headaches, 6932
demographics & health & health problems & time in hospital & preferences for invasive life saving interventions, elderly hospitalized depressed patients, implications for treatment refusal, 26900
demographics & health & time in hospital & preferences for invasive life saving interventions, elderly hospitalized depressed patients, treatment refusal implications, commentary, 26903
development of Decision to Seek Medical Treatment Instrument, college students, 39871
ethnomedical perspectives on attitudes toward causation & biomedical vs self care vs folk medicinal treatment, female 10–19 yr olds with malaria, Ghana, implications for disease control, 7031
Health Belief Model components & sexual behavior & demographics & other factors, delay behavior in seeking medical care, adults with suspected sexually transmitted disease, Netherlands, 38718
history of vomiting as method of medical treatment, 26909
illness behavior & physician patient relationship & medical care, Asia vs US, 30653
incorporation of music therapy into medical practice, 26834
individual differences in responses to psychological or pharmacological preparation for medical procedures, patients with repressive coping style vs truly low anxiety, 46662
interpretation of graphic survival data, treatment preferences, 29–82 yr old medical patients, 38720
medicalization of Alzheimer's disease, physicians & family caregivers, 2294
minimum quality guidelines for medical/psychiatry hospital units, 15044
monitoring vs blunting coping style, fear of medical situations & reports of physical symptoms, college students, 10836
music therapy vs medical treatment, patients with Alzheimer's disease, 18844
obstetrical & postpartum procedures & quality of care, physical & psychological well being & attachment, neonates, 10923

pharmacological vs nonpharmacological medical treatment, satisfaction with treatment, 30–69 yr olds with hypertension, 14808
professional negligence & physicians' testimony & decision analytic approach to medical standards of care in malpractice law, 11325
psychiatric consultation & medical treatment of advanced heart failure, abusive 64 yr old male with borderline personality disorder, case report, 6879
reliability & validity of measurement of distress reaction to diarrhea, 16–89 yr old ventilated tube fed patients, 16040
replacement & care compliance in planned replacement contact lens program, 14–65 yr olds & older, application of Health Belief Model, 30657
resolution vs persistence of depressive symptoms after medical treatment, 41–80 yr old medical patients, 1 mo followup, 22936
role of cross cultural differences in family function & sex roles & language & other issues in medical care, adults with cancer, 30618
role of secrecy in emotional adjustment & medical care & other issues, male 8 & 10 yr olds with hemophilia & HIV infection, 34011
sensitivity to change measures of treatment effect vs psychopathology, adult & elderly males with coronary heart disease in cardiac rehabilitation vs standard medical care, Belgium, 43753
severity & etiology & blood alcohol & cranial operations & payer, costs & length of stay in acute care vs rehabilitation in model systems program, patients with traumatic brain injury, 42145
sex, diagnostic categories in overall morbidity & medical care utilization, general practice patients, 1984–88, Netherlands, 10924
treatment decision making behavior, female 25–90 yr olds with early stage breast cancer, 22935
unwillingness to sign living will or advance medical directives, 43–77 yr old terminally ill cancer patients, 18311
visual & auditory cues for signaling of impending painful medical invasive procedures, affective behavior, male hospitalized 9 mo old, 30616

Medical Treatment (General)—Books

Deviance and medicalization: From badness to sickness (exp. ed.), 17671
Practical medical ethics, 11331

Medical Treatment (General)—Chapters

Dermatologic problems, 2195
HIV and the law: The empowerment of the individual and the system, 18304
Initial management of head trauma, 18944
A life-cycle approach to management of Down syndrome, 41992
Limitations of the medical model in the care of battered women, 38666
Management and evaluation of head trauma, 18946
Medical advice on maternal weight gain and actual weight gain: Results from the 1988 National Maternal and Infant Health Survey, 46754
Medical management of the hospitalized patient, 42893
Medical treatment, 43145
Medication and physical treatments, 6468
Neurosensory hearing loss, 42133
Neurosurgical professionalism and care in the treatment of patients with symptomatic AIDS, 26944
Spina bifida and hydrocephalus, 42630
Understanding children's memories of medical procedures: "He didn't touch me and it didn't hurt!", 46708

Medicare—Serials

cost benefits of payment for hospital based vs freestanding alcoholism treatment, Medicare recipients, 31002
fee practices & characteristics & attitudes toward Medicaid & hospital privileges & Workers Compensation program, psychologists, 27296
illness episodes & physician visits & depressive symptoms, 65 yr old & older Medicare recipients enrolled in HMOs, 1 yr study, 7033
match of codes in Physician's Current Procedural Terminology 4th edition with actual work values of psychiatric service delivery, psychiatrists & subspecialists, implications for Medicare fee schedule, 19415
Medicare provided geriatric care in HMO setting, 26895
postretirement health insurance vs medigap coverage as Medicare supplements, elderly, 17239
utilization of partial hospitalization services for mental disorders, elderly, implications for Medicare reimbursement policies, 46879
1992 changes in Medicare payment schedule, patient & treatment & other characteristics of office based outpatient psychiatric services, survey data, 14957

Medicare—Chapters

A modified TEFRA system for psychiatric facilities, 23169

Medication [See Drug Therapy]

Medicine (Science of) [See Medical Sciences]

Meditation—Serials

adverse & positive effects of meditation, adult long term meditators attending Buddhist retreat, 1 vs 6 mo followups, 16390
efficacy of home based meditational anxiety control training program, 17–60 yr olds with phobic disorder, 22592
extent of use of meditation & relaxation techniques in group counseling of adolescents with behavior problems, school counselors, 31437
field independence & art achievement & Transcendental Meditation, college art students, 25547
integrated hypometabolic response to transcendental meditation, 4715
isometric squeeze relaxation vs meditation, absorption & focusing & anxiety, 19–54 yr olds, 26583
meditation & body mind interface in healing & nonconventional medical practices, 6888
meditation &/vs physical exercise, self actualization dimensions of inner directedness & time competence & low anxiety, 23–62 yr old graduate counseling students, 23395
naloxone vs diazepam vs flumazenil, alpha frequency of EEG during meditation, 42 yr old male, 4926
neurophysiological aspects of Zen meditation, 4579
relaxation training with imagery & meditation, work stress & psychophysiological health, hospital nurses, Taiwan, 3 wk followup, 31170
religious orientation & goals & cognitions, effects of & reasons for continuation of meditation, adult meditators, 1 & 6 mo followups, 9391
role of right hemisphere & meditation in 'sensed presence', 18–60 yr olds, 24505
sex & age, serum dehydroepiandrosterone sulfate, 20–81 yr old practitioners of transcendental meditation or transcendental meditation Sidhi program, 4712
Transcendental or general meditation, incidence of complex partial epileptic-like signs, college students, 32271

Meditation—Chapters

In search of an optimal behavioral treatment for hypertension: A review and focus on transcendental meditation, 10804

Medulla Oblongata—Serials

auditory vs aversive vs tactual stimulation, ventromedial medulla neuron backfiring from spinal cord, freely moving rats, implications for nociceptive processing, 32414
binaural response in auditory cortex, male rats with lesions of superior olivary complex, 36525
electrical stimuli, electroreception & sensory modalities correspondent to medullary & midbrain electrosensory centers & behavioral responses, ratfish, 44473
GABA & serotonin antagonists, nucleus raphe magnus & nucleus reticularis injected glutamate induced antinociception, rats, 40623
horizontal visual tracking vs fixation, neural discharge patterns in medial vestibular nucleus vs nucleus prepositus hypoglossi vs their common border, male macaques, 4600
intracerulear excitatory amino acid neurotransmission, nucleus paragigantocellularis or noxious sensory stimulation induced activation of locus ceruleus, male rats, 28503
lesions of paragigantocellular reticular nucleus in ventral medulla, copulatory behavior, male rats, 20602

lidocaine induced reversible inactivation of nucleus of solitary tract, memory formation & retention in inhibitory avoidance task, male rats, 20598
lithium, synthesis & secretion of catecholamines & tyrosine hydroxylase & protein kinase C activity in bovine adrenal medullary cells, 4936
medulla administration of kappa opioid agonists ethylketazocine & U-50,488 & morphine & nicotine, analgesic sensitivity to high & low intensity pain stimuli, male rats, 44701
medullary afferent vagal axotomy, sodium chloride induced delayed vs nondelayed taste aversion learning, male rats, 32371
medullary dorsal horn mu vs delta vs kappa opioid receptor agonists, facial scratching, male cynomologus monkeys, animal model of facial pruritus, 8983
natural facial stimulation, receptive field somatotopy & rostral dorsal accessory olive cell activity, anesthetized cats, 36582
postnatal orochemical deprivation during artificial rearing, organization & development of gustatory afferent terminal fields in nucleus of solitary tract, male rats, 20555
ritanserin vs 5-HT3 antagonist ICS205930 in medullary nucleus raphe magnus or nucleus reticularis gigantocellularis, morphine analgesia elicited from periaqueductal gray, male rats, 20894
SCH32615 injection to periaqueductal gray & ventromedial medulla, analgesia & neurochemistry of endogenous opioids, rats, conference presentation, 16729
sodium chloride vs nonsodium salts vs citric acid vs sucrose stimulation, neuronal response in nucleus of solitary tract, sodium chloride deprived rats, 36574
tailflick related activity of rostral ventromedial medulla neurons during withdrawal from noxious heat, halothane anesthetized rats, 4656
taste mimicking frequency varied electrical stimulation to nucleus of solitary tract, taste perception in conditioned aversion vs natural taste acceptability paradigms, male rats, 24667
tetracaine in periaqueductal gray, hyperalgesia & nucleus paragigantocellularis met-enkephalin induced analgesia, male rats, 32693

Melancholia [See Major Depression]

Melancholy [See Sadness]

Melanocyte Stimulating Hormone—Serials

ACTH vs melanocyte stimulating hormone in paraventricular nucleus of hypothalamus, grooming behavior, male rats, 32710
alpha melanocyte stimulating hormone & its analog in anterior hypothalamic preoptic area, core temperature, rats, 32685
amygdaloid melanocyte stimulating hormone & ACTH analog ORG 2766, isolation induced social interest & interaction vs locomotion, male rats, 4822
metyrapone & dexamethasone, pro-gamma-MSH & ACTH levels, male patients with major depression, 41559
oxytocin vs melanocyte stimulating hormone injections to paraventricular nucleus, induction of self grooming, resting male rats, 40689

Melanotropin [See Melanocyte Stimulating Hormone]

Melatonin—Serials

age, overnight urinary melatonin concentration, depressed vs abstinent alcoholic 29–73 yr olds, Sweden, 6 mo study, 29520
circadian rhythm, feeding & locomotor activity, intact melatonin implanted vs pinealectomized pigeons vs sparrows, 24792
circadian rhythm of serotonin uptake by platelets & blood melatonin & serotonin & cortisol & prolactin, healthy male 27–35 yr olds, Sweden, 12660
daytime or nighttime 6-sulphatoxy-melatonin, 18–40 yr old females with anorexia nervosa with vs without bulimia, 33977
des-enkephalin gamma endorphin Org 5878, daytime melatonin, male 23 & 25 yr olds, neuroendocrine model of pineal function, 763
desipramine vs adinazolam, 24 hr urinary 6-sulphatoxy melatonin, depressed female 18–55 yr olds, 14700
diurnal changes in melatonin levels, telepathy & precognition experiences & bereavement apparitions, 36683
early vs late melatonin, jet lag, cabin crew on international flights, 46501
exogenous melatonin, phase of dim light melatonin onset, 20–48 yr olds, implications for treatment of circadian phase sleep & mood disorders, 20910
illuminance transitions, locomotor activity & pineal melatonin rhythm, male rats, 12654
illumination, nocturnal serum melatonin & vigilance & RT & other task performance, 19–39 yr old males, 28612
individual differences in resynchronization speed of circadian rhythms of salivary melatonin & subjective alertness following rapid time zone changes, 21–50 yr old female flight attendants, Finland, 24813
light-dark vs constant dark cycles, plasma melatonin levels & circadian locomotor rhythms, pinealectomized starlings vs sparrows, 24799
light intensity & melatonin release period, body temperature & alertness, male 19–28 yr olds, 44518
light intensity & nocturnal exposure mediated melatonin suppression, cortisol vs prolactin concentrations, healthy adults, Australia, 12657
melatonin, alleviation of eastward flight jet lag, adults, France, 22699
melatonin binding asymmetry in left habenular nucleus & receptor distribution in optic tectum, lizards, implications in neuronal visual information processing, 20597
melatonin, therapeutic effects of 5-HT reuptake inhibitors, patients with obsessive compulsive disorder, letter, 2664
melatonin with vs without flumazenil, chronobiologically dependent analgesia & locomotor & anticonvulsant activity, male mice & hamsters, 16779
morning & evening bright vs dim light, nighttime melatonin secretion, inpatients with seasonal affective disorder, 18808
morning bright vs dim light therapy, 24 hr rhythms of blood serotonin & serum melatonin, patients with major depressive disorder, Germany, 10756
morning vs evening light treatment, melatonin onset, 22–61 yr olds with winter depression, replication, erratum, 2699
nocturnal & diurnal serum melatonin & cortisol & other pituitary & endocrine gland hormones, 22–71 yr olds with endogenous depression, 9828
nocturnal melatonin secretion & pineal calcification, 27–72 yr olds with multiple sclerosis & affective disorders, 37605
role of melatonin in antipsychotic action & parkinsonism & motor side effects of neuroleptics, 2665
role of pineal melatonin secretion abnormalities in comorbidity of multiple sclerosis & bipolar affective disorder, 25664
sleep & wake cycles & 6-sulphatoxymelatonin secretory patterns, blind 12–18 yr olds, 14446
24 hr plasma melatonin & cortisol, 22–60 yr olds with primary obsessive compulsive disorder, 29722
24 hr plasma melatonin, female 15–29 yr olds with anorexia nervosa, 14090

Mellaril [See Thioridazine]

Membranes [See Also Meninges, Nictitating Membrane, Olfactory Mucosa]—Serials

chronic subdural hematoma, male 35 yr olds with dural metastasis from gastric cancer, case report with research review, 18305
erythrocyte membrane characteristics, 24–74 yr olds with bipolar affective disorder, 45460
sodium ions, ionophore induced lithium ion transport across human erythrocyte membranes, 8860
stage of Alzheimer's type dementia, erythrocyte membrane & plasma changes, patients with Down's syndrome, 41862
subdural hematoma due to meningioma, female 59 yr old & male 62 yr old, case reports with research review, 18306

Membranes [See Also Meninges, Nictitating Membrane, Olfactory Mucosa]—Chapters

Intramembrane interactions between neurotensin receptors and dopamine D[subscript]2 receptors as a major mechanism for the neuroleptic-like action of neurotensin, 20621

Memory [See Also Early Memories, Eidetic Imagery, Episodic Memory, Long Term Memory, Memory Decay, Memory Trace, Reminiscence, Semantic Memory, Short Term Memory, Spatial Memory, Spontaneous Recovery (Learning)] —Serials

ability to read & remember textual material on skilled procedure performance, college students vs elderly, 28905
abstract features in thematic stories, analogical case retrieval, college students, test of predictive features hypothesis, 8349
accessibility of memories of positive vs negative events, latency of recall & perceived future probability of similar events, college students, Australia, test of availability heuristic hypothesis, 12232
accuracy in immediate vs delayed rating of behavior of police officer & memory sensitivity & decision criteria, individual vs grouped college students, implications for work performance appraisal, 23721
accuracy of memories of child's developmental milestones, mothers of 4–5 yr olds, England, 13319
acetylcholine selective suppression of excitatory intrinsic fiber synaptic transmission in neural network model of olfactory cortex, learning & associative memory, 39644
actual/ideal vs actual/ought self discrepancy, memory for target's experiences, college students, 8344
Adaptive Resonance Theory neural model of cortical hippocampal interactions related to object recognition & memory, 35699
adjectives with vs without unpredictable reference change & distraction, processing time & memory, college students, 16298
age & forgetfulness of target, perception of target's memory & capability & willingness to assign easy or difficult tasks, 18–87 yr olds, 1154
age & landmark & memory cues, computer simulated topographic memory ability, 17–86 yr olds, 28308
age & priming, explicit vs implicit memory in anagram solution, 18–20 vs 57–82 yr olds, England, 21177
age & retention interval, frequency-of-occurrence memory, college students vs 64–78 yr olds, 44151
age & self generation, retention, 18–86 yr olds, 44132
age & sex & schooling & retest status & forgetting & reasoning & vocabulary & spatial ability, individual differences in list & prose memory, 55–84 yr olds, 3 yr followup, 40860
age & sex & task complexity & sensory modality, memory & information processes, 20–80 yr olds, India, 44856
age & sex, immediate recall & delayed memory performance on Rey Auditory-Verbal Learning Test, 16–76 yr olds, 967
age & sex, noise effects on memory & recall performance, 16–30 yr olds, Nigeria, 12283
age & speech rate & passage difficulty, memory for speech, 61–79 yr olds & college students, 44164
age & word length & rehearsal, identification & articulation rate in memory span, 5 & 8 & 11 yr olds, 40819
age, background delta & healthy theta bands in EEG spectra & correlations with acetylcholinesterase activity of CSF & memory, 20–91 yr olds, 2 yr followup, 12601
age, interrogative suggestibility & relation to memory & vocabulary, 6–12 yr olds, Iceland, 37024
age, memory for or recognition of items consistent vs inconsistent with expectations, 19–28 vs 63–75 yr olds, Sweden, 5115
age, modality effect in repetition priming vs recall of word modality & recognition, 18–32 vs 64–80 yr olds, 5112
age, performance on memory & visual search tasks, adults, erratum, 36054
age, recall ability & prospective vs retrospective memory evaluation, 50–79 yr olds, 29122
age, recall of distant past experiences vs expectations of future life experiences, college students, 25120
age, recovery of memory functions after ECT, depressed patients, 34608
age regression, pseudomemory for previous nonevent, college students, 12320
age related changes in size of mamillary bodies, 18–78 yr olds, implications for aging & memory loss, 32434
age, spatial working & reference memory & passive avoidance & motor activity & basal forebrain cholinergic system, senescence accelerated prone vs resistant mice, 24687
aging & dietary caloric restriction, spatial & nonspatial reference & working memory, 3 vs 11 vs 25 mo old male rats, erratum, 24806
aging & full divided attention, automatic vs controlled memory processes, 17–23 vs 64–90 yr olds, Canada, 40821
aging & memory task intertrial interval, place vs object recognition, 2 vs 18 mo old rats, 12354
aging & physical fitness, automatic vs effortful memory, 18–27 vs 60–65 vs 65–88 yr olds, 17015
aging, perceptual processes & psychomotor coordination & memory & problem solving & decision making, aircraft pilots, 23873
aging, prospective & incidental memory, 60 yr olds & older vs college students, 44162
alcoholic beverage warnings in magazine vs TV advertisements, knowledge & memory of facts & hazards, college students, 47493
alprazolam, cerebral blood flow & memory & sedation & plasma epinephrine & norepinephrine, healthy male 18–25 yr olds, 28776
alprazolam vs buspirone, memory function, healthy 18–35 yr olds, 8867
amphetamine vs diazepam vs caffeine vs atropine vs immobilization vs footshock vs forced running stress, maze learning & memory & performance, male rats, 36800
amygdaloid opioid activity, cholecystokinin induced memory & retention enhancement, male mice, 8897
aniracetam, memory enhancement in radial maze performance, female rats, 36827
antichick Thy-1 glycoprotein, intermediate & long term memory in avoidance conditioning paradigm, 1–2 day old chicks, 28704
anticholecystokinin-8 antiserum in cingulate cortex, acquisition & retrieval in visual discrimination conditioning, male mice, 28747
anticonvulsant drugs, overall & general vs steps of verbal memory processing, patients with left temporal lobe epilepsy under reduced medication, 6916
application of protein synthesis inhibitor anisomycin to gustatory cortex, memory of taste aversion to saccharin, male rats, 32692
application of V. Nabokov's autobiography & narrative of Nestor in Ovid's Metamorphoses to argument about holographic nature of memory, 20329
arecoline, verbal memory, 50–81 yr olds with probable or possible Alzheimer's disease, conference presentation, 10843
articulatory & phonological determinants of word length, auditory & visual memory span task performance, 59–74 yr olds, 4373
assessment of & intervention in subtle changes in memory function & cognitive speed, young vs older adults, implications for early diagnosis of dementia & Alzheimer's disease, conference presentation, 35939
associative priming in memory retrieval tasks, application of spreading activation vs nonspreading activation theories, 4387
atropine, learning vs attention vs memory vs discrimination vs time perception task performance on operant test battery, male rhesus monkeys, 8971
attention & new learning & memory, Vietnam combat veterans with PTSD, 45574
attentional allocation during memory search, 18–26 vs 62–72 yr olds, 17046
attention/likelihood theory & regulation of recognition memory, 40158
audio cassette assisted memory training, retention, patients with early stage Alzheimer's disease, 1 & 2 wk followups, 38209
auditory & verbal vs visual & spatial memory, children with complex partial epilepsy of right vs left temporal lobe, conference presentation, 18358
aversive conditioning, nervous ganglia & hemolimph free amino acid levels during learning vs memory consolidation, female crickets, 16692

base rate information about item difficulty, feeling of knowing judgments during recall of general items, college students, 20305
benzodiazepines or other psychoactive drugs, measurement & interpretation of changes in memory, 32714
beta carboline action at benzodiazepine & GABA receptor sites & convulsive or anxiogenic or memory effects & neurotransmitter system interaction, commentary on research review, 32455
beta carboline action at benzodiazepine & GABA receptor sites & convulsive or anxiogenic or memory effects & genetic determinism & animal model selection, commentary on research review, 32603
beta carboline action at benzodiazepine & GABA receptor sites & dosage related convulsive or anxiogenic or memory effects & animal models, commentary on research review, 32609
beta carboline action at benzodiazepine & GABA receptor sites & dosage related memory & learning effects, commentary on research review, 32598
beta carboline action at benzodiazepine & GABA receptor sites & dosage related memory effects & animal models, commentary on research review, 32580
beta carboline action at benzodiazepine & GABA receptor sites & dosage related memory effects & possibility of genetic determinism, animals, commentary on research review, 32589
beta carboline action at benzodiazepine & GABA receptor sites & memory & anxiogenic & convulsant & learning effects & isolation of genetic link, commentary on research review, 32415
beta carboline action at benzodiazepine & GABA receptor sites & memory & learning effects & possibility of genetic determinism, 2 strains of mice, commentary on research review, 32654
beta carboline-methyl beta carboline-3-carboxylate with vs without Ro 15-1788 in nucleus basalis magnocellularis, memory & recognition, rats, implications for etiology of Alzheimer's disease, 8941
beta carboline vs neurosteroid injection to nucleus basalis magnocellularis benzodiazepine receptor site, memory & role of GABA, rats, commentary on research review, 32416
bias measures & nonparametric model of recognition memory, 174
binaural presentation of stories of varying complexity, attention & memory, schizophrenic 18–48 yr olds, Italy, implications for hemispheric neuroanatomical malfunction, 25797
biological perspective on multiple brain systems in learning & declarative vs nondeclarative memory, rats & monkeys & humans, 593
BP changes during ECT, anterograde memory, 19–79 yr olds with major depression with vs without cardiovascular illness, 34609
brain lesions, visual recognition memory expressed in d' or arcsine terms, macaques, commentary, 24644
breakfast & blood glucose, memory test performance, 19–28 yr olds, 4698
brief delay vs interference phase, recognition of & memory for shape vs texture of haptic stimulus, infants, 40804
buspirone vs diazepam, alertness & memory & attention & concentration & motor performance, adults, 36897
buspirone vs lorazepam, vigilance & attention & memory & cognitive performance, healthy 55–80 yr olds, 12824
calculation of probability mass functions of similarity & activation & echo intensity distribution in recognition memory, application of multiple trace model, 20141
caption meaning, recognition & recall of nonsense figures, college students, 20318
case based vs traditional reading instruction, ability to activate & assemble & incorporate knowledge in memory, 9th graders, 35282
causal attributions & beliefs about memory performance & strategies, 20–41 vs 60–88 yr olds, 20308
cellular & molecular mechanistic bases of NMDA receptor dependent expression of long term synaptic potentiation in hippocampus, vertebrates, implications for memory, 24650
cerebellectomy, learning & memory capacity & open field & motivation related behavior, male rats, 28495
change in local features vs structure of visual objects during study task, implicit vs explicit memory performance, adults, 20307
change in memory & information processing & intellectual ability, 55–86 yr olds, Canada, 3 yr study, 17035
characteristics of career information videotapes, responses & number of visual & verbal memories, 9th–12th graders, Canada, 39398
chemosensory vs verbal influences & labeling, long term odor recognition memory, male vs female 18–27 yr olds, Austria, 39974
chlorpromazine vs lorazepam, explicit & implicit memory & priming & cognitive skill learning, adults, 12761
chronic marihuana, memory & learning & other cognitive abilities, 18–42 yr olds, 37922
civil litigation & family characteristics & assessment criteria for memories recovered through therapy & allegations of child sexual abuse, families accused by adult children, 23947
clinical & demographic & other risk factors, memory impairment, depressed 60–89 yr olds, conference presentation, 1680
clinical validity & validity of children's version of Selective Reminding Test, measurement of memory skills, 8–12 yr olds with learning disabilities or seizure or neuropsychological disorders, 134
clinical/reminiscence vs cognitive/experimental approach to cognitive aging research on autobiographical memory, 33010
clonidine, cognition & memory, elderly with Korsakoff's syndrome, replication, 42466
cocaine, induction & maintenance of long term potentiation in hippocampal slice preparations, rats, implications for memory & learning, 40676
cognitive constructs of implicit & explicit memory & significance of subjective experience of memory in cognitive therapy, sexually abused 3 yr old female, 10531
cognitive deficits & procedural memory ability as neurobehavioral sequelae of alcoholism, patients with Korsakoff's psychosis, 29877
cognitive load & attention & memory performance, EEG measurement of alpha frequency during memory search, graduate students, 44482
cognitive rehabilitation vs occupational therapy, attention & memory, schizophrenic patients, 39048
cognitive restructuring &/vs memory skills training vs memory practice, memory performance & beliefs, 60 yr olds & older, 6573
cognitive status & memory impairment & attention & plasma ACTH & urine free cortisol levels, 16–60 yr olds with Cushing's disease, 30052
coherence of supplementary pretest retrieval cues & light vs dark training condition, performance in Y maze footshock avoidance task, rats, 24533
coherence of visual displays &/vs simultaneous story, recognition memory for detail, adults, 20309
color & rotation & movement manipulations of matrix of letters, ratings of letter vividness in perceptual vs drawings vs memory vs imagine modality, 15–48 yr olds, 21172
complex sound frequency patterns, magnetoencephalographic measurement of memory related EPs in supratemporal auditory complex, male 21–34 yr olds, 36479
conceptual approach to neuropsychological analysis of memory & role of hippocampus in mnemonic processes, 584
concurrent validity of Rey-Osterrieth vs Taylor complex figures, measurement of visual memory, 20–80 yr olds, 11951
concurrent visual discrimination learning & delayed matching to sample, assessment of memory, 21–65 yr olds with postencephalitic amnesia vs Korsakoff's psychosis vs alcoholism, 17629
confidence & accuracy of memory for faces inverted or with spectacles added, males, 44155
confidence & awareness of knowledge acquired & personal relevance of news items, accuracy of knowledge acquired from listening to news, college students, 36245

configural & elemental associations in context of A. R. Luria's memory coherence perspective, 367
confinement weight loss & malnutrition, memory & learning performance, former prisoners of war, 371
construct validity of the Continuous Visual Memory Test, healthy 18–61 yr olds, 127
content driven dichotomy in multiple learning & memory systems, 361
context & instantiation & interference & change of standard effect in person perception & memory, college students, 1 wk followup, 25499
conversational remembering & rhetoric & truth, 4378
coping with loss of vs therapeutic enhancement of memory & information processing skills & learning ability, patients with Alzheimer's disease, 38368
correlated dimensions & family resemblance principles & conceptual knowledge, perceptual & memory based category construction & sorting, college students, 4352
corticoamygdalectomy, seizure frequency & memory, patients with temporal lobe epilepsy & normal vs impaired preoperative memory, 10825
covert rehearsal & repetition, memory for rehearsed vs unrehearsed vs lured tone pairs or triples, college students, 4390
credibility continuum of childhood vs contemporary vs screen memories from trauma & ritual abuse, patients with multiple personality disorder, commentary reply, 25705
credibility continuum of childhood vs contemporary vs screen memories from trauma & ritual abuse, patients with multiple personality disorder, commentary, 25741
cue vs word pair review with vs without feedback, extent & prediction of word pair recall & general & mnemonic value of self monitoring for memory, college students, Canada, 16328
current perspectives on complex interconnections between sensory neurons & systems & memory process, 16536
cyclic adenosine monophosphate dependent protein kinase, late state hippocampal long term potentiation of CA1 neurons, rats, implications for establishment of explicit memory, 40574
cytidine diphosphocholine, learning & memory & motor performance & coordination, male rats with or without scopolamine or methylazoxymethanol based amnesia or nucleus basalis magnocellularis lesion, 36756
declarative memory in visual paired comparison task, normal vs amnesic 40–78 yr olds, 22381
delay & change of context, imitation from memory of peer's activity, 14–18 mo olds, 44870
delay or intertrial interval or multiple or 40 sec or no samples, memory & discrimination in choice vs successive matching to sample tasks, pigeons, 44259
delay preceding occurrence & number & complexity of target events, prospective memory, 19–22 vs 60–80 yr olds, 914
demand & social influence vs source monitoring failure, suggestibility effect on memory of visually presented incident, eyewitnesses, 365
denial of memory deficit & cognitive impairment severity & presence of depressed mood & sad affect, patients with probable Alzheimer's disease, 46094
deterioration on Blessed test of information & memory & cognition, 41–84 yr olds with Alzheimer's disease, 8 yr study, 6403
development & validation of Bayesian classified EP based memory assessment, college students, 12033
dexmedetomidine, learning & memory in passive avoidance & water maze tasks, male rats, 12892
diagnostic terms for mild memory impairment or dementia & relationship between aging & Alzheimer's disease, elderly, research review, 2259
diazepam vs lorazepam, explicit memory & lexical & perceptual priming, adults, 12884
differential cognitive processing of & memory for ingroup vs outgroup information, college students, 21506
differential outcome expectancies, memory for temporal & nontemporal information, pigeons, 36329
direct vs indirect assessments of memory for script based narratives, young vs older adults, 32874
directional questioning & memory base content & variability, self conception, college students, Canada, 25561
discriminations based on single vs multiple eye fixations & eccentricity, interference with memory for visual attributes, adolescents & adults, 12168
dissociation & consciousness & memory, 1700s to present, 33517
dissociative effect of auditory vs visual massed repetition vs single presentation of words, implicit & explicit memory, college students, Canada, 16331
distance vs location vs relative time of occurrence theories of memory for time of past events & chronological aspect, adults, literature review, 16337
distractor difficulty & retention interval, long term recency effect & time sharing in memory for word pairs, college students, Japan, 44166
distribution of central benzodiazepine binding sites in memory related structures involved in memory processes, postmortem brains of male 60–68 yr olds, 12507
dorsal hippocampus vs prefrontal lobe lesions, matching to sample memory performance, young lesioned vs normal aged rats, 8688
duration & interval parameters of voice samples, identification of mock abductor's voice immediately vs 24 hrs vs 1 wk following voice exposure, college students, 8265
duration of aversive vs pleasant film clips, real time affect & immediate vs delayed global evaluations, college students, 40203
duration of posttraumatic amnesia, everyday memory following recovery, brain injured patients, Australia, 30190
dynorphin vs U-50, 488 vs nor-binaltrophinine, memory for peck avoidance training, 2 day old male chicks, 692
ECS induced generalized seizure activity, disruption of conditioned taste aversion & gustatory engram, male rats, 40258
ECT, memory & depression & affective aprosody, patients with unipolar or bipolar depression, 22806
ECT, memory assessed with Randt Memory Test, depressed 19–79 yr olds, 34610
effects of enkephalins on conditioning as model of peripheral modulation of learning & memory, 20584
efficacy of memory reformulation in ideodynamic hypnotherapy, phobic 20–61 yr olds, 2708
efficiency & reliability & concurrent validity of computerized adaptive vs conventional tests of tonal memory, college students, 31815
effortful vs automatic memory performance, depressed 16–75 yr olds, 33601
embryonal amygdalar tissue transplantation, cognitive activity disturbance compensation & learning & memory, adult amygdalectomized rats, translated article, 24688
emergence of autobiographical memory, 4 yr olds, 952
emotional state, attentional resources in path learning & word memorization, college students, 44178
enabling relations, event recall & memory load, 20–25 mo olds, 893
encoding & priming & attention, feeling of knowing judgments & prediction of later memory for unrecalled items, college students, test of target retrievability vs cue familiarity hypothesis, 4394
environmental memories of special childhood places or long time homes, adults & elderly, 1463
environmental support & word stem length & structural vs semantic encoding, implicit vs explicit memory on word stem completion, 17–34 vs 60–89 yr olds, 17055
estimation & cross modality matching of remembered brightness vs loudness, college students, 43943
event duration & memory & typicality, duration information reconstruction & estimation, college students, New Zealand, 28305
everyday memory dimensions & working memory & intelligence, 18–22 yr olds, 8361
everyday memory performance, 50–77 yr olds with age associated memory impairment, 3–4 yr study, 40994
evolution of human intelligence as nervous system's solution to memory requirements vs survival problems, 32208
executive function & recognition memory, 4.1–5.8 yr olds with early treated phenylketonuria, reprint, 2180

experience & text type & speed, memory & comprehension of texts presented with synthetic vs natural speech, visually impaired 35–55 vs 65–80 yr olds, 22437
experimental design & variables & other methodological considerations in research on effects of alcohol on memory, 36823
expert vs novice baseball knowledge, strategic sorting & recall of baseball terms, 2nd & 4th–5th graders, replication, 923
explicit vs implicit memory, application of CHARM vs competitive learning vs backpropagation vs separate trace models, 359
explicit vs implicit memory test instructions, dissociation effects, college students, Japan, 4395
exposure to misinformation, distortion of original memories & lies, 24464
exposure to reinforcer on arms vs center of maze vs no reinforcer during adaptation, win-shift behavior, rats with caudate nucleus lesions, 451
exposure to varying numbers of consumer trivia under low vs high involvement conditions, memory & beliefs, college students, 7736
eyewitness suggestibility effect in verbal vs visual recognition memory test, college students, legal implications, 39679
factor structure & reliability & validity of Revised Memory & Behavior Problems Checklist, geriatric patients with dementia & their caregivers, test appended, 15983
factual vs false forward consequence inference implicit stories, susceptibility to bias in memory, 2nd vs 4th vs 6th grade regular vs gifted students, 9172
familiarity of oral statement, memory of making statement, college students, Canada, 24457
fantasy & defense in memory of film "Three Came Home" viewed at age 5, psychoanalyst, 25041
feasibility of adaptation of expert systems to memory based expertise in clinical information processing, social workers, training implications, 46817
feedback conditions of limited access to map vs review of previously read sentences vs postprocessing text reading, text memory of descriptions of town, college students, 40173
feelings of control & intrusive memories, chronic stress following nuclear reactor accident, Three Mile Island area residents, 1979–90, implications for PTSD, 41279
field dependence independence & visual space memory, college students, 41292
fimbria fornix lesions, spatial & nonspatial component of place & cue learning & reference & working memory, male rats, 20566
fimbria fornix with or without amygdala lesions, performance on & memory of object discrimination, rats, 4632
flattening vs sharpening of octave/3rd inducing tone in schematic ascending sequences of discrete tones, memory shift upward or downward of final pitch, adults, 40040
fluency & recollection, word recognition memory, patients with amnesia, 18420
focused vs divided attention, implicit memory & recall & recognition of picture sequences, 18–41 vs 61–90 yr olds, 40188
follicular vs late luteal phase menstrual cycle, cognition & memory & depression & anxiety, females with PMS, 14182
footshock intensity & time interval between passive avoidance response acquisition & parabrachial nuclei tetrodotoxin, retrograde amnesia & memory consolidation, male rats, 16524
foraging strategies & memory in feeder choice, honeybees, 32295
forced extinction, passive avoidance response consolidation gradient & UCS intensity & engram strength relationship, male rats, 40250
forgetting of words, repetition priming effects at chance recognition level & performance on explicit vs implicit memory test, college students, Israel, 16352
formal teaching vs guided vs free discovery vs play, memory & learning, primary school students, 3381
forms of knowing & not knowing massive psychic traumas in psychoanalysis, analysands, 34499
fornix vs medial prefrontal lesions, delayed matching to sample performance & object recognition memory, male rats, 36558
frequency & familiarity vs novelty of face, EP correlates of attention & recognition memory, 12 mo olds, review of research on 4 & 6 & 8 mo olds, 17052
frequency & mode of recall of positive & negative experiences, self rated happiness with life, college students, 41291
frontal system dysfunction, memory & learning & visual discrimination, elderly with Parkinson's disease, 18352
frontal vs retrorolandic brain lesion, maze learning as measure of mental planning ability, brain damaged adults, 22372
FR121196 vs methamphetamine vs physostigmine, memory in radial arm maze & passive avoidance task, scopolamine treated or medial septum vs fornix vs nucleus basalis magnocellularis lesioned older rats, 32662
functionality in analogical transfer combining perspectives of artificial intelligence & psychology on memory & surface vs structural features of recall, college students, 36162
GABA agonistic vs antagonistic neurosteroid injection to nucleus basalis mangocellularis, memory & place recognition, male rats, 40620
game playing reactive programs as examples of controversy over role of memory & explicit concepts in learning & simulation of intelligent behavior, 19840
general & specific metamemory beliefs & prose memory performance, young adults vs elderly, 32885
general memory vs separation vs interactive memory instructions, recall & frequency & effectiveness of memory strategies in paired associate learning, college students, 24469
general vs specific story prime & adjacency of prime & causal target, comprehension & causal relations in memory for narrative text, college students, 44168
general world knowledge & memory representation of everyday social events with related vs unrelated prototypic schemas, college students, 24470
glucose, memory reactivation in passive to active avoidance negative transfer learning paradigm, male rats, 40664
glucose, scopolamine vs age induced memory deficits & 3H 2-deoxyglucose uptake in brain, male mice, 24987
glutamate receptor number & affinity in hyperstriatum ventrale & archistriatal/lobus parolfactorius, memory encoding, imprinted vs nonimprinted chicks, 44408
glutamate transmission in presynaptic terminals formed by afferent projections, postsynaptic amygdala targets, male rats, implications for emotional learning & memory, 20522
graphical vs tabular information display & linear vs multilinear number progression & problem type & memory capacity, problem solving, college students, 24407
group test questionnaire vs interview retest, assessment of probability & features of memory for former head injury with loss of consciousness, 17–22 yr olds, 15954
guanfacine, learning & memory, 50–79 yr olds with age associated memory impairment, 6939
habituation & recovery to & memory of same vs different speech sounds, neonates, 1 day followup, 28962
health status, everyday memory, 62–75 yr olds, 40988
Hebbian algorithms for estimation of covariance between neural network input & output patterns in associative matrix memories & reinforcement learning, 35701
hippocampal &/or amygdalal infusion of NMDA glutamatergic antagonist CNQX, memory habituation to novel environment & inhibitory avoidance, male rats, 32640
hippocampal formation volume & memory dysfunction & cortisol, 16–72 yr olds with Cushing's syndrome, 22250
history & use of metaphor "mind's eye", mnemonist memory experts, 32200
history of everyday memory research, cognitive & applied psychology applications, 16339
holography as memory model to explain deja vu experience, commentary reply, letter, 36290
holography as memory model to explain deja vu experience, commentary, letter, 36288
hypnosis vs waking condition, memory enhancement & hypermnesia & reminiscence & immediate vs delayed recall, college students with high vs low hypnotic ability, 4375

hypothesis on neural systems providing for operative memory, translated article, 40347
icv antiKPI-APP or antiP4 immunoglobulin, passive avoidance & memory, male rats, implications for amyloid precursor protein involvement in memory formation, 32637
idazoxan, mood & memory & attention, healthy male 18–45 yr olds, 16866
impairment of serial recall of visually presented lists with irrelevant speech, disruption at memory vs encoding levels & effect of changing state of auditory channel, 16344
implicit & explicit memory & skill learning in cognitive motor task, young adults vs elderly, 925
implicit & explicit memory for word pairs presented during REM or Stage 2 sleep, male graduate or medical students, 409
implicit & procedural memory, patients with neurological disease, literature review, 18410
implicit category production vs identification vs explicit cued recall of studied vs unstudied words, schizophrenic veterans, 41602
implicit memory & EPs in word repetition priming, elderly with mild probable Alzheimer's disease, 6360
implicit memory & formation of new associations in serial RT task, elderly patients with very mild vs mild senile dementia of Alzheimer's type vs nondemented Parkinson's disease, 34173
implicit memory following general anesthesia, surgical patients, 18898
implicit memory, patients with frontal lobe lesions, 18408
implicit memory, research review, 32228
implicit vs explicit memory for newly learned associations, 18–24 vs 60–70 yr olds, Belgium, 13071
independence of reasoning & memory & fuzzy trace theory of cognitive development, children, 21165
indicators of malingering in clinical neuropsychological memory assessment, college students, 20064
individual differences in anxiety, eyewitness memory & performance, college students, Australia, 24460
individual differences in confidence in pretraining knowledge & awareness of training performance, accession of prior knowledge & strategy transfer in problem solving, college students, 318
inefficiency of attractor networks as means of associative memory, implication for Q state neuron problem, 47578
inescapable shock, appetitive & aversive memory retrieval, male rats, 32300
infantile x-irradiation induced hippocampal granule cell hypoplasia, memory based learning, 16–17 vs 60–65 day old rats, 16537
inferior temporal cortex neurons, visual memory, monkeys, 20521
inferior temporal neurons, visual memory & multiplication of visually elicited temporal waveforms with waveforms from memory in 3 layer neural network, monkey, 20520
information processing objective & question order, memory & judgment in performance appraisal, college students, 28273
inhibitory learning & transfer & memory, octopi, 4440
instance theory of automaticity, prediction of power function of practice & shape of learning curve from shape of distribution of memory RTs, adults, 4386
instructions to simulate amnesia, performance on word vs fragment completion indirect memory tests, college students, implications for detection of malingered amnesia for crime, 2277
instrumental responses, memory retrieval of nonreward in T maze trials, male rats, 434
intellectual ability, recall of meaningful text, 16–18 yr olds, 40184
intellectual skills & memory capacity & cognitive set, coping strategies during interrogation, 11–16 yr old males, test of G. H. Gudjonsson & N. K. Clark's model of interrogative suggestibility, 5219
intelligence, learning & maintenance & transfer of problem solving strategies, gifted vs average vs mentally retarded 7.3–11.8 yr olds, 5090
intentional vs incidental semantic vs graphemic processing & repetition spacing, cued memory performance, college students, 20306
intentionally vs incidentally encoded words in interactive context, recognition memory, amnesic patients, 6387
interference & schema based reconstructive memory processes & source confusion, recall of citation errors in scientific literature, college students & psychology faculty members, 32233
interictal signs & psychiatric & memory functions following cortical resection, 3–59 yr olds with temporal or frontal or parietal lobe epilepsy, 14848
internal representation vs external memory as compensatory mechanisms for blind spot & eye movement defects in visual perception, 24313
internal structure & ending of tonal sequences & ecological noises, incidental remembering of auditory event durations, college students, 4369
intertrial interval, flank scent discrimination memory in habituation task, male hamsters, 44212
intertrial interval in successive cue olfactory discrimination paradigm, odor-reward association learning & memory, male rats with horizontal diagonal band of Broca lesions, 24706
intracarotid amobarbital injections, material specific memory, left hemisphere language dominant patients with temporal complex partial seizures, 38277
intracarotid amobarbital, verbal memory & electrocorticographic suppression patterns, 13–55 yr olds with intractable complex partial seizures, 10828
intrahippocampal corticotropin releasing factor &/vs cycloheximide vs actinomycin-D, memory retention in passive avoidance & locomotor activity, male rats, 16806
involvement of pathways connecting septal region & hippocampal formation in memory, male 25 yr old with amnesia following arteriovenous malformation in left ventricle, case report, 18423
ip vs icv amylin, memory processing following weak vs strong footshock avoidance conditioning, male mice, 4792
IQ & memory test performance & cortical EP amplitude & latency, healthy 20–63 yr olds, 20674
item & relational information, encoding & retrieval processes, college students vs elderly, 32868
iv propofol, mood & memory & psychomotor performance & abuse potential, healthy 21–30 yr olds, 32718
iv propofol with vs without amphetamine, memory & anterograde vs retrograde amnesia, male mice, 24958
ketanserin &/vs physostigmine dosage, memory, aged male rats, 24951
language function, verbal learning & memory, 16 yr olds & older with right vs left temporal lobe epilepsy, 18379
lateralization of verbal memory in paired associate learning & logical memory tasks, patients with left vs right hippocampal sclerosis, Australia, 46091
learning & memory, male C57BL/6 vs DBA/2 mice, implications for hippocampal dysfunction hypothesis, 44438
learning & memory, 17–44 yr old monozygotic twins discordant for schizophrenia or delusional disorder, 45380
learning & retention & retrieval & neuropsychological performance & self reported memory problems, narcoleptic adults, 2166
learning abstract nouns & monitoring activities, prediction of & actual memory performance, college students, test of metamemory hypothesis, 353
learning concrete vs abstract words, imagery production & use & memory, young adults vs elderly, 912
learning strategies to memorize theatrical scripts, actors, 8357
length of abstinence, memory, alcoholic adults in rehabilitation, 15122
length of nonreinforcement associated with signal, signal generated memory & resistance to extinction, male rats, 40244
lesion of amygdaloid complex & hippocampal formation, visual recognition memory, newborn vs adult monkeys, implications for etiology of infantile amnesia, 36483
lesion to area 7 of parietal cortex, short term visuospatial memory & visual EPs, rhesus monkeys, 24702

lesions of inferior temporal area, cortico-amygdala projections & visual memory, infant vs adult monkeys, 36580
level of processing of visual vs auditory words vs pictures & masking of target vs lure, remember vs know judgments in recognition memory, college students, 40186
lidocaine induced reversible inactivation of nucleus of solitary tract, memory formation & retention in inhibitory avoidance task, male rats, 20598
lifetime occupation, visual vs verbal memory, 65 yr olds & older without dementia, France, 13198
line drawings of objects from memory vs line drawings vs real objects, female 36 yr old with visual form agnosia caused by brain damage, implications for surface property cue importance, 38290
list learning & phylogeny & ontogeny of serial memory, pigeons & monkeys, 40262
list vs word method, directed forgetting on implicit vs explicit memory tests, college students, 32198
lithium, memory & perceptual field changes during incidental learning, patients, 6744
location vs pairing of pictures, development of intentional vs incidental memory & recall, 1st–3rd graders, India, 13057
locational memory & reunion in maternity colonies, female Mexican free tailed bats & their pups, 40302
locus ceruleus corticotropin releasing factor &/vs chlordiazepoxide vs yohimbine &/vs hippocampal 6-OHDA, noradrenergic mediation of memory enhancement, male rats, 12750
lofepramine vs dothiepin, memory & psychomotor function, healthy 22–44 yr olds, 32568
long interval retention, hypoxia induced memory deficit in FI schedule, male rats, 44504
long term benzodiazepine effects on memory & psychomotor performance & mood & their reversal during withdrawal, patients, 42409
long term trihexyphenidyl abuse & withdrawal, memory & cognitive impairments, 55 yr old male with parkinsonism, case report, 42601
lorazepam, memory, alcoholic males, Australia, implications for alcohol related amnesia & memory pathology, 37948
lorazepam vs oxazepam, priming & explicit memory, healthy 18–36 yr olds, 40541
magnetic fields & circadian rhythm & memory impairment, elderly, treatment implications, 24810
manual response & single neuron discharge in prefrontal & posterior parietal cortices during visuomotor memory task, rhesus monkeys, 32431
maternal preteaching instructions & memory strategy use with rote vs sequential vs spatial information, child memory strategy use & performance, 4 yr olds & their mothers, 40815
mathematical analysis of neural network associative memories with minimum connectivity, 3868
maze learning & memory deficits, male spontaneously hypertensive 3 vs 12 mo old rats with vs without captopril treatment, 25013
MDMA, memory in delayed matching to sample paradigm, pigeons, implications for tolerance & cumulative behavioral impairment effects, 44662
medial septal lesion, operant delayed vs undelayed go/no go discrimination & memory, male rats, 12533
medial septum & mammillary body lesions, memory of serial position, male rats, 40369
medial vs dorsolateral septal nuclei lesions, reference & working memory in place & cue radial maze task & hippocampal theta, rats, 16563
memory & attention efficiency, patients with toxic encephalopathy due to organic solvent exposure, 18173
memory & brand attributes & persuasive information & motivation, consumer preference for previously encountered vs directly observable brand, college students, 15738
memory & cognitive & other neuropsychological deficits, patients with chronic fatigue immune dysfunction syndrome vs depression, 45924
memory & conditional avoidance performance in T maze, 4 vs 10–12 mo old Senescence Accelerated vs resistant mice, animal model of spontaneous cerebrocortical atrophy, 40410
memory & free recall of read vs generated words, blind vs sighted 11.2–14.8 yr olds, England, 22444
memory & learning & psychological symptoms & personality, 71–76 yr old cataract surgery patients, Finland, 26884
memory & learning, patients with cerebellar with vs without brain stem lesions, 46048
memory & verbalization of trauma occurring before 28 mos, preschoolers, 13638
memory & visuomotor integration abilities, sequential changes in drawing based on intellectual development model, 4 & 6 & 8 & 10 yr olds, replication, 37012
memory ability, patients with stroke induced aphasia & anterior vs posterior brain lesions, 46041
memory as conscious experience, 372
memory based approach to hypothesis formation & heuristic learning of common sense causal relations from episodic text, application of artificial intelligence learning program NEXUS, 28303
memory difficulties, development of dementia, 50–83 yr olds with benign senescent forgetfulness, 3 yr followup, England, 2300
memory dysfunction, depressed elderly caregivers of spouses with dementia, 34911
memory for CVC associates in paired associate recall of emotional words, adults, 8341
memory for day of wk & hr of day & elapsed days since occurrence of specific event, adults, 354
memory for emotionally loaded situation & neutral information regarding emotional event, literature review, 4374
memory for important events in & perceived impact & effectiveness of therapy sessions, 22–40 yr old clients & therapists, 2434
memory for information source, 18–42 yr olds with traumatic brain injury, 38235
memory for schema relevant information, meta analysis, 4391
memory for size of drawings vs photographs, college students, 8351
memory for stimulus duration, college students, Belgium, 36252
memory functions & MRI evaluation of temporal lobe & related structures, adult schizophrenic patients, 45495
memory interference & independence in reasoning & cognitive development, children, application of fuzzy trace theory, erratum, 28903
memory interference & independence in reasoning & cognitive development, children, application of fuzzy trace theory, 17013
memory mechanisms & origins of alcohol expectancies & effects on sexuality, 25452
memory of orientation of monarchic profile on coinage vs stamps, college students, England, 8363
memory of weight perception in lifting common vs novel objects, 21–46 yr olds, Sweden, 44145
memory performance & health & medication & self care & social activity, 70–95 yr olds in Part III residential care homes, 30906
memory prerequisites of mismatch negativity in auditory ERPs in response to change from standard tone, 19–33 yr olds, Finland, 44137
memory processes, autistic 12–40 yr old males, implications for amnesic syndrome etiology of autism, 33926
memory provoking visual discrimination, single neuron activity in amygdala, male rhesus monkeys, 582
memory representation of motor skills, schema abstraction model, 217
memory retrieval, retention, college students, 16330
memory search & mental effort, heart rate variability, college students, 4724
memory skills training & change in expectations, memory complaints & performance, 69–93 yr olds, 9340
memory span, serial verbal recall rate, 4–5 yr olds, 9133
memory structure & system specific neuron activity in food acquisition behaviors, rabbits, translated article, 36510
memory structure & type of argument in print advertisement, immediate vs delayed recall & recognition, 20–47 yr olds, 8347

memory task performance, coached naive vs sophisticated malingerers vs brain injured patients, implications for defense attorneys, 10387
memory, test retest reliability of general intelligence tests, college students, 47
memory training & other cognitive rehabilitation approaches, patients with Alzheimer's disease, 23172
memory variance in FI operant timing task, pigeons, 16432
memory vs mental computation in planning & selection of handgrip & time course of movement of object from original to target position, college students, 4332
memory vs perception generated spatial models in mind, 44096
memory wallet as self prompt for information, accuracy of utterances in prompted conversations, 67–93 yr olds with dementia, 24–30 mo followup, 19178
mental reinstatement of context vs free recall vs specific questions, completeness & accuracy of information recall, 6 vs 11 yr olds vs adults, implications for interviewing child witnesses, 37025
mental representation memory of problem models, problem description reconstruction, good vs poor novice college students, Netherlands, 27489
method for assessment of effect of dihydroergocristine on memory, patients with chronic cerebrovascular disorders, 10821
methodological problems with & empirical consensus regarding lithium treatment & memory assessment, 38547
methodology in investigation of memory of intentions, 16346
minaprine, learning & memory in active avoidance conditioning, male rats, 40613
model of cholinergic modulation of memory function, brain slices, 40370
model of decision making & memory comparison process & accuracy response latency in recognition memory, commentary reply, 8345
modules & central systems in neuropsychological model of memory, 360
mood & accuracy & reliability of memory for acute pain experience, 18–50 yr old dental surgery patients, 44130
mood & plasma sex steroid concentration & memory, female 18–25 yr olds in menstrual vs late luteal phases of menstrual cycle, 28626
mood, thought processes & memory & immune system functions, children & adults, 8789
motor & memory & psychiatric disturbances, patients with Wilson's disease with vs without neurologic impairment, conference presentation, 6244
movement vs color discrimination interference, object vs spatial memory performance, 18–21 yr olds, implications for functional dissociation in visual memory, 36250
MPTP with vs without levodopa, olfactory memory & recognition & brain catecholamines, male mice, animal model of Parkinson's disease, 40550
multifactorial vs unifactorial memory training with encoding operations with vs without attentional skills & relaxation, memory performance, elderly, Sweden, 6 mo followup, 37222
multiple classification training with social vs nonsocial stimuli vs rule training, sex stereotyping & memory for counterstereotypic information, 5.8–10.5 yr olds, 13096
multiple entry modular memory system framework & recollection, 355
muscimol in entorhinal cortex, passive avoidance learning & memory, male rats, 36907
muscimol vs aminophosphonopentanoic acid infusion of entorhinal cortex, posttraining memory processing, rats, 8894
muscimol vs baclofen vs picrotoxin vs bicuculline vs CGP 35348, memory consolidation & retention of inhibitory avoidance response, male C57BL/6 vs DBA/2 mice, 44593
music during recreation period, mood & alertness & recall of past personal history, 72–103 yr old nursing home patients with Alzheimer's disease, 38929
naturalistic learning situation & responses to general information questions learned by reading vs own generation of answers, generation effect, college students, 40155
negative affect, memory & retrieval, infants, 37114
negative mood states, memory, 19–35 vs 60–78 yr olds, conference presentation, 25121
neural activity of inferior temporal cortex in visual search for target in memory, monkeys, 40434
neural network & computational models of neural basis of learning & memory, research review, 35703
neuroanatomy of memory, research review, 32464
neuropsychological & cognitive & memory impairment, 44 yr old female with medial thalamic lesion, comparison with patients with other diencephalic lesions, 14327
neuropsychological assessment of executive function & verbal & visual memory, patients with pituitary tumors treated vs not treated with radiotherapy, Australia, 26256
neuropsychological findings & memory, 64 yr old female with transient topographical amnesia, case report, 30248
neuropsychological perspective on learning & memory, memory impaired patients & animals, 42099
neuropsychological sequelae of Wernicke's encephalopathy, 20 yr old female with short but severe history of alcoholism, 37954
neuropsychology of memory, schizophrenic patients, 33655
nicotine, delayed & immediate verbal recall, smokers, comparison of attention vs consolidation hypothesis of nicotine induced memory facilitation, 12908
nicotinic receptors, memory & other cognitive processes, 12524
NMDA antagonists CPP or MK-801, memory & habituation during novel swim test, male rats, 4952
NMDA vs glycine vs kainate vs quisqualate agonist, memory dysfunction, male rats with temporal & lateral entorhinal cortex transection, 28752
nocturnal zolpidem, morning memory impairments, 30–54 yr olds, Netherlands, 28723
nonmonotone dynamics of neural networks, enhancement of autocorrelation associative memory & associative neural network ability, 35709
nonstrenuous exercise, memory retrieval & visuomotor performance, 76–93 yr old nursing home residents, 40991
normal aging, cholinergic systems of brain & memory function, humans, implications for cholinergic therapy, 9098
normative scores on Rey 15 item Visual Memory Test, adult psychiatric inpatients, 43766
norms & reliability & validity of modified Rivermead Behavioral Memory Test, assessment of everyday memory, 5–10.9 yr olds & comparison group of 8.3–15.9 yr olds with severe epilepsy, England, 43802
nortriptyline, memory self assessment & performance, 61–84 yr olds recovered from major depression, conference presentation, 10703
nortriptyline treatment & plasma levels, verbal memory & attention & mood, elderly with major depression, conference presentation, 10742
novel vs fractional component of original auditory stimulus, heart rate indicated nonassociative memory reactivation, preweanling rats, 32553
novelty monitoring & metacognition & control in composite holographic associative recall memory model, implications for Korsakoff's amnesia, 16349
nucleus basalis magnocellularis muscimol with vs without bicuculline, working & reference memory, male rats, 16735
object recognition memory in delayed nonmatching-to-sample task, male rats with ischemia induced damage to hippocampus, animal model of cerebral ischemia, 24724
obvious vs nonobvious categories of word items, hypermnesia in free vs cued recall, college students, 40182
odor matching-to-sample learning & memory, male rats, 44243
olfactory conditioning & sensitization, central brain neuron activity, honeybees, implications for UCS pathway involvement in acquisition of associative olfactory memory, 32494
olfactory memory & identification, unmedicated schizophrenic patients, implications for dysfunctional limbic system in schizophrenia, 33666
online vs memory based group variability judgments, college students, 37467
orienting task & age, word list recollective experience of remembering or knowing, 15–18 vs 65–80 yr olds, 9138

orienting task with emphasis on relational vs individual proposition information, incidental narrative & expository prose memory, young adults vs elderly, 25139
paradoxical sleep deprivation, memory for shock avoidance conditioning, male rats, 40260
parallel & scalable architecture of accelerator board for prototyping & emulation of neural associative memories, 31725
parietal vs temporal cortex lesions, visual memory & visual spatial & cognitive functioning, rats, 28496
participant vs police vs O simulated contexts, eyewitness memory, 4 yr olds, 21269
participation in postdisaster mental health interventions, PTSD symptoms & malignant memories & other features, 23–66 yr old school personnel exposed to shooting, 6 vs 12 mo followups, 19023
perceived & actual control, memory for spoken language, 18–37 vs 58–78 yr olds, 44904
perceived social support, interpretation & recall of supportive behaviors, college students, 29343
perceptual priming & implicit memory for dynamic information & recognition of real vs distorted motor actions, high school students, 5120
performance & RT on category fluency & exemplar ranking & decision tasks, elderly with Alzheimer's disease, test of retrieval deficits hypotheses, 2256
performance on Benton Visual Retention Test Revised Edition visual memory & copy tasks, healthy elderly vs 51–96 yr olds with senile dementia of Alzheimer's type, 132
peripheral gastrointestinal hormones, CNS induced feeding & memory, animals & humans, 20569
phonemic processing & memory & reading development, 5 vs 6 yr olds, England, 44859
physiological & psychomotor & psychological effects of alcohol, 24929
physostigmine, stimulus encoding in memory scanning task, 18–32 yr old males, 25011
picture vs word priming with vs without imagery, performance on word fragment vs stem completion implicit memory tests, college students, 4331
plasma corticosteroids, nootropic or cholinomimetic induced memory improvement, male mice, 736
poor memory & depressive mood & neuropsychological test performance, epileptic patients, 46043
posterior vs anterior partial vs full commissurotomy, visual vs verbal recall vs recognition, 23–39 yr old patients, 22934
postevent information about new mobile, retention of information about original event & mobile, 3 mo olds, 37054
postlearning smoking of low vs medium nicotine cigarettes, paired associate learning & memory consolidation, male smokers, 12756
posttraining low dosage dopamine agonists, memory in simultaneous discrimination learning task, male rats, 40700
posttrial nicotine with vs without distraction, delayed recall & memory facilitation, smokers, 12878
practice & visual display pattern & element identity & color, memory based automaticity & transfer during counting task, college students, 32213
pretraining vs posttraining apomorphine vs quinpirole vs SCH 23390 vs SKF 38393 vs chlordiazepoxide, delayed nonmatch to sample radial arm maze performance & memory, male rats, 689
pretreatment with aldosterone or corticosterone, memory enhancing effects of nimodipine vs captopril vs CGP 37 849 vs strychnine, male mice, 24943
previous stimulus intensity & length of intertrial interval, perceptual vs memory effects in magnitude estimation & cross modality matching, adults, 12129
primed fluency vs recollection, word completion, male amnesic patients with Korsakoff's psychosis or encephalitis or anoxia, 18357
primed implicit vs labeled explicit trait manipulation, impression formation & memory, college students, 25509
priming & perceptual representation system & explicit vs implicit memory, 368
prior cuing of CS, acquisition & retention & memory reactivation of conditioned aversion, preweanling rats, 448
prior knowledge & familiarity of target, elaborative interrogation effects on immediate vs delayed associative learning & memory of facts about target, college students, 20330
process dissociation procedure, assessment of conscious recollection vs unconscious influences of memory, college students, 36166
processing load & stereotyped information, judgment & memory processes, college students, Wales, 28258
processing speed & articulation rate & memory, 8–10 vs 18–35 yr olds, 934
professional expertise, imagery based memory, 22–24 vs 64–81 yr old graphic designers vs 21–24 vs 64–80 yr olds, Germany, 17045
proportion overlap & ratio of studied to nonstudied items & repeated testing, implicit memory in primed word fragment completion, college students, 36225
prosthetic memory aid, dyad conversational content & social skills, 74–88 yr olds with dementia, 30971
protoconnectionist theory of memory of I. A. Richards, 40169
psychological stress & memory scanning speed, nondemented HIV seropositive males, conference presentation, 34097
question type & question word position, reading time for words & answer retrieval, college students, support for parallel question parsing & memory retrieval hypothesis, 44165
radial maze learning & memory in win-shift vs win-stay vs conditioned cue preference paradigms, male rats with electrolytic vs neurotoxic lesions to amygdala vs hippocampus vs dorsal striatum, 24696
rapport, hypnotically induced pseudomemory, college students, 12324
reality vs internal source monitoring ability development, learning disabled vs nondisabled 2nd vs 6th graders, 2025
recall & recognition memory for typical vs atypical actions in script based stories, preschoolers vs 1st graders, 28908
recall of & confidence levels for flashbulb memories of ordinary event & US bombing of Iraq, college students, 4 mo & 1 yr followups, 20328
recall of drinking & events surrounding natural recovery, former problem drinkers, 2 mo followup, 1900
recency effect in free recall, explicit retrieval strategy to residue of implicit learning as basis of priming in cognition & memory, 36221
recognition memory, adolescents & adults with misidentification delusions or other psychosis, Greece & France & UK, 1719
recognition memory for sign language vocabulary, beginning vs advanced 23–64 yr olds in community American Sign Language classes, 9058
recollection vs retention, transpersonal vs rational approach to memory, 8355
recombinant interleukin-2, mnesic functioning in passive avoidance task & CNS neuronal density & disregulation of immune system, 4 vs 17 mo old mice, 24949
reconstructive processing of memory content for high vs low academic test scores & grades, 17–74 yr olds, 28301
reexposure to passive avoidance conditioning situation, restoration of susceptibility of consolidated passive avoidance reaction to parabrachial nucleus tetrodoxin induced amnesia, male rats, 24656
related vs unrelated cuts, attention & audio & visual memory & processing capacity for TV messages, college students, 28254
relation of confidence & accuracy in general knowledge & eyewitness memory, adults, 20323
reliability & validity of retrospective accounts as indicators of past business strategy, CEOs, 15627
reliability of 3 word recall tests, assessment of memory, healthy 51–95 yr olds, 31938
REM sleep & dreaming, retention & search activity restoration, humans, 20706
REM sleep & memory & cognitive function, schizophrenic 19–46 yr olds, conference presentation, 17830
remembered verbal stimuli, selective neuronal EP in thalamic & striopallidal nuclei, parkinsonian patients, conference presentation, 34180

representational momentum & memory bias in left vs right implied motion, college students, 20311
repressive amnesia for childhood sexual abuse, adults, 33736
response bias, implicit vs explicit memory in word stem completion vs recognition tasks, college students, 12277
retention interval & degree of encoding, cryptomnesia & source memory during word search puzzle task with computer partner, college students, 32215
retention interval, memory for serial lists of pictures, 25–35 vs 65–75 yr olds, 44880
retrieval mood & incidence & interpretation of events & rehearsal, subjective well being & recall of positive vs negative life events, happy vs unhappy college students, 11 mo followup, 24468
retrieval of memories from specific temporal locations, nursery school students vs 1st vs 3rd graders, 920
retrieval of specific vs summary behavioral memories, trait judgments about self, college students, 41305
reversible lesions to dorsolateral prefrontal & posterior cortices, spatial discrimination & memory in cognitive visuomotor integration task, male monkeys, 36551
Rey-Osterrieth vs Taylor Complex Figure Test, measurement of constructional praxis & visual recall & interference, adults referred for neuropsychological assessment, conference presentation, 126
role of avoidance & intrusion of distressing memories of natural disaster in etiology of PTSD, volunteer firefighters, Australia, 42 mo study, 1774
role of galanin in cholinergically mediated memory processes, animal models of memory disorders & Alzheimer's disease, 20578
role of hippocampal system in declarative memory capacity, humans & animals, 555
role of inferior temporal cortex in associative long term memory & integration of visual perception & memory capacity, research review, 32419
saliency of perceptual & spatial cues, source monitoring & memory, young adults vs elderly, 915
sample duration, analogical vs nonanalogical coding in choice matching task, pigeons, 16438
sc cerulein, anisomycin vs puromycin vs cycloheximide induced memory impairment in passive or active avoidance, male rats, 16790
sc lithium & pilocarpine induced limbic seizures, aggressive behavior & learning & memory, rats, 40648
schema abstraction vs exemplar based model of motor skill memory representation, prediction of response bias in novel task transfer & retention, right handed male college students, 24458
schematic knowledge of Roman numerals, representation in memory on clock drawing task, 17–46 yr olds, England, 44144
scopolamine &/vs haloperidol, bitemporal puromycin induced amnesia in aversive maze learning, mice, 20855
scopolamine, attention & memory & learning, older vs younger adults, 20936
scopolamine with vs without TRH, declarative or procedural memory, male rats, 4887
scripts for 3 types of robberies & leading questions by attorney, jurors' memory for eyewitness testimony in mock trial, college students, 23932
selegiline, verbal memory performance, patients with Alzheimer's type dementia, Italy, 2788
self esteem & performance feedback, memory for negative information about others after success vs failure, college students, 28307
self generated associations, recollective experience as measured by remember vs know responses, 19–33 vs 65–78 yr olds, 40175
self perceived abilities & role of self reference in knowledge & use of imagery in mnemonic activity, high vs low imaging college students, Canada, 20265
self taught memory vs attention placebo training, community dwelling 60 yr olds & older, 6 mo followup, 17247
self terminating vs exhaustive processing models in rapid visual & memory searches, research review, 44119
semantic integration of sentences & memory for object noun, mentally retarded adolescents, 14076
semantic similarity & affect homogeneity of word list, free recall & recognition & discrimination of frequency of words, college students, 16345
semantic vs nonsemantic orienting task, word recall & memory for visual vs auditory modality, 7–10 vs 17–24 vs 55–77 yr olds, 937
sensitivity of EP components to repetition effects in explicit vs implicit lexical decision memory tasks, college students, Israel, 4645
sensory vs affective vs neutral word, selective recall & recognition, patients with chronic pain &/vs depression, 1524
set size, P300 latency & RT during memory retrieval of concrete vs abstract kanji characters, 18–26 yr olds, 8359
sex & orienting set, autobiographical odor evoked memories & their linguistic representation, college students, Canada, 16341
sex, age associated decline in verbal memory, 17–79 yr olds, 25133
sex, spatial ability & landmark memory & strategies for route learning, college students, Canada, 16338
shape vs location object attributes, representation in memory, college students, 16365
shared mechanisms between learning & memory & neural development, adults, 16556
shift in fixed pictorial iconic to symbolic representation following recovery of repressed memory, 12.5 yr old male in psychoanalysis for obsessive compulsive symptoms, case report, 46393
short term recognition memory & matching to sample deficits, patients with senile dementia of Alzheimer's vs Lewy body type, 14343
single-dose des-glycinamide-Arg8-vasopressin vs oxytocin, cognitive processes & memory & vigilance & attention & mood & BP, male vs female college students, 4751
single dose of po velnacrine maleate, word & object recognition memory & regional cerebral blood flow, 52–84 yr olds with Alzheimer's disease, 2787
sleep stage, search activity or renunciation mediation of memory & retention in prepared vs unprepared learning, 20705
social recall vs recognition of rememberers vs target Ss, female college students, 4370
social relations expressed in speaker's choice of name of 3rd person vs object, listener's comprehension & memory of personal reference, college students, 20273
source monitoring in memory, literature review, 40167
source recollection & statement familiarity & repetition, rating of truth, adults, Canada, 12211
spaced retrieval practice, learning of prospective memory task, 55–84 yr old females with Alzheimer's disease, 6882
speed of scanning in primary memory, adults & elderly with senile dementia of Alzheimer's type, 42036
statistical analysis of dynamics of sparse associative memory & multistep recall process of neural network, 15789
statistical control of perceptual comparison speed, age influences on cognition & memory, 19–84 yr olds, 44897
stimulus delay & taste discrimination, memory for tastes, female rats, 8461
stimulus encoding, face & digit recognition, right brain damaged 26–72 yr olds, Germany, 14350
stimulus encoding vs memory comparison vs decision making, 20–51 yr olds with severe closed head injuries, 14348
stimulus familiarity & local vs global context, recognition memory for faces, college students, 36228
stimulus intensity vs response type vs memory set size, information processing stages of memory search task using EPs, male college students, 12620
stimulus variability in speech production, perception & memory & retention & detection of differences between speech sounds, 2 mo olds, 933
strategies to improve learning & memory deficits, mentally retarded, meta analysis, 41870
structure & cluster of word lists, recall & recognition memory, depressed adults, 29601
subjective & everyday memory, epileptic patients with left vs right temporal lobectomy vs amygdalo-hippocampectomy, England, 2693

subjective & objective performance on RT & memory & finger tapping tasks, insomnia patients, Sweden, 38086
subjective organization, hypermnesia of pictures vs words vs riddles, college students, 8360
substance P, long or short term memory & activity & exploratory efficiency & habituation & perimeter walking in automated tunnel maze, male rats, 28755
supportive psychotherapy & memory & concentration training following carbon monoxide poisoning, female 24 yr old, 46627
syllable complexity, auditory discrimination & phonological memory, reading disabled 2nd–4th graders, 22104
synaptic changes in neural network & memory processes in nonassociative conditioning of bending reflexes, leeches, implications for engramic distribution model, 40387
synaptic plasticity & long term potentiation in corticohippocampal pathway & memory encoding & readout, 570
target characteristics, vividness of & memory for self generated images of items, college students, Italy, 20256
task constraints, memorability ratings & study time allocation strategies, college students, commentary, 36240
task constraints, memorability ratings & study time allocation strategies, college students, 20317
task difficulty & RT & wave form variations, auditory EPs evoked by memory scanning task & correlations with intelligence test performance, 20–63 yr olds, 8721
temporal lobe & other lesion locations, patterns of verbal memory deficits, 17–58 yr olds with traumatic or nontraumatic brain injury, 34160
test retest reliability & practice effect magnitudes of computerized Memory Assessment Clinic battery vs traditional neuropsychological tests, 17–82 yr olds, 140
test retest reliability & task comparability of Complex Figures vs Rey-Auditory Verbal Learning Test, normal 22–67 yr olds, 15878
text structure & material concreteness, memory for prose, deaf or hard of hearing 15–22 vs hearing 7–8 & 16–18 yr olds, Italy, 34266
theoretical approach to varieties of learning & memory, animals, 16456
tianeptine, vigilance & memory, healthy adults, 782
time of day & introversion & neuroticism, selectivity in memory & attention, college students, England, 328
tonal vs modal melody, memorization & learning strategies, 19–23 yr olds with vs without absolute pitch, Poland, 16366
tone loudness & auditory EP, magnetoencephalographic determination of echoic memory decay, adults, 20669
traditional psychometric vs computerized assessment, evaluation of memory change, patients with seizures who underwent temporal lobectomy, 22918
transcutaneous peripheral electrical nerve stimulation, memory, 74–91 yr olds with Alzheimer's type dementia, 14346
triazolam vs ethanol dosage, mood & memory & psychomotor performance & perceived drug effects, healthy male 21–38 yr olds, replication, 28773
trihexyphenidyl, memory functioning, healthy 60–78 yr olds, 24948
TV advertising clutter, memory for brand names, consumers, 47494
types of partial temporal information, dating accuracy & distribution of errors in personal events dating, college students, 40194
unilateral nondominant vs bilateral ECT, memory & clinical outcome, depressed patients, conference presentation, 10752
unilateral temporal vs frontal lobectomy, complex visual memory, 16–49 yr olds, Canada, 30540
use of chaos in generation of keys for associative noise-like coding memories, application in computerized image classification, 47550
use of memory & processing speed tests with reduced reading requirements, estimation of reading ability, Air Force recruits, 3966
user friendly telephone testing, assessment of midazolam or flunitrazepam effects on memory, healthy 30–54 yr olds, Netherlands, 44647
validity of caregiver reported Memory Self Report Questionnaire vs objective measures, 58–85 yr olds with mild vs moderate vs severe Alzheimer's disease & their caregivers, 28010
variability of sample stimuli & interstimulus interval, delayed discrimination learning, pigeons, implications for memory processing, 32297
verbal learning & memory & frontal lobe dysfunction, patients with schizophrenia vs schizoaffective disorder, 45489
verbal learning & memory abilities, patients with major or manic depression vs Huntington's disease vs Alzheimer's disease, 13629
verbal list recall & recognition, patients with Alzheimer's vs Huntington's disease, 14284
verbal memory performance on Luria Memory Words Test, alcoholic vs brain damaged male 22–61 yr olds, 17658
verbal vs visual presentation, memory for racial & other social information, 3–4 yr olds, France, 44872
viability of theories of infantile amnesia based on analysis of memory development from birth through preschool, 21176
videotaped presentation of mnemonic imagery training, list learning & name & location recall & generalization, middle aged & older adults, 8371
vision vs memory guided or spontaneous saccades in dark, neuron burst discharges in fastigial oculomotor region, monkeys, 28591
visual attention & recognition & location memory, premature 28–32 wk olds with subependymal or mild intraventricular hemorrhage, 10400
visual half field technique for assessment of memory functions, neurosurgery patients with unilateral temporal lobe epilepsy, 26278
visual imagery learning of bizarre vs common word pairs, encoding & retrieval times & metamemory, college students, 20315
visual perception & recognition of pictorial stimuli & memory, patients with associative visual agnosia, 14426
visual recognition & mental imagery, copying vs drawing from memory, 24 yr old male with closed head injury induced visual agnosia, 18416
visual recognition memory & sensorimotor abilities & cognitive development, 3–21 mo olds with myelomeningocele, 2295
visual selective attention & mnemonic memory processes & power in time epochs & correlation between left & right visual EPs, 9–13 yr olds, 12981
vitamin B-6 supplementation, mood & memory & cognitive performance, male 70–79 yr olds, 24871
vitamin E deficiency vs supplementation, memory & maze learning, male rats, 24905
vividness of visual imagery for faces vs facial recognition memory, reanalysis of data from 10 experiments, 44154
white noise & semantic vs nonsemantic encoding & voice change, auditory priming effects on explicit vs implicit memory in auditory word identification & stem completion tasks, college students, 4392
whole list vs item specific contexts, memory of action related tasks, college students, 40162
word associated cues in sentence context, recall, college students, 16353
word fragment completion, generation effects in implicit memory, college students, Sweden, replication, 364
word frequency & study time & number of cues, cuing effects & associative information in recognition memory, college students, 16332
word repetition, memory & cortical EPs, 19–26 yr olds, 20680
z scores on continuous recognition memory tests, fulfillment of assumptions of theory of signal detection, 18–30 yr olds, implications for assessment of brain disordered patients, 4110
ZK 93426, scopolamine induced impairments in visual vs verbal memory, healthy male 18–42 yr olds, 16765
zolpidem vs triazolam, memory & psychomotor performance & postural sway, healthy 20–32 yr olds, France, 36719
1 trial object & spatial recognition tests & radial arm maze, neurobiological study of memory, male rats, 24670

5-HT agonists, learning & memory in step down avoidance task, male ddY mice, 44690
5 mo delay, eyewitness memory, 5–6 vs 9–10 yr olds vs college students, Scotland, implications for child witnesses, 9142

The age decline in memory: Can it be eliminated?, 28323
The anticipation of memory loss and dementia in old age, 46115
Memory and aging, 33044

Memory Disorders [See Also Amnesia, Fugue Reaction] —Serials

acquisition & transfer of declarative & procedural knowledge in data entry task, 18–60 yr olds with memory disorders & other cognitive deficits, 18374
bismuth subgallate as colostomy deodorant, paranoid ideation & memory impairment & olfactory & gustatory dysfunction & toxic encephalopathy, 74 yr old male, case report, 42646
computer aided interactive video, cognitive remediation & neuropsychological rehabilitation, patients with attention or memory or other deficits, 23211
construction & reliability & validity of Memory Complaint Questionnaire & relation to affective status, 50–80 yr olds with memory impairment, questionnaire appended, 24171
construction of abbreviated version of Portland Digit Recognition Test, assessment of motivation to exaggerate memory disorders, adults, 39846
deficits in semantic memory processing, 60 yr olds & older with dementia of Alzheimer's type, 2253
depression & anxiety & memory impairment, adults with Lyme encephalopathy vs fibromyalgia vs nonpsychotic depression, 1539
diagnosis & treatment of benign senescent forgetfulness & age associated memory impairment, elderly, 38212
diffuse cognitive & memory deficits, Alzheimer's disease patients, literature review, 30170
guanfacine, learning & memory, 50–79 yr olds with age associated memory impairment, 6939
information processing & memory disturbances, 26 & 37 yr old females with cervical whiplash without direct headstrike, 34008
item format of Explicit Alternative Testing, detection of faked visual memory deficits, 16–47 yr olds, 8043
left vs right temporal lobe seizure foci, deficits in conceptually driven tasks & data driven memory, memory impaired vs nonimpaired epileptic 22–52 yr olds, 18350
material specific memory loss & functional dissociations & neuropsychological dysfunction, elderly with Alzheimer's disease, 22334
medial septal lesion, T maze acquisition & hippocampal acetylcholinesterase, male rats, animal model of age related cholinergic & memory dysfunction, 28520

mental confusion & memory deficits, 37–79 yr olds with infarction of inferior genu of internal capsule, 22405
neuropsychological perspective on learning & memory, memory impaired patients & animals, 42099
number of trials, transfer learning, memory impaired 20–68 yr olds, 34153
recall & recognition memory, male 23 yr old with short term phonological memory deficit, 46038
Recognition Memory Test, detection of exaggerated or malingered memory impairment, patients with mild head trauma seeking financial compensation vs patients with moderate & severe brain injury, 22385
role of therapist in multidisciplinary assessment team, elderly patients of memory clinic, England, 15182
selective impairment of central executive component of short term memory, right handed 29 yr old with head injuries, 2322
tomographic & neuropathological findings of white matter plaques, 60 yr old female with Creutzfeldt-Jakob disease & memory disorders & ataxia & time disorientation, Japan, case report, 14316
types of amnesia & other memory disorders & legal issues, offenders & crime victims, 34235
validity of forced choice procedure, assessment of feigned memory impairment, 18–81 olds with brain damage & psychiatric inpatients & college students faking impairment vs performing honestly, 39852

The essential memory trace circuit for a basic form of associative learning, 8705
Investigations into time-dependent metabolic changes during memory processing in the mouse brain using ([superscript]14C) deoxyglucose and ([superscript]14C)-glucose, 32470
Men [See Human Males]
Menarche—Serials
age & weight at menarche, females with bulimia nervosa vs their sisters, England, 18143
age at menarche & attendance at mixed sex vs all girl secondary schools, delinquency, female 9 yr olds, New Zealand, 6 yr study, 18057
clinical & neuroendocrinological features, 12 & 13 yr old females with periodic psychosis of adolescence before & after menarche, 25831
development of Adolescent Menstrual Attitude Questionnaire, premenarcheal vs postmenarcheal 10–17 yr old females, Canada, questionnaire appended, 39765
neuroendocrinological & clinical features, female 12 & 13 yr olds with periodic psychosis of adolescence prior to vs after menarche, 13791
normative scores for Adolescent Menstrual Attitude Questionnaire, premenarcheal vs postmenarcheal 10–17 yr old females, Canada, 39764
previewing, acclimation to status of sexual maturity following menarche, female adolescents, 37174
recollection of menarche & characteristics of present menstruation, attitudes toward menstruation, 19–51 yr old female nursing students, Iceland, 35221
self care capabilities in preparation for menarche, premenarcheal 10–14 yr old Black females, 32815
Meninges—Serials
subdural hematoma due to meningioma, female 59 yr old & male 62 yr old, case reports with research review, 18306
Meningitis [See Also Bacterial Meningitis]—Serials
neurological & psychological validity of neuropsychological assessment, 6–14 yr olds previously hospitalized for Haemophilus influenzae type b meningitis, 136
neuropsychological sequelae, 6–15 vs 18–23 yr old survivors of pneumococcal meningitis observed 5–14 yrs after diagnosis, 26292
Menopause—Serials
anatomy & physiology & clinical symptoms & long term health effects of menopause & climacteric syndrome, hormone therapy, older females, 38098
attitudes toward menopause, 18–55 yr old low income females, comparison with middle income females, 37364
clinical psychology research & theory & interventions for PMS & postnatal depression & menopausal syndrome & issues in female reproduction, 1565
estrogen replacement, immediate & delayed recall & plasma estrone & estradiol, females with surgical menopause resulting from hysterectomy or oophorectomy, 30658
hormone replacement, adult females with menopausal depression, conference presentation, 26784
neuroendocrine mechanisms of & classification & other issues in psychogenic amenorrhea & menstrually related disorders & infertility & climacteric syndrome, 22196
number of pregnancies vs births vs abortions & psychological symptoms & stress, body shape & menopause age & symptoms, postmenopausal females, Austria, 12652
perceptions & level of menopausal problems & other factors, use of estrogen replacement therapy, female 40–60 yr olds, commentaries & reply included, 10831
pineal calcification, females with premenopausal vs menopausal onset of chronic schizophrenia, 33652
psychological distress, perimenopausal vs menopausal females, 20772

S-adenosyl-L-methionine, depressed postmenopausal female 45–59 yr olds, Italy, conference presentation, 34575
Menopause—Chapters
The meaning of menopause in a Newfoundland fishing village, 10266
Menopause myths and realities, 45969
Menstrual Cycle [See Also Menarche, Menstruation, Ovulation, Premenstrual Tension]—Serials
anorexia & bulimia nervosa & partial syndromes, reproductive functions & sexuality & fetal & infant health, 6192
biofeedback training, 18–49 yr old females with menstrual vs nonmenstrual migraine, 6 mo followup, 22854
blood plasma, MAO activity in washed human platelets & rat brain synaptosomes & platelet MAO during premenstruation vs postmenstruation, patients with PMS, 10204
brain stem auditory EPs during menstrual vs late follicular vs late luteal phase of menstrual cycle, female patients with moderate vs severe late luteal phase dysphoric disorder or PMS, 21634
daily self ratings in confirmation of PMS & late luteal phase dysphoric disorder, females, commentary, 22208
daily self ratings in confirmation of PMS & late luteal phase dysphoric disorder, females, commentary reply, 22199
duration & periodicity & symptoms of near monthly episodes & relation to menstrual cycle & other factors & treatment, male vs female 12–19 yr olds with periodic psychosis of puberty, research review, 25798
early follicular vs mid vs late luteal phase menstrual cycle, pulsatile LH secretion frequency & amplitude, female 26–39 yr olds with PMS, 14194
etiology & diagnosis of PMS & role of ovarian hormones & menstrual cycle, literature review, 2178
exercise, psychological menstrual cycle symptoms & PMS & dysmenorrhea, females, 2119
expectations for premenstrual symptoms & bodily sensations, self reports of symptoms, 20–49 yr old females in premenstrual vs intermenstrual phase, 4678
follicular vs late luteal phase menstrual cycle, cognition & memory & depression & anxiety, females with PMS, 14182
follicular vs luteal menstrual phase, marital distress, 23–44 yr old couples with female with PMS, 6256
follicular vs ovulation vs late luteal phase, serum progesterone & testosterone & other androgens & sex hormone binding globulin, female 31–44 yr olds with PMS & dysphoria, 14166
follicular vs premenstrual phase, nervous system activity & psychological & physiological changes, 26–43 yr olds with severe PMS, 6205
increased blink rate, female 21 yr old with cycloid psychosis associated with menstrual cycle, case report, 13788
increased blink rate, female 21 yr old with cycloid psychosis associated with menstrual cycle, commentary on case report, letter, 29669
joint activity & friendship & cycle regularity, menstrual synchrony, mother daughter dyads residing together vs females sharing room in private residence vs dormitory, 40481
menstrual cycle & related estrogen levels & symptomatology, schizophrenic female 29–49 yr olds, Canada, 33631
menstrual cycle phase & EEG & visual EPs, 27–33 yr old females, 12604
menstrual cycle phase & self injurious behavior, mentally retarded female 16–38 yr olds, 38042
menstrual cycle phase & time of yr, body temperature & onset & duration of manic episode, female 52 yr old with schizoaffective disorder, drug therapy implications, conference presentation, 33603
menstrual cycle phases, BP & cardiovascular reactivity & stress responses & cognitive functioning, females with PMS, 34026
menstrual phase & overnight smoking abstinence, nicotine intake & plasma MHPG & cortisol & menstrual & smoking withdrawal symptoms, female 23–34 yr olds, 28767
menstrual synchrony, cohabitating 22–48 yr old lesbian couples, 44526
mood & plasma sex steroid concentration & memory, female 18–25 yr olds in menstrual vs late luteal phases of menstrual cycle, 28626
mutual activities & friendship & menstrual regularity, menstrual synchrony, 19–34 yr old cohabitating lesbian couples, 12670
neuroleptic malignant syndrome during premenstrual period, female 45 yr old with Parkinson's disease, case report, 46073
perceptions of menstrual & reproductive cycles, females, 633
premenstrual vs intermenstrual phases & oral contraceptive use, stress reactions & state & performance & arousal, 22–40 yr old females with vs without self diagnosed PMS, 2177
premenstrual vs menstrual vs postmenstrual phase, VDT based task performance & cognitive indices & subjective ratings of psychological & physiological correlates, 19–26 yr old females, 28624
seasonal patterns of binge purge frequency & mood & menstrual cycle, patients with bulimia nervosa, commentary, letter, 22141
self stereotyping & sex role ideology, menstrual attitudes, female 17–43 yr olds, Australia, 1322
sensation seeking & other personality traits & drug & alcohol use & physical fitness & menstrual cycle, MAO levels, female college students, 36657
serum estradiol & progesterone & menstrual distress & headache activity throughout menstrual cycle, 26–46 yr old females with migraine headache, 22173
sociocultural menstrual attitudes & beliefs, prospective vs retrospective self reported assessment of menstrual cycle symptoms, female 17–27 yr old oral contraceptive users vs nonusers, Australia, 36624
symptom patterns, 20–47 yr old females with late luteal phase dysphoric disorder, 13745
thermal biofeedback, female 23–46 yr olds with menstrually related migraine headaches, 22862
Menstrual Disorders [See Also Amenorrhea, Dysmenorrhea]—Serials
perimenstrual symptoms & menstrual blood loss & pain & neuroticism, 17–53 yr old females with menorrhagia vs PMS vs dysmenorrhea, 38082
Menstruation [See Also Menarche]—Serials
age & preparation factors, menstrual attitudes, 11–18 yr old premenarcheal vs postmenarcheal females, Canada, 13127
attitudes toward menstruation, 21–40 yr old males, England, 644
development of Adolescent Menstrual Attitude Questionnaire, premenarcheal vs postmenarcheal 10–17 yr old females, Canada, questionnaire appended, 39765
inductive analytical approach to tampon advertisements portraying beginner user & threatened virginity, 1989–90, 43546
normative scores for Adolescent Menstrual Attitude Questionnaire, premenarcheal vs postmenarcheal 10–17 yr old females, Canada, 39764
portrayal of menstruating females & femininity in magazine menstrual product ads, 39575
premenstrual vs menstrual pain vs perceived interference of menstruation, emotional distress, female college students, 16687
recollection of menarche & characteristics of present menstruation, attitudes toward menstruation, 19–51 yr old female nursing students, Iceland, 35221
social position & affective disorder & menstrual experiences & prevalence toward minor physical morbidity, 18–59 yr old males vs females, England, 17652
Menstruation [See Also Menarche]—Chapters
Psychiatric aspects of the menstrual cycle, 45955
Mental Age—Serials
gastroesophageal reflux & feeding skills & developmental age, male vs female 6.9–11.7 yr olds with cerebral palsy, 26326
MA & development of intellectual to realism shift in drawing, autistic 6–18 yr olds, 41786
MA & lexical knowledge, mildly mentally retarded school age children, 26083
Mental Confusion—Serials
acute confusional state secondary to fluoxetine & lithium, 60 yr old bipolar female in depressed state, case report, 10721
clinical features of acute confusion vs dementia vs depression, elderly, diagnostic implications, 21628

clonidine vs nifedipine, naltrexone precipitated opiate withdrawal syndrome & confusion, male morphine dependent inpatients, 27155
confusion & agitation & rigidity as early clinical signs, 28–68 yr olds with neuroleptic malignant syndrome, letter, 1626
confusion induced psychotherapeutic change, female 31 yr old, 22521
dementia & depression & confusional states & other clinical presentations, 75–93 yr olds with neuropsychiatric systemic lupus erythematosus, 22190
iv antifungal amphotericin B induced personality change & confusion & mutism & fatal leukoencephalopathy, 16 yr old female with leukemia & 22 yr old male who underwent bone marrow transplant, 22949
mental confusion & memory deficits, 37–79 yr olds with infarction of inferior genu of internal capsule, 22405
pain assessment & management, confused nonverbal elderly with chronic brain syndromes & potentially painful conditions, 26314
phonological & semantic performance in confusability paradigm, reading disabled vs nondisabled male 8–10 vs 14–16 yr olds, replication, 29960
predictors of self reported confusion, 60–89 yr olds, 17238
resocialization & reminiscence vs attention control group treatment, cognitive vs social accessibility, confused 63 yr old & older nursing home residents, commentary & reply included, 11037

Mental Confusion—Chapters

Acute confusional states in the hospitalized elderly, 5790
Clinical assessment of confusion, 4106
The predictive value of the NEECHAM scale, 4104
Use of the NEECHAM Confusion Scale to assess acute confusional states of hospitalized older patients, 4102

Mental Deficiency [See Mental Retardation]

Mental Disorders [See Also Related Terms]—Serials

absolutist thinking style, emotional problems & disorders & psychotherapeutic processes, clients, 2460
abstinence from smoking, diagnosis & treatment of psychiatric disorders & withdrawal effects, psychiatric patients, 41406
acuity of medical or psychiatric illness, categorization of medical/psychiatry hospital units, 15043
acute stress response & other psychiatric problems, residents in vicinity of Chernobyl nuclear power station accident, Russia, 33551
adaptation to new living situation, psychiatric morbidity, hospitalized foreign students vs native psychiatric patients, Yugoslavia, 29548
adaptive functioning & dependency on others for self care & quality of care, chronically mentally ill in hospitals vs nursing homes, 30777
adequacy & appropriateness of & satisfaction with treatment services, mentally ill group home residents, 10994
administrative & other issues in discipline, mentally ill or disabled prisoners, 11211
affective & other psychiatric disorders & clinical & demographic characteristics, under 30 vs 30–64 vs over 65 yr old medical surgery patients with serious suicide attempts, 25925
age & level of adaptive functioning, rate & type of psychiatric comorbidities, alcoholic patients seeking outpatient mental health treatment, 15087
age & personality & psychiatric diagnosis & psychosocial somatic background, risk for attempted & committed suicide, female psychiatric inpatients, Hungary, conference presentation, 25902
age cohort effect in lifetime prevalence of major depression & other mental disorders, 14–18 yr olds & older, 25722
age, DST response, male vs female 15–86 yr olds with affective vs nonaffective psychiatric disorders, 25650
age of onset & sex, seasonality of admission for personality vs neurotic vs affective disorders vs schizophrenia, patients, 1976–86, England & Wales, 13685
AGECAT analysis of Geriatric Mental State data, diagnosis & prevalence of mental disorders, Chinese 65–90 yr olds & older, Singapore, 21638
aggressive incidents, male moderately to severely mentally handicapped residents of long term care center with vs without psychiatric diagnosis, Ireland, 34929
agreement between clinician's vs Diagnostic Interview Schedule for Children's admission & discharge diagnoses, 12–15 yr old psychiatric patients, 35872
alcohol & drug & mental problems & victimization & traumatic injuries, homeless adults, 9729
alcoholic & psychiatric family history, 30–50 yr old alcoholic males, France, 6046
alienation & mental & other disabilities & occupational deficiencies, homeless & vulnerable domiciled meal program users, 5724
ambiguity in consultation liaison psychiatry & diagnosis of adjustment disorder, medical & surgical inpatients, 3029
analysis of claims of psychic injury in litigation for asbestos exposure, 39–79 yr olds, 27868
analysis of proportion of participants & agencies & outcomes of Supported Employment Initiative, mentally retarded or mentally ill adults, 5 yr study, 27178
anatomy & biological function of brain iron & role in neuropsychiatric disorders, 34227
anticonvulsant drugs, smoking habit & body weight, 36–78 yr old psychiatric inpatients, 30511
anticonvulsants, extraocular muscle disorders & retinal & lens abnormalities & other adverse ocular reactions, psychiatric patients, 34546
antidepressants, development of dementia & myoclonus & peripheral neuropathy & lipid storage in skin, female 60 yr old with encephalopathy & psychiatric disorders, case report, 22715
antipsychotic drug use & agitated behavior & mental health diagnoses, 33–105 yr old nursing home residents, 10724
anxious attachment, discrimination of psychiatric status, psychiatric outpatients vs nonpatients, Canada, 45415
applicability of Charing Cross Health Indicator, assessment of distress & disability & quality of life, adults with mental disorders, England, 12027
application & reliability of microprocessor assisted static vs light evoked dynamic pupillometry in clinical psychophysiological diagnosis, psychiatric patients, 5756
application of goals & values & technology of psychiatric rehabilitation to community residences, mentally ill clients, 2908
assessment & treatment & referral, dual diagnosis substance abuse patients, 31005
assessment methodology, prevalence rates for comorbidity of psychiatric & addictive disorders, 41421
associated organic mental & other psychiatric disorders, American Indian 8–61 yr olds with psychoactive substance use disorder, 41759
association between psychiatric disorders & self reported vs objective indices of physical symptoms, 35–55 yr old civil servants, England, 37608
attitudes & concerns & impact on property values, neighbors of community residents for mentally ill adults, 42737
attitudes toward mentally ill, adults with vs without hospitalized mentally ill family member, Turkey, 5737
attitudes toward their hallucinations, 18–69 yr olds with schizophrenia or schizophreniform or schizoaffective or mood or other psychotic disorders, 37662
availability & adequacy of social support, quality of life, 18–89 yr olds with severe mental disorders in community support programs, 14960
availability & use of health & mental health & social services, mentally ill in sheltered care facilities, 1973 vs 1983–85, 2934
B. Llopis' life & work & concepts of axial syndrome & psychiatric illness, 1906–64, 19931
B. Morel's formulation & V. Magnan's modification of theory of degeneration, mentally ill, 1857–85, 25712
basic concepts & strategies & capacities of & indications for neuropsychological assessment, patients with neurologic or psychiatric disorders, 4130
behavioral & emotional disorders & personality change & SPECT assessed regional cerebral blood flow, patients with severe closed head injury, 2301

behavioral disturbance & psychiatric morbidity, male mentally handicapped 14 yr old & older long stay unit residents, 33971
benefits & challenges of mental health consumer staff in supported housing services, 38856
benzodiazepine therapy, patients with syndromes with medical & psychiatric factors, 46498
Beyond the Cuckoo's Nest psychiatric illness & mental health education program, stigma reduction, 11th–12th graders, Canada, 34797
biases in research, homeless with vs without mental illness, commentary, letter, 45392
biases in research on homeless mentally ill, commentary, letter, 45368
biases in research on homelessness & mental illness, commentary reply, letter, 45373
biographical anamnesis techniques for social psychiatric examination of critical lifespan phases, mentally ill patients, conference presentation, 25745
biopsychosocial approach to compulsive buying as impulse control disorder, 5748
boundaries between diagnostic criteria for bipolar disorder & other psychiatric diagnoses, 13706
breakdown in individuation & other family & parenting processes, parents of emotionally disabled children, implications for family therapy, 5745
brief therapy & cost effectiveness & delivery of mental health treatment, children with psychological disorders, Australia, 2870
burden on primary care & social services resources & improved management with screening & case management & multidisciplinary interventions, elderly with psychiatric & physical illnesses, 18463
calcium channel & neurotransmitter function disturbance & psychiatric disorders, implications for therapeutic efficacy of channel blockers, 25740
Canadian Psychiatric Association position paper on use of ECT in treatment of mental disorders, 22803
carbamazepine, male 38 yr old with Charles Bonnet syndrome, case report, 14666
carbamazepine vs phenytoin vs sodium valproate, psychiatric disturbances, 5–14 yr olds with childhood epilepsy, 34710
case management & group therapy & community based services & other treatments, mentally ill homeless females, 19064
case management, mentally ill, US, applications for UK, 10931
categorization of "ataques de nervios" as culture bound syndrome, 17–68 yr olds, Puerto Rico, 41478
characteristics & outcome of geriatric partial hospitalization program, psychiatrically ill 56–87 yr olds, 23153

Mentally Retarded [See Also Educable Mentally Retarded, Idiot Savants, Institutionalized Mentally Retarded, Profoundly Mentally Retarded, Severely Mentally Retarded, Trainable Mentally Retarded]—Serials

abnormal respiratory movements, neuroleptic treated schizophrenic or bipolar or mentally handicapped 29–93 yr olds with typical tardive orofacial dyskinesia, 17668
accessibility of Shared Family Care Service program, children with intellectual disabilities or developmental delays & their parents & service providers, Australia, 34855
acquired cervical spine impairment, mentally retarded male 29 & 31 & 33 yr olds with spastic cerebral palsy, 1558
activity programs in day services of adult training centers, mentally handicapped, Wales, 23197
adult's ambiguous vs unambiguous action, eye contact in goal detection, 9–18 mo olds vs 3–5 yr olds with autism vs mental handicaps, 18085
adult's expressions of distress or fear or discomfort, attention & facial affect & behavioral responses, normal vs autistic vs mentally retarded children, 2008
age & diagnosis & living arrangements, psychoactive drug use, mentally retarded 20–55 yr olds & older, 46495
age & sex & literacy & urban vs rural locality & level of retardation & followup duration, expectations for mentally retarded children, parents, India, 41876
age & sex & smoking & benzodiazepines, steady state serum kinetics & concentration dose ratios of zotepine, schizophrenic vs mentally retarded vs bipolar 18–68 yr olds, 29509
analysis of proportion of participants & agencies & outcomes of Supported Employment Initiative, mentally retarded or mentally ill adults, 5 yr study, 27178
antecedents & behaviors & consequences of noncompliance, oppositional children & mentally retarded, literature review, 29973
antiepileptic drugs, 18–78 yr olds with mental retardation & epilepsy, 42488
applicability of learning curve analysis, assessment of performance & cost effectiveness, mentally disabled manufacturing plant workers, 26095
appraised significance of child's intellectual disability & dependence & behavior problems, stress, parents of 3–5 vs 10–12 vs 17–19 yr olds with moderate to severe intellectual disabilities, 22119
assessment of Sturge-Weber syndrome, mentally retarded patients, commentary, 2051
association between hyperactivity & attention deficits & conduct problems, mentally retarded children, 26084
associative relatedness of words, information incorporation & sentence processing, mentally retarded adolescents & adults, 6165
attitudes toward apartment rentals to blind or mentally retarded people, landlords, 1549
auditory & visual EPs & severity of neurological dysfunction, mentally retarded 17 yr old male with undiagnosed classical phenylketonuria, 45832
auditory stimulation, laterality & other dynamics of blood flow in middle cerebral arteries, autistic vs mentally retarded children, 22065
basic cognitive abilities & information processing time, prediction of IQ, normal college students vs mentally retarded adults, commentary, 14069

basic cognitive abilities, prediction of IQ, normal college students vs mentally retarded adults, commentary, 14059
basic cognitive abilities, prediction of IQ, normal college students vs mentally retarded adults, 14064
basic cognitive abilities, prediction of IQ, normal college students vs mentally retarded adults, commentary reply, 14063
basic cognitive abilities, prediction of IQ, normal vs mentally retarded adults, commentary, 14084
behavior problems, mentally handicapped adults, England, 2054
behavior problems, mentally handicapped 20–77 yr olds with epilepsy, UK, 14061
behavioral disturbance & psychiatric morbidity, male mentally handicapped 14 yr old & older long stay unit residents, 33971
behavioral training & reflective counseling in group parent training program, 27–54 yr old parents of mentally handicapped 5–18 yr olds, New Zealand, 14629
behavioral treatment approach based on optimization of sleep wake schedule, attention & learning deficits, mentally handicapped 12–42 yr old males, 30357
biological factors in sleep disorders, mentally handicapped children, 14085
birth order, mental retardation, 6 mo to 15 yr olds, India, 2047
brief assessment of aberrant behavior, 1.4–32.3 yr olds with mild to severe mental retardation at self injurious & aggressive behavior outpatient clinic, 14955
carbamazepine tablets vs Divitabs, pharmacokinetics & seizure control & behavior & tolerability, psychiatric &/vs mentally retarded 20–75 yr olds on stable oral carbamazepine, 6778
characteristics & mediational influences of role division & social support, mothers of infants & preschoolers with mental retardation or physical disabilities or developmental risk, 9742
characteristics & turnover, direct care staff in housing service for moderately or severely or profoundly mentally handicapped adults, Wales, 42755
child caregiving deficits & outcomes & supports, mentally retarded 14–34 yr old mothers & their 6 mo olds & younger, 2050
Children & Adolescent Pregnancy Project, prevention of subsequent pregnancies & health & high school completion, pregnant 11–19 yr olds with & without mental retardation, 2838
client characteristics & elements of low demand respite psychosocial rehabilitation program, outcomes, long term mentally disabled homeless 20–61 yr olds & older, 30970
clinical & chromosome studies & mental retardation, 18 mo & 29 & 59 yr old males with Smith-Magenis syndrome, 1992
clonidine, hyperactivity & impulsivity & attention impairment, autistic children with or without mental retardation, 26735
cluster analysis of health & behavior & functioning, families of mentally retarded children, Scotland, 14071
cognitive & language abilities & adaptive behavior & graphic skills, adolescents with Down's syndrome or congenital cerebral palsy or nonspecific mental retardation, 6171
cognitive & language development hypothesis, speech & language education, mentally retarded special education students, 3536
communication & language development, developmentally disabled & mentally retarded, 6138
community adjustment, 19–33 yr olds with mild vs moderate vs severe or profound mental retardation, 45839
community based instruction, development of adaptive behavior, 15–22 yr old high school students with moderate to profound mental retardation, 27584
community based service, skill acquisition & problem behavior, mentally handicapped residents in supported accommodation vs hospital vs private family home, Wales, 5 yr study, 30837
community driven systematic approach to curriculum development, 13.3–20.3 yr olds with severe intellectual disabilities enrolled in extended school year programs, 43304
comprehension of drawings as representations, autistic or mentally handicapped 3–4 yr olds, test of metarepresentation theory of autism, 6127
computerized constructed matching to sample, spelling performance, 14 & 20 yr old mentally retarded students, 3570
conceptualization & ecological approach to prevention & service delivery, mentally retarded, 18468
convergent validity of Children's Depression Inventory & Bellevue Index of Depression & Reynolds Child Depression scale, mentally retarded vs nonretarded 12–17 yr olds, 43744
core skills in occupational therapy, mentally handicapped, research review, 19268
courtesy stigma management through maintenance of community ties & impression management, parents of mentally retarded children, research review, 14058
criminal offense, mentally disordered or intellectually handicapped vs normal 30 yr olds followed since birth, Sweden, 1975
death education program, verbally expressive mentally retarded adults, 41885
deception capacity, normal 3–4 yr olds vs autistic vs mentally handicapped 11–18 yr olds, replication, 14034
demographic characteristics & family involvement & contact, 4.8–18.8 yr olds with mental retardation &/vs psychiatric disorders in residential treatment settings, 42843
demographics & age & IQ & adaptive skills, 50–90 yr olds & older with moderate vs severe vs profound mental disability, England, 14078
development & use of Maternal Risk & Maternal Advantage Profiles, prediction of adequacy of parenting by mentally retarded parents, health care professionals, 14086
development & validation of attitude toward provision of long term care scale, caregivers of mentally retarded & elderly, 38913
development of cardiovascular fitness programs, mentally retarded adults, 7528
development of sex education program & training & attitudes, staff of service organization for mentally handicapped, Ireland, conference presentation, 30851
dextromethorphan, self injurious behavior, 25 yr old male with organic mental disorder & severe mental retardation due to congenital rubella, case report, 2679
diagnosis of Klinefelter syndrome by social worker, mentally retarded adult male pedophile, 41871
diagnostic group differences & family characteristics & well being, 15–66 yr olds with Down's syndrome vs mental retardation & their 55–85 yr old aging mothers, 26098
differential outcome reward in sign language letter recognition learning, mentally handicapped 33–57 yr olds, 10166
direct care vs therapeutic vs managerial staff position, behavioral knowledge, residential staff serving intellectually disabled, 38922
directed rehearsal with vs without positive reinforcement, acquisition & generalization of manual signs, mentally retarded hearing impaired adults, 2564
disciplinary involvement & adjustment during prison term, male inmates with mental retardation vs borderline vs normal intellectual functioning, 35075
discrimination training with pictorial stimuli followed by removal & time delay, response to mirror image & self evaluation of performance, normal vs mildly & moderately retarded 4–13 yr olds, 2055
disengagement from target object in deception, autistic vs mentally handicapped 6.1–18.3 yr olds, England, 33923
DRO schedule & compliance training, aggressive & self injurious & destructive behavior, autistic & moderately mentally retarded 31 yr old male, 2520
DSM-III-R & ICD diagnostic criteria, assessment of psychiatric disorders, mentally retarded, research review, 22133
DST & antidepressant treatment responses, mentally retarded 18–56 yr olds with major depression, England, 14730
DST abnormalities, mentally handicapped 18–62 yr olds, England, 22126

ecological perspective in identification of educationally handicapped students & noninstructional responsibilities in interaction with parents & family members, teachers, 27593
economic costs of community residential facilities, mentally handicapped adults, England, 2996
education issues, mentally retarded children, Arab countries, 31419
effectiveness & acceptability of peer contingency management program, 26–35 yr old vocational instructors working with mentally retarded adults, 15496
employment status & general life circumstances & other aspects of adult adjustment, former special education students with learning or mental disabilities or behavior disorders, 1 yr followup, 15525
erotomanic delusions, mentally handicapped male 42 yr old, 45830
establishment of public & private residential schools & transition to custodial care, mentally retarded, 1850–70, 31386
ethical issues in compliance training, mentally retarded, 30366
evaluation of effectiveness of multidisciplinary workshops, rural mentally handicapped 3–13 yr olds with or without cerebral palsy, Zimbabwe, 15076
evaluation of self management program, interaction with mentally retarded clients, 21–32 yr old vocational rehabilitation staff, 46956
excessive & impacted cerumen in external auditory canal & conductive hearing loss, mentally retarded 20–67 yr olds, 12 yr study, 26079
expectations & complaints about mentally retarded adolescent & adult offspring, parents, India, 22134
expression of grief & responses to & coping with loss, mentally retarded 21–79 yr olds, 45836
extent of criminal victimization, intellectually disabled 15 yr olds & older, Australia, 2058
factor structure of Motivation Assessment Scale, assessment of functions controlling problem behavior, mild to severely mentally retarded adolescents & adults with self injurious behavior, 28021
factor validity & structure & norms of Aberrant Behavior Checklist & effect of S characteristics on subscale scores, mentally retarded 6–21 yr olds, 4071
flashing photograph & discrimination & directed rehearsal training, recognition of facial expressions of emotion, mentally retarded 20–29 yr olds, 10168
flexibility in preparation for limb movements, mentally retarded adults with vs without Down's syndrome, 38040
fluoxetine, autistic vs mentally retarded 7–52 yr olds, 2622
fluoxetine with or without mechanical restraint, chronic depression & self injurious behavior, severely or profoundly mentally retarded patients, 46518
folie a deux, mentally retarded male 41 yr old & his mother, commentary with case example, letter, 2052
following child's lead vs recruiting attention in object label instruction, vocabulary learning & loss of interest, mentally retarded 3.3–3.9 yr olds, 27597
functional assessment in behavioral treatment, aggression, mentally retarded or developmentally delayed, 1979–90, research review, 46300
future based assessment & intervention model, curriculum programing for long range goals & objectives, mentally retarded students, 11561
gastrostomy with vs without fundoplication, prevention of aspiration pneumonia, mentally retarded 1.5 mo to 58 yr olds, commentary reply, 14805
gastrostomy with vs without fundoplication, prevention of aspiration pneumonia, mentally retarded 1.5 mo to 58 yr olds, commentary, 14826
general service plans, service provision, clients with intellectual disabilities, Australia, 34828
hand skill vs preference, autistic vs mentally retarded children, formulation of developmental model of handedness, 18082
health concerns & modification of health education programs, mentally retarded or developmentally disabled, research review, 38750
high probability requests, acquisition & generalization of response to low probability requests, male autistic & mentally retarded 5 yr old & 7 yr old with Down's syndrome, 22568
history & professional & societal perceptions of sexual expression, mentally retarded, pre-Civil War era vs turn of 20th century vs 1960s, 41878
HIV & AIDS prevention & safe sex education training program, mentally retarded in residential institutions, Australia, 34779
hypothetical risk of child's physical vs mental handicap vs early death vs Down's syndrome, attitudes toward prenatal testing & pregnancy termination, community members, 38800
identification & prevalence of Alzheimer's disease, mentally retarded 40 yr olds & older, implications for training & program planning, 45840
imaginative play, mentally retarded 4–19 yr olds, Netherlands, 14068
in vivo instruction with vs without prior simulation, safety skills, moderately disabled 10.3–11.9 & 15.1–19.5 yr olds, 41866
incidence of obesity, mentally retarded 17–72 yr olds, implications for health promotion & disease prevention, 29970
incidents of violent vs nonviolent prison misconduct, mentally retarded male prison inmates, 23316
individualized fitness program, development of strength & endurance, mentally retarded 18–34 yr old Special Olympics athletes, 10163
interaction in water with dolphins vs favorite toys, nonverbal & verbal cognitive responses, mentally retarded 3–8.5 yr olds, 38041
internal & external social integration into community, mentally handicapped group home residents, Netherlands, 46828
internal consistency & interrater reliability & validity & factor structure of informant version of Children's Depression Inventory, mildly to profoundly mentally retarded 20–85 yr olds, Germany, 43777
interrater reliability & validity & total score cutoff of Dyskinesia Identification System: Condensed User Scale, mentally ill or mentally retarded patients, 4085
interrater reliability of psychiatric & psychological diagnoses of mental retardation severity, mildly to severely mentally retarded 18–79 yr olds & psychiatrists & psychologists, 26091
joint occurrence of depression & aggression, mentally retarded 4–60 yr olds & older, 45846
Kalman's syndrome, mentally impaired 62 yr old male, case report, 14081
knowledge vs behavioral skills training, parenting knowledge & skills, mentally retarded 26–33 yr old parents, 22620
legal & ethical issues & rights & responsibilities, mentally retarded parents, 41884
locus of control, learning process, mainstreamed intellectually disabled students, 23624
long term chlorpromazine, development of fatal ischemic colitis, mentally handicapped male 49 yr old, 2625
masturbatory satiation & covert sensitization & stimulus control, male mildly mentally retarded 33 yr old with zoophilic exhibitionism, 2509
means & standard deviations & reliability & validity & cutoff scores of Dyskinesia Identification System Condensed User Scale, mentally ill or retarded adults, 31890
medical & psychiatric needs & service utilization & behavior problems & psychiatric diagnoses, mentally handicapped adults in community facilities, England, 42744
menstrual cycle phase & self injurious behavior, mentally retarded female 16–38 yr olds, 38042
mental health care status & deinstitutionalization & cooperation between pedagogy & psychiatry, mentally handicapped patients with psychiatric illness, Germany, conference presentation, 23018
mental health care status & qualifications of care providers, mentally handicapped patients with psychiatric illness, Italy, conference presentation, 22983

mental health care status, mentally handicapped patients with psychiatric problems, Denmark vs Sweden vs Netherlands vs UK, conference presentation, 22987
mental retardation & demographic variables as risk factors & reasons for behavior, hospitalized psychiatric patients with polydipsia & hyponatremia, commentary, 30928
milieu teaching approach, acquisition of prelinguistic communication skills, male 20 mo old with Down's syndrome & mentally retarded 23–30 mo olds, 27595
music & social strategies, integration with nonexceptional students, preschoolers with severe mental & physical handicaps or hearing impairments, 19596
mutation genotype, mentally retarded patients with untreated phenylketonuria, dietary treatment implications, 45835
neighborhood walk method, assessment of community resource accessibility, mentally handicapped patients, 27910
neocerebellar tonsils assessed by MRI & associated neurobehavioral profile, 10–20 yr olds with Williams' vs Down's syndrome, 22093
neuroleptic treatment, arm tremor, mentally retarded &/vs tardive dyskinetic 16–73 yr olds, 46526
New York State family care program, mentally retarded or developmentally disabled adults, 14996
ongoing consultation & performance improvement, consultants & staff members of community group home for mentally retarded, 15250
options in art occupation project, motivation to paint, 24–76 yr olds with mental disability, 35053
parametric vs nonparametric MANOVA vs multiple nonparametric ANOVA vs multinomial logistic regression, analysis of community adjustment, mentally retarded 19–33 yr olds, 36012
paranoid delusions & auditory & olfactory hallucinations, mentally retarded 25 yr old male with Capgras syndrome & tuberous sclerosis, letter, 9712
parent behaviors, compliance, 3–6 yr olds with autism vs language impairment vs mental retardation, 41794
perceptions of child's emotional expressiveness, parents of autistic vs mentally retarded children, 38008
perceptions of social burden, mothers of physically vs mentally handicapped 8–13 yr olds, 18120
perinatal trauma & abnormal pregnancy & postnatal injury & infection, mentally retarded 6 mo to 15 yr olds, India, 22121
personal characteristics & competence, mentally retarded 0–63 yr olds & older in foster vs small group homes, 38874
personal competence & community adjustment factors, mentally retarded infants to 79 yr olds living in small residential care facilities, 11030
pharmacology & rationale for use of opioid peptides & antagonists, self injury, mentally retarded, 30515
pharmacotherapy, aggressive behavior & other severe behavior disorders, 29–42 yr olds with mental retardation & mental illness, 30531
pharmacotherapy, behavior control & learning, mentally retarded & autistic children, literature review, 46451
physical growth rate during puberty, mentally retarded vs nonretarded 15–16 yr olds, Japan, 45843
physical health problems & psychiatric morbidity, mentally handicapped 50 yr olds & older, England, 33966
placement on acute psychiatric wards, mentally retarded, 42858
plan for residential placement of child, well being, 55 yr old & older mothers of mentally retarded adult children, Ireland vs Northern Ireland, 46871
positive intervention vs blocking &/vs verbal reprimanding response, problem behaviors, 12 yr old female with autism & severe mental retardation & 15 yr old male with moderate mental retardation, 14571
postural control, autistic vs mentally retarded 6–20 yr olds, Israel & France & US, 6132
postural stability, 21–72 yr olds with developmental disabilities vs tardive dyskinesia with vs without mental retardation, 1542
postural sway characteristics during 1-legged stance, mentally retarded male adults, 10172
praise, expressions of pride & mastery on completion of developmentally appropriate puzzles, autistic vs mentally retarded preschoolers, 29944
praxes of & attitudes toward health & sex education of mentally handicapped 15–16 yr olds, parents & teachers, Sweden vs Japan, 41873
precision of inner clock, assessment of intelligence, scientists & professionals vs college vs 8th–10th form students vs 2nd–9th form students with oligophrenia, Ukraine, translated article, 33970
presentation as mental handicap, female with Munchausen syndrome, England, 29540
prevalence & demographic characteristics & genetic & etiological patterns & associated impairments, mentally retarded 6–16 yr olds with IQs less than 70, Australia, 2056
prevalence of & relationship between epilepsy & aggression, mentally handicapped, 33964
prevalence of & treatment procedures for severe behavior disorders, mentally retarded residents in community vs institutional settings, 14935
prevalence of HIV, residents of facility for mentally retarded, 27086
prevalence of mental illness, 50 yr olds & older with intellectual disability, England, implications for treatment & diagnosis, 45845
prevalence of overweight & obesity, 20–68 yr olds with Down's syndrome or other mental handicaps living in community, UK, 2040
problems in undertaking surveys for needs assessment & service provision, intellectually disabled elderly, Australia, 46780
program based on modified incidental teaching strategies, use of manual signing, nonvocal mentally retarded 39 yr old male, 15193
provisions & exclusions of Americans with Disabilities Act for mental disabilities, 39663
psychiatric & behavior disorders, mentally handicapped adults living in community, England, 2042
psychiatric illness & dementia & Down's syndrome, mentally handicapped elderly, research review, 26078
psychiatric illness, mentally handicapped adults with epilepsy, 13614
psychiatric treatment modalities & comorbid disorders, mentally retarded patients, 14469
psychoanalytic interactional therapy & other services within residential care facility, mentally handicapped patients with behavioral or other psychiatric disorders, Germany, conference presentation, 23100
psychodynamic therapeutic approach based on theoretical model of M. S. Mahler, emotional & behavioral difficulties, mentally handicapped 6 yr old male, conference presentation, 22500
psychoeducational program for parents, perceived family functioning & subjective distress, fathers vs mothers of children with intellectual disabilities, 46354
psychogenic disorders & psychopathology, hyperlexic vs mentally retarded 5–10 yr olds, 26055
psychosocial adjustment, mentally disabled high school graduates, 1 vs 3 yr followup, 29964
Q-tip pap smear from upper vagina, detection of cervical intraepithelial neoplasia, mentally retarded 15–63 yr olds, 10910
quality & curriculum content of individualized education programs in special vs general education classrooms, teachers of retarded or multiply disabled or emotionally disturbed 5–13 yr olds, 27580
quality of care in management of epilepsy, mentally retarded, 42141
quality of parenting & risk for child abuse & neglect & parent training issues, mentally retarded adults, research review, 22122
quality of service & resident & staff activity in hospital based houses, 27–44 yr olds with severe or profound mental handicaps & seriously challenging behaviors, 3009
rater & ratee characteristics, instructor perceptions of work behavior, vocational instructors of mentally retarded adults, 18124

readability & human interest of information leaflets from charities associated with mentally handicapped, replication, 28857
recognition of facial expressions of emotion, mentally retarded children & adults, 10167
relationship involvement & sibling's perceived competency, 16–55 yr old nondisabled siblings of mentally retarded 18–46 yr olds, Australia, 2057
reliability & validity of Finnish version of Portage Assessment Scale, assessment of developmental skills, mentally retarded 1–56 yr olds with aspartylglucosaminuria, Finland, 24027
reliability & validity of Multifaceted Lifestyle Satisfaction Scale, mentally retarded 18–81 yr olds, conference presentation, 43765
reliability & validity of treadmill vs cycle ergometer vs shuttle run vs step physical exercise tests, assessment of cardiovascular fitness, mentally handicapped 20–35 yr olds, 26093
reliability of single WAIS-R subtest vs mean of all subtests, mentally retarded adults, 11994
repair of conversational breakdown through clarification of message, mentally retarded 11–13 yr olds, 14083
response recode form in augmentative & alternative communication systems, conversational balance, mentally retarded adults, 15190
rest vs postural change vs voluntary muscle contraction, recurrent inhibition of Renshaw cell excitability, mentally retarded 16–35 yr olds with or without motor alteration, 26097
retardation level & neurological status & EEG, epilepsy control, mentally retarded 1.7–23 yr olds with epilepsy, 41874
risperidone, persistent behavioral disturbances, mentally retarded 15–58 yr olds, 34587
routine antiepileptic prescribing patterns, mentally retarded 9–61 yr olds with seizures, 1987–92, 42477
RT in speeded performance of cognitive tasks, mentally retarded, meta analysis, 14070
seizure disorder, treatment outcomes, patients with mental retardation & psychiatric disorder, 42151
self determination & perceived efficacy & competence in education, mentally retarded learners, 23647
self management training including self instruction, acquisition & maintenance & generalization of behavior change skills, mentally retarded, 46299
semantic integration of sentences & memory for object noun, mentally retarded adolescents, 14076
sequence learning & production, mentally retarded female 45 & 61 yr olds, 45850
SES & father absence & family size, special education eligibility, White vs Black vs Mexican American mentally retarded or learning disabled 8–13.5 yr olds, 15491
severity of mental retardation & sex & SES & residential vs nonresidential institution, behavior problems, 5–9 vs 10–14 vs 15–19 yr olds, India, 18118
significant life events, behavior problems & social functioning, mentally handicapped 23–55 yr olds, England, 14077
simple vs complex form stimuli & reinforcement contingencies, restricted stimulus control in delayed matching to sample tasks, mentally retarded 17–76 yr olds, 29971
social group treatment for development of group home, dually diagnosed residents with mild to moderate retardation & emotional disabilities, 34862
social perception of mentally retarded female adult participating in age appropriate vs inappropriate activities, college students, 41864
social relationships & leisure activities, mentally retarded infants to elderly in small group vs foster homes, 10929
social sciences research & misconceptions & characteristics of responsive early intervention, mentally retarded parents, 41869
sociocultural & WISC-R factors, educational placement, learning disabled or mentally retarded minority elementary school students, 31370
speech pauses & repairs in narratives, autistic vs mentally retarded vs nondisordered school age children, 41802
stability & transition in informal support networks, families with 20–49 yr old mentally handicapped relatives, Wales, 2 yr study, 18116
stimulus fading & extinction, self injurious escape behavior, male & female developmentally delayed 2 & 3 & 17 yr olds, 42295
strategies to improve learning & memory deficits, mentally retarded, meta analysis, 41870
student's academic & adaptive behavior progress, satisfaction with child's education & school, parents of elementary school students with moderate intellectual disability, Canada, 43326
symbols & vocabulary in conversation using computerized speech output device, moderately or severely mentally retarded male 6.9–20.4 yr olds with spoken language disability, 2 yr study, 19276
symptoms of psychopathology, mothers with mental handicap, 18122
target letter position cues, word decoding & recognition in visual search RT & oral reading tasks, intellectually disabled 10–12 yr olds, 6163
teacher training & experience, perceptions of behavior problems in special school settings, teachers of mentally handicapped students, India, 27588
therapeutic modified judo training, fitness & motor & developmental skills & psychosocial attitudes, multiply handicapped mentally retarded 6–12 yr olds, Israel, 2692
therapeutic utility of megavitamins, behavior & cognitive problems, children with mental retardation or autism or fragile X or Down's syndrome or attention deficit disorder, 26751
time spent in & characteristics of unstructured activities, mentally retarded adults in minigroup homes vs intermediate care facilities, 34934
TSH & prolactin responses to TRH, male 2.1–19.6 yr olds with autism vs mental retardation vs minimal brain dysfunction, 1998
uniparental disomy & mental retardation & absence of speech & inappropriate laughter, male preschooler with Angelman syndrome, 10238
use of difference rule, referential communication, 4.9–21.3 yr olds with vs without mental retardation, Canada, 6162
use of metaphor in life narratives to convey identity & self conceptualization, male mentally retarded deinstitutionalized 23–29 yr olds with psychiatric disorders, 26077
use of pharmacological & behavioral consequences in response to self injury or aggression or property damage, mentally retarded 22 yr olds & older, conference presentation, 22468
utilization of social support & perceptions of family stress, 21–60 yr old mothers of mentally retarded 6 mo to 20 yr olds, 2049
validity & psychometric properties of Indonesian version of Vineland Adaptive Behavior Scales, mentally retarded vs normal 6–18 yr olds, Indonesia & US, 8024
validity & reliability of Infant Behavioral Summarized Evaluation, assessment of behaviors, autistic vs mentally retarded 6–48 mo olds, 4035
valproate, behavioral dyscontrol & aggression, 68 yr old female with chronic paranoid schizophrenia & mentally retarded 63 yr old female with schizoaffective disorder, 10701
views on planning school to work transition for learning disabled or mentally retarded students, secondary special educators, 23632
vigabatrin, mentally retarded patients with drug refractory epilepsy, 5 yr followup, 30660
visual acuity & stereoacuity, mentally retarded 12–16 yr olds, 26090
vocational training programs & restructure of work environment, mentally retarded & handicapped, 27166
WAIS & WAIS-R & WISC & WISC-R subtest patterns, g loadings & estimates of heritability, mentally retarded & borderline mentally retarded, 45849
well being & future caregiving plans, 57–86 yr old mothers of retarded adults living at home, 46853

Young Adult Institute employment training & placement program, employment outcomes & monitoring process, 16–42 yr olds with mental retardation & learning disabilities, 39050
zuclopenthixol dihydrochloride, behavior disorders, mentally handicapped 22–60 yr olds, 22759
2 sex model of fertility differentials & population IQ distributions, mentally retarded & their relatives & descendants, 33968
2 sex model of fertility differentials & population IQ distributions, mentally retarded & their relatives & descendants, commentary, 33965
2 sex model of fertility differentials & population IQ distributions, mentally retarded & their relatives & descendants, commentary, 33963
2 sex model of fertility differentials & population IQ distributions, mentally retarded & their relatives & descendants, commentary reply, 33967

Mentally Retarded [See Also Educable Mentally Retarded, Idiot Savants, Institutionalized Mentally Retarded, Profoundly Mentally Retarded, Severely Mentally Retarded, Trainable Mentally Retarded]—Books

Despite mental handicap: Learning to cope with adult daily life, 23650
Foster family care for persons with mental retardation. Monographs of the American Association on Mental Retardation, No. 17, 30854
A guide to mental retardation: A comprehensive resource for parents, teachers, and helpers who know, love, and care for people with mental retardation at all stages in their lives, 45851
"I've seen it all!": Lives of older persons with mental retardation in the community, 41886
Psychopathology in persons with mental retardation: Clinical guidelines for assessment and treatment, 18125
Strategies for teaching students with mild to severe mental retardation, 43330

Mentally Retarded [See Also Educable Mentally Retarded, Idiot Savants, Institutionalized Mentally Retarded, Profoundly Mentally Retarded, Severely Mentally Retarded, Trainable Mentally Retarded]—Chapters

Adult sibling relationships of persons with mental retardation, 26103
Assessment and evaluation of exceptional children in the Soviet Union, 38047
β-blockers as primary treatment for aggression and self-injury in the developmentally disabled, 38608
Constraints on the problem solving of persons with mental retardation, 38046
Development of verbal communication in persons with moderate to mild mental retardation, 38045
Functional assessment: Dynamic and domain properties, 39882
Growth in developmental disabilities, 41454
Lifetime research on siblings of persons with mental retardation, 26102
Long-term memory and mental retardation, 38051
Mental illness in the mentally retarded: Diagnostic clarity as a prelude to psychopharmacological interventions, 38372
Monitoring progress: Wentwood statistical analysis, 20108
"Normal home environments"—Indifferent or stimulating?, 23121
Personalisation through social education, 23656
Psychiatric problems in mental retardation, 41889
Siblings and out-of-home placement, 26100
Siblings of children with dual diagnosis, 25678
Siblings of persons with mental retardation: A historical perspective and recent findings, 26101
A "Sixth Form College" for mentally handicapped adolescents: Wentwood Education, 23655
The structure and development of adaptive behaviors, 38052
Structuring environmental input to facilitate generalized language learning by children with mental retardation, 23652
'Talking to top people': Some issues relating to the citizenship of people with learning difficulties, 45852
Target setting—Control measures, 20062
TMS: A system for prevention and control, 39041
Use of anticonvulsant agents for treatment of neuropsychiatric disorders in the developmentally disabled, 38609
Wentwood Education—An analysis of environmental, social and educational assessments, 20107

Mentor—Serials

academic growth peer support counseling group & teacher student mentoring program for potential dropouts, intermediate school students & teachers, 31426
career mobility potential & development through mentoring, outreach workers for federally funded community AIDS prevention project, 43379
cross cultural mentoring in counselor education & strategies for recruitment & retention of minority faculty, 47012
demographics & faculty mentoring vs peer networking, professional development, African American college students, 27547
evaluation of elder mentor relationship as experiential learning tool in gerontology course, college students, 39210
guided reflection in induction & development model, novice & mentor teachers, 47136
human resources training model as framework for multiple mentor model, 43393
mentor model of individualized residential habilitative foster services for developmentally disabled, male moderately mentally retarded 32 yr old & 30 yr old with quadriplegic cerebral palsy, 15077
mentor model of individualized residential rehabilitative foster services, patients with traumatic brain injury, 15065
mentoring, information acquisition during early organizational socialization, organizational newcomers, 31590
mentoring relationships, Army Nurse Corps officers in head nurse or supervisory roles, conference presentation, 15307
mentorship in school consultation based on personal construct theory, student's perceptions of consultant's role, school psychologist & master's level student, 9 mo study, 43066
needs for power & achievement & affiliation & autonomy, proteges vs nonproteges in service companies, implications for mentoring, 7635
perspective on organizational mentoring, mentors in high technology firms, 47422
phases of & intrinsic & extrinsic rewards in organizational mentoring programs, 15678
postdoctoral mentoring & training in & status of psychological assessment, experienced clinicians & diagnosticians, 27257
Project RAISE community adult advocacy & mentoring program, school attendance & achievement & grade promotion, at risk middle school students, 35307
psychosocial & career related functions of mentors, organizational socialization & job satisfaction & salary, proteges in formal vs informal mentorships, 7632
school based mentoring program, self concept & academic achievement, 10th graders at risk for dropping out, 43371
sex & age & organizational rank & length of employment & mentoring experience, willingness to mentor, organization employees, 39422
short term residential treatment in multidisciplinary team mentor's home, psychiatric hospitalization rates, children to adults, followup study, 23109
social support & psychological adjustment & stress & depression, African American 14–22 yr old mothers with vs without natural mentors, 17359
tracing academic mentors & mentees at doctoral level, 31205

Mentor—Chapters

Mentoring and irrationality: The role of racial taboos, 43439

Meperidine—Serials

acetylsalicyclic acid vs indomethacin vs meperidine with vs without naloxone, antinociception & aggression & sensorimotor impairment, mole rats, 40685
adjunctive low dose amitriptyline with patient controlled morphine or meperidine analgesia, 38–79 yr olds with postoperative orthopedic chronic pain, 34733
meperidine & other opiates as premedication for surgery, back surgery patients, commentary reply, 22924
morphine vs meperidine, postoperative patient controlled analgesia or side effect frequency, 8–16 yr old orthopedic surgery patients, 2825

Mercury (Metal)—Serials
occupational exposure to mercury & lead, brain stem auditory EPs, factory workers, implications for neurotoxicity screening, 28580
Mercury Poisoning—Chapters
Methylmercury neurotoxicity and its uptake across the blood–brain barrier, 25018
The neurotoxicity of methylmercury in the developing nervous system, 26146
Mercy Killing [See Euthanasia]
Mescaline—Serials
mescaline induced psychopathology & neuropsychological & neurometabolic functioning, adult males, implications for study of endogenous psychosis & schizophrenia, Germany, 29681
Mesencephalon [See Also Inferior Colliculus, Optic Lobe, Periaqueductal Gray, Superior Colliculus, Tegmentum]—Serials
antinociceptive pathway from anterior pretectal nucleus to pontine parabrachial region, male rats, 16590
apomorphine vs quinpirole vs SKF38393, acute & long term rotational effects, substantia nigra lesioned female rats, 36881
axes of eye rotation generated by oculomotor burst neurons of mesencephalic rostral interstitial nucleus of medial longitudinal fasciculus & coordinates about Listing's plane, monkeys, 8624
cellular mechanisms & neurotransmitters in limb premotor network formed from recurrent loops between motor cortex & red nucleus & cerebellum, 24686
clozapine vs typical antipsychotics, functioning of midbrain dopamine systems, application of hypothesis of depolarization block, 4753
cocaine withdrawal, electrical activity of nigral dopaminergic neurons, male rats, 16889
corpus callosum sectioning, substantia nigra lesion induced asymmetry of investigation behavior & apomorphine & amphetamine induced turning & cued escape dodging, male rats, 40415
cortical barrel fields lesions, spontaneous or apomorphine induced open field behavioral asymmetries & neostriatal & substantia nigra monoamines, male rats, 16518
courtship & conspecific cooing stimulus, auditory response unit activity in dorsomedial midbrain, female ring doves, 36491
daily tail pinch vs restraint stress, mesolimbic & nigrostriatal dopamine release, male rats, 8630
diazepam, anteromedial vs sensorimotor cortex lesion induced somatic sensorimotor asymmetries & deterioration of striatum or thalamus or substantia nigra pars compacta, male rats, 24908
dopamine & dopamine related compounds, electrophysiological effects on substantia nigra pars compacta & ventral tegmental area neurons, 732
electrical stimulation of substantia nigra, spontaneous & nociceptive evoked discharges in parafascicular nucleus, rats with intact vs partial vs complete transection of spinal cord, 12607
electrical stimuli, electroreception & sensory modalities correspondent to medullary & midbrain electrosensory centers & behavioral responses, ratfish, 44473
galanin immunoreactive colocalization with estrogen concentrating cells in sexually dimorphic areas of medial preoptic area, female vs male rats, 20504
ibotenic vs quinolinic acid vs electrolyte anodal cell vs fiber lesions of red nucleus, postural righting & skilled movements & learning, female rats, 24722
icv vs nucleus accumbens dopamine nerve terminals vs substantia nigra dopamine cell body region cathinone, locomotor activity, male rats, 20824
intranigral naloxone vs mu vs kappa vs delta selective opioid receptor antagonists, drug withdrawal behavior, male morphine dependent rats, 20805
intranigral 6-OHDA vs ibotenic acid, circling behavior & striatal neuropeptide Y neurons, male rats, 28535
L-glutamic acid injection to basal midbrain, heart rate & BP & defensive locomotion behaviors, toads, 44640
lateral midbrain lesions, formalin induced biphasic tonic pain response, female rats, 36573
microinjection of opioid antagonists into substantia nigra, stress induced eating vs oral stereotypies, male rats, 4811
midbrain muscimol, sexual receptivity, ovariectomized hamsters, 4795
midcollicular transection, inferior colliculus bicuculline induced audiogenic-like seizures & behavior, audiogenic seizure resistant vs susceptible male rats, 24999
muscimol based inactivation of regions of cerebellum vs red nucleus, localization of memory trace for conditioned eyeblink response, rabbits, 36527
naloxone or atropine, analgesia evoked by pretectal nucleus electrical stimulation, male rats, 36815
naloxone vs methysergide, antinociception following escape behavior induced by midbrain tectum electrical stimulation vs bicuculline, male rats, 12755
nigrostriatal & mesolimbic presynaptic dopamine & GABA & opioid & 5-HT function, behavioral & rotation laterality, mutant chakragati mice, animal model of movement disorder, 40363
NMDA, in vitro burst firing of midbrain dopamine neurons, rats, implications for pathophysiology of schizophrenia & Parkinson's disease, 16555
operant conditioning of rotational behavior before vs after substantia nigra lesions, recovery of ipsi- & contralateral rotational behavior after amphetamine or apomorphine injections, male rats, 8619
peripeduncular lesions, prepartum vs postpartum maternal aggression & hoarding & nursing & lactation & nest building, rat dams, 24671
postnatal stress, mesolimbic dopamine metabolite function during arousal, adult mice, 44386
progestin metabolites in ventral tegmental area & progesterone stimulation to ventral medial hypothalamus, sexual receptivity, ovariectomized estrogen primed female hamsters, 40576
restraint stress, expression of C-fos protein in mesencephalic dopamine neurons, male rats, 20738
reversible lesion by local cooling of red nucleus, behavioral CR inhibition & learned unit activity & retention in interpositus, male rabbits, 32380
role of anterior pretectal nucleus in nociceptive & other sensory processes, research review, 44440
stereoscopic prismatic viewing, midbrain near-response neuron activity before vs after phoria adaptation, male monkeys, 579
stereotaxic rostral mesencephalic reticulotomy, patients with intractable pain, 11 yr followup, conference presentation, 18870
striatal vs hippocampal vs midbrain tryptophan hydroxylase activity, male rats bred for predisposition to catalepsy, animal model, 20554
substantia nigra acetylcholinesterase, circling behavior, male rats, 712
substantia nigra acetylcholinesterase with vs without apomorphine vs nomifensine vs amphetamine, circling behavior, male rats, animal model of drug therapy for Parkinson's disease, 713
substantia nigra clobazam, inferior colliculus bicuculline induced audiogenic-like seizures & behavior, audiogenic seizure resistant vs susceptible male rats, 24996
substantia nigra N6-cyclohexyladenosine, kindling of epileptic seizures & convulsion duration, male rats, 24898
testosterone, estrogen sensitivity in preoptic neurons with axons to ventral tegmental area, male castrated vs female androgenized rats, 40589
torsional eye movement, male 70 yr old with unilateral midbrain lesion, conference presentation, 42068
ventral tegmental area A10 region electrical stimulation vs sulpiride, flight behavior induced by hypothalamic stimulation, cats, 44394
5-HT3 antagonists, attenuation of mesolimbic dopamine induced hyperactivity, female rats, 32600
5-HT3 receptor antagonists, cocaine induced suppression of A9 vs A10 dopamine neuron firing in substantia nigra pars compacta vs ventral tegmentum, male rats, 24847

Mesencephalon [See Also Inferior Colliculus, Optic Lobe, Periaqueductal Gray, Superior Colliculus, Tegmentum] —Chapters
Neuroanatomical specificity of action of the atypical antipsychotics, 789
Messages—Serials
affective impact of interpersonal explicit &/or dominant directives, college students, 17444
aided message length & partner reauditorization, perception of communicative competence of augmentive communication system user, 22–65 yr old naive Os vs speech language pathologists, Canada, 15185
alcoholic beverage warnings in magazine vs TV advertisements, knowledge & memory of facts & hazards, college students, 47493
attention constraint, effect of message vividness on persuasiveness or on memory of its contents, college students, 40093
conflicting media messages & societal factors & eating disorders, 41900
construction of tactful messages during role playing situations, language impaired 8.3–12.5 yr olds, 30003
content & construction of health risk messages, cognitive & affective responses, college students, 1522
content analysis of message appeals of G. Bush vs M. Dukakis in 1988 presidental election campaign TV commercials, 13334
content of electronic mail messages, college students, 9022
defensive & nondefensive responses to confrontive owned messages in interpersonal communication, college students, 41224
diamond model vs extended theory of conformity in responses in social & informational influence settings, college students, 13443
discrepancy of messages with existing beliefs attributed to expert vs inexpert sources, confidence in beliefs about social groups, college students, 9586
emotion & message content & execution, appeal & tone of TV commercials, college students, 7749
evaluation of effectiveness & recall of government cigarette warnings for smoking prevention, 7th–9th graders, 11125
exchange of messages through content & communication & processes of & relationships in negotiations, 1352
extended parallel process model as explanation of failure of fear appeals & relationship between threat & efficacy affecting message acceptance, 21102
message creation & editing & transmission & reception, utilization of synthesized vs digitized computer speech, 15776
messages supportive of lesbian vs gay male vs elderly artists, return of cards with lost letter technique, 29299
mother's facial expression based message of happiness vs fear, social referencing of affective significance of novel object, male vs female infants & their mothers, 9294
multiple compatible vs incompatible goals, speech onset latency & temporal fluency cognitive process indicators in message production, college students, commentary, 32139
perception of computer message source by voice &/vs physical embodiment, distinguishing self from other in use of social rules, college students, 41260
product attitudes vs level of involvement, advertising message effectiveness & source credibility, college students, 7739
program & cost information & outcome messages associated with paying fees for hypothetical aerobics program & activity involvement, reference prices, 17–40 yr olds, 47467
related vs unrelated cuts, attention & audio & visual memory & processing capacity for TV messages, college students, 28254
relevance of health threat, processing mechanisms in & defense conclusions about health messages, female college students, 16275
specific & informative sign prompts, office recycling behavior, college faculty & staff & students, 43584
theme as message onset & structure & characteristics in discourse, 826
types of relational messages to subordinates in participative decision making, lower vs middle vs upper level managers, 23740
use of augmentative communication systems, recall of message codes, physically disabled adults, 2148
Messages—Books
Message effects research: Principles of design and analysis, 11
Messages—Chapters
The message structure of some Piagetian experiments, 45004
Negotiator–constituent relationships, 1400
Meta Analysis—Serials
accuracy of likelihood based validity generalization procedure for population correlation & size & proportion estimation in meta analysis, 12092
accuracy of self reported weight in epidemiological vs treatment study data, meta analysis, 18129
active drug placebo difference as effect size, power analysis for sample size estimation in clinical studies of psychotropic drug efficacy, meta analysis, 2623
adequacy of estimates of child & adolescent psychotherapy effectiveness, commentary on meta analysis, 2452
adequacy of estimates of child & adolescent psychotherapy effectiveness, meta analysis, 2473
age & tenure, organizational commitment, employees, meta analysis, 47397
aggression vs withdrawal vs sociability vs cognitive ability, peer relations, K–6th graders with popular vs rejected vs neglected vs controversial vs average sociometric status, meta analysis, 17175
antidepressants, analgesia, chronic pain patients, meta analysis, commentary reply, 34746
antidepressants, analgesia, chronic pain patients, meta analysis, commentary, 34749
antipsychotic dose response & kinetics of relapse, chronic schizophrenic patients, meta analysis, conference presentation, 42418
attitudes & behavioral intentions & behavior, meta analysis, 41302
attitudinal relevance, correlation between attitudes & behavior across topics, meta analysis, 29431
auditory oddball EPs, patients with Parkinson's disease, meta analysis, 14296
availability of social support, behavior & attitudes, mothers, meta analysis, 41111
basic components of & overall effect size in meta analytic methodology, 43910
basic tasks model with data value specifiers vs E. R. Tufte's data ink principle, prediction of performance on tasks of graphical perception, meta analysis, 19820
booklet vs computer administered MMPI scale scores, adults, meta analysis, 15937
bupropion vs fluoxetine vs imipramine vs trazodone, patients with major depression, 1980–90, meta analysis, 30534
career education, academic achievement, 1st–12th graders, meta analysis, 3341
characteristics associated with flight simulator training effectiveness, military & other jet & helicopter pilots, meta analysis, 15732
child sexual abuse prevention, preschool & school age children & adolescents, 1981–91, research review & meta analysis, 27885
citalopram, intended & unintended effects, depressed patients, meta analysis, 18702
clinical depression & alterations in immune function, meta analysis, 29610
clinician vs self ratings of antidepressant outcome, depressed patients, meta analysis, 6735
combined information & results from replicated studies for estimation of partial regression coefficients in linear models, 16071
communication apprehension & cognitive performance, elementary & high school & college students, meta analysis, 35395
compatibility & moderators of professional & organizational commitment, meta analysis, 43468
compliance & effectiveness & other issues in self help treatment approaches, meta analysis, 26825
computer based instruction in health professions education, meta analysis, 31092

construct validity of Miner Sentence Completion Scale, prediction of managerial effectiveness, meta analysis, 39888
correlates of psychological adjustment, 3–19 yr olds with physical disorders, meta analysis, 38112
correlation between Scale for Assessment of Negative Symptoms & Scale for Assessment of Positive Symptoms global scores, schizophrenic patients, meta analysis, 31892
cross cultural training utility, self development & adjustment & performance & relationship & perception, expatriate managers, meta analysis, 19666
defendant's race, sentencing decisions, jurors, meta analysis, 3908
degree of overlearning & type of task & length of retention period, effect of overlearning on retention, meta analysis, 4376
demographics & organizational structure & relation in member vs organizational models, organizational commitment, white collar professional vs nonprofessional vs blue collar workers, meta analysis, 19706
depression, patients with multiple sclerosis, meta analysis, 34230
desipramine as adjunctive treatment for cocaine addiction, commentary on meta analysis, letter, 15092
desipramine as adjunctive treatment for cocaine addiction, reply to commentary on meta analysis, letter, 15110
developmental changes in gender schema & societal stereotypes, children, meta analysis, 37161
differential validity of General Aptitude Test Battery, males vs females in single sex dominated employment settings, meta analysis, 12075
double vs single blind procedure, carbon monoxide neurotoxicological research in humans, Es, meta analysis, 28148
DST nonsuppression, suicidal behavior, meta analysis, 29789
effectiveness of stroke rehabilitation programs, functional abilities & discharge destinations, patients with stroke, meta analysis, 30980
effectiveness of student & teacher prepared concept mapping as instructional tool, achievement & attitudes, elementary through college students, US & Canada & other countries, meta analysis, 27432
efficacy of brief dynamic psychotherapy, commentary on meta analysis, letter, 38425
efficacy of brief dynamic psychotherapy, reply to commentary on meta analysis, letter, 38384
efficacy of brief dynamic therapy, commentary on meta analysis, 18566
efficacy of brief dynamic therapy, reply to commentary on meta analysis, 18518
electronic communication channel support system use, task focus & participation & decision quality & timing & consensus & member satisfaction, task groups, meta analysis & literature review, 11767
evaluation of alternative methods for computation & estimation of standardized mean difference effect size for meta analysis data, 39923
factor analysis & cross validity of behavioral dimensions, 6–16 yr olds with oppositional defiant vs conduct disorder, meta analysis, 37877
flight simulation training, jet aircraft & helicopter pilots, meta analysis, implications for research guidelines, 11798
fluoxetine vs tricyclic antidepressant &/vs placebo, emergence of suicidal thoughts & acts, patients with major depressive disorder, meta analysis, 18701
generalizability of integrity test validities & prediction of job performance, meta analysis, implications for personnel selection, 43852
hierarchical-compensatory vs task-specific models of support group choice, elderly, commentary & meta analysis, 40987
history & methodology of meta analysis, 16075
hypothesized order relations & confirmatory factor & cluster analyses of fit of I. Gati's & J. L. Holland's vocational interest models to correlation matrices, 14 yr olds & older, meta analysis, 23698
imipramine vs alprazolam vs in vivo exposure, depression & panic attacks & agoraphobic fear & avoidance & anxiety & overall improvement, patients with panic disorder & agoraphobia, meta analysis, 22465
individual differences & work outcomes & role perceptions & organizational variables in job satisfaction, salespersons, meta analysis, 27676
individual vs group psychosocial interventions & respite care, distress, caregivers, 1980–90, meta analysis, 34910
infant habituation & recognition memory performance, IQ, 1–8 yr olds, meta analysis, 25143
integration of Monte Carlo results for statistical tests by meta analytic methods, 16072
intensive early intervention, program effectiveness, disabled or mentally at risk or disadvantaged children, literature review & meta analysis, 38355
interest congruence & job or academic satisfaction, meta analysis, 43466
interrater agreement of visual analysis in single S designs, meta analysis, 43916
introversion/extraversion, vigilance & sustained attention, meta analysis, 5612
issues & methods in testing for moderator variables in meta analysis & value of homogeneity tests & goodness of fit indices of effect size variability, commentary, 20132
low level laser therapy, musculoskeletal pain, meta analysis, 30625
management education, meta analysis, 11641
maternal mental illness vs child deafness, quality of attachment, mothers & children, meta analysis, 1566
memory for schema relevant information, meta analysis, 4391
message source, belief or attitude or behavior change, target audiences, 1950–90, meta analysis, 40741
meta analysis as literature synthesis vs effect size surface estimation, 16079
meta analytic methods, integration of findings of Monte Carlo studies of robustness of F & Welch & Kruskal-Wallis tests in 1 & 2 factor fixed effects ANOVA models, 16073
methodological & client characteristics, outcome of client education studies, diabetic patients, meta analysis, 22952
methodological issues in posthospitalization negative behavior change & distress, 2.3–11.5 yr old surgical or other hospitalized patients, commentary on meta analysis, 23126
methodological rigor of intervention evaluation, reported success of organizational development interventions, meta analysis, evaluation of positive findings bias hypothesis, 15682
methodology for computing data in meta analysis with PROC MEANS procedure in SAS program, 32010
methods for deriving measures of treatment effect for interrupted time series designs for meta analysis, application to behavior therapy, 42286
moclobemide, patients with endogenous vs nonendogenous depression, meta analysis, conference presentation, 30533
model of antecedents & consequences of goal level & commitment, meta analysis, managerial implications, 7624
models of turnover, employees, meta analysis & application of structural equations modeling, 15646
monetary gratuity, response rate to mailed surveys, meta analysis, 39945
nonmonetary vs monetary incentives prepaid vs contingent on return, mail survey response rates, meta analysis, 35781
organizational commitment & turnover, blue vs white collar professional vs managerial vs clerical vs other nonprofessional employees, meta analysis, 39482
outcome & implementation issues of problem based learning method in medical education, 1972–92, meta analysis, 27228
parental caregiving style & childhood separation anxiety & anxious ambivalent attachment style as risk factor, agoraphobic patients, meta analysis, 21863
parental conflict & behavioral & emotional & social adjustment, 18 yr olds & younger, meta analysis, 1057
paroxetine, patients with melancholia or severe depression, meta analysis, 26786
patient delay in seeking help & provider delay in treatment, adult females with breast cancer symptoms & health care providers, 1975–92, meta analysis, 42591
perceptual defensiveness as measured by Defense Mechanism Test & personality & belief, ESP performance, adults, Iceland, meta analysis, 12326

personal characteristics & attitudes & organizational features & job satisfaction, nurses, meta analysis, 23394
persuasiveness of 1 vs 2 sided messages, commentary on meta analysis, 32781
persuasiveness of 1 vs 2 sided messages, reply to commentary on meta analysis, 32772
platelet MAO, schizophrenic patients with or without neuroleptic treatment, meta analysis, 17814
polysomnographic measures, patients with insomnia or depression or narcolepsy, meta analysis, 29498
posthospitalization negative behavior change & distress, 2.3–11.5 yr old surgical or other hospitalized patients, commentary on meta analysis, 23152
posthospitalization negative behavioral change & distress, 2.3–11.4 yr old surgical or other hospitalized patients, meta analysis, 23165
presence vs absence of weapon during commission of crime, weapon focus effect on lineup identification & perpetrator feature accuracy, eyewitnesses, meta analysis, 3907
prevalence of allusive thinking, parents of schizophrenic offspring, meta analysis, 37729
psychoeducational preparation vs maternal presence, posthospitalization negative behavior change & distress, 2.6–11.5 yr old surgical or other hospitalized patients, meta analysis, 23166
psychological vs pharmacological treatment, patients with panic disorder, meta analysis, 34282
psychometric moderators & path analysis of effect of job satisfaction & organizational commitment & turnover intentions & withdrawal cognitions on turnover, meta analysis, 43465
rate of & factors in psychotherapy dropout, clients, meta analysis, 30339
relation of brain imaging parameters to antipsychotic drug response, schizophrenic patients, meta analysis, 10680
relation of brain imaging parameters to antipsychotic drug response, schizophrenic patients, meta analysis, erratum, 30462
relationship & correlation between absence & turnover, employers, meta analysis, 15650
reliability & efficiency of DSM-III & DSM-III-R borderline personality disorder diagnoses & covariation with other personality disorders, meta analysis, 9906
role of intercoder agreement in reliability of meta analytic reviews, 39928
role playing & antiracist teaching, prejudice, students, meta analysis, 43215
RT in speeded performance of cognitive tasks, mentally retarded, meta analysis, 14070
self efficacy, work related behavior & performance, employees & other adults, meta analysis, 35602
self reported sensitivity to alcohol, sons of alcoholics, meta analysis, 13968
semantic priming effect size, lexical decision & pronunciation latency, young vs older adults, meta analysis, 25134
sensitivity of neuropsychological screening tests, assessment of diffuse brain dysfunction, meta analysis, 43796
sex, alcohol rehabilitation treatment outcomes, adults with alcohol abuse problems, 1953–91, meta analysis, 11120
sex, attitudinal commitment to organizations, employees, meta analysis, 27675
sex, caregiving stressors & burden, meta analysis, 7118
sex, sexuality & sexual attitudes & behaviors, meta analysis, 41182
sex, verbal & performance IQ, adults with unilateral brain lesions, meta analysis, 14361
sleep, psychiatric patients, commentary on meta analysis, 1608
sleep, psychiatric patients, meta analysis, 1583
social skills, children with learning disabilities, meta analysis, 10159
strategies to improve learning & memory deficits, mentally retarded, meta analysis, 41870
stress or relaxation intervention, in vitro immune response, adults, meta analysis, 36696
student's physical attractiveness, expectations & impressions & other judgments, teachers, meta analysis, 23586
substantive & methodological differences in psychotherapy outcome studies, reanalysis of English vs German language meta analyses, 30324
suicidal behavior, patients with bipolar or unipolar affective disorders, meta analysis, 33594
table for conversion of M. G. Kendall's Tau to Spearman's Rho & other indices for estimation of magnitude of effects in meta analysis, 32008
tabular & graphic formats of data presentation, decision making accuracy, meta analysis, commentary reply, 4334
tabular & graphic formats of data presentation, decision making accuracy, meta analysis, commentary, erratum, 4333
time & stage of practice & length of time on job, predictive validities, commentary on & reanalysis of meta analysis, implications for personnel selection, 4180
top management commitment, success of management by objectives program & job satisfaction, employees, meta analysis, 23745
total sleep deprivation, work vs self paced task performance, meta analysis, conference presentation, 16652
traditional methods vs meta analysis in interpretation of psychological research data, 4195
traditional vs legal measure of authoritarianism & type of S & crime & trial presentation medium, effect of authoritarianism on verdict choice, jurors, meta analysis, conference presentation, 23938
validity of GRE, prediction of success in graduate school, psychology & counseling graduate students, meta analysis, 24209
validity of model of planned organizational change, meta analysis, 39507
validity of self report measures with vs without bogus pipeline procedure, assessment of cigarette smoking, meta analysis, 31796
variability in cognitive RT & memory & fluid & crystallized IQ, younger vs older adults, meta analysis, 40840
ventricle brain ratio, schizophrenic patients, meta analysis, commentary reply, letter, 17834
ventricle brain ratio, schizophrenic patients, meta analysis, commentary, letter, 17792
violation of assumption of independence, distribution of correlation coefficient & Fisher's z in Monte Carlo simulation of meta analysis, 24254
writing instruction with word processor, writing quality & length & attitudes, students, meta analysis, 39189

Meta Analysis—Chapters

Cognitive-behavioral therapy in treatment of bulimia nervosa, 30351
Cumulating evidence, 20162
The effect of treatment on juvenile delinquents: Results from meta-analysis, 22060
Lessons from the meta-analysis of quasi-experiments, 12107
Meta-analysis for single-case research, 4204
Meta-analysis in primary care: Theory and practice, 19051
Pharmacological treatment, 30537

Metabolic Rates—Serials

baseline metabolic state, adults with bulimia nervosa, Canada, 2072
fluoxetine vs behavior therapy, caudate glucose metabolic rates, patients with obsessive compulsive disorder, 6439
integrated hypometabolic response to transcendental meditation, 4715
intelligence scores & regional cerebral glucose metabolic rate changes after complex task learning, male 19–32 yr olds, 40366
reduced cerebral glucose metabolic rate, amnesiac male 65 yr old at risk for Alzheimer's disease, 1 yr followup, 42090
responsiveness to haloperidol & glucose metabolic rate in caudate nucleus & putamen, schizophrenic 20–54 yr olds, 17784
size & shape & metabolic rate of corpus callosum, patients with unipolar depressive disorder, 41562

Metabolism [See Also Biosynthesis, Carbohydrate Metabolism, Catabolism, Lipid Metabolism, Metabolites, Protein Metabolism]—Serials

abnormalities in adrenal androgen & cortisol metabolism, depressed males, conference presentation, 45461

acute hypernatremia, plasma & CSF sodium & water intake, juvenile vs adult rats, 12637
age & iron metabolism & intellectual impairment, 11–89 yr olds with vs without psychiatric pathologies, 45374
aging & hemodynamic adaptations & metabolic responses to exercise & sociocultural factors, elderly, research review, 5284
alcohol elimination rate & liver alcohol dehydrogenase activity & voluntary alcohol intake, AA vs ANA female rats, 20857
ambient temperature, norepinephrine induced oxygen consumption & metabolism, cold acclimated vs nonacclimated male rats, 21056
appetite vs metabolic changes, weight gain associated with smoking cessation, 35–57 yr old males, erratum, 15091
blood catalase activity, alcohol intake, 18–70 yr olds, implications for biological marker of alcohol intake, 642
bombesin in preoptic area, body temperature & food intake & plasma glucose & free fatty acids & corticosterone & metabolic fuel state, food sated vs deprived vs hypoglycemic female rats, 8864
burrowing & huddling, metabolic rate & thermoregulation, newborn porcupines, 12645
caffeine, metabolic rate & sleep efficiency & latency, male 18–30 yr olds, development of physiological arousal model of insomnia, 20810
chronic immobilization induced simulated weightlessness, vitamin A status, male rats, animal model of space flight stress, 12711
chronic neuroleptics, serum & brain concentrations & ratios, male rats, 21021
clinical type & response to ECT, urinary excretion of neopterins & biopterins, severely depressed 24–76 yr olds, extension of amine hypotheses, 25751
clomipramine, thrombin induced platelet inositol phosphates formation, 20–65 yr old symptom free depressed patients, 30500
cocaine with vs without noradrenaline, carbon dioxide production from glutamate & oxygen metabolism, developing primary astrocyte cultures of neonatal mice, animal model of addiction & withdrawal, 8952
debrisoquine oxidation phenotype, acute dystonia, neuroleptic treated psychiatric patients, 26781
ethanol, growth & differentiation & glucose utilization, mammalian embryos, 4930
fenugreek seed extract, food intake & motivation & metabolic & endocrine correlates, male rats, 40649
fluoxetine & desipramine, serum desipramine & its metabolites, patients with depression or attention deficit hyperactivity disorder, letter, 6811
food restriction stress, plasma glucose & urea nitrogen & protein catabolism, male vasopressin deficient vs containing rats, 44559
gating of P50 response of auditory EP & catecholamine metabolism, schizophrenic females, 25845
glucose challenge induced metabolic events, symptoms, bulimic females, Canada, 33973
guanosine, mitotic index of lymphocytes, 4–25 yr olds with fragile X syndrome, 45919
inheritance of aldehyde & alcohol dehydrogenase alleles, alcohol metabolic rate & flush intensity, Chinese adults with vs without alcoholism, conference presentation, 45760
ip vs sc leu-enkephalin, plasma uptake & in vivo metabolism, male mice, implications for dosage, 4831
metabolic & anthropometric & psychological characteristics, binge eating, obese females, 45875
neuroleptic drugs, paracellular permeability to sugars & lactulose/L-rhamnose output, male rats & 22–63 yr olds with schizophrenia, Great Britain, 44707
pharmacological profile & metabolism of citalopram & other selective serotonergic reuptake inhibitors, 16733
phenotyping for metabolism of debrisoquine hydroxylase, 59–96 yr old psychiatric patients, 1555
phenylethanolamine N-methyl-transferase inhibitor LY 134046, plasma catecholamines & glucagon & glucose & other metabolic & hormonal responses during exercise, male rats, 12902
plasma insulin elevation, CSF insulin uptake, female Osborne-Mendel obese strain vs nonobese rats, animal model of hyperinsulinemia, 36632
postinjury GM1 ganglioside, thermal hyperalgesia & spontaneous pain behavior & spinal cord metabolic activity, rats with peripheral mononeuropathy, animal model of pain management, 4860
profiles based on regional cerebral glucose metabolism & patterns of ventricular enlargement, schizophrenic 19–40 yr olds, 29668
red cell folate levels & CSF biopterin, 5-HIAA & HVA markers of monoamine metabolism, severely depressed 23–74 yr olds, 25754
reduced cerebral norepinephrine metabolism & delusional depression, female 72 yr old with Parkinson's disease, 46092
regional cerebral glucose metabolic rate & cognitive decline, 53–83 yr olds with vascular dementia or Alzheimer's disease, 10392
renal tubular urate transport, serum & fractional excretion of urate & sodium & lithium, elderly with Alzheimer's disease vs multi-infarct dementia & rats exposed to plasma of study Ss, 42072
salt appetite, patients with psychosis & intermittent hyponatremia & polydipsia, letter, 37749
seasonal light cycles, behavioral & metabolic habituation to cohabitation, deer mice, 36619
sex & positive vs negative life stress, change in metabolic control, outpatients with diabetes mellitus, Sweden, 38138
sleep & wake cycles & 6-sulphatoxymelatonin secretory patterns, blind 12–18 yr olds, 14446
slowed nicotine elimination &/or reduced tolerance, nondependent cigarette smokers, 25456
stress reduction program, metabolic & hormonal risk factors for coronary artery disease, Army officers, 38769
testosterone & its metabolites & aromatase inhibitor R76713, morphological changes in medial preoptic area, male Japanese quails, 36482
2-deoxyglucose induced metabolic stress, plasma progesterone & cortisol, schizophrenic males, 13758
Metabolism [See Also Biosynthesis, Carbohydrate Metabolism, Catabolism, Lipid Metabolism, Metabolites, Protein Metabolism]—Chapters
Haloperidol and reduced haloperidol plasma concentrations in different ethnic populations and interindividual variabilities in haloperidol metabolism, 42505
Metabolic changes, 29994
Nutrition, energy metabolism, and thyroid hormones, 32533
Metabolism Disorders [See Also Amaurotic Familial Idiocy, Cushings Syndrome, Cystic Fibrosis, Diabetes, Diabetes Insipidus, Diabetes Mellitus, Lipid Metabolism Disorders, Phenylketonuria, Porphyria]—Serials
abnormal methyl metabolism, schizophrenic 26–63 yr olds, 29704
anticortisolemic drugs, patients with hypercortisolemic major depression or Cushing's syndrome, conference presentation, 18792
behavior therapy, polydipsia & hyponatremia, female 35 yr old with chronic schizophrenia, 30364
childhood & current stressful life experiences & emotional & physical well being & cortisol production, female 19–55 yr olds with hyperprolactinemia, 30008
clinical features & family history, female 65 yr old with adult onset acid maltase deficiency associated with epilepsy & dementia, case report, 2305
clozapine & lithium induced agranulocytosis, female 59 yr old with schizoaffective disorder, case report, 42497
family history of heart disease vs hypertension, dietary fat & cholesterol & salt intake, adults with hypertension vs hypercholesterolemia, 22198
glycoprotein, clozapine induced agranulocytosis, male schizophrenic 28 yr old, case report, conference presentation, 2615
hair & plasma & urine metal concentrations, female 27 yr old & male 37 yr old with homocystinuria, comparison with data on L-homocysteine induced methylmercury excretion in male rats, 22263

human leucocyte antigen typing, susceptibility to clozapine induced agranulocytosis, male Native American schizophrenic 42 yr old, case report, 2661
impairment of voluntary limb movements, 15–58 yr olds with Wilson's disease, 34032
maximal syllable production rate & frequency reproduction, 15–58 yr olds with Wilson's disease, 34031
mental retardation & demographic variables as risk factors & reasons for behavior, hospitalized psychiatric patients with polydipsia & hyponatremia, commentary, 30928
MRI findings, 28 & 31 & 33 yr old brothers with Type 3 GM1 gangliosidosis presenting as dystonia, Japan, 26339
naloxone, drinking behavior, schizophrenic 54 yr old male with intermittent hyponatremia & polydipsia, 6779
nonintensive behavioral intervention, water intake, 52 yr old male inpatient with psychosis & intermittent hyponatremia & polydipsia, 1 yr followup, case report, 18634
phenothiazine antipsychotics or tricyclic antidepressants, female 28 yr old & male 26 & 57 yr olds with Gilbert's syndrome & concurrent psychiatric illness, 42422
plasma prolactin level, weeping, hyperprolactinemic adult females, 18252
presence of anorexia nervosa in relation to CNS lesions, female 22 yr old with Wilson's disease, case report, 34028
presence of eating disorder, female Asian 6 yr old with ethyl malonic adipic aciduria, Great Britain, case report, 34003
psychiatric & other symptoms & historical diagnoses, patients with Wilson's disease, 18194
psychological functioning & dietary practices, 8–11 yr olds with hypercholesterolemia & their families, 30068
reliability & validity of Finnish version of Portage Assessment Scale, assessment of developmental skills, mentally retarded 1–56 yr olds with aspartylglucosaminuria, Finland, 24027
Wilson's disease & catatonia, male 12 yr old, India, case report, 45892

Metabolism Disorders [See Also Amaurotic Familial Idiocy, Cushings Syndrome, Cystic Fibrosis, Diabetes, Diabetes Insipidus, Diabetes Mellitus, Lipid Metabolism Disorders, Phenylketonuria, Porphyria]—Chapters

Abnormalities of energy metabolism in Alzheimer's disease studied with PET, 26352
Endocrinology and metabolism, 2183

Metabolites [See Also Dopamine Metabolites, Homovanillic Acid, Norepinephrine Metabolites]—Serials

active avoidance experience, production of individual enkephalin metabolites during Leu-enkephalin hydrolysis in plasma, male rats, 44522
acute vs chronic imipramine vs tandospirone or tandospirone metabolite 1-PP, tetralin induced 5-HT behavior & DOI induced head shake & forebrain 5-HT & beta adrenergic receptors density, male rats, 44744
age & sex, monoamines & their metabolites in postmortem putamen, 1 mo through 82 yr olds, 5042
age, kynurenine aminotransferase synthesis of kynurenic acid in hippocampus vs striatum vs cerebral cortex vs thalamus vs cerebellum vs liver, male 3 mo to 2 yr old rats, 12508
alpha methylparatyrosine vs ethanol, temporal discrimination & urinary dopamine & DOPAC & HVA & creatinine, 20–35 yr old males, implications for role of internal clock in time perception, 24969
cocaine pretreatment dosage, corticotropin releasing factor vs cocaine induced ACTH & plasma benzoylecgonine or methyl ester ecgonine or cocaine, male rats, 8984
cold swim stress, noradrenaline & 3,4-dehydroxyphenylethylenglycol in hypothalamus & interscapular brown adipose tissue, male rats, 4584
cortical allopregnanolone bioconversion & GABA-A receptor functioning, anxiolytic effect of progesterone, ovariectomized female rats, 40528
CSF HVA & 5-HIAA & MHPG, prediction of clomipramine or fluoxetine treatment response, 21–48 yr old females with trichotillomania, 34564
epinephrine vs norepinephrine, urinary catecholamines & their metabolites, adult males, Netherlands, 8749
hydroxylation & desmethylation of clomipramine hydrochloride, 17–73 yr old psychiatric patients, Japan, 46517
in vivo rostromedial hypothalamic dopamine & 5-HT & DOPAC & 5-HIAA & spontaneous feeding, female rats, 20572
ip ethanol, regional brain dopamine & norepinephrine & serotonin & their metabolites, male mice, 12838
monoamines & monoamine metabolites & amino acids & neurotransmitter related enzymes in subcortical regions, postmortem brain tissue from 38–87 yr olds with Tourette's syndrome, letter, 10329
morphine, CNS monoamines & DOPAC & 5-HIAA & formalin test responses, hypoalgesic vs hyperalgesic domestic chicks, 4932
norcocaine vs cocaine, cardiovascular function, phenobarbital anesthetized vs unanesthetized male rats, 12734
norfluoxetine enantiomers, in vivo serotonin inhibition, male rats & mice, 16775
pharmacokinetics of tricyclic antidepressant overdose during attempted suicide, 5996
pharmacokinetics of 2 dose levels of amoxapine & its metabolites, adults, Japan, 36889
pharmacology of hydroxylated metabolites of antidepressants, 4969
po vs decanoate haloperidol, plasma haloperidol & reduced metabolites, schizophrenic patients, 22698
role of plasma 6-beta hydroxydexamethasone in DST, male rats & healthy female 36 yr old, 20968
serum perazine & desmethylperazine, therapeutic responses, schizophrenic 19–65 yr olds, conference presentation, 14685
social isolation, pentobarbital pharmacokinetics & sleep & hypnotic action & urinary metabolites, male rats, 25009
tandospirone & 1-(2-pyrimidinyl)-piperazine, brain uptake & receptor binding & open field activity, male mice, 12840
UCB 29120, catecholamines & indoleamines & metabolites in hypothalamus & hippocampus & septum & striatum, male rats, 44613
urinary catecholamines & metabolites & correlates of sympathetic nervous system hyperactivity, 45–65 yr olds with neuroleptic malignant syndrome, 17697
ventromedial hypothalamus lesions, circadian rhythms of food intake & serum glucose & insulin & triglyceride, female rats, 32386

Metacognition—Serials

age & level of hearing loss, metalinguistic word awareness, hearing 4–10 yr olds vs orally vs bimodally educated hearing impaired 6–14 yr olds, 34260
age, recall ability & prospective vs retrospective memory evaluation, 50–79 yr olds, 29122
backward or schema guided forward inference or planstacking in physics problem solving, expert postgraduates vs novice college students, UK, 8316
causal attributions & beliefs about memory performance & strategies, 20–41 vs 60–88 yr olds, 20308
cognitive & metacognitive behaviors in mathematical problem solving in small groups, 7th graders, 5078
cognitive & metacognitive prereading activities, reading comprehension, Asian ESL high school & college students & adults, New Zealand, 27466
cognitive & metacognitive strategies & experiences & motivation & spontaneous self regulation in concept identification task, average vs gifted female 8th graders, 47307
cognitive development & theory of mind & metacognitive beliefs about intentional psychological states, 3–4 yr olds, 9143
cognitive instruction in small group counseling, performance during & recall & metacognitive awareness of employment interview, learning disabled high school students, Canada, 23672
comprehension monitoring strategies in basal reader instruction, reading comprehension & awareness & attitude toward reading, 4th graders, 23503
conceptualization of metalinguistic development, children, 25130
construct validity components of metacognition, 9th–11th graders, 44857
cue familiarity vs target retrievability, feeling of knowing & metacognitive judgments, college students, 44097

cue vs word pair review with vs without feedback, extent & prediction of word pair recall & general & mnemonic value of self monitoring for memory, college students, Canada, 16328
development of reflective processes & role of self reflection in learning & metacognition, conference presentation, 25165
development of theory of mind, autistic 6.5–15.8 yr olds, 7–8 yr followup, 41792
effort & performance incentives, recall, 4 yr olds, 37049
family structure & SES & ethnicity & other cultural familial factors, prediction of metacognition & academic performance, 2nd graders, 40856
general & specific metamemory beliefs & prose memory performance, young adults vs elderly, 32885
guidelines of "English Language 5-14" & use of literacy novel in reading metacomprehension skills instruction, Scotland, 31245
higher order thinking & cognitive processes in academic problem solving, African American & Latino high school students, 3422
learning abstract nouns & monitoring activities, prediction of & actual memory performance, college students, test of metamemory hypothesis, 353
metacognition & metalinguistic approach to relationship between & development of speech acts & corresponding mental states, preschool & school age children, educational implications, 37048
metacognition & problem solving performance, gifted vs high vs low average 4th–5th graders, 9197
metacognition & question answer response training, social studies & global reading comprehension, 3rd–5th graders, Guam, 35284
metacognition based cognitive training program, learning from test & reading comprehension, 12 yr old average & poor readers, Finland, 27464
metacognition research & theory & strategies, implications for instructional design, 4329
metacognitive knowledge & mathematics aptitude, arithmetic problem solving, 5th graders, Japan, 27507
metacognitive knowledge about school related reading, prelingually & profoundly deaf 14.6–19.4 yr olds, 19614
metacognitive teaching approach, mathematics achievement & attitudes, 6th graders with low mathematics performance, 3333
metacognitive training during reciprocal teaching, reading comprehension & vocabulary, 1st yr Black college students at risk due to low reading scores, 27430
metaknowledge of small group problem solving, group member interaction involvement & table duration, college students, 21465
modeling & coaching of metacognitive strategies underlying expert behavior, learning affect & cognitive ability, college students, 27470
novelty monitoring & metacognition & control in composite holographic associative recall memory model, implications for Korsakoff's amnesia, 16349
ontogenetic & evolutionary perspectives on continuity & discontinuity in psychological evolution & metacognition & mind concepts, 35769
passage type, comprehension monitoring & recall, 6th grade good vs poor readers, 19536
reading ability, metalinguistic skills & reading comprehension, elementary school students, India, 21186
relationship between metacognitive & domain specific knowledge, 1st vs 3rd vs 5th graders, 37055
retention interval, comprehension of chance of forgetting, 3 vs 4 yr olds, 40832
self regulatory processes of goal setting & metacognitive awareness, decision making & learning, college students, educational implications, 28268
strategy formation & metacognitive control, visual inspection duration during single vs dual task, adolescents, 5087
student vs teacher perceptions of interest & difficulty of text, student use of metacognitive strategies & comprehension monitoring during reading, deaf 13–17 yr olds & deaf vs hearing teachers, 19587
think aloud strategies in cognitive training program, reading comprehension skills, 6th graders with poor & average ability, Finland, 31284
think aloud vs directed reading-thinking vs directed reading instruction, comprehension monitoring abilities, 4th graders, 3326
visual imagery learning of bizarre vs common word pairs, encoding & retrieval times & metamemory, college students, 20315
word level metacognition & word identification & reading comprehension, 9.7–10.8 yr olds, Australia, 21195
word referent differentiation, development of conscious awareness in thinking, 10–11 yr olds, Estonia, translated article, 37064

Metacognition—Books

Ecology, cognition, metacognition and mind: A developmental perspective, 9206

Metacognition—Chapters

Development of attention and metacognition, 21216
Early interactions and metacognitive development of gifted preschoolers, 32925
The intellectually gifted adolescent, 3589
Investigating the control of writing skills, 1002
Metalinguistic awareness: The development of children's representations of language, 32910
Moving metacognition into the classroom: "Working models" and effective strategy teaching, 3407
Ratio and proportion: Children's cognitive and metacognitive processes, 28979
Reflecting on representation and process: Children's understanding of cognition, 24421

Metallic Elements [See Also Calcium, Calcium Ions, Cobalt, Iron, Lead (Metal), Lithium, Magnesium, Mercury (Metal), Potassium, Sodium, Sodium Ions, Zinc]—Serials

aluminium intoxication & dialysis encephalopathy syndrome, undialysed 45 & 48 yr old females with chronic renal failure, 10845
aluminum dosage given to mother during gestation &/vs lactation, food intake & body weight & growth & liver & brain manganese & liver iron & neurobehavioral development, female mice pups, 709
lithium & rubidium, FI responding, rats, 4819
lithium & rubidium, short duration FI responding, male rats, 4818
lithium, endogenous levels & red blood cell membrane differential concentrations of vanadium & rubidium & cesium & lithium, patients with bipolar disorder or depression, 10686
low level aluminum exposure, motor performance, 6–12 yr olds, implications for hair concentration as diagnostic method, 17049
postnatal aluminum, brain choline acetyltransferase activity & learning ability, rat pups, 4762
prenatal aluminum sulphate, brain choline acetyltransferase activity & body weight & motor & open field & other behavior & development, mice, 24860
serum aluminum, neurocognitive performance, 20–75 yr olds on hemodialysis, 14803
silver acetate lozenge as aversive stimulus in deterrent therapy, smoking cessation, 21–65 yr olds, 31000

Metallic Elements [See Also Calcium, Calcium Ions, Cobalt, Iron, Lead (Metal), Lithium, Magnesium, Mercury (Metal), Potassium, Sodium, Sodium Ions, Zinc]—Chapters

Aluminum, Alzheimer's disease, and the olfactory system, 26360
Heavy metal intoxication, 10201

Metals [See Also Metallic Elements]—Serials

CSF aluminum, 30–72 yr olds with Alzheimer's disease vs other neurological disorders, 46063
hair & plasma & urine metal concentrations, female 27 yr old & male 37 yr old with homocystinuria, comparison with data on L-homocysteine induced methylmercury excretion in male rats, 22263
regional aluminum & fluoride in drinking water, prevalence of dementia or impaired mental functioning, adults, Canada, 30 yr study, 14301

Metals [See Also Metallic Elements]—Chapters
Aluminum ingestion: A risk factor for Alzheimer's disease?, 26356
The concept of direct and indirect neurotoxicity and the concept of toxic metal/essential element interactions as a common biomechanism underlying metal toxicity, 26141
Intestinal absorption of aluminum: Relation to neurotoxicity, 26151
Neurotoxic metals and neuronal signalling processes, 26145
Metamemory [See Metacognition]
Metaphor—Serials
armor metaphor in marital & family therapy, clients, 34449
Balinese cockfighting & deep play & sport as societal metaphor, commentary, 5335
cancer metaphors & imagery, college students, Taiwan vs US, 45077
classification of concepts by metaphorical type, application of holistic & eclectic theory, commentary, 43921
classification of concepts by metaphorical type, 218
clinical vs experimental research & theories on psychological relevance of metaphorical language & talk, 12961
closed loop model of & metaphors for human computer interaction & interface needs for empowering environments & problem solving, users, 11775
cognitive apprenticeship metaphor & conversational analysis of teaching, teacher student interaction in open inquiry science classroom, male high school students, Canada, 47187
comprehension of metaphoric figurative language, 15–21 yr olds with traumatic brain injury vs language learning disability, 45344
creative thinking & metaphor & use of "I Ching" in teaching small group discussion, 9008
design & use of metaphors in adjustment counseling by rehabilitation teachers or other professionals, blind adult & elderly clients, 23177
development of knowledge based software for conventional metaphoric language, 7814
developmental perspective on use of metaphors through previewing technique in family therapy, 37 yr old father & 4 yr old son & 12 yr old daughter who experienced suicide of wife/mother, 26615
dogmatic vs sophisticated falsification as metaphors for problem solving activities & neural network modeling of reasoning metaphor, electronics experts, 32180
familiarity & aptness & topic vs vehicle priming words, comprehension & figurative activation of metaphors, college students, 20252
form & type of tension & content of visual metaphors in automobile & alcoholic beverage magazine advertisements, 31656
functions of metaphor & problem-expertise-social situation-task model, commentary on special issue, 32039
history & use of metaphor "mind's eye", mnemonist memory experts, 32200
language proficiency & cognitive style & metaphor comprehension, native English speaking vs ESL college students, Canada, 40748
metaphor & analogy & conceptual models in computer systems design, 27802
metaphor & psychotherapy & transformative experiences, 10492
metaphor of marriage framework for understanding integration of psychology & Christianity, 5329
metaphor production in autobiographical & nonautobiographical creative writing, experienced vs novice college students, 44801
metaphor usage in US Senate debate on Persian Gulf Crisis, senators, 33148
metaphoric analysis & understanding of organizational change, management personnel, 47433
metaphoric comprehension & divergent thinking & IQ & fantasy predisposition & imaginativeness in symbolic play, 3.7–5.5 yr olds, 5216
metaphorical analysis of dreams as poems, 8405
metaphorical perspective on social psychological laboratory experiments as drama, 13408
metaphors as means of organizational technological change & related gender & power issues, 7694
metaphors for & perceptions of freshman experience & socialization process, 1st yr college students, 39301
metaphors in descriptions of family therapy training experiences, master's level therapy trainees, 27263
metaphors in family therapy, clients, 30381
paternalism vs consumerism metaphors for doctor patient relationships, 34815
previewing as developmental principle to promote psychotherapeutic use of metaphor, mother infant dyads, 34369
primate/arboreal heritage as factor in biased use of English visual terms as metaphors for mental states, humans, 25063
role of metaphors in organizational change, 3715
role of poetic metaphor in philosophy & psychology, 24002
semantically anomalous metaphors, emotional impact of interpretation, adults, 4409
sociohistorical perspective on metaphors for insanity, 29532
structural metaphors in content knowledge mediation of work conceptualization for students, secondary school teachers, 23447
temporal & spatial metaphors of spoken vs written discourse, 9042
theory of conceptual metaphor & application to analysis of dream structures, 46210
use of metaphor in life narratives to convey identity & self conceptualization, male mentally retarded deinstitutionalized 23–29 yr olds with psychiatric disorders, 26077
use of metaphor in therapy, parents grieving death of child, 14600
use of metaphoric object as means of reflection during Rogerian therapy, female 19–36 yr olds, 18669
use of metaphors in explanation of hypothetical psychology experiments, experienced vs novice experimental psychology students or graduates, 32038
use of metaphors in family therapy, clients, 10571
use of metaphors in organizational development & leadership, 3718
use of myth & ritual & symbol & metaphor in organizational assessment & change, commentary, 3726
use of myth & ritual & symbol & metaphor in organizational assessment & change, 3720
use of psychotherapeutic metaphor in Bible & Sufism & fairytales & Zen & current culture, 30313
use of stories & tales for metaphorical communication in family logotherapy, urban Appalachian family, 26601
vampire metaphor in therapeutic conceptualization of cycle of childhood abuse, 45622
Metaphor—Books
Metaphors of interrelatedness: Toward a systems theory of psychology. SUNY series, alternatives in psychology, 11896
Metaphor—Chapters
'Graceful degradation': Cognitivism and the metaphors of the computer, 4357
Learning by metaphor, 46258
Metaphor and the Communication Interaction in psychotherapy: A multimethodological approach, 6535
The metaphorical nature of psychoanalytic theory, 41391
Metaphors in accounts of romantic relationship terminations, 29370
Verisimilar and metaphorical representations of time, 16147
Metaphysics—Serials
deconstructive relationship between psychoanalytic understanding of psychopathology & metaphysics & clarification of practice of psychoanalysis in writings of J. Derrida, 41370
Lacanian metaphysical perspective on Platonic epistemology & unconscious in Socrates' logos on love & sex in "Phaedrus", 28800
Metaphysics—Books
Psychological metaphysics. International library of psychology, 45222
Metaphysics—Chapters
Metaphysics and mental causation, 32755
William James and Gustav Fechner: From rejection to elective affinity, 24013
William James on the mind and the body, 24020

Methadone—Serials
methadone dose, heroin use, adults in methadone maintenance program, 30990
methadone, free feeding & body temperature, satiated male rats, 20981
methadone vs buprenorphine, response rate under VI reinforcement, female pigeons, application of Heyman's matching law & Nevin's resistance to change hypothesis, 28698
prenatal methadone, acoustic startle amplitude & CNS hyperexcitability, 21–32 day old rats, animal model of opiate abstinence in infants born to mothers on methadone maintenance, 44645
prenatal methadone, cognitive & social & emotional development & achievement, 6–13 yr olds with methadone dependent mothers, 33833
psychological aspects of methadone withdrawal, 47 yr old male polysubstance abuser, case report, 11106
self vs O rating of optimal methadone plasma level & dosage, HIV positive vs negative methadone maintenance patients, Austria, 11124
Methadone Maintenance—Serials
abstinence oriented vs laissez faire clinic policy, client retention, methadone maintenance clients, 23229
attitudes toward & expectations from & cost benefit analysis of proposed training & education program during methadone treatment, heroin addicted clients, 23247
buprenorphine vs methadone dosage, opioid dependent 21–43 yr olds, 42935
buprenorphine vs methadone maintenance, cocaine & opiate dependence, conference presentation, 7227
change in mixture of prescribed methadone tablets, drug use & social stability & physical complaints, opiate dependent outpatients, 19230
changes in family or individual functioning, heroin addicted clients applying for admission to methadone maintenance program, 3 mo followup, 3077
clonidine abuse, female methadone maintained polydrug abusing 36 & 38 yr olds with HIV & depression & histrionic personality disorder or antisocial personality, 7229
cocaine with methadone maintenance, opiate withdrawal symptoms, 32 yr old male with dual cocaine & heroin addiction, letter, 15125
community based training & employment program, 18–41 yr old & older methadone maintenance clients, 42924
contingent methadone take home privileges, abstinence & reduction in supplemental drug use, drug abusing patients on methadone maintenance, 15131
crack cocaine use, methadone maintenance patients, 1–2 yr followup, 23236
criminal activities & arrests, cocaine using vs nonusing clients in methadone maintenance program, 35024
cumulative duration of methadone maintenance, male chronic opioid users, 10 yr followup, 3087
cumulative vs stabilizing behavior effects of methadone maintenance assessed using retrospective self report data, heroin addicted patients, 1978–81, 42951
current regulation, clients who left vs stayed in Amsterdam methadone maintenance system, Netherlands, 5 yr followup, 23271
demographics & drug abuse history & treatment outcome, methadone maintenance patients with vs without antisocial personality disorder & increased HIV risk, 11110
depression & anxiety & sexual dysfunction & sex hormone levels & liver function, 30–60 yr old methadone maintenance patients, 15129
desipramine hydrochloride, cocaine abusing 22–59 yr olds on methadone maintenance, 15084
development & validity of revised vs original Detoxification Fear Survey, methadone maintenance clients, 15957
drinking & drug use patterns & related problems, clients in methadone maintenance vs therapeutic community vs county jail substance abuse programs, 35020
drug usage patterns during & at end of 1st yr of treatment, addicted patients in methadone maintenance program, 1 yr study, 7250
drug use & property & drug crime convictions, heroin addicts at entry to methadone maintenance treatment, 29860
exposure to methadone programs, heroin use, program patients, 30991
federally funded major drug treatment modalities & methadone maintenance & drug free outpatient programs & residential therapeutic communities, research review, 46916
free methadone maintenance, AIDS risk, heroin addicted female prostitutes, 27127
group vocational cognitive problem solving intervention, employment status, unemployed methadone clients, 35035
historical perspective on stigmatization of methadone maintenance & difficulties of professional role, treatment staff, 19391
history of & harm minimization vs abstinence approaches to methadone maintenance, opiate addicts, Australia, 11102
im buprenorphine vs hydromorphine vs naloxone, physiological & O & self reported effects & cognitive & psychomotor performance, methadone maintained opioid dependent 24–43 yr old males, 3108
in-jail methadone maintenance vs heroin detoxification, post-release treatment & drug use & criminal activity, heroin addicted inmates, 6.5 mo followup, 46973
issues in methadone maintenance & AIDS risk, iv drug users, 26019
level of legal coercion into methadone maintenance program vs voluntary admission, criminal justice system contact & criminal activities & drug & alcohol use, clients, 30987
lighting intensity & monocular & binocular exposure, opioid miosis, methadone maintenance patients, 31024
limited services interim methadone maintenance clinic, heroin use, heroin addicts, 1 & 16 mo followups, 15139
long vs short term vs irregular participation in low threshold methadone programs, needle borrowing & HIV risk behavior, drug using 16–57 yr olds, Netherlands, 19215
methadone & other opioids, immune system function, injecting drug users, literature review, implications for prevention of HIV infection, 31004
methadone dosage, cigarette smoking levels, methadone maintenance clients, 35042
methadone dosage, cocaine abuse, patients who previously abused opiates, letter, 39010
methadone dose, heroin use & urine morphine, methadone maintenance clients, commentary reply, 7233
methadone dose, heroin use & urine morphine, methadone maintenance clients, commentary, 7241
methadone dose, heroin use, adults in methadone maintenance program, 30990
methadone maintenance &/vs legal probation or parole, drug usage & criminal behavior, heroin addicted clinic patients, 3058
methadone maintenance programs, cocaine use, heroin addicted clients, 1978–81, commentary, 23223
methadone maintenance programs, cocaine use, heroin addicted clients, 1978–81, commentary reply, 23239
methadone maintenance treatment compliance & persistent heroin use, social adjustment & criminality & relation to outcome, substance abusers, Italy, 23226
methadone treatment, daily life activities & self perceived health & life quality, heroin addicted clients, 31013
methadone treatment, illegal narcotics use & syringe sharing patterns & HIV exposure risk education, iv drug users, New Zealand, 7251
organic mood syndrome, heroin addicted male 27–59 yr olds undergoing therapeutic detoxification from methadone maintenance, 27142
outpatient benzodiazepine detoxification procedure, 26–46 yr old benzodiazepine dependent methadone maintenance patients, 42942
prenatal care enhanced vs conventional methadone maintenance, pregnancy outcomes, pregnant opiate dependent 20–33 yr olds, 23231
prevalence & prevention of & risk behavior for AIDS & HIV infection, iv drug users in methadone maintenance treatment programs, literature review, 35003
problems of self disclosure & stigma management, methadone maintenance clients, 19224
role of methadone maintenance in treatment & prevention of HIV infection, drug abusing patients, 3105

self vs O rating of optimal methadone plasma level & dosage, HIV positive vs negative methadone maintenance patients, Austria, 11124
sexual behaviors & HIV risk, iv drug using adults with vs without involvement in methadone maintenance program, 15136
social vs physiological motivations for drug use, methadone clinic clients, 25990
sociodemographic & emotional health factors, prediction of methadone maintenance outcome, narcotic addicts, Canada, 35027
sociodemographic & psychological correlates of drug injection behaviors & drug usage patterns & criminal history, methadone outpatients, 31001
structured contingency contracting system, illicit drug use, male patients in methadone maintenance program, 39026
TAT self image & needs &/vs environmental demands, heroin dependent males in methadone maintenance, 11108
treatment outcomes, 26–51 yr olds in long term methadone maintenance, 42968
Methadone Maintenance—Chapters
Cocaine abuse within methadone maintenance programs, 7266
Rationale for maintenance pharmacotherapy of opiate dependence, 11157
Methamphetamine—Serials
auditory ERPs during syllable discrimination task, 20–58 yr olds with methamphetamine psychosis, 45508
aversion therapy & reinforcement & social support, abstinence vs relapse, cocaine & methamphetamine dependent clients, 12–20 mo followup, 23246
chlorpheniramine vs morphine, methamphetamine vs cocaine induced conditioned place preference, male rats, 44672
d-methamphetamine, effects of simulated sustained flight operations on subjective fatigue & cognitive performance, male 22–28 yr old Marines, 23810
dopamine agonists apomorphine & GBR-12909 & nomifensine & methamphetamine, latent learning in 1 trial water finding paradigm, water deprived mice, 28721
dosage of reinforcing cocaine vs PCP vs methamphetamine paired sucrose solutions, taste reactivity vs avoidance conditioning assessed flavor-drug association, male rats, 24959
fluoxetine prior to recreational MDMA, serotonergic mechanisms underlying subjective effects & neurotoxicity, 23–45 yr olds, 45737
high dose methamphetamine, striatal dopamine & 5-HT neurotoxicity induced motor task performance impairment, male rats, animal model of parkinsonism, 32712
hypothalamic suprachiasmatic nucleus lesions, entrainment of methamphetamine induced locomotor activity rhythm to feeding cycles, female rats, 20881
methamphetamine & ethanol, active vs passive avoidance vs neurotransmitter concentration in various brain regions, male rats, implications for drug abuse, 4967
methamphetamine & fluoxetine, male 11 yr old with attention deficit hyperactivity disorder & obsessive compulsive symptoms, 34531
methamphetamine dosage, narcoleptic 20–71 yr olds, 46681
methamphetamine, striatal subregion dopamine & 3H-mazindol labeled dopamine uptake sites, male rats, 28700
methamphetamine vs diphenyl substituted piperazine derivative 3HGBR12935, striatal dopamine uptake, male rats, 28757
methamphetamine with vs without prazosin vs yohimbine vs clonidine vs propranolol vs atenolol vs ICI 118,551 vs haloperidol vs SCH 23390, heart rate & BP, male squirrel monkeys, 4919
MK-801, ambulation & sensitivity to methamphetamine, male mice, 12821
prenatal methamphetamine, activity & ocular effects, rats, 20793
Methamphetamine—Chapters
Alterations in biodistribution of 11[superscript]C-methamphetamine (MAP), 14[superscript]C-MAP, and 123[superscript]I-N-isopropyl-iodoamphetamine (IMP) in MAP- and cocaine-sensitized animals, 21072
A lasting vulnerability to psychosis in patients with previous methamphetamine psychosis, 22031
Methamphetamine and adolescents, 10075
Methanol—Serials
hexane vs methylene chloride vs methanol extracts from unmated female webs, inactive mated female web reduction, male Linyphia triangularis, implications for pheromone identification, 40477
Methaqualone—Serials
dextroamphetamine vs PCP vs methaqualone, RT, pigeons, 40601
Methedrine [See Methamphetamine]
Methionine—Serials
abnormal methyl metabolism, schizophrenic 26–63 yr olds, 29704
S-adenosyl-L-methionine, onset of imipramine action, depressed 18–65 yr olds, 30447
transcutaneous electrical nerve stimulation vs S-adenosyl-L-methionine, 31–75 yr olds with primary fibromyalgia, 30617
Methodology [See Also Related Terms]—Serials
absolute vs professional frequency measures of differences in speech heard in interactions with mother, 1–2 yr olds, commentary, 17057
addition of measure A/0 to population density index model, 43876
age cohort period problem & other innovations in research design & methodology in gerontology, conference presentation, 1166
alternative methodology in overcoming lack of mounting motivation, young male Holstein bull, implications for artificial breeding, 44208
analytic hierarchy process, rank ordering of judgment of usability & learnability of 5 computer interfaces, adults, 39598
applicability of sequence comparison methodology, analysis of movement patterns & assessment of motor performance, 0–42 mo olds with vs without developmental delays, 31820
application of receiver operating characteristic methods, assessment of instruments' validity in prediction of relapse, stabilized schizophrenic patients, 4070
approximation formula for calculation of bounds of population density index, 43877
articulatory precision & fluency vs standard distributional & frequency criteria method, identification of segmentation strategies & vocabulary growth, preschoolers, 28947
assessment methods of psychotropic drug side effects, patients, 2627
association between & methodological problems in study of physical activity & aging & psychological well being, elderly, literature review, 5257
automated coding of facial behavior in human computer interactions, adults, application of Facial Action Coding System method, 27790
automated temperature sensitive recording apparatus, quantification of scent marking behavior, male Mongolian gerbils, 12434
behavioral data acquisition & analysis techniques & tools & computer applications in ethopharmacology, animals, conference presentation, erratum, 20847
benefits of consortium attitude survey approach, employees, 35991
biographical anamnesis techniques for social psychiatric examination of critical lifespan phases, mentally ill patients, conference presentation, 25745
blood alcohol level, cognitive & psychomotor performance & dose equivalency as risk assessment index in neurotoxicological research, male 21–42 yr olds, 721
body composition assessment in physical education classes, self consciousness & motivation to exercise, college students, 11522
breed & rearing conditions before weaning, assessment of fear reactions & behaviors, domestic sheep, 8570
capture recapture methodology for monitoring & assessment of Census Bureau Shelter & Street Night enumeration, homeless in New York City, 1990, 1205
case study & self experimentation & other practice methodologies in psychological research, commentary, 39954

causes & consequences of divergence between archival & perceptual measures of organizational environment, 35587
chaos & multivariate theories, methodologies & other issues in assessment of depression, 5823
clinical case study & other practice methodologies in psychology research, commentary, 39953
clinical factor analysis as clinical case conceptualization technique, therapist treating 30 yr old female with anxiety, 30310
comparison of validity of human error identification techniques in risk assessment context in human reliability assessment, 23823
computer measurement of autokinetic effect, college students, 28204
computer supported observation techniques & automatic activity assessment, assessment of interaction between dextroamphetamine & raclopride or SCH 23390 & other drug effects, rats, 24961
computerized EEG spectral analysis & sleep staging, evaluation of sleep structure, patients with sleep disorders or on hypnotics, 26771
concept mapping methodological approach for understanding experience of depression, 18–57 yr old college students, 41537
conceptual & methodological issues in alcohol consumption research, college students, 1986–90, literature review, 41194
conceptual & methodological issues in research on resilience, children, 40929
conceptual & methodological problems in sociological & psychological research on role conflict, reinforcement of stereotypes, female athletes, 11711
conceptual evaluation framework for choice or development of methodology to assess coping with job stress, literature review, 11659
connectionist network methodology in representation of explicit rules of novel structure, 47574
contact lens method for asymmetrical visual deprivation, lateral asymmetry of hemispheric function, 18–34 yr old males, 44421
content & methodology & theories & publication trends in "Journal of Personality & Social Psychology", 1968 vs 1988, 7297
criterion of ideological justification & methodological demand & africentric conception of sciences, 7913
critical masking ratio or band narrowing or rippled or notched noise masking, assessment of auditory frequency selectivity, chinchillas, comparison to human auditory system, 24514
cross correlational time zone transition analysis of temperature & urinary data & dissociation of internal clock vs masking components of circadian rhythm, 16654
cross cultural & methodological issues in & reliability of Facilitator-Regulator Questionnaire, assessment of maternal orientation, mothers of 6 mo olds, Israel, 19971
detection of Borna disease virus reactive antibodies with Western immunoblot technique & relationship of virus-like agent to affective illness, affectively ill patients, 29606
determination of success & other neglected topics in chronic pain treatment outcome studies, 46153
development & validation of Bayesian classified EP based memory assessment, college students, 12033
development of & problems with Bayesian & statistical & neural network & expert rule & decision tree methods of computer assisted medical diagnosis, 26206
development of comprehensive methodology for evaluation of human performance effectiveness in critical skills occupations, 3660
development of memory task, assessment of neuronal activity in auditory working & reference memory in single situation of stimuli, male rats, 12540
development of Rotterdam C-chart, assessment of & norms for visual acuity & interocular differences, 5 yr olds & young adults, Netherlands, 13062
diary vs retrospective recall vs summary methods, assessment of quantity & frequency of alcohol consumption, 16–70 yr olds, Netherlands, 9501
dichotomization of continuous multiple predictor variables, statistical significance & Type I errors, reseachers, 16093
dietary fat, diet & macronutrient selection assessed by novel diet design approach, male rats, 12429
differences in methodological measurement of stereotyped attitudes of Russians vs Americans, college students, Russia vs US, 35777
discourse analysis as methodology for semiotic psychology, 12963
discrimination learning method, assessment of visual acuity, Japanese Black heifers, 8444
discrimination task, olfactory performance, squirrel monkeys, application to tests of perceptual & learning capacity, 20377
E. Mellanby's vs area under curve vs slope function measures of acute alcohol tolerance, social drinking male 21–24 yr olds with vs without family history of alcoholism, 45735
efficacy of piezoelectric motion sensor, measurement of effects of cocaine hydrochloride vs diuretic hydrochlorothiazide vs verapamil vs d-amphetamine sulfate vs d-9-tetrahydrocannabinol, male baboons, 4815
eigenvector stability & principal component analysis of EP data, 12089
emotional imagery vs reality analogy, emotion evaluation, implications for vignette methodology limitation, commentary, 40208
enclosure of return card, response rate to questionnaires concerning sexual behavior & illegal drug use, 18–59 yr olds, implications for AIDS research, 16083
establishing operations of deprivation & satiation, reinforcement effects, developmentally disabled 25–36 yr olds, commentary & reanalysis of data using statistical process control, 14565
estimation of daily urine volume, psychotic patients, 21838
estimation of 24 hr urine output & creatinine, diagnosis of polyuria & polydipsia, 18–59 yr olds with chronic schizophrenia or manic affective disorder, 9768
ethnomethodology in sociology, conference presentation, 11892
ethoexperimental animal model of anxiety based on natural defensive & antipredator behavior, assessment of anxiolytic effect of alcohol, rodents, implications for alcohol abuse & addiction, 24851
evaluations of peer dispositions, 2nd–7th graders, Israel, application of Revised Class Play procedure, comparison with North American data, 9261
everyday vs scientific approach, group processes & report attributes, focus group moderators, 43541
experimental or clinical or epidemiological methods, assessment of epileptogenic potential of psychotropic drugs, patients, 2628
experimental vs naturalistic approaches to study of speech error detection & correction, 270
externally applied surface pressure, measurement of pain pressure threshold of hand, male vs female 19–46 yr olds, Sweden, implications for ergonomics of hand held tools, 43937
factor analysis of Simultaneous Dichotic Loudness Balance technique & induced loudness adaptation, assessment of factor overlap between procedures, 15–43 yr olds, 25168
focusing & storytelling & other elicitation procedures for personal constructs, 25546
forced vs free choice procedure, self administration of caffeinated vs decaffeinated coffee, 23–52 yr olds, 24953
forgetting of stimulus attributes, generalization & perception of stimulus similarity, methodological implications for assessment of associative phenomena, 12289
formal logical & mathematical methodology, extraction of concept content from continuous discourse & other language sources, conference presentation, 40754
frame size vs body mass index methods, assessment of blood lipid levels, male vs female 20–89 yr olds, 28604
free choice profiling method for evaluation of taste & other sensory properties of organic & inorganic acids, graduate students, conference presentation, 4232
functional analysis as methodology for understanding case material, male adult who attempted multiple murder, 33899

generalizability of context effects in personality research, research review, 37488
genetic &/or environmental factors & methodological issues, discrimination of odor of human monozygotic vs dizygotic twins, dogs, commentary, 8596
Grass photic stimulator flash with vs without auditory click, flash visual & auditory EPs, male rats, 12617
H. G. Gadamer's conception of hermeneutic understanding & methdology of human sciences, 31781
H. Gruber's case study approach to creativity & creative work, 37511
heart rate & respiratory vs performance & subjective measures of cognitive activity & workload, workers, 16708
heuristic filtering & reliable calibration methods, enhancement of accuracy of fixation & saccade detection & video based gaze tracking system, conference presentation, 40003
historical analysis vs current evaluation procedures in hard systems, assessment of user centered approaches to requirements capture, employees, 3824
historical method in study of change in consumer behavior, 31645
identical twin vs DNA based linkage techniques in study of human behavioral genetics, research review, 4553
importance satisfaction analysis, development of organization policy & strategy & change, managers, 31580
in situ daily recording & ambulatory monitoring methodologies in behavioral medicine, literature review, 42538
information statistical analysis & frequential data collection method, assessment of behavior changes, monkeys, 11925
insertion of microelectrode into uncut chorda tympani nerve fiber using middle ear surgical method, assessment of single neuron gustatory responses, gerbils, 20681
instructional cues to aversion & auditory stimulus intensity, avoidance behavior, female college students, Germany, test of computer analog shuttle box paradigm utility, conference presentation, 40108
intensive vs naturalistic measurement of stress & coping & mood, 21555
interactive assessment method & utility in cognitive processes research, 16269
intracardiac perfusion with cresyl violet acetate in saline & dimethyl sulfoxide, visualization of middle cerebral arteries, rats, applications in animal models of stroke, 20565
issues in & benefits & drawbacks of measurement of patient violence & dangerousness, 37601
issues in methodology for assessment of social skills with peers, children, implications for assessment & intervention in social skill problems, 46352
issues in quantitative methodological lines of communication science, 809
issues in study of mental state attribution, primates, 44239
issues in theory of & methodology in psychoeducational assessment, gifted & talented African American students, 11568
Jacobson & Traux's vs Edwards & Nunnally's methods & instrument reliability & sample deviance, assessment of clinically significant change, elderly brief therapy patients, erratum, 24270
kinematic signals of average response velocity, determination of movement onset from temporal series with interactive graphics vs numerical methods, adults, 40066
leg position learning in light aversion conditioning paradigm, male cockroaches, adaptation of Horridge procedure, 28397
length of time until recall & child vs parent informant & near injuries as proxy measure in childhood injury data collection, 8–11 yr olds & their mothers, 6 mo study, 30060
limited access method, presentation & measurement of alcohol consumption, rats, implications for screening drugs that affect alcohol intake, 16865
list vs word method, directed forgetting on implicit vs explicit memory tests, college students, 32198
low fidelity simulation in team coordination & performance research for critical work environments, 19676
magnitude estimation scaling vs traditional RT procedure, assessment of hemispheric processing asymmetry in lexical decision, 21–24 yr old females, 44069
magnitude matching vs category ratio scaling, assessment of sensitivity to caffeine vs sucrose vs citric acid, tasters sensitive vs insensitive to 6-n-propylthiouracil, 16130
mail survey procedure in teacher evaluation study with 96% return rate, commentary on original & replication articles, 8140
mail survey questionnaire identification code & message about nonresponse followup, response rate & quality & attitudes & involvement, respondents, 8160
mail vs telephone surveys vs keeping time, assessment of time spent teaching Dutch language, elementary school teachers, Netherlands, 11412
mathematic models for Brown-Peterson methodology for study of retention of individual verbal items over short time periods, 4385
method of voice conversion using Pitch Synchronous Overlap & Add technique, 11809
method triangulation in college student research, 27347
methodological & client characteristics, outcome of client education studies, diabetic patients, meta analysis, 22952
methodological & clinical factors in detection of feigning in neuropsychological testing, patients, research review, 31944
methodological & epistemological issues in & models of delusional reasoning processes, delusional patients, 17713
methodological & ethical concerns for assessment of truth & recording devices in participant observation in consumer research, 23822
methodological & paradigmatic issues in research on career indecision subtypes & work attitudes & life stress & future career exploration, bank managers & professionals, commentary, 15590
methodological & psychometric inadequacy in assessment of coping reactions & relation to health & personality, 24090
methodological & social class concerns in assessment of others' speech input in language acquisition, 1–2 yr olds, commentary reply, 17032
methodological approaches to study of long term effects of German–US high school foreign exchange, adults, 1951–87, 43177
methodological basis for inconsistent research findings on social integration in mainstreaming programs, disabled children, research review, 7513
methodological characteristics of mail survey procedures, studies published in "Journal of Counseling Psychology", 1980–89, 24271
methodological considerations in interpretation of correlations between risk perception & behavior, 32034
methodological considerations in use of recombinant inbred mouse strains in study of complex characteristics, implications for role of environment, 28470
methodological contradiction in research on cognition & cognitive processes, educational implications, 32175
methodological critique of eye movement desensitization as treatment technique, 22580
methodological development of survey, assessment of community satisfaction with police force, Canada, survey appended, 24037
methodological evidence for genetic transmission of affective illness, 25785
methodological factors in development of HIV risk related behaviors & attitudes & knowledge questionnaire, ethnically diverse sexually active Army personnel, conference presentation, 35876
methodological factors in study of risk factors for HIV infection, street vs part time prostitutes vs escorts, implications for prevention, 6290
methodological flaws in imagery research, commentary reply, 28238
methodological issues & research strategies in study of coping with cancer, research review & application of transactional model of stress & coping, 6322
methodological issues in cross cultural psychiatry, 30305
methodological issues in polydiagnostic approach to classification, psychotic patients, 29672
methodological issues in posthospitalization negative behavior change & distress, 2.3–11.5 yr old surgical or other hospitalized patients, commentary on meta analysis, 23126

methodological issues in referential communication research, children, Europe, 9168
methodological issues in research on & individual differences in driving skill & style correlates of road traffic crash risk, drivers, 23864
methodological issues in subliminal psychodynamic activation, commentary reply, 44079
methodological issues in survey assessment of services, patient survival & cost of care & quality of life, patients with AIDS, longitudinal study, 24036
methodological issues in 3 approaches to diagnosis of comorbid learning disability, male 6–12 yr olds referred for behavior problems, erratum, 2023
methodological issues in 3 approaches to diagnosis of comorbid learning disability, male 6–12 yr olds referred for behavior problems, erratum, 10145
methodological problems & research design issues in substance abuse research, ethnic minority groups, 25972
methodological problems in operant learning research, infants, 28948
methodological problems in quit & win smoking cessation lotteries, adults, Australia, 46913
methodological problems in research on career indecision subtypes & work attitudes & life stress & future career exploration, bank managers & professionals, commentary, 15587
methodological problems limiting findings of deterioration from course & outcome & predictor data, schizophrenic patients, reply to commentary on 2–10 yr followup, letter, 1713
methodological problems limiting findings of deterioration from course & outcome & predictor data, schizophrenic patients, commentary on 2–10 yr followup, letter, 1736
methodological problems with & empirical consensus regarding lithium treatment & memory assessment, 38547
methodological rigor of intervention evaluation, reported success of organizational development interventions, meta analysis, evaluation of positive findings bias hypothesis, 15682
methodological strategies & underlying paradigms in recruitment of hard to reach & ill defined subpopulations, crack or other drug abusing 15 yr olds & older, 28156
methodological validity of focal animal technique, estimation of duration of behavior acts, ants, 8515
methodology & theory in human eating research & sensory & physiological factors, commentary, 16089
methodology & theory in human eating research & sensory & physiological factors, commentary, 16084
methodology & theory in human eating research & sensory & physiological factors, commentary, 16104
methodology & theory in human eating research & sensory & physiological factors, commentary, 16102
methodology & theory in human eating research & sensory & physiological factors, commentary, 16099
methodology & theory in human eating research & sensory & physiological factors, commentary reply, 16095
methodology & theory in human eating research & sensory & physiological factors, commentary, 16096
methodology & theory in human eating research & sensory & physiological factors, commentary, 16098
methodology & theory in human eating research & sensory & physiological factors, 16094
methodology for assessment of typicality of objects in environmental scenes, college students, 3839
methodology for measurement of emotional & heart rate reactivity to stress in daily life, male 18–30 yr olds, 20739
methodology for research project on grammatical structure & errors in speech, aphasic Ss, UK, 38236
methodology for study of resistance to monotony as personality trait, translated article, 37494
methodology for use of verbal reports of thinking in construction & validity of multiple choice tests of critical thinking, 11943
methodology in assignment of Ss to disease prone personality types, male 30–70 yr olds with vs without myocardial infarction, Netherlands, 36033
methodology in evaluation of public policy, 28154
methodology in history of psychology literature, 1975–86, research review, 39707
methodology in investigation of memory of intentions, 16346
methodology of cross cultural program evaluation in business, 11599
methodology of S retention in long term followup studies, 8162
methods & recommendations for assessment of competence & adherence to & integrity of psychotherapy protocol, therapists, 46234
methods for assessing compliance in clinical trials, 14731
methods for auditory subliminal stimulation, 44034
methods for enhancement & training of psychokinesis, research review, 16394
methods for gaining access to & interviewing CEOs & data collection, sociologists, 35567
methods for rating severity of trichotillomania, 33561
methods in determining knowledge & skills & attitudes essential to competence in work with children & learning disabled & elderly with neurological disorders, speech therapists, UK, 19379
methods in study of age differences in cognition, adults, commentary reply, 21192
methods in study of age differences in cognition, adults, commentary, 21193
methods in study of age differences in cognition, adults, commentary, 21180
methods in study of age differences in cognition, adults, 21191
methods of capture in wild, long tailed macaques, 32274
methods of defining & enumerating social networks, 1369
methysergide vs ritanserin vs ICS-205,930, 2-deoxy-D-glucose antinociception in tail flick vs jump test, male rats, 20853
microgenetic method for assessment of cognitive developmental change, children, commentary, 5123
microgenetic method for assessment of cognitive developmental change, children, commentary reply, 5130
microgenetic method for assessment of cognitive developmental change, children, commentary, 5092
multiple choice procedures, assessment of pentobarbital reinforcement, drug abusing 24–44 yr old males, 37938
Musical Experiment Development System of hardware & software as convergent methodology in psychomusical research, conference presentation, 8244
nature of stressors & other methodological parameters in short term psychological stress & immune responses, 20751
necessity of research methods for coping with uncertainty in application of scientific & psychological knowledge to formation of social policy, commentary, letter, 20178
necessity of research methods for coping with uncertainty in application of scientific & psychological knowledge to formation of social policy, commentary reply, letter, 20175
neighborhood walk method, assessment of community resource accessibility, mentally handicapped patients, 27910
nondeviant vs pedophilic vs physically aggressive sexual audiotapes, sexual arousal measured by penile erection, male sex offenders, commentary, 6121
O vs self report vs biochemical verification of abstinence, adults trying to stop smoking, 2 to 180 day followups, replication, 35022
objective quality measure, assessment of speech quality of bit reduction coding, female adults, 275
once-only consultation methodology, 22–78 yr olds with insomnia, 1–12 mo followups, 46603
origins & history & impact of 4 frequently cited methodological & statistical articles from "Psychological Bulletin", 11924
parallel current number trade off functions, mapping substrates for effective electrode placement for brain stimulation reward, male rats, 44401
participation in longitudinal study & research methods, attitudes & behavior & marital satisfaction, newly married couples, 4 yr study, 13304
perceptions & expectations of public library services assessed in open group discussion vs telephone questionnaire, 17–18 yr olds, England, marketing implications, 19785

perspectives on methodology & advances in recombinant DNA research & mental retardation, 41879
perspectives on methodology of historical & future research in psycholinguistics, 40757
phase transfer catalyst, determination of lithium ion concentration in urine, clinical practice implications, 6814
piecewise linear equation, analysis of mathematical model of neural networks, 23903
plastic fingerprint method & palmar sweat index, measurement of activation, 18–64 yr olds, 16651
popularity of article on assessment of fit in covariance structure analysis & citation analysis of methodology articles in "Psychological Bulletin", 1978 to present, 12081
positive vs negative reinforcement, measurement of motivation to feed following food deprivation, hens, 4467
positron emission tomography data analysis techniques of 18F accumulation ratio vs activity in brain areas vs plasma 18F-DOPA, MPTP lesioned monkeys with parkinsonism, animal model, 28502
practice methodologies in psychological research, commentary reply, 39946
practice methodologies in psychological research, 39947
preference test system for evaluation of housing conditions, mice, 12336
principles of clinical judgment & training & experience & diagnostic accuracy & ability to detect malingering, forensic neuropsychologists, critical review of method skeptics research, 47001
probing of "don't know" answers in telephone vs field interviews, survey results & variable relationships, interviewers & interviewees, 28158
problems in & recommendations for methodology & statistical validity analyses in academic retention program research, at risk minority college students, 35407
problems with methodological solipsism as psychological research strategy, 28153
problems with selecting control subjects in schizophrenia research, 13760
problems with 2 step procedure undermining study of hypothesis of C. Spearman on nature of differences on IQ tests, Blacks vs Whites, commentary, 4012
progress in & methodological problems with therapy outcome research, preschoolers, conference presentation, 14495
psychometric properties of methods of dynamic formulation, psychotherapy patients, research review, 43741
psychophysiological measurement of heart rate & respiration & relation to study of cognitive processes, 16658
qualitative acoustic analysis, study of disordered production of vocalic segments, 54–62 yr old males with apraxia, letter, 26132
qualitative research designs & practice methodologies in psychological research, commentary, 39941
quantitative approaches to relative contribution of age & birth cohort & time of measurement to development, 12985
quantitative assessment of unconscious communication in psychotherapy, female clients, 34344
quantitative trait loci analysis in alcohol related behavior, BXD recombinant inbred mice, conference presentation, 44372
quantitative trait loci analysis in nitrous oxide & ethanol dependence & withdrawal, BXD recombinant inbred mice, conference presentation, 44363
questions & concerns about phallometric test practices in child sexual abuse cases, assessment of deviant sexual preferences, males charged with sex offenses, 18076
rape prevalence research methods & estimates & screening approaches, 37990
reader response to transcript of clinical interview as method of highlighting gender bias in psychotherapy, 30336
refusal conversion protocol, refusal to participate in study, 70 yr olds & older, longitudinal study, 16103
reliability & efficacy of mail vs interview survey of knowledge & attitudes & behavior toward HIV & AIDS, college students, England, 4215
reliability & validity of reasoning test, male rats, animal model, 16427
research designs & methodological issues in psychiatric treatment effectiveness evaluations, 14454
role specific vs aggregate measures of negative life events & role evaluations, psychological distress, college students, 45249
sample size & S selection & demographics & affective variables & medical status methodological issues in neuropsychological research, HIV infected patients, 22296
scale correspondence between intention vs expectation & prediction of physical activity, 35616
semantic tracking task, voluntary control of penile response during phallometric testing, homosexual pedophilic males, Canada, 45668
sensitivity of 1 vs 2 bottle testing method, detection of overshadowing & taste aversion retention differences, male rats, 44229
signal processing approach, analysis of distortion of EP averages due to overlap at short interstimulus interval, 24782
simulation methods for inclusion of genetically related phenotypes in linkage analysis, schizophrenic patients, 25827
single case & other methodologies in psychoanalytic research, 26680
skin conductance reaction habituation test, assessment of anxiogenic activity of flumazenil or caffeine or theophylline or dextroamphetamine or piracetam or other psychostimulants, female mice, 24967
sleep & penile tumescence monitoring during morning naps, healthy males, implications for assessment of male erectile disorder, 41951
social competence interview &/vs video game &/vs mirror drawing &/vs mental arithmetic stress tasks, prediction of ambulatory BP, Black vs White 13–16 yr olds, 25083
specific vocalization identification technique in tape recorded social interaction, animals, 24025
speech heard in dyadic interactions with mother, 1–2 yr olds & their working vs upper middle class mothers, implications for assessment of speech input frequency, 17031
stability & reproducibility of time structure & number of initiations & K function in evaluation of motor activity under nocturnal conditions, male rats, 12650
standard vs time line genogram vs note taking, representation of family events & relationships, college students, 8151
statistical & conceptual issues in psychiatric inpatient length of stay measurement, implications for policy & service delivery strategies, 27095
statistical & methodological flaws in studies of gender differences in computer attitudes & aptitude & use, literature review, 8155
stereological methods for estimation of brain volume & total number of neurons, normal & schizophrenic children through elderly, 21825
Strategic Research Interview Method, assessment of leader's preoccupations & relationship patterns & organizational outcome, executives & entrepreneurs, 23737
structured interview vs observational method, assessment of complexity & frequency of communicative behaviors, profoundly mentally retarded adolescents & adults, 29965
study of behavior from ventral perspective, rats, 16489
substantive & methodological differences in psychotherapy outcome studies, reanalysis of English vs German language meta analyses, 30324
technique for measurement of spectral shape discrimination in listeners with sensorineural hearing loss, normal 19–30 yr olds, 6431
template matching technique, assessment of exercise similarity in assessment centers, assessors, 31504
theoretical & methodological & design issues in assessment of accuracy in social stereotypes, 17503
theoretical & methodological framework for inferential processes in reading, 44118
thermal biofeedback, conventional vs ambulatory measures of BP, 44–68 yr olds with mild hypertension, 2770
time line methodology as framework for identification of life cycle events & relation to mental problems, implications for therapy & consultation & research, 13637
transformed vs weighted up-down method for simple adaptive testing, auditory discrimination, college students, 8123

treadmill running test, estimation of motor recovery after dopaminergic cell grafts, 6-OHDA lesioned rats, 32396
use of forelimb grip strength, assessment of centrally or peripherally acting drug induced muscle relaxation, male mice, 36845
use of psychometric vs biometric vs bias models implemented on LISREL software, analysis of parental ratings of children's behavior problems, parents & their 8–16 yr olds, 1078
use of true to life tasks in assessment of development of theory of mind, 3–7 yr olds, 40812
usefulness & validity of model based automatic K-complex detector, 21–55 yr olds with vs without dysthymia, 37682
usefulness of negative tilt method of human Pavlovian decelerative heart rate conditioning, 20745
user friendly telephone testing, assessment of midazolam or flunitrazepam effects on memory, healthy 30–54 yr olds, Netherlands, 44647
utility of digital filtering in psychophysiological & EP data analysis, erratum, 8763
utility of method of interactional analysis of doctor & patient consultation, general practitioners & patients, England, 22836
utility of point D2 methodology, assessment of EPs, adults, implications for cognitive processes, 16629
validity of & methodological issues in research on depressed college students as analog of clinical depression, research review, 21779
validity of & methodological issues in surveys of drug use, elderly, 31909
validity of B. Levin's methodology of manifest dream analysis, students & graduate analysts, 26652
validity of mean length of utterance in morphemes vs syntactic complexity vs language assessment & remediation & screening procedures, assessment of grammatical complexity, 1.5–4.8 yr olds, Canada, 27967
validity of salivary cortisol assessment, stress detection, captive female elephants, 4669
variability in determinants of intellectual development & problems in & approaches to multideterminant research strategies, 32902
variable dose ethanol, brain microdialysis assessment of ethanol in nucleus accumbens, male rats, 40708
variable interval probe test for repeated measurement of spatial memory, male rats, 39949
various EEG mapping approaches in differentiation of cortical activity during verbal vs arithmetic tasks, adults, translated article, 44483
verbalization vs thinking silently method of monitoring stream of consciousness, environmental cuing in thought suppression, 18–38 yr olds, Netherlands, 40114
weight judging paradigm, assessment of incongruity & stimulus intensity & other aspects of humor, adults, 28329
written case simulation vs actual management of hip osteoarthritis, drug prescribing practices, family practitioners, 2799
1 trial object & spatial recognition tests & radial arm maze, neurobiological study of memory, male rats, 24670

Methohexital—Serials

propofol vs methohexital dosages, EEG & induction & depth & duration of & recovery from anesthesia, male 46–85 yr old opthalmic surgery patients, 6947

Methoxyhydroxyphenylglycol (3,4)—Serials

basal plasma & CSF MHPG & 5-HIAA & HVA, patients with chronic fatigue syndrome, 30025
cognitive therapy & urinary MHPG, depressed patients, 38455
CSF MHPG & 5-HIAA & HVA, neurological deficits & posttraumatic depression, patients in coma after head injury, 14321
debrisoquin MAO inhibitor, symptoms & CSF & blood plasma & urine HVA & MHPG levels, male 21–65 yr olds with acute psychotic schizophrenia, 30483
developmental changes & individual differences, CSF MHPG & plasma cortisol responses to separation induced stress, male vs female rhesus macaques, 16552
haloperidol, blood plasma & urine HVA & MHPG, male 21–65 yr olds with acute psychotic schizophrenia, 30484
iv clonidine, plasma MHPG & norepinephrine & mean arterial pressure & heart rate, acute vs remitted depressed male patients, 21777
menstrual phase & overnight smoking abstinence, nicotine intake & plasma MHPG & cortisol & menstrual & smoking withdrawal symptoms, female 23–34 yr olds, 28767
MHPG & anxiety, depressed patients, commentary reply, letter, 5814
MHPG & anxiety, depressed patients, commentary, letter, 5834
MHPG/ACTH & MHPG/cortisol ratios, alexithymia severity, nondepressed former alcoholic 25–44 yr old males, implications for neuroendocrine patterns in PTSD, 1600
moclobemide efficacy & effects on DST & plasma & urinary MHPG, depressed 27–61 yr olds, Greece, 38536

neuroleptic therapy, plasma free MHPG & antinoradrenergic activity & symptoms, schizophrenic patients, Japan, 10690
noradrenergic activity & elevated plasma MHPG as cause of anticipatory nausea during chemotherapy, cancer patients, 22906
perphenazine with vs without lithium, plasma HVA & MHPG, patients with schizophrenia or schizoaffective or schizophreniform or affective or other mental disorders, 30450
plasma concentrations of HVA & MHPG & 5-HIAA & symptomatology, schizophrenic 19–24 yr olds, 13790
tizanidine hydrochloride, symptom improvement & plasma MHPG & serum free fatty acids, clients with tension headaches, 26925
yohimbine hydrochloride, panic attacks & MHPG & cortisol levels, male veterans with PTSD, 37809
Methyl Alcohol [See Methanol]
Methylatropine [See Atropine]
Methylenedioxymethamphetamine—Serials
MDMA analogs, stimulus generalization, male rats trained to discriminate saline from MDMA, 20864
MDMA induced cortical serotonin depletion with vs without atropine, spatial navigation & skilled reaching & stimulus property judgments during foraging & other behavior, male rats, 20970
MDMA induced panic disorder, male 23 yr old with no prior psychiatric history, 21875
MDMA, long vs short term 5-HT2 receptor binding sites in frontal cortex, male rats, 20990
MDMA, memory in delayed matching to sample paradigm, pigeons, implications for tolerance & cumulative behavioral impairment effects, 44662
MDMA or methylenedioxy-substituted phenylalkylamines, locomotor activity, male rats, 4891
MDMA, sleep EEG, 28–33 yr olds, Germany, 28711
neuropsychological function & mood, 22–47 yr old chronic MDMA users, 1912
optical isomers of 3,4-methylenedioxyamphetamine or MDMA, stimulus discrimination & cross substitution, male rats, 16742
panic disorder precipitated by recreational MDMA use, male 21 & 27 & 28 yr olds, case reports, 13838
recreational MDMA use, 16–48 yr olds, Australia, 6079
serotonin receptor subtypes, MDMA induced exploratory behavior & locomotion & hyperactivity, male rats, 8875
3,4-methylenedioxyethamphetamine analog of MDMA, psychological functioning & EEG sleep, healthy 28–50 yr olds, 28717
5-HT antagonists &/or haloperidol, MDMA discrimination, male rats, 20865
5-HT receptor subtypes, tolerance & cross tolerance to MDMA induced spatial pattern of locomotor activity & other motor behavior, male rats, 20825
5-HT stimulator MDMA, ethanol vs food vs water vs alcohol intake, Fawn Hooded vs P strain alcohol preferring rats, 16849
Methylmorphine [See Codeine]
Methylphenidate—Serials
behavior modification &/vs methylphenidate, classroom behavior & academic performance, 5.4–9.9 yr old males with attention deficit hyperactivity disorder, 38362
caffeine discrimination training, dose related responses to caffeine vs theophylline vs methylphenidate vs buspirone, adults, 44699
carbamazepine & methylphenidate, 17 yr old male with Kleine-Levin syndrome, case report, 26890
clozapine vs haloperidol vs thioridazine, amphetamine or methylphenidate vs amfonelic acid induced locomotor stereotypy, male rats, 40635
dextroamphetamine or methylphenidate, auditory attention glucose cerebral metabolism, adults with attention deficit hyperactivity disorder, 38566
dextroamphetamine vs methylphenidate, neuropsychological performance, males with AIDS related neuropsychiatric impairment, 2773
diagnosis of attention deficit hyperactivity disorder & criteria for prescribing & dosage of methylphenidate, practitioners treating 5–14 yr olds & adults, Canada, 22753
efficacy & side effects of methylphenidate therapy, children with attention deficit disorder with hyperactivity, educational implications, 6737
efficacy & side effects of methylphenidate, depression, elderly stroke patients, 30638
fluoxetine & methylphenidate, 9–17 yr olds with attention deficit hyperactivity disorder & comorbid Axis I diagnosis & inadequate response to stimulants, 34544
methylphenidate & augmentation of neuroleptics, schizophrenic & schizoaffective male 34 yr old inpatients, 2620
methylphenidate &/vs desipramine, cognitive function, psychiatrically hospitalized 7.8–12.8 yr olds with attention deficit hyperactivity disorder & major depression, 34571
methylphenidate, academic performance, children with attention deficit hyperactivity disorder & learning disabilities, literature review, 46419
methylphenidate, aggressive behavior & response to provocation & social information processing, low vs high aggressive male 6–11 yr olds with attention deficit hyperactivity disorder, 14718
methylphenidate, allocation of attention during cued RT task, 7–11 yr olds with attention deficit hyperactivity disorder, Canada, 42494
methylphenidate, attributions & performance & perceptions of solvable & insolvable puzzles, male 7–12 yr olds with attention deficit hyperactivity disorder, 46420
methylphenidate, cognitive perseveration, 7–12 yr olds with attention deficit hyperactivity disorder, 14736
methylphenidate hydrochloride dosage, spatial & temporal distributions of operant responses, rats, 40521
methylphenidate, impulsivity, 6–13 yr olds with attention deficit hyperactivity disorder, Canada, 38564
methylphenidate, normalization of classroom behavior & academic functioning, 6–11 yr olds with attention deficit disorder, 22708
methylphenidate or d-amphetamine, immediate vs delayed FI reinforcement & response rate, spontaneously hypertensive rats, animal model of attention deficit hyperactivity disorder, 16854
methylphenidate, reinforced responding & motor performance & reinforcement efficacy, male rats, 24899
methylphenidate with vs without neuroleptics, patients with schizophrenia or schizoaffective disorder, 14668
pemoline & methylphenidate, mood & sleepiness & cognitive performance during sleep deprivation, 18–28 yr old male Navy personnel, technical report, 20798
pemoline vs methylphenidate, effects of 64 hr sleep deprivation on mood & sleepiness & cognitive performance, male 18–28 yr old Navy personnel, 20799
po methylphenidate, titration of opiates, patients with incident cancer pain, Canada, 6909
Ritalin &/vs environmental treatment within outpatient setting, on task behavior, male 8–12 yr olds with attention deficit hyperactivity disorder, 30269
ritalin dose, mother child interaction, hyperactive 3.7–10.1 yr olds, erratum, 30602
Ritalin, learning capability & academic achievement, 9–16 yr olds with attention deficit hyperactivity disorder, 10736
Methylphenidate—Chapters
Predicting Ritalin response with neurometric testing: Case studies, 46536
Social interactions of children with attention deficit hyperactivity disorder: Effects of methylphenidate, 10745
Methysergide [See Serotonin Antagonists]
Metrazole [See Pentylenetetrazol]
Metropolitan Readiness Tests—Serials
Metropolitan Readiness Test, prediction of achievement, 1st graders assessed through 3rd & 6th & 9th & 10th grade, 4150
Mexican Americans—Serials
academic self concept, English- vs Spanish-speaking Mexican American 4th–6th graders, 7481
acculturation & structural assimilation, outdoor recreation patterns, Mexican Americans, 31622
acculturation, alcohol use, Mexican American females, implications for prevention, 21347
acculturation, drinking patterns, 20–60 yr old Anglos vs Blacks vs Mexican Americans, 13392

age & hrs worked weekly & awareness of ethnic group membership & gender relations, timeliness of graduation, 16–51 yr old Chicana college students, 7472
alcohol use & drinking reasons & cultural & clinical & demographic factors, risk for secondary depression, Mexican American vs non-Hispanic White adults with lifetime alcohol abuse or dependence, 29857
change from Mestizo to White identity, residential segregation from non-Hispanic Whites, Mexicans, US, 9397
client's acculturation & counselor's cultural sensitivity, perceptions of counselor's credibility & cultural competence, Mexican American 16–66 yr olds & Mexican vs Anglo American counselors, 6483
cloze literacy lessons & student interpretation of use of context clues, bilingual Mexican American 3rd graders & their teacher, 1 yr study, 3352
coercion & referral to community mental health centers, Black vs White vs Mexican American 13–17 yr olds, 42787
confirmatory factor analysis of Acculturation Rating Scale for Mexican Americans, Mexican American college students, 27920
cultural adaptation & identification with aggressor as factors in psychoanalysis, Chicanos, 42363
differential performance on Psychological Screening Inventory, Mexican American vs Anglo American college students, 41320
duration of spousal separation during immigration, patriarchal authority & household division of labor after settlement, 30–73 yr old male vs female Mexican immigrants, US, 5377
educational attainment & language acculturation & financial strain & social isolation, psychological distress, elderly immigrants from Mexico vs Cuba vs Puerto Rico, 17292
ethnic socialization & background, social cognitive development of ethnic identity, Mexican American 6–10 yr olds, 29027
family structure, alcohol & drug use & risk taking behavior, Mexican- vs Cuban- vs Puerto Rican American 12–18 yr olds, US, 9300
health behaviors & indicators & risk factors, cigarette smoking, 20–74 yr old Mexican Americans, 13388
immigration status & acculturation, association between alcohol use & depressive symptoms, Mexican American adults, 33587
individualized vs group vs nonpersonalized instructions, mathematics achievement & attitudes, female vs male Mexican American 7th graders, 27448
interregional migration patterns, Chicanos, US, 5351
job satisfaction & sexual harassment & discrimination & household division of labor, female Chicana white collar workers, 11665
level of acculturation, acceptance of disability & client satisfaction, 16–73 yr old Mexican American rehabilitation clients, 38996
lexical & semantic problems in survey interview, Mexican Americans, 3952
linear & acculturative stress & marginality models of problem drinking & counseling issues, Mexican Americans, 23279
maintenance bilingual education program, English & Spanish acquisition, Mexican American K–2nd graders with limited language proficiency, 23485
manifestations of depressive symptomatology, African vs Mexican vs other Hispanic American vs Anglo 12–17 yr olds, 9825
maternal education & acculturation & health locus of control & parenting & socialization strategies, internalization of healthy eating habits, low income Mexican American 4–8 yr olds, 37103
parent child interaction & home environment & socialization to education, Mexican American elementary school students, 11500
parity & nativity, child & family concerns & perceived parenting role & family support systems & life problems, Mexican American vs immigrant adult females, 13306
participation during service on policy boards of mental health organizations, Mexican American 32–66 yr olds, 26993
preferences for counselor's ethnicity, Mexican American college students, commentary reply, 26449
preferences for counselor's ethnicity, Mexican American college students, commentary, 26416
prevalence of alcoholism & medical service utilization, Mexican American clients of family health clinic, 7070
reasons for drinking, frequent vs heavy drinking vs alcohol abusing Mexican American vs non-Hispanic White adults, 10010
reliability & validity of Family & Friends & Self Scales, Mexican American 13–18 yr olds in drug abuse prevention program, scale appended, 4084
reliability of K-ABC, White vs Mexican American 2–12 yr olds, 3988
screening efficacy of Geriatric Depression Scale, elderly African Americans & Mexican Americans, letter, 43740
self care practices of nonprescribed treatment & lay consultation usage, Mexican & Puerto Rican adults, 38365
SES, achievement motivation, Mexican American vs Anglo 8th graders, 47232
sociodemographic factors, functional somatic symptoms, Mexican American vs Puerto Rican adults, US vs Puerto Rico, 10208
socioeconomic characteristics, US vs foreign born Mexican American 14–21 yr olds, 5213
subculture vs marginality vs perceived discrimination & effects of assimilation on social distance, use of public outdoor recreation areas, Mexican Americans, 47463
voluntary vs involuntary immigrant status of family, academic adjustment & attitudes toward education, Mexican American 15–18 yr old special education students, 11548

Mexican Americans—Chapters

CEDEN's Parent-Child Program: A fair start for Mexican-origin children in Texas, 27051
Development of Mexican American identity, 29077
Family socialization and Mexican American identity and behavior, 29090
Mexican American ethnic labeling: An intrafamilial and intergenerational analysis, 29079
Mexican American perspectives related to death, 29210
Parenting young children in Mexican American/Chicano families, 45129

Mexico—Serials

depressive symptoms & illicit drug use & suicidality, 11–19 yr olds, US vs Mexico, 1562
development of & services provided by Center for Research & Struggle Against Domestic Violence, battered adult females, Mexico, 2912
maternity ward breast feeding guidance, lactation success, urban low income primiparous mothers, Mexico, 27104
motives for interpersonal communication, 12–91 yr olds, US vs Mexico, 5211
psychoanalytic group crisis intervention program, victims of Mexico City earthquake, 1985, Mexico, 30415
psychosocial factors, prediction of short interval repeat pregnancy, adolescent mothers, Mexico, 21226
sociodemographic variables & perceptions of violence & control & previous experience, fear of victimization, 14–68 yr olds, Mexico, 41776
witchcraft explained sudden infant & child death & subsequent medical sequelae & folk illnesses, bereaved parents, Mexico, 34021

Mexico—Chapters

Female aggression among the Zapotec of Oaxaca, Mexico, 13507
Mexico's challenge: Facing a growing youth population, 2947
Promoting the use of behavioural treatment in developing countries through the use of behavioural assessment, 23168
Teenage sexual and contraceptive behavior: The case of Mexico, 29098

MHPG [See Methoxyhydroxyphenylglycol (3,4)]

Mianserin—Serials

clomipramine vs mianserin, hierarchical rank position, subdominant male rats housed in triads, 4873
efficacy & tolerability of fluoxetine vs mianserin, cognitive & behavioral performance, 60–80 yr olds with depressive disorder, 38562

imipramine with vs without mianserin, depressed 44–84 yr olds, 6752
ketanserin & mianserin, delayed neuronal death induced by cerebral ischemia, gerbils, 20891
mianserin abuse, 33 & 48 yr old male psychiatric outpatients, commentary, letter, 25995
mianserin abuse, 33 & 48 yr old male psychiatric outpatients, 6080
mianserin, anxiety during ethanol withdrawal, male rats, conference presentation, 8959
mianserin, dysfluencies, stutterers, commentary, letter, 10667
mianserin, patients with chronic pain & masked depression vs organic pain & major depression, 26788
mianserin vs amitriptyline vs placebo, 18 yr olds & older with major depression, 6709
mianserin vs eltoprazine vs ketanserin with vs without 5-HT-1C receptor agonist 1-3-chlorophenylpiperazine, conditioned place aversion, male rats, 36863
parachlorophenylalanine vs mianserin vs methysergide vs methiothepin vs metergoline, immobilization vs restraint stress induced LH release, male rats, 36707
paroxetine vs mianserin, sleep, depressed 65 yr olds & older, 14680
serum mianserin, clinical outcome, psychiatric inpatients over 65 yrs old with moderate or severe depression, 6753
therapeutic efficacy & side effects of fluoxetine vs mianserin, 60–80 yr olds with depressive disorder, Italy, 22737
therapeutic efficacy of clomipramine or mianserin, 18–69 yr olds with chronic tension headache, Denmark, 30637
5-HT 1C & 2 receptor antagonist mianserin, anxiogenic behaviors induced by ethanol withdrawal, male rats, 44658

Microcephaly—Serials

binding activity of excitatory amino acid receptors vs spatial recognition ability, male rats with methylazoxymethanol induced forebrain microencephaly, 4628
birth weight vs stature vs SES vs head circumference, prediction of brain pathology &/or mental retardation, 7 yr olds diagnosed as microcephalic during infancy, longitudinal study, 2048
haloperidol induced neuroleptic malignant syndrome, hydrocephaly & microcephaly, female 74 yr old with nausea & dizziness & tinnitus associated with hydrocephaly & microcephaly, case report, letter, 30636
methylazoxymethanol induced micrencephaly, premature decline in Morris water maze performance, 6 vs 15 vs 24 mo old rats, animal model of developmental brain damage, 24922
prenatal methylazoxymethanol acetate induced microcephaly, cerebral cortical somatostatinergic cytological expression, 3 mo old male rats, 16836

Microcomputers—Serials

computer ownership & use in homework, achievement in computer programing curriculum, 2nd & 5th graders, 31319
desktop computer expert systems & applications for social services, 46826
development of microcomputer based Automated Performance Test System, screening for stress & toxic chemical & drug induced mental acuity performance loss, adults, 137
discourse on hopes & justifications about purchase & use of PC & location within house & software copying, parents, 29229
efficacy of clinician vs clinician-assisted microcomputer treatment, aphasic patients, 31050
efficient use of & preferences for keyboard vs joystick vs mouse & interaction with microcomputers during free play, male vs female 4.2–5.3 yr old preschool students, 29026
labeling of microcomputer usage as opportunity, computer efficacy beliefs & anxiety & learning, clerical & administrative & nonacademic university employees in computer training, 7577
Macintosh real time color frame animation for visual psychophysical experimentation, 8224
microcomputer based videodisc assessment of social skills, special education elementary school students, 11551
microcomputer instruction, computer attitudes, college students, 23504
microcomputer instructional programs, attitudes & development of computer skills, male vs female 3–6 yr olds, 15364
microcomputer mediated motor skills teaching package in small group training, 1.3–5 yr olds with cerebral palsy, 15068
microcomputer programs in modular approach to reading instruction & difficulties, 4th–6th graders, 7420
microcomputer routines for measurement of directional lever response RTs, 16134
microcomputer workstation, eye position data collection & analysis, 8750
millisecond timer algorithm for IBM personal computer, extension of R. Graves' & R. Bradley's timer, 8144
millisecond timing device for Macintosh PCs in cross modal lexical priming, 16303
performance feedback & cognitive playfulness, microcomputer training performance, university clerical & administrative employees, 7578
physical components of virtual reality medium, virtual reality systems with single or pair of or many PCs or systems using parallel processing machines, 16916
tachistoscopic software for Macintosh computer & Pascal language, 8142
tachistoscopic software for Macintosh computer, timed stimulus presentations, 8150
tachistoscopic software for Macintosh computers, program appended, 8147
teacher student interaction & visual stimulation during microcomputer assisted learning, visual perception skills, visually impaired 2 yr old preschoolers, 23599
timing accuracy of mouse response registration on IBM microcomputers, 8145
Turbo Pascal unit providing standard tachistoscopic routines & millisecond timing compatible with video monitors & microcomputers, conference presentation, 8153
use of IBM compatible microcomputer's serial port as input output interface, implications for cognitive psychology research, 11768

Microcomputers—Books

Cognitive retraining using microcomputers. Brain damage, behaviour & cognition series, 42909

Microcomputers—Chapters

Evaluating the computer as a data camera in family planning research, 29308
High tech play therapy, 46270
Small changes: Starting a participatory design process by giving participants a voice, 43577

Microcounseling—Serials

microtraining technology for teaching of culture specific counseling, counselors with African Igbo clients, 15259

Microorganisms—Serials

lithium, immunological & host responses to B16 melanoma or Corynebacterium parvum, C57BL/6 vs C3H/HeJ female mice, 4810

Microorganisms—Chapters

Nocardia: An environmental bacterium possibly associated with neurodegenerative diseases in humans, 26347

Microscopes—Serials

development & validity & reliability of computer assisted microscopic imaging system, assessment of numerical densities of neurons in human cortex, 20599

Micturition [See Urination]

Midazolam—Serials

behavioral contingencies during continued vs suspended training, tolerance to discriminative stimulus effects of midazolam, male rats, 36872
dexmedetomidine with vs without midazolam vs prazosin vs atipamezole vs flumazenil, anxiolytic effect in elevated plus maze test, male rats, 755
discriminative stimulus effects of nicotine with vs without midazolam maleate, male rats, animal model of behavioral mechanisms of drug interactions, 44670
dorsal periaqueductal gray midazolam vs morphine with vs without naloxone, aversive & exploratory & motor behavior, male rats, 24945
effects of drug dose on response rate vs ability to track reinforcement contingencies, iv self administration of midazolam, male rats, 4790

flumazenil, midazolam induced brain electrical activity, healthy 21–30 yr olds, Germany, 44610
intrathecal midazolam & fentanyl, synergistic antinociceptive effects on A delta & C somatosympathetic reflexes, dogs, 44740
low vs high doses of midazolam, hypoalgesia induced by conditioned preexposure vs novelty exposure to heat stressor, male rats, 40587
midazolam dosage, visual receptive fields, light vs dark adapted adults, 24890
midazolam in basolateral vs central amygdaloid nuclei, anxiety, male rats, animal model, 4806
midazolam induced sedation, time perception vs estimation & speed of information processing & cortical arousal, male 21–31 yr olds, 28769
midazolam vs thiopental anesthesia, seizure duration & muscle relaxation during ECT, adults with major depression, 6827
midazolam vs thiopental vs somatostatin, chronic ethanol vs ethanol withdrawal induced striatal dopamine & DOPAC & HVA & turnover ratio, male rats, 16778
self administered vs response independent midazolam, differential sensitivity to discriminative stimulus effects, male baboons, 36709
specificity of drug cue vs training dose, nicotine & midazolam mixture discrimination & generalization to amphetamine vs morphine vs quipazine, male rats, 4797
user friendly telephone testing, assessment of midazolam or flunitrazepam effects on memory, healthy 30–54 yr olds, Netherlands, 44647

Midbrain [See Mesencephalon]

Middle Class—Serials
disordered individual behavioral characteristics & family patterns, adolescent middle class school dropouts, social work implications, 1528
ethnographic study of youth theatre workshops, working vs middle class youth, Australia, 25193
images of health & sociocultural context & daily life, health knowledge & behavior, middle class couples & their 3–10 yr olds, Scotland, 18 mo study, 26946
sex & age & low vs middle SES, verbal & nonverbal communication & private speech, 4–5 yr olds, 960

Middle Class—Chapters
Self-esteem and identity in psychotherapy with adolescents from upwardly mobile middle-class African American families, 14544

Middle Ear—Serials
cochlear scattering formalism, analysis of combination & cancellation tone experiments of reverse middle ear transmission within context of psychophysical Gedankenexperiment, 16240
neural network model of sound localization based on directional filtering by pinna & spectral representation of signals at eardrum, 27838
sound pressure levels at & velocity of external surface of tympanic membrane during vocalization & playback, male frogs, 8658

Middle East—Serials
development of Socio-cultural Change Questionnaire, assessment of effects of rapid social change on mental health & psychiatric morbidity, adult females in Dubai, United Arab Emirates, 39798
education issues, mentally retarded children, Arab countries, 31419
empowerment & transformation of refugee identity, Christian Palestinian & other females in "intifada", West Bank & Gaza Strip, 25333
interrater reliability of ICD-10 diagnostic criteria for 4–76 yr old psychiatric patients, psychiatrists, Egypt & Bahrain & United Arab Emirates & Tunisia & Morocco, 25732
mental health services, Arab countries, 46765
self esteem, Palestinian children living in occupied West Bank vs Gaza Strip, 1034
sociocultural & political analysis of Persian Gulf War, religious communities, Middle East, 21333

Middle East—Books
Examining the merits of conflict resolution as an academic discipline: Its applications to everyday real life situations in the Middle East, 13228

Middle East—Chapters
Psychology in the Arab countries, 15869

Middle Income Level—Serials
strategy choices in addition & subtraction & word identification, lower vs middle income 1st graders, 40827

Middle Income Level—Chapters
Upward mobility and parenting in middle-income Black families, 17272

Middle Level Managers—Serials
background characteristics & managerial styles & job practices, types of personality trait patterns, industrial middle managers, 11635
career success & advancement factors, female upper vs middle level retail executives, 43423
educational & occupational background & job characteristics & satisfaction & turnover & promotions, male vs female federal middle managers, 19690
job satisfaction & involvement, occupational stress, 22–36 yr old middle level hotel managers, 19679
leadership & role in promotion & implementation of technological change, middle level technical managers, UK & Canada, 7599
leadership styles, managerial effectiveness, 23–38 yr old executives vs supervisors, India, 19696
perceptions of causes of voluntary turnover among middle managers, lower vs middle vs upper level managers, 27662
person environment fit & stress & social support, job satisfaction & performance, middle managers, India, 11644
personality assessed by Myers-Briggs Type Indicator & correlation with work performance, Chinese vs European middle & senior managers, 19685
rate of performance of job activities, job satisfaction, middle level managers from industrial organizations, India, 47382
self efficacy in tactical & strategic organizational decision making, middle vs upper level managers, Canada, 31519
subjective theories of trust between superior & subordinates, 36–46 yr old middle managers in business or military agencies, Germany, 23744

Middle Level Managers—Chapters
Behavioral complexity and the development of effective managers, 27668

Middle School Education—Serials
multidimensional program with teacher & parent & group support, academic & social emotional transition from elementary to middle school, 6th graders, 39395

Middle School Students—Serials
academic self concept & teachers' & parents' ratings of academic competence, achievement test scores, 7th graders, 39273
appearance & gender behavior & mental maturity, social rejection, middle school students, 43283
causes & facilitation of aggressive playground fighting, male vs female 8 & 11 yr old middle school students, England, 47243
elementary school vs traditional middle school & classroom environment & ability grouping & teacher student interaction, academic motivation, 43282
model of & practical procedures in content area special education science classroom, 6th graders in Chapter 1 or special or general education, 19606
prosocial & antisocial classroom behavior & academically oriented behavior, grades & teacher preferences for students, 6th–7th graders, 35423
school based Think First curriculum, management of anger & aggression & disruptive & antisocial behavior, urban at risk middle school students, followup, 11403
socialization to middle school, preference for playground & duration & kind of outdoor play, female vs male 6th vs 7th graders, 15480

Midwifery—Serials
attitudes toward pregnancy, obstetricians vs pregnant females, England, 43107

Migraine Headache—Serials
aerobic exercise, pain intensity & frequency & duration, females with migraine headaches, 26848
anxiety & heart rate & temporal artery pulse amplitude & muscle EMG & skin conductance & stress related personality measures, headache prediction, female adult migraine sufferers, Netherlands, 22214
biofeedback & relaxation therapy & psychotherapy, female 27–39 yr olds with migraines during & after pregnancy, 22859
biofeedback training, 18–49 yr old females with menstrual vs nonmenstrual migraine, 6 mo followup, 22854
classical migraine attacks, visual field interference in performance of lateralized visual tasks, male 36 yr old, 34009
cocaine induced migraine-like symptoms with aura & cerebral hemorrhage, male 46 yr old with history of intranasal cocaine abuse & marihuana use, case report, 10033
cocaine, relief or precipitation of migraine headache, polysubstance abusing 23–60 yr old males, conference presentation, 21981
configural frequency analysis of symptom combinations, detection of migraine with vs without aura vs tension headache syndromes, adults, Germany, 26186
demanding cognitive task & coping treatment, cranial & peripheral vasomotor stress responses, migraine patients, 45907
diagnostic & phenomenologic overlap between migraine & eating disorders, commentary, 37581
dihydroergotamine, development of claudication & vasospasm, female 43 & 51 yr olds with migraine headache, 26923
dose level, efficacy & safety of acute sumatriptan treatment, 18–60 yr olds with migraine headaches, conference presentation, 38719
efficacy & cost efficiency of self vs therapist administered program with cognitive & behavioral stress coping & relaxation strategies, 11–18 yr olds with migraine headaches, 1 yr followup, 6881
efficacy & tolerability & receptor selectivity of sumatriptan, patients with acute migraine, 38725
familial prevalence & genetic hypothesis of transmission of migraine without aura, 18–62 yr old migraine patients, Italy, 30024
family structure & functioning & pain modeling, adults with migraine or muscle contraction headache, 22194
flash & pattern stimulation, visual EPs, 21–71 yr olds with acephalgic migraine vs migraine with vs without aura, 22227
flunarizine, development of sleep disturbances & perceptual disorders, 46 & 56 yr old females with migraine prophylaxis, case reports, 26932
frequency & entity of depressive disorders, 7.6–12 yr olds with migraine or tension headache, Italy, 14187
home based behavior modification program with biofeedback techniques, 7–12 yr olds with migraine headache, 26835
identification & classification of migraine & distinction from psychogenic headache, children, 2160
interaction of dihydroergotamine or sumatriptan with trigeminovascular systems, cats & 22–40 yr olds with migraine, animal model, 26888
iv metamizole sodium &/vs hydrocortisone hemisuccinate, 19–60 yr old females with acute migraine attack with or without aura, Poland, 14827
lifestyle & hormonal & other precipitating factors, 25–64 yr olds with migraine & tension type headaches, Denmark, 45920
lifetime history of maternal migraine or depression, 3–11 yr olds with headache or migraine or recurrent abdominal pain or abdominal migraine, 22228
links between & manifestation of migraine & epilepsy, children, 2118
low voltage direct current vs transcutaneous electrical nerve stimulation, 9–71 yr olds with migraine or chronic headache, 8 mo followup, 26869
MMPI & EMG, assessment of personality changes & neurophysiological patterns before vs after treatment, patients with migraine vs tension type headaches, Italy, 6223
neuropsychiatric intervention, physical & psychological suffering, 14 & 17 yr old males with migraine headaches & their parents, 2725
nicardipine, plasma & saliva prostacyclin 2 & thromboxane A2 during headache free period, 13–40 yr olds with migraine, Spain, 18918
nonconvulsive paroxysms, patients with epilepsy vs migraine, 2319
nonpharmacological treatment, psychological side effects, tension & migraine headache patients, 26836
pain states as artifact in psychological assessment, patients with tension vs mixed vs migraine headache, 45898
pheochromocytoma presenting as new type of headache, 45 yr old female with history of migraine, case report, 14254
platelet GABA, adults with migraine vs tension headache, 26187
pressure pain thresholds, patients with cervicogenic vs migraine with vs without aura vs tension type headaches, 22175
prevalence of disordered eating behavior, females with migraine headaches, implications for role of serotonin dysregulation, 45888
psychoanalysis, development of transient migraines, anxious & depressed 34 yr old female, 26679
psychopharmacological treatment of pediatric migraine, children & adolescents, literature review, 14849
psychophysiological parameters, adults with migraine or muscle contraction headaches, 22217
psychosocial stress & depression & anxiety, patients with migraine vs tension headaches, Italy, 2158
pupil diameter, adults with unilateral migraine headache, 22192
real life vs experimental stress, temporal & digital pulse amplitude & forehead temperature & heart & respiration rate & electrodermal activity, patients with migraine headache, 38125
recent advances in serotonin receptor biochemistry & agonist sumatriptan & other treatment strategies & mechanisms, patients with migraine, 26877
recurrent episodes of psychosis with visual hallucinations & delusions of reduplicative paramnesia, male 69 yr old with longstanding migraine with aura, case report, 38093
report of positive trigger, 12–15 yr olds with migraine vs tension headaches, 10240
role of pineal gland melatonin secretion & picotesla magnetic field treatment, 42 yr old female with migraine or cluster headache, 34060
self injected im ketorolac tromethamine, patients with episodic migraine with or without aura, 22946
serum estradiol & progesterone & menstrual distress & headache activity throughout menstrual cycle, 26–46 yr old females with migraine headache, 22173
sex, prevalence, 25–64 yr olds with migraine headache with vs without aura vs tension headache, Denmark, 10250
single underlying mechanism in response to multidisciplinary treatment approach, 48 & 16 yr old females with migraine & Raynaud's disease, 22469
symptoms & prevalence of migraine headache & abdominal migraine, male vs female 3–11 yr olds, 34051
temporooccipital & temporoparietooccipital spike wave complexes at ages 3–15, 12–24 yr olds with coexisting migraine & epilepsy, 22191
thermal biofeedback, female 23–46 yr olds with menstrually related migraine headaches, 22862
transdermal scopolamine intoxication & development of recurrent migraine, 20 yr old male naval crew member with sea sickness, 1 yr study, case report, 18887
transnasal butorphanol vs im methadone, pain intensity & relief & nausea, 18–65 yr olds with severe migraine headaches, 2784
valproate, 17–88 yr olds with refractory recurrent migraine or chronic tension or mixed headache, 14837
work absence & medical service utilization, 25–64 yr olds with migraine vs tension headache, Denmark, 10249
yoga therapy, symptoms & stress & coping responses, patients with migraine or tension headache, 42561

yrs since biofeedback treatment with vs without additional treatment, headache activity, females with migraine headaches, 2–7 yr followups, 26841
5-HT agonist meta chlorophenylpiperazine, development of late occurring migraine headache, bulimic females, 26723
5-HT agonist sumatriptan, cerebral artery blood flow velocity, 18–65 yr olds with migraine headache, 10810
Migraine Headache—Chapters
Migraine, 10866
Migrant Farm Workers—Serials
chronic pesticide exposure, risk perception & self protective behavior, Mexican male 16–70 yr old immigrant farm workers, 23798
weekly wages & other economic factors, health & mental health, Hispanic migrant farm workers, 5320
Migration (Human) [See Human Migration]
Migratory Behavior (Animal)—Serials
arrival vs departure, landmark learning, honeybees, 8464
behavior ecology & male biased sex ratios in overwintering, monarch butterflies, 40286
clan fission & causes of emigration & social hierarchical consequences of prolonged absenteeism, female spotted hyenas, 44296
developmental rate & fecundity & dispersal, sexual dimorphism, tephritid fruit flies, 8755
displacement, use of route based landmarks & spatial memory in foraging & navigatory behaviors, honeybees, 40282
genetic basis of novel migration route, Blackcap birds, 24561
geographical patterns in initial navigational orientation, homing pigeons, 24586
intrasexual competition for territory vacancies & natal dispersal, cooperatively breeding splendid fairy wrens, 36425
magnetic compass orientation after simulated migratory crossing of magnetic equator, garden warblers, 4547
magnetic cues, migratory orientation, yellow faced honeyeater, 32339
magnetic orientation, Savannah sparrow, 44265
mating success & life history & intergroup mobility, male ringtailed lemurs, conference presentation, 4540
maze running, thigmotactic behavior in circular open field, male vs female mice, 28402
morning flight patterns, neotropical migrant birds, 12454
mortality rates, immigrant vs resident vervet monkeys, 40294
oceanic homing migration, tagged Atlantic salmon, 40291
responses to simulated migratory crossing of magnetic equator, bobolinks, 4481
role of dead reckoning & local cues in locomotion & navigation, golden hamsters, 24583
social behavior & nepotism & dispersal, primates, conference presentation, 4521
Mildly Mentally Retarded [See Educable Mentally Retarded]
Milieu Therapy—Serials
milieu therapy, sexually abused children, 42888
milieu therapy, sexually abused children, 27088
Milieu Therapy—Books
Cognitive therapy with inpatients: Developing a cognitive milieu, 34973
Milieu Therapy—Chapters
The cognitive milieu: Structure and process, 34985
The role of the nurse in the cognitive milieu, 34975
Militancy—Serials
background vs economic rewards vs union socialization vs work dissatisfaction vs commitment model, attitudinal militancy vs propensity to strike, unionized engineers vs X ray technicians, Israel, 19705
mass production automation, deskilling & decline in shop floor militancy, automobile industry workers, post-WWII, 3728
Military Enlistment—Serials
employment & marriage & parenthood & school enrollment, decision to enlist in military all volunteer force, White vs Black 18–24 yr old males, 43532
labor force vs military vs college as post-high school social context, development of self esteem, male 10th graders, 5 yr study, 13134
mental health screening, prediction of completion of military enlistment, Air Force basic trainees, 6 yr followup, 47474
military service before vs after Operation Desert Storm, enlistment motivations, Army Reserve enlistees, 47471
preparation of students for military service, high school counselors, Israel, 15551
ratings & perceived occurrence of characteristics of civilian vs military jobs & propensity toward military service, male vs female White vs Black vs Hispanic vs Asian American 16–21 yr olds, 3768
Military Medical Personnel—Serials
ethical issues in Vietnam war & other combat treatment, military psychiatrists, 47081
military mobilization activation & deactivation, physical symptoms vs emotional stressors vs coping strategies vs psychosocial vs positive effects, Army Reserve nurses, 11739
perceived responsibility & patient care practices related to tobacco use, 21–68 yr old Navy health care providers, 27132
satisfaction & dissatisfaction in institutional practice, military physicians, 27297
Military Officers [See Commissioned Officers]
Military Personnel [See Also Air Force Personnel, Army Personnel, Coast Guard Personnel, Commissioned Officers, Draftees, Enlisted Military Personnel, Marine Personnel, Military Medical Personnel, National Guardsmen, Navy Personnel]—Serials
alcohol & drug & cigarette use, military personnel vs civilians, 13382
alertness & sleep during military service, male conscripts, Finland, 27756
BICEPS model of brief psychiatric treatment of stress reaction prior to combat, male military officer, case report, 6525
brief multidisciplinary treatment, female 18–20 yr old soldiers with anorexia nervosa, Israel, 1 yr followup, 26397
chemical warfare protective combat clothing, individual & unit performance, military personnel, 1979–91, research review, 31628
classification efficient job matching technology in Armed Forces Vocational Aptitude Battery, application of differential assignment theory, 8086
clinical psychiatric evaluation process, criminally accused military personnel, 7869
death risk experiences in Lebanon & religiosity, fear of personal death, 19–22 yr old male soldiers, Israel, 27754
diagnosis of medical vs psychiatric disorders, male vs female soldiers deployed during Persian Gulf War, 29497
establishment of neurology service in MEDDAC hospital during Operation Desert Storm, 1–79 yr old military personnel & retirees & dependents with neurological symptoms, 15037
Hindi PEN Inventory scores, 20–35 yr old armed forces personnel with psychosis vs neurosis, India, 37665
history & principles of military psychiatry from War of Independence through Persian Gulf War, 1948–91, Israel, 31626
history of childhood physical or sexual abuse, completion of military basic training, military basic trainees, 19780
justice & care reasoning in morally ambiguous situation, soldiers during My Lai massacre & Intifada uprising, Vietnam & Israel, conference presentation, 39553
level of fear experiences at 4 phases of dental treatment, military personnel, 2821
locus of control & perceived work environment support, motivation to transfer & training outcomes, male vs female military instructors, 43533
measurement of neurobehavioral dysfunction & military performance decrements, asymptomatic HIV seropositive aviators, research review, 22284
methods of selection & prediction of successfulness of training, military pilots, 3770
military laws & policies regarding suicide, 13877
military life, mental health & psychopathology, children, debate between S. Werkman & P. S. Jensen, 9740
nature of suicide during compulsory military service, 18–21 yr old male soldiers, Israel, 25889
noncombat psychosocial stress, psychiatric morbidity, 17–54 yr old armed forces personnel, 37671

opinions of enforcement vs incentive & reward programs promoting driver safety belt use, 18–25 yr old military personnel, Netherlands, 15773
overview of predoctoral internships in military setting, psychology interns, 43054
personal attributes, subordinate's vs superior's ratings of transformational vs transactional leadership, military academy leaders, 47469
policy issues in homosexuality & fitness for military service, 37385
postcombat adjustment & mental health consultation during redeployment phase of Operation Desert Storm, military personnel, 47470
prevalence of narcissism & narcissistic personality disorder, military personnel, application of H. Kohut's specific transference model, 33704
primary concerns & personal resources & secondary stress reactions to husband's hazardous duty or absence, wives of military reservists, 1988–89, Israel, 39555
prodromal signs & precipitants in attempted suicide, male 17.8–25.1 yr old Armed Forces conscripts, Norway, 17931
psychiatric hospitalization, outcome as assessed by continued military service, active duty psychiatric inpatients, 19170
PTSD & general stress symptoms, United Nations soldiers, Cyprus, conference presentation, 13831
situational factors & individual characteristics of generals, military success & casualties in land battles, 321 BC to 1905 AD, reanalysis, 27757
social interface & public health information & sexual transmission of HIV, military personnel & prostitutes, Belize, 38177
stimulant drugs, effects of sleep loss or sustained operations on performance, military personnel, 23808
stress from excessive demand & acutely stressful organizational events, performance &/or dropping out from intensive training, male military cadets, Israel, 11740
stress induced hallucinations, male 18–20 yr old soldiers, Israel, commentary, letter, 13664
stress reduction intervention guidelines for military induced separation, active duty military families, social work implications, 42743
tobacco & alcohol use & physical activity & Type A hostility, male active military personnel & their wives, implications for cardiovascular risk prevention, 47472
transcockpit authority gradient, pilot error in flight mishaps, Navy & Marine Corps helicopter pilots & copilots, 1980–90, 3767
trends in suicide rates, military conscripts, Finland, 13900
viewing of violent scenes of war vs nonviolent scenes of soldiers, patriotic responses, male vs female 18–25 yr olds, 29136

Military Personnel [See Also Air Force Personnel, Army Personnel, Coast Guard Personnel, Commissioned Officers, Draftees, Enlisted Military Personnel, Marine Personnel, Military Medical Personnel, National Guardsmen, Navy Personnel]—Books

Protecting children in military families: A cooperative response. User Manual Series, 43660

Military Personnel [See Also Air Force Personnel, Army Personnel, Coast Guard Personnel, Commissioned Officers, Draftees, Enlisted Military Personnel, Marine Personnel, Military Medical Personnel, National Guardsmen, Navy Personnel]—Chapters

Military, 34663
Permitting prejudice to govern: Equal protection, military deference, and the exclusion of lesbians and gay men from the military, 27871
Range restriction adjustments in the prediction of military job performance, 4167
Stigma and honor: Gay, lesbian, and bisexual people in the U.S. military, 43534

Military Psychology—Serials

ethics of APA's military & human welfare policy, psychologists, 43140

Military Recruitment—Serials

quality assessed by Armed Forces Qualification Test, team performance, Army recruits, 27753

Military Schools—Serials

study factors, performance in Navy technical schools, 18–21 yr olds, 15734

Military Training—Serials

activity & rest & sleep deprivation, National Guard members, implications for training exercise scheduling, 7722
brief reactive psychosis during 6 wk basic training, 18–24 yr old Air Force recruits, 9837
characteristics associated with flight simulator training effectiveness, military & other jet & helicopter pilots, meta analysis, 15732
composite score of flying performance & academic grades, measurement of pilot candidate quality, Air Force Undergraduate Pilot Training students, 11735
development & cluster analysis of questionnaire, assessment of coordination demands of routine & nonroutine tasks in military cargo helicopter operations training, military pilots & copilots, 43846
development & utility of automated feedback system based on expert critique of performance during transitional training, Air Force pilots in F-16 air intercept training, technical report, 27826
development of microcomputer intelligence for technical training software program, training & troubleshooting & diagnostic skills in complex technical domains, Army personnel, technical report, 27760
developments in selection & classification in Specialized Undergraduate Pilot Training, Air Force pilot candidates, 15730
dichotic listening & psychomotor task performance, prediction of naval primary flight training performance, student naval aviators, 11736
environmental design using hallway posters & computer based instruction, learning, Navy personnel in technical training school, 39558
history & factor analysis of Training Potential Assessment Battery, assessment of verbal & numerical & spatial ability, male 16–32 yr old Army personnel, Australia, 12071
history of Army General Classification Test, assessment of mental ability & classification for specialty & officer training, soldiers & Marines, 12073
history of childhood physical or sexual abuse, completion of military basic training, military basic trainees, 19780
individual & situational factors, feedback seeking behaviors of eliciting & monitoring, army helicopter pilot trainees, longitudinal study, 23720
locus of control & perceived work environment support, motivation to transfer & training outcomes, male vs female military instructors, 43533
methods for training effective task performance in stressful situations & use in combat training, military personnel, 7726
methods of selection & prediction of successfulness of training, military pilots, 3770
organizational & work context & individual characteristics, training transfer & opportunities to perform trained tasks, Air Force personnel, 7725
predictive validity of standardized personality measures for training performance, Air Force pilot candidates, 28114
preselection microtropia vs normal stereoscopic visual status, attrition rate, 21–33 yr old student pilots in Air Force Undergraduate Pilot Training, 1990–91, 23811
role of learning & errors in training of cooperative team navigation of ship, Navy personnel, 35637
stress from excessive demand & acutely stressful organizational events, performance &/or dropping out from intensive training, male military cadets, Israel, 11740
task experience & self efficacy & cognitive ability, rating of training emphasis needed for task performance, Air Force aerospace ground equipment mechanics, 8 & 12 mo follow-ups, 47347
trends in & applications of simulations & games to military training & other military functions, 39557
use of artificial neural networks in adaptive training systems, Air Force personnel, technical report, 27840
validity of Defense Language Aptitude Battery, assessment of cognitive aptitude & prediction of success in foreign language training, military students, 43853

Military Training—Chapters
Training and research for teamwork in the military aircrew, 39559
Training technologies applied to team training: Military examples, 15736
Military Veterans—Serials
alexithymia, prediction of response to psychotherapy with imipramine vs phenelzine vs placebo, male Vietnam veterans with PTSD, conference presentation, 18480
clinical presentation & treatment response, 65–70 yr old WWII combat veterans with PTSD, 5938
cocaine use or abuse, PTSD & anxiety symptoms & reexperience of traumatic episodes, male 38–43 yr old Vietnam veterans, 41731
combat induced psychopathology & combat stress reaction & PTSD, psychiatric symptoms, wives of combat veterans of Lebanon war, 1982, Israel, 9900
combat related events of Persian Gulf War, course & severity of PTSD, Vietnam veterans, 25861
combat status & trauma exposure & coping skills & PTSD symptoms & other characteristics, male Vietnam combat veterans with positive life readjustment, 41648
development & reliability & validity of PTSD self rating scale, WWII resistance fighters, Netherlands, 31887
differential diagnostic ability of multidimensional Personality Questionnaire as adjunct to MMPI, alcohol abusing Vietnam veterans with vs without PTSD, 31895
exposure to combat & intrusive thoughts, prediction of chronic stress symptoms, male 33–49 yr old Vietnam veterans, 43531
family & marital adjustment & parenting problems & violence, male Vietnam veterans with vs without PTSD & their spouses or coresident partners, 13828
feeling of shame & depression, Vietnam veterans with PTSD vs depression vs substance abuse, 17666
fluvoxamine, WWII Resistance veterans with PTSD, conference presentation, 14678
heart rate & skin conductance & left lateral frontalis EMG responses to personal combat experience imagery, male WWII & Korean War veterans with vs without PTSD, 25865
history of PTSD & psychological & social & medical sequelae of war experience, war veterans, 1918 to present, Europe, 25864
homelessness, male Vietnam War vs other combat veterans, 23809
medical & functional & cognitive & affective characteristics, elderly veterans with cognitive impairments & urinary incontinence, 22226
military service & combat experience, racial orientation & political participation, adult Black males, 27751
military service & combat exposure, change in MMPI score, 36–43 yr old veterans originally assessed as college students, 29453
military service, mental health problems & work behavior, male 18–60 yr old veterans vs nonveterans, commentary, 41506
military service, mental health problems & work behavior, male 18–60 yr old veterans vs nonveterans, commentary reply, 41458
mood & HIV risk behavior & psychopathology, drug dependent 21–59 yr old veterans, 1918
motivations for presentation of fictitious PTSD, Vietnam veterans, 33678
negative parenting behaviors in childhood & combat exposure, prediction of symptom severity, Vietnam veterans with PTSD, test of person event interaction model, 1773
neurologic & neuropsychological & social functioning, work status, head injured Vietnam veterans, 15 yr followup, 30241
neurological status, medication free Vietnam veterans with PTSD, 37793
neuropsychological & cognitive functioning, alcoholic 21–59 yr olds in VA vs community treatment programs, 39032
perceived success & ranking of domiciliary discharge dispositions, Department of Veterans Affairs Medical Center staff, 23180
personality profile subgroups, male 33–52 yr old Vietnam veterans with vs without PTSD, 37803
prevalence of lifetime & partial PTSD, Vietnam veterans, 5955
prevalence of PTSD, Vietnam veterans, 5951
psychological coping styles & mental health treatment seeking, WWII or Korean or Vietnam War combat veterans with PTSD, replication & extension, 17841
psychopathology & psychiatric diagnoses, WWII Pacific theater combat veterans & Japanese POWs, 21733

field experience, preference for counselor affiliated with mission, experienced vs candidate missionaries, 46225
grounded theory of reacculturation, missionary families, 41024
incest-like sexual abuse &/or harassment in missions communities, 41020
precipitating factors & treatment issues in D. Carey's mental illness & experiences as wife of missionary movement founder W. Carey, 1756–1807, 41461
role in screening of personality disorders for overseas missionary selection process, mental health professionals, 41655
theoretical considerations & psychodynamically & behaviorally oriented interventions, missionary children with separation anxiety disorder, 42200
Mistakes [See Errors]
Mnemonic Learning—Serials
age & use of encoding mnemonic, recall of 2 & 4 digit phone numbers, 20–86 yr olds, 36233
bizarre imagery, mnemonic cue storage vs retrieval within memory, college students, application of multimodal model, 16357
conceptual approach to neuropsychological analysis of memory & role of hippocampus in mnemonic processes, 584
didactic teaching vs self instruction of mnemonic strategy, learning of question answer relationships & reading comprehension, 5th–6th grade average vs poor readers, 31254
digit consonant mnemonic for memorization of long strings of digits, recall with hierarchical vs unstructured story mnemonic, female adults, 4368
enabling relations, event recall & memory load, 20–25 mo olds, 893
generation & retention of mnemonic organizational strategies, 3rd vs 6th graders, 28900
history & use of metaphor "mind's eye", mnemonist memory experts, 32200
keyword mnemonic, learning speed & immediate recall of 2nd language vocabulary words, college students, 15457
mnemonic device as tool for teaching about conversion, letter, 45579
mnemonic reconstructions of historical material, spatial learning, learning disabled 7th–8th graders, 3569
mnemonic strategy, delayed retention of place names & locations, college students, 44156
mnemonics of pantomimic vs nonpantomimic speech gestures, free recall of sentence sets, 17.8–42.5 yr olds, 351
problems encountered with mnemonic technique in regular vs extended training, older adults, 37208
rehabilitation program with mnemotechniques, institutionalized elderly with cognitive deficits, Italy, 19190
self perceived abilities & role of self reference in knowledge & use of imagery in mnemonic activity, high vs low imaging college students, Canada, 20265
semantic context vs mnemonic keyword method, German vocabulary learning & immediate vs delayed recall, 1st vs 2nd vs 3rd yr college students, 3368
systematic teaching with imposed vs induced keyword mnemonics, science vocabulary learning & recall, 6th–8th graders with learning disabilities or emotional or behavioral disorders, 7518
task complexity, utility of external memory aid in identification of unknown structure in computer simulated dynamic task, college students, application of theory of finite state automata, 31667
videotaped presentation of mnemonic imagery training, list learning & name & location recall & generalization, middle aged & older adults, 8371
visual selective attention & mnemonic memory processes & power in time epochs & correlation between left & right visual EPs, 9–13 yr olds, 12981
Mnemonic Learning—Chapters
Memory-skills training for older adults, 23219
The practical application of memory aids: Knowing how, knowing when, and knowing when not, 32240
Mobility (Geographical) [See Geographical Mobility]
Mobility (Occupational) [See Occupational Mobility]
Mobility (Social) [See Social Mobility]
Mobility Aids—Serials
advantages & disadvantages & teaching of long cane usage, orientation & mobility instructors for blind preschoolers, 19181
pedestrian with vs without cane at crosswalk with vs without fatality warning sign, yielding, motorists, Canada, 27815
reverse integration in wheelchair basketball to include nondisabled athletes, creation of opportunities for disabled, reply to commentary, 10207
reverse integration in wheelchair sports to include nondisabled athletes, commentary, 10259
seating & mobility needs, clients with traumatic brain injuries, 7195
Modeling [See Simulation]
Modeling Behavior [See Imitation (Learning)]
Models [See Also Animal Models, Medical Model]—Serials
acculturation model of work orienting in interdisciplinary settings, social workers, implications for organizational development, 39086
action research project based on self design learning model & high involvement management for large scale organizational change, multibillion dollar food firm, 27701
actual vs optimal search for products with varied price & attributes, consumers, application of economics of information model, 31630
advantages & limitations of analytical models for human computer interface design, 39595
algorithms & notion of "teacher" distal supervised learning paradigm, 12281
analysis & restructure of bidimensional diamond & other models of social response, 25478
analytic & computer simulation models, prediction of network exchange outcomes, 17460
angle of inclination & retention interval, short term memory distortion for object position on inclined plane, college students, test of model of dynamic representations, 44131
application of adaptive decision making model to command & control systems & simulation of high performance aircraft crew, 43604
application of communicative model of mind to derivative validation & representation in psychoanalysis, schizophrenic 21 yr old female, commentary, 6641
application of communicative model of mind to derivative validation & representation in psychoanalysis, schizophrenic 21 yr old female, commentary reply, 6668
application of decision making models to creative process, artists, 9009
application of Extended Task Action Grammar to represent knowledge of user computer interface, 39586
application of G. Becker & K. Murphy's model of rational addiction to gambling behavior, pari-mutuel horse track bettors, 1950–87, 37893
application of information processing models to perception & cognition disorders & symptomatology, schizophrenic patients, 17806
application of Inter-Domain Model to career assessment & counseling, commentary reply, 35518
application of Inter-Domain Model to career assessment & counseling, commentary, 35530
application of Inter-Domain Model to career assessment & counseling, 35519

application of pyramid model to career counseling, male college student with career indecision, 3599
application of ratings vs choice based conjoint model of buyer behavior, evaluation of rental apartments, graduate students, 3774
application of strategic negotiations model to international crisis, 43603
application of systems theory & day hospital/inn & professional bureaucracy vs adhocracy organizational models to partial hospitalization, conference presentation, 11055
application of U. Bronfenbrenner's ecological transition model to coming out & sexual identity change, lesbian females, 33189
applications of embedded user models to user interface design & human computer interaction & intelligent systems engineering, 11770
attentional theory in & models of etiology of unilateral neglect, 30219
autocorrelation model of mechanism underlying pattern similarity judgment, college students, Taiwan, 24398
autonomous & nonautonomous dynamics in models of human rhythmic movement, 12200
Axis II personality disorders vs Axis I depression, application of 5-factor personality model, 1628
basic tasks model with data value specifiers vs E. R. Tufte's data ink principle, prediction of performance on tasks of graphical perception, meta analysis, 19820
behavioral constraint vs diminished control vs overload or arousal theoretical models of adverse effects of crowding on health & behavior, humans, 3840
brief prescriptive psychotherapy based on M. Barkham's 2 plus 1 model, depressed 20 yr old male inmate, 35074
bulletin board model of agent dialog & interaction protocols in intelligent real time computer systems, 11811
business cycle model of corporate databases & information systems & technologies, 31446
caffeine, metabolic rate & sleep efficiency & latency, male 18–30 yr olds, development of physiological arousal model of insomnia, 20810
calculation of probability mass functions of similarity & activation & echo intensity distribution in recognition memory, application of multiple trace model, 20141
calibration of choice vs indifference based expected utility vs lottery dependent expected utility models, prediction of preferences for risky investment options, graduate students, 305
career development model for multicultural populations, counseling & training & program development implications, 15582
causal model of factors in self reported grief, adult family members of homicide victims, 26035
challenges to & 3 stage historical model of progress in modern personality psychology, 25524
child initiated vs academically directed vs middle of road preschool models, social & motor & language & adaptive development & skill mastery, 2–5.5 yr olds, 31267
childhood cross sex behavior & adult homosexuality & biological models of sexuality, 41183
children's speech production, 17–23 mo olds & 2–3 yr olds vs adults, application of perceptual based model, 32865
classical test theory vs factor analytic approach to structural models analyzing change, 39921
client evaluation & diagnostic model, career counselors, 35522
cognitive assessment & vulnerability & models of depression & theoretical integration, commentary, 1688
cognitive assessment & vulnerability & models of depression & theoretical integration, commentary, 1704
cognitive assessment & vulnerability & models of depression & theoretical integration, commentary, 1689
cognitive assessment & vulnerability & models of depression & theoretical integration, commentary, 1700
cognitive assessment & vulnerability & models of depression & theoretical integration, 1694
cognitive assessment & vulnerability & models of depression & theoretical integration, commentary, 1687
cognitive assessment & vulnerability & models of depression & theoretical integration, commentary, 1697
cognitive assessment & vulnerability & models of depression & theoretical integration, commentary, 1695
cognitive assessment & vulnerability & models of depression & theoretical integration, commentary, 1703
cognitive assessment & vulnerability & models of depression & theoretical integration, commentary, 1648
cognitive assessment & vulnerability & models of depression & theoretical integration, commentary, 1660
cognitive assessment & vulnerability & models of depression & theoretical integration, commentary, 1671
cognitive assessment & vulnerability & models of depression & theoretical integration, commentary, 1672
cognitive assessment & vulnerability & models of depression & theoretical integration, commentary, 1659
cognitive assessment & vulnerability & models of depression & theoretical integration, commentary, 1679
cognitive assessment & vulnerability & models of depression & theoretical integration, commentary reply, 1662
cognitive assessment & vulnerability & models of depression & theoretical integration, commentary, 1670
cognitive assessment & vulnerability & models of depression & theoretical integration, commentary, 1674
cognitive assessment & vulnerability & models of depression & theoretical integration, commentary, 1656
cognitive assessment & vulnerability & models of depression from developmental perspective & theoretical integration, commentary, 1667
cognitive modeling in human computer interaction, 39589
communal sharing vs authority ranking vs equality matching vs market pricing models of social life, 5502
communicative vs conventional psychoanalytic psychotherapy models, 26678
comorbidity models of panic disorder with agoraphobia & personality disorders, 9783
comparative path analyses of models of academic achievement motivation, high school students, 27504
complex vs simplified models of instructional software evaluation using student learning data, 5th & 10th graders, 19507
components of 5 factor model of personality & application to personality disorders, 33707
comprehensive model of role in caring for dying patients based on involvement & personal needs & development & cooperation, family physicians, 27209
computer graphics expression of 3-dimensional structure model of benzenoid musks, 16135
computer simulated model of spinal neural network generation of locomotor rhythmicity, lampreys, 31726
computer simulation model of & theory of cognitive complexities in learning & solving place value arithmetics, implications for mathematics education, commentary reply, 19529
computer simulation model of & theory of cognitive complexities in learning & solving place value arithmetics, implications for mathematics education, 19530
computer simulation model of & theory of cognitive complexities in learning & solving place value arithmetics, implications for mathematics education, commentary, 19533
computer simulation of G. C. Homans' model of small group behavior, 43599
conceptual model for defining & assessment of attitudinal & other aspects of underinsurance, health care consumers, US, 46594
conceptual models & application principles for organizational consultation, 43015
conceptual models of multiple causation of suicide & relation to prevention, conference presentation, 33784
conditional interpretations of default reasoning based on probabilities vs preferred models, implications for artificial intelligence, 20261
Conference Model, involvement in organizational redesign, managers & supervisors & employees of business organization, 39497
confirmatory factor analysis by LISREL for computation of reliability coefficients under different measurement model assumptions, 24250

confirmatory factor analysis of multidimensional model of body dissatisfaction & psychopathology, females with bulimia nervosa, 26117
conflict vs consensus model, evaluation & implementation of policy, delinquent female adolescents in corrections or home arrest programs, 31066
congruence model, control & spiritual behavior skills for constituents in an interrelated system, alcoholic Black family in therapy, case example, 10554
conjoint collaborative training & supervision model, client outcome, paraprofessional companion therapists & clients with eating disorders, 3192
contrast sensitivity function based & linear systems models of pattern vision, adults vs infants, 37058
conversion & mental model theories of belief bias effect, syllogistic reasoning, college students, 20277
correlation of IQ & string complexity & variance & composite measures & amplitude & component latencies of averaged EPs, 18–39 yr olds, replication of Hendrickson paradigm, 40346
correlations among trait ratings & implicit personality theory, application of 5-factor personality model, 1494
cortical connectivity model of pathogenesis, patients with Alzheimer's disease, commentary, 30238
cortical connectivity model of pathogenesis, patients with Alzheimer's disease, 30178
covariance structure analysis of attribution model for involuntary job loss & prediction of employment status, 27–60 yr old manufacturing employees, 1.5 yr followup, 39420
criticism of 5-factor personality model, 1495
critique of discrepancy model of needs assessment in performance problems in organizations, commentary, 39504
critique of discrepancy model of needs assessment, application to performance problems in organizations, 15675
cross cultural generalizability of career planning model, assessment of effects of career planning on career strategy & satisfaction & commitment & self esteem at work, employees, Singapore, 31455
culturally focused occupational therapy programing model, Asian & Latino & Black & female & HIV mental health clients, 3121
curriculum model for community development approach to culturally sensitive community based rehabilitation, disabled adults, 30982
danger & anxiety expectancy & sensitivity & fear & heart rate reactivity in claustrophobic chamber, college students, analysis of expectancy model of fear, 33690
data collection methodology for assessment of E. M. Jellinek's model of alcoholism, recovering alcoholic patients, 1941
death of husband & denial of own illness & delay in seeking treatment, female 68 yr old with squamous cell carcinoma & 71 yr old with breast cancer, application of crisis model of physical illness, 30678
demographic & biological characteristics & mediating variables, health promoting behaviors, 20–64 yr olds, LISREL analysis of N. J. Pender's health promotion model, 46725
demographic factors & individual perceptions as predictive components in Health Promotion Model, 65 yr olds & older, 34781
development & cross validity & revision of Substitutes for Leadership model, assessment of leader behaviors & effects of substitutes on subordinate attitudes & behaviors, employees & students, 27703
development & utility of state level human service program evaluation model, nursing home residents with psychiatric disabilities, 19128
development of diagnostic model for assessment of organizational climate & socialization practices, Air Force personnel & teachers, 47441
development of SEQUENCE model, estimation of advertising copy & execution impact on beliefs & attitudes & purchase intentions, consumers, 7745
developmental educational framework of model for sport psychology practice & professional role, sport psychologists, 19761
developmental model of adult phonological organization based on emergence of phonemes in young child's speech reorganization & production, 44906
diagnostic validity & dimensional model of passive aggressive personality, 1794
diamond model vs extended theory of conformity in responses in social & informational influence settings, college students, 13443
direct path models of self disclosure by therapist & clients' willingness to disclose, college students, 14507
discursive action model of description & causal attribution in language, comparison with linguistic category vs conversational models, 16931
disease & functional limitation & disability & perceived health, elderly adults, application of structure model of health status, 42649
disease progression & cognitive decline, patients with Alzheimer's disease, longitudinal study, test of linear vs trilinear models, 46042
E. Kubler-Ross' model of coping with dying, conference presentation, 25540
E. S. Ellis's instructional model for integrative cognitive strategy & content area instruction, adolescents with learning disabilities, commentary, 47281
E. S. Ellis's instructional model for integrative cognitive strategy & content area instruction, adolescents with learning disabilities, commentary, 47292
E. S. Ellis's instructional model for integrative cognitive strategy & content area instruction, adolescents with learning disabilities, 47267
E. Schein's process vs content models of organizational consultation, 43025
earner status & role orientation & perceived stress & other variables, marital adjustment, Presbyterian clergy, test of multivariate model, 41015
eclectic field & models of psychohistory, 39711
ecological family centered assessment model, African American 71 yr old mother with dementia & family, social work practice implications, 38881
ecological/transactional model of developmental consequences of community violence & maltreatment, children, 37865
effective energy empowerment model, identification of stressors & coping resources for development of health potential, female 50 yr old caregiver, nursing implications, 30716
effects of sexual abuse as model for impact of chronic trauma, children, implications for study of effects of community violence, 37896
empirical & neurological model of role of sleep in associative learning & recuperative processes, cats, 573
empowerment model of rural elderly needs assessment, development of community services action plans, project leaders & advisors & volunteers, 42763
enabling & constraining perspectives in heuristic model of organizational entry & assimilation & socialization & exit, 35588
enjoyment & involvement & personal investments & social constraints in Sport Commitment Model, 10–19 yr old athletes in football & soccer & volleyball, 40894
environmental experiential counseling model, handicapped students, 15561
equally tempered vs Pythagorean vs Just intonation, modeling of in-tune solo performance of diatonic scale of C major, 25–33 yr old professional violinists, 36119
equivalent models in covariance structure analysis, 39917
escalating predatory threat, defensive response behavior, garter vs ribbon snakes, analysis of stable sequence of response models, 24564
ethics & responsibility in & models of therapeutic relationship, clients & caregivers, conference presentation, 42710
ethnomedical approach to transcultural counseling, female 23 yr old Pakistani immigrant, UK, 34309
evaluation of connectionist models as cognitive or psychological, 15866
event trees, prediction of single cases vs sequences & consequences of human errors in industrial installations, control room operators, safety implications, 19748

everyday events & social support & personality factors in 2 domain model of well being, affect & depression & somatic complaints, college students, 9707
evolution & expansion of social power model by J. R. French & B. H. Raven, 1370
evolution in peer health education program, college students, application of training models, 43189
evolution of solution focused model of brief family therapy with systemic focus, 26602
exemplar vs abstraction models of cognitive categorization processes, perceptions of outgroup homogeneity, 37434
exercise adoption & maintenance in worksite health promotion project, retail & industrial employees, application of model of stages & processes of change, 31482
expectancy value model of J. Eccles et al, participation in & attitudes toward sports, male vs female K–3rd & 6th graders, 3 yr study, 9235
expected utility vs sequential elimination vs unspecified model, expected utility value & types of & satisfaction with career choice, college students, 31468
expected value approach to social power & exchange, social network members, 17446
experimental discriminability of specificity within models of peripheral physiological emotion, 12111
explanation of subjective timing by Cartesian Theater vs Multiple Drafts model of consciousness in brain, commentaries and reply included, 8392
explicit vs implicit memory, application of CHARM vs competitive learning vs backpropagation vs separate trace models, 359
extended parallel process model as explanation of failure of fear appeals & relationship between threat & efficacy affecting message acceptance, 21102
extension of Hopfield model of neural networks, solving inequality constrained combinatorial optimization problems, 15783
factor structure & model of WAIS-R & Wechsler Memory Scale-Revised & Auditory Verbal Learning Test score battery, 56–97 yr old patients in Mayo Older Americans Normative Sample, replication, 24183
factor structure of model of subjective well being & life satisfaction, Hispanic 65 yr olds & older, 1173
factor structure of simple & circumplex model integration of Dutch trait descriptive adjectives, college students, Netherlands, 15916
family & work & self roles & drive for self esteem in triple helix role model of adult development, counselors & clients, 26442
family paradigms theory in multidimensional analytical model of family typology, implications for family theory & therapy, 29215
Family Project Approach model for family therapy, adolescents with conduct disorder at risk for placement & their families, 42330
Fitts' model in human computer interaction research & design, 15777
focal conflict model, analysis of therapeutic processes in supervision of psychoanalytic psychotherapy, therapist trainees & clients, 3164
focus group assessment of job satisfaction, occupational therapists, Australia, application of F. Herzberg's motivator-hygiene model, 31147
framework model for aeronautical decision making processes & compatibility with artificial intelligence & aviation safety, aircraft pilots, literature review, 23870
framework of interactive stages & levels of cognitive development, children, 40848
general recognition theory model of identification, prediction of similarity judgment & categorization of multidimensional perceptual stimuli, adults, commentary reply, 296
generalizability of full vs partial mediation generic vs occupational specific model of role stressor antecedents & consequences involving organizational structure & culture, nurses vs civil engineers, 7628
genetics course using simulation software, problem solving through model revision vs model use, high school students, implications for model based science instruction, 19497
global motion signal segmentation & reorganization in visual cortex, application of motion boundary contour system neural network model, 39643
goodness of fit test for knowledge vs random guessing in matching tests, examinees, application of model, 192
graded & nominal response & partial credit polytomous item response theory models, 28125
gratification models of choice of & satisfaction with organizational communications channels, informants from for profit organizations, 7681
H. C. Triandis' model of social behavior, cultural sensitivity in nursing research of health & illness behavior, 30709
habitat structure & male-male competition, mating system, crustaceans, application of simulation model, 28460
Health Belief Model of health care values & health maintenance, homeless 22–39 yr old mothers of 6 mo to 18 yr olds, intervention implications, 14878
health belief model vs reasoned action vs protection motivation vs subjective expected utility theories of health protective behavior, 46748
hierarchical-compensatory vs task-specific models of support group choice, elderly, commentary & meta analysis, 40987
historical development of social psychological & epistemological constructs & demand control model of psychosocial work environment & health, 43512
historical perspective on origins & transformation of psychoanalytic models, 6640
history & applications of 5-factor personality model, 1496
human resources training model as framework for multiple mentor model, 43393
hydrostatic column vs blood oxygen saturation vs neurological model for description of g force effects on pilots in sustained acceleration research, 7800
hypothesized order relations & confirmatory factor & cluster analyses of fit of I. Gati's & J. L. Holland's vocational interest models to correlation matrices, 14 yr olds & older, meta analysis, 23698
hypothetical computational model, transformation from latent into overt manifest dream content, 13587
imagery paradigms in psychology, commmentaries, test appended, 44054
impaired production of spoken & written sentences, male aphasic 60 yr old, application of model of normal spoken sentence production, 31051
individual construct systems based model of social processes & group decision making, adults, 45200
input processing & repetition & naming within interactive spreading activation model of language production, male 28 yr old with deep dysphasia, 6386
instructional consultation team & organizational change models in schools, 7549
integrated approach to conjoint therapy based on D. Stern's concept of internal representational models, couple married 22 years, 22611
integrated group therapy model for functional communication & life skills rehabilitation, patients with head injury, 42900
integration of assimilation model of psychotherapy & development of integrative treatment protocol, 40 yr old female with palpitations & panic attacks, 26471
integration of computer & instructional science in process of building computational cognitive knowledge based model of tutoring, 27480
integration of economic & psychological theories into economic model of subjective well being, 25326
interactive mental model & procedural approaches to risk communication research & practice, letter, 28830
interpersonal circumplex & Big Five factor models of personality traits, representation of structure of personality disorders, psychotherapy patients, 25884
interrogative model of inquiry as general theory of argumentation, 9536
intraeconomic model of economic behavior, internal & external evaluation of results of economic activity & illusion of profitability, translated article, 33048
investment model constructs, prediction of college satisfaction & commitment & enrollment behavior, college students, 7488

J. L. Holland's hexagonal organization of vocational personalities & interests & work environments, commentary, erratum, 11603
joint & individual activity & subject & object of activity & interaction in model of communication, implications for pedagogy, 807
L. L. Thurstone's centroid factor analytic method, interpretation of changing abilities requirements model, example of tools to theory approach to cognitive processes theory development, 24394
latent state trait model of social desirability with vs without method factors, adults, 41332
learning process & models in individual vs collective professional development, managers, 27650
lesioning of Search via Recursive Rejection connectionist model by internal noise & elimination of processing units, simulation of abnormal human visual search & distractor grouping, 24303
lexicographic & probabilistic criterion models of choice, conversion of inclinations to choice after comparison with shifting criterion, decision makers, application of signal detection theory, 308
life span model of optimization by selection & compensation & primary & secondary control, 44825
line displacement in equivalent configurations, perception of clarity & brightness of illusory figures, college students, test of G. Kanizsa's model of amodal completion, 24297
linear models of surface & illuminant tristimulus spectral representations for color, applications to computer graphics, 16182
linguistic model of grammatical comprehension & judgment, patients with focal lesions in Broca's area, 38228
local gain control & focal accommodation of spatial frequency, application of Self Similar Stack vision model, 36079
manipulation tactics in relationships, married couples, application of 5-factor personality model, 1266
marauder model of spatial location & environmental range of offenses & residence, male 18–59 yr old sexual offenders, Great Britain, 41769
Markov chain & hierarchical models of song sequencing rules & repertoire size, male American redstarts, 36395
maximum likelihood vs marginal estimation methods & simulation vs estimation based model, 20135
measurement model of religiosity incorporating antecedents of organizational & nonorganizational & subjective religiosity, Black American 55 yr olds & older, 17274
measures of correlations among personality traits based on 5-factor model & personal action construct units, college students, Canada, 46
measures related to 5-factor model of personality, 38
mechanisms & models of attention in auditory signal detection, 40041
medical & psychosocial & sociodemographic characteristics, patients with chronic low back pain, application of biogenic & psychogenic & sociogenic models of pain adjustment & etiology, 41974
memory representation of motor skills, schema abstraction model, 217
mental models & formation of expectations & explanations, team performance & training in complex systems, military training crews, 31486
mental models in human computer interaction & development of interactive learning systems based on individual differences in learning style, 19811
mental representation memory of problem models, problem description reconstruction, good vs poor novice college students, Netherlands, 27489
metaphor & analogy & conceptual models in computer systems design, 27802
method for automated parameter estimation & testing of fit of nonstandard models for mean vectors & covariance matrices, 4182
methodological & epistemological issues in & models of delusional reasoning processes, delusional patients, 17713
methodological issues & research strategies in study of coping with cancer, research review & application of transactional model of stress & coping, 6322
metric & mapping framework for integration of heuristics & domain specific reasoning & intuitive statistical induction of quantitative estimation, college students, 40077
MIDAAS computational model of brightness coding, 3863
Minnesota Adaptive Instructional System, linking knowledge acquisition & employment with specific computer based instructional prescriptions, conference presentation, 43236
model developmental counseling & guidance program for school counseling, 43367
model for conceptualizing family reactions & utility in therapy, family with father with PTSD & encopretic 10 yr old daughter, 18648
model for incorporation of multiple sources of variation & developmental & contextual & situational influences into reaction range concept of heredity/environment interplay, 5654
model for local organization development professional groups, 47436
model for organization & evaluation of cross cultural content of clinical & research training in scientist practitioner counseling programs, PhD students, 3191
model for predicting work performance, patients with multiple sclerosis, 18199
model for prediction of psychology GPA at graduation, reduction of number of psychology majors, college students, 43266
model for retinocentric & geocentric & egocentric & patterncentric levels of representation in veridical detection of visual orientation of objects, 28209
model for sex specific alcohol & drug treatment, females, 30989
model for statewide delivery of behavioral programing services, mentally retarded, 42684
model of acquisition of social knowledge & competence, 37417
model of communication knowledge in knowledge systems, 7818
model of community based occupational therapy, community integration, severely mentally ill, 7272
model of detriangulation & conflict management, parents & adolescents, 38502
model of evolution of color category terminology in world's languages, commentaries, 9038
model of evolutionary self construction based on principles of evolution & philosophy of pragmatism, 45270
model of human occupation in psychiatric practice, occupational therapists, 39051
model of infant development based on M. Klein's work & Jung's concept of individuation, 25085
model of interaction between alcohol consumption & crime & criminal justice system, 1960–88, England & Wales, 37872
model of inverse kinematics problem in reaching control, 40064
model of leadership, charismatic organizational leaders, 31554
model of lithium induced hypothyroidism, implications for lithium treatment side effects, 6813
model of managerial leadership, 39461
model of mathematical anxiety & attitudes & ability, prediction of statistical learning performance, college psychology students, 47230
model of mother vs teacher vs self rated multiple behavioral trait components, children with attention deficit vs conduct disorder vs anxiety & withdrawal assessed at 8 vs 10 vs 12 yrs old, New Zealand, 45323
model of musical dynamics based on internal sense of motion, 8259
model of perceptual motion transparency & coherence for processing stages of image velocity, adults, 16173
Model of Personal Investment as framework for explanation & prediction of health related behavior, adolescents, 5228
model of product category competition & effects of category pricing & promotion, grocery retailers, 31653
model of service delivery for regular education classrooms, consultative collaborative teachers of visually handicapped students, 39335

model of socially distributed cognition based on human computer collaborative learning system, humans & artificial learners, 31713
model of sources of individual differences in effectiveness, employment interviewers, implications for future research, 47361
model of sources of individual differences in effectiveness, interviewers, commentary, 47363
model of transactional & conditional & transformational leadership training, management personnel, implications for training program development, 7617
model of tutoring interaction processes for mathematics & complex subject matter, students & teachers, conference presentation, 31283
modeling & coaching of metacognitive strategies underlying expert behavior, learning affect & cognitive ability, college students, 27470
models for integration of human services programs into public schools, 31430
models for understanding psychic change within psychoanalytic process, conference presentation, 2578
models of factors in parenting behavior & stress, conference presentation, 21382
models of mind in psychoanalysis vs cognitive science, 25621
modifications & classroom & attitudinal & social support & coordinated team commitment in Autism Mainstreaming Collaboration Model of integration, autistic students, 35461
modular model of musical perception & cognition, 24397
modules & central systems in neuropsychological model of memory, 360
moral judgment & action in hypothetical conditions, 5th graders & their teachers, West Germany, application of model of moral responsibility, 25241
motivated avoidance vs misdirected focus vs unmotivated inhibition models of relation between psi missing & displacement in forced choice experiments, college students, 40220
motivational & socioemotional aspects of E. S. Ellis's instructional model for integrative cognitive strategy & content area instruction, adolescents with learning disabilities, commentary, 47297
motivational model of leisure participation, 65–93 yr olds, Canada, 45031
multidimensional model of patient satisfaction process, 46613
multigroup social network expansion of group focal conflict theory, model for partial hospitalization, 7154
multiple capture models & synthetic estimation procedures, population estimation of illicit drug use in Los Angeles, 43868
multiplicative component of V. H. Vroom's Force model in occupational choice, adolescents & engineering & doctoral psychology students, 39419
multivariate hierarchical model of genetic vs environmental determinants of specific cognitive abilities, adopted vs nonadopted 7 yr olds & their siblings, 40802
negotiation model for levels in & dynamics of physician patient relationship, 10919
neural network model of adaptively timed reinforcement learning & dynamics of convergence of dentate granule cells on CA3 pyramidal cells in hippocampus, 23901
neural theory & model of retinocortical dynamics, 35710
neuropsychological model of functional disability, patients with mild traumatic brain injury, implications for assessment & treatment, 14317
nociception in multidimensional ecologic model of dyspnea, implications for nursing, 6261
nonlinear oscillator model of multiple resonance peaks in double flash effect, 20221
nonlinear theory of dissipative structures & social systems modeling, 25328
novelty monitoring & metacognition & control in composite holographic associative recall memory model, implications for Korsakoff's amnesia, 16349
operationalization of concept of validation in communicative & other models of psychoanalysis, 26664
organizational context in leadership theory & model & role of personality orientation, managers, 7623
overview of M. Milner's pre-Freudian works & development of creativity model, 13596
P. Block's 5 phase procedure for consultation process without errors, 43026
paradigms & models of ego states in transactional analysis, 46199
party in office & inclusion of Dow Jones Industrial averages in R. C. Fair's model of popular vote determination, 17371
peak-and-level model of variation in clearness & focus within read vs natural speech & application to synthetic speech for improved naturalness & acceptability, listeners, conference presentation, 16943
peer cluster theory based psychosocial model of deviant behavior & prevention program planning, adolescents, 30283
peer health education & motivation, health promotion & attitudes & behavior, college students, 43232
perceived cognitive & expressive factors in righteous vs sinful anger & love, Christian college students & Protestant church members, analysis of arousal cognition expression model of emotion, 45059
performance & state & integrator & cumulative effects models of process of recurrent choice, 28240
person & group & collective analysis in multiple level approach to integration & clarification of person situation model of leadership, 1386
personal construct psychology based model of construct system as knowing system, 5656
personality theory & models, research review, 41367
personality traits & physical health & psychosomatics, application of 5-factor personality model, 1497
personality traits & school adjustment, 11–14 yr olds, application of 5-factor personality model, 3496
photographic lens & filter model of steps between life event stress & development of acute vs chronic PTSD, 33684
Pre-Adult Health Decision-Making Model & other models of health related attitudes & behaviors, adolescents, literature review, 17159
PRETREE choice vs elimination by dimensions model of consumer decision making, adults, marketing implications, 15750
procedural & psychosocial factors model of good judgment in political decision making, application to Persian Gulf War, 13343
procedures for specifying & testing hypothesis about construct validity & methods & traits & commonalities in direct product model, 35996
process model of race based interpersonal conflicts in organizations, 27706
progressive & cyclical & nonsequential group development models & computer assisted group support system theory, performance, groups, 17461
psychoanalytic model of normal & abnormal affect & response based on dynamical systems, 5674
psychoeconomic model of creative process, commentary reply, 5627
psychoeconomic model of creative process, commentary, 5595
psychoeconomic model of creative process, commentary, 5630
psychoeconomic model of creative process, commentary, 5606
psychoeconomic model of creative process, commentary, 5599
psychoeconomic model of creative process, 5626
psycholinguistic perspective on role of inhibition in spreading activation based models of speech production, 44779
psychological models of beliefs about causes & treatments of psychological problems, 18–75 yr old psychiatric outpatients, England, implications for measurement, 29563
psychological models of panic disorder, research review, 37804
quality assurance models for evaluation of mental health services, England, 7046

quality of life model for evaluation of transition programs, handicapped, implications for research & program development, 46954
quantitative performance model of search strategies & response accuracy in computer menu search task, erratum, 47517
quantitative performance model of search strategies & response accuracy in computer menu search task, 15758
R. W. Tyler's curriculum model for senior adult education, 11385
random regression model, analysis of data from multicenter clinical trials, psychiatric patients, 4184
rational actor model of nature & causes & termination of international disputes & conflicts, application to US experience in Cold War, 33046
realization of selection learning in trion neural network model of cortical organization, 43616
recognition by components incorporating general viewpoint invariance vs stimulus variations dependent of object orientation theoretical models of visual perception, 12178
relative selectivity & scope & simplicity of psychological models of depth judgment, 237
relative selectivity & scope & simplicity of psychological models of depth judgment, commentary reply, 20222
reliability of R. A. Karasek's demand-discretion model of occupational stress, prediction of raised BP & anxiety & depression & job & life satisfaction, 30–60 yr old outpatients, England, 47399
representational insight & specificity & dual representation & symbolic sensitivity, understanding of scale models & pictures, 2–3 yr olds, conference presentation, 17021
research in dynamic decision making & use of computer simulated microworld paradigms, 24396
resource congruence model of stress management, conference presentation, 26971
resource use model, cost of care, clients of long term psychiatric facilities, 11058
retinal anatomy & multistage model of color processing, 43968
risk-resistance-adaptation model of physical & neurocognitive & psychosocial functioning, children & adolescents with sickle cell syndrome, 26157
robustness of 8 phase model of burnout, entrepreneurs, 8081
role & organization of partial hospitalization program in context of continuity of care model, neurologically impaired children & adolescents, 38964
schema change vs compensatory model of change in cognitive therapy, 34424
scientist practitioner model in quality assurance & research of traumatic stress program, clinical psychologists & psychotherapists in managed health care, 30736
scientist practitioner model of school psychology education & training, conference presentation, 39168
SEarch via Recursive Rejection model of visual search, prediction for conjunction targets with homogeneous vs heterogeneous distractors, adults, 20216
self exciting point process model, statistical analysis of mean & variance of Fourier transform of auditory nerve discharge responses to speech stimulus, cats, 623
self rated affect & personality traits, college students, application of 5-factor personality model, 1498
self scrutiny & development & evaluation of professional psychology training program based on model of organizational development, faculty & students & alumni, 19352
self to prototype matching vs expectancy value approach, prediction of job preferences based on personal values & characteristics, MBA students, longitudinal study, 43381
sensitivity & statistical hypotheses of specific vs subgroup deficit vs syndrome vs global function dissociation models of cognitive deficit, 19–51 yr olds with mild multiple sclerosis, Canada, 46090
separation of individual & social psychiatry in transactional analysis using Drama Triangle & Game Pentagon, female & 3 male clients, 46230
serial vs parallel vs integrated treatment model, patients with dual diagnosis of addictive & psychiatric disorders, 42953
simple energy & texture bound motion pathways in psychophysical model for 2 dimensional motion perception & direction discrimination, 4633
simultaneous gunfire &/vs road traffic &/vs aircraft sounds, prediction of annoyance ratings, 18–30 yr olds, development of quantitative model, 8262
social cognition & attribution & expectancy & control in cyclical model of self set goals & performance valence & self efficacy, 5619
social cognitive attributional model of cognitive & affective antecedents & consequences of personal goals, college students assessed preceding &/or following 1st & 2nd & final course exams, 33273
social indicator models for indirect estimation of need for alcohol or drug abuse or mental health services, 2406
social influences, sexual behavior, adolescents, application of epidemic models of onset of social activities, 40943
social information processing model for interpretation of social skill deficits, physically abusive married males, 5994
sociological models of structure action contingencies & parallel distributed processing within social networks, 33216
soft system methodology, establishment of educational psychology database to aid case management, 47110
solution oriented therapy in institutional rehabilitation, physically impaired clients with limb amputation &/or burns or transection of spinal cord, 19177
special education resource consultation model of intervention & support & services, 39329
spreading activation vs other models of priming in lexical decision tasks, college students, 4326
spreadsheets for research & teaching of theoretical models, 8149
staff behavior management style, model of staff resident behavior, residential treatment facility staff & residents, 2985
staff behavior management style, model of staff resident behavior, residential treatment facility staff & residents, commentary with reply included, 2998
states of mind model of cognitive affective balance & association with psychopathology & use in psychotherapy integration, 46228
statistical vs algebraic estimation of utility vs lottery dependent utility vs weighted utility model, prediction of individual choices & preferences, college students vs sales force personnel, 304
strategic choice model of mediation based on perceived common ground & interdependence, conflicting parties, commentary, 21490
strategic choice model of mediation based on perceived common ground & interdependence, conflicting parties, commentary reply, 21470
strategic planning model for human service delivery based on local level problem solving, 10989
strategies for training & formal preparation of professional child care workers, 19337
structural model of mathematics achievement & attitudes & outcomes, 10th graders, erratum, 7467
structural models of academic self concept & effects of social context, literature review, implications for school psychology, 47260
structural models with circumplex inequality patterns for elements of correlation matrices, 24241
subjective components of perceived psychological well being & quality of life in hypothetical profiles, doctors vs lecturers vs engineers vs administrators, India, analysis of Lens Model, 45337
syntheoretical model of beliefs as motivators in health behavior change process, implications for health education campaigns, 26947
system dynamics model of national cocaine prevalence, projection of impact of reduction in drug arrest & seizures, 47623
Task Action Grammar method of learnability of interface languages, 39584
taxonomy of relevant models in field of human computer interaction, 3832
ten step reality therapy model, grief management, 22527

test generalization for activation models of RT in divided attention, 24485
theoretical model of behavior stages & goal setting in recovery, spouses or couples with alcoholic partner attending chemical dependency unit, 15138
theoretical model of psychological factors in social skills training, quality of life, chronic mentally ill patients, 26642
theory & model of growth of mathematical understanding, 8 yr old male, commentary, 21167
theory & model of growth of mathematical understanding, 8 yr old male, 21189
theory of conditional reasoning development based on Piagetian reformulation of mental models theory, 21185
therapeutic intervention model based on shift from personal symptoms to public social action participation, psychology trainees & their female clients, 19343
time limited group psychotherapy model, adult male survivors of sexual child abuse, 26595
time series assessment of number of cigarettes smoked & salivary cotinine & carbon monoxide, smokers, test of 3 models of nicotine regulation, 1348
treatment outcomes for Family Project Approach model for family therapy, adolescents with conduct disorders at risk for placement & their families, 42331
triarchic amplitude model & neural generators of P300 EPs, 24767
understanding of spatial representations, use of models & photographs, 2.5–3 yr olds, 17022
use of & family modeling in computer database to support research & practice integration in psychology training clinic, commentary, 3165
use of & family modeling in computer database to support research & practice integration in psychology training clinic, commentary reply, 3206
use of psychometric vs biometric vs bias models implemented on LISREL software, analysis of parental ratings of children's behavior problems, parents & their 8–16 yr olds, 1078
user modeling of operators' information & knowledge acquisition for design of graphical support systems, 39599
utility of explanatory model of processes in marihuana & cigarette & alcohol use & involvement, 7th graders, 12 vs 15 mo followups, 29007
utility of health belief model, prediction of prevention of HIV infection, Asian American college students, 34809
utility of Health Belief Model, prediction of prior & intentional mammography usage, female 35 yr olds & older, 18980
utility of parallel vs divergent models, prediction of union & company commitment, male 19–60 yr old union members, 31553
utility of psychiatric rehabilitation model for understanding & treatment, patients with borderline personality disorder, 34345
validation of multidimensional/typological giftedness model, assessment of cognitive abilities & achievement & other dimensions, 7th & 9th graders, 37051
validity of Anticipated Turnover Model Among Nurses, prediction of job satisfaction & anticipated & actual turnover, urban registered nurses, replication, 23405
validity of class ranking model vs faculty ratings, prediction of clinical competence, 1st yr medical residents, 43033
validity of hierarchical conjoint analysis models, prediction of recreation destination choice, adult recreationists, Netherlands, 11732
validity of minimum-jerk modal, prediction of smoothest trajectory for vertical aim movements, right handed males, 44045
validity of model of planned organizational change, meta analysis, 39507
validity of models of & individual differences in mental addition skill development, 2nd vs 4th vs 6th graders vs college students, 9203
validity of multidimensional models & construct of self concept, 5th–6th graders, 1056
vectorial model of ordinal factor analysis, 39905
verbal short term memory for serially ordered lists, application of network model of articulatory loop, 4372
visual hierarchy model for evaluation & treatment of visual perceptual deficits, adults with acquired brain injury, 19192
visual hierarchy model of visual perceptual deficits, adults with acquired brain injury, implications for evaluation & treatment, 18425
VULNER/BUNDOPT model for design of promotional strategy for attracting customers to own brand, 39577
weighted vs unweighted common item equating vs missing data calibration method, test equating in G. Rasch's measurement model, adults, 24252
Western psychiatric epistemology & sociocultural processes in & biomedical & psychoanalytic & behaviorist & psychodynamic models of anorexia nervosa, 2073
whole-part-whole learning model of organizational education & training programs based on natural rhythm of learning, conference presentation, 31488
word recognition & phonetic structure acquisition model of speech perception, infants, 44875
working models of childhood vs current intimate attachment relationships, self reported marital satisfaction vs observed interactions, 26–42 yr old married couples & their preschoolers, 17305
12 step & therapeutic community & reality therapy based model of inpatient individualized chemical dependency treatment, 23251
2 sex model of fertility differentials & population IQ distributions, mentally retarded & their relatives & descendants, commentary, 33965
2 sex model of fertility differentials & population IQ distributions, mentally retarded & their relatives & descendants, commentary, 33963
2 sex model of fertility differentials & population IQ distributions, mentally retarded & their relatives & descendants, commentary reply, 33967
2 sex model of fertility differentials & population IQ distributions, mentally retarded & their relatives & descendants, 33968
3 phase model of psychotherapy outcome, changes in well being & symptomatic distress & life functioning, patients, 46207
4 stage progression model of alcohol use & alcoholism, families, 25999
5 stage model consisting of assessment & selection & pause & intervention & followup, child & youth care workers, 19067

Models [See Also Animal Models, Medical Model]—Books

The ABC's of stress: A submarine psychologist's perspective, 34298
Connectionism: Theory and practice. Vancouver studies in cognitive science, Vol. 3, 15801
Consciousness explained, 20356
Models of inpatient group psychotherapy, 26620
Neural computation of pattern motion: Modeling stages of motion analysis in the primate visual cortex. Neural network modeling and connectionism, 31727

Models [See Also Animal Models, Medical Model]—Chapters

The adolescent module in multidimensional family therapy, 11160
Advances in anxiety theory: A cognitive process approach, 17595
Analysis of categorical data, 20148
An analysis of the Sarason (1984) four-factor conceptualization of test anxiety, 16066
The Analytic Inventive Thinking model, 24439
Anomalies in interpersonal choice: Evidence and an interpretation, 28294
Anxiety disorders, 13753
Beware the Siren's song: The AGS Commission model, 34405
Bizarreness in dreams and waking fantasy, 8420
Can the various meanings of probability be reconciled?, 20163
Cluster analysis using proximities, 24266
Components of conceptual representation: From feature lists to recursive frames, 24422
The computer synthesis of expressive faces, 23881

A conceptual analysis of hypnotic responsiveness: Experience, individual differences, and context, 8425
The Confucian model of social transformation, 1188
A connectionist framework for modeling eye-movement control in reading, 40029
Connectionist models of speech perception, 19861
A contextual/interactionist model and its relationship to deafness research, 22450
Counting the minutes, 16148
Decentralized control of access to resources in a network: Interdependence of strategies in a challenge ring model, 47553
Disorders of memory and learning, 22115
Dual-route models of print to sound: Red herrings and real horses, 24449
Eating disorders, 6195
Effecting strategic change: Biological analogues and emerging organizational structures, 27713
Elements of the general linear model, 20166
Expanding scientific paradigms in counseling psychology, 2492
Exploring the symbolic/subsymbolic continuum: A case study of RAAM, 7824
Face naming and speech production model, 16214
Face recognition impairments, 22429
Family systems and the creative process: The first look, 34676
Framing, reframing, and issue development, 1395
The functional architecture of numerical processing mechanisms: Defending the modular model, 21218
Gordon Allport: Father and critic of the Five-Factor Model, 33408
The hierarchical classes approach: A review, 24262
The inferential properties of interpersonal verbs, 1398
Integrating consultation into school psychological services, 7551
Integrating therapeutic modalities, 18591
An Intergenerational Family Congruence Model, 21377
The internal clock revisited, 16138
Interpersonal aspects of coping, 21569
Local modelling in phonology, 15804
The meaning of additive reaction-time effects: Tests of three alternatives, 36058
Mental accounting, saving, and self-control, 28298
Mixed and mixed-up models for the transmission of schizophrenia, 5914
Modeling category learning and use: Representation and processing, 24425
Modelling face recognition, 20238
Models of classification as related to a taxonomy of learning disabilities, 33950
Models of form-related priming in comprehension and production, 19866
Models of relationships between personality and depression: Toward a framework for theory and research, 33609
Multidimensional scaling, 20154
Neural facades: Visual representations of static and moving form-and-color-and-depth, 44019
A nursing model for the care of the elderly, 46799
An overview of models of psychological problems, 5796
Parallel constraint satisfaction as a comprehension mechanism, 19870
Personal and contextual factors in communication: A review of the 'communication game.', 1423
Personality and depression: Modeling and measurement issues, 31795
Phase structures in negotiation, 1391
Phonological production deficits in conduction aphasia, 14382
Procedural and declarative learning: Distinctions and interactions, 14406
Prototype models of concept representation, 24437
Psychosemantic process paradigm for love formation, development, and evaluation, 9336
A recognition-primed decision (RPD) model of rapid decision making, 36207
Representational adequacy and the case for a hybrid connectionist/marker-parsing model, 19857
The role of beliefs and feelings in guiding behavior: The mismatch model, 13568
The SAM retrieval model: A retrospective and prospective, 384
Self-representation in anxious states of mind: A comparison of psychodynamic models, 45282
Semantic knowledge in patients with Alzheimer's disease: Evidence for degraded representations, 14402
Social support: Social resources and social context, 34849
A spreading activation model of age-related deficits in cognition, 13079
The story of the two-store model of memory: Past criticisms, current status, and future directions, 36257
Strategic decision making in organizations: A research model and some initial findings, 11646
Stress in organizations, 31569
A structured approach to the management of chronic pain, 26412
Subliminal mere exposure effects, 4235
Substance abuse relapse, 18049
Suicidal behavior in children and adolescents, 1876
Theoretical implications of the Principles and Parameters model for language acquisition in Chinese, 17089
Theory and research on person impression formation: A look to the future, 13517
Through the looking glass: No wonderland yet! (The reciprocal relationship between methodology and models of reality), 20189
Treatment implications of a hybrid model for the classification of alcoholism, 18046
Understanding responses to dissatisfaction in close relationships: The exit-voice-loyalty-neglect model, 41241
Using latent class analysis in categorization research, 24263

Moderately Mentally Retarded [See Trainable Mentally Retarded]

Molindone—Serials

chlorpromazine vs molindone, weight loss & body mass index, schizophrenic patients, letter, 42437
clonazepam & baclofen, molindone hydrochloride induced painful legs & moving toes syndrome, female schizophrenic 51 yr old, 30508
molindone, psychosis & delirium, HIV infected male 22–36 yr olds with severe neuroleptic induced extrapyramidal symptoms, 30622
molindone, variant of Capgras syndrome, male chronic schizophrenic 40 yr old, 30527

Monetary Incentives—Serials

effectiveness & cost effectiveness of cooperative vs competitive vs independent monetary incentives in performance feedback system, teacher assistants in treatment center, 35254
financial incentives, recognition memory performance on Rey Auditory Verbal Learning Test, patients with mild head trauma vs brain dysfunction, 24170
full vs random pay incentives in dictator game, bargaining decisions, college & graduate students, 5525
goals & monetary incentives, task performance & extra role playing behavior, college students, 37472
large monetary incentives, mail survey response rates, owners of construction companies, 28155
monetary gratuity, response rate to mailed surveys, meta analysis, 39945
monetary incentive type & goal level, goal commitment & performance, college students, 16378
money as motivation & opportunity for criminal behavior, 6108
motivation by financial incentives, accuracy & assimilation effects in employee performance ratings, college students, 43420
piece rates revision, group output norms & conformism, production employees, 31507
profit expectations vs uncertainty, building trust & establishing profit seeking enterprises, startup firms, 11675
size & diversity & financial pressures & decentralization & breadth of control & incentive compensation systems, propensity to violate federal laws & regulations, organizations, 7686

50 cent incentive, mail survey response rate & speed, adults, implications for cost effectiveness, 8146
Monetary Rewards—Serials
expected consumption, valuation of & choice between immediate availability of restricted amount vs temporally constrained availability of unrestricted amount of monetary reward, college students, 32161
financial compensation for PTSD vs physical or other mental problems, exaggeration of symptoms, Vietnam veterans with PTSD, 17852
monetary reward & perceived internal control over performance & private or public disclosure of judgment, judgments of future performance, college students, 25504
verbal reinforcement & monetary reward, conservation oriented harvests vs exploitive strategies in commons dilemma simulation, college students, 41246
Money—Serials
allocation of inheritance resources, families in California, 1890–1984, 25381
application of A. Maslow's hierarchy of needs to management of & satisfaction with financial affairs, married couples, 5383
asymmetric levels of individual endowment, proportion of voluntary contribution to provision of group benefit, college students, Israel, 45192
attitudes toward money & progress ratings & therapist's theoretical orientation, 30 yr old & older therapists & their 17–73 yr old patients, commentary reply, 26438
attitudes toward money & progress ratings & therapist's theoretical orientation, 30 yr old & older therapists & their 17–73 yr old patients, commentary, 26475
cable & videocassette recorder penetration, network TV audiences & revenue shares, 1980–90, 28853
centrality of financial success as life aspiration & value, adjustment & well being & social productivity & behavior disorders, adults, 45246
classroom lesson on banking, understanding of & interest in bank functions & profits, 5th graders, Italy, 43247
coin size & perceived value, probability of picking up old vs new 5 pence coin, passersby, England, 1431
conceptual framework for personality types & other psychosocial constructs of money, 5602
consumer economics & financial management & family financial counseling perspectives on meanings of money, 7730
cultural vs structural perspectives on sociology of money, 5299
differential exposure & vulnerability to chronic financial strain, psychological stress & sense of control, male vs female married vs unmarried 55 yr olds & older, 37219
Freudian vs Marxist perspectives on G. W. S. Hegel's political philosophy & meaning of money in worlds of Mr. Moneybags & Rat Man, 43685
interdisciplinary perspective on meaning of money in behavioral sciences, 5301
kind of neighborly help, acceptance of money in repayment, neighborhood residents, England, 21512
money as motivation & opportunity for criminal behavior, 6108
money available & price, consumption choice of own preferred vs other cigarette brand in reinforcement paradigm, 20–38 yr olds, 40086
money vs time vs ego vs social risks, monetary donation behavior, adults, 29385
personality factors & meaning of money assessed by Money Ethics Scale, college students, Taiwan, comparison with US data, 21557
processes & approaches in financial planning & counseling, consumers with financial problems, 6506
reasons for use & misuse of money & counseling strategies, couples, 6612
risk perceptions & uncertainty, decision making in foreign exchange risk management, multinational corporations, terminology & methodology appended, 31594
self concept & money attitudes & spending or saving behavior, 18–34 yr olds, 41323
server's standing vs squatting during initial visit to table, tip amount, restaurant customers, 43540
sex, money styles & attitudes, adults, 41324
Money—Chapters
Health, work, economic status, and happiness, 5650
Human wealth-span: The financial dimensions of successful aging, 5292
Mental accounting, saving, and self-control, 28298
Monetary sanctions: The problem of compliance, 15834
Money matters in psychoanalysis, 26709
Money symbolism and economic rationality, 5313
The use of fines as an intermediate sanction, 15835
Mongolism [See Downs Syndrome]
Monitoring [See Also Self Monitoring, Vigilance]—Serials
ambulatory BP & heart rate monitoring during naturally occurring panic & anxiety, 23–53 yr olds with panic disorder, 1778
computer character identification task system for test of scanning & monitoring abilities, 19–40 yr olds, 7930
computer monitoring & standards & rewards, job satisfaction & stress & performance, computer operators, 43418
demand & social influence vs source monitoring failure, suggestibility effect on memory of visually presented incident, eyewitnesses, 365
dichotic application of digit vs consonant-vowel vs nonverbal auditory stimuli, free recall & monitoring, left vs right handed 21–35 yr olds, implications in auditory lateralization, 20542
distraction vs sensation monitoring vs thought suppression during cold pressor pain induction, postpressor pain & recovery, college students, 20736
effect of prior performance levels on requests for computer assisted performance information, performance evaluations, college students, 43415
electronic monitoring of compliance with cardiac glycoside & diuretic therapy following hospital discharge, 65–93 yr olds with atrial fibrillation &/or congestive heart failure, Germany, 14828
heart rate monitoring during physical education activities, assessment of physical fitness, 12–13 yr olds, 23511
home apnea monitoring, disruptions in family life, parents of infants at risk for SIDS, 14795
implied vs actual computer monitoring vs physical presence of O, performance on complex task, female college students, application of social facilitation model, 43411
in situ daily recording & ambulatory monitoring methodologies in behavioral medicine, literature review, 42538
issues in computer based work monitoring, white collar workers, 43410
reading vs TV as concurrent activity, FI low rate responses & verbal regulation, college students, 40197
sleep restriction & stimulus control & relaxation training, home based polysomnography & power spectral analysis of EEG, adults with chronic sleep onset insomnia, 26845
supervisor vs computer monitoring, data entry task performance, data entry personnel, 43416
Monitoring [See Also Self Monitoring, Vigilance]—Chapters
Assessment of ethanol consumption with a wearable, electronic ethanol sensor/recorder, 16641
Electronically monitored home confinement: Does it work?, 15207
Improved care of patients with diabetes through telecommunications, 30902
Individual differences in ambulatory blood pressure patterns, 16718
Postmarketing surveillance of adverse drug effects, 22785
Use of ambulatory monitoring of left ventricular function with the VEST, 42028
Monoamine Oxidase Inhibitors [See Also Nialamide, Phenelzine, Tranylcypromine]—Serials
acute vs repeated dose of moclobemide, cognitive functioning vs psychomotor performance, healthy 65–85 yr old males, 20893
amphetamine vs nicotine vs deprenyl, effects of prolonged sleep deprivation on sleep latency & cognitive & behavioral & physiological functioning, male 21–41 yr olds, 20947
antidepressant effect of moclobemide vs clomipramine, patients with major depression, Denmark, 46433
brofaromine, hospitalized patients with panic disorder, 30465

brofaromine vs imipramine, efficacy & tolerability, patients with major depression, 1 yr followup, 18756
brofaromine, 49 yr old male with social phobia, Germany, case report, 6727
characteristics & efficacy of -deprenyl, nigrostriatal dopaminergic system, rats & patients with Alzheimer's or Parkinson's disease, 6933
clinical course & serial change in CSF level of protease inhibitor APPI, patients with dementia of Alzheimer's type, 42106
clorgyline, amphetamine induced dopamine release vs behavioral changes, rats, 4922
debrisoquin MAO inhibitor, symptoms & CSF & blood plasma & urine HVA & MHPG levels, male 21–65 yr olds with acute psychotic schizophrenia, 30483
deprenyl before vs after MPTP, dopamine & norepinephrine & locomotor activity & catecholamine & 5-HT, male BALB/c mice, animal model of parkinsonism treatment, 36736
deprenyl vs clorgyline, locomotion & caudate extracellular dopamine, male rats, implications for amphetamine-like action, 20951
deprenyl, 6–18 yr olds with attention deficit hyperactivity disorder associated with Tourette's syndrome & obsessive compulsive disorder, 34550
development of brofaromine & moclobemide & other reversible MAO inhibitors, tyramine potentiation & therapeutic efficacy & 5-HT reuptake inhibition, animals & humans, 25006
development of selective serotonin reuptake inhibitors & reversible MAO inhibitors for treatment of depression, 18776
efficacy & effects of moclobemide vs doxepin on sexual function, patients with major depression, conference presentation, 30496
excitatory & other side effects of moclobemide, 26–78 yr olds with treatment refractory depression, case reports, 34542
interaction of moclobemide with other drug treatments, research review, conference presentation, 30458
isatin, stress & serotonergic system response, rats, conference presentation, 4885
issues in abuse of MAO inhibitors, 13916
L-deprenyl, behavior or cognitive function, patients with mild dementia of Alzheimer's type, 38697
l-deprenyl, dextroamphetamine discrimination in operant conditioning paradigm, male rats, 44751
L-deprenyl, negative symptoms, schizophrenic males, letter, 6782
l-deprenyl with tacrine or physostigmine, cognitive ability, 54–82 yr olds with Alzheimer's disease, 22941
MAO-A inhibitor brofaromine & glycopyrrolate or scopolamine, antagonism of physostigmine induced spontaneous depression, healthy male 26–37 yr olds, 40575
MAO-B inhibitor l-deprenyl, activity level & other spontaneous behaviors, male vs female dogs, 20875
MAO inhibitor l-deprenyl, cerebral blood flow & cognitive ability, elderly with primary degenerative dementia of Alzheimer's type, 42581
MAO inhibitors, carbamazepine blood levels, letter, 2613
MAO inhibitors induced hypertensive headache & orthostatic hypotension, patients, letter, 30468
mild stress with vs without moclobemide vs sleep deprivation, 5-HT-1C receptor initiated penile erection & depression, male rats, animal model, 36841
moclobemide, depressed patients, conference presentation, 30439
moclobemide efficacy & effects on DST & plasma & urinary MHPG, depressed 27–61 yr olds, Greece, 38536
moclobemide, patients with endogenous vs nonendogenous depression, meta analysis, conference presentation, 30533
moclobemide, plasma tryptophan & tyrosine & other large neutral amino acids & clinical response, patients with endogenous vs nonendogenous major depression, Denmark, 38568
moclobemide, sleep wake cycles & EEG parameters, patients with major depression, conference presentation, 30488
moclobemide vs amitriptyline, adults with major depression, Australia, 22712
moclobemide vs amitriptyline, psychomotor performance & cognitive function, healthy male 19–39 yr olds, 40560
moclobemide vs fluoxetine, 20–86 yr olds with major depression, conference presentation, 30532
moclobemide vs imipramine vs clomipramine, side effects & tolerability & onset of clinical effects, patients with endogenous vs nonendogenous depression, 10717
moclobemide vs imipramine, 21–65 yr olds with major depressive episode, Finland, conference presentation, 30503
moclobemide vs placebo vs tricyclic antidepressants, depressed patients, conference presentation, 30514
moclobemide, 30–58 yr old females with winter depression, 14708
paroxetine with vs without caffeine vs theophylline vs theobromine vs pentoxifylline, 5-HTP induced head twitches, 5,7-dihydroxytryptamine vs pargyline pretreated male rats, 36808
pharmacokinetics of tranylcypromine & phenelzine & moclobemide & selegiline, 4859
phenelzine or brofaromine, plasma 5-HT & 5-HIAA & relation to clinical improvement, 20–60 yr olds with major depressive disorder, 14674
phenelzine vs moclobemide, 19–60 yr olds with social phobia, 14739
physostigmine & deprenyl, patients with Alzheimer's disease, 30670
predictors of response to MAO inhibitors, depressed outpatients, erratum, 34540
selective MAO-A inhibitor brofaromine, 42–71 yr olds with endogenous depression, 26789
selective MAO inhibitor brofaromine, adults with social phobia, Netherlands, 42499
selegiline, verbal memory performance, patients with Alzheimer's type dementia, Italy, 2788
serum alpha 1-antichymotrypsin & neuropathology, young patients with Down's syndrome vs elderly with Alzheimer's disease, 5696
side effects of combined MAO inhibitors & tricyclic antidepressants, depressed patients, 2677
tolerability & antidepressant effects of brofaromine, 35–68 yr olds with neurotic depression or manic depressive psychosis depressed type, 42420
tolerability & efficacy of moclobemide vs dothiepin, depressed patients in general practice, conference presentation, 30444
tolerability & side effects of moclobemide, patients with major depression, 10647
tolerability of moclobemide vs amitriptyline, 18–65 yr olds with major depression, 10649
tranylcypromine or phenelzine induced vascular crisis, depressed male 42 & 43 & 49 yr olds, case reports, 2676
Xenopus frog skin mucus &/vs clorgyline vs l-deprenyl, tongue flicking & climbing & activity & oral dyskinesia, snakes, animal model of movement disorders, 36717
4-methoxytranylcypromine vs tranylcypromine, brain & liver & heart A-MAO activity & pons-medulla & hypothalamus & hippocampus 5-HT, male rats, 765
5-HT reuptake blockers or MAO inhibitors, patients with obsessive compulsive disorder with comorbid social phobia, 22697

Monoamine Oxidase Inhibitors [See Also Nialamide, Phenelzine, Tranylcypromine]—Chapters

Cardiovascular effects of monoamine oxidase inhibitor antidepressants and lithium, 22791

Monoamine Oxidases—Serials

blood plasma, MAO activity in washed human platelets & rat brain synaptosomes & platelet MAO during premenstruation vs postmenstruation, patients with PMS, 10204
blood platelet MAO activity, androgen hormone level & personality traits & neuropsychological performance, 17–24 yr old male Air Force pilot recruits vs conscripts, 36653
calbindin D-28K & MAO A & nerve growth factor receptor immunoreactivity in nucleus basalis of Meynert, 66–95 yr olds with Alzheimer's vs Parkinson's disease with vs without dementia, 42043

ethanol, blood platelet gamma aminobutyrate aminotransferase & MAO activity, alcoholic male 19–64 yr olds, Sweden, 26016
hypothalamic-pituitary-adrenal axis function & MAO activity, depressed vs schizophrenic DST suppressors vs nonsuppressors, 25733
MAO immunoreactivity in hippocampus & temporal cortex & cerebellum, postmortem brains of 71–93 yr olds with vs without senile dementia of Alzheimer's type, Switzerland, 26345
personality traits & MAO activity, wives of alcoholic husbands, Sweden, 17997
platelet MAO & personality traits, female 17–34 yr olds with prenatal virilization due to congenital adrenal hyperplasia, 45897
platelet MAO-B activity & concentration, alcoholic family members, 45712
platelet MAO, schizophrenic patients with or without neuroleptic treatment, meta analysis, 17814
role of MAO in emotions & adaptations to stress in humans & animal models of psychopathology, treatment implications, 46509
sensation seeking & other personality traits & drug & alcohol use & physical fitness & menstrual cycle, MAO levels, female college students, 36657
whole blood 5-HT & platelet MAO activity & 5-HT2 receptor function, 22–56 yr olds with suicidal tendencies, 41697
4-methoxytranylcypromine vs tranylcypromine, brain & liver & heart A-MAO activity & pons-medulla & hypothalamus & hippocampus 5-HT, male rats, 765

Monoamines (Brain) [See Catecholamines]

Monocular Vision—Serials

apperception of binocularly fused random dot stereograms, subliminal monocular perception, college students, 36084
dichoptic vs monocular stimulation, feature detection & neon flank & illusory contour in neon color spreading, 23–27 yr olds, 12176
inhomogeneity & anisotropies for motion detection in monocular visual field, adults, 44008
linearity of binocular vs monocular grating resolution & acuity development, neonates, 1 yr study, 13072
monocular lid suture visual deprivation, RT & choice behavior to spectral sensitivity, cats, 12512
monocular optokinetic nystagmus induced by horizontally moving square wave gratings, 2.5–8 yr olds with amblyopia &/or strabismus, UK, 14447
monocular vs binocular discrimination, choice RT, pigeons, implications for binocular summation, 36305
monocular vs binocular viewing of 3-dimensional convex vs concave objects with vs without size cue, Mueller-Lyer illusion of egocentric distance, adults, England, 39987
monocular vs binocular viewing, temporal & spatial errors in 1-handed catching, male 16 yr old expert catchers, 24360
monocular vs binocular views of novel 3-dimensional shapes, recognition & representation in long term memory, college students, Canada, 12156
monocular vs binocular vision & object size & distance, prehension, college students, 294
stimulus spatial frequency & dichoptic vs monocular & continuous vs brief presentation, mislocations of vertical bars, adults, 12174
unconventional viewpoint & monocular depth cues & visual field, object identification, college students, 28193
various biocular vs uniocular vs dark visual conditions, spontaneous saccades, pigeons, 36530
viewing orientation & target spatial position & depth cues & binocular disparity, spatial judgments with monoscopic vs stereoscopic perspective displays, adults, 16210

Monocular Vision—Chapters

Role of neurotrophic factors in the plasticity of the mammalian visual system, 20635
A 2-DG analysis of the effects of monocular deprivation on the rat visual system, 32469

Monolingualism—Serials

development & validity & reliability & factor structure of behavior rating scale, assessment of self rated adjustment problems, monolingual vs bilingual 14–17 yr old students, Algeria, scale appended, 43821
dichotic listening with English vs Chinese words, bilingual vs monolingual right handed college students, implications for interhemispheric language processing, 44789
word perception, monolingual vs bilingual Turkish & English speakers, 40119

Monotony—Serials

mental image during monotonous working conditions, reliability, production monitoring operators, translated article, 39524
methodology for study of resistance to monotony as personality trait, translated article, 37494

Monozygotic Twins—Serials

age of onset of motor & vocal tics & severity, prediction of disease course & severity, monozygotic twins concordant for motor or vocal tics or Tourette's syndrome, 38253
age, perceived health & life satisfaction, 26–87 yr old fraternal vs identical twins reared together vs apart, Sweden, 5181
age, self rated ability, 27–86 yr old monozygotic & dizygotic twins, 25232
behavior therapy & clomipramine & other treatments, obsessive compulsive disorder & paraphilia, adult male monozygotic twin members of set of triplets, 18470
characteristics, female 13 yr old monozygotic twins discordant for transsexualism, case report, implications for social vs genetic basis of transsexualism, 29773
clinical & brain neuroimaging & neuropsychological features & environmental risk differences, 81 yr old monozygotic female twins clinically discordant for Alzheimer's type dementia, 30246
cognitive & psychological functioning & symptoms, 67 yr old monozygotic twin WWII pilots discordant for combat exposure & war confinement, case report, 25743
cognitive ability & style & creativity, identical vs fraternal adolescent twins, USSR, 9150
cognitive ability, identical twin pairs & their spouses, Norway, test of social homogamy & assortative mating models, 16299
concordance for dementia of frontal lobe type, 59 yr old monozygotic twins, case report, 42058
concordance for homosexual orientation, 20–68 yr old monozygotic vs dizygotic twins vs triplets, 37391
dichotic listening, monozygotic twins discordant vs concordant for schizophrenia, 5889
disparity in cerebral anatomy & metabolism & cognitive & neuropsychological functioning, male monozygotic twins with Alzheimer's disease, implications for research utility of twin method, 34243
etiology & demographics & clinical characteristics, monozygotic & dizygotic twins with Parkinson's disease with vs without dementia, Germany & Switzerland, 10416
extensive vs intensive housing environment, repose behavior time, monozygotic twin dairy cows, implications for animal management, 44215
familial factors, clinical features & symptoms, female monozygotic vs dizygotic twin pairs concordant for major depression, 25777
family history & concordance of speech & language disorders, school age monozygotic vs dizygotic twins, 14128
fingertip dermal ridges, monozygotic twin pairs discordant for schizophrenia, evidence of 2nd trimester markers of etiology of schizophrenia, 9839
genetic & environmental contributions to PTSD development, male monozygotic vs dizygotic twins in military service during Vietnam War, 37812
genetic & environmental factors, monozygotic vs dizygotic twin pairs concordant vs discordant for Alzheimer's disease, England, longitudinal study, 6371
genetic &/or environmental factors, odor discrimination of human twins zygosity & methodology, dogs, commentary reply, 8593
genetic analysis & heritability of inhibited vs uninhibited behavior, 14 mo old monozygotic vs dizygotic twin pairs, 10 mo study, 9293
genetic analysis of smoking behavior, male 40–50 yr old monozygotic vs dizygotic twin pairs, 1967–69 vs 1983–85, 12474

genetic analysis of smoking behavior, male 40–50 yr old monozygotic vs dizygotic twin pairs, 1967–69 vs 1983–85, commentary, 12472
genetic contribution to fears & fearfulness, 8–18 yr old dizygotic vs monozygotic twins, 5051
genetic vs environmental factors, cognitive functioning, male monozygotic vs dizygotic 62–73 yr old twin pairs, 40975
genetic vs environmental factors, Type A behavior, monozygotic twins & their spouses & offspring, Norway, 5638
genetic vs environmental family background factors, risk of divorce, monozygotic vs dizygotic twins & their parents & spouses' parents, 20497
genetics, etiology of hyperactivity, 13 yr old identical & same sex fraternal twins, England, 2171
handedness, 17–44 yr old monozygotic twins discordant for schizophrenia, replication, 33659
heritable vs environmental factors, reproduction related behaviors, male vs female monozygotic twins reared separately, 40335
identical twin vs DNA based linkage techniques in study of human behavioral genetics, research review, 4553
learning & memory, 17–44 yr old monozygotic twins discordant for schizophrenia or delusional disorder, 45380
lifestyle & environmental factors, cognitive aging, 50–78 yr old monozygotic vs dizygotic twin pairs, Japan, conference presentation, 37216
mother's attitudes toward & relationship with twins, twin bonding, mothers & their monozygotic vs dizygotic twin pairs assessed from 0–3 yrs old, France, conference presentation, 37154
neurocognitive deficits & auditory EPs & neurobehavioral functioning & other clinical factors, 41 yr old male monozygotic twins concordant for paranoid schizophrenia, 17789
odor identification & olfactory sensitivity thresholds & preferences, adult monozygotic vs dizygotic twin pairs, conference presentation, 36065
optimism, monozygotic vs dizygotic 12–65 yr old twins, heritability implications, 40946
perceived parental behavior & family environment during childhood, hostility, adult male monozygotic twin pairs, 29442
perceived zygosity, resemblance for major depression vs generalized anxiety disorder vs phobia vs bulimia vs alcoholism, female twins, test of equal environment assumption, 41407
psychoanalytic perspective on love & rivalry in development of relationships between self & mother vs sibling, identical twin male infants & their mother, 2 yr study, 5036
regional cerebral blood flow, 24–44 yr old monozygotic twins concordant vs discordant for schizophrenia, 17778
self reported PMS, 25–40 yr old female monozygotic vs dizygotic twin pairs, Australia, 41942
similarities & differences in personality factors, 18–31 yr old monozygotic vs dizygotic twins, Italy, 25544
task difficulty & prelearning vs postlearning situations, individual differences in cognitive activity, 6–7 yr old monozygotic vs dizygotic twins, 44888
use of Genetic Tobit factor analysis, estimation of behavior genetic parameters from censored data, identical or fraternal twins, 541

Montessori Method—Serials

Montessori methods, preschoolers at risk for learning disabilities, 15512

Moods [See Emotional States]

Moral Development—Serials

Adlerian based educational methods, promotion of moral development through social interest, children & adolescents, 11411
application of disciplinary models & moral development theories to classroom disciplinary policies, 31357
awareness of cognitive dissonance & age, stage of moral reasoning & justice oriented behavior, literature review, 5198
belief in immanent justice vs biological processes as cause of illness, 4–5 yr olds & college students, 32997
cognitive & ego development & moral reasoning in abortion choice, 12–14 vs 17–19 vs 23–25 yr old unmarried females, policy implications, 5091
conceptions of emotional reactions of victims & moral transgressions by victimizers, 4–8 yr olds, 1032
context of moral dilemmas, 10–11 yr olds from divorced vs intact families, implications for moral development, 37098
covariance structure analysis of orientation & judgment & subtests of Moral Development Test, assessment of Kohlberg's hierarchical stage structure, 9th–12th graders & adults, Hong Kong vs England, 24064
culture of violence & impact on early development & morality, children, US, 37871
development of Measure of Moral Orientation, measurement of ethics of care & justice in college setting, college students, 45
development of moral responsibility & consciousness through art during incarceration, former political prisoner, Argentina, 44945
epistemological & existential approach to moral development & death & magical thinking & animism in religious beliefs, commentary, 25097
ethical issues & conflicting responsibilities, psychologists working in organizations, application of L. Kohlberg's theory of moral development, commentary reply, 35233
ethical issues & conflicting responsibilities, psychologists working in organizations, commentary & application of L. Kohlberg's theory of moral development, 35234
ethical issues & conflicting responsibilities, psychologists working in organizations, application of L. Kohlberg's theory of moral development, commentary, 35229
family & peer relationship & demographic variables, moral judgment development, college students, 1449
feminist perspective on sex differences, psychosocial & moral development drawing responses to fairy tales, seriously disturbed special education students, treatment implications, 1523
intelligence & birth order & age, moral judgment, 6–7 vs 10–11 yr olds, India, 5129
judgments about hypothetical vs actual moral vs conventional transgressions, 3–4 yr olds, 25257
judgments of moral accountability for justice breaches, 3rd vs 7th graders vs adults, US vs India, 44946
moral creativity in arts & as artistic transformation, 44762
moral development & organizational commitment influence on emotional distress & professional role conflict, lies in reporting accuracy propensity, registered nurses, 47061
moral development, male 21–55 yr old person vs property vs victimless 1st offenders vs recidivists, 10112
moral judgment development, prosocial & law abiding behavior, 13542
moral judgment, school achievement, 2nd graders, Slovenia, 43275
moral motive strength & temperamental inhibition & ego control, immoral behavior in real moral conflicts, children observed from 4 to 7 yrs old, Germany, 9221
moral reasoning, 13–34 yr old Buddhist monks, Tibet, implications for L. Kohlberg's model of moral development, 40914
own & parent perceptions of family structure & decision making & value orientation & moral transmission & interpersonal relationships, moral judgment, 10–18 yr olds, 5 yr followup, 13145
paradigm shift in theoretical orientation & stress & moral conflict & somatization in L. Kohlberg's model of moral judgment, adolescent patients, commentary, 14176
perceptions of political candidates & election issues & voting intentions & ideology & moral judgment development, 18–23 yr olds, 37170
philosophical instruction program & reflective educational practice, moral & social development & thinking, primary & secondary students & teachers, Canada, 39223
project CORE boot camp program, moral development, 1st time nonviolent convicted offenders, 42994
role of mental attentional capacity in moral reasoning, 10–16 yr olds, Canada, 13003
sex, score on Ethics of Care Interview & content of real life moral dilemmas, 11–12 yr olds, Canada, 37162

social perspective taking during childhood & postchildhood, moral judgment, college students, 25566
test retest reliability & convergent & concurrent & discriminant validity of objective self report measure, assessment of prosocial moral reasoning, 7th & 10th graders, 15896
validity & bias of Defining Issues Test, measurement of moral development in conservative religious populations, adult Mormons, 24062
value consistency thesis on relationship of E. Erikson's theory of identity formation & L. Kohlberg's theory of moral reasoning, 5192
value consistency thesis on relationship of E. Erikson's theory of identity formation & L. Kohlberg's theory of moral reasoning, commentary, 5223

Moral Development—Chapters

Atmosphere and stage development in the workplace, 23803
Developmental levels of entering medical and pharmacy students: Considerations for admissions selection policies and curriculum change, 23677
Moral-cognitive development and the motivation of moral behavior, 13019
Moral reasoning, moral behavior, and moral giftedness: A developmental perspective, 33027
Parental moral stage and adolescent moral development, 37191
The roots of more than civility, 9329
Self-understanding and its role in social and moral development, 13167
Significance of job complexity in workers' moral development, 23804
Sociomoral reasoning in behavior-disordered adolescents: Cognitive and behavioral change, 11592
Toward a postmodern psychology of moral action and moral development, 13183

Morale—Serials

correlates of morale, elderly, literature review, 17252
health & mental health & morale & social functioning, elderly recently widowed vs never vs still married females, 4 yr followup, 17227
Philadelphia Geriatric Center Morale Scale, assessment of subjective well being, 65 yr olds & older, Japan vs US, 4139
relocation appraisal & functional independence & morale & health & demographics, 68–96 yr old nursing home residents, 2987
respite care, subjective & objective burden & morale, 38–89 yr old family caregivers of patients with Alzheimer's disease, 6 mo followup, 30876
role of needs fulfillment & job satisfaction in morale, teachers, England, 3302
voluntarily formed vs assigned work teams, morale & performance, 19–48 yr old industrial employees, China, 27635
work environment, morale & job satisfaction, nurses, 31163

Morale—Chapters

Aging, morale, and meaning: The nexus of narrative, 21314

Morality—Serials

age, attributions about emotions of wrongdoer in story of moral transgression, 4–10 vs 18.4–21.1 yr olds, 29039
AIDS contagion beliefs & attitudes toward homosexuals & moral values & political involvement & demographic characteristics, attitudes toward children with AIDS, adults, 30128
altruism & closeness of relationship & moral judgment, Chinese 10th–12th graders & college students, Hong Kong, 29030
amorality vs narcissism, altruistic actions in saving Jews from Nazi genocide, H. Schindler & S. Jagendorf, 45261
attitudes toward honor system & personal code of honor & cheating, male vs female college students, comparison with data from school without honor system, 35410
attitudes toward indigenous moral values, secondary school students exposed to Western education, Nigeria, 39309
Balinese cockfighting as morally controversial leisure activity vs deep play in work of C. Geertz, commentary, 5342
collective behavior & moral crusade against satanism, mass hysteria & belief in ritual child abuse by satanic cults, England, commentary, 17916
collective behavior & moral crusade against satanism, mass hysteria & belief in ritual child abuse by satanic cults, England, 17962
context of moral dilemmas, 10–11 yr olds from divorced vs intact families, implications for moral development, 37098
coping & defensiveness & moral judgment & behavior, female juvenile delinquents vs prostitutes, Canada, 26026
crack cocaine use & sexual practices & attitudes toward risk for & contraction of syphilis & morality, drug abusing Black 16–50 yr olds, 6047
creative awareness & moral & social responsibility, 45263
creativity, moral judgment & originality of solutions for moral dilemmas, gifted 15–17 yr olds, 44943
critique & moral dimensions of psychooncology & psychological therapy & research, patients with testicular or breast or other cancer, 14781
description of morality vs ability traits of target's behavior & other descriptions contrary to original, ratings of target & traits & probability of future behavior, college students, 37484
discussions of oral issues in nonjudgmental manner in group therapy, 38508
ethics in decision making for hypothetical animal research proposals, 17–42 yr olds, 40231
information content & evaluative extremity, positivity vs negativity bias in morality vs competence domains of interpersonal perception, college students, Poland, 25512
information on bodily & material consequences of & intention to commit act, information integration & rules of moral judgment in punishment determination, 12 yr olds, 28922
informational vs moral beliefs of cultures, relativistic vs universal moral judgments of events in other cultures, school age children vs adolescents vs young adults, 40959
intentionality & conventionality & problem finding & evaluative skills in creative morality, 45294
interview type, justifications for judgments in moral decision making, 12–21 yr olds, Australia, 25225
judgments of moral & personal rules & transgressions in events involving physical harm & property damage, 36–72 mo olds, 37171
judgments of moral accountability for justice breaches, 3rd vs 7th graders vs adults, US vs India, 44946
justice & care reasoning in morally ambiguous situation, soldiers during My Lai massacre & Intifada uprising, Vietnam & Israel, conference presentation, 39553
moral & ethical rights to equal opportunities & rehabilitation services, learning disabled, 33940
moral aspects of hope & attentiveness to & caring for student differences, teachers, 23444
moral creativity & education for citizenship, Great Britain, implications for education on environmental issues, 47171
moral intuitions in dilemmas concerning life & social issues & development of evolutionary ethics, college students, 25575
moral judgment & action in hypothetical conditions, 5th graders & their teachers, West Germany, application of model of moral responsibility, 25241
moral judgment & high vs low scholastic achievement, 8th graders, 43260
moral judgment & locus of control & traditionalism vs modernism, 16–40 yr olds, Nigeria, 5620
moral judgment development, prosocial & law abiding behavior, 13542
moral judgment interview characteristics, depth of processing, college students, Australia, 8304
moral judgment of aggressive retaliation against siblings or friends, 8–10 yr olds, 29019
moral motive strength & temperamental inhibition & ego control, immoral behavior in real moral conflicts, children observed from 4 to 7 yrs old, Germany, 9221
moral reasoning & rhetoric in acceptibility of arguments for vs against action in AIDS related dilemmas, college students, application of L. Kohlberg's 6 stages, 6305
moral reasoning, 13–34 yr old Buddhist monks, Tibet, implications for L. Kohlberg's model of moral development, 40914

moral relativism & idealism & attitudes toward animal treatment, adult animal rights activists, 13528
moral relativity & dishonesty in self reported vs actual number of photocopies, college students & staff, 29422
moral responsibility & negotiation of death in ethical decision making in rejection of life supporting therapy, male 66 yr old in intensive care, 6961
moral sensitivity & sodomy laws, rehabilitation, gay or lesbian or heterosexual patients with traumatic brain injury, 30969
moral should vs is statements as part of negative bias of information processing, patients with depressive disorders, 21778
moral stigma, paid plasma donors, 33215
morality of 20th century transgressive art, 44757
movement from epistemological critique to moral discourse in social constructionist movement in social psychology, 13402
nature of & responses to & communication in & transcendent eloquence resolution approach to moral conflict, opposing groups, 13219
Nursing Dilemma Test, measurement of level of moral reasoning, nurses in critical care units, 11931
offense context & formal & informal sanctions & moral beliefs, self reported projections to commit sexual assault, male college students, 14007
"ought" & "can" statements & moral action or imperative, relationship between morality & creativity, 45293
perception of alcoholism as illness or moral problem, Jewish vs Muslim vs Christian teachers, Israel, 13984
perceptions of moral issues in & use of physical restraints with elderly patients, 21–58 yr old nurses, commentaries & reply included, 35210
personal inadequacy vs moral norm violation & audience presence & personal responsibility attribution, guilt vs shame, Chinese college students, Hong Kong, 1452
personal values & moral reasoning, graduate business students, 32173
positive vs negative ability vs morality traits in behavior instances, trait inferences & impression formation, college students, Netherlands, 9581
professional societies & journals as intermediaries between creative persons & public, maintenance of moral standards, 47094
psychology of human sexuality course, attitudes toward sexual & moral issues, college students, Australia, 43286
research on & Defining Issues Test assessment of moral reasoning, nursing students, 19382
role of ethics & moral judgments & social implications in design of human computer interaction systems, 11769
salience of patient's sex & age & race & marital & parenthood status & ethics & morality in medical resource allocation decisions, 15–82 yr olds, 38707
sex & peer popularity vs rejection, moral judgment, 2nd–3rd graders, 9228
sex & restriction of domain to parenting dilemmas, care or justice moral reasoning, parents with vs without handicapped children, 33312
sex, justice vs caring moral value orientation, Mormon vs non-Mormon college students, US vs China, 29461
sex, preference for caring morality emphasizing interpersonal relationships & emotional sensitivity to others, college students, Korea vs Thailand vs China vs US, 9587
sex, score on Ethics of Care Interview & content of real life moral dilemmas, 11–12 yr olds, Canada, 37162
sexual norms & values & morality in study of sexuality & sexual behavior, 17405
small group processes course, moral reasoning, college students, 43186
T. Szasz's & P. Sedgwick's & C. Gilligan's views on patient betrayal in psychiatry & role of individual & social moral failure, 34294

Morality—Books

Social discourse and moral judgment, 9514

Morality—Chapters

Altruism and the moral value of rescue: Resisting persecution, racism, and genocide, 25592
Antiparticularism in developmental and moral theory, 13025
Can there be a just and moral social constructionist psychology?, 9367
The construction of a moral career in medicine, 11309
A cross-cultural perspective: The Japanese family as a unit in moral socialization, 21373
The directive force of morality tales in a Mexican community, 5322
Drug use and abuse: The ethical issues, 37966
Fire-setting: Age trends and psychometrical diagnosis of competency criteria for liability, 23955
Free choice, practical reason, and fitness for the rule of law, 9519
Individualizing conscience: New thoughts on old issues, 13585
Leading an examined life: The moral dimension of daily conduct, 15323
Moral-cognitive interventions, 30349
The moral dimension in social psychology, 9527
Moral philosophy and mental representation, 36930
Moral philosophy and social science: A critique of constructionist reason, 9369
Morality and the limits of knowledge: A neuropsychological meditation, 542
Morality in a mediating mechanism? A logical learning theorist looks at social constructionism, 9526
On being taken up by others, 9522
Persons, selves, and agency, 9523
Psychology, morality, and the law, 11838
Rescue, righteousness, and morality, 25596
The role of moral sentiments in the theory of intertemporal choice, 28288
The roots of more than civility, 9329
Social construction and moral action, 9520
Social constructionism: Relativism, moral sources, and judgments of adequacy, 9370
Social science and moral science, 9525
The Sword of Manjusri: A postmodern morality of intellect and skillful means for relative worlds, 9524
Tatemae and honne: A study of moral relativism in Japanese culture, 16912
A theory of moral sentiments, 5649
There can be a just and moral social constructionist psychology, but only in a social world that is homogeneous and/or static, 9368
Toward a postmodern psychology of moral action and moral development, 13183
Values, conceptions of science, and the social psychological study of morality, 13415
Values in postpositivist developmental research: Communication among researchers, participants, and consumers, 13567
Walker Percy: Language, neuropsychology, and moral tradition, 802

Morals [See Morality]

Mores [See Values]

Morocco—Serials

humor & affectivity in Jaquetia language, Sephardic Jewish communities, Morocco, 16925

Morphemes—Serials

duration of contrastive portions, grammatical morphological limitations & discrimination of speech stimuli with consonant contrasts, specific language impaired 4.5–5.6 yr olds, 14127
imitation vs modeling teaching, novel morpheme learning, 5–6.9 yr olds with specific language impairment vs normal 3–4.9 yr olds, 3537
knowledge & meaning of derivative suffixes, 4th vs 7th graders vs high school students, 47179
morphological deficits, English- vs Italian-speaking 2.5–6 yr olds with specific language impairment, test of missing feature hypothesis, 10194
position of letter in prefix vs stem of function vs content word, prominence of leading functions in function morpheme sequences in letter detection task, Hebrew speaking college students, Israel, 16944
prosody & awareness of function morpheme co-occurrence patterns, 2 yr olds, 32873

reading ability, reading of words vs nonwords ending with -ed vs -er morphemes, 7–9 yr olds, UK, 9164
variability in grammatical morpheme use, 25 vs 29 vs 35 mo old normal language learners, 6 mo followup, comparison with data on language impaired children, 13052
Morphine—Serials
acute & chronic morphine, pharmacokinetically profiled behavioral correlation, male swine, 20967
acute vs chronic morphine with vs without oxytocin vs vasopressin, food intake during dark vs light phase, male rats, erratum, 32628
adenosine agonists vs clonidine, naloxone precipitated morphine withdrawal, rats, 12768
adjunctive low dose amitriptyline with patient controlled morphine or meperidine analgesia, 38–79 yr olds with postoperative orthopedic chronic pain, 34733
adverse interactions of maintenance buprenorphine with acute iv cocaine or morphine, male 26–41 yr olds with concurrent cocaine & morphine dependence, 39031
age & sex & dosage & time course, morphine antinociception, gonadectomized vs intact rats, 44646
age, development of morphine induced hindpaw vs forepaw vs tail antinociception, 2–21 day old rats, 32584
aggression & morphine induced analgesia assessed by paw lick latency, C57BL/6J vs SJL/J mice vs F1 vs F2 vs backcross generations derived from classical Mendelian cross breeding, 40630
alprazolam pretreatment, morphine analgesia & side effects, healthy male 22–30 yr olds, 12753
amygdalal injected morphine, stress induced antinociception, male rats, 40592
aspirin vs indomethacin vs salicylic acid, naloxone induced withdrawal contraction after morphine exposure, isolated ileum of male guinea pig, 36899
associative vs nonassociative contingencies, development of tolerance to morphine induced analgesia, male rats, 24998
atrial natriuretic peptide, nociception & morphine tolerance & dependency & naloxone precipitated withdrawal, male mice, 16730
benzodiazepine receptor ligands, morphine withdrawal, mice, 8987
beta endorphin & morphine in sensitive forebrain sites, antinociception & met-enkephalin release & opioid receptor stimulation, male rats, 778
beta funaltrexamine vs naltrindole vs norbinaltorphimine &/vs U-50,488H, morphine induced Straub tail reaction, male mice, 36844
bioavailability of high vs low viscosity suppository vs oral controlled release morphine, healthy adult males, 8865
bupivacaine vs morphine in stellate ganglion, pain & sympathetic nervous system activity, 41–66 yr olds with upper limb pain, 46665
chlorpheniramine vs morphine, methamphetamine vs cocaine induced conditioned place preference, male rats, 44672
chronic morphine & naloxone precipitated withdrawal, acoustic startle response, male rats, 729
chronic morphine, EEG & tolerance & dependence behavior, Lewis vs Fischer 344 rats, 4864
clonidine vs nifedipine, naltrexone precipitated opiate withdrawal syndrome & confusion, male morphine dependent inpatients, 27155
competitive LY274614 vs noncompetitive MK-801 NMDA receptor antagonists, morphine tolerance, male rats, 36894
conditioned taste aversion, drug discrimination learning during morphine dosage fading, male rats, 21000
contingent morphine self administration with vs without previous exposure, diurnal & ultradian EEG cycles, male rats, 44629
continuous fentanyl infusion, development of tolerance to discriminative properties of morphine, male rats, 4786
controlled release morphine suspension vs tablets, pain & side effects, cancer patients, France, 10807
desipramine, 5-HT vs morphine vs adenosine analog induced spinal antinociception, male rats, 4917
development of morphine tolerance or dependence, striatal D2 dopaminergic postsynaptic sensitivity & neural activity, male mice, 20945
dexamethasone, morphine induced antinociception, male mice strains with vs without deficits in mu opioid receptors, 28682
dexamethasone, morphine induced epileptiform & EEG & CA1 bursting in hippocampal slices, rabbits vs rats, 32682
dextrose & saccharin solution, early onset of reduced morphine analgesia, male rats, 28706
dietary depletion of tryptophan, cold pressor pain threshold & tolerance & morphine analgesia & mood, 18–30 yr old males, Canada, 674
dihydropyridine class calcium antagonist isradipine, morphine induced place preference & analgesia, mice & rats, 20906
discrimination training to dextroamphetamine & morphine, generalization to doses of dextroamphetamine &/vs morphine, male pigeons, 44677
dorsal periaqueductal gray midazolam vs morphine with vs without naloxone, aversive & exploratory & motor behavior, male rats, 24945
dorsal vs medial vs ventral globus pallidus morphine with vs without naloxone, pain threshold & analgesia, male rats, 680
epidural anesthetic morphine, aversive stimulus induced sensory & pain detection & pain tolerance thresholds, healthy adults, Denmark, 28676
estrous cycle & diet, pain sensitivity & morphine induced analgesia, female rats, 40462
fenfluramine, enhancement of morphine induced analgesic potency, healthy male 22–38 yr olds with electrically evoked pain, 28686
fentanyl vs morphine vs nalbuphine, plasma adrenaline & noradrenaline, 29–40 yr old males, 32632
food deprivation, morphine vs naloxone induced analgesic tolerance, male rats, implications for animal model of anorexia nervosa, 16759
formalin & morphine, pain indicative behaviors, rats with brain transections rostral vs caudal to pons, animal model, 20921
globus pallidus injected morphine, locomotor activity, male rats, 40518
glutamate vs morphine & methysergide vs phetolamine, analgesia mediated by periaqueductal gray, 3 vs 10 vs 14 day old rats, 4938
habenular nuclei lesions, sensitization to locomotor activity & stereotyped behavior activated by repeated morphine, male rats, 4580
high dose hydromorphone, severe pain & induced cognitive impairments assessed by neuropsychological testing, 61 yr old male with prostatic tumor, 38714
high vs low morphine dose, phenotypic expression of cell surface antigens specific to T-lymphocytes, mice, 8926
histamine induced itch with vs without morphine, i-fos-like immunoreactivity in dorsal horn neurons, male rats, 28794
hypothalamic & blood plasma levels of norepinephrine & epinephrine & dopamine & serotonin & their antibodies & receptors, rats predisposed vs resistant to morphine dependence, 8968
ibogaine, brain morphine vs amphetamine level, female rats, implications for drug interaction relevance in stimulant abuse, 12784
ibotenic acid lesions of parabrachial nucleus, morphine induced conditioned taste aversion, male rats, implications for neural pathway processes in aversive motivation, 24646
icv beta funaltrexamine, DPDPE mediation of morphine induced EEG & EEG spectral parameters & behavioral excitation, female rats, 12896
icv glibenclamide beta funaltrexamine, morphine vs U-50,488H induced supraspinal analgesia & spinal noradrenaline turnover, male mice, 20943
icv morphine vs mu vs delta vs kappa opioid agonists vs dynorphin, locomotor activity response & pharmacology, guinea pigs, 20811
icv pentobarbital, antagonism of intrathecal morphine induced antinociception, male mice, 44741
icv periclonal antibodies against G proteins, morphine vs clonidine vs beta endorphin induced supraspinal antinociception, male mice, 16857

icv vs intrathecal morphine vs ketocyclazocine, thermal vs mechanical analgesia, 3–14 day old rats, 4736
icv vs intrathecal saline, naloxone precipitated withdrawal jumping, morphine dependent male mice, 32669
icv vs ip vs intrathecal biphalin vs morphine vs etorphine, antinociception & physical dependence, male mice, 44642
immediate release oral morphine, aggression during competitive task, male college students, 44581
immediate vs controlled release morphine, pain, 40–72 yr old cancer patients, Canada, 10815
in vivo vs in vitro morphine with vs without glucocorticoid antagonist RU 38486, splenocyte production of antibody forming cells, female mice, 16846
inferior colliculus electrical stimulation with vs without morphine & naloxone, escape & freezing & other motor responses, male rats, 16744
infusion of morphine in nucleus accumbens & exposure to heat stressor, acquisition of hypoalgesic & fear responses in aversive conditioning, male rats, 4958
intranigral naloxone vs mu vs kappa vs delta selective opioid receptor antagonists, drug withdrawal behavior, male morphine dependent rats, 20805
ip neurotensin with vs without morphine, vocalization & nociception & agitation & other motor behavior, female guinea pigs, 12874
ip tetrapeptide Tyr-MIF-1, morphine vs restraint stress induced opioid analgesia, male vs female deer mice, 28730
iv morphine, time course of distribution & concentration in blood serum vs spinal cord vs brain regions, morphine tolerant male rats, 20807
low dose morphine, ethanol consumption, rhesus monkeys, 40604
medial septal morphine with vs without systemic vs intraseptal glucose, spontaneous alternation & inhibitory avoidance, male rats, 20964
methadone dose, heroin use & urine morphine, methadone maintenance clients, commentary, 7241
methadone dose, heroin use & urine morphine, methadone maintenance clients, commentary reply, 7233
MK-801 vs naloxone, U-50,488 vs morphine induced antinociception, male rats, 8924
morphine & naloxone & endogenous opioids & selective opioid antagonists, habituation, fetal rats, 40677
morphine &/vs naloxone, wavelength & luminance discrimination, male pigeons, 40531
morphine, acquisition & maintenance of ethanol & water intake patterns & amount, male rats, 16786
morphine administration & contextual environmental cues, conditioned withdrawal reactions & opiate self administration, male rats, 40606
morphine administration method & later electroacupuncture frequency & naloxone challenge, suppression of withdrawal syndrome symptoms, male rats, 28714
morphine, CNS monoamines & DOPAC & 5-HIAA & formalin test responses, hypoalgesic vs hyperalgesic domestic chicks, 4932
morphine, deep body & peripheral skin temperature, male rats, 44732
morphine, dopamine & reward value of prefrontal cortex self stimulation, rats, animal model of drug abuse, 4769
morphine dosage, odor conditioning, neonatal rats, 4902
morphine hyperalgesia, thermal nociception vs respiration & response latency, 3 vs 5 vs 7 vs 14 day old chicks, 4826
morphine in parabrachial nucleus vs other brain areas with high density of opiate binding sites, discriminative stimulus effect, male rats, 36790
morphine vs amphetamine vs various enkephalins in nucleus accumbens, motor activity vs reward CR, male rats, 12760
morphine vs dextroamphetamine, tolerance & cross tolerance to discriminative stimulus effect, male pigeons, 4968
morphine vs meperidine, postoperative patient controlled analgesia or side effect frequency, 8–16 yr old orthopedic surgery patients, 2825
morphine vs MK-801 vs fentanyl vs pentobarbital vs dextroamphetamine dosages, discriminative stimulus control under FI vs FR schedule, male pigeons, 16818
morphine vs naloxone, ethanol & sucrose reinforced responding, rats, 12881
morphine vs naloxone, glutamate induced ileum contraction, guinea pigs, 20903
morphine vs naltrexone, quinine induced taste aversion & sucrose induced ingestive responses, male rats, 16841
morphine vs naltrexone vs nalorphine, reinstatement of heroin self administration after extinction, rats, 771
morphine with adjuvant medication, pain relief & side effects, cancer patients, 2819
morphine with vs without naloxonazine, analgesia, postpartum lactating vs cycling female rats, 24907
morphine with vs without naloxone, laterus merus threat display, male crabs, 12737
morphine with vs without naltrexone, extracellular 5-HT & 5-HIAA in diencephalon, male rats, 28712
mu opioid antagonist naloxonazine vs dopamine antagonist SCH 23390, morphine induced place preference & appetite, mu receptor deficient CSBK vs ddY mice, 28782
N-CPM-TAMO pretreatment, morphine vs U50,488 induced antinociception in tail flick vs writhing assays, male mice, 36795
naloxone in nucleus accumbens vs habenula, analgesic effects of morphine in periaqueductal gray vs habenula, male rabbits, 4857
naloxone, morphine induced inhibition of LH secretion, adult vs prepubescent male rats, 28684
naloxone vs chronic morphine vs intermediate efficacy mu opioids, discrimination & cross tolerance & enhanced sensitivity to response rate decrease under FR schedule, morphine tolerant male rats, 32681
naloxone vs flumazenil, morphine vs diazepam induced spatial memory deficits, male rats, 730
naloxone vs morphine, acute adaptation to hypoxia following conditioning, male mice, implications for role of endogenous opioid peptides, 576
naltrexone vs morphine, cold water swim vs social defeat induced analgesia, male rats, test of collateral inhibition model, 40582
naltriben vs naltrindole, ED 50 values of naloxone for morphine withdrawal signs, male mice, implications for involvement of delta 2 opioid receptors in development of morphine dependence, 36839
neonatal monosodium glutamate, development of morphine dependence assessed by naloxone induced abstinence syndrome, young vs aged rats, 20901
neuropeptide FF with vs without IgG, morphine vs stress induced analgesia, male vs female deer mice, 4837
NG-nitro-L-arginine methyl ester spinal cord nociceptive threshold & morphine induced analgesia, male rats, implications for role of nitric oxide in transmission of nociceptive stimuli, 40652
nitric oxide synthase inhibitor, morphine abstinence & withdrawal syndrome, male rats, 32566
noncompetitive NMDA antagonist MK 801, physical dependence on morphine, male rats, 20902
noninvasive subthreshold auricular electrical stimulation, naloxone precipitated vs abrupt morphine withdrawal, dependent male rats, 36744
noxious stimulation, morphine hypoalgesia vs hyperalgesia tolerance, male rats, 16883
nucleus accumbens morphine or selective opioid peptides, sensitivity to & potentiation of amphetamine induced CRs, male rats, 12759
number of conditioning trials explicitly pairing vs unpairing morphine with distinctive context, acquisition of associative tolerance to analgesic effect, male rats, 24859
opioid agonists & antagonists, morphine induced heart rate & arterial BP & antinociception, cervically vagotomized male rats, 32686
opioid antagonist clocinnamox, morphine vs fentanyl induced analgesia, male mice, 16751
opioid antagonists, periaqueductal gray beta endorphin vs morphine induced antinociception, male rats, 16867
oral capture & grasping of & aversive responses to artificial nipple, rat fetuses with vs without morphine pretreatment, 24972
Pavlovian conditioning process using sc morphine paired with distinctive environment, alterations of immune status, male rats, 4770

pentobarbital anesthesia, morphine dependence, nonhibernating ground squirrels or male rats, implications for hibernation related reduction in morphine dependence, 32579
periaqueductal gray H/2 receptor antagonist tiotidine, morphine antinociception potentiation, male rats, 12797
peripheral or spinal or CNS lesion or blockers, morphine induced tail flick reflex & cardiovascular responses & vagal afferent activation, male rats, 20966
postnatal morphine, sexual dimorphism of accessory olfactory bulb, male rats, 8986
postnatal morphine with vs without naloxone, EEG & locomotion & other motor behavior, rat pups, 8988
preference for saccharin with morphine vs cocaine, C57BL/6J vs DBA/2J inbred mice strains, 36465
prenatal morphine & cocaine, hypothalamic preoptic area & other central catecholamine systems & sexually dimorphic alterations, rats, 32711
prenatal morphine, G protein mRNA in frontal cortex, rat pups, 16732
prenatal morphine, sexual behavior & brain catecholamines, male vs female rats, 8989
rapid induction of conditioned morphine withdrawal, male rats, 20800
resorbable vs nonresorbable suture induced sciatic nerve constriction, spontaneous & morphine & other evoked motor behavior, male rats, animal model of neuropathic pain, 4592
ritanserin vs 5-HT3 antagonist ICS205930 in medullary nucleus raphe magnus or nucleus reticularis gigantocellularis, morphine analgesia elicited from periaqueductal gray, male rats, 20894
route of naloxone administration, brain vs spinal cord naloxone concentration & withdrawal jumping, morphine dependent mice, 40632
saccharin & glucose solution intake, restraint stress induced potentiation of morphine induced analgesia, male rats, 20822
sc morphine, time course & magnitude of tolerance to analgesic effects, frogs, animal model, 32702
SCH 23390 vs pimozide, morphine induced ventral tegmental area dopamine neuronal activity, male rats, 20876
selective kappa opioid agonist CI-977 vs morphine, antinociception & cognitive performance, young vs aged rhesus monkeys, 695
self administered alfentanil vs morphine, pain relief & side effect intensities, bone marrow transplant patients with oral mucositis, 6927
sigma 2 opioid receptor antagonists naltriben vs naltrindole 5-isothiocyanate, acute morphine dependence, male mice, 44682
SKF 38393 &/vs quinpirole, morphine withdrawal induced aggression & motor behavior, male mice, 775
sodium cromoglycate, brain serotonin turnover, morphine dependent vs abstinent mice, 44719
spiroperidol dopamine receptor binding & activity level & behavioral sensivity to bromocriptine, morphine tolerant vs abstinent male rats, 40659
stress induced corticosterone, restraint stress induced sensitization to amphetamine vs morphine induced locomotor activity, adrenalectomized vs intact male rats, animal model of drug abuse, 28694
subchronic morphine, isolation stress induced hypertension, male rats, 44649
supraspinal or spinal mu opioid receptors, morphine dependence & withdrawal, male mice, 28749
systemic nifedipine, epidural morphine induced postoperative analgesia, female 23–65 yr olds, Brazil, 46686
tail flick vs other nociceptive stimulation with or without morphine, behavioral tolerance of tail flick reflex, male rats with vs without spinal transections, 675
timing of desipramine administration, potentiation of morphine induced analgesia, surgery patients with postoperative pain, 46667
tizanidine, attenuation & intensification of morphine physical dependence, male rats & guinea pigs, implications for treatment of heroin addiction, 4843
verapamil vs nifedipine vs clonidine, naloxone precipitated morphine withdrawal, rats vs hamsters, 20992
withdrawal from & chronic or acute morphine, brain & spinal cord calcitonin gene related peptide & adenylyl cyclase activation & morphine tolerance & naloxone precipitated withdrawal, rats & mice, 21038
2nd order extroceptive reinforcer associated with naloxone precipitated morphine withdrawal, conditioned taste aversion, male rats, animal model of drug relapse phenomena, 4798
6-OHDA in nucleus accumbens, amphetamine vs morphine effects on locomotion & analgesia, male rats, 8880

Morphine—Chapters

Common intracellular actions of chronic morphine and cocaine in dopaminergic brain reward regions, 21057
Cortico-subcortical interactions in behavioral sensitization: Differential effects of daily nicotine and morphine, 21075

Morphology—Serials

acquisition of Italian inflectional morphology, 1.3–1.4 yr olds, Italy, longitudinal study, comparison with English data, test of N. M. Hyams' model of language development, 9184
asymmetry & size of forceps, copulation, earwigs, 36419
behavior & physical morphology, male horseshoe crabs attached vs unattached to females, 20408
body size morphotype, spongocoel competitive interactions & reproductive behaviors at breeding sites, male Paracerceis sculpta, 28452
brain morphology, schizophrenic patients, translated article, 37724
comparative evolution of penile morphology & sexual selection & social systems, primate species, reanalysis, 32282
developmental dissociations & functional brain organization, children with vs without brain damage, 34145
developmental rate & fecundity & dispersal, sexual dimorphism, tephritid fruit flies, 8755
environment & male morphology, mating behavior, Trinidadian guppies, 28444
exposure to female vs stress, morphological changes in neurons of archi-neostriatum caudate, male isolation vs cage vs aviary reared zebra finches, 36553
eye tracking & abnormal temporal lobe structures, 1st episode schizophrenic patients, 21814
forewing fluctuating asymmetry, mating competition & success, male Japanese scorpionflies, 24616
growth hormone secretion & behavioral responses to methylphenidate hydrochloride & brain morphology & horizontal eye movements, 16–40 yr olds with 1st episode schizophrenia, 37743
heritability of body size & morphological structures involved in production & components of calling songs, crickets, 24641
kinematic & motor patterns & morphology, aquatic prey capture & feeding, 6 species of larval & adult salamanders, 16514
knowledge & meaning of derivative suffixes, 4th vs 7th graders vs high school students, 47179
lexical & notional & morphological contributions to verb number agreement processing, college students, 28835
lexicalization & level ordering, 4994
male fetus litter ratio, interlitter hormone levels & scent marking frequency & morphology during late pregnancy, gerbil dams, 32510
manually coded English sign systems' morphemic incompatibility with visual modality & learnability, reading achievement & expressive English skills, deaf 7.1–14.10 yr olds, 14441
morphological & morphometric properties of locus ceruleus, trisomy 19 mice pups, animal model of Down's syndrome, 4596
morphological development of parafoveal & midperipheral retina, postmortem fetal to adult eyes, 12991
morphological properties of septal synaptic contacts in hypothalamic aggression region, rats, 36475
morphology & immunoreactivity & distribution of filamentous structures in hippocampus & neocortex, postmortem brains of patients with Alzheimer's disease or Down's syndrome or dementia pugilistica, 38250
morphology of P lymphocytes, schizophrenic patients, 33635

postnatal morphine, sexual dimorphism of accessory olfactory bulb, male rats, 8986
preference for adult vs subadult male plumage, female orchard orioles, 36366
protein kinase C activation & induced potentiation & changes in synaptic morphology in hyperstriatum ventrale, chicks, memory & learning implications, 40433
size & morphotype, dominance hierarchies & resource competition, male freshwater prawns, 20403
Morphology—Chapters
Cortical morphological changes in dementia, 14380
Hand-mouth coordination in the newborn: Morphology, determinants, and early development of a basic act, 40878
In vivo studies of brain morphology in schizophrenia, 1753
Neuroendocrine changes in aging and Alzheimer's disease, 14417
Theory, nature, and pedagogy of higher-order orthographic development in older students, 1026
Morphology (Language)—Serials
derivational morphology in language assessment & instruction, children, research review, 31270
derivational morphology, vocabulary acquisition, profoundly deaf college students & graduates, 46128
duration of contrastive portions, grammatical morphological limitations & discrimination of speech stimuli with consonant contrasts, specific language impaired 4.5–5.6 yr olds, 14127
error correction feedback, learning of morphological generalizations in 2nd language acquisition, adults, Canada, 9037
grammatical morphology & expressive vocabulary, language impaired 4.4–6.9 yr olds learning English vs German as 1st language, 10196
human vs simulated generalization of regular & irregular morphological inflection patterns from existing to novel verbs, adults, 28841
morphologic agrammatism, male 71 yr old dextral right hemisphere stroke patient, 14271
morphological regularity of word, latency of word recognition vs selection in lexical decision vs sentence continuation reading task, adult native speakers of Swedish vs Dutch, 40105
morphological structure & lexical decision in language processing & reading ability, 4th vs 5th vs 6th graders, 5110
morphologically ambiguous vs unambiguous verbs in left vs right visual field, lexical decision & hemispheric sensitivity in syntactic processing, college students, 24657
phonological & morphological awareness & word reading, 5.9–7.8 yr olds, 40803
position of letter in prefix vs stem of function vs content word, prominence of leading functions in function morpheme sequences in letter detection task, Hebrew speaking college students, Israel, 16944
pragmatic & morphosyntactic factors, accessibility of discourse entities in short & long term memory, college students, 28316
repetition & comprehension & production of inflectional markers & impairment of morphology & lexical storage, French speaking agrammatic aphasic 28 & 33 & 50 yr olds, 14311
sensitivity to linguistic dimensions of phonology vs semantic content vs morphological complexity, reading & writing & literacy acquisition in Hebrew, nursery school students vs kindergartners, Israel, 25135
structure of syllables & polysyllables in phoneme shift task, speed of extraction & substitution of hypothetical constituents, college students, 28838
syntactically correct vs incorrect grammatical context, sensitivity to inflectional morphology as marker of noun vs verb & tense, 36–55 yr olds with Broca's aphasia, 14303
written vs oral communication, morphological errors in inflection, school age normal vs poor readers, 5131
Morphology (Language)—Chapters
Children's spelling of English inflectional morphology, 1000
Decomposed storage in the Chinese lexicon, 16326
Initial production of inflections in bilingual children, 37083
Morphological analysis in word recognition, 24433
Representation and processing of morphological information, 24423
Units of representation for derived words in the lexicon, 24426
Mortality [See Death and Dying]
Mortality Rate—Serials
accidental death & suicide rates by similar methods, US, 45646
age & unemployment, suicide rate, 15 yr old & older males, UK vs other European countries, 6020
alcohol abuse treatment & Alcoholics Anonymous membership, decline of liver cirrhosis mortality & morbidity, 1975–87, US & Canada, 31019
alcohol availability, death rates from cirrhosis vs suicide vs homicide, 37946
alcohol consumption & smoking & physical activity & social support from close relationships, mortality risk, adults, Germany, 29321
ancestral longevity, affective disorder & current physical health, male adults followed since 1940–42, 5847
assessment by inpatient geriatric consultation team, mortality rate, hospitalized 70 yr olds & older, 6 mo followup, 30960
Centers for Disease Control vs Carter Center Program health risk appraisals, prediction of 10 year mortality risk, smoking vs nonsmoking 25–60 yr olds, 13384
climatic factors, violent vs nonviolent suicide & homicide & accidental death probabilities, 1969–84, Belgium, 6007
depression subtype, mortality from suicide & other causes, patients with major depression, Denmark, 3–10 yr study, 37678
development of maternal discrimination, survival & mortality rate, neonatal lambs & their mothers, 8565
employment & marriage & supporter roles, physical health & mortality, White vs Black 55–69 yr old males, 5 yr study, 2161
energy requirements & worker mortality, model of colony growth & foraging, honey bees, 16463
epidemiology of suicide attempts & mortality, preventative measures, 10–19 yr olds, conference presentation, 5997
estimation of alcohol related mortality, 1979–85, US, 25978
evaluation of case summaries of infant death using Delphi technique & ratings of preventability of infant mortality in rural communities, social workers vs physicians vs nurses, 43119
fatality rate after reported child abuse, sexually vs physically abused vs neglected under 18 yr olds, 9962
female communal rearing & relatedness & sire presence after parturition & female dominance rank, postnatal litter mortality, rats, 44338
government policies & smoking cessation & mortality rate from smoking related diseases, Great Britain, 31021
guarding of dominant female nests by defeated female, reproductive & brood mortality rates, solitary vs socially nesting carpenter bees, 44295
husband's occupation, disease concordance & mortality rate & cause of death, 20–64 yr old spouses, UK, 22210
involuntary psychiatric hospitalization, use of community mental health services & mortality rates, rural mentally ill clients, 6 yr study, 42880
iv drug usage, population attributable risk for mortality in Rome, 15–34 yr olds, Italy, 26009
lithium maintenance, mortality rate, patients with manic depression or schizoaffective disorder, Austria & Canada & Denmark & Germany, 14717
long term mortality, females with anorexia nervosa, England & Scotland, 20 yr followup, 2067
major or dysthymic depression 2 wks poststroke, mortality, stroke patients, 10 yr followup, 18327
material specialization & activity during foraging behavior, risk of mortality, tropical swarm founding wasps, 24606
maternal age & parity & husband's education & sex of last child & child mortality, contraception use changes, adult females, Bangladesh, 13314
mortality around birthday, male vs female adults, 10247
mortality from suicide vs homicide vs motor vehicle vs other accidents or violence, English vs American vs Scottish vs Italian immigrants, Canada, 1563

mortality rate, long stay hospitalized psychiatric patients, 1972–82, Denmark, 38959
mortality rate, 85 yr olds & older with vs without dementia, Netherlands, 46 mo study, commentary, letter, 26287
mortality rate, 85 yr olds & older with vs without dementia, Netherlands, 46 mo study, commentary reply, letter, 26298
mortality rates, convicted drinking drivers, Canada, 13 yr study, 41742
mortality rates, immigrant vs resident vervet monkeys, 40294
mortality ratio & pattern, 15–91 yr old public mental health inpatients vs outpatients, Singapore, 38815
number & diagnostic category of deaths attributed to alcohol consumption, adult males vs females, 1986, Spain, 45768
overall & cause specific mortality, iv drug users in methadone treatment, 1980–88, Italy, 13967
per capita density of firearms dealers in 1990, firearm death rates, 1979–87, US, 45648
prediction of number of birth & survival rates, infants with Down's syndrome, 1992–2000, England & Wales, 22130
predictors of past hospitalization mortality, 75 yr old & older veterans with vs without geriatric consultation team, 2 yr study, 23125
pretransplant delirium & cognitive & EEG & adaptive functioning & family & social relations, survival, 16–67 yr olds with liver transplants, conference presentation, 18930
quality of spousal vs parental vs occupational role, prediction of health & morbidity & mortality, 18–65 yr old males vs females, 15 yr study, 29426
regional differences in death from accidents & suicide & homicide, US, 45343
sex & age, risk of violent death, 1950–86, Canada, 5714
sex & maternal environment as seen in laboratory born vs wild caught mothers, neonatal birth weight & mortality rate, long tailed macaques, 36626
social & economic conditions, ischemic heart disease mortality, rural vs urban 45–64 yr olds, 1983–87, Sweden, 42023
social relations & support, survival after 1st diagnosis, 35–85 yr olds with breast or lung or colorectal cancer, 6318
tardive dyskinesia & mortality rate, 49–82 yr old schizophrenic patients, Japan, 4.2 yr study, 21810

Mortality Rate—Chapters

Cancer death rate rises in Native Americans with assimilation and as more live longer, 2224
Race, mortality, and families, 45085

Mosaicism [See Chromosome Disorders]

Moslems [See Islam]

Mother Absence—Serials

perceptions of influences on parent child relationship, 26–51 yr old noncustodial mothers, Australia, 17356

Mother Absence—Chapters

Maternal absence, castration, and the end of the world: A Freudian reading of the notion of the endangered self, 17207

Mother Child Communication—Serials

attentional & vocal & affective communication, mothers & their preterm vs full term 4 mo olds, 13032
child directed talk in play sessions during preschool years, reading achievement, school age children originally assessed at 2–3 yrs old & their mothers in dyslexic families, 38035
content free voice analysis of discussion about child as measure of affect & communicative process, mothers of nonorganic failure to thrive infants, 22078
directiveness & sensitivity in communication with child at 1-word stage of development, mothers & their children observed from 11 mo to 1.7 yrs old, 5408
discussion of emotions in infant photographs, 33–56 mo olds & their mothers, implications for social emotional development, 5170
evolution of joint attention to object patterns, mothers & infants, 2 yr study, 40845
financial strain & welfare status & environmental factors, discussions with children on financial matters & personal worries, 25–58 yr old single mothers of 10–17 yr olds, 17355
fundamental frequency patterns of speech to 3–4 mo olds, 24–29 yr old mothers, Japan, 1302
immature speech patterns & maternal responses, unusual phonological behavior, female 13 mo old, 7 mo study, 28950
infant mastery motivation & social coping & maternal responsiveness & mother-infant affective matching, social & language development, deaf vs hearing 9 mo olds & their hearing mothers, 9 mo study, 34264
interactional patterns, mothers & their normal hearing vs mild to moderately hearing impaired 1.6–7.3 yr olds, 34271
joint puzzle solving task, words spoken & maternal utterances used to direct child's physical activity, mothers & their 23–27 mo olds, implications for development of thinking, translated article, 36981
maternal childrearing style & speaker's role status & cultural features of communication situation, nature & form of speech acts, female 5–6 yr olds & their mothers, France vs Canada, 37312
maternal controlling vs autonomy supportive vs neutral vocalizations, child's intrinsic motivation, 6–7 yr olds & their mothers, 37105
maternal directives, discourse, mothers & their normal hearing vs hearing impaired 1–3.5 yr olds, 34257
maternal mobilization of attention, focusing ability, mothers & their 5 mo olds, France, 3 mo study, 25147
maternal preteaching instructions & memory strategy use with rote vs sequential vs spatial information, child memory strategy use & performance, 4 yr olds & their mothers, 40815
maternal speech & involvement, child's cognitive skills, mothers & their 4 yr olds, Hawaii, 13065
mother's facial expression based message of happiness vs fear, social referencing of affective significance of novel object, male vs female infants & their mothers, 9294
narrative styles in reminiscence with sons vs daughters, mothers vs fathers of 3 yr olds, 33132
nouns & verbs in maternal speech during toy vs nontoy play, tokens & nouns in early lexicon, 1 yr olds & their mothers, 28919
pitch contours of maternal speech, comfort state vocalizations, male infants observed during 1st 26 wks of life, Japan, 9173
pragmatic characteristics of conversations in natural vs semi-structured situations, mothers & their 2.7–3.8 yr olds with developmental delays, 22074
sign language motherese, 26–33 yr old deaf mothers & their deaf 8–11 mo olds, Japan, 22441
speaking rates & RT latencies & interrupting & child speech disfluencies, male 3.3–4.7 yr old stutterers & their mothers, 18162
structure & content of speech to infants at 6 & 12 & 19 mo old, Japanese vs American mothers, 41118
use & function of mental terms, 2 yr olds & their mothers, 1 yr followup, 9145

Meaningful melodies in mothers' speech to infants, 1145
Posture and communication in mother–infant interaction, 40869
The relationship of maternal speech to children's first words, 37079
Social class, maternal speech and the child's semantic orientation, 37090

Mother Child Relations—Serials

adjustment to births, prognosis for future relationship with infants, mothers of newborn triplets, 4 mo & 1 yr follow-ups, 41134
administration of Somatic Inkblot Series-II under relaxation & subsequent psychotherapy, body image & hostility toward mother, 15 yr old female stutterer, case report, 18523

Adult Attachment Interview vs Krohn Object Representation Scale, assessment of mental representations of mother infant attachment, pregnant adolescent females, 15 mo postnatal followup, 27978
androgynous mother son relationships & bondings in African American & African West Indian novels of youth, 12936
assessment of initiatives during spoon feeding, infants & mothers, 13122
attachment & family emotional unit in mother child dyad, 41055
attachment behavior toward mother vs network member vs stranger, 12–15 mo olds, 25227
attachment strategies & emotion regulation during problem solving, mothers & their 14–18 yr olds & college students, application of control theory, 25223
attachment to fetus as origin of postnatal relationship with child, expectant mothers, research review, 45119
attributions & aggressiveness of interactions, mothers & their 7–9 yr old sons from married vs divorced families, 17354
availability of social support, behavior & attitudes, mothers, meta analysis, 41111
birth complications & temperament & mother child relations & family environment, behavior problems, low birth weight preterm infants & their mothers & teachers, 4 yr study, reprint, 2135
bonding, homeless 15–18 yr old mothers & their infants, 1 yr study, conference presentation, 5205
breast feeding & sexual attitudes & practices & perceived breast milk insufficiency, 19–41 yr old mothers, Sweden, 5398
brief therapy group, dysfunctional interactional patterns & beliefs learned from family of origin, mothers of children with parenting related emotional disturbances, 38511
caregiving behavior & burden, Cuban vs White daughters caring for mothers with Alzheimer's disease, 2975
characteristics of arguments with older sibling vs mother, 2nd born 33 mo olds, 1122
child & parent domains of maternal parenting stress & disruptive behavior, 2–10 yr olds, 32950
Child Management & Planned Activities Training, quality of interactions, developmentally disabled 3–8 yr olds & their mothers, 22623
child's premature birth & maternal responsiveness from infancy to 12 yrs old, mothers & their preterm children, 9433
colic crying & negative reactivity & mental development & maternal responsiveness & perception of temperament, infants, 10 mo study, 21144
comprehensive early intervention program, maternal interaction & child social competence, low birth weight premature 30 mo olds, 42709
context & repeated observations, mother child interaction, mothers & their 3–5 yr olds, 25246
coping styles & interaction, exiled mothers & their children, Sweden, 25372
correlates of parenting stress, depressed vs nondepressed 16–42 yr old mothers of 3–13 mo olds, 13716
cross cultural & methodological issues in & reliability of Facilitator-Regulator Questionnaire, assessment of maternal orientation, mothers of 6 mo olds, Israel, 19971
cross cultural analysis of puerperium & mother infant interactions in early postnatal period, literature review, 9445
current & past time spent in poverty & maternal parenting, mental health, 4–8 yr olds & their mothers, 40931
development & validity & reliability of Prenatal Attachment Inventory, pregnant females, commentary & reply included, 31808
development of sense of time in early socialization & parent child interaction, children of low income mothers, 9 yr study, 28944
developmental previewing process in generation of mental representations, prediction of interaction & attachment, 4 wk to 5 mo olds & their 22–38 yr old mothers, 40958
differential maternal behavior & nonshared sibling experiences, internalizing vs externalizing behavior problems, 4 vs 7 yr old siblings & their mothers, reprint, 1063
differentiation of self & attachment to mother & mental health, 25–48 yr old daughters & their mothers, nursing implications, 13315
directiveness & sensitivity in communication with child at 1-word stage of development, mothers & their children observed from 11 mo to 1.7 yrs old, 5408
disorganization & expression of regressive behavior & parent child interaction, mothers & their infants, Netherlands, 20 mo study, 5055
early day care, infant mother attachment & maternal responsiveness, 1 yr olds, 9435
emotional relationship to parents & maternal & paternal behavior when angry, self estimated aggressiveness, male vs female adolescents, Finland, implications for modeling, 17138
entry level functioning & risk of child abuse & responses to Project Good Start social service intervention, 14–40 yr old mothers & their children, 2904
evaluation of primary drug & alcohol prevention program, child & parent outcomes, 4 yr olds & kindergartners & their mothers, 3099
evaluations of adolescent vs maternal justifications for disputes, male vs female 7th vs 9th vs 11th graders vs their mothers, 45128
experiences with own mother & secure vs insecure internal working model of attachment, sensitivity in interactions with toddler, 23–43 yr old mothers & their 11–15 mo olds, 41119
factors influencing response to child's disclosure of incest, mothers or nonoffending parents, 29782
family interactions & maternal self esteem & social networks & health locus of control, perception of child adjustment, 7–18 yr olds with chronic illness & other mothers & teachers, 38127
female sibling & parents' age & education & relationship with mother vs father, psychological distress, 25–40 yr old males, 17340
frequency & causes of maternal laughter during free play & social games, mothers & their infants assessed from 1 to 12 mo old, 40934
frequency of reading, quality of mother child attachment, insecure vs secure mothers & their toddlers, 25200
full time employment, mother child relationship, mothers of 12 mo olds, Belgium, 29252
grief & rage & depression in response to daughter's upcoming marriage, female 47 yr old, application of feminist interpretation of myth of Demeter & Persephone, 9817
high psychosocial risk for psychopathology & problematic development, adolescent mother & her 4.5 yr old daughter observed since birth, early intervention implications, 1615
illness & demographic factors & child cognitive processes & coping & maternal adjustment, psychological adjustment, 7–12 yr olds with cystic fibrosis & their mothers, 18247
individual differences & maternal caregiving & attachment & interaction, mothers & infants, longitudinal study, 37092
induced depressed vs positive vs neutral mood, evaluations of child's behavior during mother child interaction, 22–42 yr old mothers & their 4–5 yr olds, 29250
infant mastery motivation & social coping & maternal responsiveness & mother-infant affective matching, social & language development, deaf vs hearing 9 mo olds & their hearing mothers, 9 mo study, 34264
interaction with mother at 6 vs 13 vs 24 mos of age, cognitive ability, 6 yr olds, 2 yr followup, 9181
interactional patterns, mothers & their normal hearing vs mild to moderately hearing impaired 1.6–7.3 yr olds, 34271
interactions during breast feeding, mothers & infants, 36970
interactions with mothers vs child care teachers, 10–56 mo olds, 1083
interrater reliability & validity of Kiddie-Infant Descriptive Instrument for Emotional States, clinical assessment of responses to maternal separation, 2–4.9 yr olds, 106
intraventricular hemorrhage & mother's attention directing behaviors, exploratory behavior, high vs low risk low birth weight preterm vs full term infants assessed at 12 vs 24 mo old, 45911

job rewards, mother child relationships & parent role quality & psychological distress, employed mothers, 29243
joint puzzle solving task, words spoken & maternal utterances used to direct child's physical activity, mothers & their 23–27 mo olds, implications for development of thinking, translated article, 36981
male female & mother daughter relationships in A. Ostriker's poetry, 795
maternal absence vs mobilization of attention during care vs dyadic play interaction, attention to object, 5 vs 8 mo olds & their mothers, 37028
maternal acceptance vs rejection at 7–12 yrs of age, self esteem, college students, Nigeria, 5608
maternal alcohol consumption during pregnancy, negative affect & relation with mother & attachment behavior, 1st born 1 yr olds, 1106
maternal behavior, infant's attention to objects during joint play, full term vs preterm 12 mo olds & their mothers, 1092
maternal childrearing practices, socialization of empathy & sympathy & personal distress & cognitive perspective taking, 15–16 yr olds followed since ages 7–8, 40902
maternal confidence in & knowledge of parenting & child development, mother child interactions, 22–44 yr old mothers & their 2–3 yr olds, 25397
maternal directiveness & sensitivity & elaboration of child's play behavior, child's participation in free play vs semi-structured activity, mothers & developmentally delayed 2.6–3.3 yr olds, 10127
maternal education & acculturation & health locus of control & parenting & socialization strategies, internalization of healthy eating habits, low income Mexican American 4–8 yr olds, 37103
maternal emotional availability, empathetic response to maternal sadness, 3 yr olds & their depressed vs nondepressed mothers, 1666
maternal emotional responsiveness, prediction of child's social emotional competence, mothers & their 2 yr olds, 44952
maternal empathy related characteristics & childrearing practices, emotional responses to & comfort of crying infant, kindergartners & 3rd graders, 37113
maternal interactive style, child play behavior, maltreated 4–5 yr olds & their mothers, 1802
maternal mental illness & social status & sex of child & birth order & caretaking situation, mother infant interaction, mothers and their 4 mo olds, 8 mo followup, 21724
maternal mobilization of attention, focusing ability, mothers & their 5 mo olds, France, 3 mo study, 25147
maternal perception & interpretation of infant emotion & psychosocial characteristics, attachment classifications, adult mothers & their 1 yr olds, 33014
maternal responses to & socialization of emotion, 9 mo olds & their mothers, 1 yr study, 37102
maternal sensitive responsivity vs rejection vs activity, secure vs insecure resistant vs avoidant attachment patterns, 1st born 1 mo olds & their mothers, 1 yr study, 32961
maternal sensitivity & infant mother attachment, mothers & their developmentally delayed 10–31 mo olds, Canada, 22081
maternal social support, prediction of adjustment, kindergartners, 47253
maternal speech & involvement, child's cognitive skills, mothers & their 4 yr olds, Hawaii, 13065
maternal stimulating care & psychomotor development, premature vs full term infants & their mothers, Nigeria, 6 mo study, 40771
maternal support & cognitive preschool competencies & prior scholastic achievement, 3rd grade spelling & reading & arithmetic performance, 5.5–7.3 yr olds, Germany, 3 yr study, 11483
maternal support & stress response, sexually abused 6–12 yr old females & their mothers, 29770
maternal vs paternal caregiving & childrearing attitudes, security of attachment in strange situation, 17.8–25.6 mo olds & their parents, 29050
mother child conflict & related attributions, 7th–12th graders & their mothers, 32953
mother child interactions, competent vs aggressive 2.8–6.1 yr olds & their mothers, implications for family behavior therapy, 13107
mother child pretend play behaviors, 18–36 mo olds & their mothers, US vs Mexico, 37117
mother infant interaction & maternal psychosocial problems & infant cognitive development & attachment security, hostility & aggression in peer interaction, 5 yr olds, 32970
mother infant preventive intervention program based on attachment theory & research, 1st time mothers at risk for parenting problems, 26643
mother vs father child boundary dissolution, identity exploration & commitment & development, female college students, 40909
mother's attitudes toward & relationship with twins, twin bonding, mothers & their monozygotic vs dizygotic twin pairs assessed from 0–3 yrs old, France, conference presentation, 37154
mother's contact with child's grandmother, child's developmental problems & mother's marital contact with partner, Black vs White 14–19 yr old mothers & 6–7.9 yr old offspring, 17185
mother's interactional style & affective disorder vs chronic medical illness, communication & coping styles, 8–16 yr olds with vs without affective disorder, 6 mo followup, 25773
mother's views of task context, difficulty & child's ability, instructional interactions in spatial relations matching task, mothers & their 37–47 mo olds, 32898
neonatally measured infant & mother & family demographic variables, quality of interaction during free play, 5 mo olds & their mothers, 29011
nonprofessional vs professional criteria, decision making regarding infant mother attachment, 25–59 yr old female social workers, 3236
occupational mobility & length of residence, perceived maternal warmth, 7–15 yr old immigrant Korean Americans, 5209
parent child interaction therapy, 2.5–7 yr olds with behavior problems & their mothers, 6 wk followup, 42314
parental inconsistency & compliance social interaction traps, children with conduct disorders & their mothers, 9963
parental marital status & conflict & family stress & perceptual relationship with mother, cognitive & social competence, 11–15 yr olds, 17191
parity & education & age, perceived problem solving competence for general vs feeding vs illness problems in infant care, mothers & their infants at 2 vs 4 mo old, commentaries & reply included, 9448
perceived maternal rejection, negative attention seeking in classroom, 3rd–5th graders, 19572
perceived parenting stress & quality of mother child relationship, mothers of asthmatic 8–13 yr olds, 26159
perceived parenting stress in mother child relationship & perceptions of self & child, mothers of 24–28 mo olds with vs without history of recurrent otitis media, 6 mo followup, 10214
perceived risk of children's unintentional injury during supervision in home, mothers of 1–3 yr olds, Sweden, 30033
perception of interpersonal control & child responsiveness in child caregiving relationship, autonomic & affective responses, mothers, 21385
perceptions of attachment & intimacy & closeness in mother daughter relationship, predominantly Black pregnant vs nonpregnant 7th–12th graders & their mothers, 5208
perceptions of influences on parent child relationship, 26–51 yr old noncustodial mothers, Australia, 17356
perceptions of own & infant's behavior during interaction, depressed low SES Black mothers, 29605
periods of mother infant conflict & infantile regressions in normal development, mothers & their 0–20 mo olds, Netherlands, implications for psychopathology, 21271
personal characteristics of child vs mother child interaction vs relationship, school aggressive behavior, 4 yr olds, 32959
phobic avoidance of own infants, mothers with mental disorders, 29574

play interactions, neglecting vs nonneglecting mothers & their toddlers & preschoolers, 37873
postural position & visually guided reaching, duration of gazing at mother during social interaction, 3–6 mo olds, 1069
proneness to distress temperament at 9 mo & maternal personality traits, attachment to mother, 13 mo olds & their mothers, reprint, 1101
psychoanalytic approach to primitive auditory fusion with mother & aesthetics in origins of musical pleasure, 33424
psychoanalytic perspective on love & rivalry in development of relationships between self & mother vs sibling, identical twin male infants & their mother, 2 yr study, 5036
psychoanalytic perspective on role of early maternal bonding in commitment to cult of Virgin Mary & preferences for religious images, nonCatholic males, commentary with empirical data, 9385
psychoanalytic perspective on transmission of transgenerational haunting & dreams of urgent & voluntary errands, transsexual clients & their mothers, 30414
receptive vs directive vs dissuasive maternal behaviors during work & play tasks, mothers with multiple sclerosis & their 8–12 yr old daughters, 26165
recollection of poor maternal care in childhood, affectional bonds in marriage, 25–34 vs 40–49 yr old married females, England, test of J. Bowlby's attachment theory, 37277
relationship of mother vs father with older sibling as infant & with both siblings, conflict & aggressive interaction, sibling pairs with 5.4–6.6 & 1.8–4.7 yr olds, 9452
relationship with mother during childhood & influence of maternal values on later comic art, humorist R. Benchley, 45240
reliability & validity of Autonomy & Relatedness Inventory, assessment of quality of primary intimate relationships, mothers of 5–6 yr olds, 4015
reported infant crying & parenting stress, mothers of infants, 21383
responses to infant activity, mothers & their 5 mo olds, US vs France vs Japan, 1297
responses to infants' object gaze episodes, hearing vs deaf mothers & their 12–13 mo olds with hearing loss, 2362
retrospective vs current maternal vs paternal attachment, male vs female college students, test of self-in-relation model of development, 29214
ritalin dose, mother child interaction, hyperactive 3.7–10.1 yr olds, erratum, 30602
role of maternal participation in development of everyday pretend play, 12 mo olds, 36 mo study, 9246
role of mother son relationship & son's bulimia nervosa, 55 yr old female with severe abnormal grief reaction & anorexia nervosa following death of son, case report, 38066
role of prenatal period & neurological development in parenting process & role, mothers & their unborn children, 25405
security of attachment & mother toddler interaction, hearing vs hearing impaired 18–25 mo olds & their hearing mothers, reprint, 2355
security of attachment to mother, attachment to blanket or other soft object, 12 mo olds, 18 mo study, 13129
security of mother child attachment, interactions with adults in preschool, male vs female 4 yr olds, England, 31361
self esteem & perceived maternal care & control, never vs currently pregnant vs mothering 14–17 yr olds, Jamaica, 17155
self esteem & relationship with mother, resiliency & cognitive competence, 11–15 yr olds in families with interparental conflict, 44975
sex biased nursing investment & lactation duration, subsequent fertility & intervals to pregnancy, Hutterite sect mothers, 32518
short term psychotherapy, mother with difficulty in separation from 3 yr old daughter, 42225
social support & maternal & child adjustment & mother child interaction, parents & their 6–11 yr olds with spina bifida without mental retardation, 18179
socialization & maternal involvement & role in discipline, rejection & neglect by peers, 4–5 yr olds, 44986
state & trait anxiety of self & mother, morbidity following acute asthmatic attack, 7–12 yr olds, 41939
suckling frequency vs intensity & maternal plasma prolactin & duration of lactational amenorrhea, breast feeding mothers & infants, conference presentation, 4679
superordinate & intermediate & subordinate levels of informative content of mother child attachment, 5215
teacher stability & maternal attachment, relationship with child care teacher, infants, 3 yr study, 1082
transactional analysis approach to social competence & anxiety withdrawal & anger aggression, affect & behavior in mother child interactions, 2.3–6.1 yr olds & their mothers, Canada, 17158
use of Nursing Child Assessment Satellite Training instruments, urban American Indian mothers & their 1 mo to 3 yr olds, 11945
validity of prenatal attachment construct in Maternal-Fetal Attachment Scale, 20–42 yr old pregnant mothers & their partners, 19970
watch & wait & wonder projective intervention during play, mother child interaction, mother & her male 5.5 mo old with perceived failure to thrive, 26681

state department of mental health policies & programs for public sector care, mentally ill mothers of preschoolers, 38820
strategies for & factors in management of combined household & paid work loads, 20–64 yr old mothers with clerical jobs, Canada, 33160
stress & health outcomes & neonatal morbidity, mothers of premature low birth weight infants, 30034
stress, mothers of developmentally delayed 2–5 vs 6–12 vs 13–18 yr olds, Canada, 41798
stress profiles, mothers vs fathers of autistic 3–14 yr olds, 26054
stressor & coping resource variables, psychological stress 1 mo after birth of 1st child, mothers, Canada, 9451
structure & content of speech to infants at 6 & 12 & 19 mo old, Japanese vs American mothers, 41118
supportive labor companion, postpartum depression, mothers examined at 3 mo postpartum, South Africa, 26930
symptoms of psychopathology, mothers with mental handicap, 18122
theoretical & clinical aspects & infant & maternal mediating factors, self esteem, mothers with preterm infants, implications for clinical special care nursery setting, 18906
treatment issues & modalities, mothers with puerperium related mental disorders, 14457
trimester of entry into prenatal care & infant birth weight, low income adolescent & adult mothers, 6996
type & prevalence of current & past psychiatric diagnoses, mothers who had maltreated their 5–12 yr olds, 9923
Type A behavior & sociodemographic characteristics, hostile childrearing practices & predisposition of children to Type A behavior, mothers of 6–9 yr olds, Finland, 9449
utility of Parent Attitude Research Instrument, assessment of childrearing attitudes & child's behavior problems, mothers & their school age children with high vs low fear of failure, India, 7966
utility of tailored self help smoking cessation guides, adult female smokers with under 6 yr olds, 6 mo followup, 19207
utilization of social support & perceptions of family stress, 21–60 yr old mothers of mentally retarded 6 mo to 20 yr olds, 2049
validity of Home Observation for Measurement of Environment scale, low vs middle to high income 12–44 yr old mothers & their low birth weight infants, 15882
values & concerns regarding children's academic achievement & maturation, Black lower class mothers with 5 yr olds in Head Start, challenge to culture of poverty deficit model, 41136
variables in mother's &/vs father's participation in research on family interaction, parents of adolescents, 25379
verbal & written detailed vs brief & flexible procedural risk & benefit disclosure, informed consent information recall & satisfaction, mothers of neonates at risk for respiratory failure, 26876
well being & future caregiving plans, 57–86 yr old mothers of retarded adults living at home, 46853
work outcomes & availability of substitute caregivers, mothers with at least 1 infant, Philippines, 29247

Mothers [See Also Adolescent Mothers, Unwed Mothers]—Books

The employed mother and the family context. Focus on women series, Vol. 14, 37296
Motherhood and representation: The mother in popular culture and melodrama, 5464
Mothers' images of motherhood: Case studies of twelve mothers, 33133
Mothers surviving child sexual abuse, 33812

Mothers [See Also Adolescent Mothers, Unwed Mothers]—Chapters

Child care concerns of employed mothers, 37338
Coping strategies among older mothers of adults with retardation: A life-span developmental perspective, 30899
Employed mothers: Diverse life-styles and labor force profiles, 37302
Employment among African-American mothers in dual-earner families: Antecedents and consequences for family life and child development, 37297
The family-environmental context of depression: A perspective on children's risk, 29652
The Great Mother, 13600
The impact of women's health and status on children's health and lives in the developing world, 1578
Influence of maternal depression on infant affect regulation, 29646
Maternal employment: Effects on children, 36993
Mentally ill mothers and their babies: What are the benefits and risks of joint hospital admission?, 42895
Motherhood and women's lives, 37372
Mothers with disabilities, 38153
Postpartum disorders, 45424
The Rural Alabama Pregnancy and Infant Health project: A rural clinic reaches out, 27064

Motion Perception [See Also Apparent Movement, Autokinetic Illusion]—Serials

added stimulation in peripheral visual field, perceived self motion in flight simulator, college students, 287
age & stimulus duration, motion threshold & Filehne illusion during pursuit eye movement, adults, 16205
age, visual motion detection, infant macaques, 4435
aging & sex, neurophysiological factors in visual motion sensitivity & field independence & Witkin's Embedded Figures Test performance, 17–23 vs 62–91 yr olds, 17026
aperture configuration & duration & color, perception of sliding & coherence in moving plaid pattern, adults, 24307
apparent depth & central vs peripheral displays & motion, linear vection strength & direction of self motion, 19–45 yr olds, 12177
availability of depth information through differences in bar width & luminance of gratings in plaid pattern, perception of vertical motion, adults, 32064
balance & head movement & gaze stability & spatial orientation & upright locomotion, oscillopsia, patients with bilateral labyrinthine function loss, 30266
binocular disparity & transparency, perceived depth in surface segmentation & motion signal grouping, Os, 32101
binocular rivalry & target suppression, storage of motion aftereffect, adults, 260
briefly presented flashing lines to left vs right visual field, illusions of movement perception, right handed adults, test of correlation type direction detection model, 244
CH cell large field inhibition of figure detection cell small field selectivity to motion of small objects, female blowflies, 32457
color & luminance contrast, preattentive detection & pop out of line orientation vs motion, adults, 24309
color change & luminance contrast, motion perception, female college students, 43969

complete & incomplete occlusion of precollision velocity & angle information, visual perception of relative mass, adults, Sweden, commentary & replication, 43997
consistent vs contradictory motion parallax & relative size cues, apparent depth in Benussi effect, college students, 43958
contrast & spatial & temporal frequency & angular velocity of sinusoidal drifting gratings, perception of curvilinear vection, 22–28 yr olds, 43999
contrast & temporal presentation & relative orientation, perceived speed & direction of moving gratings, 16–40 yr olds, 255
contrast discrimination & eccentricity, oscillatory motion detection threshold across visual field, adults, 16206
contrast, perceptual coherence & transparency of 2-component plaid Fourier &/vs non-Fourier drifting gratings, 26–41 yr olds, 16201
cortical blindess, visual motion perception, male 40 yr old with damage to visual cortex, 10390
dark vs equiluminant background illumination & luminance mean & contrast & cues, directional sensitivity to color & orientation carried motion, adults, 28189
development of microcomputer running wheel movement method, detection of partial revolutions & direction of movement, mice, 8493
development of visual perception of motion & stability, infants, 37042
direction of saccade, thresholds for horizontal vs vertical intrasaccadic movement of entire visual background & saccadic suppression, 20–45 yr olds, 28194
direction vs velocity of past stimulation vs contradictory pattern & depth information, directional bias in perception of translating patterns, adults, 32063
discrimination of fully vs partially viewed 3-dimensional shape specified by motion carried information, 4 mo olds, replication, 5077
discrimination of point light animation sequence depicting biological motion, cats, 28389
disparities in depth cues of stationary stimulus spatially interposed between 2 apparent motion stimuli, perception of apparent motion path, college students, 8211
dissociation of discrimination thresholds for time to contact & rate of angular expansion of moving stimuli, male 23 & 31 yr olds, 36092
distraction from computer tracking game, defensive head movements in response to looming visual stimuli, college students, 8204
domains of orientation & motion & depth perceptual systems, 32061
eccentricity & dot number & span, simple vs complex pooling of unidirectional 3-dimensional motion & speed discrimination for looming stimuli, adults, 16194
eccentricity, position & movement acuities in spatial scaling, adults, 8232
eccentricity, speed & direction selectivity of middle temporal neurons, macaques, 28585
echolocation vs visual vs sound vs movement cues in sensory basis of prey detection, prey availability & selection, long eared bats, 4496
edge orientation & movement direction, apparent misalignment perception, college students, 43966
experimental corroboration of Mapping Homogeneity principle & changes of frontoparallel metric of perceived spatial relations during visual motion, Os, 20209
exposure duration & stimulus area & vector density of dynamic random dot stimuli, discrimination of perceived global direction, Os, application of ideal observer model, 24330
eye vs head movement & perceived distance, perceived direction of target motion, Os, test of spatial motion model, 24325
field of view size, control of roll motion during visual tracking task, adult males, 39995
Fourier vs non-Fourier motion, psychophysical analysis of visual EPs, 30–41 yr olds, 630
general properties & perception of motion & depth in moire patterns, 44001
global & local motion processing in middle temporal visual area, owl monkeys, 548
global motion signal segmentation & reorganization in visual cortex, application of motion boundary contour system neural network model, 39643
habituation to compound stimulus with visually moving & sound change parameters, discrimination of bimodal & unimodal changes, 4–10 mo olds, 17042
haptic tau analysis of temporal force pattern & constant angular velocity in rotation of object on supporting edge until unstable equilibrium is reached, 16121
heterogeneity of speed vs direction of stimulus, motion coding by visual system in visual search, adults, England, 238
hierarchical model of visual motion analysis at cortical & retinal levels, 8651
horizontal head & trunk rotation in dark environment, self motion perception, 18–30 yr olds with vestibular function loss, conference presentation, 30259
hypotheses for explanation of stereokinetic cone illusion, 44004
individual differences in blood flow changes & MRI & tomographic position specification of visual motion area in cerebral cortex, 21–70 yr olds, England, 36579
inhomogeneity & anisotropies for motion detection in monocular visual field, adults, 44008
intuitive knowledge about projectile motion expressed in explicit judgments vs perceptual motor performance of speed gradations, 5–6 vs 10 yr olds vs adults, Germany, 44882
lateralized visual stimuli, sensitivity to centripetal vs centrifugal motion direction, adults, translated article, 32088
length of presentation interval causing temporal asynchronies, discrimination of coherent motion of vertically oriented bars defined by difference of spatial Gaussian functions, adults, 16185
lesion of ectopic vs regular nucleus isthmo-opticus in centrifugal visual system, visual discrimination & acuity & object motion detection, pigeons, 12509
line contrast & length & duration of motion, motion sensitive units involved in direction discrimination for lines, adults, 40389
mathematical analysis of amoeboid & stereokinetic percepts induced by rotating ellipse, 44006
mathematical model of visual motion analysis based on decomposition of image transformations into 2-dimensional affine Lie subgroups, 20210
model of musical dynamics based on internal sense of motion, 8259
model of perceptual motion transparency & coherence for processing stages of image velocity, adults, 16173
modulation frequency & speed, modulation thresholds & optic acceleration, adults, 16204
monocular vs binocular vision & advance vs retreat to maintain ball's constant vertical optical velocity & estimated trajectory ball catching, adult softball players & college students, 16248
motion category & viewing angle, feature positive effect in discrimination learning & generalization, pigeons, 28392
motion cues vs geometrical orientation, visual pattern orientation discrimination, honeybees, implications for cortical processing, 32281
motion direction discrimination within blind field, patients with striate cortex lesions, 34215
movement of stimulus object vs background, responses of ventral part of medial superior temporal area of visual cortex, macaques, 28598
movement vs color discrimination interference, object vs spatial memory performance, 18–21 yr olds, implications for functional dissociation in visual memory, 36250
moving disks vs computer generated vs video images, selective response of descending contralateral movement detector neuron, locusts, 20576
moving icon signal on computer screen, typing task interruption & RT to signal, adults, 23834
moving stimuli applied to nonoverlapping skin sites within receptive field, processing of directional information by direction invariant & variant primary somatosensory neurons, monkeys, 40360

moving visual stimuli with vs without directionally synchronized sound, visual preferences & intersensory discrimination, 4 vs 8 mo olds, 9166
natural upright vs unfamiliar inverted stimulus orientation, recognition of biological motion of animal pattern, adults vs 3–4 & 6–7 yr olds, 39998
neural motion input organization of inhibitory ventral CH cells in visual field, female blowflies, 32387
neural network model of visual processing of optic flow from ego motion, humans & higher mammals, 39646
nonoriented luminance vs oriented chromatic stimulus, movement aftereffects, adults, 16203
number of distractors, RT for detection of fast target among slow distractors vs slow target among fast distractors, college students, 12157
object & background size & vergence & velocity & simulated ego motion perpendicular to object trajectory, judgment of object velocity, adults, 36069
occlusion related movements of background pattern cue behind object, detection by single cells in ventral part of medial superior temporal area, monkeys, 36561
opposite adaptation of ears during simulated movement, changing loudness & movement aftereffect, adults, implications for channel hypotheses of sound level change & movement, 4282
optic flow motion patterns, heading perception robustness, 28–59 yr olds, 4269
perceived head motion & absolute distance, perception of sagittal motion, college students, 241
perceived relative motion, form perception, 4–7 mo olds, implications for spatiotemporal integration of motion displays, 32899
perceived speed vs failure of recombination of 1-dimensional signal into 2-dimensional plaid pattern motion signal, adults, 16178
perception of depth & structure from motion vs surface transparency, Os, 8203
perception of discontinuous vs continuous movement over mandibular skin, adults, 223
perception of illusion of 3-dimensional rotation from vertical sine wave line translation, college students, 32084
perception of motion of luminance & color gratings in attentive tracking tasks, adults, 12146
perception of orientation & self motion under conditions of sensory conflict, prediction & prevention of motion sickness & receiver responses to nauseogenic & unusual environments, literature review, 22262
perception of rigidity of rotation of 3-dimensional structure, naive & experienced Os, 43971
perceptual grouping & preattentive search & depth & motion perception & extraction of shape from shading information, adults, 243
perceptual motion coherence & middle temporal visual area neural sensitivity, rhesus monkeys, 12618
phase reversing sinusoidal gratings to cancel perceived motion, measurement of remote vs local motion aftereffects, adults, 28208
pictorial action line depiction, movement event generation identification, college students, 28202
prior auditory motion exposure, auditory motion perception thresholds, 22–44 yr olds, 4279
profile vs motion of points of correspondence, perception of 3-dimensional shape, college students, 4263
psychophysics of perception of direction of moving Fourier vs drift balanced vs theta stimuli, adults, 36101
quantitative models of baseball's rising fastball & breaking curveball as perceptual illusions due to batter's misestimation of speed of pitch, adults & male 9–13 yr olds, 20200
random dot kinematogramic visual stimuli, slow cortical EPs, adults, 36609
range effects & fixation of induced stimulus, frame & spot induced motion, commentary, 36093
range of directions & spatial area & duration of random dot cinematograms, temporal & spatial integration & thresholds for global motion direction discrimination, adults, 16202
relative vs absolute motion, visual displacement thresholds, adults, 24324
representation of physical objects & reasoning about object motion, 2–4 mo olds, 5134
retina area stimulation & optic flow, judgment of heading, Os, 36074
retinal velocity in optic flow & depth perception through motion, 36095
RT & eye fixation & mental animation in inference of kinematics of mechanical systems from static displays, college students, 4312
sensitivity to motion parallax, 3.5 mo olds, 985
simple energy & texture bound motion pathways in psychophysical model for 2 dimensional motion perception & direction discrimination, 4633
simultaneous vs alternate plaid patterns & constant plaid speed with varying directional separation, motion aftereffect, college students, 32066
smooth pursuit initiation & latency & postsaccadic & peak pursuit velocities in visual motion processing, 29–35 vs 60–76 yr olds, 28197
spatial frequency of 2 dimensional pattern motion, coherence capture & perceived direction of gratings, adults, 4273
spatial gating, movement perception of gratings in apertures, adults, UK, 20227
spatial locative words in locative action expressions, 1.5–3 yr olds, 9194
spatial scale of visual stimuli, perceived geometric angle & speed of rotation, adults, 32104
spatial separation & presentation rate & duration & fixed trajectory vs random motion of points, visible persistence & estimation of number of points in display, adults, 32103
spatiotemporal frequency, spatial undersampling in contrast thresholds for detection & direction discrimination of moving sine wave gratings, adults with strabismic or anisometropic amblyopia, 38335
stages of & retinal image segmentation cues in motion processing challenging theoretical notions of modularity in visual system, primates, 36312
steady fixation vs free looking, apparent contraction of spatial separation between moving visual objects along direction of motion, Os, 20207
stimulus color & luminance & motion & looming, visual processing responses of cells in subdivisions of nucleus rotundus, pigeons, 28562
stimulus eccentricity in visual field, spatiotemporal characteristics of motion perception, adults, 39985
stimulus expansion vs contraction & location change, perception of affordances vs directional coding in stimulus response compatability, adults, 20228
stimulus size, perception of magnitude & near-far order of depth in motion parallax vs stereokinetic effect illusion, stationary vs moving college & graduate students, 20203
structure of spatial judgment skill related to tennis ball trajectories, 16–23 yr old soccer or tennis players, 44052
target angular velocity & spatial frequency & duration, contrast sensitivity functions in horizontal visual pursuit, college students, 32089
target eccentricity, slow control velocity & stability & direction of eye movements, Os, application of velocity vs position corrective models, 32076
temporal cues in dichotic stimulation, auditory neuron sensitivity to direction of apparent acoustic motion, barn owls, 28561
theoretical context of Space Contraction in Motion effect in visual kinematics, 20208
unbiased perception of projection equivalence as basis of kinetic depth effect, adults, test of projection hypothesis, 12167
velocity & contrast & size in approaching vs receding image cues, visual detection & descending contralateral motion detector neuron response, locusts, 20585
velocity & motion trajectory, estimation of vehicular motion, male vs female 20–45 vs 65–83 yr olds, 17063
velocity of random dots, thresholds for shearing motion, 13 vs 20 wk olds, 9128
viewing of stationary spirals after rotating sectored disks, misperceptions of directions of illusory rotation & radical motion in aftereffect, adults, 8189

visual EPs indicating involvement of primary visual cortex in contour processing from motion in image segmentation, monkeys & human adults, 40384
visual motion stimuli, ventral intraparietal area neuronal selectivity to direction & speed & distance, monkeys, 36497
visual perception & extrapolation of linear trajectories of moving stimuli, adults, 16189
visual roll stimulus, postural adjustment vs self motion perception latencies, 18–45 yr old Air Force personnel, 28627
visual stimulation vs microstimulation vs lesions of extrastriate visual cortex area MT, visual motion perception, monkeys, 28532
1-dimensional pattern grating intersection of constraints, perception of 2-dimensional motion direction, college students, 32067
2nd order motion perception, adults, 43984
2nd order visual motion, horizontal eye movement & optokinetic nystagmus, adults, 12647
Motion Perception [See Also Apparent Movement, Autokinetic Illusion]—Books
Sensing and controlling motion: Vestibular and sensorimotor function. Annals of the New York Academy of Sciences, Vol. 656, 16664
Motion Perception [See Also Apparent Movement, Autokinetic Illusion]—Chapters
Cognitive aspects of movement estimation: A test of imagery in animals, 426
Dynamic representations guiding adaptive behavior, 16142
Infants' perception of biomechanical motions: Intrinsic image and knowledge-based constraints, 17086
Infants' sensitivity to motion-carried information for depth and object properties, 17078
Kinematic foundations of infant visual perception, 17108
Multisensory integration in microgravity, 16161
Perception of motion and position relative to the earth, 16146
Surface layout from retinal flow, 44020
Motion Pictures [See Also Motion Pictures (Educational), Motion Pictures (Entertainment)]—Serials
behavioral observation of family home movies, identification of symptomatology in infancy, autistic over 2 yr olds, 26041
film segments, induction & assessment of emotional & feeling states in laboratory, college students, Belgium, 28336
identification of early symptoms of autism based on family home movies, psychiatrists rating 0–2 yr olds, France, 38007
K. Lewin's films as methodological tool for analyzing key social psychology concepts, 13411
propaganda of film "Roger & Me", attitudes toward General Motors & US vs Japanese business & corporate leadership, adults, US & Japan, 5020
study of documentary film for understanding mechanisms of persuasion & credibility & communication, 25078
TV movie about & subsequent attitudes toward acquaintance rape, 18–34 vs 35–49 vs 50 yr olds & older, 12976
Motion Pictures [See Also Motion Pictures (Educational), Motion Pictures (Entertainment)]—Books
Screen memories: Hollywood cinema on the psychoanalytic couch, 36923
Motion Pictures [See Also Motion Pictures (Educational), Motion Pictures (Entertainment)]—Chapters
Duration experience under conditions of suspense in films, 16141
Motion Pictures (Educational)—Serials
film vs live performance communicative resistance skills training with vs without discussion, drug use & resistance, high school students, 43205
images of interethnic relations & culturalization of ethnic patient in educational films, health care personnel, Netherlands, 27239
Motion Pictures (Entertainment)—Serials
American group fantasy & images of transformation in popular films, 1989–91, 844
application of silent film montage technique to infant adult interactive dyadic processes during communication development in instructional contexts, 44900
archetype of shadow & Jungian perspective on cinematic portrayal of evolution of serial killer, 40714
attitudes toward sexuality & punishment, enjoyment of graphic horror film, high school students, 29041
cannibalism & transformation in "The Silence of the Lambs" & psyche & development of serial killers, 843
eclectic techniques & family systems therapy exemplified in movie "Mary Poppins", 38507
enjoyment of sad films & development & validity & reliability of Sad Film Scale, male vs female college students, 27981
existential view of spirituality in A. Hitchcock's film "Vertigo", 36921
fantasy & defense in memory of film "Three Came Home" viewed at age 5, psychoanalyst, 25041
fantasy & emotion in "Robin Hood: Prince of Thieves" & psychohistorical insight into 1980s & post-Persian Gulf War society, 848
feature films discussion in law & psychology course, active learning & critical thinking, college students, 15362
fictional vs historical context of film drama, retention, college students, 36914
film induced amusement, saliva cortisol, healthy male 19–31 yr olds, Germany, 44541
fragmentation in old age as seen in I. Bergman's films "Wild Strawberries" & "Fanny and Alexander", 16891
frame analysis of fundamentalist protest of classroom showing of "The Last Temptation of Christ", college English professor & Southern Baptist community, 29167
Freudian theory & writings in applied psychoanalysis of movies, 40715
group fantasy & identification with & receptivity to imagery in D. Lynch's cult films, 847
group fantasy elements about Persian Gulf War & themes of violence in "Home Alone" & "The Silence of the Lambs", 842
interpersonal behavior at ages 5–10 yrs as depicted in home movies, schizophrenic adults, 41588
interpretation of & reaction to cultural myths depicted in Western films, American Indian vs Anglo male 36–64 yr olds, 21130
Jungian perspective on mid life growth in film "The Fisher King", 12932
legitimization of Black male culture & ideology in S. Lee's films, 16893
male fantasies & sexual & social & political discourses in German films of Weiman Republic, 32803
neuroticism vs extraversion vs psychoticism, movie preference, college students, US vs Germany, 25586
political symbolism in motion pictures "Terminator 2" & "Hook", 13341
psychoanalysis of C. Starling in film "The Silence of the Lambs", 12930
psychoanalytic interpretation of aggression & autonomy & empowerment & patriarchal law in movies, females, 1990s, 40713
psychoanalytic perspective on characterization of unconscious in film "Birdy", 44761
psychohistorical film theory, 841
religious experience of modern American spiritual science fiction films, 845
special tricks vs real life reality explanations given prior to viewing, emotional or cognitive reaction to frightening movie scene, 5–7 vs 7.2–10 yr olds, 990
TV & movie violence, aggressive behavior, children & adults, 36955
TV coviewing with older sibling, reactions to & recognition of normal vs dream sequence version of suspenseful movie scene, preschool age children & their older siblings, 33013
use of film "House of Games" for countertransference training, psychotherapists, 22529
view of psychotherapy in S. Soderbergh's film "sex, lies & videotape", 28804
viewing of aggressive movie with vs without prior aggravation, expectancy value cognitions & aggressive behavior, male 20–25 yr olds, Germany, application of motivation theory, 33220

Motion Pictures (Entertainment)—Books
Enjoy your symptom! Jacques Lacan in Hollywood and out, 12941
Illuminating shadows: The mythic power of film, 4988
Motion Pictures (Entertainment)—Chapters
The fool and his sceptre, 32750
Spontaneous psi in mass mythology, media and western culture, 12977
Motion Sickness—Serials
anxiety & other preflight health indicators, prediction of airsickness, student pilots, 6432
biofeedback relaxation & desensitization therapy in airsickness rehabilitation program, Canadian Forces student pilots, 1981–91, Canada, 14774
correlates of military tank simulator sickness & RT performance, male 18–21 yr old armored corps soldiers, Israel, 42124
dark focus of accommodation, simulator sickness, male college students & Navy pilots, 42121
individual differences in motion sickness susceptibility during head movements in parabolic flight & peripheral vestibular mechanisms & velocity storage & dumping, 18–35 yr olds, 10226
perception of orientation & self motion under conditions of sensory conflict, prediction & prevention of motion sickness & receiver responses to nauseogenic & unusual environments, literature review, 22262
problems associated with polygenic & polysymptomatic nature of flight simulator sickness, cockpit crew trainees, 6233
Motion Sickness—Chapters
What is motion sickness?, 16160
Motivation [See Also Achievement Motivation, Affiliation Motivation, Animal Motivation, Educational Incentives, Employee Motivation, Extrinsic Motivation, Fear of Success, Hunger, Incentives, Intrinsic Motivation, Monetary Incentives, Procrastination, Sex Drive, Thirst]—Serials
acquisition of wisdom & motivation in engineering design, college students, 3454
aesthetic vs competitive vs vertigo vs cathartic motivations & values & culture, 15–37 yr old male surfers & surf shop personnel, 7711
age & locus of control & impulsiveness vs reflectiveness & absence from home & incidence, motives for running away from home, distressed female 13–21 yr olds, Israel, treatment implications, 1852
age & psychosocial factors, interpersonal communication motives, 49–89 yr olds, 5156
agentic vs communal motives & satisfaction with past generative accomplishments & prenatal status, forms of generativity of social concerns, male vs female young adults, 40937
anticipated performance evaluation, self presentational motivation & performance effort in problem solving task, college students, 44177
application of health belief model & other motivational theories to initiation & maintenance of cardiovascular risk reduction, 34782
approaches to elicit & maintain parents' motivation for & commitment to family therapy, therapists working with abusive parents in child at risk cases, 10560
assessment of affective processes & attributional style & expectations, prediction of smoking motivation & role of stress, 17–52 yr old smokers vs nonsmokers, 5490
attention & motivation, relationship between intelligence & RT & speed & accuracy tradeoff in Hick paradigm, 11–15 yr olds, 21187
blank page & Lacanian object "a" silence in psychoanalytic interpretation of women's words & desire in literature & psychoanalysis, 36920
body composition assessment in physical education classes, self consciousness & motivation to exercise, college students, 11522
camera angle & motivation to process advertisement information & heuristics, product evaluation, marketing students, 15751
career planning vs job involvement vs assignment vs situation vs education, training motivation & effectiveness, college students, 15597
cerebellectomy, learning & memory capacity & open field & motivation related behavior, male rats, 28495
cigarette smoking motives & anxiety & alertness 1 mo vs 1 day before examinations, college students, 13399
classical vs contemporary drive vs object relations vs revised psychoanalytic theories of aggression, 41381
cognition & metacognition & motivation & affect, school achievement, normal vs learning disabled vs developmentally handicapped 5th graders, 15521
cognitive & metacognitive strategies & experiences & motivation & spontaneous self regulation in concept identification task, average vs gifted female 8th graders, 47307
cognitive motivations for alcohol use & sensation seeking, prediction of drinking problems, adolescents, 12 yr study, 37960
computer vs person mediated feedback, performance & motivation & feedback seeking & enjoyment & self esteem & public or private self consciousness, college students, 20343
concurrent validity of Adult Playfulness Scale, correlation with personality & motivation & attitudes, highly intelligent adults, 43722
construal of antecedent conditions in Hempelian motivational explanations, 44763
construct & predictive validity of Perceived Motivational Climate in Sport Questionnaire, assessment of team satisfaction & performance worry & climate, young athletes, 39756
construction of abbreviated version of Portland Digit Recognition Test, assessment of motivation to exaggerate memory disorders, adults, 39846
construction of Decisional Balance scale, measurement of pros & cons of exercise adoption, employees, implications for worksite health promotion, 4140
consumer approach to & motivations in S recruitment, elderly, 16101
cooperative vs individualistic motivational orientation & simultaneous vs sequential issue consideration, negotiation process & outcome quality, groups, 37451
coping strategies & effort & perceived stress, cigarette smoking, 7th graders, 40953
Darwinian framework for psychic conflict & external world in Freud's theory of instinctual drives, 33419
demographic & lifestyle & motivational factors, frequency of purchasing apparel from catalogs, consumers, 3775
determinants of delayed pregnancy testing, 14–19 yr old pregnant females, 14882
development & reliability & validity & factor structure of Attitude Towards Volunteer Motivation scale, AIDS volunteers, 15933
developmental & motivational & contextual variables in problem solving & planning processes, 44834
diagnosticity & confirmation value of questions on possession of personality traits, self assessment vs enhancement vs verification motivational determinants of self evaluation, college students, 45266
directive confrontational vs client centered counseling style, motivation to change behavior, problem drinkers, 39022
E evaluation, motivational potency & limit of self evaluation effect, college students, 37537
economic analysis & consumer expenditure patterns, application of Maslow's theory of motivation based on needs hierarchy, 27768
ego vs task involved motivational orientation & error detection & illusion of knowing, college students, 12231
emotion related skin conductance & evaluation of motivationally similar target on ambiguous vs unambiguous traits, male college students, 33259
employment role & personal vs financial motive for employment, perception of communal traits & approval of mothers, college students, 21401
evaluation of motivation & leadership & organizational behavior theories, management scholars & practitioners, 19727

event repeatability & initial perception of win or loss outcome, motive type & strength influence on counterfactual generation, college students playing computer simulated blackjack, 24409
expected utility model of motivations for participation in collective rebellious behavior, 13483
facet theory approach to motivation for orthodontic treatment, patients with malocclusion, 38712
factor structure & reliability of Parent-initiated Motivational Climate Questionnaire, assessment of perceived parents' reaction to new skill learning, male vs female school age children & adolescents, 27926
factor structure of cognitive motivations for drinking & expectancies regarding effects of alcohol, alcoholic male 23–72 yr olds, 13958
filial attachment & obligation, motivation for caregiving behavior & subjective burden, 33–70 yr old daughters caring for 63–99 yr old mothers, 42821
flavor vs ethanol seeking in response to alcohol deprivation, male mice, 40666
general sexual vs aggressive motives for sexual aggression, male college students, 9489
goal setting & feedback, expectancy & valence judgments & motivational force & performance, college students, 37471
hate crime laws & punishment of hate motivated behavior, 3894
helping behavior patterns & motivations, 9–12 yr olds, 25221
hypochondriasis & somatization & health & nonhealth goals, female college students, 25526
ibotenic acid lesions of parabrachial nucleus, morphine induced conditioned taste aversion, male rats, implications for neural pathway processes in aversive motivation, 24646
individual differences in hypnotizability & motivation to quit, hypnotic vs nonhypnotic smoking cessation outcomes, adult smokers, 12–24 wk study, 11137
inducements & information flow & resources, enrollment in mathematics courses & subsequent learning, high school students, 31313
information processing & expectancy & valence, performance goal commitment & decision making, college students, 331
instructional games vs established teaching methods, motivation & performance, reentry vs other college students, 15386
intellectual ability & quality of instruction & motivation & coursework & homework, academic achievement, high school students, 19527
intention & importance ratings of goals & other motivational variables, college students, test of A. Maslow's deprivation/domination proposition, 41341
interactive video vs print based instructional media, instructional motivation, male vs female 16–62 yr olds in job training program, 39428
IQ & expertise & motivation, sort vs class recall, 1st & 3rd & 5th graders, 13035
J. Nicholl's perceived ability vs V. Crandall's motivational models, prediction of sport attrition, 9–17 yr old amateur male wrestlers, 5164
Jasper Woodbury problem solving series, attitudes & motivation & learning to think & reason about complex problems, elementary school students, application of constructivist theories, 19467
learning motivation, negotiation of retirement transition, 55 yr olds & older, 45022
low motivation, productivity loss, performance groups, application of expectancy theory to framework for solutions, 17468
low nicotine aerosol smoke solution vs lit vs unlit cigarette, desire for cigarette & sensory & airway intensity ratings & physiological measures, 28–64 yr old smokers, implications for cessation, 46909
magnetic field treatment, drive behavior & similarity to effect of REM sleep deprivation, 27 yr old female with multiple sclerosis & 62 yr old male with Parkinson's disease, Greece, 14854
males' actual vs females' prediction of reasons for becoming fathers, adult males & females, 25404
mediator role & party motivation, grievance mediation vs arbitration, union & management members & mediator, 3919
military service before vs after Operation Desert Storm, enlistment motivations, Army Reserve enlistees, 47471
minority status & group attachment & communication competence & sex roles & motives, contributions, 18–52 yr old multicultural task group members, 29342
monetary incentive type & goal level, goal commitment & performance, college students, 16378
motivation & intentionality, number of TV channels watched & aided vs unaided recall, adults, 32799
motivation & self efficacy & sport performance, adolescent & adult swimmers & ice hockey & basketball players, 7713
motivation & typology of snitching, police officers, 7890
motivation & utilization of available services & specialized facilities for management of physically disabled children, mothers, India, 22978
motivation behind & meaning of self gift purchases, female 18–55 yr olds, implications for retail management, 15742
motivation by financial incentives, accuracy & assimilation effects in employee performance ratings, college students, 43420
motivation by personal psychological & positive social expectancies & family drinking history, prediction of drinking problems, college students, 13925
motivation, elite vs intermediate vs recreational male tennis athletes, 15703
motivation for & characteristics of fear of flying, agoraphobic vs simple phobic adults, 21876
motivation for & social support in caregiving & involvement after parents' death, sibling caretakers of seriously mentally ill, 42822
motivation for cognitive closure, augmented vs reduced overattributional bias, college students, 45220
motivation for participation in triathlon, physically disabled 14–56 yr olds, 38094
motivation for taking televised class, graduate students, 27412
motivation to comply with therapeutic regimens, elderly patients, 22937
motivation training program, financial independence self efficacy, 17–59 yr old recipients of Aid to Families with Dependent Children in vocational training, 7269
motivational congruency & accountability & coping potentials & future expectancy & relational theme, anger & guilt & fear & sadness, college students, 40212
motivational model of leisure participation, 65–93 yr olds, Canada, 45031
motivational personality characteristics associated with psychological reactance, college students, counseling implications, 33320
motivational value of reinforcer, sensitivity to nonverbal operant contingencies, male college students, 40192
motivationally significant cues, ability to shift attention from dominant to nondominant task features or alter dominant response set, college students, 40207
motivations & planning decisions & situational context of & other factors in perpetration of robbery & aggravated assault, female offenders incarcerated for violent street crime, 37997
motivations for & reactions to augmentation mammoplasty, females, 1 yr study, 18897
motivations for conduct disorder & delinquency, 45631
motivations for presentation of fictitious PTSD, Vietnam veterans, 33678
motivations for sexual intercourse, male vs female college students, 19552
motivations to learn in distance education situation, elderly open university students, Great Britain, 39311
motivations to participate & perceived experiences in physical diagnosis course, medical & surgical ward patients vs their assigned medical students vs faculty, 23371
motivations to participate & perceived experiences in physical diagnosis course, medical & surgical ward patients vs their assigned medical students vs faculty, commentary, 23347

motivations underlying creativity, creative females, 25 yr followup, 5596
motives for interpersonal communication, 12–91 yr olds, US vs Mexico, 5211
multivariate methods in objective experimental analysis of motivation & relevance for psychotherapy, commentary, 20340
multivariate methods in objective experimental analysis of motivation, implications for psychotherapy, commentary, 20342
multivariate methods in objective experimental analysis of motivation, 20339
multivariate model of motivation for receiving orthodontic treatment, adults, 46626
music, exercise repetitions & motivation, female 65–99 yr olds with upper extremity osteoarthritis, implications for occupational therapy, 34005
neuroleptics or lesions of brain stem tegmental pedunculopontine nucleus, reward or motivational effects of morphine & other opiates, drug naive vs dependent rats, 4566
norms on Children's Motivation Analysis Test, male vs female 10–13 yr olds, Zimbabwe, 35819
offender's dress & intention & motive & offender's & victim's sex, severity of punishment for murder, college students, 39063
options in art occupation project, motivation to paint, 24–76 yr olds with mental disability, 35053
parallels between drive cathexis & object relations in psychosexual development, 9256
perceived effort & ability of self & others & importance of individual contributions & group success, free riding & social loafing on group task, college students, 37419
perceived patient motivation, involvement in & selection of return visit vs self care followup, physicians, 46607
perceived responsibility & judgments of sin & sickness in general theory of social motivation, 45221
personal characteristics & external circumstances & motivations, married vs unmarried female 17 yr olds & younger vs 18 yr olds & older seeking abortion, implications for abortion laws, 10846
personality traits & motivations, political activity, intellectual academics, USSR, test of compensation vs general factor vs emancipation hypothesis, translated article, 33141
personality traits & smoking motivation, 18–59 yr old smokers, 37526
PHASER software package, construction & graphical representation of motivational oscillatory theory, conference presentation, 8379
positive moods & cognitive capacity deficits &/vs motivational concerns, processing of persuasive messages, college students, 399
positive vs negative mood, motivation to continue task, college students, 24493
preferences & motives for drug usage vs recreation as pleasure & leisure time activities, 14–19 yr olds, 25202
process of motivation regulation for performance of necessary but uninteresting activities, college students, 1474
processing goals & advertisement fit with evoked product category in memory, processing intensity for TV advertisements, college students, 47495
program contract status & motivation, length of service, ombudservice volunteers for elderly in nursing homes, 23110
progression vs final test practice & skill refinement & motivation, volleyball skill learning, 9th graders, 11422
psychoanalytic theory on sexuality as instinct vs sensuality as motivation, 1502
psychological & other factors in decision to participate in survey, adults, 28152
reasons for jogging vs not jogging, college students, 11728
reasons for serum screening for Down's syndrome & benefits, pregnant under 36 yr olds vs 36 yr olds & older, Netherlands, 38825
recency of smoking, reasons for smoking vs not smoking, 13 yr olds, New Zealand, 44983
reliability & validity of School Refusal Assessment Scale, assessment of motivation for school refusal, elementary school students, 39775
religious belief & motivation, self reported religious behavior, students at Protestant Christian colleges, 5331
reproduction motives & marriage & parenthood values, urban & rural spouses, Malawi, 5406
research on volunteerism, implications for functionally oriented approach to personality & motivation & social behavior, 41229
retrieval difficulty & novelty vs motivation in deception, electrodermal differentiation, 18–24 yr olds, Canada, 16639
role of emotions & motivation & cognitions in adaptable school learning, 15431
school achievement & leisure activities & motivation to learn, 9th–12th graders, 7451
security clearance adjudication concerns & later motivational causes for espionage, citizen spies, US, 10116
self disclosure, socially anxious vs nonanxious female college students, application of motivational theory, 37517
self efficacy & esteem & anxiety & outcome expectations, motivation for & attrition from counseling, college students, test of social cognitive theory, 6505
self monitoring & motivations for romantic relationships, college students, 41300
self vs other oriented work motives, 20–60 yr old & older volunteers, Japan, 17511
sex & age & organizational rank & length of employment & mentoring experience, willingness to mentor, organization employees, 39422
sex & perceived coaches' behaviors, perceptions of ability & motivation, 10–11 vs 12–14 vs 15–18 yr old swimmers, 9226
sex, motivation for participation in fitness program, 60–86 yr olds, 25310
smoking behaviors & motivations to quit & SES, African American vs non-Hispanic White 25–64 yr olds, 30726
social support & hypnotizability & motivation & other predictors, outcome of single session restructuring procedure with self hypnosis, smokers, 2 yr study, 46944
social vs physiological motivations for drug use, methadone clinic clients, 25990
sociological analysis of motivation for poaching crimes, male 19–67 yr olds, 33896
specific difficult group performance goals & coordination of task activities, group member work motivation, college students, 25477
strength of self protective vs enhancing motives in reaction to failure vs success feedback, college students, 9604
subculture & motives & risk perceptions & benefit & cost outcomes of participation in skydiving & parachuting & other high risk leisure activities, 16–62 yr olds, 47462
syntheoretical model of beliefs as motivators in health behavior change process, implications for health education campaigns, 26947
TAT, assessment of defenses & motivations impacting functioning within family & heterosexual relationships, adolescent mothers vs nonmothers, 1109
tendency to associate self with preferred team after win & dissociate from team after loss, college student football fans, 11719
theoretical framework for mediator mechanisms & motivations of impartiality & outcome efficiency, 13436
understanding influence of emotion on cognitive performance & motivation, 5 vs 8 yr olds, 13033
understanding multiple successive & simultaneous desires, 5 vs 7 vs 8 vs 11 yr olds, 28899
unidimensional vs multidimensional approach to aggregating motive items, prediction of intent to continue volunteering, 55 yr olds & older, 1164
viewing of aggressive movie with vs without prior aggravation, expectancy value cognitions & aggressive behavior, male 20–25 yr olds, Germany, application of motivation theory, 33220
wishful thinking, belief-desire reasoning in providing misleading opinion poll responses, 18–35 yr olds, England, 24401

Motivation [See Also Achievement Motivation, Affiliation Motivation, Animal Motivation, Educational Incentives, Employee Motivation, Extrinsic Motivation, Fear of Success, Hunger, Incentives, Intrinsic Motivation, Monetary Incentives, Procrastination, Sex Drive, Thirst]—Books
Achievement and motivation: A social-developmental perspective. Cambridge studies in social and emotional development, 35380
Central life interests: Creative individualism in a complex world, 21564
Embracing the other: Philosophical, psychological, and historical perspectives on altruism, 25591
Human motives and cultural models. Publications of the Society for Psychological Anthropology, 5361
Motivating humans: Goals, emotions, and personal agency beliefs, 17600
Motivation and personality: Handbook of thematic content analysis, 7969
The psychology of learning and motivation: Advances in research and theory, Vol. 27. The psychology of learning and motivation: Advances in research and theory, 40265
Self and motivational systems: Toward a theory of psychoanalytic technique. Psychoanalytic inquiry book series, Vol. 13, 26704

Motivation [See Also Achievement Motivation, Affiliation Motivation, Animal Motivation, Educational Incentives, Employee Motivation, Extrinsic Motivation, Fear of Success, Hunger, Incentives, Intrinsic Motivation, Monetary Incentives, Procrastination, Sex Drive, Thirst]—Chapters
The adolescent as consumer, 3783
Beyond hedonism: Motives for inhibiting good moods and for maintaining bad moods, 33377
Biological variables in psychopathology: A psychobiological perspective, 33571
Brain science and the human spirit, 20651
Changing impact of ability, motivation, and anxiety in cognitive performance: A process analysis, 9651
Conservation of resources: A general stress theory applied to burnout, 41352
Criticisms of rational choice models, 7700
Current status of the motive concept, 33406
The development of deception, 37000
The directive force of morality tales in a Mexican community, 5322
The Dutchness of Dutch rescuers: The national dimension of altruism, 25514
Empathy and protest: Two roots of heroic altruism, 25593
Exceptional memory performers: The motivational background, 378
Exploratory play with objects: Basic cognitive processes and individual differences, 37087
Female murderers and their motives: A tale of two cities, 10120
Ghost busters in anthropology, 5324
Good strategy instruction is motivating and interesting, 3417
How do self-attributed and implicit motives differ?, 7975
An infant's motives for speaking and thinking in the culture, 45017
Intentionalism: An expressive theory, 16379
The intergenerational transfer of motivational skills, 20347
The intimacy motive, 7974
Learning to be an American parent: How cultural models gain directive force, 5417
Lies and secrets: Implications for children's reporting of sexual abuse, 32834
Mapping the mind onto the brain, 612
The matter of habit, 5647
Moral-cognitive development and the motivation of moral behavior, 13019
Motivated models, 5321
Motivation, emotion, and value, 8381
Motivation in psychology and psychoanalysis, 9671
Motivational approach to anxiety disorders, 9903
Motivational configurations, 8384
Motivational determinants of thematic apperception, 7970
The motivational force of self-understanding: Evidence from wives' inner conflicts, 5323
Motivations of people who helped Jews survive the Nazi occupation, 25522
Motives and health, 12314
The neural basis of pleasure and pain, 36591
On being psyched up but not psyched out: An optimal pressure model of achievement motivation, 35382
Positive emotions for psychoanalytic theory: Surprises from infancy research and new directions, 21615
Power motivation, 7984
Power motivation revisited, 7985
Psi and the dynamics of motivation, 12329
Psychological explanations of participation in everyday activities, 33305
Reducing aggression and conflict: The incompatible response approach, or, Why people who feel good usually won't be bad, 12311
The relation of interest to the motivation of behavior: A self-determination theory perspective, 1488
Reliability issues, 7979
The role of self-referent cognitions in goal setting, motivation, and performance, 40146
Schemas and motivation, 5368
The social motivations of people with low self-esteem, 45291
Task motivation: An interaction between the cognitive and content-oriented dimensions in learning, 3473
Thematic analysis, experience sampling, and personal goals, 8382
Thematic apperceptive methods in survey research, 8170
A theory of moral sentiments, 5649
What makes Tony run? Schemas as motives reconsidered, 5325

Motor Coordination—Serials
age, temporal & kinetic features of unipedal vs bipedal hopping, female 3.5–9.5 yr olds, 28946
assessment & anatomical mechanisms, 57–85 yr olds with neurologically induced alien hand sign & apraxia & bimanual coordination problems, 14293
auditory click rate, time perception & timing of motor action, professional typists, 4289
cerebellum, motor control & perception, vertebrates, 28539
changes in kinematic characteristics & coordination of hip & knee joints in standing up during recovery, 48–75 yr olds with hemiplegia due to stroke, 30156
clumsiness & teacher & parental perception of motor difficulty persistence, 11–17 yr olds originally assessed as 6–12 yr olds, 21171
cytidine diphosphocholine, learning & memory & motor performance & coordination, male rats with or without scopolamine or methylazoxymethanol based amnesia or nucleus basalis magnocellularis lesion, 36756
definition & assessment of clumsiness as diagnostic feature, patients with Asperger's syndrome, 22072
determinants of limb segment selection & coordination in drawing behavior, adults, 40056
flumazenil vs ZK 93426, ethanol induced aggression & motor incoordination & sedation, male squirrel monkeys & rats, 44743
hand vs foot vs eye vs ear lateral preference & leg motor asymmetry, 5–6 vs 8–9 yr olds with vs without clumsiness, 28896
hole poking & motor coordination, lurcher mutant mice with cerebellar Purkinje & granule & inferior olive cell loss, 44417
icv benzodiazepine agonist Ro 15-4513, selective antagonism of ethanol vs sodium pentobarbital induced motor disturbances, male mice, 4775
individual sensorimotor skill vs group communication & interactive processes, smooth coordination of manual activity, college students, Germany, 5520
intention, stride frequency & amplitude flexibility, adults, 28225
ip vs icv N6-cyclohexyladenosine vs ethanol, cross tolerance to ethanol induced motor incoordination & cerebellar receptor binding, ethanol tolerant male mice, 24869
lateralization of motor control for proximal vs distal musculature & finger vs arm tapping, right handed vs consistent vs inconsistent left handed college students, 16570

leg movement, equilibrium & head-trunk orientation coordination, 22–50 yr old experienced vs naive dancers, 292
limb rhythm coordination, goal directed motor process production, college students, application of dynamical models, 28228
motor control & coordination in reaching ability of impaired vs nonimpaired arms, 36–64 yr olds with left hemiparesis, 14360
motor task specific teaching intervention, motor coordination, clumsy 5.8–9.3 yr olds, Australia, 23507
movement objectives vs constraints & speed &/vs accuracy bias, motor control strategy in reciprocal aiming movements, 18–32 yr olds, Netherlands, 281
object number & mass & type, proportion of time holding object in cascade juggling, jugglers, 12199
practice of polyrhythmic tapping task, bimanual hand coordination & motor organization strategies, musicians vs nonmusicians, 28231
reading & mathematics achievement & balance skills, 7–11 yr olds, 44826
self esteem & perceived vs actual competence in cognitive & social & physical domains, 10 yr olds with motor coordination problems, Norway, 21257
self sitting posture control, development of eye-hand coordination of single hand reaching, 5–8 mo old sitters vs nonsitters, 962
speed & hand arrangement, production of bimanual polyrhythms of varying complexity, experienced pianists vs nonmusicians, Australia, 28232
tapping task & duration & loudness perception, assessment of timing & motor control, clumsy vs normal 6–7 vs 9–10 yr olds, 989
temporal coordination in prehension task, 52–72 yr olds with Parkinson's disease, 38222
Test of Motor Proficiency vs Test of Motor Impairment vs teacher judgment, assessment of clumsiness or subtle motor coordination problems, 10 yr olds, 7929
toys presented above vs below eye level, coordination between raised vs knit brow & accompanying head & eye & arm & facial movements as expressions of interest, 5 vs 7 mo olds, 9175
visual cues, motor programing & individual finger movement, elderly patients with Huntington's vs Parkinson's disease, Australia, 14312

Motor Coordination—Books

The development of coordination in infancy. Advances in psychology, Vol. 97, 40862

Motor Coordination—Chapters

Concepts and methods for a dynamical approach to behavioral coordination and change, 40884
Coordination mechanisms in prehension movements, 24372
The coordination of infant's reaching, grasping, catching and posture: A natural physical approach, 40879
Coordination of upper-limb movement: A neuro-dynamics account, 24383
Critical variables in the coordination of prosthetic and normal limbs, 24386
The evolving perceptual-motor workspace in infancy: Reactions to Zanone, Kelso and Jeka and Schmuckler, 40875
Eye–head coordination, 24745
Frames of reference underlying early movement coordination, 40871
Frequency locking, frequency modulation, and bifurcations in dynamic movement systems, 24365
Hand-mouth coordination in the newborn: Morphology, determinants, and early development of a basic act, 40878
The intermittent dynamics of coordination, 24373
Locomotor coordination in infancy: The transition from walking to running, 40870
Posture and independent locomotion in early childhood: Learning to walk or learning dynamic postural control?, 40868
Searching for solutions to the coordination function: Learning as exploratory behavior, 24377

Motor Cortex—Serials

biomechanical evaluation of & motor cortex role in postural adjustment patterns during motoric learning, dogs, translated article, 28480
cellular mechanisms & neurotransmitters in limb premotor network formed from recurrent loops between motor cortex & red nucleus & cerebellum, 24686
delayed operant alimentary reflexes to light, statistical analysis of functional interneuronal connections of visual & motor cortex, cats, translated article, 4602
EEG measures of attentional focus patterns in motor vs temporal cortex prior to golf putt, putting performance, highly skilled golfers, 24756
EEG of sensorimotor cortex during real & mental movement, ambidextrous vs left handed 6 yr old males with vs without general speech underdevelopment, 14141
encoding of arm trajectory in motor cortex & neural activity associated with movement direction & speed in drawing task, male monkeys, 8725
extracellular action potential & temporal profiles of single neurons in motor cortex during dorsal flexion & ankle plantar isometrics, monkeys, 8717
focal transcranial magnetic stimulation of motor vs prefrontal areas, response bias in forced choice task, 26–45 yr olds, 16523
food reinforcement schedules, sensorimotor cortex neuron activity during operant conditioning, rabbits, translated article, 24780
GABA vs muscimol vs bicuculline methiodide vs acetylcholine vs noradrenaline vs sodium glutamate, neuronal activity of motor & premotor cortex during leverpressing, macaques, 16820
high magnetic field MRI of activity of right motor cortex during contralateral vs ipsilateral vs bilateral manual task, adults, 28583
locus ceruleus lesion 1 vs 2 wks prior vs simultaneous to right sensorimotor cortex injury, cerebellar norepinephrine induced facilitation of motor recovery, rats, 36488
magnetic coil stimulation of sensorimotor cortex, cortically generated somatosensory EPs during suppressed sensory perception, adults, 32498
medial frontal vs motor cortex lesions, limb preference & impairment & trajectories & component movements, female rats, 12560
motor cortex lesions, forelimb use during reaching & grasping phase of free feeding, female rats, 600
motor cortex tetanic stimulation, long term potentiation of neurons in somatosensory cortex, adult cats, 32406
neural network model of directional & spatial response properties of motor cortex neurons during reaching, monkeys, 27835
neuronal activity in rostral area vs caudally situated supplementary motor area during learned motor task, Japanese monkeys, 16628
neurophysiological & motor cortex mechanisms underlying mental rotation in reaching task, monkeys, 36507
noradrenergic neurotoxin DSP-4 with or without clonidine vs phenoxybenzamine, motor function recovery from sensorimotor cortex lesions & glutamatergic sprouting & noradrenergic depletion, male rats, 16741
postsensorimotor cortex lesion administration of MK-801, motor recovery, male rats, 8904
right leg monoplegia without neurobehavioral disturbances, 73 yr old female with left paracentral lobule infarction, case report, 22370
sensorimotor cortex magnetic pulse stimulation, electrical cutaneous stimulation perception & EMG, adults, 24775
stimuli comparison in frequency discrimination task, neuron discharge in precentral motor cortex, male monkeys, 20570
topographical organization of projections from physiologically identified areas of motor cortex to caudate putamen, rats, 4577
unilateral lesions to contralateral homotopic cortex, dendritic arborization of layer V pyramidal neurons in sensorimotor cortex, male rats, 565
unilateral locus ceruleus lesion, sensorimotor cortex injury recovery, male rats, 20508
visually triggered motor task, neuronal activity in premotor & precentral motor cortices & supplementary motor area, monkeys, 40396

wrist flexion & extension responses assigned to separate stimuli & no go response to visually similar stimuli, primary cortex neuron responses & preliminary perceptual output, monkeys, 12611
Motor Cortex—Chapters
Contribution of the thalamic messages to motor cortex in the learning of motor skills, 24734
From action representation to movement control, 24744
Motor Development [See Also Perceptual Motor Development, Psychomotor Development, Speech Development]—Serials
age, stability of IQ & motor relationship, developmentally delayed 3–7 yr olds in special education program, 2 yr study, 6129
age, temporal & kinetic features of unipedal vs bipedal hopping, female 3.5–9.5 yr olds, 28946
childrearing practices & other factors, motor development, Black vs White 1st graders of different SES, commentary, 9102
childrearing practices & other factors, motor development, Black vs White 1st graders of different SES, commentary reply, 9101
concurrent validity of Battelle Developmental Inventory & Vineland Adaptive Scales & Bayley Scales of Infant Development, infants with motor delays, 27969
emergence of crawling & walking & performance on object search & reaching tasks, blind male 13 & 17 & 32 mo olds, 3 yr study, 2346
eye & head latency & movement times, visual localization of targets outside initial field of view, deaf & aurally handicapped 5–7 & 10–12 yr olds, implications for motor development lags, 10436
fetal motor behaviors, behavioral organization, neonates, longitudinal study, 44829
manual handwriting posture development, left vs right handed 5 yr olds vs college students, Switzerland, 2–4 yr followups, 12988
mental & motor development, low birth weight 6 mo olds with respiratory distress syndrome vs intraventricular hemorrhage with or without hydrocephalus vs bronchopulmonary dysplasia, 30 mo study, 34040
mild prenatal stress, birthweight & interaction & neuromotor & temperamental maturation, rhesus monkey infants, 20768
motor & other neurodevelopmental delays, low birth weight infants with necrotizing enterocolitis with vs without abdominal surgery, 2 yr study, conference presentation, 30669
motor & speech & self care & living skills task performance, kindergarten survivors of extreme premature birth, 5 yr study, 41969
motor coordination & development differences, congenitally blind vs sighted 9 & 12 mo olds, 46131
neuromotor developmental deviations, offspring of females with schizophrenia vs schizoaffective vs affective vs functional psychosis assessed neonatally vs at 6 yrs old, 41594
playsuit sling alternative to developmental crawler & facilitated reciprocal movement therapy, profoundly developmentally disabled children with neuromuscular disorders, 23292
predictive validity of neonatal medical index, assessment of mental & motor development, preterm low birth weight infants to 3 yr olds, 35827
prenatal attitudes & emotional quality of birth, attachment & infant's motor development, couples assessed from 6 mo of pregnancy through 6 mo postpartum, 5402
quantitative & qualitative aspects of crawling, 1.5–4 yr olds, 981
rhythmic organization of spontaneous motor activity, 26–36 wk old premature infants, 44871
season of birth & average monthly temperature, age of crawling onset, 8–14 mo olds, 28861
sighting eye dominance & eyelid winking & handedness, motor function development in response to sensory function, adults, 36503
social stress during pregnancy, neuromotor development & responses, infant squirrel monkeys, 36686
stepping &/or sitting practice, neuromotor patterns, 6 wk olds, 7 wk followup, 44919
study of judo & development of complex motor skills, psychotic 8–17 yr olds, 25841
Motor Development [See Also Perceptual Motor Development, Psychomotor Development, Speech Development]—Books
The development of coordination in infancy. Advances in psychology, Vol. 97, 40862
Motor Development [See Also Perceptual Motor Development, Psychomotor Development, Speech Development]—Chapters
Anatomical and behavioral parallels in the development of the corticospinal tract, 24736
Complex systems approaches to the development of action, 40865
Concepts and methods for a dynamical approach to behavioral coordination and change, 40884
Dynamic systems approach to understanding motor delay in infants with Down syndrome, 41890
Early motor development in preterm children, 40873
The emergence of behavioral regulation during fetal development, 20728
Hand-mouth coordination in the newborn: Morphology, determinants, and early development of a basic act, 40878
Human language development and object manipulation: Their relation in ontogeny and its possible relevance for phylogenetic questions, 32923
Locomotor coordination in infancy: The transition from walking to running, 40870
Motor abilities as causal agents in infant cognitive development, 40867
Posture and independent locomotion in early childhood: Learning to walk or learning dynamic postural control?, 40868
Prenatal behavior development: Ontogenetic adaptations and non-linear processes, 40877
The role of intersegmental dynamics in infant neuromotor development, 25107
The role of motor development in infancy: Reactions to Mounoud and Bremner, 40885
Timing and developmental dynamics in the acquisition of early motor skills, 32930
Motor Disorders [See Nervous System Disorders]
Motor Evoked Potentials [See Somatosensory Evoked Potentials]
Motor Neurons—Serials
coexistence of aphasic dementia, 54–77 yr olds with motor neuron disease, 30171
cognition enhancing drug DPMPI, motor nerve terminal currents in skeletal muscle preparation, mice, implications for treatment of Alzheimer's disease, 21019
facilitation of agonist motoneurons, initiation of rapid & slow voluntary ankle dorsiflexion, healthy males, 4588
focal unilateral upper motor neuron lesions, dysarthria & other speech motor changes, 59–80 yr old stroke patients, 14263
identification & localization of neck muscle motor neurons used in pecking behavior in cervical spinal cord, pigeons, 32404
Mauthner axon firing, postsynaptic potentials of primary motoneurons, goldfish, 620
mechanical vs electrical stimulation of tibial nerve, H-reflex recovery & cross spinal segmental inputs on triceps surae motoneuron excitability, college students, 8714
motor organization & discharge of single neurons of nucleus interpositus & neighboring regions of lateral nucleus during active movement, male monkeys, 28559
neural network model of directional & spatial response properties of motor cortex neurons during reaching, monkeys, 27835
voluntary movement, parietofrontal neuron activity, cats, translated article, 8712
Motor Neurons—Chapters
Remote facilitation of H-reflex during voluntary contraction of orofacial and limb muscles, 24737
Motor Pathways [See Efferent Pathways]
Motor Performance [See Also Finger Tapping, Jumping, Running, Walking]—Serials
acetazolamide, self evaluated functional ability & motor task function & tremor severity, 41–83 yr olds with essential tremor, 2779

acquisition of formational aspects of location & handshape & movement in American Sign Language, deaf or hearing 6–14 mo olds with deaf parents, 14 mo study, 34269
active vs passive activation of left limbs, visual & sensory neglect, male 62 yr old stroke patients, 38207
aerobic & anaerobic power & fitness & gross motor function performance, 7–13 yr olds with spastic cerebral palsy, 30229
age vs 6-OHDA induced norepinephrine depletion, learning vs performance of novel motor tasks, male F344 rats, 685
amplitude &/vs direction of wrist movement, set & movement related neuronal activity of premotor cortex, male monkeys, 28584
applicability of sequence comparison methodology, analysis of movement patterns & assessment of motor performance, 0–42 mo olds with vs without developmental delays, 31820
arm tracking performance with vs without visual feedback, clumsy 6–7 vs 10–11 yr olds, 984
blacklight as visual stimulation, performance in tracking & reaching tasks, profoundly mentally retarded 11–21 yr olds with multiple handicaps, 29969
body temperature & time of day, cognitive & motor performance, narcoleptic 18–50 yr olds, implications for perceptual encoding deficits, 34183
changes in kinematic characteristics & coordination of hip & knee joints in standing up during recovery, 48–75 yr olds with hemiplegia due to stroke, 30156
clumsiness & teacher & parental perception of motor difficulty persistence, 11–17 yr olds originally assessed as 6–12 yr olds, 21171
cognitive & motor performance, epileptic patients with vs without cerebellar & brain stem atrophy, 34149
cognitive & motor performance, narcoleptic 41–67 yr olds in temporal isolation, 2157
cognitive & motor performance, patients with multiple system atrophy of strito-nigral degeneration vs Parkinson's disease, 38293
cognitive performance during unpredictable fluctuations in motor performance, levodopa treated 49–64 yr olds with Parkinson's disease, erratum appended, 34208
cognitive rehabilitation, cognitive & physical mobility & activities of daily living, male 60 yr old with right thalamic infarct, 7193
collective efficacy, group performance on muscular endurance task, male vs female high school students, 13044
combined vs triphasic oral contraceptives, perimenstrual mood & clumsiness & food craving & menstrual pain & premenstrual breast tenderness, female adults with self reported PMS, 34707
command vs practice vs reciprocal teaching style, motor skill acquisition & retention of selected shooting task, college students in riflery class, 11383
conscious awareness vs nonawareness vs 5 step nonawareness learning strategies, motor skill learning & performance, college students, 28230
continuous vs discrete reinforcement schedule contingencies, wheel training responses, college students, 8279
cytidine diphosphocholine, learning & memory & motor performance & coordination, male rats with or without scopolamine or methylazoxymethanol based amnesia or nucleus basalis magnocellularis lesion, 36756
development & factor & item response theory analysis of hierarchical Tufts Assessment of Motor Performance, 5–79 yr olds with neurological or musculoskeletal disorder in rehabilitation, 27965
development & validity of Physical Disability Index, assessment of physical performance, frail 60–98 yr olds, 31954
development of integration among voluntary movement & anticipatory postural adjustment & locomotor activity, 6 vs 10 vs 14 yr olds, 9091
dextrorphan vs nor-binaltorphine, motor deficits vs neuropathology, male rats with dynorphin induced paralysis, animal model of spinal cord injury, 8866
dominance & abdomen stroking behavior & function, solitary vs multiple female colonies of parasitic Polistes dominulus, 24577
D1 vs D2 dopamine antagonists SCH-23390 & raclopride, RT in motor task performance, male albino rats, 44573
elbow & arm movement speed, upper limb synchronistic coupling strength, female right handed 18 yr olds, Belgium, 12205
environmental enrichment, flash & somatosensory EPs & grip performance & motor activity, male rats, implications for neurotoxicity screening methods, 28596
flotation Restricted Environment Stimulation Technique &/vs imaginal training & relaxation script, motor performance, dart players, 40065
GABA antagonist CGP 35348, bicuculline & picrotoxin induced antinociception & locomotor activity & rotarod performance, mice, 8936
generality of work rest ratio in pursuit rotor task & applicability to cognitive performance, female college students, Australia, 8267
gesture type & input modality & movement system & complexity & representational nature of praxis task performance, 6–10.9 yr olds with developmental motor problems, Canada, 26167
hand preference & performance, left handed 20–22 yr olds, implications for role of left brain, 12549
hand preference, manual performance of psychomotor tasks, rhesus monkeys, 12338
hand preference vs bimanual traction tasks, alteration of abnormal cerebral glucose utilization, male monkeys with periarticulate cortex lesions, 8628
hand vs foot vs eye vs ear lateral preference & leg motor asymmetry, 5–6 vs 8–9 yr olds with vs without clumsiness, 28896
handedness, pseudoneglect vs reversed pseudoneglect during bisection task performance, college students, 8667
ifenprodil vs diethyleretriamine &/vs spermidine vs putrescine in prefrontal cortex, NMDA receptor antagonist CPP induced darting vs hyperactivity vs locomotor activity inhibition, male rats, 8885
improvement in voluntary motor performance over time, Purkinje cell discharge in cerebellum during learning paradigm, female macaques, 28536
kinematic signals of average response velocity, determination of movement onset from temporal series with interactive graphics vs numerical methods, adults, 40066
knowledge of results vs performance with vs without attention focus cues vs error correction, learning overhand throw, 15–40 yr olds, 291
leg movement, equilibrium & head-trunk orientation coordination, 22–50 yr old experienced vs naive dancers, 292
light vs dark eye color & performance on rotary pursuit reactive tracking task, college students, 8276
low level aluminum exposure, motor performance, 6–12 yr olds, implications for hair concentration as diagnostic method, 17049
memory vs mental computation in planning & selection of handgrip & time course of movement of object from original to target position, college students, 4332
motor & tactile skill performance, academically disabled children, 2 yr study, 22111
motor control & coordination in reaching ability of impaired vs nonimpaired arms, 36–64 yr olds with left hemiparesis, 14360
motor organization & discharge of single neurons of nucleus interpositus & neighboring regions of lateral nucleus during active movement, male monkeys, 28559
motor performance & movement related brain macropotentials during time interval calculation task, male 18–25 yr olds with Down's syndrome, 22120
motor performance repetitions, perceived foot position, 70–80 vs 21–23 yr olds, 40986
motor performance with untrained left &/vs skilled right hand, cortical negative DC potential shifts, right handed 18–32 yr olds, 20672
motor presetting, hyperactive vs learning disabled 8.9–12.2 yr olds, 13642
motor task specific teaching intervention, motor coordination, clumsy 5.8–9.3 yr olds, Australia, 23507
movement objectives vs constraints & speed &/vs accuracy bias, motor control strategy in reciprocal aiming movements, 18–32 yr olds, Netherlands, 281

neonatal chlorphenothane, spontaneous motor behavior & muscarinic receptor activity, adult male mice, 701
neural network model of directional & spatial response properties of motor cortex neurons during reaching, monkeys, 27835
neuropsychological functioning & complaints of cognitive & motor difficulties & mood, HIV seropositive military beneficiaries, 34095
neutral posture deviation, perceived joint discomfort while sitting vs standing, college students, ergonomic implications, 47525
noise & visual obstruction, distance of hand from body during signing & vocal intensity, hearing 23–41 yr olds, 16953
noncontingent external feedback, performance & perceived effort during maximal exercise, athletes & physical education majors, Canada, 11717
nonphotic circadian phase shifting stimulus, fos immunoreactive expression in suprachiasmatic nucleus & intergeniculate leaflet of lateral geniculate complex, male hamsters, 36523
object size & surface contact area, movement time, 21–31 yr olds, 44053
passive deviation of vibrissae, neural reaction in posterior ventral nucleus of thalamus, rats, translated article, 8660
Pavlovian contingencies, skilled motor behavior in associative learning conditioning procedure, male college students, 32226
perceived vs actual motor competence, male vs female 9 vs 10 vs 11 yr olds, 44895
performance in video task paradigm, 5.5 yr old male squirrel monkey, 32287
performance of simultaneous bimanual movements, patients with Parkinson's or cerebellar or Huntington's diseases, 34150
peripheral vs CNS involvement in motor response variations with vs without knowledge of results, ipsilateral vs contralateral bias errors in subsequent criterion response, male 20–26 yr olds, 40055
phenytoin motion sickness therapy, cognitive & motor performance, male 25–37 yr olds, 32597
practice & adaptation, control of motor performance, 14–34 yr olds with Down's syndrome, 6164
practice, performance of buttoning task with vs without simultaneous foot tapping interference, adults with Parkinson's disease, 2317
pretrigger brain slow waves & heart rate & respiration, shooting performance, marksmen vs novice shooters, Finland, 19767
psychophysically determined maximum acceptable weights & forces for lifting & lowering & carrying of boxes & pulling & pushing, male industrial workers, 39593
rate of visual flash & binocular vs monocular vision & multiple vs single reference points & local motion parallax, mobility performance, 15–31 yr olds, 32120
recall of verbal commands with vs without self performed vs observed enactment, 17–24 yr olds, Croatia, 40151
repeated hybrid recombinant interferon alpha, activity & muscle strength & motor ability & endurance, male mice, animal model of cancer & hepatitis treatment, 32611
reversible lignocaine inactivation of dentate vs interpositus cerebellar nuclei, adaptation to alterations in visual & motor demands of visually guided tracking task, monkeys, 28521
RT & movement time & sidedness during Shotokan Karate techniques, male adults, 47454
schedules of knowledge of results, acquisition & retention & accuracy of movement timing task, 20–23 vs 60–82 yr olds, 16250
self sitting posture control, development of eye-hand coordination of single hand reaching, 5–8 mo old sitters vs nonsitters, 962
semi-prone vs sitting position during biofeedback training, head control, 5–10 yr olds with severe cerebral palsy, 14787
similarity to sex & athletic ability of model, self efficacy & motor performance, female college students, replication & extension, 8273
social group makeup & dominance hierarchy, observational learning & innovative performance of specific motor response, naive vs experienced lemurs, 8520
space microgravity, sensory orientation & behavioral modification, astronaut, 20248
spatial orientation of aperture & toy object, reaching & handedness behavior, 10 mo olds, 28931
special state of consciousness & motor performance & neurophysiological correlates, adults, 43523
speech rate vs movement time, verbal & spatial span recall prediction, college students, England, 16297
speed & consistency of manual task performances, stuttering vs articulation disordered vs normal 5–10 yr olds, 26137
step height & practice, perceptual judgments of stair climbing ability & difficulty, short vs tall 9 vs 12 vs 19–45 yr old males, 28932
substrate brightness, turning & turn alternation, woodlice, 8479
supply of information about single joint forelimb movements to intermediate cerebellar cortex by mossy fibers & Golgi cells, male monkeys, 28558
tapping task & duration & loudness perception, assessment of timing & motor control, clumsy vs normal 6–7 vs 9–10 yr olds, 989
target & movement velocity, coincident timing performance, 18–29 yr olds, 24354
teaching methods of tactual stimulation & gross motor movement exercises, cognitive learning, college students, test of M. Montessori's muscular movement theory, 23481
unilateral vs simultaneous bilateral response in finger extension vs elbow flexion tasks, simple RT & premotor time, female college students, 28483
validity of dot filling group test, assessment of handedness & manual performance, 7–15 yr old males vs females, France, 35815
verbal praise vs music reinforcement, soccer kicking performance, profoundly mentally retarded 10–17 yr olds, 22590
vestibular stimulation, motor deficit & hemiplegia & somatoparaphrenic delusions, 69 yr old female with unilateral neglect due to right parieto-temporo-occipital infarct, 2310
visibility of partner, rate of sign production & distance of hands from body, deaf 31–67 yr olds, 18453
vision & writing duration, cursive handwriting RT & variability, college students, Netherlands, 24361
visual & motor strategies in ball catching, 4–10 yr olds, England, 9111
visual cues, motor programing & individual finger movement, elderly patients with Huntington's vs Parkinson's disease, Australia, 14312
voluntary movement, parietofrontal neuron activity, cats, translated article, 8712
yoga training, static motor performance, 9–13 yr olds, India, 44837

Motor Performance [See Also Finger Tapping, Jumping, Running, Walking]—Books

Motor learning & performance: From principles to practice, 40072

Motor Performance [See Also Finger Tapping, Jumping, Running, Walking]—Chapters

Biological and psychological description of an internal clock, 8453
Issues in goal directed motor learning: Feedforward control, motor equivalence, specificity, and artificial neural networks, 27845
The Postural Control Scale, 4096

Motor Processes [See Also Activity Level, Animal Locomotion, Exercise, Finger Tapping, Jumping, Licking, Motor Coordination, Motor Performance, Motor Skills, Physical Agility, Physical Dexterity, Running, Sucking, Swallowing, Swimming, Tonic Immobility, Tool Use, Walking, Wandering Behavior, Yawning]—Serials

abecarnil vs diazepam vs bretazenil, pharmacology of GABA-A receptor complex & convulsions & exploratory motility, male mice & rats, animal model of Parkinson's disease, 24982
ACTH &/vs adrenalectomy, 5-HT-2 receptor mediated wet dog shakes & receptor binding sites in forebrain neocortex, male rats, 723

active vs passive head movement, visual & vestibular interaction, healthy adults, conference presentation, 39969
activity based assessments of balance & gait, prediction of fall type & risk of fall, 62–96 yr olds, 40992
acute ethanol, spinal cord injury induced motor behavior & biochemical responses, rats, 20871
acute vs chronic imipramine vs tandospirone or tandospirone metabolite 1-PP, tetralin induced 5-HT behavior & DOI induced head shake & forebrain 5-HT & beta adrenergic receptors density, male rats, 44744
adenosine receptor antagonists, dopamine agonist induced rotational behavior, 6-OHDA unilaterally lesioned male rats, implications for Parkinson's disease treatment, 40600
age & sex & ethnicity, changes in activities of daily living dependence & mobility impairment & functioning, 65–99 yr olds, 6 yr study, 5283
age, EMG postural responses prior to rapid self paced & simple RT arm flexion, 23–34 vs 62–82 yr olds, 4658
age, movement time & spatial distribution of pointing errors, 6–11 yr olds vs young adults, 9137
age vs 6-OHDA induced norepinephrine depletion, learning vs performance of novel motor tasks, male F344 rats, 685
agraphia errors & aphasia & motor performance, elderly with very mild vs mild vs moderate dementia of Alzheimer's type, 22373
alcohol or cocaine withdrawal, hand tremor & body sway & other motoric signs of CNS dysfunction, alcohol vs cocaine dependent adult males, 37919
alcohol use, periodic limb movements during sleep, 19–81 yr olds with sleep disorders, 41934
amphetamine, lateralization in rotating preference, male vs female Holtzman vs Long-Evans hooded rats, 21006
amphetamine vs apomorphine dose, movement & locomotion & other behaviors, male pigs, 21014
analog of MPF beta endorphin 28–31 in striatum, dextroamphetamine induced turning, male rats, animal model of Parkinson's disease, 44614
anisomycin, rapid tolerance to ethanol induced motor impairment, male rats, 40529
anxioselective anxiolytic DN-2327 vs diazepam, vs buspirone, EEG & sleep wake stages & motor & other behavior, cats, 24895
aphasia & coprolalia & repetitive motor behaviors, 10 yr old female with intractable complex partial seizures & anterior lobe ganglioma, case report, 10342
apomorphine & haloperidol, conditioned stimulant induced rotation & locomotion, 6-OHDA nigrostriatally lesioned male rats, test of opponent-process theory in drug conditioning, 24858
apomorphine vs quinpirole vs SKF38393, acute & long term rotational effects, substantia nigra lesioned female rats, 36881
artificial gravity in manned space flights, adaptation & orientation & movement control, 40498
attention & cognition & motor perseveration, at risk 7.8–19.8 yr olds with schizophrenic parent, Germany, 33654
autonomous & nonautonomous dynamics in models of human rhythmic movement, 12200
aversive stimulation, spinal motor reflex & vocalization threshold UCRs support of avoidance conditioning, female rats, test of epicritic sensory & protopathic emotive system interrelation, 40236
backwards writing as adaptive skill due to childhood problems in learning to write, left handed female 23 yr old, 4288
bamboo shoot feeding vs simple food reaching, lateral hand reach preference, gentle lemurs, 28553
behavioral & environmental risks for falls, healthy elderly, 2 yr study, conference presentation, 33039
behavioral slowing due to cognitive vs motor slowing, elderly patients with Alzheimer's disease vs depression, 5715
beta-carboline norharman in plasma & organs, activity levels & motor behaviors & processes & exploratory behavior, male rats, implications for role in psychosis, 40561
beta-CCE or FG 7142, timid & aggressive & sociable & locomotor behavior during interspecies encounters, timid vs aggressive male mice, 772
beta funaltrexamine vs naltrindole, butorphanol withdrawal motor & other behavior, male rats, 32641
beta funaltrexamine vs naltrindole vs norbinaltorphimine &/vs U-50,488H, morphine induced Straub tail reaction, male mice, 36844
bilateral alien hand signs, 23 yr old male with bilateral medial frontal cortex destruction, 5 yr followup, 22358
bilateral forelimb deafferentation, reaching & motor behavior, male rats, 587
bilateral intrastriatal enkephalins with vs without naloxone, dorsal immobility & vertical cling & horizontal bar grasping, male rats, 4870
bilateral lesions of anterior interpositus nucleus or superior cerebellar peduncle, appetitively conditioned masticatory responses, rabbits, 8634
binocular telescopic spectacle enhanced visual stimulation, visual vestibular interaction during sinusoidal head rotation, volunteers, 28611
binocular vs left vs right monocular pecking, response latency & peck location accuracy, pigeons, 597
biomechanical & physiological & psychophysical approaches to manual material handling in worker-task-environment system, 3819
brain catalase, modulation of psychopharmacological effects of ethanol, mice, 681
brief resetting stimulus, changes in cyclic fluctuation in spontaneous motor activity, healthy neonates, 44894
cellular & learned tolerance to chlordiazepoxide hypothermia & ataxia, male rats, 32659
cellular mechanisms & neurotransmitters in limb premotor network formed from recurrent loops between motor cortex & red nucleus & cerebellum, 24686
central medial amygdala arginine vasopressin, motor effects & sensitization process, male rats, 21042
cerebellum as neural analog to control system state estimator & role in body movement & perception & control, 28538
characteristic sensory integration operation of cerebellum across components of motor behavior, conference presentation, 24651
chlordiozepoxide, social & aggressive & escape & motor behavior & flumazenil binding & GABA receptor function, male mice selectively bred for low vs high aggression, 783
cholinotoxin AF64A induced lesions to corpus striatum, dopaminergic vs cholinergic agonist & antagonist mediated rotational behavior, male mice, 28795
cholinotoxin AF64A induced striatal lesions with vs without hemicholinium-3, dopamine agonist induced rotational behavior & dopamine receptors & messenger RNA & hemicholinium-3 binding, male mice, 28796
chronic cocaine, habituation & sensitization of locomotion & rotation pattern during Pavlovian conditioning, male rats, 16756
chronic vs acute intrathecal or ip desipramine, NMDA induced biting & scratching, male mice with vs without spinal 5-HT receptor blockade, implications for antinociception, 44684
classical conditioning of gape jaw movement, topography of CR vs UCR acquisition, pigeons, 44252
clinical features & cognitive impairment & motor fluctuations, patients with Parkinson's disease with vs without hallucinations, England, 10355
clomipramine induced tonic mentalis EMG activity, cortical reactivity in NREM vs stage 1 vs REM sleep, 20–24 yr olds, 44493
clomipramine vs mianserin vs amitriptyline vs maprotiline &/vs yohimbine or prazosine, aggressive & motor behavior, socially isolated male mice, 32592
CNS & cardiac cycle, motor process inhibition & relation to information processing, adults, 8773
cocaine exposure in utero, cocaine induced behavior & locomotion & dopamine transmission in striatum or mesolimbic pathways, adult rats, 4892
cocaine with vs without yohimbine vs alprenolol, 5-HT-2/1C agonist DOI induced head twitch response, 5-HT-2 receptor supersensitive male mice, 40544
collateral isometric arm flexion vs extension, attitudes toward novel unrelated stimuli in evaluative processing, college students, 40488

component analysis of isometric force generation & release & relationship to cognitive & affective variables & motor disability, adults with Parkinson's disease, 10373
computer controlled devices, topographic analysis of gape & head transport conditioned pecking, pigeons, conference presentation, 8455
conceptual & procedural movement related knowledge, college students, Canada, 44059
conditional reasoning task with motor task, right hemisphere bias in reasoning, college students, replication, 303
connectionist vs algorithmic motor programing theories of motor processing & role of cortical & basal ganglionic motor areas, conference presentation, 27833
consciousness or phenomenal experience as essence of psychological studies, discussion of thesis of A. J. Marcel & study on visual guidance of locomotion of J. J. Gibson, 8172
consonant effects, timing of upper lip protrusion movements & anticipatory coarticulation for vowel /u/ relative to acoustic events, native English speaking college students, 5009
contextual vs odor CS paired with lithium chloride, lying on belly & grooming & freezing & other motor CRs, male rats, animal model of anticipatory nausea in chemotherapy, 20378
corpus callosum sectioning, substantia nigra lesion induced asymmetry of investigation behavior & apomorphine & amphetamine induced turning & cued escape dodging, male rats, 40415
D-2-amino-7-phosphonoheptanoic acid in nucleus accumbens, switching between cue directed motor behavior during forced swimming, male rats, 779
dehydration, motor responses to humidity, cockroaches, 8741
delta 9 tetrahydrocannabinol, motor disturbances & stereotyped & other behaviors & nigrostriatal dopaminergic alterations, male rats, 40640
dermorphin, hippocampal electrical activity & voluntary movements & quiet vs alert immobility, male rabbits, 24880
development of microcomputer running wheel movement method, detection of partial revolutions & direction of movement, mice, 8493
dextroamphetamine induced rotation, egocentric vs allocentric spatial learning, male rats, 20837
diazepam or flesinoxan vs fluvoxamine or desmethylimipramine, footshock induced long lasting motor responses, male rats, 25002
didactic intervention, development of decentration & anticipation processes in sociomotor & mathematics activity, 8–9 yr olds, 40798
dimethyl disulfide vs milk vs other fluids with or without opioid antagonists, motor activity & tactile stimulation induced facial wiping, rat fetuses, 12894
direct estimation, effectiveness & accuracy in determination of lifting capacity of symmetrical & asymmetrical loads, male college students, 282
direction of motion preferences for display control relationship, 20–60 yr olds, China, comparison with Western data, implications for equipment design, 284
distraction from computer tracking game, defensive head movements in response to looming visual stimuli, college students, 8204
distraction in Stroop tasks, body focused hand movements as coping strategies, 10 yr olds, Australia, 9158
distributed modeling framework of motor control processes in cursive handwriting planning, 43614
dopamine agonist SKF-38393 vs A-68930, motor & stereotyped & self injurious behavior & striatal c-fos-like immunoreactivity, female rat pups with 6-OHDA lesions, 12807
dopamine antagonists vs lesion to basal ganglia vs alpha methylparatyrosine, receptor stimulation induced stereotypical motor behavior, male rats, 40607
dopamine blocker haloperidol, tail gnawing behaviors, female rats with experimental seizure induced brain damage, implications for nigrostriatal mediation of orofacial behavior, 28679
dopamine or cholinergic antagonists, ventral pallidum enkephalin analog induced circling behavior, male rats, 16835
dopamine reuptake blockers GBR 12909 vs cocaine vs WIN35-065-2 vs nomifensine, occupancy of dopamine transporter in vivo & receptor binding & dopamine mediated motor behavior, male rats, 20977
dopamine vs SKE 38383 vs quinpirole vs sulpiride vs SCH 23390, emotional stress induced colonic motor alternations, male rats, 4752
dorsal periaqueductal gray midazolam vs morphine with vs without naloxone, aversive & exploratory & motor behavior, male rats, 24945
dorsal striatal NMDA with vs without 2-amino-7-phosphonoheptanoic acid or cis-flupenthixol, contralateral circling, male rats, 8982
D1 dopamine antagonist vs haloperidol, drinking vs chewing vs biting vs licking & neurochemistry, polydipsic rats, implications as model for neuroleptic examination, 4939
E expectations of & observed book carrying behavior, male vs female college students, replication, 32125
E. Hitzig's work in electrical brain stimulation & contribution to research in psychomotor functions & motor responses, 16510
ECT, parkinsonism & depression & motor functions, 52–80 yr olds with Parkinson's disease, 10822
elasticity & stroke direction preferences in drawing movements, right handed adults, 40057
elbow & arm movement speed, upper limb synchronistic coupling strength, female right handed 18 yr olds, Belgium, 12205
electric signaling & probing motor acts during electrolocation of objects, weakly electric fish, 20461
electrical stimulation to ventrolateral pons & superior colliculus pathways, frequency intensity required in ipsiversive turning, male rats, implications for tectopontine pathway mediation, 36489
electrocutaneous avoidance conditioning, heart rate & conditioned vs intertrial motor reactions, dogs, translated article, 4708
electrocutaneous stimulation, individual differences in cross modal matches for perceived pinch & bite forces, 24–32 yr olds, 44557
EMG assessed neuromuscular activation patterns during goal directed arm movements, 49–55 yr olds with diabetes mellitus, 34065
encoding of arm trajectory in motor cortex & neural activity associated with movement direction & speed in drawing task, male monkeys, 8725
environmental constraint vs motor competition hypothesis of neonatal disappearance of prenatal facial wiping, Norway vs cotton rats vs Mongolian gerbils vs spiny mouse fetuses, 4532
environmental space, quinpirole induced rearing & licking & other motor & stereotyped behaviors, male rats, 21008
epidural lidocaine injections at high vs low lumbar spaces, perception of temperature & electrical stimuli & motor processes, 21–40 yr olds, 20816
equilibrium point hypothesis for role of CNS in single & multiple joint movements, conference presentation, 24649
ethanol, conditioned place preference & spontaneous motor activity, ethanol preferring vs nonpreferring rats, 759
ethological categorization of motor behavior in open field, male rats, 24589
exposure to surgery vs neutral scenes, subjective affect & psychophysiologic & motoric variables, college students with vs without blood phobia, 1769
extensive vs intensive housing environment, repose behavior time, monozygotic twin dairy cows, implications for animal management, 44215
exteroceptive feedback, area specific self regulation of slow cortical EPs on sagittal midline, motor responses, 20–35 yr olds, Germany, 8707
extraversion & neuroticism & psychoticism, movement & RT & amplitude & latency of P300 ERP, female 18–25 yr olds, 44553

failure of metacontrol & conflict in motor control, 41 yr old male with aneurysmal hemorrhage & corpus callosum & inferomedial frontal lobe lesions, 2278
flexibility in preparation for limb movements, mentally retarded adults with vs without Down's syndrome, 38040
food stimulus, combinatorial object manipulation & tool use, infant baboons, 12368
formalin, sleep disruptions & limb shaking & licking & kicking responses, preweanling rats, 20868
functional motor asymmetries & symptoms & other clinical features, unmedicated schizophrenic patients, 17802
GABA vs muscimol vs bicuculline methiodide vs acetylcholine vs noradrenaline vs sodium glutamate, neuronal activity of motor & premotor cortex during leverpressing, macaques, 16820
gait & pacing patterns in motorized treadmill vs overground, cats, 36622
galanin receptor antagonists M40 & C7, galanin induced feeding behavior & food consumption & barrel rolling, male rats, 24865
gating phenomenon of mental movement simulation, role of supplementary motor area in generation of N30 frontal component of somatosensory EPs, adults, 8708
gestational age, facial activity & body movements & physiological responses to heel lancing pain, preterm vs full term neonates, 32863
grade vs sex, perception of gender appropriateness of physical activities & sports, K–6th graders, 5204
haloperidol in nucleus accumbens vs cortex vs caudate putamen vs globus pallidus vs substantia nigra pars compacta, duration of dorsal immobility response & cling & bar catalepsy, female rats, 24940
haloperidol, rope climbing vs horizontal running speed & effort decrement, male rats, 40572
haloperidol vs clozapine, operant behavior & voluntary or involuntary movements, male dogs, 24854
haloperidol vs domperidone induced defecation & voluntary movements, male rats, animal model of neuroleptic dysphoria, 36867
hand held map as supplement to wall signs, navigation in hospital outpatient department, adults, 34970
harmonic movement in upper limb cyclical aiming, adults, 40054
hemispheric specialization at birth, cerebral lateralization of motor functions & handedness, infants, research review, 25095
heterarchical distribution of control of motor system & brain & sensory input, evolution of central pattern generators & locomotion changes, cockroaches & lampreys & cats, conference presentation, 16533
high dose methamphetamine, striatal dopamine & 5-HT neurotoxicity induced motor task performance impairment, male rats, animal model of parkinsonism, 32712
high magnetic field MRI of activity of right motor cortex during contralateral vs ipsilateral vs bilateral manual task, adults, 28583
hole poking & motor coordination, lurcher mutant mice with cerebellar Purkinje & granule & inferior olive cell loss, 44417
hypnosis & arm levitation technique, 36282
iatrogenesis, immobile elderly patients, nursing implications, 30055
ibotenic vs quinolinic acid vs electrolyte anodal cell vs fiber lesions of red nucleus, postural righting & skilled movements & learning, female rats, 24722
icv benzodiazepine agonist Ro 15-4513, selective antagonism of ethanol vs sodium pentobarbital induced motor disturbances, male mice, 4775
icv calcium channel blocker omega-Conotoxin prior to ip ethanol, spontaneous & evoked tremor & righting & sleep, male rats, 32588
icv dopamine in ventral pallidum/substantia innominata, cognitive & motor processes during short term memory task, male rats, 36843
icv L-beta-methylamino-alanine with vs without MK-801 vs AP-5 vs DNQX, EEG & grooming & splay & convulsions & rigidity & other motor behavior, male rats, 32663
icv octreotide vs cysteamine, nicotine induced prostration & immobility syndrome & convulsions, male rats, 21044
identification & localization of neck muscle motor neurons used in pecking behavior in cervical spinal cord, pigeons, 32404
impairment of voluntary limb movements, 15–58 yr olds with Wilson's disease, 34032
implicit & explicit memory & skill learning in cognitive motor task, young adults vs elderly, 925
impulse activity of strio-pallido-thalamic system associated with planning & realization of motor neurons, patients with parkinsonism, USSR, translated article, 6374
inferior colliculus electrical stimulation with vs without morphine & naloxone, escape & freezing & other motor responses, male rats, 16744
instrument morphology & cognitive aspect of movement in playing & structural characteristics of music, 8282
intention, stride frequency & amplitude flexibility, adults, 28225
interindividual variation in foraging movements, brook char, 8562
intrastriatal 6-OHDA, dopamine agonists induced circling behavior & terminal loss & receptor changes, male rats, implications for neural etiology of Parkinson's disease, 20510
ip dopamine agonists CQ 32-084 vs CQP 201-403 with vs without sulpiride, yawning & sedation & preening & pecking, male chickens, 40564
ip neurotensin with vs without morphine, vocalization & nociception & agitation & other motor behavior, female guinea pigs, 12874
irreversible dopamine antagonist with vs without R-propylnorapomorphine vs quinpirole vs SKF 38393, grooming & rearing & locomotor activity, rat pups, 44675
iv haloperidol, video analysis of spontaneous motor activity & psychological & physical responses, healthy male 21–50 yr olds, 16774
jaw movement & masticatory muscle activity & EMG during limb licking & chewing & drinking, male rabbits, 28633
jaw movement conditioning, neuronal activity & plasticity in hippocampus, rabbits, 32426
joint range of motion physical fitness training program, automobile driving skills, 60–85 yr olds, safety implications, 15775
kappa opioid & PCP receptors, dynorphin Ia induced analgesic & motor responses, male mice, 12891
kappa opioid agonist U50,488, motor activity & stretch responses to saline vs milk, 19–21 gestational day old rat fetuses, 32569
kinematic & motor patterns & morphology, aquatic prey capture & feeding, 6 species of larval & adult salamanders, 16514
lateral distribution & neuronal origin of motor activity during sleep, patients with panic disorder, 17855
lateral head motion, monocular perception of surface orientation in depth of rectangle vs trapezoid, college students, 43994
laterally overlearned ideographic writing, learning transfer to contralateral hand, right handed 18–42 yr olds, implications for organization of trajectorial storage mechanism, 40367
learned association between auditory stimuli & motor responses, neuronal activity in motor & premotor cortices, adult monkey, 40364
left side periaqueductal gray L-glutamate, arterial BP & plasma arginine vasopressin & stereotyped & other motor behavior, male rats, 16813
leftward turning bias & visuospatial vs verbosequential ability, 18–35 yr olds, 12222
length & intensity of utterance & respiratory phase, prephonatory chest wall movements at voice initiation in RT task, 20–31 yr olds, 12656
length of running vs swimming training, adaptation in blood glucose & lactate at rest & following stressful swimming, male rats, 8795
lesion of entopeduncular nucleus, D1 & D2 receptor specific dopamine antagonist induced circling behavior, male rats, normotensive model of motor rotation, 36853

limb movement & effector configuration & movement dimensions, knowledge about movements underlying functional interactions with objects, college students, 40107
limb preference & asymmetry & reaching success, Long Evans rats, 24721
limb rhythm coordination, goal directed motor process production, college students, application of dynamical models, 28228
local cerebral glucose utilization & neuronal mechanism of motor disturbances, rolling Nagoya mice vs heterozygotes, animal model of basal ganglia dysfunction, 28564
locomotive processes & respiratory biomechanical by-products, short ultrasound vocalization & communication, rodent species, 12629
locus ceruleus lesion 1 vs 2 wks prior vs simultaneous to right sensorimotor cortex injury, cerebellar norepinephrine induced facilitation of motor recovery, rats, 36488
manual lifting task, discriminability of load heaviness, male college students, implications for psychophysical approach to manual lifting, 226
masculine vs feminine body positions & movement patterns, 11–41 yr old females with congenital adrenal hyperplasia vs simple virilization vs salt wasting, Germany, 30026
MDMA induced cortical serotonin depletion with vs without atropine, spatial navigation & skilled reaching & stimulus property judgments during foraging & other behavior, male rats, 20970
medial frontal vs motor cortex lesions, limb preference & impairment & trajectories & component movements, female rats, 12560
medial vs sulcal prefrontal cortex electrical stimulation induced motor activity & defecation & conditioned taste aversion, self stimulation acquisition, male rats, 577
methylphenidate, reinforced responding & motor performance & reinforcement efficacy, male rats, 24899
MK-801, antinociception & anxiety & sedation & ataxia, male cynomolgus monkeys, implications for therapeutic uses of NMDA antagonists, 24974
mobility gradient in organization of shared movement patterns, vertebrates, commentaries & reply included, application of N. Eshkol & A. Wachman's symbolic notational system, 8582
model of inverse kinematics problem in reaching control, 40064
model type & verbal rehearsal strategy during physical education, motor sequencing, 7–8 yr old learning disabled males, 7519
motor & memory & psychiatric disturbances, patients with Wilson's disease with vs without neurologic impairment, conference presentation, 6244
motor behavior correlates of action potentials & long term recording, macaques, 36606
motor cortex lesions, forelimb use during reaching & grasping phase of free feeding, female rats, 600
motor imagery, regional cerebral blood flow, 21–32 yr olds, Sweden, application of SPECT method, 40407
motor learning & preparation, regional cerebral blood flow in parietal & frontal lobes & basal ganglia, male 22–29 yr olds, 36500
motor pattern generating networks of rhythmic neural activity, invertebrates, 20663
motor retrieval & encoding & strategic processing, age differences in recall of motor tasks, 18–26 vs 60–79 yr olds, 25145
motoric dominance for hand vs foot vs eye & lack of visual & auditory cues, turning behavior on stepping test, male vs female 14–18 yr olds, 28227
movement control through skin & muscle & joint receptor feedback & CNS access to motor command signals, research review, conference presentation, 24676
movement observation in physical education, 11416
movement patterns, visitors at conference poster sessions, 32126
movement related EPs prior to voluntary movements, schizophrenic patients, 21834
movement representations during handwriting vs drawing with right vs left hand, right handed 18–35 yr olds, 36535
music perception with vs without simple motor tasks vs neuroleptics, EEG mapping correlates of brain dysfunction, 18–62 yr olds with schizophrenia or depression, Germany, 41479
myo-inositol, effects of lithium on motor behavior & activity, rats, conference presentation, 8928
naloxone vs naltrindole vs beta funaltrexamine vs norbinaltorphimine, amphetamine induced motor activity & antinociception, male rats, 12808
nature & extent of feeding difficulties, 15–39 mo olds with cerebral palsy & moderate to severe oral motor dysfunction, 2307
neonatal bombesin, exploratory & other motor behavior & core body temperature & isolation or novelty induced activity & stress & open field behavior, rats, erratum, 8954
neonatal medial prefrontal cortex lesions, spatial delay alternation sparing & dopaminergic innervation & DOPAC & HVA, male rats, 550
neonatal vs weanling vs adult lesions of mesotelencephalic dopamine pathway, paw reaching & rotation behavior, female rats, 24642
nesting ecology, biting behavior during escape, 2 species of bumblebees, 489
neuronal activity in striatum related to expectation of predictable signal & execution or inhibition of movement & expectation of reward in go/no go task, male monkeys, 16610
neurophysiologic detection of extrapyramidal motor signs, 50–85 yr olds with Alzheimer's disease, 34193
neurophysiology & other parameters of lower limb function, hemiplegic 6–14 yr olds, 2246
nitrous oxide inert gas narcosis, vestibular ocular reflex, 22–35 yr olds, 44510
nonnourishing or nonremovable food & hunger & head load & grain size, pecking patterns during foraging, pigeons, 24612
obsessive compulsive symptoms & motor asymmetries, patients with Parkinson's disease, 22408
occupationally embedded computer game intervention vs rote exercise, range of arm reach, 22–54 yr olds with traumatic brain injury & spasticity in upper extremity, 19270
ontogenetic patterns of PCP induced wall climbing behavior & locomotor activity, rat pups, 24977
opioid agonists vs antagonists, milk induced stretch response, fetal rats, 4929
paired vs single choice vs simple RTs & motor responses, 24–62 yr olds with Parkinson's disease, 42082
paroxetine with vs without caffeine vs theophylline vs theobromine vs pentoxifylline, 5-HTP induced head twitches, 5,7-dihydroxytryptamine vs pargyline pretreated male rats, 36808
perceptual memory task with vs without motor process initiation & frontocortical DC potential shifts, task response prediction, 22–31 yr olds, Austria, 24771
perceptual priming & implicit memory for dynamic information & recognition of real vs distorted motor actions, high school students, 5120
performance on verbal vs visuospatial cognitive tasks, patients with Parkinson's disease with left vs right motor predominance, 18382
perinatal development of spontaneous body movement & reflexes, Slc:ICR vs C3H/He vs BALB/c mice observed day 18–21.5 of gestation, 24600
perspectives on control of orienting movements by brain stem tegmental circuits & Cartesian components hypothesis, barn owls, conference presentation, 16560
perspectives on controlled approach & passive judgment paradigm in research on optical variables utilized in active control of locomotion using computer simulated collisions, 20218
physical context, recall or recognition of actions immediately after performance vs 24 hrs later, 18–29 vs 67–90 yr olds, 9183
physiological & psychomotor & psychological effects of alcohol, 24929
ponderal index, RT & movement time, male 18–25 yr olds, 28166

postanesthesia shaking after ECT, female 84 yr old with major depression, letter, 22804
postnatal morphine with vs without naloxone, EEG & locomotion & other motor behavior, rat pups, 8988
postrotatory tilt, 3 dimensional eye movements, squirrel monkeys, 40471
postural position & visually guided reaching, duration of gazing at mother during social interaction, 3–6 mo olds, 1069
posture & load height & S-load horizontal distance in load holding, isometric strength & endurance, healthy male adults, 12202
power law of human motor control, 32122
practice, change in planning & execution of movements in maze task, 21–38 yr olds, 40070
precue stimuli & arm &/vs direction change, RT latencies in movement plan restructuring vs spatial orienting tasks, 18–31 vs 65–80 yr olds, 28895
preferred vs nonpreferred hands in skilled vs unskilled speed & coordination & strength motor tasks, epileptic patients with nonlateralized cerebral dysfunction & psychiatric patients, 21641
premotor area anodal direct current intensity, struggle with violent movement vs gentle flexion of forelimbs, male rabbits, 24690
prenatal ethanol, 5-methoxy-N,N-dimethyltryptamine induced forepaw treading & hind limb abduction & 5-HTP & carbidopa induced wet dog shakes, rats, 20859
prenatal exposure to anxiolytics &/or antipsychotics, motor maturity & tremulousness & tonicity & reflex response & other behaviors, neonates of mentally ill mothers, 24842
prenatal hydrocortisone, development of motor & open field & other behavior & kainic acid induced wet dog shakes & limbic seizures, rat pups, 24882
prenatal smokeless tobacco, open field behavior & body weight & physical development & learning ability & motor processes, rat pups, 44702
prenatal stress, novel environment induced exploration & clinging to surrogate or other infants & locomotion & other motor behavior, infant rhesus monkeys, 20450
preoptic area histamine, hippocampus mediated motor & exploratory behavior, male rats, 678
preparation for alternate finger tapping vs syllable vocalization task, facilitatory priming for semantic sensibility judgments, college students, 12120
primitive motor processes in Bender Gestalt Test & relation to childhood development, emotionally disturbed children, 15953
process of image creation in dynamic consciousness state in movement art psychotherapy, patients, 6853
profitability of food sources, round dance sound & behavior, honey bees, 24622
psychoethological interpretation of tail carrying, female mice, 12424
psychopathology, patients with Parkinson's disease with vs without on-off motor fluctuations, 46071
psychophysical capacity for lifting symmetrical & asymmetrical loads symmetrically or asymmetrically, industrial workers on 8 hr shifts, 3743
reaching under postural adjustment conditions, hand preference, orangutans & chimpanzees, 44211
rearing environment, temperament & interactive & neuromotor functioning & development, infant rhesus monkeys, 419
repeated measurements of RT & synchronicity of peak forearm EMG values during bimanual reactions, 21–24 yr olds, Belgium, 8269
resorbable vs nonresorbable suture induced sciatic nerve constriction, spontaneous & morphine & other evoked motor behavior, male rats, animal model of neuropathic pain, 4592
rest vs postural change vs voluntary muscle contraction, recurrent inhibition of Renshaw cell excitability, mentally retarded 16–35 yr olds with or without motor alteration, 26097
rewarded vs unrewarded patterns, motor behavior during 2-choice pattern discrimination, rabbits, 32301
rhythmic organization of spontaneous motor activity, 26–36 wk old premature infants, 44871
role of motor activity & cognitive development in sensorimotor development, physically handicapped children, application of Piagetian theory, commentary, 6242
role of motor activity & cognitive development in sensorimotor development, physically handicapped children, application of Piagetian theory, 6208
role of motor activity & cognitive development in sensorimotor development, physically handicapped children, application of Piagetian theory, commentary, 6224
rotation of Necker cube, reduction of depth reversals, college students, 235
RU 28362 vs aldosterone or apomorphine, D-2 receptor mediated sniffing & adrenocortical hormone induced dopamine agonist sensitivity, adrenalectomized rats, conference presentation, erratum, 16753
SCH 23390 spiperone, levodopa induced stereotypic air stepping, rat pups, 8974
SCH 23390 vs sulpiride, SKF 38393 induced rotational behavior & striatal dopamine receptors, male rats with unilateral nigrostriatal 6-OHDA lesions, 12831
season of birth & average monthly temperature, age of crawling onset, 8–14 mo olds, 28861
selective attention while reaching toward object & ignoring other objects, use of internal representations, college students, 12302
selective D1 & D2 dopamine agonists &/vs antagonists, MPTP induced motor impairments & locomotor activity, common marmosets, 24930
sensory stimulation to face, apomorphine induced control of turning toward vs away from manipulated side of face, male rats, 24986
serial pattern learning by motor responding vs observation, college students, 4383
sex & age & education level, motor speed & eye hand coordination on finger tapping & grooved pegboard tests, 16–70 yr olds, 44896
sex & presentation order & trial blocks, performance on Type C discrimination RT task, young adults, 44046
sex, side vs front book carrying behavior, college students, Switzerland, verification of observational studies, 36140
sex typed body movements & gestures, 7–17 yr old males with gender disturbance, commentary, 29562
sex typed body movements & gestures, 7–17 yr old males, commentary, 29580
shelf coding & continuous presentation of address information, cognitive aspects of acquisition time, expert vs novice employees of mail order filling company, 19819
shoulder vs elbow EMG muscle activity onset during forelimb reaching, rats, 28617
sighting eye dominance & eyelid winking & handedness, motor function development in response to sensory function, adults, 36503
sigma receptor agonist with vs without BMY 14802 vs sulpiride, rearing & sniffing & head movement & locomotion, cocaine sensitized male rats, animal model of schizophrenia & neuroleptic therapy, 4942
simple visual &/or auditory &/or movement &/or complex &/or choice RT, 24–60 yr olds with vs without HIV, Norway, implications for development of neuropsychological test battery, 18273
simultaneous isochronous tone sequence presentation & presence & source of feedback, cooperative rhythmic timing of tapping, 26–55 yr olds, 24358
single vs chronic paroxetine, 5-HT induced head twitches & phosphatidylinositol hydrolysis in cortex & spinal cord, mice with vs without neonatal 5,7-dihydroxytryptamine, 40618
SKF 38393 &/vs quinpirole, morphine withdrawal induced aggression & motor behavior, male mice, 775
smooth pursuit & vestibuloocular reflex, horizontal combined head & eye visual tracking, male 24–42 yr olds, test of superposition theory, 20215
social grouping & physical orientation while standing idle, N'dama cattle, 44304
somatosensory pressure, tonic immobility & grasping reaction, bilaterally labyrinthectomized male rats, 44428

speaking rate, speech movement velocity profiles of lower lip & tongue tip during production of stop consonants, 19–35 yr olds, 25057
spectral composition of EEG during voluntary self paced movements, schizophrenic 18–64 yr olds, 5905
spinal interneurons' relay vs muscle activation functions during movement, conference presentation, 24694
stability & reproducibility of time structure & number of initiations & K function in evaluation of motor activity under nocturnal conditions, male rats, 12650
stepping &/or sitting practice, neuromotor patterns, 6 wk olds, 7 wk followup, 44919
stimulus train & voluntary movement ability, movement related brain potentials, male 22–58 yr olds, 36597
stress, belly nosing & manipulation of ears or tail or other parts & head shaking & other behavioral indicators, early weaned piglets, 20415
subchronic haloperidol with vs without scopolamine, vacuous jaw movement & rearing behavior, male rats, 40683
subgrouping based on cognitive & motor impairment & CSF somatostatin & HVA & 5-HIAA & other clinical & neurochemical correlates, elderly with Parkinson's disease, 42101
subjectivity vs objectivity defined successive movement repetition & systematic bias, college students, implications for motor memory, 24357
substance P, long or short term memory & activity & exploratory efficiency & habituation & perimeter walking in automated tunnel maze, male rats, 28755
substantia nigra acetylcholinesterase, circling behavior, male rats, 712
substantia nigra acetylcholinesterase with vs without apomorphine vs nomifensine vs amphetamine, circling behavior, male rats, animal model of drug therapy for Parkinson's disease, 713
task complexity & separation of initial & subsequent movement, RT & movement time, adults, 285
teacher experience & expertise, motor appropriate on & off task behavior in physical education class, mainstreamed vs nondisabled 1st–6th graders, 11565
teacher mediated instruction vs peer mediated social interaction, motor responses, profoundly mentally retarded 11–12 yr old females, 31366
temperament & motor & other behavioral contrasts, male cynomolgus vs lion tailed macaques, 24575
temporal coordination in prehension task, 52–72 yr olds with Parkinson's disease, 38222
temporal duration & separation of dance sounds & waggle movements, honeybees, 20422
temporal stimulus accents, verbal production & motor accompaniment synchronization, 5.5 yr old musicians vs nonmusicians, France, 9147
theory of human development based on social interaction & communication & movement, implications for movement science & developmental psychology, commentary, 5044
theory of human development based on social interaction & communication & movement, implications for movement science & developmental psychology, commentary, 5043
theory of human development based on social interaction & communication & movement, implications for movement science & developmental psychology, commentary, 5052
theory of human development based on social interaction & communication & movement, implications for movement science & developmental psychology, commentary, 5046
theory of human development based on social interaction & communication & movement, implications for movement science & developmental psychology, commentary, 5050
theory of human development based on social interaction & communication & movement, implications for movement science & developmental psychology, commentary, 5054
theory of human development based on social interaction & communication & movement, implications for movement science & developmental psychology, commentary, 5048
theory of human development based on social interaction & communication & movement, implications for movement science & developmental psychology, 5037
theory of human development based on social interaction & communication & movement as essential components, implications for movement science & developmental psychology, commentary, 5056
theory of human development based on social interaction & communication & movement, implications for movement science & developmental psychology, commentary reply, 5038
theory of human development based on social interaction & communication & movement, implications for movement science & developmental psychology, commentary, 5031
time of night patterns for periodic leg movement in sleep, patients with vs without narcolepsy or sleep apnea, 10210
time uncertainty & stimulus reaction compatability & movement direction, RT & EPs in motor programing processes, 24–37 yr olds, 4649
timing processes in control of manual & orofacial & speech movements, 18–30 yr olds, 8271
treadmill running test, estimation of motor recovery after dopaminergic cell grafts, 6-OHDA lesioned rats, 32396
TRH analog CG3703, paw contact patterns during stance phase of locomotion, female rats, application of computer analysis technique, 8879
unilateral lesions in tuberomammillary nucleus with vs without histidine, asymmetry in thigmotactic scanning & turning behavior, male rats, 16595
unilateral quinolinate vs ibotenate lesion of pedunculopontine tegmental nucleus, motor activities & eating & drinking, male rats, 12505
unilateral subthalamic nucleus ablation, SKF 38393 vs quinpirole induced rotation, male rats with 6-OHDA lesions of nigrostriatal pathway, 12483
use of dimension of color as partial information, stimulus response translation strategies in go/no go reaction task & physiological assessment of duration of stimulation, adults, 12249
use of forelimb grip strength, assessment of centrally or peripherally acting drug induced muscle relaxation, male mice, 36845
validity of Max coding formulas & recognition & rating of muscle actions corresponding to emotions of infant vs adult facial expressions, naive graduate students, 9582
validity of minimum-jerk modal, prediction of smoothest trajectory for vertical aim movements, right handed males, 44045
verapamil vs flunarizine, PCP induced EEG & head weaving & ataxia & other behavior, male rats, 16844
verbal command & auditory stimulation, unit activity of thalamic reticularis neurons during motor activity, dyskinetic patients, 38280
verbal vs manual rapid automatized naming & reading ability, language impaired 4 yr olds, 2 & 4 yr followups, 14125
vibroacoustic stimulation, maturation of heart rate acceleration & movement responses, 23–36 wk old fetuses, Canada, 12995
vibroacoustic stimulus, heart rate & movement, fetuses at risk for preterm birth assessed at 23–36 wks gestational age, conference presentation, 6234
visual cortex hyperactivity & glucose metabolism during arm movements, brain injured adults with hemiparesis, implications for neural mechanisms, 10334
visual stimulus, response latency of motor CRs & interhemispheric interaction, female 20–35 yr olds with depression, translated article, 37702
visual tracking, head movement & motorcycle vs flying helmet slippage, 17–27 yr olds, 40059
warning stimulus, somatosensory EPs before RT task, 20–31 yr olds, implications for input modulation during motor perception, 40432
waving display, female fiddler crabs, 44347
white matter lesions & brain regional symptomatology & atrophy & neurologic motor signs, patients with early vs late onset Alzheimer's disease, Sweden, 26341
whole list vs item specific contexts, memory of action related tasks, college students, 40162

wrist flexion & extension responses assigned to separate stimuli & no go response to visually similar stimuli, primary cortex neuron responses & preliminary perceptual output, monkeys, 12611
5-HT releasers vs antagonists at lumbar level, spontaneous tail flick elicitation, serotonergic neuron lesioned vs nonlesioned rats, implications for receptor mediating induction location, 28487
5-HT2 agonist DOI with vs without ketanserin, 5-HT2 receptor mediated head twitching, male mice, 12762
5,7-dihydroxytryptamine induced central serotonergic depletion with vs without dextroamphetamine or beta carboline FG-7142, exploratory & motor behavior, male rats, 20913
6-OHDA induced destruction of striatal dopamine afferents, dopamine clearance & diffusion & apomorphine induced rotation, rats, 24713
6-OHDA induced dopamine depletion in nucleus accumbens, PCP induced stereotypy & ataxia & locomotor & social behavior, male rats, 40682
Motor Processes [See Also Activity Level, Animal Locomotion, Exercise, Finger Tapping, Jumping, Licking, Motor Coordination, Motor Performance, Motor Skills, Physical Agility, Physical Dexterity, Running, Sucking, Swallowing, Swimming, Tonic Immobility, Tool Use, Walking, Wandering Behavior, Yawning]—Books
Tutorials in motor behavior, 2. Advances in psychology, Vol. 87, 24364
Motor Processes [See Also Activity Level, Animal Locomotion, Exercise, Finger Tapping, Jumping, Licking, Motor Coordination, Motor Performance, Motor Skills, Physical Agility, Physical Dexterity, Running, Sucking, Swallowing, Swimming, Tonic Immobility, Tool Use, Walking, Wandering Behavior, Yawning]—Chapters
The Action Profile system of movement assessment for self development, 1490
Aging, memory, and cholinergic systems: Studies using delayed-matching and delayed-nonmatching tasks in rats, 12570
Augmented feedback for enhanced skill acquisition, 24389
Bioelectrical and biomechanical correlates of rapid human elbow movement, 24785
Can duration be a relevant dimension of motor programs?, 16252
Constraints, phases and sensorimotor processing in prehension, 24374
The coordination of infant's reaching, grasping, catching and posture: A natural physical approach, 40879
Determinants of timing in serial movements, 16157
The development of symbolic-motor performance in Minimal Brain Dysfunction boys, 43337
Distributed control of limb position and force, 24739
Effects of practice on reaching movements made to moving targets, 24366
Elderly exercise: Relationship to ambulatory function, fall behavior, and well-being, 7023
The emergence of behavioral regulation during fetal development, 20728
Equilibrium trajectories underlying rapid target-directed arm movements, 24368
Frequency locking, frequency modulation, and bifurcations in dynamic movement systems, 24365
From action representation to movement control, 24744
Functional force control in Parkinson's disease patients, 26363
Human jaw movement kinematics and control, 24378
Influence of perinatal risk factors (preterm birth, low birth weight, and oxygen deficiency) on movement patterns: An animal model and premature human infants, 16599
Kinematic, electromyographic, and perceptual evaluation of speech apraxia, conduction aphasia, ataxic dysarthria, and normal speech production, 41444
Motor programming and control, 24382
Network models of motor systems with many degrees of freedom, 47554

Motor Skill Learning [See Perceptual Motor Learning]
Motor Skills—Serials
ability to perform activities of daily living & cognitive & motor functioning, patients with Huntington's disease, 30237
age & sex & balance & sport participation, development of throwing, 4–14 yr olds, 37016
age, motoric aspects of transcription typing skill, 21–71 yr old typists, Canada, 25113
application of many faceted Rasch model to development of Assessment of Motor & Process Skills scale, assessment of activities of daily living, occupational therapy clients, 31803
cerebral control, stability of visuomotor control of repetitive hand movements, right handed 20–22 yr olds, 12550
cerebral motor lateralization & familial sinistrality & sex, right vs left hand skills, right handed 20–22 yr olds, 596
chronological & motor age & perceived competence, 3.2–5.1 yr olds, 32810
cognitive & motor ability & expression of communicative functions & physical & social communicative environment, profoundly mentally retarded 23 yr olds & older, Sweden, 22125
concurrent cognitively demanding task, soccer skill performance, female novice vs intermediate vs expert soccer players, 28958
confirmatory factor analysis of motor & psychomotor & visual spatial tests, right handed 9–12 yr olds, Canada, implications for neuropsychological assessment, 4111
development of hand skill measurement, school age children & college students, England, 21162
discussion of classic article by P. M. Fitts on information capacity of human motor system to control amplitude of movement, 1954, 290
effectiveness of neurodevelopmental treatment, rehabilitation & enhancement of motor skills, children & others with neuromotor disorders, annotated bibliography, 11096
exercise time & skill level, fitness load, 7th–11th grade physical education students, 23495
goal proximity & achievement motivation, basketball speed shooting skills, male 10th graders, 7415
gross locomotion & tactile sensorimotor & spatial memory, middle cerebral artery severed rats, animal model of cerebral ischemia, 32453
hand preference & skill & asymmetry of Planum Temporale, left vs right handed 14–15 yr olds, UK, 21132
hand skill vs preference, autistic vs mentally retarded children, formulation of developmental model of handedness, 18082

hand vs foot vs eye vs ear lateral preference & leg motor asymmetry, 5–6 vs 8–9 yr olds with vs without clumsiness, 28896
information capacity of human motor system to control amplitude of movement, reprint, 286
information processing model of motor skill diagnosis, teacher educators & prospective physical education teachers, 7385
inhibition of neuromotor noise, writing skill, 2nd–4th graders, 40854
inner game vs progressive teaching method & hemispheric dominance, motor skill learning, college students, 11405
instruction & practice, ball catching skill, male 8 yr old, England, 9204
manual & hemispheric specialization in joystick manipulation in tracking paradigm, RT & transfer, baboons, 24715
manual asymmetry & hand skill, right handed 20–22 yr olds, Turkey, test of left vs right brain influence, 12552
mastery vs nonmastery learning methods, performance of basketball skills in isolation vs competitive game situation, male 7th graders, 7399
motor & cognitive & perceptual & communication abilities & activities of daily living, 60–91 yr olds in long term care for 1 yr or more poststroke, Sweden, 46885
motor planning ability, learning disabled vs healthy 7–12 yr olds, 41836
physiotherapy, mobility skills, 65–91 yr olds with dementia, 42906
rhythm providing timing cues, acquisition of motor skills in tracking task, 18–25 yr olds, 8272
right vs left cerebral motor control, intermanual difference in hand skill, right vs left handed 20–22 yr old males vs females, Turkey, 12551
schema abstraction vs exemplar based model of motor skill memory representation, prediction of response bias in novel task transfer & retention, right handed male college students, 24458
self esteem & perceived vs actual competence in cognitive & social & physical domains, 10 yr olds with motor coordination problems, Norway, 21257
sheltered workshop work attendance & cognitive & motor functioning, 18–60 yr old chronic psychiatric patients, 27117
similarity to sex & athletic ability of model, self efficacy & motor performance, female college students, replication & extension, 8273
skill related thoughts during tennis instruction, forehand ground stroke performance, 4th graders, 7419
speed & hand arrangement, production of bimanual polyrhythms of varying complexity, experienced pianists vs nonmusicians, Australia, 28232
table top board game, cognitive perceptual & sensorimotor skills in occupational behaviors, healthy 26–68 yr olds, implications for occupational therapy, 27174
type & duration of gaze control during putting, high vs low handicap 20–60 yr old golfers, 11727
validity of Kohen-Raz subscales of Bayley Mental Development Index, prediction of reading & arithmetic & fine motor coordination & language scores at 6–8 yrs old, 4 vs 8 vs 12 vs 18 vs 24 mo olds, 35839
visual control of linear braking & tau function of body angle in upright landing from forward somersault, trampolinists, 12136
visuospatial training, functional & motor skills, 50–84 yr olds with right hemisphere stroke, Canada, 42901

Motor Skills—Books

Motor learning & performance: From principles to practice, 40072

Motor Skills—Chapters

Motor and procedural memory in Alzheimer's disease, 14387
Perception-action coupling in infancy, 40880

Motor Traffic Accidents—Serials

accident severity & history of drunk driving & driver's remorse & admitted intent, perceived character traits & cause & responsibility & blame & punishment of male drunk driver, 18–62 yr olds, 18030
age & binocular static visual acuity & horizontal visual field & contrast sensitivity screening criteria, crash involvement, 16–76 yr old & older drivers, 39611
age & sex, decision making & driving style & road traffic accident involvement, 18–60 yr old & older drivers, UK, 39612
age & sex, fatal vs injury accidents per driver & per capita, 16–75 yr olds & older, 1983 vs 1990, 43595
age, risk factors for single vehicle accidents, male vs female 18–19 vs 25–54 yr olds, Sweden, 35672
body regions involved in life threatening & disabling injuries in car-to-car side impacts, drivers & passengers, Sweden, implications for protective system development, 31680
characteristics of fatal crashes in traffic environment, over 60 yr olds, Sweden, 31698
collision preventing benefits of reduction in RTs to onset of fast rise brake lamps in car following simulation, drivers, 31697
comprehensive costs of & fatalities from 1st & most harmful events in motor vehicle crashes causing injury or property damage, conference presentation, 31700
demographic & injury & crash characteristics & incidence of alcohol & drug use, 13–88 yr old seriously injured motor vehicle collision hospital admissions, Canada, conference presentation, 45756
deterrent & preventive measures, drunk driving & traffic accidents, Japan, 1936
driver characteristics & driving time & distance exposure, risk of traffic crashes, 16–80 yr old & older drivers in southern urban vs rural vs northern Ontario, Canada, conference presentation, 31677
driving experience & locus of control, self bias in perceived likelihood of driving & nondriving accidents, 50–79 yr old drivers, England, 47545
driving habits & accidents, elderly with Alzheimer's disease, traffic safety implications, 14294
epidemiology & symptoms & treatment & other aspects of whiplash injuries of head & neck due to vehicle collisions, 14167
escalation of punishment threat in state laws, incidence of drunk driving & motor vehicle fatalities, 1975–86, test of deterrence theory, commentary reply, 29851
escalation of punishment threat in state laws, incidence of drunk driving & motor vehicle fatalities, 1975–86, test of deterrence theory, commentary, 29898
factitious apraxia, female 28 yr old car accident victim, 22170
fault tree analysis of causes of & roles of drivers & vehicles & environmental factors in large vehicle accidents, 3852
Georgia's mandatory safety belt use law, injuries & fatalities, drivers, 43597
helmet use, outcomes of head vs chest vs abdomen vs extremities injury & medical resource utilization, motorcycle crash victims, conference presentation, 39619
incidence of alcohol or drug use, fatally injured drivers, 1989–90, Norway, 45719
informal social control & mutual consideration in prevention of road accidents, 31684
intensive therapeutic recreation services, male 20 & 26 & 32 & 45 yr olds & female 48 yr old with injuries from car accidents or heart attack with brain injury, 42560
involvement in alcohol related accidents, White vs non-White drivers, 1980–88, 45744
learned riskiness in driver behavior & traffic accidents & behavioral interventions, 8376
legal cases involving negligent driving by patient as extension of Tarasoff decision on duty to protect potential victims & standard of strict liability, psychotherapists, 27321
locus of control & other personality variables, beliefs about causation of traffic accidents, male driving license applicants, 31691
Louisiana drunk driving legislation, duration of change in fatal & injury accidents, drivers, 39617
mandatory use of daytime running lights, traffic accidents, 1980–90, Norway, 47543
methodological issues in research on & individual differences in driving skill & style correlates of road traffic crash risk, drivers, 23864

mild social deviance & Type A behavior & decision making & driving style, traffic accident risk, adult drivers, 45269
motor vehicle crash involvement, 49–100 yr olds with vs without dementia, Canada, 35673
observation & self report of driving behavior & accident involvement, drivers, England, 39621
perceptions of traffic problems, professional vs ambulance drivers vs driving candidates vs instructors vs exam board members vs firefighters vs traffic offenders vs police officers vs pedestrians, 43596
personality & behavioral predisposition & social factors & risk taking & PTSD incidence & psychiatric sequelae, 6 & 8 yr old males with behavior or personality problems following traffic accidents, 25649
personality & demographic & automobile & behavioral characteristics, risk taking & accident involvement & driving behavior, motorists, 31681
physician's role in diagnosis & treatment, 3 yr old female with PTSD following automobile accident, case report, 30754
posttraumatic headache assessment & prior history of psychiatric disorder & PTSD, 19–48 yr old motor vehicle accident victims referred to psychological service, 22206
prevalence of automobile & other accidents, narcoleptic adults, 2122
preventive counseling & monitoring group, PTSD incidence & coping, traffic accident victims, Netherlands, 34318
PTSD & other psychological sequelae, 18–55 yr old motor vehicle accident victims referred for headache or pain treatment, 1763
risk of low back pain, 20–59 yr olds admitted to hospital following traffic accidents or falls, UK, 6265
role of alcohol consumption in & characteristics of single vs multiple vehicle crash fatalities, drivers & passengers, 1980–89, Sweden, 29876
role of minimal brain dysfunction in road accident proneness, 26–63 yr olds, 30168
rotating vs nonrotating shift work schedule, sleep wake patterns & sleepiness & automobile accidents & medication errors, nurses, 15286
seat belt laws, driver involved injury rates in single & multiple vehicle accidents, state accident data, 1982–86, analysis of econometric models, 31688
seat belt restraint & crash & injury severity & causation in lateral collisons, occupants of nonstruck side of vehicle, England, 31690
sex, characteristics & accident risk, drivers, 23868
temezepam & safe vs dangerous traffic scenes, P300 EPs, 18–32 yr olds, Australia, implications for driving behavior, 4862
type of licensed drinking establishment, drunk driving & alcohol related traffic accidents & assaults, patrons, Western Australia, 10046
types of errors & unintentional acts in driving, traffic conflicts & accidents & consequences for road safety, adults, 23865
underreporting of cocaine related trauma by Drug Abuse Warning Network vs hospital toxicology tests, emergency patients with major trauma from violent assault vs motor vehicle accidents, 45707

Motor Traffic Accidents—Chapters

Accidents and stress-related health disorders among bus operators: Forecasting with catastrophe theory, 5732
A prospective study of victims of physical trauma, 45585

Motor Vehicles [See Also Automobiles]—Serials

fault tree analysis of causes of & roles of drivers & vehicles & environmental factors in large vehicle accidents, 3852
government regulatory consent decrees, driver & market behavior & injury risks, drivers of all terrain vehicles, 39618
helmet use, outcomes of head vs chest vs abdomen vs extremities injury & medical resource utilization, motorcycle crash victims, conference presentation, 39619
human factors psychological perspective on & need for user centered design of intelligent vehicle highway systems, 31694
infant car seat loan, attitudes toward & use of car seats, parents, Sweden, 47546
personality profiles, motorcycle enthusiasts, 17549
safety & human factors issues in design of Intelligent Highway Systems technology, 15774
slogans on commercial vehicles as reflections of social & personal thought & development, Yoruba drivers, Nigeria, 45054

Motorcycles [See Motor Vehicles]

Mourning [See Grief]

Mouse Killing [See Muricide]

Mouth (Anatomy)—Serials

Castillo-Morales palatal plate therapy, orofacial disorder, 1–17 mo olds with Down's syndrome, 3049
interfacial feeding behavior & mouth part movements & particle flow patterns, Anopheles quadrimaculatus larvae, 16484
medical diagnosis of vs risk for gum disease, coping responses & self reported gum bleeding, college students, 10234
phenotypal frequency dependent natural selection, left vs right mouth opening in predatory behavior, cichlids, implications for handedness, 36467

Movement Disorders [See Also Apraxia, Ataxia, Catalepsy, Dyskinesia, Myasthenia Gravis, Myoclonia, Paralysis, Spasms, Tics, Torticollis, Tremor]—Serials

antiparkinsonian drugs, neuroleptic induced rabbit syndrome & other parkinsonian symptoms, schizophrenic 44–67 yr olds, 10734
carbamazepine in drug treatment regimen, development of asterixis, female 59 & 21 & 63 & male 48 yr olds with bipolar disorder or mania or schizophrenia, case reports, 18768
clinical assessment of antipsychotic drug induced movement disorders & extrapyramidal side effects, patients, 2616
clozapine, psychotic symptoms, female 57 yr old with progressive degenerative dementia syndrome & movement disorder, 38700
component analysis of isometric force generation & release & relationship to cognitive & affective variables & motor disability, adults with Parkinson's disease, 10373
dementing illness & intermittent grand mal seizures & abnormal movements of extremities & neuropathological findings characteristic of Creutzfeldt-Jacob disease, 53 yr old female, case report, 38246
expected allocation of time to & types of fine motor tasks, 2nd & 4th & 6th graders, implications for fine motor deficits & mainstreaming, 15509
gait disorders, 55–87 yr olds with multi-infarct dementia, 42104
gesture type & input modality & movement system & complexity & representational nature of praxis task performance, 6–10.9 yr olds with developmental motor problems, Canada, 26167
incidence & correlates of fluphenazine induced extrapyramidal symptoms, 1st episode schizophrenic patients, conference presentation, 6712
issues in behavioral treatments for tics & movement disorders, bibliography, 46633
local cerebral glucose utilization & neuronal mechanism of motor disturbances, rolling Nagoya mice vs heterozygotes, animal model of basal ganglia dysfunction, 28564
neuroanatomical & neuropsychological bases of apractic disorders, implications for rehabilitation of adults & children with apraxia & developmental dyspraxia, 46044
neurochemical & neurophysiological systems & pharmacologic treatment, patients with movement disorders related to traumatic brain injury, 18931
neuroleptic induced movement disorders, mentally retarded institutionalized adults, Australia, 2995
nigrostriatal & mesolimbic presynaptic dopamine & GABA & opioid & 5-HT function, behavioral & rotation laterality, mutant chakragati mice, animal model of movement disorder, 40363
numb & clumsy hand syndrome & tactile agnosia, male 65–70 yr olds with spondylotic myelopathy, 26275
prevalence of rabbit syndrome, 16–103 yr old psychogeriatric patients vs inpatients vs healthy 60–87 yr olds, Hong Kong, 29536

prevalence of tardive stereotypy & other dopamine receptor blocking drug induced hyperkinetic movement disorders, patients with tardive dyskinesia, 45411
psychotropic induced restless legs syndrome, female 18–67 yr old psychiatric patients, case reports, 6800
role of brain iron status in neuroleptic induced movement disorders, 5774
tardive dyskinesia & Parkinsonism & positive & negative movement disorders, schizophrenic patients, 18772
validity & reliability of adapted Assessment of Motor & Process Skills, measurement of praxis, 1–4.5 yr olds with developmental dyspraxia, 8018
Xenopus frog skin mucus &/vs clorgyline vs l-deprenyl, tongue flicking & climbing & activity & oral dyskinesia, snakes, animal model of movement disorders, 36717
Movement Disorders [See Also Apraxia, Ataxia, Catalepsy, Dyskinesia, Myasthenia Gravis, Myoclonia, Paralysis, Spasms, Tics, Torticollis, Tremor]—Chapters
Conductive education: If it wasn't so sad it would be funny, 47304
Four unusual movement disorders: Painful legs and moving toes syndrome, periodic movements in sleep, restless legs syndrome, and akathisia, 10424
Hemiballismus and other naturally occurring movement disorders, 10870
Kinematic, electromyographic, and perceptual evaluation of speech apraxia, conduction aphasia, ataxic dysarthria, and normal speech production, 41444
Neurophysiologic basis for the treatment of movement disorders, 42113
New strategies for studying higher level motor disorders, 142
Movement Perception [See Motion Perception]
Movies [See Motion Pictures (Entertainment)]
Mozambique—Serials
war related mortality & disease & physical trauma & psychological sequelae, children, Mozambique, 37583
Mucus—Serials
cow's vs soy placebo milk, milk mucus sensation & belief in milk mucus effect, adults, 40475
respiratory symptom history & dairy intake, belief in & sensations associated with milk mucus effect, adults, Australia, 40458
Xenopus frog skin mucus &/vs clorgyline vs l-deprenyl, tongue flicking & climbing & activity & oral dyskinesia, snakes, animal model of movement disorders, 36717
Mueller Lyer Illusion—Serials
apparent contracting interparallel extents of Mueller-Lyer illusion, perception of Poggendorff misalignment illusion, adults, 24298
feedback &/vs visual inspection, Mueller Lyer illusion, 16–39 yr olds, 43960
figure ground relationship of stimulus variables, perception of reversed Mueller-Lyer illusion, college students, 24327
illusion of size using print passage cropped below & above print vs no cropping, similarity to Mueller-Lyer illusion, 8194
length of test line & gap between shaft & wings & framing effects, perceived length of line in reversed Mueller-Lyer illusion, college students, test of enclosure hypothesis, 12170
method of reproduction, Mueller Lyer illusions, college students, 32075
monocular vs binocular viewing of 3-dimensional convex vs concave objects with vs without size cue, Mueller-Lyer illusion of egocentric distance, adults, England, 39987
motor &/vs visual feedback, Mueller Lyer vs Horizontal Vertical illusions, 19–46 yr olds, 43959
Mueller-Lyer & Oppel-Kundt & Ponzo & Poggendorf & vertical horizontal & Zollner & Delboeuf geometrical illusions in haptic vs visual mode, sighted college students, 12142
quantitative method, analysis of illusion magnitude predicted by averaging theories of Mueller Lyer illusion, college students, 43967
Multi Infarct Dementia—Serials
basal kinase & protein kinase C activity & cholesterol content of thrombocyte membranes, patients with Alzheimer's disease vs multi-infarct dementia, 26273
care situation & client & caregiver characteristics, caregiver behavior, institutionalized cognitively impaired 69–97 yr olds & their nurse caregivers, 42844
caregiver rating scales vs performance based testing of independent living skills, assessment of functional status, 50–80 yr olds with Alzheimer's disease vs muti-infarct dementia, 46051
clinical & neuroimaging features, differential diagnosis of multi-infarct dementia vs Alzheimer's disease, elderly, 46086
correlation of late auditory & median nerve somatosensory EPs with neuropsychological test scores, patients with senile dementia of Alzheimer's type vs multi-infarct dementia, 8042
denbufylline, EEG & cognitive & other clinical characteristics & psychopathology, 61–96 yr olds with senile dementia of Alzheimer's type vs multi-infarct dementia, 22938
efficacy & tolerability of idebenone, 80 yr olds & younger with mild to moderate multi-infarct dementia, Italy, 30603
flash & pattern reversal stimuli, serial visual EPs, 65 yr olds & older with senile dementia of Alzheimer's type or multi-infarct dementia or major depression, Scotland, 10408
gait disorders, 55–87 yr olds with multi-infarct dementia, 42104
glycerylphosphorylcholine, 55–80 yr olds with multi-infarct dementia, 18912
hyperkinesia & diurnal variations of plasma corticotropin releasing hormone & ACTH & cortisol, elderly with senile dementia of Alzheimer's type vs multi-infarct dementia, 34236
idebenone, 65–80 yr olds with multi-infarct dementia, Italy, 30647
leuko-araiosis & cerebral atrophy & perfusion, elderly patients with multi-infarct dementia & Alzheimer's disease, 34191
lumbar CSF cholinesterase activity, patients with cerebral infarcts vs late vs early onset Alzheimer's type vs multi-infarct dementia, 30243
multichannel EEG frequency analysis & somatosensory EPs, 42–86 yr old patients with Alzheimer's disease vs multi-infarct dementia vs frontotemporal degeneration, 42094
piracetam, 65–85 yr olds with senile dementia of Alzheimer's type or multi-infarct dementia, 10824
pyritinol, cognitive functioning & EEG & vigilance & clinical global impression, 55–99 yr olds with senile dementia of Alzheimer's type vs multi-infarct dementia, Austria, 26886
reliability & validity of abstract thinking questionnaire, discrimination of dementia types, 66–86 yr olds with primary degenerative dementia of Alzheimer's type vs multi-infarct dementia, 43797
renal tubular urate transport, serum & fractional excretion of urate & sodium & lithium, elderly with Alzheimer's disease vs multi-infarct dementia & rats exposed to plasma of study Ss, 42072
sleep quality & morning activity, depressed moclobemide treated elderly vs patients with multi-infarct vs Alzheimer's type dementia, 25653
social support networks & other factors, objective vs subjective caregiver burden, husbands vs wives of patients with multi-infarct dementia or senile dementia of Alzheimer's type, Canada, 42819
tolerability & efficacy of oxiracetam, neuropsychological functioning & quality of life, 54–82 yr olds with Alzheimer's disease or multi-infarct dementia, 18872
1st symptoms reported by relatives, 25–87 yr old younger relatives & spouses of elderly with dementia of Alzheimer's type &/or multi-infarct dementia or other diagnosis, 46065
Multi Infarct Dementia—Chapters
Depression in multi-infarct dementia, 38303
Multicultural Education—Serials
BAFA BAFA simulation, ethnocentrism & dogmatism & enjoyment of diversity & motivation toward multicultural instruction, college students, 31241
components & evaluation of Pittsburgh's Multicultural Education Demonstration Program, Black vs White middle school students, technical report, 35294
issues in provision of multicultural education, Black & White 6th–8th graders, technical report, 43216

multicultural reading program, middle school students with special needs, 23620
multicultural themes & minority related courses & student exposure to culturally diverse clients & faculty in school psychology training programs, program directors, survey appended, 23380
perceptions of & exposure to multicultural inservice training for special education teachers with African American students, school administrators, 11360
perspectives on & approaches to multicultural education, teachers & counselors, 3400
role of expectations in educational practices & need for multicultural perspective, teachers & counselors of at risk elementary & middle school students, 23429
Multicultural Education—Books
Enhancing the multicultural campus environment: A cultural brokering approach. New directions for student services, No. 60: The Jossey-Bass higher and adult education series, 27555
Promoting diversity in college classrooms: Innovative responses for the curriculum, faculty, and institutions. New directions for teaching and learning, No. 52, 31299
Multicultural Education—Chapters
Constructing race at an urban high school: In their minds, their mouths, their hearts, 27556
Curricular innovations: Social diversity as course content, 31300
A model of a multicultural education course for preservice teachers, 7395
Multidimensional Scaling—Serials
algorithm for & 3 way data analysis of asymmetry with slide vector scaling model, 32026
geometric structures of nondistance models of asymmetric multidimensional scaling, 43859
Guttman's facet analysis, test development & content & construct validity, college students, 43864
individual difference model to multidimensional scaling & cognitive mapping, description of changes in cognitive organization of science concepts, college & graduate students, 8319
individual differences multidimensional scaling method, ratings of painful electrocutaneous stimuli similarity, healthy male 18–46 yr olds, 32011
integration of multidimensional scaling & multivariate analysis with optimal variable transformation, 24249
irrelevance of assumptions of RT distributions in multidimensional scaling of same different judgment tasks, adults, 24253
modality specific brain responses by principal components analysis vs metric multidimensional scaling of auditory & visual EPs, elderly, 16633
multidimensional scaling & cluster analysis of Scale for Assessment of Positive Symptoms & Scale for Assessment of Negative Symptoms, psychotic patients, 20037
multidimensional scaling analysis of perceptually relevant features of M. C. Escher's prints vs artist's classification of his work, college students, 28123
multidimensional scaling in dot pattern prototype distortion paradigm, classification & recognition, college students, 327
multidimensional scaling using city block metric distance function, analysis of perception of similarity of rectangles, adults, 20130
reliability & validity of children's version of DIStance-from-the-PROtotype scale, personality assessment, 6–9 yr olds, 24058
replicability of principal components & multidimensional scaling, assessment of pattern reversal visual EP topography, normal adults vs 58–79 yr olds with Alzheimer's disease, 20676
seriation vs multidimensional scaling of asymmetric proximity matrices, 185
Multidimensional Scaling—Chapters
Gender differences in perceived family life quality among economically stressed farm families, 24051
Multidimensional scaling, 20154
A probabilistic multidimensional scaling approach: Properties and procedures, 205
Multidisciplinary Research [See Interdisciplinary Research]
Multidisciplinary Treatment Approach [See Interdisciplinary Treatment Approach]
Multilingualism [See Also Bilingualism]—Serials
background & linguistic & situational knowledge & skills, coherent multilingual communication, 3–10 yr olds with limited vs native English proficiency, 44879
interference & translations in multilanguage Stroop & picture word naming, trilingual college students, Israel, 36145
Multimodal Treatment Approach—Serials
advantages & difficulties of integration of child & family focused treatment approaches, distressed youth, 10484
application of multimodal therapy to partial hospitalization, patients with borderline personality disorders, 10–25 yr followup, conference presentation, 11081
cognitive & behavioral treatment strategies in group & family therapy based partial hospitalization program, emotionally disturbed 10–16 yr olds & their families, 7141
diagnosis & multimodal approach to treatment of posttraumatic reflex sympathetic dystrophy, 18229
dynamic & behavioral & family oriented multimodal treatment, behavior problems, 2–3 yr olds, 14491
integration of inpatient treatment & transitional day hospital program, psychiatric patients, application of problem solving approach, 30952
integration of systemic perspective & psychodynamic & behavioral aspects in treatment, troubled children & their families, 6614
interactional & individual behavioral interventions in family treatment, agoraphobic 29–55 yr old females with panic disorder, 2538
issues in adjunctive treatment modalities in occupational therapy, reproduction of series of articles, 19267
multicomponent psychotherapeutic intervention, coping with & adjustment to limb amputation, pediatric patients, 18845
multimodal day treatment, academic & social skills & self esteem, 5–12 yr olds with attention deficit hyperactivity vs oppositional defiant vs conduct vs adjustment disorder, 6 mo followup, 23134
multimodal psychoanalytically oriented extended hospital treatment, borderline female 25 yr old, 15058
multimodal treatment approach, body image, female 19 yr old victim of child sexual abuse, 18490
multimodal unit based intervention, war stress & PTSD, 19–55 yr old soldiers surviving SCUD missile attack during Persian Gulf War, 42152
multimodal women's mental health treatment program, 20–67 yr old females hospitalized for depression & anxiety & marital problems & eating disorders & dependency & PTSD, conference presentation, 30939
multiple diagnostic & treatment approach, 26 yr old depressed male with paranoid schizophrenic episodes & suicidal threats, case report, 30323
psychiatric vs multimodal behavioral therapy for 1 vs 2 yrs, attrition & drinking outcome & psychosocial adjustment, alcoholic adults, Sweden, 31010
psychodynamic rationale & techniques for multimodal therapy, 4–15 yr olds with attention deficit hyperactivity disorder & their parents, 6511
psychological problems & psychotherapeutic issues in diagnosis & multimodal treatment planning, seriously brain injured 4.5 yr old male & his family, 6874
psychotherapeutic techniques involving integration of spiritual & standard psychological perspectives, 6515
verbal psychotherapy vs behavior therapy vs physical vs mixed treatment, children with encopresis without organic cause, 14472
Multimodal Treatment Approach—Books
Handbook of psychotherapy integration, 18583
Men, women, and infertility: Intervention and treatment strategies, 26219
Multimodal Treatment Approach—Chapters
Adolescent inpatient treatment, 34981
Assessment and treatment of post-traumatic stress disorder among battered women, 1783
Core issues and future directions in psychotherapy integration, 18594

A critical examination of belief structures in integrative and eclectic psychotherapy, 18603
Cyclical psychodynamics, 42257
Empirical research on integrative and eclectic psychotherapies, 42252
Generalized anxiety disorder, 26546
A history of psychotherapy integration, 18595
Incest: The heart of darkness, 26410
Integrating pharmacotherapy and psychotherapy, 18498
Integration through fundamental similarities and useful differences among the schools, 18586
Integrative psychotherapy of the anxiety disorders, 18612
Long night's journey into day: The treatment of sexual abuse among substance-abusing women, 26491
Medication and psychotherapy, 22486
Multifaceted treatment of patients with severe eating disorders, 10472
Multimodal therapy: Technical eclecticism with minimal integration, 18601
Neuropsychiatry and mental retardation, 38374
Psychotherapy integration: Setting the context, 18606
Systematic eclectic psychotherapy, 18587
Training in psychotherapy integration, 19373
Translating theory into practice: A conceptual framework for clinical assessment, differential diagnosis, and multi-modal treatment of maritally violent individuals, couples, and families, 10581
The transtheoretical approach, 18608
Treatment of psychotic adolescents: Difficulties and pitfalls, 6473
Unified psychotherapy, 42241

Multiple Births [See Heterozygotic Twins, Monozygotic Twins, Triplets, Twins]

Multiple Choice (Testing Method)—Serials

age, thinking strategies used to select answers on multiple choice reading comprehension test, 8–19 yr olds, replication, 25148
characteristics & usefulness of true-false vs alternate vs multiple choice testing, 15879
difficulty & discrimination of none-of-the-above test item option in multiple choice testing, 7920
expectations of easy vs difficult essay vs multiple choice exam, test performance, college students, 11468
methodology for use of verbal reports of thinking in construction & validity of multiple choice tests of critical thinking, 11943
open ended vs multiple choice item response format, diagnostic assessment of achievement on algebra test, 8th–9th graders, Israel, 35957
perspectives on psychological processes in clinical reasoning & use of multiple choice questionnaires in assessment of clinical competence, medical students, 43044
quantitative questions in open ended vs multiple choice formats of GRE, examinees, 8057
response confidence after choice of multiple choice answers, response to feedback, college students, 20289
stochastic model for incomplete knowledge, random guessing & multiple choice decision making behavior, examinees, 4178
use of negation in stems of multiple choice items in medical science course examination, nursing students, 28077
utility of Type K &/vs complex multiple choice test items in educational measurement, research review, 31961
validity & reliability of modification of L. Nedelsky's procedure, standard setting for multiple choice items in assessment of clinical reasoning, medical students, Canada, 31110
validity of desirable number of options vs inclusive none of these option in design of multiple choice test items, college students, 31799

Multiple Personality—Serials

alteration of personality into young Bengali, 32 yr old female with xenoglossy, India, case report, application of ESP vs possession vs reincarnation explanations, commentary, 4420
alteration of personality into young Bengali, 32 yr old female with xenoglossy, India, case report, application of ESP vs possession vs reincarnation explanations, 4418
belief in multiple personality disorder diagnosis, psychiatrists vs lay people, letter, 45395
beliefs about multiple personality disorder, mental health professionals, letter, 29537
carbamazepine, episodic violence, female 17 yr old with multiple personality disorder & 32 yr old with dissociative disorder not otherwise specified, case reports, 22700
carbamazepine, total serum cholesterol, patients with major depression or bipolar or multiple personality disorder, 18708
characteristics of multiple personality disorder, patients, Netherlands, 25692
controversies in J. Breuer's psychoanalytic treatment & multiple personality disorder diagnosis of Anna O, 1955, 30432
credibility continuum of childhood vs contemporary vs screen memories from trauma & ritual abuse, patients with multiple personality disorder, commentary, 25741
credibility continuum of childhood vs contemporary vs screen memories from trauma & ritual abuse, patients with multiple personality disorder, commentary reply, 25705
cult created alter personalities & psychotherapeutic processes, ritual abuse victims, 18534
definition & nature & function of internal self helper & theological factors & use in psychotherapy, sexually abused female with multiple personality disorder, commentary, 18554
definition & nature & function of internal self helper & theological factors & use in psychotherapy, sexually abused female with multiple personality disorder, 18558
definition & nature & function of internal self helper & theological factors & use in psychotherapy, sexually abused female with multiple personality disorder, commentary, 18517
diagnosis & therapy, sexually abused 9 yr old female with multiple personality disorder, case report, 1832
diagnostic differences on Dissociative Disorders Interview Schedule, 31–74 yr olds with trance channeling vs multiple personality disorder, 33526
differential diagnostic criteria, outpatients with multiple vs borderline personality disorder, 45391
dissociative symptoms & failure to lose weight, patients with multiple personality disorder, commentary, 17686
educational training or licensure & workshop attendance, reports of ritual child abuse &/or multiple personality disorder diagnoses, mental health professionals, 19325
ego state therapy, self injurious behavior, 32 yr old female with borderline personality & 26 yr old female with multiple personality disorder, 38629
factor analysis & predictive validity of Child/Adolescent Dissociation Checklist, screening for multiple personality dissociative disorders, children & adolescents, 1 yr followup, 8019
factors in underidentification & diagnosis of multiple personality disorder & recent diagnostic developments in dissociative disorders, sexually abused 9 yr old females, 21938
group psychotherapy management techniques, inpatients with multiple personality disorder treated in diagnostically heterogeneous groups, 26594
historical & theoretical roots of abreaction concept in multiple personality disorder, 33557
iatrogenic complications of undiagnosed multiple personality disorder, poet A. Sexton, 33544
imaginary companion experience, patients with multiple personality disorder, 33546
informed consent in consultation liaison services, 37 yr old male with multiple personality disorder, letter, 46140
Jung's complex theory of dissociation vs empirical research on multiple personality, retraction, 45397
lifetime psychiatric health care costs, 20–48 yr old females with multiple personality disorder, 23016
multiplicity in postmodern theory of self, 42 yr old female with multiple personality disorder, 45379
nature & D. Caul's use of empathic confrontation in psychotherapy, adult survivors of childhood abuse & patients with multiple personality disorder, 26427
nosological & medicolegal issues, patients with multiple personality disorders, 33519

personal account of secondary autism & split personality, female professional, 33554
presence of multiple personality disorder, female 26 & 50 yr olds with atypical eating disorders, 33978
psychodramatic group psychotherapy, 35 & 41 yr old female survivors of childhood abuse with multiple personality or dissociative disorder, 26587
psychophysiology of multiple personality disorder, literature review, 5768
quantitative changes in cerebral blood flow assessed by SPECT, female 47 yr old with multiple personality disorder, 9912
reconstruction of childhood abuse & trauma with vs without hypnosis, adults with multiple personality disorder, 45634
shifts in handedness & hemispheric dominance, 19 yr old female with multiple personality disorder, 33524
similarities between near death experiences & multiple personality disorder, 21725
supportive role of church in therapeutic care, Christians with multiple personality disorder, conference presentation, 6459
symptoms & misdiagnosis of postpartum depression, 37 yr old new mother with multiple personality disorder, case report, 21723
trauma history & symptom profile & diagnostic differentiation, patients with multiple personality vs dissociative disorder not otherwise specified, US & Canada, 25734
types & efficacy & setting of treatment for multiple personality disorder, mental health personnel, 46145
unjustified diagnosis of multiple personality disorder, female 29 & 30 & 32 & 42 yr olds, case reports, 45377
validity of Dissociative Experiences Scale, assessment of multiple personality disorder, psychiatric patients, 43746
validity of splitting & dissociative signs on Rorschach test, diagnosis of multiple personality disorder, 8026
validity of Wagner signs in Rorschach test, diagnosis of multiple personality disorder, 18–45 yr old female inpatients, 8007
vitiation of perpetrator alter ego through dream work, 28 yr old female survivor of satanic ritual & childhood sexual abuse with multiple personality disorder, 26459

Multiple Personality—Books

Clinical perspectives on multiple personality disorder, 42168
Expressive and functional therapies in the treatment of multiple personality disorder, 30293
The family inside: Working with the multiple, 13691
Shattered selves: Multiple personality in a postmodern world, 45416

Multiple Personality—Chapters

Aids to the treatment of multiple personality disorder on a general psychiatric inpatient unit, 42892
Anna O: Reformulation as a case of multiple personality disorder, 29587
Applications of sandplay to the treatment of multiple personality and dissociative disorders, 30345
Art and multiple personality disorder: A developmental approach to treatment, 30563
Artistic symbolic language and the treatment of multiple personality disorder, 30567
Basic principles in conducting the psychotherapy of multiple personality disorder, 42264
Clinical approaches to the integration of personalities, 42185
Dance/movement group therapy with multiple personality disorder patients, 30562
The deinstitutionalization of patients with chronic multiple personality disorder, 42806
Dissociation in the inner city, 42896
Eating disorders in patients with multiple personality disorder, 41527
Eating disorders in survivors of multimodal childhood abuse, 41703
Facilitating the identification of multiple personality disorder through art: The Diagnostic Drawing Series, 29589
The functions of faith: Religious psychodynamics in multiple personality disorder, 25748
Group art therapy with multiple personality disorder patients: A viable alternative to isolation, 30564
Guided Imagery and Music: A music therapy approach to multiple personality disorder, 30565
A history of multiple personality disorder, 41524
Individual art therapy with the hospitalized multiple personality disorder patient, 30566
Integrating ourselves: Multidisciplinary cooperation and synergy in the hospital treatment of multiple personality disorder, 30966
A literary overview of multiple personality disorder, 29585
Multiple personality, 41528
Multiple personality disorder, 26552
Multiple personality disorder and posttraumatic stress disorder: Similarities and differences, 45419
Multiple personality disorder consultation in the public psychiatric sector, 41521
Multiple personality disorders, 29586
Multiple personality in acute care psychiatry: Occupational therapy assessment, 31041
Multiple posttraumatic personality disorder, 42192
Observations on the role of transitional objects and transitional phenomena in patients with multiple personality disorder, 41522
Occupational therapy for inpatients and outpatients with multiple personality disorder, 31038
Occupational therapy treatment of multiple personality disorder, 31040
Play therapy with children with multiple personality disorder, 42266
Posttraumatic and dissociative aspects of transference and countertransference in the treatment of multiple personality disorder, 42265
Psychodrama in the treatment of multiple personality disorder: A process-theory perspective, 30344
Remembering and forgetting in patients suffering from multiple personality disorder, 13696
A tactical integrationalist perspective on the treatment of multiple personality disorder, 42177
The therapeutic use of play in the treatment of patients with multiple personality disorder, 30343
The use of Amytal interviews in the treatment of an exceptionally complex case of multiple personality disorder, 42174
Vocational rehabilitation in the treatment of multiple personality disorder, 31039

Multiple Regression—Serials

C. L. Mallows' Cp statistic & model selection in multiple linear regression, 8137
issues in statistical interaction effects in multiple regression, social work implications, 36000
multicollinearity & multiple regression analysis in discrimination litigation, 3882
multiple regression analysis & validity of Geriatric Depression Scale, statistical impact of truncated sampling or alteration of administration, commentary with reply, letter, 35877
multiple regression analysis, prediction of risk of early termination of family therapy, chemically dependent 28–51 yr olds & their families, 176
multiple regression methodology vs maximum likelihood estimation of genetic vs environmental parameters, analysis of twin data, monozygotic vs dizygotic twins, 4554
multiple regression vs neural network methods, prediction of medical diagnosis, 26203
publication history of highly cited article from "Psychological Bulletin" on multiple regression & suggestions for writing highly cited articles, 12086

Multiple Regression—Chapters

A balanced approach to unbalanced designs, 20155
Clinical versus statistical prediction, 3954
Elements of the general linear model, 20166
Set correlation, 20149

Multiple Sclerosis—Serials

brain lesions & neuropsychological & cognitive functioning, adults with multiple sclerosis, 2320
brain stem vs middle latency auditory EPs, detection of abnormalities along CNS auditory pathway, 17–55 yr olds with multiple sclerosis, 10415

burden of illness & functional deficits & physical disabilities, illness intrusiveness & personal control & psychosocial well being, adults with multiple sclerosis, Canada, 38233
clinical & radiologic correlates of severe nonfluent aphasia, 27 & 31 yr old females with multiple sclerosis, 22326
cognitive & psychiatric & MRI abnormalities, patients with clinically isolated lesions characteristic of multiple sclerosis, England, 4.5 yr followup, 18193
cognitive performance & information processing efficiency, patients with chronic fatigue syndrome vs multiple sclerosis, 34016
dementia & depression & psychosis & other neuropsychiatric manifestations of cognitive & emotional disorders, patients with multiple sclerosis, 6241
depression & cognitive impairment, patients with mild multiple sclerosis, Canada, 14171
depression, patients with multiple sclerosis, meta analysis, 34230
description & perception of health & disability level & social support, rural vs urban 30–71 yr olds with multiple sclerosis, 10384
exercise, transient impairment of visual function, 31 yr old female & 24 yr old male with multiple sclerosis, case reports, 10413
gist recall, 25–57 yr old females with multiple sclerosis, 14170
illness duration & pain severity & coping behavior & depression, health care utilization, 20–67 yr olds with multiple sclerosis vs chronic low back pain, Canada, 23021
illness intrusiveness & lifestyle disruption & psychosocial impact, patients with rheumatoid arthritis vs end stage renal disease vs multiple sclerosis, Canada, 41946
judgment of mental health of male vs female vs unspecified patient with vs without multiple sclerosis, student nurses, 39111
knowledge & use of & attitudes toward support groups & needs, 22–74 yr olds with multiple sclerosis & their families, South Africa, 26861
level & sources of social support, rural husbands vs wives caring for spouses with chronic multiple sclerosis, 30893
magnetic field treatment, drive behavior & similarity to effect of REM sleep deprivation, 27 yr old female with multiple sclerosis & 62 yr old male with Parkinson's disease, Greece, 14854
model for predicting work performance, patients with multiple sclerosis, 18199
nature & prevalence & course of cognitive & emotional disturbances in multiple sclerosis, 30164
neuropsychiatric characteristics, patients with chronic fatigue syndrome vs multiple sclerosis vs major depression, 37602
nocturnal melatonin secretion & pineal calcification, 27–72 yr olds with multiple sclerosis & affective disorders, 37605
periventricular demyelinization & other neurological lesions, psychopathology patients with multiple sclerosis, 45922
physical disability & cognitive impairment & brain abnormality depression, patients with multiple sclerosis, 22384
psychotic symptoms & brain lesions detected by MRI scanning, adults with multiple sclerosis, England, 18192
quality of life, patients with multiple sclerosis vs inflammatory bowel disease vs rheumatoid arthritis, 38132
receptive vs directive vs dissuasive maternal behaviors during work & play tasks, mothers with multiple sclerosis & their 8–12 yr old daughters, 26165
rehabilitation, impairments & disabilities & handicaps, patients with multiple sclerosis, 23210
risk of suicide, patients with multiple sclerosis, Denmark, 10409
role of pineal melatonin secretion abnormalities in comorbidity of multiple sclerosis & bipolar affective disorder, 25664
self assessment & monitoring of activities of daily living & symptom prevalence, use of professional health services, adults with multiple sclerosis, 3 yr study, commentaries & reply included, 10789
sensitivity & statistical hypotheses of specific vs subgroup deficit vs syndrome vs global function dissociation models of cognitive deficit, 19–51 yr olds with mild multiple sclerosis, Canada, 46090
sensitivity of Mini-Mental State Examination, assessment of extent of lesion involvement & cognitive ability & white matter dementia, 25–61 yr olds with multiple sclerosis, 18244
severity of physical disability, cognitive & attentional & information processing deficits as assessed with neuropsychological tests, adults with multiple sclerosis, 14322
sleep & fatigue characteristics, patients with chronic fatigue syndrome vs multiple sclerosis, 38110
test of visual EPs &/vs contrast sensitivity &/vs flight of colors vs color vision vs pupillary light reflex, diagnosis of visual system lesions, 28–60 yr olds with multiple sclerosis, 18251
validity & interrater reliability of self administered version of minimal record of disability, 19–66 yr olds with multiple sclerosis, Italy, 28040
Wernicke encephalopathy induced hypothermia & exacerbation of neurological symptoms, female 63–68 yr olds with multiple sclerosis, case reports, 26175
word length & suppression & serial position & repetition, working memory & semantic encoding & proactive inhibition & implicit learning, adults with multiple sclerosis, 41978

Multiple Sclerosis—Books

Multiple sclerosis: A neuropsychiatric disorder. Progress in psychiatry, No. 37, 30256

Multiple Sclerosis—Chapters

Clinical features, assessment, and differential diagnosis of multiple sclerosis, 30094
Cognitive and neuroimaging changes in multiple sclerosis, 30093
Current treatment strategies and perspectives of multiple sclerosis, 30688
Depression and affective disorders in multiple sclerosis, 30092
Depression in multiple sclerosis, 38156
Disability and rehabilitation, 30984
Multiple sclerosis, 10874
Multiple sclerosis, 22426
Multiple sclerosis: A neurostructural model of affective and cognitive disorders, 30085
Multiple sclerosis: Mood disorders, cognition, and psychoneuroimmunology, 45967
Patients' advocacy groups and support associations in multiple sclerosis: The National Multiple Sclerosis Society, 30804
Psychosomatic-somatopsychic aspects of multiple sclerosis, 30084
Role of genetic factors for the autoimmune pathogenesis of multiple sclerosis, 30087
A strategy for studying memory disorders in multiple sclerosis, 14211

Multiple Therapy [See Cotherapy]

Multiply Handicapped [See Also Deaf Blind]—Serials

behavior state conditions & classroom environmental variables, multiply handicapped 3.8–21.3 yr old students, 39338
behavioral intervention strategies, skills acquisition & access to integrated community settings & harm to self & others, individuals with visual impairments & multiple disabilities, 14791
blacklight as visual stimulation, performance in tracking & reaching tasks, profoundly mentally retarded 11–21 yr olds with multiple handicaps, 29969
changes in adaptive & maladaptive behaviors following community placement to supervised apartment setting, multiply handicapped 18–22 yr olds, 41427
collaborative communication instruction teaming to facilitate meaning based curriculum, development of communicative competence, students with severe multiple disabilities, 43305
color & contrast in education & visual environments, visually impaired students with multiple disabilities, 27576
feminist perspective on caregiving since birth, mother of multiply disabled 5 yr old male, implications for occupational therapy, 15013

inservice training in collaborative problem solving & goal setting, 39–58 yr old special education teachers of multiply impaired children, 15340
microtechnology based instruction, social contingency awareness & interpersonal communication, 10 mo to 10 yr olds with hearing & vision loss & orthopedic impairment & mental retardation, 3 yr study, 23304
model for appropriate physical education, multiply disabled 16 yr old male, 7510
neuro-optometric evaluation & vision rehabilitation, multiply handicapped children, 3048
recreational stimulus preference & microswitch communication system for control of stimulus presentation & social interaction with nondisabled peers, 5–20 yr olds with profound multiple disabilities, 30975
research process in development & reliability & construct validity of measure, assessment of talents & difficulties, severely & multiply disabled clients, 31913
spontaneous peer interactions, 3.8–5 yr old preschoolers with vs without profound disabilities, 39340
therapeutic modified judo training, fitness & motor & developmental skills & psychosocial attitudes, multiply handicapped mentally retarded 6–12 yr olds, Israel, 2692
vision assessment availability in University Affiliated Programs, multiply handicapped & developmentally disabled, 10926
work acclimation & vocational development program, multiply handicapped sensory impaired students in institute for deaf & blind, 23614

Multiply Handicapped [See Also Deaf Blind]—Books

Case studies of severely/multihandicapped students, 39365
Educating children with multiple disabilities: A transdisciplinary approach (2nd ed.), 43332
Implementing augmentative and alternative communication: Strategies for learners with severe disabilities, 42343

Multiply Handicapped [See Also Deaf Blind]—Chapters

Developing instructional adaptations, 43357
The sensorimotor systems: A framework for assessment and intervention, 43339

Multivariate Analysis [See Also Factor Analysis, Multiple Regression, Path Analysis]—Serials

algorithm for Shaffer's multiple comparison procedures for improving statistical power in ANOVA, 43882
bivariate coefficients of agreement for analysis of interclass consistency among Os, 43865
canonical correlation analysis, assessment of personal authority in intergenerational family & attitudes toward life, 23–61 yr olds, reanalysis, 21364
canonical correlation analysis of verbal & nonverbal score clusters of Differential Ability Scales Upper Preschool Level, assessment of cognitive ability, 3.5–5.9 yr olds, 15903
determination of moderating effect in multivariate normal distributions, commentary reply, 8134
determination of moderating effect in multivariate normal distributions, commentary, 8128
discriminant function analysis & relation to other multivariate statistical techniques, implications for psychiatric research, 43884
dynamic nonstationary factor model for analysis of multivariate time series in time domain, 8119
equality constraints in homogeneity type multiple correspondence analysis of multivariate categorical odor preference & event history data, 20–40 yr olds & infants, 36021
expert knowledge vs statistical vs mechanical analyses based systems, early prediction of developmental delays, 18 mo olds, Japan, 18083
integration of multidimensional scaling & multivariate analysis with optimal variable transformation, 24249
invariant standardized estimate parameter change for model modification in covariance structure analysis, 43860
latent class model of multivariate categorical data, analysis of gene & environment interaction in etiology of conduct disorder, mothers of male 8–16 yr old monozygotic & dizygotic twins, 41669
MANOVA vs structural equation modeling in detection of multivariate mean differences in between groups designs, 39909
mathematical model of simultaneous segmentation & estimation & individual differences in paired comparison analysis of food purchasing judgments, female consumers, 27766
maximum likelihood estimation of multivariate Gaussian rating model with excluded data, 193
multitrait multimethod approaches to construct validity of additive & multiplicative covariance structures, 11th graders, Canada, 43858
multivariate analysis in research on self concept, gifted 8th graders, commentary, 11520
multivariate analysis of items of dementia scale, assessment of symptoms of intellectual & memory deterioration, hospitalized elderly & nursing home residents, 5 yr followup, 8047
multivariate analysis of sociopsychological predictors of weight loss, 20–81 yr olds in weight loss program, 26965
multivariate methods in objective experimental analysis of motivation & relevance for psychotherapy, commentary, 20340
multivariate methods in objective experimental analysis of motivation, implications for psychotherapy, commentary, 20342
multivariate methods in objective experimental analysis of motivation, 20339
multivariate model of motivation for receiving orthodontic treatment, adults, 46626
multivariate statistics & Type I & II errors, 43885
parallel & total discriminant ratio coefficients for interpretation of discriminant functions following MANOVA test, 20144
random variable transformations & power function relations & ranking probability distributions in random utility modeling, 8129
redundancy vs canonical correlation analysis in reliability assessment of multivariate profiles, 43695
refined majorization algorithm for minimization of class of matrix trace functions, 8114
SAS macro for jackknife analysis of canonical correlations & structure coefficients in discriminant analysis, 20119
spreadsheet implementation of C. R. Gallistel's model of classical conditioning as multivariate time series analysis, animals, conference presentation, 8471
static vs dynamic graphical representation, detection of high vs low linear vs conic vs cluster vs no structure in multivariate point cloud data, engineers, conference presentation, 8117
stationary weight component analysis in multivariate aging research with cross sectional or longitudinal data, 12998
statistical analysis of estimation results from effect vs indicator coding of discrete variables, 8135
statistical power of H. Hotelling's vs LISREL approaches to 2 group MANOVA with unequal covariance matrices & sample size inequality vs other conditions, 8130
Thurstonian pairwise choice model for psychophysical stimuli with univariate & multivariate spline transformations, adults, Netherlands, 36003
univariate & multivariate structural models for analysis of change, alternatives to ANOVA based analysis of longitudinal data, 16078

Multivariate Analysis [See Also Factor Analysis, Multiple Regression, Path Analysis]—Books

Applied multivariate statistics for the social sciences (2nd ed.), 4202
Logit modeling: Practical applications. A Sage university papers series. Quantitative applications in the social sciences, Vol. 86, 196

Multivariate Analysis [See Also Factor Analysis, Multiple Regression, Path Analysis]—Chapters

Effect size, 20165
Examining test data using multivariate procedures, 27913
MANOVA and MANCOVA: An overview, 20167
Modeling similarity and identification when there are momentary fluctuations in psychological magnitudes, 201
Multivariate models of preference and choice, 199
Multivariate probability distributions, 198
Set correlation, 20149

Munchausen Syndrome [See Factitious Disorders]
Murder [See Homicide]

Muricide—Serials
antidepressants vs antihistamines, muricidal behavior, olfactory bulbectomized rats, 744
castration prior to prolonged isolation, brain biogenic amines & metabolites, muricidal vs nonmuricidal male rats, 586
Muscarinic Drugs [See Cholinergic Drugs]
Muscimol [See Gamma Aminobutyric Acid Agonists]
Muscle Contraction Headache—Serials
anger & hostility & anxiety & depression, adults with tension headache, 26179
compliance with & treatment integrity of relaxation training, 24–48 yr olds with tension headaches, 1 yr followup, 22857
configural frequency analysis of symptom combinations, detection of migraine with vs without aura vs tension headache syndromes, adults, Germany, 26186
electrical stimulation of lips, temporalis muscle suppression as assessment of pain control system, patients with chronic pain vs chronic tension type headache, 26217
electromyographic feedback, clinical symptoms & muscular tension & anxiety, 18–30 yr olds with tension type headache, 3 & 6 & 12 mo followup, 26842
family structure & functioning & pain modeling, adults with migraine or muscle contraction headache, 22194
flow off technique in hypnotherapy, 23–61 yr olds with chronic tension type headache, 22868
frequency & entity of depressive disorders, 7.6–12 yr olds with migraine or tension headache, Italy, 14187
impairment of serotonin binding to lymphocytes & monocytes, 21–45 yr olds with tension type headache, 22200
lifestyle & hormonal & other precipitating factors, 25–64 yr olds with migraine & tension type headaches, Denmark, 45920
MMPI & EMG, assessment of personality changes & neurophysiological patterns before vs after treatment, patients with migraine vs tension type headaches, Italy, 6223
nonpharmacological treatment, psychological side effects, tension & migraine headache patients, 26836
occupational & EMG biofeedback training, 34 yr old female with tension headaches, 10791
pain states as artifact in psychological assessment, patients with tension vs mixed vs migraine headache, 45898
platelet GABA, adults with migraine vs tension headache, 26187
pressure pain thresholds, patients with cervicogenic vs migraine with vs without aura vs tension type headaches, 22175
psychiatric aspects & etiology & treatment of tension headaches, 14771
psychological stress, EMG activity & pain & negative affective states, patients with episodic tension type headache, 22240
psychophysiological parameters, adults with migraine or muscle contraction headaches, 22217
psychosocial stress & depression & anxiety, patients with migraine vs tension headaches, Italy, 2158
report of positive trigger, 12–15 yr olds with migraine vs tension headaches, 10240
self help relaxation training & chlormezanone, headaches & psychological distress, 16–18 yr olds with recurrent tension headache, Sweden, 22838
sex, prevalence, 25–64 yr olds with migraine headache with vs without aura vs tension headache, Denmark, 10250
supine vs standing position & mental activity & biofeedback, EMG activity in pericranial & neck muscles, female 17–48 yr olds with chronic tension headache, 26857
therapeutic efficacy of clomipramine or mianserin, 18–69 yr olds with chronic tension headache, Denmark, 30637
tizanidine hydrochloride, symptom improvement & plasma MHPG & serum free fatty acids, clients with tension headaches, 26925
valproate, 17–88 yr olds with refractory recurrent migraine or chronic tension or mixed headache, 14837
work absence & medical service utilization, 25–64 yr olds with migraine vs tension headache, Denmark, 10249
yoga therapy, symptoms & stress & coping responses, patients with migraine or tension headache, 42561
Muscle Contraction Headache—Chapters
Using the self-control triad to treat tension headache in a child, 46315
Muscle Contractions—Serials
biofeedback based behavior modification, 31 yr old female with chronic constipation & paradoxical contraction of external anal sphincter muscle, 8 mo followup, 22878
confusion & agitation & rigidity as early clinical signs, 28–68 yr olds with neuroleptic malignant syndrome, letter, 1626
discrimination of muscle tension levels, adults with chronic back vs temporomandibular pain, 6220
electromyographic feedback, clinical symptoms & muscular tension & anxiety, 18–30 yr olds with tension type headache, 3 & 6 & 12 mo followup, 26842
force perceptions to match tension of weight before vs after maximal voluntary contraction, adults, 36062
iv neurotensin, abdominal wall contraction & tension & BP & heart rate, female guinea pigs, implications for nociception, 44713
left vs right hand use, modulation of somatosensory EPs during isometric contraction, right handed 26–42 yr olds, 24762
left vs right sided facial contractions, negative vs positive mood induced ethnic group perception, right handed college students, Canada, 12310
light stimuli conditions with varying information in premotor time, preparatory states & RT in adjustments of force output for elbow flexion, adult males, 36138
morphine vs naloxone, glutamate induced ileum contraction, guinea pigs, 20903
plasma albumin of black & polar bears & woodchucks & ground squirrels in hibernating vs summer active states, ileum contractility & naloxone antagonism, male guinea pigs, 16743
psychological stress &/vs isometric exercise, heart rate & BP, 19–41 yr olds, 12683
recombinant bovine cytokines interleukin-1 beta vs interleukin-2 vs interferon gamma, food intake & forestomach contractions, dwarf goats, 21028
reflexive connection between frontal muscle tension & voluntary control of airway resistance, asthmatic 19–66 yr olds in respiratory resistance biofeedback treatment, 22865
rest vs postural change vs voluntary muscle contraction, recurrent inhibition of Renshaw cell excitability, mentally retarded 16–35 yr olds with or without motor alteration, 26097
serotonin vs methysergide in locus ceruleus & brachium conjunctivum, duration of hypnosis & flexor muscle contraction, male rabbits, 4820
standard vs split design computer keyboard, trapezius & arm extensor muscle tension & loading during typing, female 18–26 yr olds, 23830
teeth clenching during panic & anticipatory anxiety, cerebral blood flow assessed by positron emission tomography, adults, 554
uninterpreted body posture & facial muscle contraction, emotional & nonemotional feelings, college students, Germany, 20771
validity of surface EMG, assessment of pelvic muscle & abdominal activity, 23–63 yr old females, implications for biofeedback assisted Kegel exercises for urinary incontinence, 24783
zygomaticus facial muscle contractions, sadness in response to aversive photographs, college students, 12308
Muscle Contractions—Chapters
Remote facilitation of H-reflex during voluntary contraction of orofacial and limb muscles, 24737
Muscle Cramps [See Muscular Disorders]
Muscle Relaxation—Serials
comeditation, state & trait anxiety & respiration rate, college students, 653
dantrolene, CSF HVA & 5-HIAA, patients with neuroleptic malignant syndrome, 30494
midazolam vs thiopental anesthesia, seizure duration & muscle relaxation during ECT, adults with major depression, 6827

muscular relaxation & mind expansion exercises, anxiety & personality features, females with high levels of PMS, 12 mo followup, 18633
stretch based vs tense release relaxation treatment, adults with chronic neck tension, 6931
suggestibility & imaginal vs progressive relaxation training, relaxation, college students, 36661
use of forelimb grip strength, assessment of centrally or peripherally acting drug induced muscle relaxation, male mice, 36845
Muscle Relaxation Therapy [See Relaxation Therapy]
Muscle Relaxing Drugs [See Also Baclofen, Diazepam, Orphenadrine, Succinylcholine, Theophylline]—Serials
abuse liability of diphenhydramine vs lorazepam vs methocarbamol, male 20–38 yr olds with history of recreational drug abuse, 13969
botulinium toxin, neuroleptic induced severe tardive dyskinesia & dystonia, schizophenic 41 yr old male, case report, letter, 30520
cyclobenzaprine, development of prolonged periods of delirium, healthy 80 & 82 yr olds, letter, 30459
methocarbamol, self injection & reinforcement & discriminative stimulus effect, male baboons, 4916
self help relaxation training & chlormezanone, headaches & psychological distress, 16–18 yr olds with recurrent tension headache, Sweden, 22838
tizanidine hydrochloride, symptom improvement & plasma MHPG & serum free fatty acids, clients with tension headaches, 26925
Muscle Tone—Serials
acute mental stress, vagal & sympathetic tone & antral motility, healthy 25–60 yr olds vs 18–64 yr olds with functional dyspepsia, 34030
Muscles [See Also Abdominal Wall, Facial Muscles, Oculomotor Muscles]—Serials
cognition enhancing drug DPMPI, motor nerve terminal currents in skeletal muscle preparation, mice, implications for treatment of Alzheimer's disease, 21019
effortful attention to & difficulty of pitch discrimination vs digit retention task, muscle tension patterns & heart rate, 18–31 yr old females, 4703
EMG assessed neuromuscular activation patterns during goal directed arm movements, 49–55 yr olds with diabetes mellitus, 34065
estradiol vs testosterone, erectile function & bulbospongiosus EMG activity, castrated rats, 12796
ethanol, muscle glucose & fructose bisphosphate & phosphofructokinase activity, chronic alcoholic patients with vs without myopathy, 13928
ethanol vs acetaldehyde with vs without alcohol- or aldehyde-dehydrogenase inhibitors, protein synthesis in Type I vs Type II fiber rich muscles, rats, animal model of skeletal muscle myopathy, 12866
identification & localization of neck muscle motor neurons used in pecking behavior in cervical spinal cord, pigeons, 32404
jaw movement & masticatory muscle activity & EMG during limb licking & chewing & drinking, male rabbits, 28633
lateralization of motor control for proximal vs distal musculature & finger vs arm tapping, right handed vs consistent vs inconsistent left handed college students, 16570
low threshold mechanical stimulation, cutaneous reflex responses in jaw closing system, 4–6 vs 7–8 yr olds with disordered speech, 14144
muscle weakness, negative affect & pain & disability, elderly with osteoarthritis of hip &/or knee, 26166
novel nicotinic agonist 1-acetyl-4-methylpiperazine, ligand binding & locomotor activity, male rats, 44622
potassium aspartate, muscle glycogen during exercise, male rats, 44733
prior knowledge of load, timing of EMG activity in postural vs focal muscle during voluntary arm flexion, male 21–40 yr olds, 24356
shoulder vs elbow EMG muscle activity onset during forelimb reaching, rats, 28617
spinal interneurons' relay vs muscle activation functions during movement, conference presentation, 24694
strenuous muscle use & ascorbic acid, pain onset, healthy male 24–48 yr olds, 12810
tardive dyskinesia with severe pectoral muscle involvement, male schizophrenic 38 yr old, case report, 33630
transcranial magnetic stimulation during muscle relaxation vs contraction, motor EPs from hand vs foot muscles, 16–35 vs 51–86 yr olds, 12616
Muscles [See Also Abdominal Wall, Facial Muscles, Oculomotor Muscles]—Chapters
Bioelectrical and biomechanical correlates of rapid human elbow movement, 24785
Coordination mechanisms in prehension movements, 24372
Functional force control in Parkinson's disease patients, 26363
Planning of motor sequences in landing from a jump-down, 24376
Muscular Disorders [See Also Muscle Contraction Headache, Muscular Dystrophy, Myasthenia Gravis, Myoclonia, Myofascial Pain, Myotonia, Torticollis]—Serials
acute dystonia associated with fluoxetine, male 39 yr old with social phobia & panic disorder & recurrent major depression, letter, 14670
acute dystonic reaction to fluvoxamine, 36 yr old female with obsessive compulsive disorder & Gilles de la Tourette syndrome, letter, 46442
arterial hypotension & development of cerebral circulatory failure, 25–53 yr olds with autonomic dystonia, 18241
baclofen, patients with dystonia, literature review, 6924
benzodiazepines, neuroleptic induced dystonia, manic patients, commentary reply, letter, 26750
benztropine, tardive oculogyric dystonia & psychotic symptoms, schizophrenic 22 yr old male, Australia, 30507
botulinium toxin, neuroleptic induced severe tardive dyskinesia & dystonia, schizophenic 41 yr old male, case report, letter, 30520
chronic fatigue, 55 yr old female with fibromyositis & depression & zinc deficiency, case report, 18231
clinical characteristics of tardive dystonia, patients with schizophrenia or bipolar or generalized anxiety disorder, 25736
clinical features & management & neurobiology of bipolar disorder, 45–62 yr olds with idiopathic dystonia, 18215
clozapine, tardive dystonia, male 38 yr old with depressed type schizoaffective disorder, 22736
criteria for chronic fatigue syndrome & fibromyalgia & treatment with psychotropic drugs & relation to major depression, 30627
debrisoquine oxidation phenotype, acute dystonia, neuroleptic treated psychiatric patients, 26781
depression & anxiety & memory impairment, adults with Lyme encephalopathy vs fibromyalgia vs nonpsychotic depression, 1539
discontinuation of metoclopramide, haloperidol induced dystonia & parkinsonism, 23 yr old female with melancholic major depression, letter, 18749
haloperidol & antipsychotic & neuroleptic drugs & sigma binding affinity, modulation of dopamine neuron activity in substantia nigra vs dystonial induction, male rats, 20927
im haloperidol vs fluphenazine vs clozapine vs remoxipride vs melperone, dystonia, cebus monkeys, animal model of neuroleptic induced extrapyramidal syndromes, 4758
lorazepam, neuroleptic induced dystonia, patients with mania or schizophrenia, commentary, letter, 26772
medical & pathophysiological aspects & historical conceptualization of fibromyalgia syndrome, commentary reply, 6243
medical & pathophysiological aspects & historical conceptualization of fibromyalgia syndrome, commentary, 6215
misdiagnosis of conversion neurosis, 15 yr old female with Pisa syndrome, case report, 30030
MRI findings, 28 & 31 & 33 yr old brothers with Type 3 GM1 gangliosidosis presenting as dystonia, Japan, 26339
multiple rib fractures secondary to severe tardive dystonia, female 25 yr old with chronic manic type schizoaffective disorder, letter, 41608
neuroleptics with vs without anticholinergics, occurrence of acute dystonia, male vs female 18–87 yr old psychiatric inpatients, 42489

oral m-chlorophenylpiperazine, precipitation of dystonia, schizophrenic male 49 yr old, letter, 46411
presentation as fibromyalgia & adjustment disorder, 37 yr old female with conversion disorder, case report, 37798
veralipride & neuroleptic induced tardive dystonia, manic depressive 47 yr old female with menopausal vasomotor flushes, case report, 30463
verapamil, male 23 yr old with bipolar disorder & myoclonic tardive dystonia, case report, 42401
Muscular Disorders [See Also Muscle Contraction Headache, Muscular Dystrophy, Myasthenia Gravis, Myoclonia, Myofascial Pain, Myotonia, Torticollis]—Chapters
Botulinum treatment for orolingual-mandibular dystonia: Speech effects, 42633
Dystonia, 10879
Muscular Dystrophy—Serials
association between schizophrenia & Duchenne muscular dystrophy, male adult, letter, 41419
validity & reliability of Life Satisfaction Index for Parents, parents of adolescents with Duchenne muscular dystrophy, 15972
Musculocutaneous Nerve [See Spinal Nerves]
Musculoskeletal Disorders [See Also Arthritis, Bone Disorders, Joint Disorders, Muscle Contraction Headache, Muscular Disorders, Muscular Dystrophy, Myasthenia Gravis, Myoclonia, Myotonia, Rheumatoid Arthritis, Torticollis]—Serials
behavior modification with auditory EMG biofeedback, awkward hand postures & excessive force with fingers, female 21–60 yr old assembly line workers with history of carpal tunnel syndrome, 30586
clinical signs & physiological & psychological correlates & treatment implications, patients with fibromyalgia syndrome, literature review, 30012
clothing importance & self perception, female 13–19 yr olds with vs without scoliosis, 34045
depressive symptoms, 32–86 yr olds with chronic musculoskeletal pain, 8 yr followup, 45914
development & factor & item response theory analysis of hierarchical Tufts Assessment of Motor Performance, 5–79 yr olds with neurological or musculoskeletal disorder in rehabilitation, 27965
electromyographic biofeedback vs cognitive behavioral therapy vs conservative medical treatment, 20–65 yr olds with chronic back or temporomandibular pain, Germany, 6 & 24 mo followup, 46600
ethnohistorical perspective on etiology & symptoms & treatment of fallen fontanelle, infants, 41959
facial expressions & verbal reports of pain & coping strategies, female 18–60 yr olds with chronic vs recent onset temporomandibular disorder pain, 26190
job analysis, identification of workplace ergonomic risk factors for musculoskeletal disorders, 18250
low level laser therapy, musculoskeletal pain, meta analysis, 30625
neuropsychiatric manifestations, patients with Lyme borreliosis, conference presentation, 10211
plasma beta carotene & zinc & selenium & antioxidant status, alcoholic 35–65 yr olds with liver damage or skeletal myopathy, 22016
RT & musculoskeletal injuries or complaints, 11–14 yr old athletes, 26215
self selection for pain treatment, magnitude of regression to mean, patients with temporomandibular disorder, 12102
stressful vs neutral imagery, symptoms & heart rate vs skin conductance & other psychophysiological responses, patients with chronic back vs temporomandibular pain & dysfunction, 10213
time series analysis, assessment of stressors & cognitive rumination & symptoms, 15–55 yr old females with fibromyalgia, 16074
transcutaneous electrical nerve stimulation vs S-adenosyl-L-methionine, 31–75 yr olds with primary fibromyalgia, 30617
work organization & psychosocial risk factors, cumulative trauma disorders of hands & wrists, newspaper employees, conference presentation, 7701
Musculoskeletal Disorders [See Also Arthritis, Bone Disorders, Joint Disorders, Muscle Contraction Headache, Muscular Disorders, Muscular Dystrophy, Myasthenia Gravis, Myoclonia, Myotonia, Rheumatoid Arthritis, Torticollis]—Chapters
Ergonomic approaches in the clinical assessment of occupational musculoskeletal disorders, 15701
Orthopedics and sports medicine, 2191
Psychosocial aspects of work-related musculoskeletal disability, 7705
Working with patients who have temporomandibular joint disorder, 26865
Musculoskeletal System [See Also Abdominal Wall, Arm (Anatomy), Bones, Elbow (Anatomy), Facial Muscles, Feet (Anatomy), Fingers (Anatomy), Hand (Anatomy), Hips, Jaw, Joints (Anatomy), Knee, Leg (Anatomy), Muscles, Oculomotor Muscles, Shoulder (Anatomy), Skull, Spinal Column, Thorax, Wrist]—Serials
anatomy of lateral caudal spines & use during intraspecific agonistic interactions, surgeonfish, 24611
anxiety & depression & chronic pain, 20–76 yr olds with generalized musculoskeletal pain, 45909
depressive & distress symptoms, low back & neck shoulder pain & other musculoskeletal morbidity, metal industry employees, Finland, 10 yr followup, 47448
physical exercises, musculoskeletal discomfort prevention in workplace, VDT workers, 23795
Music [See Also Musical Instruments, Rock Music]—Serials
absolute pitch ability & quartertone vs semitone stimulus deviations & sinusoidal vs piano tones, EPs & pitch discrimination, adults, 32116
age & sex & emotion, interpretation of emotion in music, 6–12 yr olds, 37130
background music tempo, speed of soda drinking, female college students, 8779
benzodiazepine precipitated musical hallucinations & tinnitus & pathogenesis of schizophrenia, commentary, letter, 41477
cadential patterns in North Indian tabla drumming system, implications for model of musical cognitive processing, 24404
characteristics of favorite songs & organization of inner experience, schizophrenic patients, 13780
computational theory of rhythm & meter structure & underlying representation of rhythm, implications for cognition & perception, 4280
constraint on & perception & aesthetic judgment of expressive timing of melodic gesture in R. Schumann's "Traumerei", 21087
contingent access to music, mathematics performance, middle school students with mathematics disabilities, 39351
continuous response digital interface & measurement of perception of musical tension, advanced musicians vs nonmusicians, replication, 36270
country music, suicide rate, city residents, 13904
cross cultural & developmental perspective on natural music prototypes, 5135
cultural specificity & musical tuning perception of native vs nonnative musical scales, Western adults vs 5–7 vs 10–13 mo olds, 25140
degree of expressive modification of rhythmic structure of recorded piano performances, accuracy & stability of performance imitations & aesthetic preferences, college students & piano players, 32108
development & validity of semantic differential Cognitive-Affective Response Test—Music, college students, 31832
dissociation in processing of melodic vs rhythmic information, female 30 yr old with bilateral temporal lobe damage & severe amelodia without arrhythmia, 42088
drama & songs about AIDS, AIDS related knowledge & attitudes & behavior, male vs female & rural vs urban adults vs youths, Ghana, 6979
embedding of masking field in Adaptive Resonance Theory 3 architecture neural network, learning syntactically significant temporal patterns of musical chords, 15790
equally tempered vs Pythagorean vs Just intonation, modeling of in-tune solo performance of diatonic scale of C major, 25–33 yr old professional violinists, 36119

extraversion & excitement seeking & openness to experience, music preference, college students, 36917
goodness of fit in probe tone ratings in harmonic sequences, musically trained & untrained 19–40 yr olds, 271
guidelines for use of music combined with hypnotic words as pathway into hypnosis therapy, 34616
happy thoughts & music, rating of self vs others on personality characteristics, college students, Canada, 13525
historical & clinical aspects of music thanatology, terminally ill patients, 26858
improvised musical play in mainstreamed settings, social play skills, preschool students with vs without developmental delays, 19593
induced song recall & dyadic music associations in transference & countertransference, psychotherapist & client & supervisor, 22497
information theory in analysis of originality of pitch choice in musical compositions, 7th graders, 17017
instrument morphology & cognitive aspect of movement in playing & structural characteristics of music, 8282
internote interval vs melodic contour, pattern recognition of short musical composition, musically trained vs untrained college students, implications for connectionist models of neural networks, 27842
judgments of melodic closure & tonal discrimination & memory & preferences, male 61 yr old with auditory atonalia due to brain damage, Canada, 38276
key of upper vs lower stave, perception of tonal structure in polytonal music, 19–51 yr olds, 279
laterality for music perception, talented music & mathematics & dance students, commentary, 44402
left parietooccipital stroke, male 73 yr old musician with aphasia & amusia, case report, implications for common hemisphericity of language & music, 42019
linguistic prosody & musical meter in song, vocalists, 5007
major vs augmented triad context of melody, global vs local processing in discrimination of transformations to related vs unrelated keys, 9–11 mo olds vs adults, 40852
major vs minor mode & speed of background music, anxiety & satisfaction with conversation & productivity, college students, 29330
major vs minor triad vs 3 adjacent note melodic pattern, perception of tonal structure, 16–30 yr old music students, Canada, 4275
matched vs mismatched vs no music, perceived vividness of suggested images, college students, 4284
melodic vs verbal information learning vs delayed recognition, adults with left vs right temporal lobectomy, Canada, 10403
melody familiarity & key distance, recognition of transposed melodies, musician vs nonmusician college students, 8258
model of musical dynamics based on internal sense of motion, 8259
modular model of musical perception & cognition, 24397
music & relaxation instruction, pain & anxiety & pulse & respiratory rate during gynecological procedures performed in office, female 17–43 yr olds, 38671
music & social strategies, integration with nonexceptional students, preschoolers with severe mental & physical handicaps or hearing impairments, 19596
music during recreation period, mood & alertness & recall of past personal history, 72–103 yr old nursing home patients with Alzheimer's disease, 38929
music, exercise repetitions & motivation, female 65–99 yr olds with upper extremity osteoarthritis, implications for occupational therapy, 34005
music perception, college student expert vs novice music listeners, 36918
music preferences & suicidal thoughts & behaviors & other lifestyle factors, high school students, 37890
music stimulation, arousal, male 17–31 yr olds in prolonged coma, 19193
music, stress vs relaxation after waiting with group of strangers, college students, 8794
music structure, temporal expectancy & melody recognition, college students, conference presentation, 44027
music style preference, drug use, 7th & 10th graders, letter, 13934
music video with erotic vs romantic theme, premarital & other sexual attitudes, college students, 37380
musical excerpt stimuli & length of time intervals, musical expectations & detection of lengthened passages, musically literate 15–52 yr olds, 8252
musical expectancy & appeal, harmonic perception, college music students, 32722
Musical Experiment Development System of hardware & software as convergent methodology in psychomusical research, conference presentation, 8244
musical hallucinations, bereaved & socially isolated female 80 yr old, letter, 21694
musical notes at extremes of frequency range &/vs crossing point of 2 scales, strength of scale illusion, adults, 12193
musical preference for repertoire & vocal range & tempo & accompaniment for singing, 60–110 yr olds, implications for music therapy, 37221
musical preference, reckless behavior & sensation seeking & family relationships & self esteem, 10th & 12th graders, 1031
musical reinforcement, training productivity, 12–16 yr old competitive swimmers, 15710
musicality of listener, identification & discrimination of major vs minor triads, adults, 20242
musicianship skills, ability to identify sad vs angry vs scared emotions in solo vocal vs violin vs trumpet vs timpani improvisations, college students, 36915
number & coinciding or conflicting nature of metric accent structures, systematic performance variations, pianists, 32109
online music parsing & cognitive load & response latency in divided attention paradigm, adult musicians vs nonmusicians, 32129
opera appreciation, 16 yr old & older consumers, Great Britain, 15740
patterns & pathogenesis of musical hallucinations, 37–89 yr olds with hearing loss or coarse brain disease or psychiatric disorders, 1541
perception of harmony & pleasantness of melodic intervals in tonal vs microtonal structure over octaves, musically trained vs untrained adults, Japan, 40035
perception of music dynamics & loudness levels of pipe organ steady sounds, musicians & music students, 40039
perception of overtone singing, speech therapy students & phoneticians, 12186
perceptual invariance in pitch & spectral & intensity & temporal structure, humans & animals, research review, 20363
pitch class set of diatonic scale conformant 3 note sequences, detection of out of scale musical notes, music students & other adults, England, 8263
psychoanalytic approach to primitive auditory fusion with mother & aesthetics in origins of musical pleasure, 33424
psychotheological interpretation of rap music & psychosocial integration, Black male artists, 16896
putative reduced pitch patterns of melodic segment in long term memory with vs without additional tune information, identification of folk tunes & paired association, female college music students, 8251
rationalized & innovative aesthetic interests in distribution of concert music programing, 44758
resource materials in art & drama & dance & music programs, elderly, bibliography, 37213
rhythmic grouping & melodic accent in musical sequences, detection of intensity & duration changes, college students, implications for performance variations, 40037
role of pitch time interaction & harmonic root in music perception, 40049
semantic differential vs verbal attribute magnitude estimation of simultaneous wind instrument timbres, college students, 40043
serial position in presentation of exemplars, research on verbal description of music prototypes, implications for neural networks, 4278
similarities of improvisation in jazz & free association in psychoanalysis, 41378
social pharmacological interpretation of Acid House psychedelic drug & musical concert experience, 9358

spoken subliminal suggestions in music, tempo perception, undergraduate & graduate music majors vs nonmusic majors, 36131
structural intervention in 1st movement of W. Mozart's Symphony in G Minor K. 550, aesthetic preference, college students with music vs other majors, 8243
subjective tone identification thresholds for acoustically filtered complex musical tones & phoneme identification thresholds for Mandarin Chinese, 20–33 yr old native speakers, 44798
subliminal auditory stimulation in music, subconscious written or pictorial imagery & detection & awareness & overt behavior, professional musicians & college students & young adults, 36129
subliminal backward recorded message, attitudes, college students, 24350
subliminal music, short term recall, adults, 350
theory of tone semantics & perceptual meaning in musical context, application to neural networks based pattern recognition, 24342
timing microstructure & diversity & commonality in performance of R. Schumann's "Traumerei", pianists, 25039
tone location & music context vs instrument characteristics, timbre discrimination, adult musicians, 8238
transient musical hallucinosis, 52 yr old hearing impaired female with right subarachnoid hemorrhage, case report, 22391
type of resolution related to musical expectancy, RT & response accuracy & spectral analysis of EEG responses, musically trained adults, 32112
units of knowledge in cognitive plans for music performance, 18–59 yr old pianists, 20280
verbal attributes of wind instrument dyad timbres, 17–39 yr old music majors, 40042
verbal with vs without visual vs gestural cues, identification of music excerpt as loud or soft or fast or slow, 3 vs 4 vs 5 vs 6 yr olds with communication disorder, treatment implications, 38073
vestibular system response to vibrational phenomena in music, commentary, 32050

Music [See Also Musical Instruments, Rock Music]—Books

Language, music, and mind, 32729
Music and the mind, 21089
Psychology and music: The understanding of melody and rhythm, 28976

Music [See Also Musical Instruments, Rock Music]—Chapters

Children's musical cognition and taste, 29108
The complexities of rhythm, 28221
Development of the perception of musical events, 28980
Dynamics of musical patterns: How do melody and rhythm fit together?, 28222
Media, music, and adolescents, 29104
Melody comprehension and tonal structure, 28220
Music in the lives of adolescents: A comparison of in-school and out-of-school music experiences and involvement, 28890
The music listening skills of infants and young children, 28982
Parallels between pitch and time and how they go together, 28223
Procedural and declarative knowledge in music cognition and education, 31207
Tonal structure of melodies, 28219

Music Education—Serials

attribution feedback & classroom goal structure, behavioral & affective responses to failure in music, junior high school students, 35375
choral music education curriculum, singing ability, 13–23 yr olds with Down's syndrome, 19586
cooperative & individualistic learning, music achievement & attitudes, prospective elementary school teachers, 35263
music education program, holistic development of empathy & prosociability, 6 yr olds, 9 mo followup, 32964
temporal stimulus accents, verbal production & motor accompaniment synchronization, 5.5 yr old musicians vs nonmusicians, France, 9147
verbal vs colored graphic analysis aids, learning of music by heart, guitar students, 11402

Music Therapy—Serials

activity & setting & sex & age & mild dementia & duration of institutionalization, need for supervision of behavior, 59–99 yr old care home residents, music therapy implications, 19118
age & length of stay & previous admission, rating of music vs art vs recreation vs traditional therapy vs overall care during hospitalization, 21–73 yr old psychiatric patients, 38956
attitudes toward & use of music therapy for autistic children, child psychiatrists & pediatricians, Germany, 22832
behavioral techniques in & treatment effectiveness of music therapy, elderly, 18829
cognitive behavioral treatment model, chronic pain patients, implications for music therapy, 18617
concerns & satisfaction with personal & work & family lives & impact of sex bias in life & work, female music therapists, 19378
creative arts group, social skills & self expression, patients with traumatic brain injury & their families, 18812
creative group songwriting, emotionally impaired male adolescents, 18819
development of Music Vibration Table, vibrotactile music stimulation & pain relief, patients with ankle vs muscle & joint vs osteoarthritis pain, 18813
ethical precautions in music therapy research, 16091
goals of music therapy, retirement community members & nursing care center patients with Alzheimer's disease, 19130
heavy metal music vs rock music, mood, 12–18 yr old psychiatric inpatients, music therapy implications, 21666
history of music therapy academic major & profession, 18826
incorporation of music therapy into medical practice, 26834
international development of music therapy & philosophical orientation & educational standards & challenges to future of profession, European countries, 18825
knowledge of legal & regulatory issues in supervision of music therapy interns, clinical training directors, 19333
models of transference & countertransference & integration with music therapy, 1975–87, 38349
music &/vs imagery vs cognitive therapeutic techniques, state vs trait anxiety reduction, 19–43 yr olds, 26401
music therapy & teaching tips, autistic children, commentary, 22835
music therapy & techniques for stimulation & pacification & parent training & PL 99-457 guidelines for early intervention, premature infants with low birth weight, 18830
music therapy, active participation, 61–93 yr old nursing home residents with probable Alzheimer's disease, 23102
music therapy, anxiety, female 30–40 yr old surgery patients, 18815
music therapy as part of interdisciplinary approach in rehabilitation center, physically disabled or language delayed preschoolers, 18816
music therapy during chemotherapy, nausea & emesis, 38–73 yr olds with cancer, 22881
music therapy during pregnancy & labor & delivery, 18824
music therapy, female 69 yr old with Alzheimer's dementia, 18854
music therapy in addiction treatment groups, affective processes & attitudes, clients, 19231
music therapy in early intervention, preschool programs & early childhood education practices & programing, 19477
music therapy, perception of chronic pain, 31–81 yr old females with rheumatoid arthritis, 42572
music therapy research in medical & creative arts therapy journals, 1983–90, literature review, 38653
music therapy, self esteem in support group, sexually abused 14–19 yr olds with vs without music skills training, 18814
music therapy test battery, assessment of cerebrovascular accident patients, music therapists, 16027
music therapy vs medical treatment, patients with Alzheimer's disease, 18844
music therapy, 18–40 yr olds with mental & substance abuse disorders, 22831

music therapy, 28 yr old female with Down's syndrome & anorexia nervosa, case report, 38656
occupational & music therapy, dressing completion times & caregiver involvement, 14 vs 29 yr olds with traumatic brain injury, 19183
performing in African drum ensemble & psychiatric rehabilitation, mental health center patients, 46905
perspectives on qualitative approach to research in music therapy, 38655
principles of group developmental sequences & application to music therapy, review of psychotherapy & transactional analysis & behavior therapy models, 18828
profile of music therapy clinical training, internship supervisors, Canada, 23369
profiles of 3 female music therapists, 20th century, 38654
quantum physics & music therapy, 18818
relationship of music therapy to cognitive linguistic model of language rehabilitation, hearing impaired preschoolers, 18820
relaxation & drawing during music therapy, expression & exploration of feelings & memories, institutionalized elderly, conference presentation, 38659
research & assessment methods for music therapy, 46589
role of composer in music therapy, 18817
self vs clinical evaluations of musical & music therapy skills & personal & professional behaviors, music therapy practicum students, 19331
singing instruction, speech production, neurologically impaired adults with expressive speech disorder, 39052
stress management program including music therapy, staff in nursing home for patients with Alzheimer's disease, 23406
use of projective drawings in music therapy, uncommunicative & withdrawn 17 yr old male, Finland, case report, 30561
verbal with vs without visual vs gestural cues, identification of music excerpt as loud or soft or fast or slow, 3 vs 4 vs 5 vs 6 yr olds with communication disorder, treatment implications, 38073

Music Therapy—Chapters

Guided Imagery and Music: A music therapy approach to multiple personality disorder, 30565
Music therapy in the management of dementia, 46592

Musical Ability—Serials

absolute pitch ability vs musical training, melodic interval & contour discrimination & EPs, 15–47 yr old musicians vs nonmusicians, 8239
choral music education curriculum, singing ability, 13–23 yr olds with Down's syndrome, 19586
current & past levels & duration & organization of deliberate practice, expert performance, violinists & pianists, Germany, 40718
dynamic programing algorithms, analysis of serial behavior & correspondence between actual vs intended musical performance, children & adult pianists, conference presentation, 40720
efficiency & reliability & concurrent validity of computerized adaptive vs conventional tests of tonal memory, college students, 31815
links between appraisals & feedback given & received, appraisal of musical ability, bar band musicians, US & Canada, 29380
loss of ability to process music, male 24 yr old musician with right temporo parietal lesion, case report, letter, 34205
music perception, college student expert vs novice music listeners, 36918
musical & language ability, 58 yr old aphasic male & 58 yr old nonaphasic female musicians with degenerative brain disease, 42091
musical sight reading vs keyboard playing, neural organization & cortical area activation, professional pianists, 626
musical training & absolute pitch ability, P3 EPs during sine tone discrimination, 15–47 yr olds, 8732
musicality of listener, identification & discrimination of major vs minor triads, adults, 20242
musicianship skills, ability to identify sad vs angry vs scared emotions in solo vocal vs violin vs trumpet vs timpani improvisations, college students, 36915
neurofunctional anatomy of musical ability, brain damaged patients & M. Ravel & other brain damaged composers, 46093
nontonal vs tonal melodies & auditory interference, encoding strategies for memory of single tone pitch, female college music majors, 8249
nosologic classification, course of objective features of musical expression & performance, psychiatric inpatients, 6 wk followup, 29573
nosologic classification, objective features of musical expression & performance irregularities, psychiatric inpatients, 29572
perception of harmony & pleasantness of melodic intervals in tonal vs microtonal structure over octaves, musically trained vs untrained adults, Japan, 40035
performance on harmony composition task, expert vs novice composers, 16892
phonemic & musical sound discrimination & reading ability, 4.8–5.3 yr olds, 32882
progressive amusia & aprosody, 63 yr old female singer with right sided temporoinsular atrophy & frontotemporal hypoperfusion, case report, 10346
spoken subliminal suggestions in music, tempo perception, undergraduate & graduate music majors vs nonmusic majors, 36131
structural intervention in 1st movement of W. Mozart's Symphony in G Minor K. 550, aesthetic preference, college students with music vs other majors, 8243
testosterone vs estradiol vs ACTH levels, spatial vs verbal vs musical performance, late adolescents, Germany, 12692
tonal vs modal melody, memorization & learning strategies, 19–23 yr olds with vs without absolute pitch, Poland, 16366
verbal cue with tactile vs visual aural vs sung cue vs iconic symbolic representation, piano performance, 18 yr old with Down's syndrome, 18123

Musical Ability—Chapters

Musical excellence: How does it develop?, 881
Vision in dyslexics: Letter recognition acuity, visual crowding, contrast sensitivity, accommodation, convergence and sight reading music, 41838

Musical Instruments—Serials

instrument morphology & cognitive aspect of movement in playing & structural characteristics of music, 8282
musicianship skills, ability to identify sad vs angry vs scared emotions in solo vocal vs violin vs trumpet vs timpani improvisations, college students, 36915
perception of music dynamics & loudness levels of pipe organ steady sounds, musicians & music students, 40039
semantic differential vs verbal attribute magnitude estimation of simultaneous wind instrument timbres, college students, 40043
speech therapy, stuttering-like behavior while playing French horn, 32 yr old male stutterer, case report, 35063
structured vs free practice & field dependence & sex, technical accuracy & musicality of instrumental performance, 7th–10th graders, 19516
verbal attributes of wind instrument dyad timbres, 17–39 yr old music majors, 40042
verbal cue with tactile vs visual aural vs sung cue vs iconic symbolic representation, piano performance, 18 yr old with Down's syndrome, 18123

Musical Instruments—Chapters

Perception of timbral analogies, 44039

Musicians—Serials

current & past levels & duration & organization of deliberate practice, expert performance, violinists & pianists, Germany, 40718
EMG biofeedback, abductor pollis brevis functioning during piano performance, 15–33 yr old beginner through advanced pianists, 40503
experience & trait anxiety & social phobia & setting, performance anxiety, 18–40 yr old music students, Australia, 21860
musical & language ability, 58 yr old aphasic male & 58 yr old nonaphasic female musicians with degenerative brain disease, 42091

musical sight reading vs keyboard playing, neural organization & cortical area activation, professional pianists, 626
neurofunctional anatomy of musical ability, brain damaged patients & M. Ravel & other brain damaged composers, 46093
performance on harmony composition task, expert vs novice composers, 16892
personality & stress, 16–69 yr old musicians vs actors vs singers vs dancers, England, 12937
psychotherapeutic modalities & processes, facilitation of musical creativity, musicians, 2461
role of composer in music therapy, 18817
timing microstructure & diversity & commonality in performance of R. Schumann's "Traumerei", pianists, 25039
training in music vs mathematics vs dance, ear asymmetry for dichotic chords vs melodies vs speech tasks, 14–24 yr olds, 37052
verbal vs colored graphic analysis aids, learning of music by heart, guitar students, 11402
Musicians—Chapters
Performance anxiety, 26568
Muslims [See Islam]
Mutations—Serials
absence of prion protein mutation, Jewish Libyan & non-Libyan patients with manic depression, Israel, letter, 1677
apterous mutations locus, sexual behavior map & courtship defects & retention of immature sexual appeal & juvenile hormone production, male Drosophila melanogaster, 4558
asymmetric dopamine D1 & D2 receptors in striatal & mesolimbic regions & quinpirole induced rotation & stereotyped sniffing, transgenic insertional mutant mice, 8632
courtship song tone pulse temporal parameters, Drosophila melanogaster vs simulans species vs behavioral mutants, 8527
deficient hippocampal long term potentiation, a-calcium-calmodulin dependent kinase II mutant mice, implications for study of mammalian learning processes, 4620
grooming & spatial memory behavior, mutant male mice, animal model of mucopolysaccharidosis type VII, 40460
hippocampal long term potentiation, spatial learning performance, a-calcium-calmodulin kinase II mutant mice, 4619
hole poking & motor coordination, lurcher mutant mice with cerebellar Purkinje & granule & inferior olive cell loss, 44417
molecular analysis of gene defects & mutations, Finnish vs non-Finnish patients with aspartylglucosaminuria, 10223
mutation genotype, mentally retarded patients with untreated phenylketonuria, dietary treatment implications, 45835
mutations in protein coding region of beta nerve growth factor gene assessed by automatic fluorescent sequencing, unrelated schizophrenic patients, 37733
passive & active electrical properties of cultured hippocampal neurons, Trisomy 16 vs diploid 16 mice, animal model of Down's syndrome, 44477
polymorphism identification in exons of dopamine D2 receptor gene, schizophrenic vs delusional 20–63 yr olds, Italy, 25695
spatial deficit vs defect in inhibitory processing, retention in delayed spontaneous alternation paradigm, lurcher mutant mice, implications for cerebellar involvement, 40248
swimming activity, dystonia musculorum mutant mice with spinocerebellar fiber degeneration, 44418
temperature & illuminance & light dark cycles of varying duration, locomotor activity & phase shift, circadian arrhythmic &/or blind Drosophila mutants, 36650
Mutations—Chapters
Neurological murine mutants as models for single-gene effects on behavior, 8587
Mutilation (Self) [See Self Mutilation]
Mutism [See Also Elective Mutism]—Serials
facilitated communication & underlying communication skills, nonspeaking male 6.9–16.8 yr olds, 10192
handedness, nonspeaking 8–37 yr olds with moderate or severe or profound mental retardation, 22128
iv antifungal amphotericin B induced personality change & confusion & mutism & fatal leukoencephalopathy, 16 yr old female with leukemia & 22 yr old male who underwent bone marrow transplant, 22949
iv caffeine benzoate during amobarbital interview, prevention of falling asleep, 20–75 yr olds with catatonic mutism, 30486
lasting mutism & right hemiparesis & buccofacial apraxia associated with mild aphasia, right handed male 56 yr old with brain damage due to cerebrovascular accident, Colombia, case report, 30232
response to amobarbital interview, predictions of hospitalization outcome, patients with catatonic mutism, 11067
Mutual Storytelling Technique—Serials
fantasy & mutual storytelling technique in counseling intervention, male 14 yr old sexual abuse victim/offender, 22496
Myasthenia Gravis—Serials
anxiety disorders, 17–83 yr olds with myasthenia gravis or polymyositis or dermatomyositis, 46081
coping mechanisms & psychosocial factors indicating need for psychotherapy, 22–77 yr olds with myasthenia gravis, 42554
Myelin Sheath—Serials
clinical features of central pontine myelinosis, HIV positive homosexual 49 yr old male, case report, 10289
dynamic vs static mechanical hyperalgesia, 19–77 yr old neuropathic pain patients, implications for involvement of myelineated A fibers in afferent pathways, 42084
MRI vs myelin staining, detection of myeloarchitectonic signatures of striate & extrastriate cortex, adults, 24660
serum antibodies reactive with myelin basic protein, autistic 10 yr olds & younger, implications for etiological role of autoimmunity, 33930
Myelitis [See Also Encephalomyelitis, Poliomyelitis]—Serials
clinical & neuroradiologic findings of congenital hydrocephalus, male infant born to mother with HTLV-I associated myelopathy, Japan, case report, 2174
Myenteric Plexus [See Autonomic Ganglia]
Myers Briggs Type Indicator—Serials
construct validity of Gregorc Style Delineator measure of learning style & relation to Myers Briggs Type Indicator personality score, college students, 7942
empathic responding & Myers Briggs profile, counseling education graduate students, 3187
forced choice vs Likert forms of Myers-Briggs Type Indicator, assessment of bipolarity of Jungian introversion/extraversion & sensing/intuiting & thinking/feeling types, college & graduate students, 31839
Myers-Briggs Type Indicator assessed preferences & personality types & job performance, clubhouse rehabilitation staff, 35218
Myers-Briggs Type Indicator scores & self efficacy & academic locus of control, academic procrastination, college students, 15437
Myers-Briggs Type profile, Hispanics vs Blacks vs Whites, 37506
real data simulation of computerized adaptive administration of Myers-Briggs Type Indicator, college students, 43871
usefulness of Myers-Briggs Type Indicator & Project Planning Situation exercise, assessment of information processing types & problem solving capabilities, male mining personnel, Canada, 24230
uses & misuses of Myers-Briggs Type Indicator in personnel administration, 19665
Myocardial Infarctions—Serials
age & occupation, working vs early retirement or disability pension status, male 65 yr old & younger blue vs white collar workers before vs after 1st myocardial infarction, Sweden, 34126
clinical & psychodiagnostic characteristics, male 29–65 yr olds with low vs medium vs high degree of major depression following acute myocardial infarction, 18326
course of depression, outpatients with history of hypertension or myocardial infarction or current insulin dependent diabetes, 1 or 2 yr study, 38144
drug withdrawal, development of delirium & myocardial infarction, barbiturate & narcotic abusing 78 yr old female, case report, 18018
exhaustion & psychological work stressors & smoking, adult males with 1st acute myocardial infarction, Netherlands, 18321

group psychosocial intervention, severity of risk factors, post-acute myocardial infarction patients, Greece, 22869
life events & personality factors & active vs passive coping, patients with myocardial infarction, 2227
methodology in assignment of Ss to disease prone personality types, male 30–70 yr olds with vs without myocardial infarction, Netherlands, 36033
perceived mental & physical health & social support, 65 yr old & older patients with myocardial infarction, Sweden, 14264
perceived social support & demographic characteristics & uncertainty & threat & coping strategies, coping effectiveness, 34–80 yr old postmyocardial infarction patients, test of model of stress, 30145
personal & medical & psychological characteristics, compliance with rehabilitative home based walking program, male 32–75 yr olds with myocardial infarction, 34997
psychiatric morbidity, outcome, patients with myocardial infarctions, 3 & 12 mo followups, 14269
psychosocial interventions, adults with myocardial infarction or coronary bypass surgery or cancer, literature review, 26843
quality of life, 32–93 yr olds with Q-wave vs non-Q-wave myocardial infarction assessed following hospital admission, 100 day study, 22324
recovery from acute myocardial infarction as assessed by heart rate & anxiety & anger & denial & depression, male patients, 6 mo followup, 38197
sex, recovery from myocardial infarction & medical care & social support & caregiving assistance, 43–87 yr olds, 1 yr study, 42024
social support & self care & esteem, over 40 yr olds assessed 1–2 yrs after myocardial infarction, 14260
stress & self efficacy & coping strategies & resources, psychosocial adaptation, 34–69 yr olds with myocardial infarction, Australia, 3 mo followup, 2230
Type A behavior & related psychological factors, 1st yr prognosis, 38–64 yr olds with myocardial infarction, 30153

Myocardial Infarctions—Chapters
Emotional quality of life after myocardial infarction, 10324

Myoclonia—Serials
acetazolamide, action myoclonus, 16 yr old male & 18 yr old female with Ramsay Hunt syndrome, 14864
buspirone, 76 yr old male with myoclonus & obsessive fears & temporal encephalomalacia, case report, 38710
classification as progressive myoclonic ataxia of Unverricht-Lundborg type, 15–48 yr olds with myoclonus & ataxia & infrequent seizures & minimal intellectual impairment, Kuwait, 22398
clozapine induced myoclonic & grand mal seizures, 26 yr old schizophrenic male, letter, 46445
clozapine induced myoclonic jerks & drop attacks, male 40 yr old with treatment refractory schizophrenia & severe tardive dyskinesia, letter, 14664
desipramine, development of stuttering & jaw myoclonus, depressed 28 yr old male, letter, 18754
home based occupational therapy with visualization & relaxation, 67 yr old male with action myoclonus, case report, 7273
nonselective 5-HT agonist 5-MeODMT vs 5-HT1A selective 8-OH-DPAT &/vs 5-HT2 selective DOI, myoclonic body jerking, male guinea pigs, 36763
psychogenic myoclonus, 22–75 yr olds, 30056
spontaneous post-ECT myoclonic jerks, female 26 yr old with psychotic depression & bulimia, case report, 22800

Myofascial Pain—Serials
establishment of nonpain "normal" temporomandibular-masseter EMG values, treatment & diagnosis of myofacial contraction & related headache, 14–74 yr olds, 26183

Myopia—Serials
amplitude & temporal ranges of latency of visual EPs, 5–16 yr olds with congenital bilateral complicated vs uncomplicated myopia with amblyopia, 26377
continuous vs 15 min spells of VDT work, visual acuity & refraction & oculomotor functions in myopia & fatigue, 20–22 yr olds, 22446
risk of computer visual display terminal induced myopia, children, 35662
role of eye & brain size in pleiotropic relationship between intelligence & myopia, 22443

Myotonia—Serials
growth hormone secretion status, 7–69 yr olds with myotonic dystrophy, 38097

Myotonia—Chapters
Myotonia, 10428

Mysticism—Serials
Christian mystical experience, lifestyle & thinking & behavior, adults, 29174
definition & framework for mystical process in psychotherapeutic experience, 14487
left vs right temporal lobe alpha & theta rhythm activity, hemisphericity & temporal lobe signs & sensed presence & mystical experience, 18–35 yr olds, 28589
mystical practice in Authentic Movement dance therapy, 10773
phenomenological reduction of E. Husserl & M. Heidegger in context of transpersonal mystical experience, 36926
psychoanalytic perspective on role of early maternal bonding in commitment to cult of Virgin Mary & preferences for religious images, nonCatholic males, commentary with empirical data, 9385
relationship between mystical aspects of A. Khomeini's personality & political thought, 33067
role of mystical study in psychosis, Jewish male 23–28 yr olds, 21799
visions of unborn children during near death experiences, adults, 32269

Mysticism—Books
Women as healers, women as patients: Mental health care and traditional healing in Puerto Rico, 18809

Mysticism—Chapters
Keeping faith with the future: Toward final conscious unity, 1511
Psychoanalysis, social role and testability, 6689
Psychoanalysis, social role and testability: Response, 6687

Myths—Serials
archetypal images of psychotherapeutic stance in figure of Coyote in Navaho myth & Titan Prometheus in Greek myth, 36916
hermeneutic phenomenological approach to symbols & myth in dream interpretation, 9 yr old female, 46198
knowledge about AIDS & perceived risk associated with pseudorisks regarding HIV transmission, homophobia, college students, 22271
myths of everyday life in provision of safe environment in residential & other care settings, professionals treating disturbed or displaced children, 27089
myths of family privacy & stability & conjugal & parent rights & role in family systems therapy, 34448
postmodern archetypal psychology in myth of Hermes, 1506
psychoanalytic interpretation of Narcissus & Echo in Ovid's "Metamorphoses", 28805
psychoanalytic perspective on folklore myths of Swallowing Monster & Open Brains as fantasies related to male birth envy, Plains Indians, 13262
psychological interpretation of mythological views on suicide, India, 21903
rejection or acceptance of rape myths, emergency room vs rape crisis center personnel, 15301
relationship between placentas & Indian medicine wheels & tree & circle of life, 41021
victimization & sex of rape perpetrator, acceptance of male rape myths, male vs female college students, 9967

Myths—Books
Illuminating shadows: The mythic power of film, 4988

Myths—Chapters
Clinical/therapeutic effectiveness: Banning the procrustean bed and challenging 10 prevalent myths, 26513
Electra: Revenge fantasies and homicide in child abuse victims, 29826
The fashioning of living myths, 32736
Feeling, imagination, and the self, 33465
Myth and symbol as expressions of the religious, 34393
The myth-ritual complex: A biogenetic structural analysis, 20616

The mythological structure of organizations and its impact, 43510
Oedipus: Uncovering intergenerational cycles of violence, 28810
The psychology of scientific myths, 3938
The rage of angels, 41027
Sibling myths in a south Indian fishing village: A case study in sociological ambivalence, 45111
War, love, and industrialism: The Ares/Aphrodite/Hephaestus complex in "Lady Chatterley's Lover.", 32742
Myxedema [See Hypothyroidism]
Nabilone [See Cannabinoids]
NAch [See Achievement Motivation]
Naloxone—Serials
adenosine agonists vs clonidine, naloxone precipitated morphine withdrawal, rats, 12768
aspirin vs indomethacin vs salicylic acid, naloxone induced withdrawal contraction after morphine exposure, isolated ileum of male guinea pig, 36899
baclofen, naloxone induced plasma LH & cortisol, male 24–35 yr olds, 28687
bilateral intrastriatal dynorphin A & related nonopioid fragment &/vs naloxone, dorsal immobility, male rats, 36834
bilateral intrastriatal enkephalins with vs without naloxone, dorsal immobility & vertical cling & horizontal bar grasping, male rats, 4870
bradykinin into dorsal periaqueductal gray with vs without naloxone pretreatment, antiaversive & hyperalgesic actions in aversive brain vs dental pulp electrical stimulation, male rats, 12747
chronic morphine & naloxone precipitated withdrawal, acoustic startle response, male rats, 729
concurrent naloxone, opioid agonist effects of buprenorphine, healthy nondependent 28–46 yr old males, 8992
control of food delivery & naloxone pretreatment, nociception & endogenous analgesia, male food deprived rats, erratum, 16553
dorsal vs medial vs ventral globus pallidus morphine with vs without naloxone, pain threshold & analgesia, male rats, 680
dynorphin &/vs naloxone, psychomotor & other behavior, monkeys, 12723
food deprivation, morphine vs naloxone induced analgesic tolerance, male rats, implications for animal model of anorexia nervosa, 16759
GABA receptor agonist vs antagonist vs benzodiazepine receptor agonist, naloxone induced hypoalgesia, male rats, 20971
glucose vs naloxone vs physostigmine, NMDA antagonist induced amnesia for spontaneous alternation performance, male mice, 8990
heat stress & naloxone, hypoalgesia assessed by formalin test, male rats, 40571
icv corticotropin releasing factor &/vs naloxone, restraint stress induced heart rate, body temperature & serum corticosterone, male rats, 44636
intranigral naloxone vs mu vs kappa vs delta selective opioid receptor antagonists, drug withdrawal behavior, male morphine dependent rats, 20805
intrathecal naloxone hydrochloride vs naltrindole vs binaltorphimine, nonopiate stress induced analgesia, male rats, 21034
ip naloxone vs MK-801, formalin pain & swim stress & morphine induced analgesia, male mice, 4946
iv naloxone, stress induced changes in plasma ACTH & corticosterone & testosterone & aldosterone, male rats, translation, 32700
iv S-adenosyimethionine vs GM1 ganglioside vs oxiracetam vs L-acetylcarnitine vs naloxone, somatosensory EPs, ischemic stroke patients, 34211
MK-801 vs naloxone, ethanol induced analgesia, mice bred for high vs low swim stress induced analgesia, 28750
MK-801 vs naloxone, U-50,488 vs morphine induced antinociception, male rats, 8924
modulated vs constant amplitude high frequency peripheral electrical nerve stimulation with vs without naloxone, antinociception, rats, 621
morphine & naloxone & endogenous opioids & selective opioid antagonists, habituation, fetal rats, 40677
morphine &/vs naloxone, wavelength & luminance discrimination, male pigeons, 40531
morphine administration method & later electroacupuncture frequency & naloxone challenge, suppression of withdrawal syndrome symptoms, male rats, 28714
morphine vs naloxone, ethanol & sucrose reinforced responding, rats, 12881
morphine vs naloxone, glutamate induced ileum contraction, guinea pigs, 20903
morphine with vs without naloxone, laterus merus threat display, male crabs, 12737
movement to novel environment during early parturition with vs without naloxone, interruption of parturition & plasma oxytocin, primiparous female pigs, 20909
naloxone, associative regulation in fear conditioning, female rats, 4970
naloxone challenge, tachycardia & heart rate & vagal tone, opiate dependent 26–45 yr olds, 22006
naloxone, dextroamphetamine induced locomotor activity, striatal & nucleus accumbens dopamine, male rats, 4823
naloxone, diffuse noxious inhibitory controls assessed by pain threshold & nociceptive flexion reflex, male patients with chronic back pain vs postoperative pain, 10245
naloxone, drinking behavior, schizophrenic 54 yr old male with intermittent hyponatremia & polydipsia, 6779
naloxone, food intake & opioid regulation of appetite, lean vs obese sheep, animal model of opioid regulation dysfunction, 28660
naloxone, hypersensitivity of hypothalamic-pituitary-adrenal axis to endogenous corticotropin releasing hormone, male 40–48 yr old Vietnam veterans with PTSD, 45560
naloxone, individual vs paired locomotor activity & social behavior & habituation, male rats, 20846
naloxone, maternal & social grooming behaviors, lactating female rhesus monkeys, 44671
naloxone, morphine induced inhibition of LH secretion, adult vs prepubescent male rats, 28684
naloxone or atropine, analgesia evoked by pretectal nucleus electrical stimulation, male rats, 36815
naloxone or naltrexone, self injury, patients with developmental disabilities, research review, 30502
naloxone or naltrexone, water intake & thirst, thermally dehydrated male rats, 20802
naloxone vs flumazenil, morphine vs diazepam induced spatial memory deficits, male rats, 730
naloxone vs ginseng total saponins with vs without 5-HTP, U-50,488H induced tail flick vs tail pinch antinociception, male mice, 4840
naloxone vs methysergide, antinociception following escape behavior induced by midbrain tectum electrical stimulation vs bicuculline, male rats, 12755
naloxone vs morphine, acute adaptation to hypoxia following conditioning, male mice, implications for role of endogenous opioid peptides, 576
naloxone vs naltrindole vs beta funaltrexamine vs norbinaltorphimine, amphetamine induced motor activity & antinociception, male rats, 12808
naloxone vs opioid delta antagonist ICI 174,864, antinociception in cold water swim stress, mice, 780
naltrexone vs nor-binaltorphimine, central vs peripheral naloxone benzoylhydrazone vs U50,488H, food intake & body weight & hyperphagia, male rats, 8927
naltriben vs naltrindole, ED 50 values of naloxone for morphine withdrawal signs, male mice, implications for involvement of delta 2 opioid receptors in development of morphine dependence, 36839
neonatal monosodium glutamate, development of morphine dependence assessed by naloxone induced abstinence syndrome, young vs aged rats, 20901
postnatal morphine with vs without naloxone, EEG & locomotion & other motor behavior, rat pups, 8988
prior exposure to whole vs skim milk with normal diet, naloxone induced anorexia & food intake, male rats, 40707
restraint stress with vs without naloxone, plasma ACTH & corticol & prolactin & growth hormone, prepubertal gilts, 40476

route of naloxone administration, brain vs spinal cord naloxone concentration & withdrawal jumping, morphine dependent mice, 40632
testosterone & naloxone, feeding, male juncos, 12766
verapamil vs nifedipine vs clonidine, naloxone precipitated morphine withdrawal, rats vs hamsters, 20992
yohimbine &/vs prazosin vs phentolamine vs clonidine, effect of naloxone on habituation of novelty induced hypoalgesia & paw lick latency, male rats, 36864
12 hr naloxone infusion, mood & cognition & plasma cortisol, male 19–38 yr olds, 16816
2nd order extroceptive reinforcer associated with naloxone precipitated morphine withdrawal, conditioned taste aversion, male rats, animal model of drug relapse phenomena, 4798

Naltrexone—Serials

benzodiazepines & naltrexone prior to inescapable shock, interference with speed & accuracy of maze path choice escape responses, male rats, 24932
cessation of long term naltrexone, self injurious behavior, profoundly mentally retarded female 28 yr old, case report, 46431
exposure to 2450-MHz radiation with vs without naltrexone pretreatment, thermal stress induced analgesia, male mice, 12827
food restriction & refeeding, naltrexone induced electrical stimulation frequency thresholds for lateral hypothalamic self stimulation, male rats, implications for opioid facilitation of alliesthesia, 40353
icv naltrexone vs beta funaltrexamine vs naloxonazine vs nor-binaltorphamine vs DALCE vs naltrindole, tail pinch feeding, male rats, 36809
icv vs ip recombinant murine tumor necrosis factor alpha vs naltrexone, food intake & place conditioning, male rats, 36767
icv vs sc quaternary naltrexone, learned helplessness, female rats, 8869
low vs high dose endorphin blocker naltrexone, approach behavior & subjective fear, adult females with spider phobia, 34526
methysergide vs ritanserin vs ICS-205,930 with vs without naltrexone, insulin hyperphagia, male rats, 4842
methysergide vs ritanserin vs ICS-205,930 with vs without naltrexone, 2-deoxy-D-glucose hyperphagia, male rats, 4738
morphine vs naltrexone, quinine induced taste aversion & sucrose induced ingestive responses, male rats, 16841
naloxone or naltrexone, self injury, patients with developmental disabilities, research review, 30502
naloxone or naltrexone, water intake & thirst, thermally dehydrated male rats, 20802
naltrexone & mu agonist hydromorphone vs pentazocine, physiological & subjective behavioral discrimination, male 22–36 yr olds, implications for kappa binding affinity, 28768
naltrexone & Self-Injurious Behavior Inhibiting System, profoundly mentally retarded 28 yr old male with severe self injurious behavior, case report, 14722
naltrexone & single vs repeated exposure to restraint stress, endogenous opioid peptide mediated LH release, male rats, 12744
naltrexone abuse, male 30–47 yr olds in rehabilitation for abuse of other drugs, 13955
naltrexone, acquisition of iv cocaine self administration, male rats, 40655
naltrexone, autistic children, 26766
naltrexone, autistic 7–16 yr olds, 26777
naltrexone doses, self injurious behavior, 14–43 yr olds with developmental disabilities, 30523
naltrexone, effects of cocaine challenge on cardiovascular & psychological responses, cocaine abusing males, 19219
naltrexone, heart rate & BP during arithmetic task, aerobically fit vs nonfit 18–35 yr olds, implications for opioidergic inhibition of circulatory stress reactivity, 20922
naltrexone hydrochloride, craving & alcohol consumption & mood, alcohol dependent male 21–65 yr olds in outpatient rehabilitation, 15135
naltrexone in nonmedical setting, withdrawal symptoms, heroin dependent male 37 & 38 yr olds, letter, 21986
naltrexone, pharmacological specificity of enhanced sensitivity to decreased operant response rate, male rats, 36877
naltrexone, vocalizations & stereotyped or social behaviors & gross motor activity, autistic 5 yr old male, 22740
naltrexone vs morphine, cold water swim vs social defeat induced analgesia, male rats, test of collateral inhibition model, 40582
naltrexone vs N-methylnaltrexone, response of splenic lymphocytes & natural killer cell activity to conditioned aversive stimulus, male rats, 728
naltrexone vs quaternary naltrexone, recall of allogeneic cytotoxic lymphocyte CR, female mice following C57BL/6 spleen cell immunization, 36787
naltrexone with coping skills & relapse prevention vs supportive therapy, daily alcohol use & craving & satisfaction with medication & change in condition, alcohol dependent adults, 15118

Names [See Also Brand Names]—Serials

elements in & true signature model of automatic signatures, adult male, implications for authenticity verification of questioned documents, 11834
exposure to photographs of faces & information on occupation, recall of proper names & occupations, 22–26 vs 55–77 yr olds, Belgium, replication, 21166
immediate recall of names &/vs occupations in association with unfamiliar faces, college students, UK testing of serial access vs interactive activation & competition model of name recognition, 36249
insufficiency of inability to recall names of British Prime Minister & Queen as screening for cognitive dysfunction, 75 yr olds & older, UK, 9343
knowledge of ability to learn names for & nonlinguistic properties of solid substances, 2.5–3.5 yr olds, 40844
perceived name desirability & uniqueness, actual vs perceived temperament, college students, 21543
proper name anomia, 67 yr old male with left thalamic infarct, 2291
psychological & social influences of names, mental health professionals, 15282
sex & race & class & ethnicity, selection of 1st names, children, 1973–85, 17293
sex typed naming of stimulus persons, age & intellectual competence & attractiveness connotations during sexism & fear of success studies, adults, 16088
social relations expressed in speaker's choice of name of 3rd person vs object, listener's comprehension & memory of personal reference, college students, 20273
title confusion & similarity, measured magazine audience levels, respondents, 31660

Naming—Serials

age & educational level & word length, object naming, 25–85 yr olds, Canada, 13053
age & object's appearance & potential function, referent selection for trained object name & naming of deceptive object, 3.6–6.1 yr olds, 28934
age, name vs physical identity RT & letter matching & accession of overlearned linguistic information in long term memory, normal adults vs patients with Alzheimer's disease vs major depression, 5709
age of acquisition vs phoneme length vs imageability vs prototypicality, object naming RT & recognition, college students, England, 16281
amount & type of fragmentation, object naming & perceptual closure for visually incomplete objects, 18–20 vs 60–77 yr olds, 8198
analysis of face naming errors in serial stage models of speech production, college students, 20240
anxiety vs relaxation mood induction & awareness, Stroop color identification latencies for subliminal vs supraliminal emotional words, high vs low trait anxious college students, 40113
Boston Naming Test norms as framework for determination of word retrieval or word knowledge focus of test, male vs female 5–13 yr olds, 4118
broad vs narrow thought content in Twin Earth problem & causal role of names in intentional behavior, 36146

concept foregrounding, predictive inference in word stem completion vs lexical decision vs naming tasks, college students, 4353
connectionist simulation of semantic & perseverative effects in visual object naming error patterns, left hemisphere damaged patients with optic aphasia, 26324
development of functional & equivalence classes in naming, high functioning autistic 3.5–5.5 yr olds, 10121
dysnomia, elderly patients with verbal vs visual vs global neurobehavioral subtypes of Alzheimer's disease, 6364
exclusion performance in matching to sample & emergent naming, severely mentally retarded 12–78 yr olds, 14075
exclusion vs selection training, auditory visual conditional relations in geometric figure matching to sample & naming tasks, male 8–11 yr olds with persistent school failure, Brazil, 47168
facilitation & self cue training, labeling of novel stimuli, 29–66 yr olds with aphasia, 30215
formant frequency & vowel duration, role of spectral & temporal cues in vowel identification, adults with sensorineural impaired hearing, 14442
input processing & repetition & naming within interactive spreading activation model of language production, male 28 yr old with deep dysphasia, 6386
interference & translations in multilanguage Stroop & picture word naming, trilingual college students, Israel, 36145
left hemispheric tumor, oral vs written reading & spelling & naming ability, brain damaged male 57 yr old, case report, England, 22368
lexical familiarity, individual differences in visual naming & lexical decision & semantic categorization, college students, implications for working memory, 44088
memory load, frequency & lexicality & phonology in naming words vs pseudohomophones, college students, 20269
microcomputer assisted rehabilitation program, picture confrontation written vs oral naming, aphasic females, 1 yr followup, 39053
Multicue computer program, word finding strategies & naming, aphasic 65–75 yr olds, 31058
naming difficulties, 30–78 yr olds with Wernicke's or Broca's or conduction or anomic aphasia, 22374
naming latency for Kana vs Kanji numerals & nouns & nonwords & personal names, 21–22 yr olds, Japan, test of selection difficulty hypothesis, 12262
naming of representations of familiar objects with simple outline shapes, 69–99 yr olds with vs without probable senile dementia of Alzheimer's type, application of Build-up Picture Test, 14308
naming stimuli, identity vs oddity novel matching to sample performance, 55–67 mo olds, 5082
nicotine abstinence, Stroop color & word naming performance, adult male smokers, 44634
object naming & phonological knowledge, 3rd graders with reading disabilities, 6155
object naming & recognition & spelling & reading ability, 22–62 yr olds with written language difficulties, 14111
orthographic vs phonological rime priming, target word naming speed, college students, Australia, 40076
phonemic awareness & naming speed & visual symbol processing, word recognition & pseudoword reading & reading comprehension, 6–10 yr old at risk adequate vs poor readers, 32852
phonological awareness & naming speed & verbal memory, word attack & identification & reading comprehension & spelling, 7.4–12.3 yr olds with severe reading disabilities, 10133
phonologically based treatment, oral & written picture naming & oral reading, aphasic 49–75 yr olds with severe word retrieval deficits, 31053
physical vs nominal vs categorical based picture naming, EPs, 6–39 yr olds, replication & extension, 12987
pictograms with class name mediators vs abstract stimuli, response latencies in emergent relations test, college students, England, implications for accounts of equivalence formation, 36148
picture vs work presentation format & retention interval, repetitively primed picture naming & item recognition, language/learning disabled 4th graders, 10150
possible loci of impairment of object naming with spared visual action naming, brain damaged male 60 yr old with optic aphasia, England, case report, 6385
priming, visual &/vs semantic errors in naming to deadline for pictures of objects from categories with structurally similar vs dissimilar exemplars, college students, England, 20291
prosopanomia, 34 yr old male who initially presented with visual agnosia & aphasia, case report, 34156
reading achievement level, rapid automatized naming & orthographic knowledge, 7–10 yr olds, 894
repetition practice, acquisition & retention & generalization of speed in word naming, good vs poor reading 3rd–4th graders, 39263
residual lexical knowledge of word phonological form vs meaning, atrophic male 68 yr old with deficit in word comprehension & naming, 14354
right vs left reading languages, hemifield advantage in naming & lexical decision in word recognition, English vs Farsi readers, test of cerebral dominance vs scanning vs right hemisphere hypotheses, 44427
self & identity & functions of naming & similarity to minority groups, disabled, 25670
semantic context vs expectancy, lexical decision & naming, 26–61 yr olds, 8311
semantic interference & orthographic facilitation in Stroop like definition naming task, college students, Netherlands, 20267
semantic representations & naming disorders in spontaneous & constrained speech production, aphasic 17–71 yr olds, 14351
semantic vs letter category, generative naming ability & verbal fluency, elderly patients with idiopathic Parkinson's vs Alzheimer's disease, 46040
semantically bounded anomia, male 51 yr old with evacuated left occipital arterial iv hematoma & residual hemiparesis & homonymous hemianopia & alexia & memory impairment, 6354
simultaneous prompting procedure, expressive object identification learning & maintenance & generalization, preschool students with developmental delays, 35450
spaced retrieval training technique, naming, female 76 & 82 yr olds with anomia & degenerative dementia, 42898
speech & language therapy, phonological segmentation skills in production of real words vs nonwords, 5 yr old with deviant phonological production, Great Britain, 23299
spelling-to-sound "friends" vs "enemies", single word reading performance, 16–38 yr old dyslexic college students, Wales, 6159
spontaneous sorting of objects into basic level categories & means end & object permanence tasks, naming, 18 mo olds, 9149
symbol naming speed & precise timing mechanisms & orthographic & phonological processes in reading acquisition, dyslexic children & adults, 33939
systematic evaluation of naming in assessment of word finding disorders, children & adolescents, 10199
unilateral tactile naming disorder in left hand, 8 & 15 yr old females with corpus callosum agenesis, case reports, 30205
use of experiencer stimulus vs stimulus experiencer verbs in naming interpersonal experiences, duration & latency of experiences, 20–37 yr olds, 29345
verbal vs manual rapid automatized naming & reading ability, language impaired 4 yr olds, 2 & 4 yr followups, 14125
visual recognition in tachistoscopic picture confrontation naming task, 17–81 yr olds with right brain damage, 26268
word frequency, lexical access in pseudohomophone naming & pronunciation & homophone decision latency, college students, Australia, 4345

Naming—Chapters

Face naming and speech production model, 16214

Narcissism—Serials

adaptive & maladaptive narcissistic personality factors & self esteem & empathy, college students, 33721
amorality vs narcissism, altruistic actions in saving Jews from Nazi genocide, H. Schindler & S. Jagendorf, 45261
application of Freud's narcissism of minor differences concept to hate in love relationships, 33421

cognitive therapy, narcissistic schemas & scripts of invulnerability, female Wall Street client, 18616
conflicts & regression & narcissism, underachievement, 16 yr old female, 3424
empathy, self esteem & narcissism, 8–16 yr old baseball players, Finland, 29025
fixations on incestuous fantasy & narcissism, female 28 yr old analysand with pathological promiscuity & suicidal impulses, 22645
manifestation of narcissism & ego regression in art therapy, 14 yr old male in residential treatment with behavioral & emotional disturbances, case report, 14769
narcissism & attributional style, patients with narcissistic personality disorder vs neurosis, 25708
narcissism & defense & aggression responses to Rorschach Test, patients with borderline vs narcissistic vs Cluster C personality disorders, 31886
narcissism & object relations & development of self in psychotherapy, patients with paranoid phenomena, 22501
narcissism & object relations & self functioning, 17–50 yr olds, implications for H. Kohut's self psychology, 25563
narcissism & self transformation of Lord Byron & in his dramatic poem "Manfred", 792
narcissism, body image & gender role & self esteem, male vs female college students, 17550
narcissism, life & self & family & job satisfaction, college students & alumni, 1457
narcissistic crises of aging & wedding cake model of suicide, elderly, conference presentation, 33740
narcissistic pathology, depressed widows, 1668
origins of Freud's concept of narcissism, 13593
prenatal & perinatal & postnatal experiences, infant & parental narcissistic development & difficulties, handicapped children & their parents, 34066
prevalence of narcissism & narcissistic personality disorder, military personnel, application of H. Kohut's specific transference model, 33704
psychoanalytic correlation of narcissism & shame & masochism & object relations & social desirability, 18–66 yr olds, 21594
psychoanalytic interpretation of Narcissus & Echo in Ovid's "Metamorphoses", 28805
release of primitive emotions from narcissistic defense & state of negative union in long term psychoanalytic treatment, patients, 10617
self pity & comforting, narcissism & superego development & aggression & resistance to therapeutic change, analysands, conference presentation, 6661
self psychology perspective on addiction as pathological narcissism & transference dynamics, 42 yr old alcohol abusing male analysand, 18690
self vs therapist rated narcissistic needs & perceptions of interpersonal behavior, therapy group clients with Axis I or II diagnoses, 5719
transactional analysis perspective on competitive & narcissistic nature of Top Gun games, therapists & their colleagues or clients, 3247

Narcissism—Books

Narcissism and the interpersonal self. Personality, psychopathology, and psychotherapy: Theoretical and clinical perspectives, 45314
Theories of the self, 9667

Narcissism—Chapters

Character, personality, and the politics of change: Implications for an interpersonal understanding of narcissism, 45299
The concept of narcissistic interactions, 45284
The Daseinsanalytic-phenomenological approach to narcissism, 45316
Dreams of glory and the life cycle: Reflections on the life course of narcissistic leaders, 37198
Fromm's views on narcissism and the self, 45605
Interpersonal relations and the problem of narcissism, 45606
The lost uniqueness of Kohut's self psychology: An instance of narcissism, 45320
Narcissism and the double, 40735
The narcissistic personality of our time, 17590
Posttraumatic narcissism: Healing traumatic alterations in the self through curvilinear group psychotherapy, 46348
Shame, ideal self, and narcissism, 17622

Narcissistic Personality—Serials

adaptive & maladaptive narcissistic personality factors & self esteem & empathy, college students, 33721
birth order, pathological narcissism, 21–75 yr olds, 29749
challenges & countertransference during group psychotherapy, narcissistic patients, 26586
concepts of transitional object vs selfobject in psychoanalytic treatment, borderline & narcissistic patients, 6645
developmental processes & integration of individual & family psychotherapy based on A. Koestler's work "The Yogi & the Commissar", narcissistic children & adolescents, 30302
MMPI & Millon Clinical Multiaxial Inventory profiles, narcissistic vs nonnarcissistic psychiatric patients, 31870
models of diagnostic criteria for narcissistic personality disorder, psychiatrists & clinical psychologists, 29750
narcissism & attributional style, patients with narcissistic personality disorder vs neurosis, 25708
narcissistic & borderline personality disorders, incest perpetrators & victims, conference presentation, 21917
organizational consultation, company CEO with narcissistic personality & borderline features, commentary, 27648
organizational consultation, company CEO with narcissistic personality & borderline features, 27657
organizational consultation, company CEO with narcissistic personality & borderline features, commentary, 27661
organizational consultation, company CEO with narcissistic personality & borderline features, commentary, 27656
organizational consultation, company CEO with narcissistic personality & borderline features, commentary, 27652
political decision making & behavior of narcissistic & charismatic leaders, 45603
prevalence of narcissism & narcissistic personality disorder, military personnel, application of H. Kohut's specific transference model, 33704
psychoanalysis, simulation & false self aspects in resolution of conflicts of core complex, male analysand with narcissistic disorder, 2585
psychodynamics & interpersonal aspects of depression, patients with narcissistic personalities, implications for psychoanalysis, 45599
psychotherapeutic processes, narcissistic psychotherapist & patient, 34363
sadomasochism & defensive identification in complementary interactions of narcissistic & borderline personality types, adult analysands, 14637
self affirmation & interpersonal vulnerability & psychotherapy guidelines, clients with narcissistic psychopathology, 6508
self psychology approach in group psychotherapy, clients with narcissistic vs borderline personality disorder, conference presentation, 26593
self report questionnaire ratings of DSM-III-R criteria for narcissistic personality disorder, 18–70 yr old psychiatric patients vs their informants, 17873

Narcissistic Personality—Chapters

Borderline and narcissistic personality disorders, 33730
The concept of narcissism and the narcissistic personality disorder, 29753
Depression and grandiosity as related forms of narcissistic disturbances, 17886
Fromm's views on narcissism and the self, 45605
An Interpersonal approach to idealization in the narcissistic personality, 45610
Interpersonal relations and the problem of narcissism, 45606
Love and sexuality in narcissistic personalities: A clinical report, 45611
Narcissism and obsessionalism: An interpersonal psychoanalytic approach, 46410
The narcissistic personality, 22666
Narcissistic personality disorder, 26545
The narcissistic personality of our time, 17590
The psychoanalysis of narcissism: An interpersonal view, 46403

The psychodiagnosis of everyday conduct: Narcissistic personality disorder and its components, 5975
Psychotherapy in borderline and narcissistic personality disorder, 42262
Psychotherapy of the narcissistic personality disorder patient: Two contrasting approaches, 22541
The relation of monologue and dialogue to narcissistic states and its implications for psychoanalytic therapy, 46402
Some difficulties in the treatment of character-disordered addicts, 15147
Some narcissistic personality types, 17884
The ubiquity and relativity of narcissism: Therapeutic implications, 46404
The vital therapeutic alliance with borderline and narcissistic patients: A developmental, self and object-relations approach, 26517
Narcoanalysis [See Sleep Treatment]
Narcoanalytic Drugs [See Amobarbital, Thiopental]
Narcolepsy—Serials
body temperature & time of day, cognitive & motor performance, narcoleptic 18–50 yr olds, implications for perceptual encoding deficits, 34183
bromocriptine, daytime sleep episodes & cataplectic attacks, 41–61 yr old patients with narcolepsy, 42584
clinical & diagnostic & etiological aspects & course & treatment, patients with narcolepsy, 2112
cognitive & motor performance, narcoleptic 41–67 yr olds in temporal isolation, 2157
demographic characteristics, self esteem, narcoleptic 18–66 yr olds & older, 2121
dream characteristics & REM density & segment length, 22–69 yr olds with insomnia vs narcolepsy, 38113
etiological factors in impotence & other sexual dysfunctions, 32–73 yr old narcoleptic males, 2141
laws regarding employment & services & driver's & professional licenses, narcoleptic adults, 2172
learning & retention & retrieval & neuropsychological performance & self reported memory problems, narcoleptic adults, 2166
learning style preferences, narcoleptic adults, 2152
methamphetamine dosage, narcoleptic 20–71 yr olds, 46681
narcolepsy & behavioral & personality changes, 30 yr old male with temporal lobe lymphoma, case report, 14333
neurochemical & neuroanatomical & neurobiological & immunogenetic findings, postmortem brains of narcoleptic patients, comparison with depression, 18220
personal & demographic characteristics, depression, narcoleptic adults, 2151
polysomnographic measures, patients with insomnia or depression or narcolepsy, meta analysis, 29498
prevalence of automobile & other accidents, narcoleptic adults, 2122
psychological well being & social support & life effects & nondrug treatments, 28–80 yr olds with narcolepsy onset at 5–49 yrs, 2111
psychosocial aspects & life effects & other factors, adults with narcolepsy cataplexy vs idiopathic hypersomnia vs epilepsy, Canada vs Czechoslovakia vs Japan, 2116
psychosocial parameters & impact, narcoleptic adults, 2115
psychosocial problems & adjustment, narcoleptic children & adolescents, 2142
quality of life, narcoleptic 20–97 yr olds, 2129
REM sleep behavior disorder, 12–74 yr olds with narcolepsy, 2163
scheduled naps, daytime alertness & frequency of sleep attacks & quality of life, 21–65 yr old narcoleptic patients, 38731
self reported comfortable social distance from patients with narcolepsy or other chronic conditions, nurses & other health professionals, 2781
sleep deprivation duration, REM & NREM & other sleep pattern recordings, narcoleptic 17–43 yr olds, 10410
sociomedical counseling model, narcoleptic patients, 2729
temporal isolation, chronological adjustment, narcoleptic adults, implications for medical treatment & psychological adjustment, 2763
triazolam, nighttime sleep quality & excessive daytime sleepiness, narcoleptic 38–60 yr olds, 2823
2 peak pattern in daytime performance & sleep, errors & shift work & circadian control & other issues, workers with narcolepsy or sleep apnea, government policy implications, 2153
Narcolepsy—Chapters
Napping behavior in narcoleptic patients: A four-hour cycle in slow wave sleep, 18257
Narcolepsy and the pathological aspects of multiple napping, 18265
Narcosis—Serials
nitrous oxide inert gas narcosis, vestibular ocular reflex, 22–35 yr olds, 44510
nitrous oxide with vs without alcohol vs dextroamphetamine, RT & P300 latency, 21–35 yr olds, implications for stimulus vs response related processes in drug effects in inert gas narcosis, Canada, 44619
po cyclo (His-Pro) protein, ethanol induced narcosis, male mice, 20801
repeated hyperbaric air with nitrous oxide, perception of & adaptation to narcosis & symptoms & RT, 24–35 yr olds, implications for divers, 4809
subanesthetic nitrous oxide narcosis, sensorimotor integration in postural control during proprioceptive & visual disturbance, 25–42 yr olds, 40646
subanesthetic nitrous oxide narcosis, voluntary nonvisual suppression of vestibulo ocular reflex gain, 23–34 yr olds, 4888
Narcotic Agonists—Serials
acute vs chronic ketocyclazocine with vs without oxytocin or vasopressin, food intake during dark vs light phase, free fed male rats, erratum, 32629
beta funaltrexamine vs naltrindole vs norbinaltorphimine &/vs U-50,488H, morphine induced Straub tail reaction, male mice, 36844
buprenorphine & cocaine, social behavior, monkeys, 36741
buprenorphine, heroin addicted 21–50 yr olds, conference presentation, 7247
buprenorphine vs methadone dosage, opioid dependent 21–43 yr olds, 42935
buprenorphine vs methadone maintenance, cocaine & opiate dependence, conference presentation, 7227
chronic U50,488H, kappa & mu opioid & serotonergic & cholinergic regulation of secretion from hypothalamo-pituitary-adrenal axis, neonatal rats, 12801
concurrent naloxone, opioid agonist effects of buprenorphine, healthy nondependent 28–46 yr old males, 8992
dermorphin, hippocampal electrical activity & voluntary movements & quiet vs alert immobility, male rabbits, 24880
dextroamphetamine with vs without kappa opioid agonist U-50,488H, food & water intake, male rats, 24845
dosage &/vs combination with buprenorphine vs morphine vs naltrexone, discrimination of cocaine from saline, male rats, implications for treatment of cocaine abuse, 8892
dynorphin vs U-50, 488 vs nor-binaltrophinine, memory for peck avoidance training, 2 day old male chicks, 692
fentanyl vs morphine vs nalbuphine, plasma adrenaline & noradrenaline, 29–40 yr old males, 32632
heptapeptide deltorphin, hippocampal electrical activity & activity level & immobility, male rabbits, implications for role of delta opioid receptors, 28582
icv morphine vs mu vs delta vs kappa opioid agonists vs dynorphin, locomotor activity response & pharmacology, guinea pigs, 20811
icv opioid peptide agonists DAMGO vs DPDPE vs DAKLI, linear locomotor & rearing & stereotypic behavior & margin times, male rats, 40629
icv receptor selective opioid agonists, dose dependent antinociceptive effect of intrathecal selective opioid agonists, rats, 20930
icv vs intrathecal morphine vs ketocyclazocine, thermal vs mechanical analgesia, 3–14 day old rats, 4736
icv vs ip vs intrathecal biphalin vs morphine vs etorphine, antinociception & physical dependence, male mice, 44642
intermittent buprenorphine, cocaine & food self administration, monkeys, animal model of drug self administration, 28745

intrafloccular carbachol vs betanechol vs narcotic agonist DMPP, optokinetic & vestibulo-ocular reflex, rabbits, 24992
intrathecal cyclic amphetamine analog dibutyryl-cAMP, analgesia induced by spinal mu agonist morphine vs delta agonist DPDPE vs kappa agonist dynorphin, male rats, 40697
intrathecal deltorphin II vs dermorphin, thermal antinociception, male rats, 28722
kappa opiate agonists PD117302 vs U50,488H, patterns of food & water intake, male rats, 24921
kappa opioid agonist U50,488, motor activity & stretch responses to saline vs milk, 19–21 gestational day old rat fetuses, 32569
kappa opioid receptor agonist U-50,488H with vs without naloxone or nor-binaltorphimine, sexual behavior & locomotor activity & body temperature, male rats, 20911
late stage prenatal opioid agonists, response to cutaneous perioral stimulation & locomotor activity, fetal rats, implications for mu & kappa receptor involvement in fetal behavior, 44727
lateral ventricle mu vs delta vs kappa opioid receptor agonists, lordosis & other sexual behavior, ovariectomized female rats primed with estrogen with vs without progesterone, 28766
medulla administration of kappa opioid agonists ethylketazocine & U-50,488 & morphine & nicotine, analgesic sensitivity to high & low intensity pain stimuli, male rats, 44701
medullary dorsal horn mu vs delta vs kappa opioid receptor agonists, facial scratching, male cynomologus monkeys, animal model of facial pruritus, 8983
MK-801 vs naloxone, U-50,488 vs morphine induced antinociception, male rats, 8924
mu & kappa opioid agonist infusion to ventral tegmental area, reinforcement & aversion in place conditioning paradigm, rats, implications for neuroanatomical mediation of motivation, 28666
mu opioid antagonist naloxonazine vs dopamine antagonist SCH 23390, morphine induced place preference & appetite, mu receptor deficient CSBK vs ddY mice, 28782
mu receptor agonist DAGO vs mu receptor antagonist CTOP, avoidance conditioning & activity level, male mice, 24980
mu vs delta vs kappa opioid receptor ligands DAMGO vs DPEN vs U50,488H in ventral striatum, food intake, male rats, 44577
mu vs kappa opioid agonists vs antagonists vs morphine with vs without SKF 38393 vs SCH 23390, motor activity, rat fetuses, 28780
nalbuphine vs butorphanol, cocaine vs food self administration, rhesus monkeys, 20926
nalbuphine vs butorphanol, cocaine vs food self administration, rhesus monkeys, erratum, 44678
nalbuphine with vs without spinal kappa 1 vs supraspinal kappa 3 receptor antagonists, analgesia, male mice, 16843
naloxone vs ginseng total saponins with vs without 5-HTP, U-50,488H induced tail flick vs tail pinch antinociception, male mice, 4840
naltrexone & mu agonist hydromorphone vs pentazocine, physiological & subjective behavioral discrimination, male 22–36 yr olds, implications for kappa binding affinity, 28768
naltrexone vs nor-binaltorphimine, central vs peripheral naloxone benzoylhydrazone vs U50,488H, food intake & body weight & hyperphagia, male rats, 8927
opioid agonists & antagonists, morphine induced heart rate & arterial BP & antinociception, cervically vagotomized male rats, 32686
opioid agonists vs antagonists, milk induced stretch response, fetal rats, 4929
phenytoin &/vs buprenorphine, 20–61 yr olds & older with cancer pain, 2829
prediction of initiation & cessation of buprenorphine vs temazepam use, 15–25 yr olds, Scotland, 1 yr followup, 10013
restraint stress, intrathecal mu-receptor selective opioid agonist DAGO induced dose dependent analgesia potentiation, male rats, 24856
sc sufentanil, spatial learning & navigation, normotensive Wistar vs renal hypertensive male rats, 36906
selective kappa opioid agonist CI-977 vs morphine, antinociception & cognitive performance, young vs aged rhesus monkeys, 695
selective opioid receptor agonists, vocalization threshold to paw pressure, male rats, animal model of neuropathic pain, 44608
sociodemographic & toxicologic & psychopathologic characteristics, heroin addicted clients with vs without spontaneous switch to buprenorphine, 45761
spinal & supraspinal mu & delta & kappa opioid agonist coadministration, antinociception & nociceptive threshold changes, male rats, 32668
theophylline, intrathecal vs icv selective opioid agonist induced antinociception & gastric emptying & gastrointestinal propulsion, male mice, 24872
U50,488H tolerance & abstinence, TRH receptor binding in spinal cord & brain regions, male rats, 12739
5-HT agonists vs antagonists, discriminative stimulus effects of opioid U50,488 vs spiradoline, female pigeons, 40532

Narcotic Antagonists [See Also Naloxone, Naltrexone] —Serials

beta-funaltrexamine & perinatal sexual isolation, development of mu opioid receptor & nociceptive function, male vs female rat pups, 44605
beta funaltrexamine vs naltrindole, butorphanol withdrawal motor & other behavior, male rats, 32641
beta funaltrexamine vs naltrindole vs norbinaltorphimine &/vs U-50,488H, morphine induced Straub tail reaction, male mice, 36844
buprenorphine, cocaine induced ACTH secretion & cardiovascular response & mood states, cocaine & heroin dependent males, implications for treatment of drug abuse, 8946
cold water swim stress with vs without naloxone vs naltrindole vs beta funaltrexamine, intrathecal somatostatin vs substance P induced nociceptive responses, male mice, 32643
dimethyl disulfide vs milk vs other fluids with or without opioid antagonists, motor activity & tactile stimulation induced facial wiping, rat fetuses, 12894
diprenorphine discrimination, generalization to opiate antagonists naltrexone vs naloxone vs nalorphine vs morphine vs pentobarbital in conditioned taste aversion, female rats, 21001
dopamine & opioid antagonists & agonists, motor responsiveness to milk & perioral stimulation, fetal rats, 32690
dynorphin & kappa receptor opioid antagonist Mr 2266, cocaine induced locomotor activity & grooming, male mice, 21023
dynorphin A with vs without Mr 2266, SK&F 38393 vs RU 24213 induced locomotion & circling & rearing & grooming & other behavioral alterations, male mice, 4943
dynorphin vs U-50, 488 vs nor-binaltrophinine, memory for peck avoidance training, 2 day old male chicks, 692
fentanyl derivative compound 28, drug discrimination & self administration & analgesia & respiration, rhesus monkeys, 20858
icv beta funaltrexamine, DPDPE mediation of morphine induced EEG & EEG spectral parameters & behavioral excitation, female rats, 12896
icv naltrexone vs beta funaltrexamine vs naloxonazine vs nor-binaltorphamine vs DALCE vs naltrindole, tail pinch feeding, male rats, 36809
intranigral naloxone vs mu vs kappa vs delta selective opioid receptor antagonists, drug withdrawal behavior, male morphine dependent rats, 20805
intrathecal calcium with vs without opioid receptor antagonists vs opioid peptides, antinociception, spinalized vs intact male mice, 16868
intrathecal naloxone hydrochloride vs naltrindole vs binaltorphimine, nonopiate stress induced analgesia, male rats, 21034

kappa opioid receptor agonist U-50,488H with vs without naloxone or nor-binaltorphimine, sexual behavior & locomotor activity & body temperature, male rats, 20911
kappa vs mu opioid receptor antagonists, levorphanol vs U50,488H induced analgesia, male mice, 21017
medulla administration of kappa opioid agonists ethylketazocine & U-50,488 & morphine & nicotine, analgesic sensitivity to high & low intensity pain stimuli, male rats, 44701
microinjection of opioid antagonists into substantia nigra, stress induced eating vs oral stereotypies, male rats, 4811
morphine & naloxone & endogenous opioids & selective opioid antagonists, habituation, fetal rats, 40677
morphine vs naltrexone vs nalorphine, reinstatement of heroin self administration after extinction, rats, 771
morphine with vs without naloxonazine, analgesia, postpartum lactating vs cycling female rats, 24907
mu & delta & kappa opioid receptor antagonists, induction of hippocampal mossy fiber long & short term potentiation at CA3 synapse, male rats, 32607
mu receptor agonist DAGO vs mu receptor antagonist CTOP, avoidance conditioning & activity level, male mice, 24980
mu vs delta vs kappa opioid receptor antagonists beta funaltrexamine vs naloxonazine vs naltrindole vs nor-binaltorphimine, heroin self administration, male rats, 44694
mu vs kappa opioid agonists vs antagonists vs morphine with vs without SKF 38393 vs SCH 23390, motor activity, rat fetuses, 28780
N-CPM-TAMO pretreatment, morphine vs U50,488 induced antinociception in tail flick vs writhing assays, male mice, 36795
nalbuphine vs butorphanol, cocaine vs food self administration, rhesus monkeys, 20926
nalbuphine vs butorphanol, cocaine vs food self administration, rhesus monkeys, erratum, 44678
nalbuphine with vs without spinal kappa 1 vs supraspinal kappa 3 receptor antagonists, analgesia, male mice, 16843
naloxone vs naltrindole vs beta funaltrexamine vs norbinaltorphimine, amphetamine induced motor activity & antinociception, male rats, 12808
naloxone vs opioid delta antagonist ICI 174,864, antinociception in cold water swim stress, mice, 780
naltrexone vs nor-binaltorphamine vs beta funaltrexamine vs naltrindole vs D-Ala2,Leu5,Cys6-enkephalin vs naloxonazine, sucrose solution & deprivation induced water intake, male rats, 12736
naltriben vs naltrindole, ED 50 values of naloxone for morphine withdrawal signs, male mice, implications for involvement of delta 2 opioid receptors in development of morphine dependence, 36839
naltrindol, cocaine induced facilitation of responding for rewarding medial forebrain bundle electrical stimulation, male rats, 28772
opioid agonists vs antagonists, milk induced stretch response, fetal rats, 4929
opioid antagonist clocinnamox, morphine vs fentanyl induced analgesia, male mice, 16751
opioid antagonists, involvement of opioid receptors in idazoxan induced food intake, rats, 8918
opioid antagonists, periaqueductal gray beta endorphin vs morphine induced antinociception, male rats, 16867
opioid receptor antagonists & white noise exposure, high affinity choline uptake in frontal cortex & hippocampus, male rats, 4593
pharmacology & rationale for use of opioid peptides & antagonists, self injury, mentally retarded, 30515
rimcazole vs chlorpromazine, schizophrenic male 18–60 yr olds, 6705
SCH32615 injection to periaqueductal gray & ventromedial medulla, analgesia & neurochemistry of endogenous opioids, rats, conference presentation, 16729
sigma 2 opioid receptor antagonists naltriben vs naltrindole 5-isothiocyanate, acute morphine dependence, male mice, 44682
transnasal butorphanol vs im methadone, pain intensity & relief & nausea, 18–65 yr olds with severe migraine headaches, 2784

Narcotic Antagonists [See Also Naloxone, Naltrexone]—Chapters
Effects of opioid receptor antagonists in the treatment of autism and self-injurious behavior, 38607
Narcotic Drugs [See Also Apomorphine, Atropine, Codeine, Heroin, Meperidine, Methadone, Morphine, Opiates]—Serials
benefits & tolerance & abuse of & addiction to prescribed oral narcotic analgesics & relation to psychopathology, physically ill 24–79 yr olds with chronic nonmalignant pain, 18873
etonitazine self administration & reinforcement, Lewis vs Fischer 344 male rats, implications for genetic differences in opioid reinforcement of operant behavior, 4934
interactional strategies in covert marihuana & LSD & crack cocaine & heroin transactions & group infiltration, undercover narcotics agents, application of dramaturgical theory, 19895
methadone vs buprenorphine, response rate under VI reinforcement, female pigeons, application of Heyman's matching law & Nevin's resistance to change hypothesis, 28698
narcotics, pain management, cancer patients, conference presentation, 18886
Narcotic Drugs [See Also Apomorphine, Atropine, Codeine, Heroin, Meperidine, Methadone, Morphine, Opiates]—Chapters
Psychotropic and narcotic drugs and quality of life, 30536
Nasal Mucosa [See Olfactory Mucosa]
National Guardsmen—Serials
activity & rest & sleep deprivation, National Guard members, implications for training exercise scheduling, 7722
utility of moonlighting vs patriotism theories, prediction of retention vs turnover intentions, Army Reserve & National Guard officers & enlisted personnel, 47473
Nationalism—Serials
blocking training in group analysis as reflection of Yugoslav crisis, Croatia, 47046
evolutionary humanistic interpretation of ethnocentrism & nationalism & "New World Order", 9363
Kleinian view of events in former Yugoslav & Serbian identity, developmental arrest & distortion of nations' relationships, 45045
national identity, domestic adults vs foreign students, US vs Hungary vs Bulgaria vs Greece, 1246
social representations & national identity, development of territorial & political knowledge, male 7 vs 10 vs 12 vs 17 yr olds, England vs Argentina, 29005
TV images with vs without sound of known vs unknown leaders from France vs Germany vs US, cognitive judgments & emotional responses, adults, US, implications for nationalism & xenophobia, 5446
viewing of violent scenes of war vs nonviolent scenes of soldiers, patriotic responses, male vs female 18–25 yr olds, 29136
Native Americans [See American Indians]
Natural Disasters—Serials
comparison of reaction to earthquake during counseling session to chasm between psychotherapy practice & real life, therapists, 26437
conceptions & beliefs about earthquakes, K–6th graders, implications for science education, 39315
cultural factors in poststress symptom presentation & treatment strategies, 3–15 yr old earthquake survivors, Armenia, 46209
damage to home & family presence during hurricane, psychological distress & perceived threat after Hurricane Hugo, nurses, 1 & 4 mo & 1 yr followups, 3258
depression & stress mediating potentials of social embeddedness & family & other social support, 55 yr old & older flood victims, longitudinal study, 25776
disaster education & household preparedness, stress responses following Hurricane Hugo, adults, 27812
dissociative & anxiety symptoms after San Francisco Bay Area earthquake, adults, conference presentation, 25694
earthquake prediction, PTSD-like symptoms, 3rd & 10th graders, 17853

educational level & sex, coping with repetitive natural disasters, Indian vs White vs Colored 21–84 yr olds, South Africa, 7790
emotional distress & physical & emotional symptoms, adult victims of volcano eruption, Colombia, 1 vs 5 yr followup, 41412
emotional distress & PTSD & other psychological consequences of natural disaster, residents, Colombia & Ecuador, implications for service delivery planning, conference presentation, 29553
marital & parental status, psychological disturbance, victims of floods or mudslides or dioxin contamination, US vs Puerto Rico, 41509
near death experiences, 12–60 yr old survivors of severe earthquake, 1976, China, 20358
onset of PTSD or anxiety & affective disorders, volunteer fire fighter victims of natural disaster, Australia, 1611
psychoanalytic group crisis intervention program, victims of Mexico City earthquake, 1985, Mexico, 30415
psychological distress & coping, hurricane survivors, application of conservation resources stress model, 7791
psychological reactions to trauma of Armenian earthquake victim rescue, rescue workers, 1988, Sweden, 1 & 9 mo followups, 35201
psychological research on stress & disasters & human made technological accidents, implications for policy & planning & legal resolution of environmental hazards, 43585
relationship with deceased & preventability of death, intensity & duration of grief response, close friends & family of disaster victims, 1 & 3 yr followups, commentaries & reply included, 9610
role of avoidance & intrusion of distressing memories of natural disaster in etiology of PTSD, volunteer firefighters, Australia, 42 mo study, 1774
role of culture in epidemiology of "attack of nerves", 17–68 yr old victims of floods & mudslides, 1985, Puerto Rico, 29545
stressors & coping methods, 9th–10th graders assessed 15 mo after Hurricane Hugo, 1075
test retest reliability of self reported measures of disaster loss & preparedness & received & provided social support, hurricane survivors, 9 mo followup, 17562
Natural Family [See Biological Family]
Nausea—Serials
classical conditioning of anticipatory nausea during chemotherapy, females with breast cancer, 22891
classical conditioning of posttreatment anticipatory physical symptoms including nausea, cancer patients receiving chemotherapy, Germany, therapeutic implications, conference presentation, 42622
latent inhibition & classical conditioning of anticipatory nausea during chemotherapy, females with breast cancer, commentary, 22903
music therapy during chemotherapy, nausea & emesis, 38–73 yr olds with cancer, 22881
nausea producing nondrug cue & lithium, antisickness conditioning, male rats, 24850
noradrenergic activity & elevated plasma MHPG as cause of anticipatory nausea during chemotherapy, cancer patients, 22906
perception of orientation & self motion under conditions of sensory conflict, prediction & prevention of motion sickness & receiver responses to nauseogenic & unusual environments, literature review, 22262
personality characteristics, prevalence & extinction of conditioned nausea after chemotherapy, relapse free adult males treated for testicular cancer, 18894
relaxation techniques, chemotherapy induced nausea, cancer patients, literature review, 26851
Nausea—Chapters
Functionalism and psychophysiology, 20790
Navigators (Aircraft) [See Aerospace Personnel]
Navy Personnel—Serials
active vs passive leader teams & hierarchical resource allocation in Navy command & control decision making environment, 11737
cognitive style & alcohol & work related problems, Naval personnel, 13950
disease & nonbattle injuries during Operation Desert Shield, Navy & Marine personnel, Saudi Arabia, 5720
empirical keying procedure & sample size, cross validity of biodata instruments for personnel selection, applicants for admission to US Naval Academy, 7724
environmental design using hallway posters & computer based instruction, learning, Navy personnel in technical training school, 39558
exercise behavior & social support, physical fitness, male Navy runners vs nonrunners, technical report, 11738
exercise participation, depression & self esteem & quality of life, nonclinical Navy personnel, 5636
health & fitness status & health behavior, perceived quality of life, 17–52 yr old Navy personnel, 2 yr study, 11741
impression management & self deceptive enhancement, Hispanic vs White Navy recruits, 9529
moderating factors in relationship between stress & performance, implications for Combat Information Center Navy teams, research review, 3772
mood & health complaints, 19–45 yr old Naval personnel deployed in Persian Gulf, 1989, 37582
neuroticism & extraversion & conscientiousness & agreeableness & openness to experience & other personality measures, health behavior, 17–40 yr old male Navy vs Marine personnel, 5594
perceived responsibility & patient care practices related to tobacco use, 21–68 yr old Navy health care providers, 27132
personality & perceptions of health status & mood & coping style, medical rehabilitation program effectiveness & attrition, 17–35 yr old Navy trainees with health problems, 7203
physical fitness vs exercise vs health attitudes, mental & physical health & well being, Navy personnel, 6984
role of APA's expert panel & equivocal death analysis in Congressional review of USS Iowa incident, 1989, 19880
role of learning & errors in training of cooperative team navigation of ship, Navy personnel, 35637
sex role attitudes & division of labor, life satisfaction & well being & involvement, wives of Navy submarine officers, analysis of 2 person career, 3769
study factors, performance in Navy technical schools, 18–21 yr olds, 15734
type & prevalence of psychiatric diagnoses, 18–38 yr old & older Navy aircraft carrier personnel, 11 mo study, 9760
use of tobacco products, 19–50 yr old Navy SEAL personnel, comparison with survey data of general Navy population, technical report, survey appended, 29319
3 tiered remedial weight management program, obese Navy personnel, 22971
Near Death Experiences—Serials
antisuicidal attitudes, adults with vs without near death experiences, 24509
application of monistic vs dualistic perspective on mind body relationship to near death experiences, 20357
cultural vs biological explanations for life review & tunnel sensation & other features of near death experiences, Western vs non-Western countries, 28370
experiential components of out of body & near death experiences in fantastic journeys in classic literary fantasies, 9011
functions of angels in near death experiences, 20359
historical accounts of otherworld personage revelations of future in near death experiences, adults, 36293
implications of phantom leaf effect & R. Sheldrake's morphogenetic field theory for out of body & near death experiences, 8398
misconception of near death experiences as glimpses of life after death, 32272
near death experiences vs close brushes with death, threat of personal death, adults, 16395
near death experiences, 12–60 yr old survivors of severe earthquake, 1976, China, 20358
prevalence & characteristics of near death experiences, 16–90 yr olds, India, 20360
similarities between near death experiences & multiple personality disorder, 21725
visions of unborn children during near death experiences, adults, 32269

Nearsightedness [See Myopia]
Neck (Anatomy)—Serials
epidemiology & symptoms & treatment & other aspects of whiplash injuries of head & neck due to vehicle collisions, 14167
high gravitational forces, acute inflight neck pain, male 20–24 yr old student fighter pilots, Finland, 41953
identification & localization of neck muscle motor neurons used in pecking behavior in cervical spinal cord, pigeons, 32404
induced hypnotic analgesia in arm vs back of neck, physical changes in skin temperature, college students, 12712
information processing & memory disturbances, 26 & 37 yr old females with cervical whiplash without direct head-strike, 34008
neurological & neuropsychological & other clinical features, 18–46 yr olds with acute whiplash injury of neck, 3 day to 1 yr followups, 18189
remembered saccades procedure, assessment of perceived neck rotation, male 57 yr old with absent vestibular function vs healthy 30–68 yr olds, 36640
stretch based vs tense release relaxation treatment, adults with chronic neck tension, 6931
Need Achievement [See Achievement Motivation]
Need for Affiliation [See Affiliation Motivation]
Need Satisfaction—Serials
A. Maslow's needs hierarchy vs Omnibus Budget Reconciliation Act of 1987, need satisfaction, nursing home residents, 15026
actual vs desire to improve satisfaction on Maslow's needs hierarchy, college students, 45244
demographic variables, satisfaction with work & satisfaction of social needs, Bedouin elementary teachers, Israel, 31212
growth need strength & context satisfactions, job characteristics & psychological states & growth & job satisfaction & motivation, employees, test of job characteristics model of motivation, 7661
